BY-LAWS OF THE TOWN OF ARLINGTON.

[Compiled by the Committee of Five as authorized by vote of the Town November 24, 1902.]

ARTICLE I.

NOTIFICATION OF TOWN MEETINGS.

Every Town meeting shall be notified by posting a copy of the warrant calling the same, on the doors of the Town Hall, seven days, at least, before the day appointed for said meeting; and a printed notice containing the substance of the warrant shall be left at every dwelling house in the Town. Also notice of time of the meeting or of the date of its adjournment shall be published in the local papers.

ARTICLE II.

RULES FOR THE GOVERNMENT OF TOWN MEETINGS.

SECTION 1. No final vote shall be reconsidered except upon notice, for that purpose, made by one of the majority acting thereon, within fifteen minutes after such vote has been passed; and no article in the warrant shall be again taken into consideration after it has been disposed of, unless ordered by a vote of two-thirds of the voters present.

SEC. 2. No person shall speak more than twice upon any question, without first obtaining leave of the meeting, except for the correction of an error, or to make an explanation; and not until others who have not spoken upon the question shall speak, if they desire to.

SEC. 3. All questions submitted for the consideration of the Town, involving the expenditure of money, shall be in writing, and all other motions shall be reduced to writing, if required by the presiding officer.

SEC. 4. Every person speaking shall address the Chair, standing and uncovered.

SEC. 5. No vote, fixing the period for closing a ballot, shall be re-considered after such ballot shall have commenced;

but it may be in order to extend the period without such re-consideration.

SEC. 6. When a question is under debate, motions shall be received, to adjourn, to lie on the table, the previous question, to postpone indefinitely, to postpone to a time certain, to commit or to amend. Which several motions shall have precedence in the order which they are arranged. The first four shall be decided without debate.

SEC. 7. The duties of the presiding officer, not specially provided for by law, or by the foregoing rules, shall be determined by the rules of practice contained in Cushing's Manual, so far as they are adapted to the condition and powers of the Town.

SEC. 8. On all questions submitted for the consideration of the Town involving the expenditure of money, the ballot and check list shall be used when requested by twelve or more legal voters present at the meeting.

ARTICLE III.

FINANCIAL YEAR.

The financial year of the Town shall begin with the first day of January in each year, and end with the thirty-first day of December, following.

ARTICLE IV.

ANNUAL TOWN MEETING.

The Annual Town Meeting shall be on the first Monday of March in each year, and all reports of Town Officers shall be made at that time.

ARTICLE V.

REPORTS OF COMMITTEES.

No action shall be had at any Town meeting on the report of any Committee previously chosen, unless the same shall be specially notified in the warrant for calling said meeting.

ARTICLE VI.

MEETINGS OF TOWN OFFICERS.

The Selectmen, Overseers of the Poor, Surveyors of Highways, Treasurer, and Clerk, shall meet for the transaction of the business of their respective departments, at their rooms in the Town Hall, on the last Monday evening of each month.

ARTICLE VII.

POWER OF THE SELECTMEN TO BORROW MONEY.

The Selectmen may authorize the Treasurer to borrow money temporarily on the credit of the Town, in anticipation of the collection of the taxes, should the same be necessary, and to give Town notes for the same, signed by him as Town Treasurer; said notes to be countersigned by the Selectmen.

ARTICLE VIII.

COLLECTION OF TAXES.

SECTION 1. The assessment of all taxes shall be completed, and a list of the same delivered to the Collector on or before the first day of August, and all tax bills shall be delivered on or before the twentieth day of August of each year.

SEC. 2. All single poll taxes shall be paid in fourteen days after demand. Interest shall be charged on all unpaid taxes after November first of the year in which they are assessed.

SEC. 3. The Collector shall collect all taxes, including street watering and apportioned sewer assessments, levied in any year, before June first of the following year.

SEC. 4. The Collector shall hold no other Town office.

ARTICLE IX.

PUBLIC WAYS.

SECTION 1. All persons intending to erect, repair or take down any building, on land abutting on any way which this

Town is obliged to keep in repair, and who desire to make use of any portion of said way for the purpose of placing thereon building materials or rubbish, shall, ten days at least before so placing any building material or rubbish, give notice, in writing, to the Selectmen, of such wish, and thereupon the Selectmen may grant a permit to occupy such a portion of said way to be used for such purpose as in their judgment the necessity of the case demands, and the security of the public allows such permit in no case to be in force longer than ninety days, and to be on such conditions as the Selectmen may require; and in every case, upon condition that during the whole of every night, from twilight in the evening until sunrise in the morning, lighted lanterns shall be so placed as effectually to secure all travellers from liability to come in contact with such building material or rubbish.

Sec. 2. Whoever shall use any portion of any way which the Town of Arlington is obliged to keep in repair, without the permit, in writing, of the Selectmen, as above provided, or having obtained such permit, shall fail to comply with the conditions thereof, shall forfeit and pay the sum of ten dollars for each offence, and shall also reimburse the Town for all damages and expenses which the Town may be compelled to pay by reason of the way being encumbered.

Sec. 3. Whoever shall move, or assist in moving, any building more than ten feet high, over any way in this Town, which this Town is obliged to keep in repair, without the written permit of the Selectmen being first obtained, or having obtained such permit, shall not comply with the restrictions and provisions thereof, shall forfeit and pay the sum of twenty dollars for every such offence.

Sec. 4. Whoever shall suffer horses, goats, or grazing beasts, or swine to run at large in this Town, or to feed by the roadside, either with or without a keeper, shall forfeit and pay the sum of five dollars for every such offence.

Sec. 5. Whoever shall drive or draw any coach, cart, or wheel-barrow, handcart, velocipede, bicycle, or any carriages of burden or pleasure (excepting children's carriages drawn by hand, or children's velocipedes), upon any sidewalk, in the Town, or permit any horse, cattle, swine, sheep or goats, under

his or her care, to go upon any sidewalk in the Town, so as to interfere with the convenient use of the same by all passengers, shall forfeit and pay a sum of not less than two dollars, or more than twenty dollars for every such offence.

SEC. 6. Whoever shall behave himself in a rude or disorderly manner, or use any indecent, profane or insulting language, in any public place in the Town, or near any dwelling house, or other building therein, or be, or remain upon any sidewalk, or upon any doorstep, portico, or other projection of any house or other building, not his own, to the annoyance or disturbance of any person, or by any noise, or other means, wantonly and designedly frighten any horse in any street, or other public place in the Town, or shall throw stones, snowballs, sticks or other missles, or kick at foot ball, or play at any game in which a ball is used, or fly any kite in the public ways in the Town, shall forfeit and pay for each offence, not less than three dollars, and not more than twenty dollars.

SEC. 7, Whoever shall stand in any public way in such a manner as to obstruct a free passage for passengers, or shall make any bonfires in any public way or place in the Town, shall forfeit and pay for each offence, not less than three dollars, and not more than twenty dollars.

SEC. 8. Whoever posts, affixes, or in in any way attaches any poster, handbill, notice, advertisement or placard to or upon any post, wall, fence, building or structure not his own, without permission of the owner or proprietor of such post, wall, fence, building or structure, shall forfeit and pay for each offence, not less than three dollars, and not more than twenty dollars.

SEC. 9. Whoever paints, draws, or stamps any letter, notice, figure, advertisement, or marks upon or into any wall, fence, post, tree, building or structure not his own, without the permission of the owner of such wall, fence, post, tree, building or structure, or without said permission mars, defaces, or disfigures in any way such wall, fence, post, tree, building or structure, shall forfeit and pay for each offence, not less than three dollars, and not more than twenty dollars.

SEC. 10. Whoever shall place or cause to be placed upon any of the public ways of the Town, or shall place or cause to

be placed upon any public way, footpath or sidewalk within the Town, any lumber, iron, coal, trunks, bales, boxes, crates, casks, barrels, packages or other things, or shall otherwise obstruct such way by placing things therein, for more than fifteen minutes after being notified by a Constable, Police Officer, or the Selectmen, shall forfeit and pay for each offence, not less than two dollars, and not more than five dollars.

Sec. 11. Whenever complaint shall be made to the Selectmen that coasting on any street or sidewalk in the Town, has become dangerous to the public safety, they may post up a notice in some conspicuous place on the side or corner of any such street or sidewalk, forbidding all persons to coast upon the same; and if any person shall be found coasting upon the same after such notice, he shall forfeit and pay not less than one dollar, and not more than five dollars.

Sec. 12. No person shall tie or fasten any horse to, or have the same standing by any ornamental or shade tree in or near any of the streets, lanes or places of this Town, so near as to injure any unprotected tree, or wrongfully injure or abuse such tree in any manner; and whoever violates the provisions of this section, shall forfeit and pay not less than one dollar, and not more than ten dollars.

ARTICLE X.

PUBLIC HEALTH.

Section 1. No person shall drive, or cause to be driven, any cart or wagon containing night-soil or offal, or any cart or wagon used for that purpose, through any public way in the Town, between the hours of six A.M. and nine P.M., except an odorless tank, nor permit any such wagon or cart to stand, between said hours, in any street, lane or alley in said Town.

Sec. 2. No person shall keep any swine within a distance of fifty feet of any public way or place, or within a distance of one hundred feet of any dwelling house not his own, or within a distance of twenty-five feet of his own dwelling house. No person shall, after January 1, 1902, keep within the limits of the Town, more than five swine, exclusive of offspring less than four months old of said five swine. Whoever violates any of

the provisions of this section shall be punished by fine not exceeding twenty dollars for each offence.

SEC. 3. No person shall put or suffer to accumulate on his premises, any refuse, animal or vegetable matter, rubbish or filth, whereby any offensive or noxious stench or effluvia shall be created, and the health or comfort of the citizens be injuriously affected, or shall throw any such substances into the ponds, streams or brooks of the Town, or shall allow the contents of any vault or house drain, or the refuse of manufacturing or slaughtering process to drain into such ponds, streams or brooks.

SEC. 4. No person, without the license of the Board of Selectmen, shall throw into, or leave in, or upon any street, court, square, lane, alley, public square, public enclosure, vacant lot, or any pond or body of water within the limits of the Town, any dead animal, dirt, manure, oyster, clam or lobster shells, ashes, cinders, waste water, rubbish or filth of any kind, or any refuse animal or vegetable matter whatever.

SEC. 5. No vehicle used for collecting or conveying swill or house offal, shall be drawn over, or allowed to stand upon any sidewalks in this Town.

ARTICLE XI.

TRUANTS AND ABSENTEES.

SECTION 1. Any child between the ages of seven and fifteen years, who shall absent himself from the public school to which he is assigned, three times, within the period of one month, without sufficient excuse from his parent or guardian, shall, in each case, be deemed to be an habitual truant.

SEC. 2. Any child convicted of offending under the preceding by-law, shall be committed to the Institution of Instruction and House of Reformation of Juvenile Offenders, in the city of Lowell, for such time not exceeding two years, as the Court of Justice having, by law, jurisdiction may determine.

SEC. 3. The said Institution of Instruction and House of Reformation of Juvenile Offenders, in the city of Lowell, is hereby provided as the place for the confinement, discipline and instruction of habitual truants.

SEC. 4. It shall be the duty of every truant officer, before making any complaint for offences under these by-laws, to notify the offending child and his parent or guardian of the offence committed, and of the penalty thereof, and if the truant officer can obtain satisfactory pledges for the restraint and reformation of the child, he may, in his discretion, forbear to prosecute, so long as such pledges are faithfully observed and kept.

SEC. 5. All children between the ages of seven and fifteen years, wandering about in the streets and public places of this Town, having no lawful occupation or business, not attending school, and growing up in ignorance, shall be punished by a fine not exceeding twenty dollars, or by commitment to any institution of instruction, house of reformation, or suitable situation, provided for the purpose under the authority of the tenth section of chapter 48th of the Public Statutes.

ARTICLE XII.

No person shall bathe or swim in Spy Pond, or in any public or exposed place in the Town, without wearing a proper covering to the body.

ARTICLE XIII.

SECTION 1. No person shall blast any rock or other substance with gunpowder, or other explosive material, at any place within fifty rods of any public way or building, without a written permit from the Board of Selectmen, specifying the terms and conditions on which such permit is granted.

SEC. 4. No person shall, except in the performance of some legal duty, discharge any firearms upon or across any public park, play ground, street or way, within the limits of the town, except by permission of the Board of Selectmen.

SEC. 5. No person shall be a dealer in, or keep a shop for the purchase, sale or barter of junk, old metals, or second hand articles, unless licensed by the Selectmen.

SEC. 6. No wagon shall be used for the collection of junk, metals, rags, or second hand articles, unless licensed by the Selectmen. Every such wagon shall bear conspicuously the

owner's name and the number of the license, on the outside and on each side. Every license shall designate the person employed to drive such vehicle. Such driver shall not be changed without the consent of the Selectmen.

SEC. 7. It shall be the duty of the Town Clerk to keep a record of the name and residence of every peddler licensed by the Town.

SEC. 8. No person shall permit any team under his care or control to stand across any public highway or street in such a manner as to obstruct the travel over the same, and no person shall stop with any team in any public street at the side of or near to another team as to obstruct public travel, and no person shall stop with any team or carriage upon or across any cross-walk in any street or highway in the Town.

Any person who shall violate any provisions of these by-laws, or who shall refuse or neglect to obey any order of the Board of Health, duly issued under these by-laws, and directed to him and properly served on him, shall, in cases not otherwise provided for, forfeit and pay for each offense a fine not exceeding twenty dollars. (Note. This paragraph comprises the whole of Article XIII. as approved November 11, 1882.)

ARTICLE XIV.

Prosecutions for offences under these by-laws may be made by any Constable or Police Officer of the Town, and all fines shall be paid into the Town Treasury.

ARTICLE XV.

Upon the approval of the foregoing by-laws by the Superior Court, all by-laws heretofore existing, except the by-laws relating to the Public Library, the Cemeteries and the Fire Department, shall be annulled and repealed. (Note. This Article was approved November 11, 1882.)

ARTICLE XVI.

SECTION 1. Beginning with the year 1903, only one Auditor shall be elected. It shall be the duty of the Auditor, in addition to the duties imposed on him by law, to make state-

ments to the Selectmen, at regular intervals during a financial year, of the conditions of the several departments of the Town; to inspect all bills presented against the Town, see that they have the approval of the board or committee contracting the same, and are in proper form, indicate the account to which they are chargeable, and if there are available funds, shall transmit the same with his certificate to the Treasurer, and draw a warrant authorizing payment thereof; to examine the books of the Treasurer, Collector, Water Board, Sewer Department, and all departments holding funds or trust funds for the benefit of the Town and report at the next annual Town Meeting in detail, under their respective heads, all the receipts and expenditures by the Town for the previous year. Said report shall be printed by the Selectmen with the annual reports of the Town Officers before the annual meeting. Said Auditor shall receive for his services such compensation as the Town shall determine. The term of the present Auditors shall terminate with the annual Town Meeting of 1903.

No money, except State and County taxes and principal and interest of Town notes, shall be paid from the Town treasury without a warrant therefor, signed by the Auditor.

All promissory notes of the Town shall be signed by the Treasurer and countersigned by the Selectmen.

On the first secular day of each month, and as often as the amount in his hands reaches five hundred dollars ($500) or upwards the Collector shall pay over to the Treasurer of the Town all taxes by him collected, and shall on or before the first secular day of January in each year, make up his annual account, and render the same to the Selectmen.

The Treasurer shall, on the first secular day of January, annually render to the Selectmen, in writing, a full account of all his receipts and disbursements for the financial year last past.

At the conclusion of any Town Meeting the Town Clerk shall send to the Auditor a certificate stating the amounts of the several appropriations made by the Town.

ARTICLE XVII.

The Treasurer shall hold no other Town office.

BY-LAWS RELATING TO THE CONSTRUCTION OF BUILDINGS IN THE TOWN OF ARLINGTON.

[Approved by the Superior Court, April 22, 1901.]

SECTION 1. An Inspector of Buildings shall be appointed annually by the Selectmen during the month of March, and he shall continue to hold his office until his successor has been appointed and qualified. He shall not be interested in any contract or engagement for furnishing labor or materials or plans for the construction or alteration of any building in the Town. Until such time as the Town makes an appropriation for the salary of such Inspector, the Board of Selectmen shall perform the duties of the office.

SEC. 2. The Inspector shall have free access to and examine all buildings in course of construction, alteration and repair and see that all by-laws of the Town in relation thereto are complied with, and when necessary, shall take proper measures to secure such compliance. He shall make an annual report of his work to the Selectmen, with such recommendations as he may deem best. Upon hearing that any building is in a dangerous or unsafe condition, he shall examine it and if he deems it necessary, shall notify the owner, agent, or other party interested therein, to make it safe and secure, and if they do not comply with his notice, he shall notify the Selectmen of the facts. He shall from time to time examine all buildings used or proposed to be used for public assemblages or for school or manufacturing purposes, to see if the State requirements as to such buildings are complied with, and in case of any non-compliance he shall at once notify the State Inspector of Factories and Public Buildings. He shall perform such other duties as may be prescribed by these by-laws.

SEC. 3. No building except sheds, outhouses and farm buildings, other than dwellings, shall hereafter be erected in the Town of Arlington, and no addition to or alteration chang-

ing the character of any such building shall be made, unless the person intending to erect or make such alterations in such buildings shall, seven days at least before he proceeds to build or erect the same, or lay the foundation thereof, or to make the said alterations, or to do any act for carrying into execution his intention to do such things, file with the Inspector of Buildings notice in writing of his intention, with such plans and specifications or a full written description of the structure to be erected, in such form as may be approved by the Inspector.

SEC. 4. The Inspector shall give a permit for the erection of, addition to, or alteration above described, of any building after he has carefully inspected the plans, specifications, or descriptions thereof, and ascertained that it has sufficient strength, and that means of ingress and egress and of preventing spread of fire are sufficient, and that it otherwise conforms to the by-laws of the Town.

SEC. 5. The foundations of all buildings for dwelling, business or manufacturing purposes, shall be walls of masonry and piers of masonry or iron, and above a distance of twelve inches below the surface of the adjoining ground the walls shall be laid in mortar. All such wooden buildings not more than one story in height may, with the approval of the Inspector, be built wholly on piers or posts; and such wooden buildings not exceeding three stories in height may be so built, with the approval in writing of the Selectmen. The foundation of all such permanent buildings must rest on solid ground or levelled surfaces of solid rock, or on piles, concrete, or other solid substructure. Such foundation other than solid rock must be not less than four feet below the adjacent surface of the ground exposed to frost. All such wooden buildings shall be framed and constructed in a manner satisfactory to the Inspector, posts and girts in the exterior walls to be not less than 4x6 inches in size, and studding shall not be more than sixteen inches apart.

EXTERNAL WALLS.

SEC. 6. External walls of brick dwelling-houses hereafter to be erected in this Town, if not more than twelve feet in height above the foundation walls, shall not be less than

eight inches think for their entire height; if two stories, and not more than twenty-five feet in height, they shall be not less than twelve inches thick to the top of the second floor, and not less than eight inches thick for the remaining height; and if three stories, and more than twenty-five feet in height, they shall be not less than twelve inches thick to the top of the third floor, and not less than eight inches thick for the remaining height.

SEC. 7. The external walls of all brick buildings, other than dwelling houses, to be hereafter erected in this Town, if not more than forty feet in height above the foundation walls, shall be not less than sixteen inches thick to the top of the upper floor, and not less than twelve inches thick for the remaining height; and if more than forty feet in height and not exceeding sixty feet in height, they shall be not less than twenty inches thick to the top of the second floor, and not less than sixteen inches thick to the top of the third floor, and not less than twelve inches thick for the remaining height. PROVIDED, *However*, that the external walls of brick buildings, not exceeding twenty-five feet in height, and covering an area not exceeding two thousand square feet, to be used for stables or light mechanical purposes, may be twelve inches thick.

SEC. 8. No buildings, except a manufactory, railway station, stable, church, school-house, hotel, or hall for public assemblies, shall hereafter be erected, and no existing building shall hereafter be altered or added to, so that they have a frontage of more than fifty feet, without one or more partition walls of brick or some other fire resisting material, extending from the bottom of the cellar, or from a foundation wall to the under side of the roof boarding, which shall be laid and be imbedded in mortar upon said wall. Such walls shall be not more than thirty feet apart throughout the length of the building. If said wall is built of brick, it shall be not less than eight inches thick for its entire height. No existing building having a frontage of more than fifty feet, shall be converted to a use not excepted by this section, without at least one partition wall, constructed as described in this section: PROVIDED, *However*, that any single dwelling house, intended for one family, may be extended more than fifty feet in one direction without such partition wall.

Sec. 9. All buildings hereafter erected which are to be used in whole or in part for business or manufacturing purposes, or as places for public meetings, shall be constructed of brick or stone, and have slate, metal or composition roof-covering and metal gutters, unless permission is otherwise given by the board of Selectmen.

Sec. 10. All buildings hereafter erected to be used as tenement houses, in excess of thirty feet in width, shall have brick partition walls on which floor beams shall rest, not less than twelve inches thick for their entire height, and extending to the under side of the roof-boarding, which shall be laid and be imbedded in mortar upon said wall. Said walls shall be not more than twenty-five feet apart. All dwelling houses shall have a fire-proof partition wall between each set of up and down tenements.

Sec. 11. No wooden building to be used for a dwelling house shall exceed forty-five feet in height, and no portion of the external side-walls of any wooden building shall be placed at a less distance than five feet from the line of the lot upon which the building is to be located, or within ten feet of another wooden building, except where a brick external wall is substituted for a wooden wall, and of a thickness prescribed for external walls of brick buildings. The brick walls above required shall be built twelve inches above roof-boarding and covered with stone or iron.

Sec 12. Party walls and all partition walls of brick, in all buildings other than dwelling houses hereafter to be erected in this Town with external walls not exceeding forty feet in height, shall be not less than sixteen inches thick to the top of the second floor, and not less than twelve inches thick for the remaining height, and, in buildings having external walls exceeding forty feet in height, said walls shall be not less than twenty inches thick to the top of the second floor, not less than sixteen inches thick to the top of the third floor, and not less than twelve inches thick for the remaining height.

Sec. 13. No opening or doorway shall be cut through or formed in a party or partition wall of any building, without a permit from the Inspector of Buildings, and every such doorway shall have its top, bottom and sides of stone, brick or iron, and

shall be closed by two doors, or sets of doors of wood, covered with metal, with an air space between them of at least four inches, and said doors shall be hung in wooden frames entirely covered with metal, or to iron hinges in brick or stone rabbets.

PIERS AND COLUMNS.

Sec. 14. All piers shall be built of the best quality of good, well-burnt, hard brick, laid in cement and sand mortar and well wet when laid in warm weather. Brick piers under lintels, girders or columns of brick buildings shall have a cap iron at least two inches thick, the full size of the pier. Brick piers and buttresses shall be bonded with through courses, levelled and bedded, each course, and where their foundations rest upon piles, a sufficient number shall be driven to insure a proper support.

Sec. 15. Every pier, column, pillar or post resting on the earth shall have a base course of stone or concrete and if supporting walls of masonry, shall have for a footing course a broad leveller of granite or ledge stone, not less than twelve inches wider on all sides than the bottom area of said piers, columns, pillars or posts, and not less than twelve inches thick.

Sec. 16. Every metal column in a brick building shall rest on an iron plate of not less thickness than two inches. Wooden columns supporting girders and floors in such buildings shall rest on inch and a half iron plates with sockets to receive the foot of the columns. Metal columns placed one on the top of another shall have a plate at the top of each column, with projections on both sides to fit into cap and base of columns, to prevent slipping; and all columns shall have holes bored when and where directed by the Inspector, into and through the shell at right angles to the shaft, so as to show the thickness of shell. All bearing parts of columns and plates shall be turned or planed to true surfaces.

Sec. 17. No roof water from any building shall be allowed to flow over the sidewalk fronting it.

Sec. 18. All brick walls shall be built with proper bond, satisfactory to the Inspector, and all intersections of walls shall

be tied together with wrought iron straps every ten feet in height. Floor beams shall be anchored to brick walls on which they rest, and to each other, so as to form continuous ties across the building at least every ten feet.

SEC. 19. All floors shall be constructed to carry safely the following weights per square foot:

Dwellings	40 lbs.
Mercantile and Public Buildings, .	100 "
Storehouses — Machine Shops, .	200 "
Drill sheds, etc., . . .	200 "

CHIMNEYS AND HEATING APPARATUS.

SEC. 20. All chimneys hereafter erected shall be built from the ground, of brick, stone, or other fire-proof non-heat-conducting materials, and shall be built plumb, or nearly so, so as to be self-sustaining; PROVIDED, *However*, that brick flues may be securely built into the brick work of the walls of the building to which they are hung, when the walls are not less than twelve inches thick; and PROVIDED, ALSO, that, upon special permission first obtained from the Inspector, other forms of support may be used with such special safeguards as he may require, and provided, also that the matter of construction of chimneys in small wooden buildings other than dwelling houses, not more than one story and a half in height, shall be left to the decision of the Inspector of Buildings, but must be constructed in accordance with his instructions and to his satisfaction.

SEC. 21. All brick chimney-flues shall be built of hard burned brick and be smoothly plastered inside with mortar from top to bottom, during the course of construction, and also outside below the roofing after having been examined and approved by the Inspector of Buildings; except that exposed portions of said chimneys may be left unplastered upon the outside. Said chimneys shall be topped out with brick or stone, laid in cement, and the topping out shall not have more than two inches projection, unless the bricks are covered by a cap of

stone or other non-combustible material in one piece, properly secured and approved by the Inspector; and in no case shall a nail be driven into the masonry of any flue.

SEC. 22. No smoke-pipe in any building with wooden or combustible floors or ceilings shall hereafter enter any flue except at a distance not less than twelve inches from said floor or ceiling; and in all cases where smoke-pipes pass through stud or wooden partitions of any kind, whether the same be plastered or not they shall be guarded by a soapstone ring having a thickness radial to said pipe of not less than two inches, and extending through said partition, and in cases where smoke-pipes pass through wood work of any kind in such near proximity to the brick work of the flue that the space between said wood work and flue is inaccessible, said pipe shall be guarded by a soapstone ring or thimble, or its equivalent, having a thickness of at least two inches, and extending from the outer face of said wood work to a point at least two inches within the brick work of the flue, in which it shall be firmly set.

SEC. 23. All hearths shall be supported upon trimmer arches of brick or stone, or upon bars of iron supporting a bed of brick work and shall be at least twelve inches longer than the width of the fireplace openings and at least eighteen inches wide in front of the chimney breast. Wooden centering supporting a trimmer arch shall be removed before plastering.

SEC. 24. Brick work back of all grates, fireplaces and ranges shall be not less than eight inches thick, and when it adjoins a wooden or stud partition shall have at least two four-inch walls, with at least a two-inch air space between. No wood work shall be secured to the brick work of any flue. Open fire-places shall have fire-proof foundations.

SEC. 25. *a*, No furnace or range set in masonry shall hereafter be placed, or its location changed in any building, without a permit from the Inspector of Buildings, who shall prescribe such regulation for the setting or placing thereof as in his judgment the public safety may require.

b, The top of every heating furnace or steam boiler shall be kept at least one foot below the lowest part of the ceiling or floor next above it and such protective covering shall be placed on such ceiling as the Inspector may require.

c, All register boxes shall be set in soapstone or similar borders, not less than two inches in width and said boxes back of such border shall be surrounded by an open space of not less than one inch in all directions, and when required by the Inspector the timbers and flooring surrounding the boxes shall be protected by sheet metal as he may direct.

d, All elevator wells and light shafts, unless built of brick, must be filled in flush between the wooden studs with fire-proof materials, or lined with metal or plastered on metallic lathing, as may be directed by the Inspector, and all wood work inside of such wells or shaft, be lined with tin plate lock-jointed.

e, Where floor beams rest on partition caps or on girders, wall girts or wooden sills, fill in between such beams, from the caps, girders, girts or sills to the lining floor above, solid with brick and mortar or other fire-proof material.

f, When floor beams in frame buildings rest on ledger boards, fire-stop thoroughly at each floor, with brick and mortar resting on bridging pieces cut in between the studs, or, where practicable, on the ends of lining floor.

g, In brick buildings the space between the furrings on the outside walls or brick partitions should be filled flush with mortar for a space of five inches in width above and below the floor beams of each story.

h, Where basement or other flights of stairs are enclosed by partitions of brick or wood, the spaces between the studs or wall furrings must be so fire-stopped with brick or mortar as to effectually prevent any fire from passing up between such studs or furring back of the stair stringers.

i, All flights of stairs between two floors must have two smoke stops built between the stringers and properly constructed.

j, No pipes for conveying hot air or steam must be placed nearer than one inch to any wood work unless protected to the satisfaction of the Inspector by suitable guards or casings of incombustible material.

k, No wooden flue or air duct of any description can be used for heating or ventilating purposes, except cold air inlets to heating apparatus.

l, A space of at least one inch to be left between all wood work and the chimneys, also around all hot-air, steam and hot-water pipes; these spaces around chimneys and pipes, where they pass through floors, to be stopped with metal or other fire-proof material, smoke-tight. Steam and hot-water pipes to have metal sleeves and collars.

m, All channels and pockets for gas, water and soil-pipes to be made smoke-tight at each floor.

n, The space around all metal or brick ventilating ducts must be fire-stopped at each floor with metal or other fire-proof material, as approved by the Inspector.

o, Where a building is occupied above the first floor for tenements or a lodging house, and the lower story is occupied for stores, or other purposes not connected with the upper floors, the stairways leading to such upper floors must be enclosed with brick walls or with wooden partitions filled solid with brick laid in mortar, or other fire-proof material, and plastered on both sides on metallic lathing, and all doors in such partition covered with tin plate, lock-jointed.

The provisions of paragraphs d, e, f, h, i, k, m, n, shall not apply to any wooden dwelling house when occupied by only one family and which is situated more than twenty-five feet from any other building.

SEC. 26. No bay window, balcony or other projection, except cornices, shall be built upon the front wall of any building so as to project over the line of the street, except upon written permit of the Selectmen.

SAFEGUARDS DURING BUILDING OPERATIONS

SEC. 27. Whenever any person is about to erect or alter the exterior walls of a building, within five feet of the line of a street, he shall cause the portion of the site of the building bordering upon the street to be enclosed by a proper fence not less than four feet high, and at least five feet from the line of such building; and the fence shall be made as much higher as the Inspector of Buildings shall direct, and the same shall be maintained until all liability to accident from falling material

ceases; he shall also maintain a proper walk satisfactory to the Inspector, around said fence, as long as the sidewalk is obstructed, and he shall maintain proper lights, if so required by the Inspector at both ends of such enclosed space from sunset to sunrise. In erecting any building, no person shall place, deposit or suffer to remain in any street or highway any lumber or other building material, rubbish or remains of any old building, for a longer period than may be necessary for the work which may be going on; and in case such material, rubbish, or remains of an old building, shall necessarily remain after dark, a sufficient light shall be placed over or near the same, and kept from sunset to sunrise. All rubbish from the erecting or repairing of any building, or the removal of an old building shall be carried away by the person so erecting or repairing or removing such building, at such time as the Superintendent of Streets may direct; and in case of neglect or refusal so to do, it shall be removed by the Superintendent of Streets, at the expense of such person. Any person violating any provision of this section shall be liable to a penalty of five dollars.

SEC. 28. Proper plans shall be prepared under direction of the Selectmen showing a proper numbering of buildings on all streets of the Town and the Inspector shall send to the owner or person having control of every new building a written notice stating the number assigned by the Selectmen to such building, and directing that the said number be affixed or inscribed, in a proper place on said building, and all other numbers, if any, removed within one week from the receipt of notice. Whenever a building fronting on a street is found not having a number, or having a wrong number affixed or inscribed on it, then Inspector shall send a similar notice to the owner or person having control of it. Any owner or person in control of such building refusing or neglecting to comply with the directions contained in any such notice shall be liable to a fine of not more than twenty dollars.

SEC. 29. All questions as to the intent and meaning of the by-laws relating to the construction of buildings shall be decided by the Inspector, provided that any person dissatisfied with or aggrieved by any requirement or decision of the

Inspector may appeal to the Selectmen and their decision, after a hearing at which the Inspector shall be given an opportunity to be heard, shall be final.

Sec. 30. In these by-laws the following terms shall have the meanings respectively assigned to them : —

"Alteration" means any change or addition.

"Cellar" means a basement or lower story of which one-half or more of the height from the floor to the ceiling is below the level of the land adjoining.

"Foundation" means that portion of a wall below the level of the street curb, and where the wall is not on a street, that portion of the wall below the level of the highest ground next to the wall; but if under party or partition walls, may be constructed by the Inspector to mean that portion below the cellar floor.

"Chimney" shall apply to any permanent or fixed flues or passages built into any building for conveying away the products of combustion from furnaces, stoves, boilers, ranges or fire-places.

"Inspector" means the Inspector of Buildings of the Town of Arlington.

"Party wall" means every wall used, or built in order to be used, as a separation of two or more buildings.

"Partition wall" means any interior wall of masonry in a building.

"External wall" means every outer wall or vertical enclosure of a building other than a party wall.

"Repairs" means the reconstruction or renewal of any existing part of a building or of its fixtures or appurtenances, by which the strength or fire-risk is not affected or modified, and not made in the opinion of the Inspector for the purpose of converting the building in whole or in part to a new use.

"Tenement house" means a building which, or any portion of which, is occupied, or intended to be occupied, as a dwelling by more than three families living independently of one another and doing their cooking upon the premises; or by more than two families above the second floor, so living and cooking.

"Thickness" of a wall means the minimum of thickness of such wall.

Sec. 31. Whoever violates any of the provisions of these by-laws shall be liable to a penalty of not more than one hundred dollars unless another penalty is specifically provided herein.

Sec. 32. The provisions of these by-laws shall not apply to buildings and structures owned or occupied by the United States or by the State of Massachusetts, nor to bridges.

FIRE LIMITS.

All buildings hereinafter built or enlarged, fronting on the following street described lines, shall be built of brick, stone

or other incombustible material. Beginning at the north-easterly corner of Swan and Pleasant streets, thence running north-easterly to the south-easterly corner of Pleasant street and Massachusetts avenue; thence south-easterly on the southerly line of Massachusetts avenue, to a point opposite the Soldiers' Monument. Beginning again at a point in the northerly line of Broadway opposite the Soldiers' Monument and running north-westerly along the north-easterly lines of Broadway and Massachusetts avenue to Central street.

ARLINGTON TOWN RECORDS FOR THE MUNICIPAL YEAR 1904.

TOWN MEETING FEBRUARY 8, 1904.

WARRANT.

COMMONWEALTH OF MASSACHUSETTS. MIDDLESEX COUNTY.

To Alonzo S. Harriman, a Constable of the Town of Arlington in said County. Greeting: —

In the name of the Commonwealth of Massachusetts, you are hereby required to notify and warn the inhabitants of the Town of Arlington, who are qualified to vote in elections and town affairs, to assemble in the Town Hall, on Monday, the eighth day of February, next, at seven-thirty o'clock P. M., then and there to act on the following articles namely :—

ART. 1. To choose a Moderator to preside at said meeting.

ART. 2. To hear and act upon the report of the Committee on consolidation of Town Departments, appointed at an adjourned Town Meeting held November 16, 1903.

ART. 3. To see if the Town will vote to accept Chapter 3 of the Acts of 1904, being an act to authorize the Town of Arlington to establish a Board of Public Works.

ART. 4. To see if the Town will vote to elect the members of the Board of Public Works, either annually for the term of one year, or one for the term of one year, one for the term of two years, one for the term of three years, and annually thereafter one for the term of three years.

Hereof, fail not, and make due return of this warrant, with your doings thereon, to the Selectmen on or before said day and hour of meeting.

Given under our hands at said Arlington, this thirtieth day of January in the year of our Lord one thousand nine hundred and four.

EDWIN S. FARMER,
GEORGE I. DOE,
WARREN W. RAWSON,
Selectmen of the Town of Arlington.

A true record,
Attest: THOMAS J. ROBINSON,
Town Clerk.

Middlesex County.

Arlington, February 6, 1904.

By virtue of this warrant, I have served the within warrant by posting upon the doors of the Town Hall an attested copy of this warrant at least seven days before said meeting calling the same. Also notified and warned the inhabitants of the Town of Arlington, who are qualified to vote in elections and town affairs, to assemble in Town Hall, on Monday, the eighth day of February current, at seven-thirty o'clock P. M., by notices containing the substance of this warrant as provided by the Town By-Laws.

ALONZO S. HARRIMAN,
Constable of Arlington.

In pursuance of the foregoing warrant the inhabitants of the Town of Arlington, qualified to vote in elections and Town affairs, met in the Town Hall in said Town on Monday, the eighth day of February, in the year of our Lord one thousand nine hundred and four and were called to order at seven-thirty o'clock P.M. by the Town Clerk, who read the warrant calling the meeting and the return thereon of the Constable who served the same on the inhabitants.

Article 1 was taken up and it was voted to proceed to the election of a Moderator.

James M. Mead and Frank Y. Wellington were appointed to receive, sort and count ballots and were sworn to the faithful performance of their duties by the Town Clerk.

The Town Clerk at thirty-five minutes after seven o'clock declared the polls open for the reception of votes for Moderator.

At forty minutes after seven o'clock, on motion of Warren W. Rawson, the polls were declared closed.

The votes cast were sorted and counted and declaration made by the Town Clerk, as follows: —

Whole number of votes cast five (5).

Walter A. Robinson had five votes and was declared elected Moderator and was sworn to the faithful performance of his duties by the Town Clerk.

On motion of Warren W. Rawson it was voted that Articles two (2) and three (3) be taken up.

Articles 2 and 3 taken up.

ART. 2. "To hear and act upon the report of the Committee on Consolidation of Town Departments, appointed at an adjourned Town meeting held November 16, 1903."

On motion of Frank W. Hodgdon, it was voted that the report of the Committee on Consolidation of Town Departments be accepted as a report of progress.

ART. 3. "To see if the Town will vote to accept Chapter 3 of the Acts of 1904, being an act to authorize the Town of Arlington to establish a Board of Public Works."

On motion of James A. Bailey, Jr., it was voted that the Town accept Chapter 3 of the Acts of 1904, being an act to authorize the Town of Arlington to establish a Board of Public Works.

On motion of James A. Bailey, Jr., article four (4) was taken up.

Art. 4. "To see if the Town will vote to elect the members of the Board of Public Works, either annually for the term of one year, or one for the term of one year, one for the term of two years, one for the term of three years, and annually thereafter one for the term of three years."

On motion of Edward H. H. Bartlett it was voted that the members of the Board of Public Works be elected annually for the term of one year.

On motion of Edward H. H. Bartlett it was voted to adjourn.

Meeting dissolved at 8.25.

A true record.

Attest: Thomas J. Robinson,
Town Clerk.

Chapter 3, Acts of 1904. Board of Public Works.

An Act

To authorize the Town of Arlington to establish a Board of Public Works.

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

Section 1. The Town of Arlington shall, at its next annual meeting after the acceptance of this act, elect by ballot a Board of Public Works consisting of three members.

Sec. 2. At the meeting at which this act is accepted or at a meeting held at least twenty days before the annual meeting at which this act is to become operative, the town shall vote to elect the members of said Board of Public Works either annually for the term of one year, or one for the term of one year,

one for the term of two years, one for the term of three years, and annually thereafter one for the term of three years.

SEC. 3. The provisions of law relating to the compensation, oath of office, entering upon the performance of duties, tenure of office, change in the term of office, failure in election and vacancies in the office of selectmen are hereby made applicable to the members of said Board of Public Works.

SEC. 4. Upon the election of said Board of Public Works all the powers, rights, duties and liabilities of the Boards of Surveyors of Highways, Water Commissioners and Sewer Commissioners in said town shall be transferred to the Board of Public Works created by this act, and the Boards of Surveyors of Highways, Water Commissioners and Sewer Commissioners shall be abolished No existing contracts or liabilities shall be affected hereby, but the board hereby created shall in all respects, and for all purposes whatsoever, be the lawful successor of said Boards of Surveyors of Highways, Water Commissioners and Sewer Commissioners.

SEC. 5. Upon the election of said Board of Public Works, all the powers, rights, duties and liabilities of the Selectmen in said town now existing or hereafter created by law, relating to highways, townways, the laying out and discontinuance of ways, bridges, sidewalks, guide posts, monuments at the termini and angles of roads, public squares, playgrounds, shade trees, sewers, drains, street watering, street lighting, the assessment of damages or betterments, water pipes, gas pipes, conduits, poles, wires, street railways, the granting of locations, rights or licenses for structures upon, under or over highways, or other ways, shall be exercised, enjoyed, performed and incurred by a board consisting of the Selectmen and the Board of Public Works created by this act sitting jointly as the Board of Survey.

SEC. 6. This act shall take effect upon its acceptance by the voters of the Town of Arlington within one year after the passage of this act at any regular meeting, or at any special meeting called for the purpose.

A true copy of the Act.

Attest: THOMAS J. ROBINSON,
Town Clerk.

TOWN MEETING MARCH 7, 1904.

WARRANT.

COMMONWEALTH OF MASSACHUSETTS. MIDDLESEX, ss.

To Alonzo S. Harriman, a Constable of the Town of Arlington in said County. Greeting: —

In the name of the Commonwealth of Massachusetts, you are hereby required to notify and warn the inhabitants of the Town of Arlington, who are qualified to vote in elections and Town affairs, to assemble in the Town Hall on Monday, the seventh day of March, next, at six o'clock, A.M., then and there to act on the following articles, viz. : —

ART. 1. To choose a Moderator to preside at said meeting.
ART. 2. To elect a Town Clerk for the ensuing year.
ART. 3. To elect a Town Treasurer for the ensuing year.
ART. 4. To elect a Collector of taxes for the ensuing year.
ART. 5. To elect an Auditor for the ensuing year.
ART. 6. To elect one Selectman for the term of three years.
ART. 7. To elect one Assessor for a term of three years.
ART. 8. To elect three members of the School Committee for the term of three years.
ART. 9. To elect one member of the Board of Trustees of the "Pratt Fund" for the term of five years.
ART. 10. To elect one member of the Board of Commissioners of the "Sinking Fund" for the term of three years.
ART. 11. To elect two Trustees of the Robbins Library for the term of three years.
ART. 12. To elect one member of the Consolidated Board of Trustees of "Soldiers' Monument and Robbins Fund" and of Cemeteries for the term of three years.

ART. 13. To elect five Constables for the ensuing year.

ART. 14. To elect one Park Commissioner for the term of three years.

ART. 15. To elect one member of the Board of Health for the term of three years.

ART. 16. To elect a Tree Warden for the ensuing year.

ART. 17. To elect three members of the Board of Public Works for the term of one year.

ART. 18. To elect all other necessary Town officers for the ensuing year.

ART. 19. To bring in their ballots "yes" or "no" in answer to the question, "Shall licenses be granted for the sale of intoxicating liquors in this Town?"

All Town officers who are by law required to be chosen by ballot, except the Moderator, are to be voted for on one ballot. The polls will be open as soon as possible after the organization of the meeting and kept open until five o'clock P M.

ART. 20. To hear and act on the reports of the Selectmen and other Town officers and committees heretofore appointed.

ART. 21. To act on the list of Jurors as revised by the Selectmen.

ART. 22. To see if the Town will cause one of the church bells to be rung daily (Sundays excepted) at twelve o'clock M. and nine o'clock, P.M.

ART. 23. To make an appropriation for the Robbins Library for the ensuing year.

ART. 24. To make an appropriation for the public schools for the ensuing year, and determine in what manner the same shall be expended.

ART. 25. To determine in what manner the Town ways, highways, and bridges shall be repaired the ensuing year.

ART. 26. To determine what sum of money the Town will raise by general tax, to defray Town expenses, interest, debt and State aid, and make an appropriation for the same.

ART. 27. To see if the Town will authorize the Town Treasurer, under the direction of the Selectmen, to borrow money for any necessary purpose, in anticipation of the collection of taxes for the current year, the same to be repaid directly from the proceeds of said taxes.

ART. 28. To see if the Town will appoint the Selectmen agents of the Town, to institute and prosecute actions in favor of the Town, and appear and defend suits and legal proceedings against or involving the interests of the Town, with power to employ counsel therein and when necessary in all other legal matters and business appertaining to Town affairs during the year commencing March 7, 1904.

Inserted at the request of Committee of Five.

Art. 49. To see if the town will vote to reimburse the Auditor in the sum of $200, for money expended by him for clerical assistance during the past year.

Inserted at the request of Committee of Five.

Art. 50. To see if the town will pass the following vote or act in any manner thereto : —

Voted — That at the annual meeting in 1905 the town shall elect one (1) Selectman for the term of one year, and at the meeting in March, 1906, shall elect two (2) Selectmen for the term of one year, and at the meeting in March, 1907, shall elect three (3) Selectmen for the term of one year, and thereafter the town shall annually elect three (3) Selectmen for the term of one year. All of said votes and said elections being in accordance with the provisions of Section 365 of Chapter 11 of the Revised Laws.

Inserted at the request of N. J. Hardy and others.

Art. 51. To see if the town will vote to authorize the Water Commissioners to extend the water pipe through Pine street, and make an appropriation for the same.

Inserted at the request of Patrick Mead and others.

Art. 52. To see if the town will vote to authorize the Collector of Taxes to use all means of collecting the taxes for the years 1902, 1903 and 1904, which a town treasurer may use when appointed a collector of taxes.

Art. 53. To see if the town will accept the bequest of $100 given by Julia F. Fillebrown for the benefit of the High School.

Art. 54. To appropriate and raise, by borrowing or otherwise, such sums as may be necessary for all or any of the purposes mentioned in the foregoing articles, and especially to act upon all or any of the appropriations asked for or proposed by the Selectmen or by any town officers or committees.

Hereof, fail not, and make due return of this warrant, with your doings thereon, to the Selectmen, on or before said day and hour of meeting.

Given under our hands at said Arlington, this twenty-fifth day of February, in the year of our Lord one thousand nine hundred and four.

EDWIN S. FARMER,
GEORGE I. DOE,
WARREN W. RAWSON,
Selectmen of the Town of Arlington.

A true copy.
Attest: ALONZO S. HARRIMAN,
Constable of Arlington.

A true record.
Attest: THOMAS J. ROBINSON,
Town Clerk.

Middlesex County.

Arlington, March 5, 1904.

By virtue of this warrant I have served the within warrant by posting upon the doors of the Town Hall an attested copy of this warrant at least seven days before said meeting calling the same. Also notified and warned the inhabitants of the Town of Arlington, qualified to vote in elections and town affairs, to assemble in Town Hall on Monday, the seventh day of March current, at six o'clock A. M., by notices containing the substance of this warrant, as provided by the Town By-Laws.

ALONZO S. HARRIMAN,
Constable of Arlington.

In pursuance of the foregoing warrant the inhabitants of the Town of Arlington, qualified to vote in elections and town affairs, met in the Town Hall, in said Town, on Monday, the seventh day of March, in the year of our Lord nineteen hundred and four, and were called to order at six o'clock in the morning by the Town Clerk, who read the warrant calling the same and the return thereon, of the constable who served the same upon the inhabitants.

Article 1 taken up.

On motion it was voted to proceed to ballot for Moderator and that the polls be kept open two minutes.

George H. Peirce and Horace A. Freeman, who had been appointed Tellers by the Selectmen, were sworn by the Town Clerk to the faithful performance of their duties, and put in charge of the check list and ballot box used in the election of Moderator.

The Town Clerk at six (6) o'clock declared the polls open for the reception of votes for Moderator.

At two minutes after six (6) o'clock the polls were declared closed. The votes cast were sorted and counted, and declaration made by the Town Clerk as follows : —

Whole number of votes cast, five (5). Walter A. Robinson had five (5) and was declared elected Moderator and sworn to the faithful performance of his duties.

The Ballot Clerks and Tellers appointed by the Selectmen were sworn as follows : —

Ballot Clerks — Edgar Crosby, Frank N. Hurley.

Assistant Clerks — George H. Peirce, Horace A. Freeman.

Tellers—John M. Tierney, John McGrath, John J. Mahoney, Edward H. H. Bartlett, Frank F. Russell, John Gray, Harry Marden, Francis B. Record, Charles R. Ladd, Jr., Arthur L. Marston, Frank Y. Wellington, Frank J. Rowe, William H. Hunton, Andrew Wilson.

A sealed package of ballots was then delivered to the Moderator by the Town Clerk. The seal was then publicly broken and the ballots delivered to the Ballot Clerks. Specimen ballots and cards of instructions were posted in conformity to law. The ballot box was examined by the Moderator and Town Clerk and found to be set at zero.

A list of registered voters was supplied by the Board of Registrars of Voters to the Ballot Clerks and Tellers. A list of women voters was also furnished by the Registrars.

George H. Peirce and Horace A. Freeman were appointed as checkers on the list at the ballot box.

At ten minutes past six o'clock the polls were declared open for the reception of votes for Town officers, under Articles two (2) to nineteen (19) inclusive, and were kept open, until five (5) o'clock in the afternoon at which time, after due notice, they were declared closed.

By unanimous consent the ballot box was opened at eight (8) o'clock, and at various times during the day, for the purpose of removing ballots to be counted.

At the close of the polls the ballot box registered 1,186. The names checked by the Ballot Clerks and the names checked by the checkers at the ballot box were counted and found to agree with the number registered by the ballot box, eleven hundred and eighty-six (1,186).

The unused ballots were inclosed in a package, sealed, and delivered to the Town Clerk. The election officers canvassed the votes given in and the whole number was found to be eleven hundred and eighty-six (1,186), of which number nine were women, which agreed with the total number registered by the ballot box. The ballots were then canvassed and counted by the Moderator, Town Clerk and Tellers and declaration made thereof at six (6) o'clock in the afternoon as follows :—

Selectman for three years — James A. Bailey, Jr., had nine hundred fifty-nine (959) and was declared elected. (Sworn March 9, 1904.) Blanks, two hundred eighteen (218).

Town Clerk for one year — Thomas J. Robinson had ten hundred and three (1,003) and was declared elected. (Sworn by the Moderator in open meeting March 7, 1904.)

Assessor for three years — Omar W. Whittemore had nine hundred eighty-six (986) and was declared elected. (Sworn March 8, 1904.) Blanks, one hundred ninety-one (191).

Treasurer for one year — William A. Muller had eight hun-

dred and twenty-four (824) and was declared elected. (Sworn March 8, 1904.) Blanks, three hundred fifty-three (353).

Collector of Taxes for one year — Harvey S. Sears had nine hundred and forty-five (945) and was declared elected. (Sworn March 8, 1904.) Blanks, two hundred thirty-two (232).

Auditor for one year — Elbert L. Churchill had six hundred and seventy-seven (677) and was declared elected. (Sworn March 9, 1904.) Scattering, two hundred forty-six (246). Blanks, two hundred fifty-four (254).

Board of Public Works for one year — Samuel E. Kimball had six hundred and ninety-one (691) and was declared elected (sworn March 10, 1904); Peter Schwamb had five hundred and eighty-four (584) and was declared elected (sworn March 10, 1904); William N. Winn had five hundred and seventy-six (576) and was declared elected (sworn March 11, 1904). Blanks, thirty-four hundred and thirty-one (3,431).

School Committee for three years — Gertrude A. Churchill had eight hundred sixty-two (862) and was declared elected (sworn March 9, 1904); Harry G. Porter had eight hundred and fifty-two (852) and was declared elected (sworn March 8, 1904); Walter A. Robinson had eight hundred thirty-eight (838) and was declared elected (sworn March 9, 1904). Blanks, nine hundred and six (906).

Park Commissioner for three years — Chas. A. Gannett had four hundred and forty-one (441) and was declared elected. (Sworn March 9, 1904.) Blanks, three hundred and three (303).

Board of Health for three years — Edward S. Fessenden had eight hundred sixty (860) and was declared elected. (Sworn March 14, 1904.)

Commissioner of Sinking Fund for three years — Alfred D. Hoitt had eight hundred and four (804) and was declared elected. (Sworn March 9, 1904.)

Trustee of Pratt Fund for five years — James A. Bailey had eight hundred and fifty (850) and was declared elected. (Sworn March 11, 1904.)

Trustees of Robbins Library for three years—James P. Parmenter had eight hundred and fifty-two (852) and was declared elected (sworn March 11, 1904); Arthur J. Wellington had eight hundred and forty-seven (847) and was declared elected (sworn March 10, 1904). Blanks, six hundred and fifty-five (655).

Consolidated Board of Trustees of Robbins Fund, Soldiers Monument Fund and Cemeteries for three years — George G. Allen had eight hundred and eighteen (818) and was declared elected. (Sworn March 11, 1904.) Blank votes, three hundred and fifty-nine (359).

Tree Warden for one year — A. Foster Brooks had eight hundred and eighty-four (884) and was declared elected. (Sworn March 8, 1904.) Blanks, two hundred and ninety-three (293).

Constables for one year — Garrett Barry had eight hundred and twenty-two (822), John Duffy had eight hundred and forty-four (844), Alonzo S. Harriman had eight hundred and three (803), Daniel M. Hooley had eight hundred and seventy (870), Chas. H. Woods had eight hundred and thirty-eight (838), and they were declared elected and each sworn to the faithful performance of their duties. Blanks, seventeen hundred and twenty (1,720).

On the question, "Shall licenses be granted for the sale of intoxicating liquors in this Town?" — "Yes," three hundred and forty-four (344); "No," six hundred and ninety-six (696). Blanks, one hundred and thirty-seven (137).

And declaration was made that the Town had voted not to grant licenses for the sale of intoxicating liquors.

In counting the ballots the blank forms approved by the Secretary of the Commonwealth were used by the Tellers.

Voted: — On motion of George W. Perkins it was voted that when the meeting adjourned, it adjourn to meet in Town Hall on Monday evening, March 28, 1904, at eight o'clock.

On motion of Horace A. Freeman the following Town officers were nominated and elected by the meeting: —

Town Weighers — Warren A. Peirce, Walter H. Peirce.

Undertakers — J. Henry Hartwell, Chas. T. Hartwell, James P. Daley, Daniel W. Grannan.

Fence Viewers — Lucian C. Tyler, Omar W. Whittemore.

Measurers of Wood — Omar W. Whittemore, Lucian C. Tyler, Edward I. McKenzie.

Fish Preserver — J. Fred McLeod.

The check lists used at the entrances to the polling place and at the ballot box, together with the ballots cast and the tally sheets used by the Tellers, were sealed up in open meeting and the package indorsed by the election officers. The ballots unused were also sealed up in a separate package and indorsed in the same manner and both packages were delivered into the custody of the Town Clerk.

The meeting was then declared adjourned.

A true record,

Attest: THOMAS J. ROBINSON,
Town Clerk.

ADJOURNED TOWN MEETING MARCH 28, 1904.

Pursuant to adjournment the inhabitants of the Town of Arlington, qualified to vote in elections and Town affairs met in the Town Hall in said Town, on Monday, the twenth-eighth day of March in the year of our Lord one thousand nine hundred and four, and were called to order at eight o'clock in the evening by the Moderator, Walter A. Robinson.

Article 54 taken up.

To appropriate and raise, by borrowing or otherwise, such sums as may be necessary for all or any of the purposes mentioned in the foregoing articles, and especially to act upon all or any of the appropriations asked for or proposed by the Selectmen or by any Town officers or committees.

The Committee of Twenty-one appointed at the meeting March 3, 1903, and whose term of office was extended to include this meeting by vote of the Town November 16, 1903, made their report in print, which report had been distributed as the warrants for Town meetings are usually distributed and also at this meeting.

ART. 41. "To see if the Town will appropriate a sum of money sufficient to furnish the William E. Parmenter School, now being erected at the corner of Academy and Irving Streets."

ART. 42. "To see if the Town will appropriate a further sum of money for architects fees, heating and ventilating and grading the lot, in connection with the William E. Parmenter School."

The Committee of Twenty-one to whom Articles 41 and 42 were referred made the following report: —

Your Committee have carefully gone into this matter, having held two conferences with the Building Committee having this matter in charge, in an effort to determine what the Town's best

interests demanded in the case, and, in view of the fact that the Town has already appropriated the following sums

For land . . .	$5,000 00
" foundation . . .	1,000 00
" building . . .	14,000 00
	$20,000 00

your Committee believe that a suitable building should have been completed and furnished within that amount had proper business methods obtained. The Building Committee now say that $2,700.00 additional will be necessary to properly equip and furnish the building.

We are reluctantly forced to the conclusion that the Town cannot afford to make any further appropriation for this purpose, until at least it satisfies itself that it is absolutely necessary to do so and that a more business-like administration of affairs is to be expected in the future.

The report of the Committee of Twenty-one on the matter of Parmenter School was accepted.

Voted : — On motion of William H. Nolan, that the Building Committee of the Parmenter School building be discharged and relieved of all further duties in connection with said building.

Voted : — On motion of Charles T. Scannell that a committee of three consisting of James A. Bailey, Jr., Frank W. Hodgdon and Henry Hornblower be appointed to complete the work on the Parmenter School building and place the same in readiness for occupancy and said Committee are hereby authorized to expend for said purpose a sum not exceeding twenty-seven hundred ($2,700) dollars.

Charles T. Scannell presented the list of the Committee of Twenty-one as nominated by the Moderator, Chairman and Secretary of the present Committee of Twenty-one, to serve during the ensuing year.

On motion of George I. Doe that when this meeting adjourns it be to meet in Town Hall, Thursday evening, April 14, at seven-thirty (7.30) o'clock.

A discussion ensued as to the method of electing the Committee of Twenty-one and pendng action thereon the meeting, on motion of William G. Peck, adjourned at twenty minutes past ten o'clock.

A true record,

Attest: THOMAS J. ROBINSON,
Town Clerk.

ADJOURNED TOWN MEETING APRIL 14, 1904.

Pursuant to adjournment the inhabitants of the Town of Arlington, qualified to vote in elections and Town affairs met in the Town Hall, in said Town, on Thursday, the fourteenth day of April in the year of our Lord nineteen hundred and four, and were called to order at thirty minutes after seven o'clock in the evening by the Moderator, Walter A. Robinson.

On motion it was voted that the matter of nominating a Committee of Twenty-one for the ensuing year be referred to the Moderator, Chairman and Secretary of the present Committee of Twenty-one, to report a new list with a view to a more equal distribution of the members in the various sections of the Town.

On the recommendations of the Committee of Twenty-one relating to sale and care of lots in the Cemetery the Moderator ruled that said recommendations could not be acted upon without an article in the warrant.

Voted: — On motion of Timothy O'Leary to take up Article 51.

Article 51 taken up.

"To see if the Town will vote to authorize the Water Commissioners to extend the water pipe through Pine Street, and make appropriation for the same."

Voted: — On motion of Timothy O'Leary that the Board of Public Works be authorized to extend the water pipes through Pine Street, and that the sum of one hundred and fifty ($150) dollars be appropriated for that purpose.

Voted: — On motion of William H. H. Tuttle that Article 52 be taken up.

Article 52 taken up.

"To see if the Town will vote to authorize the Collector of Taxes to use all means of collecting the taxes for the years 1902, 1903 and 1904, which a town treasurer may use when appointed a collector of taxes."

Voted: — On motion of William H. H. Tuttle that the Collector of Taxes be and hereby is authorized to use all means of collecting the taxes for the years 1902, 1903 and 1904 which a town treasurer may use when appointed a collector of taxes.

Voted: — On motion to take Article 21 up.

Article 21 taken up.

To act on the list of Jurors as revised by the Selectmen.

Voted: — That the following names be removed from the list as submitted by the Selectmen :—J. Prescott Gage, George W. Lane, Alfred H. Bartlett, Harlan F. Eveleth, Herman F. Buckman, Jeremiah Colman and Charles R. Whytal.

Voted: — That the following names be added to the list of Jurors as submitted by the Selectmen :— James Crammond and Malcolm A. Ross.

Voted: — That the Jury list prepared by the Selectmen be accepted as revised.

On motion of E. H. H. Bartlett it was voted to take up Article 50.

Article 50 was taken up.

"To see if the Town will pass the following vote or act in any manner thereto: —

Voted: — At the annual meeting in 1905 the Town shall elect one (1) Selectman for the term of one year, and at the meetin March, 1906, shall elect two (2) Selectmen for the term of one year, and at the meeting in March, 1907, shall elect three (3) Selectmen for the term of one year, and thereafter the Town shall annually elect three (3) Selectmen for the term of one year. All of said votes and said elections being in accordance with the provisions of Section 365 of Chapter 11 of the Revised Laws."

Voted: — Unanimously.

On motion of Edward H. H. Bartlett, that at the annual meeting in 1905, the Town shall elect one (1) Selectman for the term of one year, and at the meeting in March, 1906, shall elect two (2) Selectmen for the term of one year, and at the meeting in March in 1907 shall elect three (3) Selectmen for the term of one year, and thereafter the Town shall annually elect three(3) Selectmen for the term of one year. All of said votes and said elections being in accordance with the provisions of Section 365 of Chapter 11 of the Revised Laws.

On motion of Frank W. Hodgdon, Articles 41 and 42 were taken up under Article 20.

Articles 41 and 42 taken up.

The Committee to whom these articles were referred reported as follows: —

To the Town of Arlington:—

The Committee appointed at the Town Meeting held April 7, 1904, to have charge of the completion of the Parmenter School

Building has secured estimates of the cost of completing the work as economically as possible, with a due regard to securing good work and so far as practicable have secured definite bids, and find that to complete and furnish the building and grade the lot in a proper manner will require the appropriation of the additional sum of three thousand ($3,000) dollars. The Committee believes that the loan necessary to raise this sum should be combined with the loan for raising the fourteen thousand ($14,000) dollars appropriated last November and recommends that the manner of issuing the necessary bonds be referred to the next Town Meeting.

Respectfully,

HENRY HORNBLOWER.
FRANK W. HODGDON.

The report of the Parmenter School Building Committee was accepted as a report of progress.

Voted: — (By a two-thirds majority.)

On motion of Frank W. Hodgdon that three thousand ($3,000) dollars be appropriated for the completion and furnishing of the Parmenter School Building and the grading of the lot in addition to the sums already appropriated therefor, and that said sum be borrowed and that the style and denomination of the bonds or notes and the length of time for which they are to run be determined at the next Town meeting. The above sum to be expended by and under the direction of the building committee appointed April 7, 1904.

James A. Bailey, Jr., declined to serve as a member of the Parmenter School Building Committee and the declination was accepted.

Voted: — On motion of Charles T. Scannell that John H. Hardy be appointed on the Parmenter School Building Committee to fill the vacancy occasioned by the declination of James A. Bailey, Jr.

Voted: — On motion of Timothy O'Leary that when this

meeting adjourns it be to meet in Town Hall, Thursday evening, April 21, at seven-thirty o'clock.

Voted: — On motion of Edward H. H. Bartlett to adjourn.

Adjourned at ten minutes after ten o'clock.

A true record,

Attest: THOMAS J. ROBINSON,
Town Clerk.

ADJOURNED TOWN MEETING APRIL 21, 1904.

Pursuant to adjournment the inhabitants of the Town of Arlington, qualified to vote in elections and Town affairs, met in the Town Hall, in said Town, on Thursday, the twenty-first day of April, in the year of our Lord nineteen hundred and four and were called to order at thirty minutes after seven o'clock in the evening by the Moderator, Walter A. Robinson.

The Committee consisting of the Moderator, Chairman, and Secretary of the present Committee of Twenty-one, to whom was referred the nomination of a new Committee of Twenty-one to serve for the ensuing year, and to extend through, and include, the annual meeting in March, 1905, and its adjournments, made their report and it was

Voted: — That the report of the Committee on nominating a Committee of Twenty-one for the ensuing year, to extend through, and include, the annual March meeting of 1905, and its adjournments, he accepted and that the following citizens nominated by said committee be declared elected to serve on said Committee of Twenty-one; and it was further

Voted: — That all articles in the warrant involving an appropriation of money be referred to said Committee of Twenty-one without debate; said Committee shall consider all articles so referred and make report thereof in print with their recommendations for final action by the Town at its adjourned meeting; said Committee of Twenty-one shall also consider all articles in any warrant during the year, involving an appropriation of money, and report to the Town in print or otherwise, its estimates and recommendations at the several meetings called for by the warrant; said Committee of Twenty-one shall choose

their own Chairman and have power to fill all vacancies, and no citizen holding any office requiring election by ballot, shall serve on said Committee.

COMMITTEE OF TWENTY-ONE ELECTED.

Wyman, Franklin	Farmer	135 Lake St.
Smith, Thomas A.	Expressman	31 Henderson St.

On motion of Timothy O'Leary Articles 44 and 45 were taken up.

Articles 44 and 45 taken up.

ART. 44. "To see what action the Town will take in regard to paying for water used for fire hydrants, street watering and public buildings."

ART. 45. "To see what action the Town will take in regard to metering water used for domestic purposes, and make any necessary appropriation."

The Committee to whom Articles 44 and 45 were referred made the following report as a majority report: —

Arlington, March 7, 1904.

To the Town of Arlington:—

The Committee appointed at the Town meeting held Nov. 16, 1903, to consider the subject matter of Articles 16, 17 and 18 of

the warrant, referring to the adoption of meters as a means of measuring the amount of water delivered to the citizens and determining the amount to be paid therefor, has considered the same and reports as follows:

After studying the subject, in the opinion of the committee the cost of assessing and collecting the water rates will be increased from two thousand ($2,000) to three thousand ($3,000) dollars per year if meters are installed.

In view of the present condition of the finances of the Town, a considerable sum which will have to be raised by increased water rates or taxes to pay for installing and care of meters, and in view of the fact that any saving in the amount of water used will not in any way decrease the amount of the Metropolitan water assessment which is paid to the State, it is not advisable to introduce meters on domestic services at the present time.

In other words while it is admitted by all that the water rates are most equitably assessed by the use of meters, it is not advisable to tax ourselves at the present time a large sum annually simply to make a more accurate division of the water rates, however much it is desirable to do so in the abstract.

(Signed)

Edwin S. Farmer,
George I. Doe,
George P. Winn,
Warren W. Rawson,
George W. Lane,
Peter Schwamb,
Frank W. Hodgdon.

Melvin L. Severy presented a minority report of said committee. After a lengthy discussion of the matter it was voted, on motion of Charles S. Parker, that the majority report be accepted.

On motion Article 43 was taken up.

Article 43 taken up.

"To see what action the Town will take in regard to extension of the water mains and make appropriation for the same."

Voted: — On motion of Peter Schwamb by a two-thirds majority, that the sum of three thousand ($3,000) dollars be appropriated for the purpose of extending the main pipes of the Water Works during the year 1904, in accordance with the provisions of the vote of the Town passed March 24, 1902, and that for the purpose of raising said sum or so much thereof as the Board of Public Works shall from time to time certify to the Treasurer to be needed for the purpose of paying for water pipe extensions, bonds of the Town be issued as authorized by Chapter 412 of the Acts of 1892, for the aggregate principal sum of not more than three thousand (3,000) dollars, and payable to the bearer thereof thirty years from this date and bearing interest at the rate of four per cent. per annum, payable semi-annually upon the presentation of coupons attached to said bonds. Said bonds to be denominated on the face thereof, Arlington Water Loan Act of 1892, and to bear the seal of the Town and to be signed by the Treasurer and countersigned by the majority of the Board of Selectmen and that the Treasurer cause the said bonds to be prepared and executed accordingly and sell the same at such price, not less than par, and at such time or times as he and the Selectmen shall deem proper.

Also, that the sum of five hundred ($500) dollars, now in the Water Works Treasury, be appropriated for the extension of the water mains to be used at such time as the Board of Public Works shall certify to the Treasurer that the said sum is needed.

Voted: — To take up Article 46 on motion of Howard W. Spurr.

Article 46 taken up.

"To see if the Town will vote to instruct the Collector of Taxes to collect all taxes assessed for polls only, before October 1st of the year in which they are assessed."

Voted : — On motion of Howard W. Spurr, that the Collector of Taxes be instructed to collect all taxes assessed for polls only, before October 1st of the year in which they are assessed.

Voted : — To take up Article 31 of the warrant on motion of George I. Doe.

Article 31 taken up.

"To see if the Town will accept the gift of a combination ambulance and patrol wagon, together with a harness to be used for the same, for the use of the Police Department, said gift being presented to the Town of Arlington, by Mr. E. S. Farmer, agent."

Voted : — Unanimously. On motion of George I. Doe, that the Town accept the gift of a combination ambulance and patro. wagon, together with a harness to be used for the same, for the use of the Police Department, and that a vote of thanks of the Town of Arlington, be extended to Mr. Edwin S. Farmer, agent, for the same.

Voted : — On motion of Edward H. H. Bartlett to take up Article 30.

Article 30 taken up.

"To hear and act on the report of the Committee of Five appointed November 24, 1902."

Voted : — On motion of Edward H. H. Bartlett, that the report of the Committee of Five appointed November 24, 1902, said report appearing on page 87 of the Annual Town Reports be accepted.

Voted : — On motion of Charles T. Scannell, that the reports of the Town Officers and Committees, as said reports appear in the Annual Town Reports, be accepted.

Article 25 taken up.

"To determine in what manner the Town ways, highways and bridges shall be repaired the ensuing year."

Voted: — On motion of Howard W. Spurr, that the Town ways, highways and bridges be repaired the ensuing year under the direction of the Board of Public Works.

Article 35 taken up on motion of Edward H. H. Bartlett.

"To see if the Town will vote to have the records of the Town meetings printed in the annual Town Reports."

Voted: — On motion of Thomas J. Robinson that the Town Clerk be and he hereby is authorized and instructed to include in his annual report a true record of the Town Meetings occuring during each calendar year and that said report be printed in the Annual Town Reports.

Article 28 taken up.

"To see if the Town will appoint the Selectmen agents of the Town to institute and prosecute actions in favor of the Town, and appear and defend suits and legal proceedings against or involving the interests of the Town, with power to employ counsel therein and when necessary, in all other legal matters and business appertaining to Town affairs during the year commencing March 7, 1904."

Voted: — On motion of Charles T. Scannell, that the Selectmen be appointed agents of the Town, to institute and prosecute actions in favor of the Town and appear and defend suits and legal proceedings against or involving the interests of the Town, with power to employ counsel therein and when necessary in all other legal matters and business appertaining to Town affairs during the year commencing March 7, 1904.

A communication from E. Nelson Blake was read declining to serve on the Committee to repair the Russell School Build-

ing. His declination was accepted and Edwin Prescott was appointed to fill the vacancy on said committee.

Articles 38, 39 and 40 were taken up together.

Art. 38. "To see if the Town will appoint a committee to investigate and report upon the question of furnishing its own light."

Voted: — That a committee of three consisting of Melvin L. Severy, J. Prescott Gage and E. L. Downing be appointed to investigate and report on the question of the Town furnishing its own light.

Articles 39 and 40.

"To see if the Town will vote to annually appoint a Committee of Home Rule and Betterment."

"To see if the Town will immediately proceed to the appointment of a Committee of Home Rule Betterment."

Voted: — That the Committee of Home Rule and Betterment be appointed for the term of one year and that the following gentlemen constitute said first committee: — John S. Lamson, Edward F. Burns and Timothy O'Leary.

Article 26 taken up.

"To determine what sum of money the Town will raise by general tax, to defray Town expense, interest, debt and State Aid, and make an appropriation for the same."

Voted: — On motion of Charles T. Scannell, that the several amounts appropriated for the purposes indicated by vote and not otherwise provided for amounting to one hundred fifty-one thousand five hundred and ninty dollars and twenty-one cents ($151,590,21) together with nine thousand three hundred and seventy-two dollars and ninety-two cents ($9,372.92) appropriated November 9 and 16, 1903, for the purposes stated, making a total of one hundred sixty thousand nine hundred

and sixty-three dollars and eleven cents ($160,963.11) be raised by general tax the present year.

Article 27 taken up.

"To see if the Town will authorize the Town Treasurer, under the direction of the Selectmen, to borrow money for any purpose necessary, in anticipation of the collection of taxes for the current year, the same to be repaid directly from the proceeds of said taxes."

Voted: — That the Town Treasurer under the direction of the Selectmen, be authorized to borrow money for any necessary purpose in anticipation of the collection of taxes for the current year, the same to be repaid directly from the proceeds of said taxes.

Article 53 taken up.

"To see if the Town will accept the bequest of one hundred ($100.00) dollars given by Julia F. Fillebrown for the benefit of the High School."

Voted: — That the Town accept the bequest of one hundred ($100.00) dollars given by Julia F. Fillebrown for the benefit of the High School.

Voted: — On motion that the meeting adjourn.

Meeting dissolved at 10.15 o'clock.

A true record.

Attest: THOMAS J. ROBINSON,
Town Clerk.

TOWN MEETING MAY 26, 1904.

WARRANT.

COMMONWEALTH OF MASSACHUSETTS. MIDDLESEX, ss.

To Alonzo S. Harriman, a Constable of the Town of Arlington, in said County. Greeting: —

In the name of the Commonwealth of Massachusetts, you are hereby required to notify and warn the inhabitants of the Town of Arlington, who are qualified to vote in elections and Town affairs, to assemble in the Town Hall on Thursday, the twenty-sixth day of May, current, at 7.30 o'clock, P.M., then and there to act on the following articles, VIZ.: —

ART. 1. To choose a Moderator to preside at said meeting.

ART. 2. To see if the Town will appropriate sixty-six ($66) dollars, being the amount of a bill against the Town and due Francis R. Henderson, for use of Mill property for unloading stone for Broadway retaining wall in 1900.

ART. 3. To hear the report of the Selectmen, to whom was referred on April 7, 1904, the matter of repairs and fire escapes for the Town Hall Building, and make an appropriation for the same.

ART. 4. To hear the report of the Special Committee appointed April 7, 1904, to whom was referred the repairing and improving the Russell School Building, and make an appropriation for the same.

ART. 5. To see if the Town will make an additional appropriation for Town insurance.

ART. 6. To see if the Town will make an additional appropriation for Street Lighting.

ART. 7. To see if the Town will make an additional appropriation for the Board of Health.

Inserted at request of the Board of Health.

ART. 8. To see if the Town will vote to ratify the lease of the Pumping Station Building and land adjoining, given by the Board of Public Works in behalf of the Town, to Charles H. Hoffman, dated April 30, 1904; also the lease of the pasture land about the Great Meadows, given by the Board of Public Works in behalf of the Town to Alvin S. Butterfield, dated April 1, 1904; and to see what action the Town will take or what authority the Town will give its Board of Public Works with reference to the leasing of any part or parts of its lands and buildings in or adjoining the Great Meadows.

Inserted at request of the Board of Public Works.

ART. 9. To see if the Town will vote to pay to Peter Schwamb out of the rent received from the Pumping Station Building, the sum of twelve and 50-100 dollars ($12.50) to reimburse him for a cash payment made by him in behalf of the Town.

Inserted at request of the Board of Public Works.

ART. 10. To see if the Town will vote to make an appropriation for the construction of a sewer in a portion of Kensington Road.

Inserted at request of the Board of Public Works.

ART. 11. To see if the Town will rescind so much of the vote passed at the Town Meeting held Nov. 16, 1903, by which the sum of fourteen thousand dollars ($14,000) was appropriated "for the erection of a primary school building at the corner of Irving and Academy streets," as relates to the manner of raising said sum.

Inserted at the request of the Building Committee on the Parmenter School.

ART. 12. To see if the Town will vote to borrow the sum of seventeen thousand dollars ($17,000) which it has appropriated for the construction and furnishing of the Primary School Building at the corner of Irving and Academy streets, and authorize the Treasurer, with the approval of the Selectmen, to issue the Town's notes or bonds therefor.

ART. 13. To see if the Town will authorize the present

Committee on Street Lighting to increase its number and fill vacancies as it may deem advisable.

Inserted at request of J. Prescott Gage and others.

ART. 14 To see if the Town will authorize the present Committee on Home Rule to increase its number and to fill vacancies as it may deem advisable.

Inserted at request of J. Prescott Gage and others.

ART. 15. To see if the Town will set apart a portion of Mount Pleasant Cemetery for the exclusive use of such Roman Catholics of the Town as may purchase lots therein.

Inserted at request of John M. Mulcahy and others.

ART. 16. To appropriate and raise by borrowing or otherwise such sums as may be necessary for all or any of the purposes mentioned in the foregoing articles.

Hereof, fail not, and made due return of this Warrant, with your doings thereon, to the Selectmen, on or before said day and hour of meeting.

Given under our hands at said Arlington, this sixteenth day of May, in the year of our Lord one thousand nine hundred and four.

WARREN W. RAWSON,
JAMES A. BAILEY, JR.
Selectmen of the Town of Arlington.

A true copy,

Attest: ALONZO S. HARRIMAN,
Constable of Arlington.

A true record,

Attest: THOMAS J. ROBINSON,
Town Clerk.

Middlesex County.

Arlington, May 24, 1904.

By virtue of this warrant I have served the same by posting upon the doors of the Town Hall an attested copy of this warrant at least seven days before said meeting calling the same. Also notified and warned the inhabitants of the Town of Arlington, who are qualified to vote in elections and Town affairs, to assemble in Town Hall on Thursday, the twenty-sixth day of May current at 7.30 o'clock P. M., by notices containing the substance of this warrant, as provided by the Town By-Laws.

ALONZO S. HARRIMAN,
Constable of Arlington.

Town Meeting May 26, 1904.

In pursuance of the foregoing warrant the inhabitants of the Town of Arlington, qualified to vote in elections and Town affairs, met in the Town Hall, in said Town, on Thursday, the twenty-sixth day of May, in the year of our Lord nineteen hundred and four, and were called to order at seven-thirty o'clock P. M. by the Town Clerk, who read the warrant calling the meeting and the return thereon of the constable who served the same upon the inhabitants.

First Article taken up.

"To choose a Moderator to preside."

Horace A. Freeman and John A. Bishop were appointed Tellers to receive and count ballots for Moderator and were sworn to the faithful performance of their duties by the Town Clerk.

The polls were declared open and on motion it was voted that they remain open for two minutes, at the expiration of which time all having voted who desired, the polls were declared closed.

The tellers reported that six (6) ballots had been cast all bearing the name of Walter A. Robinson, and he was declared elected Moderator, and sworn to the faithful performance of his duties by the Town Clerk.

Second Article taken up.

"To see if the Town will appropriate sixty-six ($66) dollars being the amount of a bill against the Town and due Francis R. Henderson for use of Mill property for unloading stone for Broadway retaining wall in 1900."

The Committee of Twenty-one, to whom all articles in the warrant requiring an appropriation had been referred, made

their report in print and distributed said report to the voters present.

Frank W. Hodgdon, as Chairman of the Committee of Twenty-one, offered the following motion under Article 2 of the warrant and it was

Voted: — That the sum of sixty-six ($66) dollars be appropriated for the payment of the bill of Francis R. Henderson for use of Mill property in 1900, and that the amount be raised by general tax the current year.

Third Article taken up.

"To hear the report of the Selectmen to whom was referred on April 7, 1904, the matter of repairs and fire escapes for the Town Hall Building, and make an appropriation for the same."

On motion of Frank W. Hodgdon it was voted: —

That the sum of three huudred ($300) dollars be appropriated for repairs on the Town House, the same to be expended under the direction of and in accordance with the recommendations of the Selectmen, and that said sum be raised by general tax the current year.

On motion of Frank W. Hodgdon it was voted: —

That the subject of fire escapes on the Town House be referred back to the Selectmen with instructions to obtain estimates for a substantial stair case on the rear of the building reaching from the level of the floor of the hall to the ground, and connecting with a door to be cut in the rear wall of the building.

Fourth Article taken up.

"To hear the report of the special committee appointed April 7, 1904, to whom was referred the repairing and improving the Russell School Building and make an appropriation for the same."

Warren W. Rawson chairman of the committee reported for the committee and on motion it was voted that the report be accepted and placed on file. (File 301.)

On motion of Frank W. Hodgdon it was voted, by a two-thirds vote : —

That the sum of twelve thousand five hundred ($12,500) dollars be appropriated for repairs to the Russell School Building to be expended in accordance with the recommendations of the committee appointed at the last Annual Town Meeting and under the control and direction of that Committee ; that five hundred ($500) dollars of said sum be raised by general tax the current year and that the balance be borrowed and in payment therefor there be issued twelve negotiable notes or bonds each for the sum of one thousand ($1,000) dollars, payable one in the year 1905, and one in each of the eleven succeeding years, said notes or bonds to be signed by the Treasurer and counter-signed by the Selectmen, and to be designated on the face thereof " Russell School Loan of 1904 " and to bear interest at a rate not exceeding 4 per centum per annum, payable semi-annually.

On motion of Howard W. Spurr it was

Voted : — That when this meeting adjourns it adjourn to meet in Town Hall, Tuesday, May 31, 1904, at 8 o'clock P.M.

Article 6 taken up.

" To see if the Town will make an additional appropriation for Street Lighting."

On motion of Frank W. Hodgdon it was voted : —

That the sum of fifteen hundred and twenty-six ($1,526) dollars be appropriated for Street Lighting during the current year in addition to the sum appropriated at the annual meeting and that said amount be raised by general tax the current year.

Seventh Article taken up.

" To see if the Town will make an additional appropriation for the Board of Health."

On motion of Frank W. Hodgdon it was voted : —

That the sum of three hundred and seventy-five ($375) dollars be appropriated for the Board of Health in addition to the sum appropriated at the annual meeting and that said sum be raised by general tax the current year.

Ninth Article taken up.

" To see if the Town will vote to pay to Peter Schwamb, out of the rent received from the Pumping Station Building, the sum of twelve dollars and fifty cents ($12.50) to reimburse him for a cash payment made by him in behalf of the Town."

On motion of Frank W. Hodgdon it was voted : —

That the sum of twelve dollars and fifty cents ($12.50) be appropriated to repay Peter Schwamb for money advanced by him, said amount to be paid from the funds of the Water Works.

Eighth Article taken up.

" To see if the Town will vote to ratify the lease of the Pumping Station Building and land adjoining, given by the Board of Public Works in behalf of the Town to Charles H. Hoffman, dated April 30, 1904, also the lease of the pasture land about the Great Meadows given by the Board of Public Works in behalf of the Town to Alvin S. Butterfield, dated April 1, 1904, and to see what action the Town will take or what authority the Town will give its Board of Public Works with reference to the leasing of any part or parts of its lands and buildings in or adjoining the Great Meadows."

On motion of Peter Schwamb it was voted : —

That the Town ratify the lease of the Pumping Station Building and land adjoining, given by the Board of Public Works in behalf of the Town, to Charles H. Hoffman, dated April 30, 1904, also the lease of the pasture land about the Great Meadows, given by the Board of Public Works in behalf of the Town, to Alvin S. Butterfield, dated April 1, 1904.

On motion of Peter Shwamb it was voted :—

That the Board of Public Works, in behalf of the Town, be, and hereby is, authorized to lease any part or parts of its lands and buildings in or adjoining the Great Meadows for terms not exceeding three years and at such rental and on such other terms and conditions as said Board shall deem proper.

Tenth Article taken up.

"To see if the Town will vote to make an appropriation for the construction of a sewer in a portion of Kensington Road."

On motion of Frank W. Hodgdon it was

Voted : — By a two-thirds vote,

That the sum of one thousand ($1,000) dollars be appropriated for the construction of a sewer in a portion of Kensington Road, under the control and direction of the Board of Public Works and that said sum be borrowed, and in payment therefor there be issued a negotiable bond or note for the sum of one thousand ($1,000) dollars payable in the year 1910, and that the same be signed by the Treasurer and countersigned by the Selectmen, and to bear interest at a rate not exceeding four (4) per centum per annum.

Eleventh and Twelfth Articles taken up.

ART. 11. "To see if the Town will rescind so much of the vote passed at the Town Meeting held November 16, 1903, by which the sum of fourteen thousand ($14,000) dollars was appropriated 'for the erection of a primary school building at the corner of Irving and Academy streets,' as relates to the manner of raising said sum."

ART. 12. "To see if the Town will vote to borrow the sum of seventeen thousand ($17,000) dollars which it has appropriated for the construction and furnishing of the Primary School Building at the corner of Irving and Academy streets, and authorize the Treasurer, with the approval of the Selectmen, to issue the Town's notes or bonds therefor."

On motion of Henry Hornblower it was

Voted : — That so much of the vote that was passed at the Town Meeting held November 16, 1903, as relates to the manner of raising the sum of fourteen thousand ($14,000) dollars, which was appropriated for the erection of a primary school building at the corner of Irving and Academy streets is hereby rescinded.

On motion of Henry Hornblower it was

Voted : — By a two-thirds vote, that for the purpose of raising the sums which the Town on November 16, 1903, and April 14, 1904, appropriated for the erection and furnishing of a primary school building at the corner of Irving and Academy Streets, the Town borrow the sum of seventeen thousand ($17,000) dollars, and in payment therefor issue 17 negotiable notes or bonds each for the sum of one thousand ($1,000) dollars, payable one in the year 1905 and one in each of the sixteen succeeding years, said notes or bonds to be signed by the Treasurer and counter-signed by the Selectmen, and to be designated on the face thereof " Primary School Loan of 1904' and to bear interest at a rate not exceeding four per centum per annum payable semi-annually.

Fifteenth Article taken up.

" To see if the Town will set apart a portion of Mount Pleasant Cemetery for the exclusive use of such Romas Catholics of the Town as may purchase lots therein."

Rev. John M. Mulcahy offered a motion that the subject matter of Article 15 be referred to a committee of five, said committee to report as some future meeting.

The check list was called for and Horace A. Freeman, James J. Mahoney, J. Prescott Gage and John A. Bishop were appointed tellers and sworn to the faithful performance of their duties by the Town Clerk.

The polls were declared open and were kept open until all voters desiring to vote had done so. The ballots were sorted and counted by the tellers and declaration made by the Moderator, as follows :—

Whole number of ballots cast .	353
In favor of the motion . . .	164
Opposed to the motion . . .	189

and the Moderator declared the motion to refer not carried.

Articles 13 and 14 taken up.

ART. 13. "To see if the Town will authorize the present Committee on Street Lighting to increase its number and fill vacancies as it may deem advisable."

On motion of John S. Lamson it was voted : —

That the present Committee on Street Lighting be authorized to increase its number and fill vacancies as it may deem advisable.

ART. 14. "To see if the Town will authorize the present Committee on Home Rule to increase its number and fill vacancies as it may deem advisable."

On motion of John S. Lamson it was voted : —

That the present Committee on Home Rule be authorized to increase its number and fill vacancies as it may deem advisable.

On motion it was voted to adjourn.

Adjourned at 11 o'clock P. M.

A true record,

Attest : THOMAS J. ROBINSON,
Town Clerk.

ADJOURNED TOWN MEETING MAY 31, 1904.

Pursuant to adjournment the inhabitants of the Town of Arlington, qualified to vote in elections and Town affairs, met in the Town Hall, Tuesday, the thirty-first day of May, and were called to order at eight (8) o'clock in the evening by the Moderator, Walter A. Robinson.

Fifth Article taken up.

"To see if the Town will make an additional appropriation for Town Insurance."

On motion of Warren W. Rawson it was voted: —

That the subject matter of Article 5 be laid on the table.

Third Article taken up.

"The report of the Selectmen to whom was referred the matter of fire escapes for Town House."

On motion of Warren W. Rawson it was voted: —

That the subject matter of Article 3 be laid on the table.

Sixteenth Article taken up.

"To appropriate and raise by borrowing or otherwise such sums as may be necessary for all or any of the purposes mentioned in the foregoing articles."

On motion of Frank W. Hodgdon it was voted: —

That the subject matter of Article 16 be laid on the table.

On motion it was voted to adjourn.

Meeting dissolved at ten (10) minutes after eight (8) o'clock.

A true record,

Attest: THOMAS J. ROBINSON,
Town Clerk.

TOWN MEETING NOVEMBER 8, 1904.

WARRANT.

COMMONWEALTH OF MASSACHUSETTS. MIDDLESEX SS.

To Alonzo S. Harriman, a Constable of the Town of Arlington in said County. Greeting: —

In the name of the Commonwealth of Massachusetts, you are hereby required to notify and warn the inhabitants of the Town of Arlington, qualified as the Constitution requires, to vote in elections and Town affairs, to assemble in the Town Hall, on Tuesday, the eighth day of November, next, at six o'clock A.M., then and there to act on the following articles, viz: —

ARTICLE 1. To bring in their votes to the Selectmen for sixteen electors of President and Vice-President of United States to wit: Two electors at large and one elector for each Congressional District in the Commonwealth, a Governor, a Lieutenant-Governor, a Secretary, a Treasurer and Receiver-General, and Auditor of Accounts, an Attorney-General for the Commonwealth, a Representative of the Commonwealth in the Congress of the United States for District Number Eight; a Councillor for the Third Councillor District, a Senator for the Third Middlesex District, a Representative in the General Court for the Thirteenth Representative District in the County of Middlesex, a District Attorney for the Northern District, Middlesex County; a County Commissioner, two Associate Commissioners and a Sheriff for Middlesex County.

All the above to be voted for on one ballot.

The polls will be opened immediately after the organization of the meeting and will be kept open until four o'clock and

thirty minutes in the afternoon, and as much longer as the meeting directs, provided that the time shall not be after the hour of sunset.

ART. 2. To bring in their votes to the Town Clerk for a Moderator to preside for the transaction of Town business.

ART. 3. To hear and act on the reports of Committees heretofore appointed.

ART. 4. To see if the Town will make an appropriation for the observance of Patriots Day, April 19,1905.

ART. 5, To see if the Town will appropriate the sum of three hundred and fifty ($350) dollars additional for the Fire Department.

ART. 6. To see if the Town will appropriate the sum of three hundred and thirty-five ($335) for a fire escape from the Town Hall.

ART. 7. To see if the Town will make an appropriation for Treasurer's Incidentals.

ART. 8. To see if the Town will appropriate one thousand ($1,000) dollars for the purchase and teaming of paving stone from the Boston Elevated Railway Company.

Inserted at request of Board of Public Works.

ART. 9. To see what action the Town will take in regard to paying for water used for fire hydrants, street watering and public buildings.

Inserted at request of Board of Public Works.

ART. 10. To see what action the Town will take in regard to metering water used for domestic purposes and make any necessary appropriation.

Inserted at request of Board of Public Works.

ART. 11. To see if the Town will make an appropriation sufficient to meet the charges for filling deposited on the Park Land adjoining Mount Pleasant Cemetery in accordance with the vote passed by the Town, May 5, 1902.

Inserted at request of Board of Public Works.

ART. 12. To see if the Town will appropriate the sum of three thousand ($3,000) dollars to exterminate the Gypsy and Brown-Tail Moths in Menotomy Rocks Park and Meadow Brook Park.

Inserted at request of Park Commissioners.

ART. 13. To see if the Town will appoint a Tree Warden to serve for not more than one year or until such time as the State may pass a law to allow cities and towns to appoint a Gypsy and Brown-Tail Moth Commission to co-operate with the State Commission.

Inserted at request of B. C. Haskell and others.

ART. 14. To see if the Town will instruct the Tree Warden to adopt all reasonable measures within the limits of the appropriation therefor, to prevent the spread and secure the extermination of the Brown-Tail Moth, the Gypsy Moth and other tree and shrub destroying pests, and to enter upon private lands for this purpose under the authority given by Chapter 57 of the Acts of 1902, or act in any manner relating thereto.

Inserted at request of B. C. Haskell and others.

ART. 15. To see if the Town will appropriate three thousand ($3,000) dollars, or any sum, to defray the cost of exterminating or preventing the spread of the Brown-Tail Moth, the Gypsy Moth and other tree and shrub destroying pests, or act in any manner relating thereto, and will hire money to make the appropriation immediately available on its passage.

Inserted at request of B. C. Haskell and others.

ART. 16. To see if the Town will vote to request the Representative of this district to urge the Legislature to make a large annual appropriation for a term of years for the purpose of exterminating or preventing the spread of the Brown-Tail Moth, the Gypsy Moth and other tree and shrub destroying pests, or act in any manner relating thereto.

Inserted at request B. C. Haskell and others.

ART. 17. To see if the Town will vote to request the Representative of this district in Congress to urge legislation for the purpose of exterminating or preventing the spread of the Brown-Tail Moth, the Gypsy Moth and other tree and shrub destroying pests, or act in any manner relating thereto.

Inserted at request of B. C. Haskell and others.

ART. 18. To see if the Town will appropriate a sum sufficient to partially or wholly control the Gypsy and Brown-Tail Moth or take any action thereon.

Inserted at request of Committee of Investigation.

ART. 19. To see if the Town will set apart a portion of

Mount Pleasant Cemetery for the exclusive use of such Roman Catholics of the Town as may purchase lots therein.

Inserted at the request of A. S. Malone and others

ART. 20. To see if the Town will make an appropriation for the suppression of gambling houses, bar-rooms, piggeries and other nuisances, and for the prosecution of the proprieters of gambling houses, bar-rooms, piggeries and other nuisances, or take any action for such suppression of prosecution.

Inserted at request of James A. Bailey, Jr., and others.

ART. 21. To see if the Town will appropriate the sum of one hundred and fifty ($150) dollars for Street Lighting.

ART. 22. To see if the Town will appropriate the sum of fifty ($50) dollars for State Aid.

ART. 23. To see if the Town will appropriate the sum of twenty-five hundred ($2,500) dollars for the Abatement of Taxes.

ART. 24. To see if the Town will take any action to regulate the transportation of explosives.

Hereof, fail not, and make due return of this warrant, with your doings thereon, to the Selectmen on or before said day and hour of meeting.

Given under our hands at said Arlington, this twenty-sixth day of October, in the year of our Lord one thousand nine hundred and four.

WARREN W. RAWSON,
GEORGE I. DOE,
JAMES A. BAILEY, JR.
Selectmen of the Town of Arlington.

A true copy,

Attest: ALONZO S. HARRIMAN,
Constable of Arlington.

A true record,

Attest: THOMAS J. ROBINSON,
Town Clerk.

Middlesex, ss.

Arlington, Nov. 3, 1904.

By virtue of this warrant, I have served the within warrant by posting upon the doors of the Town Hall an attested copy of this warrant at least seven days before said meeting calling

the same. Also notified and warned the inhabitants of the Town of Arlington, who are qualified to vote in elections and Town affairs to assemble in Town Hall, on Tuesday, the eighth day of November current, at six o'clock A.M., by notices containing the substance of this warrant as provided by the Town By-Laws.

ALONZO S. HARRIMAN,
Constable of Arlington.

In pursuance of the foregoing warrant the inhabitants of the Town of Arlington, qualified to vote in elections and Town affairs, met in the Town Hall in said Arlington, on Tuesday, the eighth day of November, in the year of our Lord one thousand nine hundred and four, it being the Tuesday next after the first Monday in said month, and were called to order by George I. Doe, Selectman of the Town of Arlington, at eight minutes after six o'clock in the forenoon.

The presiding officer read Article 1 of the warrant and the return of constable who served the same upon the inhabitants.

By unanimous consent of the meeting the reading of the remaining articles in the warrant was deferred until the adjourned meeting.

Selectman George I. Doe took charge of the meeting and acted as presiding officer.

In conformity with the laws of the Commonwealth in relation to elections the Town Hall was fitted up as a polling place, a space railed off and booths or shelves provided for the use of voters to examine and mark their ballots.

Each booth was supplied with suitable facilities for the purpose and with cards of instructions.

The following persons having been appointed by the Selectmen as ballot clerks, tellers and inspectors were sworn by the Town Clerk to the faithful discharge of their duties and assigned as follows : —

Ballot Clerks — Edgar Crosby, Frank N. Hurley.

Tellers — Horace A. Freeman, Erving V. Gay, Howard I. Durgin, Daniel W. O'Brien, Edward H. H. Bartlett, M. Francis Mead, George C. Tewksbury, George W. W. Sears,George H. Peirce, Francis B. Records, Lindsay K. Foster, Wm. D. Grannan, John M. Tierney, Daniel J. Buckley, John F. Connolly, Frank F. Russell.

Horace A. Freeman and George H. Peirce were assigned as tellers at the ballot box and Edward H. H. Bartlett and Frank F. Russell as inspectors on the floor.

A sealed package of ballots supplied by the Secretary of the Commonwealth was then delivered by the Town Clerk to the presiding officer. The seal was publicly broken and the ballots delivered to the ballot clerks. Specimen ballots and cards of instructions were posted in conformity to law as were also cards of penalties on voters for violation of the law.

The ballot box was examined by the presiding officer and the Town Clerk and was found to be empty and the register set at zero.

A list of registered voters was supplied to the Ballot Clerks and Tellers by the Registrars of Voters.

At fourteen minutes after six o'clock the polls were declared open for the reception of votes, and were kept open, by vote of the meeting until forty-five minutes after four o'clock in the afternoon, when, after due notice, they were declared closed.

By unanimous consent the ballot box was opened at forty-five minutes after eight o'clock in the morning and at various times during the day for the purpose of removing the ballots to be counted.

The keys of the ballot box were delivered by the presiding officer into the custody of Constable John Duffy and remained in his possession until the polls closed.

At the close of the polls the ballot box registered fifteen hundred and thirty (1,530) votes. The names checked by the bal-

lot clerks and the names checked by the checkers at the ballot box were counted, and found to agree with the number registered by the ballot box, fifteen hundred and thirty (1,530).

The unused ballots were enclosed in a package, sealed, endorsed by the ballot clerks and delivered to the Town Clerk.

The election officers canvassed the votes given in and the whole number was found to be fifteen hundred and thirty (1,530) which were sorted, counted and declaration thereof, made in open meeting as required by law at twenty minutes after seven o'clock by the presiding officer, as follows: —

On motion of Warren W. Rawson Article 2 of the warrant was taken up.

Art. 2. "To bring in their votes to the Town Clerk for a Moderator to preside for the transaction of Town business."

Voted: — On motion of Warren W. Rawson that the meeting proceed to the election of a Moderator to preside for the transaction of Town business.

George H. Peirce and Frank N. Hurley were appointed to receive, sort and count ballots and were sworn to the faithful performance of their duties by the Town Clerk.

The Town Clerk at fifty minutes after four o'clock declared the polls open for the reception of votes for Moderator. At fifty-five minutes after four o'clock the polls, on motion of Warren W. Rawson, were declared closed.

The votes were sorted, counted and declaration made by the Town Clerk, as follows: — Whole number of votes cast, two.

Walter A. Robinson received two votes and that number being all the votes cast Walter A. Robinson was declared elected Moderator and was sworn to the faithful performance of his duties by the Town Clerk.

On motion of Warren W. Rawson it was voted that when this meeting adjourns it adjourn to meet in Town Hall, Wednesday evening, November 16, 1904, at thirty minutes after seven o'clock in the evening.

The returns of the election were then filled, signed by the Selectmen, countersigned by the Town Clerk, sealed up in open meeting and delivered to the Town Clerk to be forwarded to the several places of destination.

On motion of Warren W. Rawson the meeting was then declared adjourned.

A true record,

Attest: Thomas J. Robinson,
Town Clerk.

ADJOURNED TOWN MEETING NOVEMBER 16, 1904.

Pursuant to adjournment the inhabitants of the Town of Arlington, qualified to vote in elections and Town affairs, met in the Town Hall, in said Town, on Wednesday, the sixteenth day of November, in the year of our Lord one thousand nine hundred and four, and were called to order at thirty minutes after seven o'clock in the evening by the Moderator, who read the remaining articles in the warrant being Articles 3 to 24 inclusive.

Owing to an error in the notice of adjournment a recess was ordered until eight o'clock at which time the Moderator again called the meeting to order and on motion of James A. Bailey, Jr., Article 20 was taken up.

ART. 20. "To see if the Town will make an appropriation for the suppression of gambling houses, bar rooms, piggeries and other nuisances, and for the prosecution of the proprietors of gambling houses, bar rooms, piggeries, and other nuisances, or take any action for such suppression or prosecution."

James A. Bailey, Jr., explained his reasons for the appropriation and the subject was discussed by Warren W. Rawson, Howard W. Spurr, Charles T. Scannell, Timothy O'Leary and Melvin L. Severy.

Frank W. Hodgdon, Chairman of the Committee of Twenty-one, reported that said Committee recommended the appropriation as asked for by the article.

Voted: — On motion of Frank W. Hodgdon

That the sum of one thousand ($1,000) dollars be appropriated for the suppression of gambling houses, bar rooms, and

other nuisances, during the years 1904 and 1905, and the prosecution of the proprietors of such places, the same to be expended under the direetion of the Selectmen.

Voted : — On motion of Warren W. Rawson, that when this meeting adjourns it adjourn to meet in Town Hall, Monday evening, November 28, 1904, at seven-thirty o'clock P.M.

Voted : — At 10.20 o'clock to adjourn.

Meeting was declared adjourned.

A true record,

Attest : THOMAS J. ROBINSON,
Town Clerk.

MEETING OF ARLINGTON AND LEXINGTON TOWN CLERKS.

Arlington, November 18, 1904.

Pursuant to the law the Town Clerks of Arlington and Lexington met at Arlington, in the Town Clerk's office on Friday, the eighteenth day of November, in the year of our Lord nineteen hundred and four, at twelve o'clock noon for the purpose of canvassing the votes cast on the eighth day of November, for a Representative to the General Court of the Commonwealth to represent the Thirteenth Middlesex District.

The canvass showed the following result of the votes cast in Arlington and Lexington: —

In Lexington,	Arthur J. Wellington had . .	471
	Thomas J. Green had . . .	162
In Arlington,	Arthur J. Wellington had . .	929
	Thomas J. Green had . . .	396

Total votes of both Towns showed that Arthur J. Wellington had a majority of eight hundred and forty-two. Two certificates were filled out and signed by the Clerks of both Towns, one to be sent to the Secretary of the Commonwealth and the other to be delivered to Arthur J. Wellington of Arlington.

A true record,

Attest: THOMAS J. ROBINSON,
Town Clerk.

COMMONWEALTH OF MASSACHUSETTS.

Middlesex, ss.

Arlington, Nov. 21, 1904.

By virtue of my office as Constable of the Town of Arlington, I have this day served by giving in hand the certificate of election as Representative to the General Court to be holden on the first Wednesday of January, next, to Arthur J. Wellington, of No. 25 Wellington St., Arlington.

ALONZO S. HARRIMAN.
Constable.

ADJOURNED TOWN MEETING NOVEMBER 28, 1904.

Pursuant to adjournment the inhabitants of the Town of Arlington, qualified to vote in elections and Town affairs, met in the Town Hall, in said Town, on Monday, the twenty-eighth day of November, in the year of our Lord nineteen hundred and four and were called to order at thirty minutes after seven o'clock in the evening by the Moderator, Walter A. Robinson.

Voted: — On motion of Frank W. Hodgdon, Chairman of the Committee of Twenty-one, that Article 20 of the warrant, which was voted on at the adjourned meeting November 16, 1904, be laid on the table.

On motion of Rev. John M. Mulcahy, Article 19 was taken up.

Art. 19. "To see if the Town will set apart a portion of Mount Pleasant Cemetery for the exclusive use of such Roman Catholics of the Town as may purchase lots therein."

On motion of Rev. John M. Mulcahy it was voted that the check list be used and John A. Bishop, Edward A. Bailey, James J. Mahoney and George H. Peirce were appointed tellers to receive, sort and count ballots, and were sworn to the faithful performance of their duties by the Town Clerk.

Pending the announcement of the result of the vote on Article 19, on motion of W. D. Higgins, Article 15 was taken up.

Art. 15. "To see if the Town will appropriate three thousand ($3,000) dollars, or any sum, to defray the cost of exterminating or preventing the spread of the Brown-Tail Moth, the Gypsy Moth and other tree and shrub destroying pests, or act in any manner relating thereto, and will hire money to make the appropriation immediately available on its passage."

On motion of Frank W. Hodgdon, Article 12 was also taken up.

Art. 12. "To see if the Town will appropriate the sum of three thousand ($3,000) dollars to exterminate the Gypsy and Brown-Tail Moths in Menotomy Rocks Park and Meadow Brook Park."

On motion of Charles T. Scannell Article 18 was taken up and considered with Articles 12 and 15.

Art. 18. "To see if the Town will appropriate a sum sufficient to partially or wholly control the Gypsy and Brown-Tail Moth or take any action thereon."

On motion of B. C. Haskell it was voted: —

That the Town appropriate six thousand ($6,000) dollars to defray the cost of exterminating or preventing the spread of the Brown-Tail Moth, the Gypsy Moth and other tree and shrub destroying pests and hire money to make the appropriation immediately available on its passage, and that Cyrus E. Dallin, William D. Higgins, Thomas A. Smith, the Tree Warden, Board of Public Works and Park Commissioners shall be a committee, to serve without pay, to supervise the work and expend said appropriation.

The Tellers appointed to receive, sort and count ballots on Article 19 at this time made their report to the Moderator who announced to the meeting that five hundred ninety-three (593) ballots had been cast and by a vote of three hundred twenty-seven in the affirmative and two hundred sixty-six in the negative the Town had voted: —

That the Town set apart a reasonable portion of the Mount Pleasant Cemetery for the exclusive use of such Roman Catholic residents of the Town as may purchase lots therein; and that a committee of five, appointed by the Moderator at this

meeting, shall, with the Trustees of the Cemetery carry out the intention of this vote.

On motion of Frank W. Hodgdon it was voted : —

That all Articles in the warrant already acted on, necessitating an appropriation, be laid on the table.

On motion of Warren W. Rawson it was voted : —

That when this meeting adjourns it adjourn to meet in Town Hall, Tuesday evening, December 6, 1904, at thirty minutes after seven o'clock.

Voted : — To adjourn at 10.15 P.M.

A true record,

Attest : THOMAS J. ROBINSON,
Town Clerk.

ADJOURNED TOWN MEETING DEC. 6, 1904.

Pursuant to adjournment the inhabitants of the Town of Arlington, qualified to vote in elections and Town affairs, met in the Town Hall in said Town on Tuesday evening, December 6, 1904, and were called to order by Moderator Walter A. Robinson at thirty minutes after seven o'clock.

On motion of Frank W. Hodgdon, Chairman of the Committee of Twenty-one, Article 4 was taken up.

ART. 4. "To see if the Town will make an appropriation for the observance of Patriot's Day, April 19, 1905."

Voted: — On motion of Frank W. Hodgdon, that the subject matter of Article 4 be indefinitely postponed.

On motion of Peter Schwamb Articles 9 and 10 were taken up.

ART. 9. "To see what action the Town will take in regard to paying for water used for fire hydrants, street watering and public buildings."

ART. 10. "To see what action the Town will take in regard to metering water used for domestic purposes and make any necessary appropriation."

Voted: — on motion of Peter Schwamb, that it is the sense of this meeting that the Board of Public Works install meters on domestic services as soon as possible under present meter rates wherever the water taker is ready to bear the expense of installing the meter; a rebate is to be made on each water bill rendered equivalent to the meter rental until the sum paid for

the installing the meter is refunded, when the meter shall become the property of the Water Works under whose charge it is to be at all times.

Second: — That the Board of Public Works be authorized to install meters at the expense of the Water Department whenever in their judgment water is being wasted and in such case, if the charge for metered water exceeds the fixture rates, the bill shall be made out on the basis of the water used plus the usual meter rental, if not, that the fixture rates shall hold.

Third: — That the Board of Public Works be authorized to increase the present meter rates to an extent not exceeding 25 per cent. in case they find such a course necessary in July and January to secure a sufficient income to maintain the water department.

Fourth: — That the minimum meter rate be collectable in advance as in the case of fixture rates.

Fifth: — That the Town pay the water department the sum of seven thousand ($7,000) dollars per annum for water used for public purposes in 1905.

The Moderator at this time appointed the following committee to act with the Trustees of the Cemeteries to carry out the vote passed at the adjourned Town Meeting held November 28, 1904, under Article 19 : — Hon. John H. Hardy, Rev. John M. Mulcahy, Henry Hornblower, Francis L. Maguire and Matthew Rowe.

On motion of Cyrus E. Dallin Articles 16 and 17 were taken up.

ART. 16. "To see if the Town will vote to request the Representative of this district to urge the Legislature to make a large annual appropriation for a term of years for the purpose of exterminating or preventing the spread of the Brown-Tail Moth, the Gypsy Moth and other tree and shrub destroying pests or act in any manner relating thereto."

Art. 17. "To see if the Town will vote to request the Representative of this district in Congress to urge legislation for the purpose of exterminating or preventing the spread of the Brown-Tail Moth, the Gypsy Moth and other tree and shrub destroying pests, or act in any manner relating thereto."

Voted: — On motion of Cyrus E. Dallin,

That the Town request the Representative of this district to urge the Legislature to make a large annual appropriation for a term of years for the purpose of exterminating or preventing the spread of the Brown-Tail Moth, the Gypsy Moth and other tree and shrub destroying pests, and that the committee already appointed have charge of this matter to report to the Town through the Moderator of this meeting any action taken.

Voted: — On motion of Cyrus E. Dallin,

That the Town request the Representative of this district in Congress to urge legislation for the purpose of exterminating or preventing the spread of the Brown-Tail Moth, the Gypsy Moth and other tree and shrub destroying pests, and that the committee already appointed have charge of this matter to report to the Town through the Moderator of this meeting what action has been taken.

Article 5 taken up.

"To see if the Town will appropriate the sum of three hundred and fifty ($350) dollars additional for the Fire Department."

Voted: — On motion of Frank W. Hodgdon,

That the sum of three hundred and fifty ($350) dollars be appropriated for the maintenance of the Fire Department during the current year in addition to the appropriation made at the March Meeting.

On motion of Frank W. Hodgdon Article 5 was then laid on the table.

Article 6 taken up.

"To see if the Town will appropriate the sum of three hundred and thirty-five ($335) dollars for a fire escape from the Town Hall."

Voted: — On motion of Frank W. Hodgdon,

That the sum of four hundred ($400) dollars be appropriated for the construction of a fire escape at the northerly corner of the Town Hall, under the direction of the Selectmen.

On motion of Frank W. Hodgdon Article 6 was then laid on the table.

Article 7 taken up.

"To see if the Town will make an appropriation for Treasurer's Incidentals."

Voted: — On motion of Frank W. Hodgdon,

That the sum of seventy-five ($75) dollars be appropriated for the incidental expenses of the Town Treasurer the current year in addition to the amount appropriated at the March Meeting, this appropriation to be paid from the overlayings of the tax of 1904.

Article 8 taken up.

"To see if the Town will appropriate one thousand ($1,000) dollars for the purchase and teaming of paving stone from the Boston Elevated Railway Company."

Voted: — On motion of Frank W. Hodgdon,

That the sum of one thousand ($1,000) dollars be appropriated for the purchase of paving stones from the Boston Elevated Railway Company and teaming the same to the Town's storage yards, the same to be expended under the direction of the Board of Public Works.

Article 11 taken up.

"To see if the Town will make an appropriation sufficient to meet the charges for filling deposited on the Park Land adjoining Mount Pleasant Cemetery in accordance with the vote passed by the Town, May 5, 1902."

Voted: — On motion of Frank W. Hodgdon,

That the sum of ten dollars and fifty cents ($10.50) be paid to the Department of Public Works for filling deposited at Meadow Brook Park in accordance with the vote of the Town passed May 5, 1902, said appropriation to be paid from the overlayings of the tax of 1904.

Under Article 3 J. Prescott Gage reported for the Committee appointed at the March Meeting to "investigate the advisability of the Town owning and operating its own electric light plant."

The report was received and ordered placed on file. File No. 316.

Article 21 taken up.

"To see if the Town will appropriate the sum of one hundred and fifty ($150) dollars for Street Lighting."

Voted: — On motion of Frank W. Hodgdon,

That the sum of one hundred and fifty ($150) dollars be appropriated for street lights the current year in addition to the amount appropriated at the March meeting, and that this appropriation be paid from the overlayings of the tax of 1904.

Article 22 taken up.

"To see if the Town will appropriate the sum of fifty ($50) dollars for State Aid."

Voted: — On motion of Frank W. Hodgdon,

That the sum of fifty ($50) dollars be appropriated for State Aid the current year in addition to the sum appropriated at the

March meeting, this appropriation to be paid from the overlayings of the tax of 1904.

Article 23 taken up.

"To see if the Town will appropriate the sum of twenty-five hundred ($2,500) dollars for the abatement of taxes."

Voted: — On motion of Frank W. Hodgdon,

That the sum of twenty-five hundred ($2,500) dollars be appropriated for the abatement of taxes the current year in addition to the amount appropriated at the March meeting.

Voted: — Unanimously, on motion of Frank W. Hodgdon,

That for the purpose of raising the sums appropriated at the Town meeting held November 8th, and the adjournments thereof, and not otherwise provided for, notes of the Town be issued, said notes to bear interest and be payable within one year from date and in no case later than December 1, 1905. Said notes shall be issued from time to time for such sums as the Treasurer shall deem best, but shall not exceed in the aggregate eleven thousand two hundred and fifty ($11,250) dollars and shall be signed by the Treasurer and countersigned by the Selectmen.

Voted: — At fifty minutes after eight o'clock that this meeting adjourn.

Meeting dissolved.

A true record,

Attest: THOMAS J. ROBINSON,
Town Clerk.

SPECIAL TOWN MEETING DECEMBER 28, 1904.

COMMONWEALTH OF MASSACHUSETTS. MIDDLESEX SS.

To Alonzo S. Harriman, a Constable of the Town of Arlington, is said County. Greeting: —

In the name of the Commonwealth of Massachusetts, you are hereby required to notify and warn the inhabitants of the Town of Arlington, qualified to vote in elections and Town affairs, to assemble in the Town Hall, on Wednesday, the twenty-eighth day of December, current, at 7.30 o'clock, P.M., then and there to act on the following articles, viz: —

ARTICLE 1. To choose a Moderator to preside at said meeting.

ART. 2. To hear and act on the reports of Committees heretofore appointed.

ART. 3. To see if the Town will make an appropriation for the removal of the cupola on Town Hall Building and make such repairs as may become necessary by reason of its removal, as recommended by the Selectmen, or take any action thereon.

ART. 4. To see what action the Town will take to rescind a certain vote passed at a Town Meeting held Monday, November 28, 1904, to wit: —

"Voted: — That the Town set apart a reasonable portion of Mount Pleasant Cemetery for the exclusive use of such Roman Catholic residents of the Town as may purchase lots therein; and that a committee of five, to be appointed by the Moderator of this meeting, shall, with the Trustees of the Cemetery, carry out the intention of this vote."

To annul or render nutgatory the effect of the proceedings if any, which may have been taken by the Committee appointed to carry out the intention of such vote; and to revoke the powers conferred upon such committee and discharge said committee.

Inserted by J. Prescott Gage and others.

ART. 5. To see what action the Town will take regarding the passage of a By-Law to the following effect, viz: —

No citizen nor citizens of the Town of Arlington shall be denied the privilege of burial in any portion of any Cemetery owned by the Town of Arlington nor be discriminated against in any manner with respect to the use of any such Cemetery because not a member or members of a particular society or association, lay or ecclesiastical, incorporated or unincorporated.

Inserted at request of J. Prescott Gage and others.

ART. 6. To see what action the Town will take regarding the passage of a By-Law to the following effect, viz : —

Neither the By-Law contained in Article 5 nor the By-Law hereby enacted shall be repealed except by the vote of two-thirds of the citizens present and voting at a Town Meeting duly called for the purpose of repealing said By-Law.

Inserted at request of J. Prescott Gage and others.

ART. 7. To see if the Town will authorize the expenditure by the Gypsy Moth Committee of a sum not exceeding one thousand dollars ($1,000) of the appropriation of six thousand dollars ($6,000) voted at the last Town Meeting for the suppression of the Gypsy and Brown-Tail Moths, on the trees situated on private lands, overhanging the highways and parks, through the Tree Warden.

Inserted at request of Gypsy Moth Committee.

ART. 8. To see if the Town will approve the expenditure by the Tree Warden, under the direction of the Gypsy Moth Committee, of five hnndred dollars ($500) out of the six thousand dollars ($6,000) appropriated at the last Town Meeting, for prizes for the collection of Brown-Tail moth nests and Gypsy and Brown-Tail caterpillars within the limits of the Town and upon public and private land.

Inserted at request of Gypsy Moth Committee.

ART. 9. To see if the Town will authorize the Town Treasurer, under the direction of the Selectmen, to borrow money for any necessary purpose, in anticipation of the collection of taxes for the year 1905, the same to be repaid directly from the proceeds of said taxes.

Inserted at request of Town Treasurer.

ART. 10. To see if the Town will make an additional appropriation for the Health Department.

Inserted at request of the Board of Health.

ART. 11. To see if the Town will make an additional appropriation for Street Watering, to cover overdrafts.

Inserted at request of the Joint Board of Selectmen and Board of Public Works.

ART. 12. To see if the Town will make an additional appropriation to cover the overdrafts of the Highway Division.

Inserted at request of the Board of Public Works.

ART. 13. To see if the Town will allow the Joint Board of Selectmen and Board of Public Works, if necessary, to expend sums of money equivalent to the assessments for work done on sidewalks, said sums to be obtained by issuing notes against such assessments.

Inserted at request of the Joint Board of Selectmen and Board of Public Works.

ART. 14. To see if the Town will make an appropriation to cover the overdrafts of the Sidewalk Appropriation.

Inserted at request of the Joint Board of Selectmen and Board of Public Works.

ART. 15. To see if the Town will allow the Board of Public Works, if necessary, to expend sums of money equivalent to the uncollected credits for work done by the Highway and Sewer Divisions during the fiscal year, said sums to be obtained by issuing notes against such credits.

Inserted at request of Board of Public Works.

ART. 16. To appropriate and raise, by borrowing or otherwise, such sums as may be necessary for all or any of the purposes mentioned in the foregoing articles.

Hereof, fail not, and make due return of this warrant, with your doings thereon, to the Selectmen, on or before said day and hour of meeting.

Given under our hands at said Arlington, this nineteenth day of December, in the year of our Lord one thousand nine hundred and four.

WARREN W. RAWSON,
GEORGE I. DOE,
JAMES A. BAILEY, JR.
Selectmen of the Town of Arlington.

A true copy, Attest: ALONZO S. HARRIMAN,
Constable of Arlington.

A true record, Attest: THOMAS J. ROBINSON,
Town Clerk.

Middlesex, ss.

Arlington, Dec. 27, 1904.

By virtue of this warrant, I have served the within warrant by posting upon the doors of the Town Hall an attested copy of this warrant at least seven days before said meeting calling the same. Also notified and warned the inhabitants of the Town of Arlington who are qualified to vote in elections and Town affairs to assemble in the Town Hall, on Wednesday, the twenty-eighth day of December current, at seven-thirty o'clock P M., by notices containing the substance of this warrant as provided by the Town By-Laws.

ALONZO S. HARRIMAN,
Constable of Arlington.

SPECIAL TOWN MEETING DECEMBER 28, 1904.

Pursuant to the foregoing warrant, the inhabitants of the Town of Arlingon, qualified to vote in elections and Town affairs, met in the Town Hall, in said Town, on Wednesday, the twenty-eighth day of December, in the year of our Lord one thousand nine hundred and four, and were called to order at thirty minutes after seven o'clock in the evening by the Town Clerk, who read the warrant calling the meeting and the return thereon of the constable who served the same upon the inhabitants.

By unanimous consent Article One, calling for the election of a Moderator to preside at the meeting, was taken up and Edgar Crosby and James J. Mahoney were appointed Tellers to receive, sort and count ballots for Moderator and were sworn to the faithful performance of their duties by the Town Clerk.

At forty minutes after seven o'clock the polls were declared open for the reception of votes for Moderator.

At forty-three minutes after seven o'clock the polls were declared closed. The ballots were sorted and counted by the

Tellers and declaration made by the Town Clerk as follows: Whole number of ballots cast, six (6). Walter A. Robinson had six (6) and was declared elected Moderator and was sworn to the faithful performance of his duties by the Town Clerk.

On motion of Francis L. Maguire Article 2 was taken up.

ART. 2. "To hear and act on the reports of Committees heretofore appointed."

John H. Hardy, Chairman of the Committee appointed at a previous meeting to set apart a portion of Mount Pleasant Cemetery for the exclusive use of the Roman Catholics of the Town, submitted the report of said Committee, as follows: —

"That this Committee recommend the purchase or taking of land of Russell and Jones east of the present limits of Mt. Pleasant Cemetery, containing about twelve (12) acres, a portion of which shall be set apart for the burial of Roman Catholic residents of the Town and that said portion shall be designated as the Catholic Section of the Cemetery.

In the event of the failure of the Town to appropriate a sum sufficient for such purchase or taking, then this Committee recommend the setting apart for said purpose plots designated "P," "T," "U," in the present Mt. Pleasant Cemetery."

On motion of Howard W. Spurr it was voted: —

That the report of the Committee be received and placed on file. (File No. 317.)

On motion of J. Prescott Gage Article 4 was taken up.

ART. 4 "To see what action the Town will take to rescind a certain vote passed at a Town meeting held Monday, November 28, 1904, to wit:

Voted: — That the Town set apart a reasonable portion of Mount Pleasant Cemetery for the exclusive use of such Roman

Catholic residents of the Town as may purchase lots therein; and that a Committee of Five, to be appointed by the Moderator of this meeting, shall, with the Trustees of the Cemetery, carry out the intention of this vote.

To annul or render nugatory the effect of the proceedings, if any, which may have been taken by the committee appointed to carry out the intention of such vote, and to revoke the powers conferred upon such committee and discharge said committee."

The check list being called for the Moderator appointed as tellers, Edgar Crosby, James J. Mahoney, Franklin T. Anderson, John A. Bishop, Charles H. Gannett and Charles B. Hurley, and they were sworn to the faithful performance of their duties by the Town Clerk.

Pending the announcement of the vote on Article 4, on motion of Peter Schwamb, it was voted: —

That when this meeting adjourns it adjourn to meet in the Town Hall, Tuesday evening, January 3, 1905, at thirty minutes after seven o'clock.

The tellers have completed the counting of ballots on the motion offered by J. Prescott Gage under Article 4 of the Moderator announced the vote as follows: — Whole number of votes cast nine hundred and four (904), "Yes" had five hundred seventy-one (571), "No" had three hundred thirty-three (333) and it was voted: —

That the following vote of the Town passed at a Town Meeting held November 28, 1904, namely: — that the Town set apart a reasonable portion of Mount Pleasant Cemetery for the exclusive use of such Roman Catholic residents of the Town as may choose to purchase lots therein; and that a Committee of Five to be appointed by the Moderator at this meeting, shall with the Trustees of the Cemetery, carry out the intention of this vote, — be, and same is, hereby rescinded, that the powers

conferred upon the committee appointed in pursuance of said vote be and the same hereby are revoked and said committee discharged.

On motion of John W. Bailey it was voted to adjourn.

Meeting adjourned at fifty minutes after ten o'clock.

A true record,

Attest: THOMAS J. ROBINSON,
Town Clerk.

ADJOURNED SPECIAL TOWN MEETING JANUARY 3, 1905.

Pursuant to adjournment the inhabitants of the Town of Arlington, qualified to vote in elections and Town affairs, met in the Town Hall, in said Town, on Tuesday, the third day of January, in the year of our Lord one thousand nine hundred and five and were called to order at thirty minutes after seven o'clock in the evening by the Moderator, Walter A. Robinson.

On motion of J. Prescott Gage Articles 5 and 6 were taken up.

ART. 5. "To see what action the Town will take regarding the passage of a By-Law to the following effect, viz: —

"No citizen nor citizens of the Town of Arlington shall be denied the privilege of burial in any portion of any cemetery owned by the Town of Arlington nor be discriminated against in any manner with respect to the use of any such Cemetery because not a member or members of a particular society or association, lay or ecclesiastical, incorporated or unincorporated."

On motion of J. Prescott Gage it was voted: — (178 yes, 72 no.)

That the By-Laws of the Town of Arlington be amended by the adoption of the following article which shall be numbered Article 18 of said By-Laws: —

"No citizen nor citizens of the Town of Arlington shall be denied the privilege of burial in any portion of any Cemetery owned by the Town of Arlington, nor be discriminated against in any manner with respect to the use of any such Cemetery because not a member or members of a particular society or association, lay or ecclasiastical, incorporated or unincorporated."

Voted : — On motion of J. Prescott Gage,

That the Town Counsel of Arlington be authorized and directed to present this By-Law to the Attorney General for his approval, and in the event of the approval of said By-Law to take the necessary steps to have said By-Law published three times in some newspaper published in the Town of Arlington, and to do such other acts and things with regard to the same as may be necessary and proper to give said By-Law full force and effect.

Art. 6. "To see what action the Town will take regarding the passage of a By-Law to the following effect, viz : —

Neither the By-Law contained in Article 5 nor the By-Law hereby enacted shall be repealed except by the vote of two-thirds of the citizens present and voting at a Town Meeting duly called for the purpose of repealing said By-Law."

Voted : — On motion of J. Prescott Gage,

That the consideration of Article 6 of the warrant be indefinitely postponed.

Article 10 taken up.

"To see if the Town will make an additional appropriation for the Health Department."

Voted : — On motion of Frank W. Hodgdon,

That three hundred and fifty ($350) dollars be appropriated for the maintenance of the Health Department during the year 1904, in addition to the sum appropriated at the last Annual Meeting.

Article 11 taken up.

"To see if the Town will make an additional appropriation for Street Watering to cover overdrafts."

Voted: — On motion of Frank W. Hodgdon,

That two hundred and seventy-five ($275) dollars be appropriated for Street Watering during the year 1904, in addition to the amount appropriated at the last Annual Meeting; eighty-one ($81) dollars of which sum shall be credited to the abutters and the balance one hundred ninety-four ($194) dollars to the Town.

Article 12 taken up.

"To see if the Town will make an additional appropriation to cover the overdraft of the Highway Division"

Voted: — On motion of Peter Schwamb, that the consideration of Article 12 be indefinitely postponed.

Articles 13 and 14 taken up.

ART. 13. "To see if the Town will allow the Joint Board of Selectmen and Board of Public Works, if necessary, to expend sums of money equivalent to the assessments for work done on sidewalks, said sums to be obtained by issuing notes against such assessments."

ART. 14. "To see if the Town will make an appropriation to cover the overdrafts of the sidewalk appropriation."

Voted: — By a two-thirds vote, on motion of Walter W. Rawson, that the Treasurer is hereby authorized during each fiscal year, to borrow money on the notes of the Town issued in due form under the By-Laws, in anticipation of uncollected sidewalk assessments made during that year, and that the proceeds of such notes shall be immediately available for the construction of permanent sidewalks during that year. The assessments against which the notes have been issued shall not be available for any purpose except the payments of the notes.

Article 15 taken up.

"To see if the Town will allow the Board of Public Works, if necessary, to expend sums of money equivalent to the uncol-

lected credits for work done by the Highway and Sewer Divisions during the fiscal year, said sums to be obtained by issuing notes against such credits."

Voted: — On motion of Frank W. Hodgdon, that the consideration of Article 15 be indefinitely postponed.

Article 3 was taken up and on motion of Warren W. Rawson, the consideration of this Article was indefinitely postponed.

Article 7 taken up.

"To see if the Town will authorize the expenditure by the Gypsy Moth Committee of a sum not exceeding one thousand ($1,000) dollars of the appropriation of six thousand ($6,000) dollars voted at the last Town Meeting for the suppression of the Gypsy and Brown-Tail Moths, on the trees situated on private lands, overhanging the highways and parks, through the Tree Warden."

Voted: — On motion of Peter Schwamb,

That the Town instruct the Gypsy Moth Committee through the Tree Warden to adopt all reasonable measures within the limits of the appropriation therefor, to prevent the spread and secure the extermination of the Brown-Tail Moth, the Gypsy Moth and other tree and shrub destroying pests, and to enter upon private lands for this purpose under the authority given by Chapter 57 of the Acts of 1892 and to instruct the Town Treasurer to pay all bills of the Tree Warden and Gypsy Moth Committee appointed by the Town, when properly approved by them in the usual way.

Article 9 taken up.

"To see if the Town will authorize the Town Treasurer, under the direction of the Selectmen, to borrow money for any necessary purpose, in anticipation of the collection of taxes for the year 1905, the same to be repaid directly from the proceeds of said taxes."

Voted: — By a two-thirds vote, on motion of William A. Muller,

That for the purpose of procuring a temporary loan to and for the Town of Arlington, in anticipation of the taxes of the municipal year 1905, the Town Treasurer is hereby authorized and directed to borrow on and after January 1, 1905, from time to time, with the approval of the Board of Selectmen, a sum or sums in the aggregate not exceeding one hundred and fifty thousand ($150,000) dollars and to execute and deliver therefor the note or notes of the Town, payable within one year from the time the loan is made. Any debt or debts incurred by a loan or loans to the Town under this vote shall be paid from the taxes of said municipal year.

Article 8 was taken up and on motion of Peter Schwamb the consideration of said Article was indefinitely postponed.

Voted: — On motion of Edward H. H. Bartlett, that this meeting dissolve.

Meeting dissolved at nine o'clock.

A true record,

Attest: Thomas J. Robinson,
Town Clerk.

REPORT OF THE BOARD OF SELECTMEN.

The Board of Selectmen submit the following report for the fiscal year ending December 31, 1904.

The Board met March 12, 1904, and organized as follows: —

WARREN W. RAWSON, *Chairman.*

Standing Committees.

Warren W. Rawson: — Fire Department, Public Lands and Almshouse.

George I. Doe: — Police Department, Town House and Buildings.

James A. Bailey, Jr.: — State Aid, Outside Poor, and Street Lights.

Horace A. Freeman: — Clerk.

BOARD ACTION.

The policy of the Board is to have all important matters come before it for general discussion and approval before being carried out by any department. This enables each of the Selectmen to be familiar with what is expected of each department and later as to results; and also to share in responsibility.

The appointment of standing committees is for purposes of more specific oversight, and for attention to detail not sufficiently important for Board action.

ALMSHOUSE.

During the year eight inmates have been cared for. Of these two were admitted, one transferred to Woburn and one has died.

At present (December 31), there are five males and one female cared for.

The present inmates are : —

Mary Scanlan, 48 years old, admitted May 10, 1892.
Timothy Linehan, 68 years old, admitted Nov. 21, 1896.
Winslow Sullivan, 76 years old, admitted Feb. 2, 1900.
Patrick Maloney, 57 years old, admitted Sept. 18, 1902.
Thomas Green, 75 years old, admitted June 23, 1904.
James Farrell, 58 years old, admitted Oct. 29, 1904.

The number of tramps lodged and fed during the year is 215 which is 73 less than the year before.

Mr. and Mrs. John B. Tay have been in charge of the Almshouse.

Decision of the Attorney General.— A decision of the Attorney General given November 21, 1904, is to the effect that Section 21, Chapter 30, of the Revised Laws, applies also to the several classes committed to an almshouse.

This section is as follows : —

"Every person who has been committed to a workhouse shall, if able to work, be kept diligently employed in labor during the term of his commitment. If he is idle and does not perform such reasonable task as is assigned, or if he is stubborn and disorderly, he shall be punished according to the orders and regulations established by the directors."

The Overseers of the Poor believe such employment should be exacted as far as is possible. It would be better both for inmate and Town. Judgment, of course, would be needed as to the kind of employment required.

Material for fuel from trees cut down or trimmed, or from repairs of public buildings or otherwise obtained, could be

taken to the almshouse and there sawed and split by those inmates able to do such work, thus they could contribute something towards their support. This fuel would partially supply families aided by the Town. Other suitable work might be furnished by the Superintendent of the Almshouse.

Financial Statement.

Appropriation by the Town			$1,750 00
Expenditures (gross)		$2,137 89	
Less receipts:			
For board	$345 29		
For reimbursements	28 14		
For sale of produce	91 04		
		464 47	
Net expenditures for the year			1,673 42
Balance unexpended			$76 58

Almshouse Repairs.— At the March Meeting $450 was appropriated for special repairs on the Almshouse property. This sum has been expended (with exception of a small balance) in painting all the buildings (except the new shed) two coats outside, repairing sills and conductors on the dwelling house and repairing the stable. John C. Waage was awarded the contract for painting at $350.

The heating plant of the Almshouse appears to be unable to furnish requisite heat for all parts of the building. Either a new boiler should replace the one now in use or a smaller one added. In either case an appropriation will be needed.

Comparative Table.

	1903	1904
Superintendent	$360 00	$360 00
Help	217 00	208 00

	$2,119 55	$2,137 89
Less reimbursements	386 34	464 47
Net cost	$1,733 21	$1,673 42
Appropriation	2,000 00	1,750 00
Balance unexpended	$266 79	$75 68

POOR OUTSIDE THE ALMSHOUSE.

The policy pursued by the Overseers of the Poor the past year has been similar to that of the years previous, the object being to intelligently discriminate as to the more, the less and the non-deserving and to render aid in the most helpful and effective manner.

Aid that creates pauperism by causing the beneficiary to be less able to help himself is not the most effective. Neither is pauperism diminished by rendering such aid as makes paupers the envy of outsiders.

As a rule aid rendered by a Town is duly appreciated by the recipient. Occasionally, however, parties claim assistance as a right and receive it as if conferring a favor on the Town, while others impose on a Town by pretending proverty while in ample financial circumstances. This the Overseers of the Poor have to guard against.

Our Town has always been generous and thoughtful towards its poor and there is no disposition on the part of the Board to be otherwise.

The past year a list of articles to be supplied by grocers was made out, not to be deviated from except by special order. This list was made up from those obtained from a number of cities and towns and comprises twenty-eight articles. The list is subject to revision at any time. The Board also gave no orders for shoes or fuel during the summer months expect on special occasion. These changes have apparently worked to advantage.

Twenty-two families containing fifty-one children have been on the regular list. Last year there were nineteen families containing fifty children. Sixteen families containing thirty-nine children have been on the occasional list. Last year there were eighteen families containing fifty children.

Thirteen persons, including sick, feeble minded, epileptic and dipsomaniac have been on the hospital list. Last year there were nine. Six burials have been made. Last year there were two.

Of the above this Town is reimbursed to the extent of one family on regular list, four families on occasional list, four persons on hospital list and four burials. One hundred thirty-two persons, not including reimbursements, have been partially or wholly supported all or part of the year. Last year there were one hundred and forty, not including insane.

Financial Statement.

Appropriation in March, 1904			$5,000 00

EXPENDITURES.

For aid to regular list		$3,612 99	
" " " occasional list	$354 46

Net cost	$7,111 24	$4,992 25

Note — Since Jan. 1, 1904, the State has assumed the care and expense of the insane.

POLICE DEPARTMENT.

In reporting on matters connected with this department the past year the Board desires to say that special attention has been given towards stopping the illegal sale of intoxicating liquors and wiping out gambling houses. At this writing the Town is probably freer from such violations of law than for many years. Let us hold what we have and add to the gains whenever occasion requires.

On October 22, the resignation of Alonzo S. Harriman, Chief of Police, was received and accepted, to take effect January 1, 1905.

Mr. Harriman was appointed Chief of Police April 23, 1894, and has served the Town in this capacity for ten years and eight months.

On the resignation of Chief Harriman a number of applications for the position were received by the Board and on November 21, Thomas O. D. Urquhart was appointed, services to begin January 1, 1905.

Mr. Urquhart has had ten years' experience as a police officer, most of it as Chief and comes highly recommended.

Police Signal System: — Attention is called to the recommendation of R. W. LeBaron, Inspector of Wires and Superintendent of Fire Alarms, as to the establishment of a Police Signal System.

The matter as yet has not received sufficient consideration on the part of the Board to recommend its installation at this time. Further attention will be given the matter however.

FIRE DEPARTMENT.

This department sustains its high standard of efficiency and for detail reference is made to the report of Chief Engineer Gott.

The Chief's recommendations relative to high service extensions, to additional beds for call men in Hose Houses No. 1, No. 2 and No. 3, and to the inspection of cellars as to rubbish and combustible material are approved.

Fire Alarm System. — This system has been still further perfected and is working satisfactorily. For detail, reference is made to the report of the Superintendent of Fire Alarms.

TOWN INSURANCE.

The new basis of Town Insurance installed last year, continues in force with improved modifications.

The revaluation of buildings and contents made by the Selectmen in July was as follows: —

Buildings, $400,000. Contents, $90,000.

The amount of insurance carried is 80 per cent of the value of the buildings, or $320,000, and 90 per cent of the value of the contents, or $81,000, making a total of $401,000 carried. This is $49,500 less than before modifications and revaluation were made.

The insurance is placed as follows: —

Name of Company.	Policy Number.	Amount.	Expires.
Boston Ins. Co	309318	$14,200	Jan. 1, 1905
Home Ins. Co..	351	5,000	Jan. 10, 1905
Ætna Ins. Co.	782	1,500	Jan. 14, 1905
The Svea F. & L. Ins. Co.	90812	5,000	July 26, 1905
Indemnity F. Ins. Co.	36650	5,000	July 26, 1905
Pennsylvania F. Ins. Co.	100021	12,500	Sept. 1, 1905
Hartford F. Ins. Co.	860	5,000	Sept. 1, 1905
Ætna Ins. Co.	845	5,000	Sept. 1, 1905
The Svea F. & L. Ins. Co.	90960	5,000	Oct. 14, 1905
Springfield F & M. Ins. Co.	2223	5,000	Oct. 20, 1905
Ins. Co. of North America	364813	5,000	Oct. 20, 1905
Providence Wash. Ins. Co.	1006	12,000	Nov. 1, 1905
The Svea F. & L. Ins. Co.	92068	5,000	Dec. 24, 1905
Western Assurance Co.	1735490	5,000	Jan. 8, 1906
Ætna Ins. Co.	896	700	Feb. 1, 1906
Continental Ins. Co.	206	5,000	Feb. 8, 1906
Sun Ins. Office	5963286	5,000	June 1, 1906
Citizens Insurance Co.	218819	25,000	June 1, 1906
Conneticut F. Ins. Co.	1956	48,500	May 1, 1906
Springfield F. & M. Ins. Co.	70857	11,000	July 1, 1906
German American Ins. Co.	30312	5,000	Oct. 2, 1906
Rochester German Ins. Co.	4992	22,850	Jan. 1, 1907
Fire Association	2733857	12,000	Jan. 1, 1907
Conneticut Fire Ins. Co.	36998	65,000	June 1, 1907
Ins. of North America	415753	800	Apr. 7, 1907
Royal Ins. Co.	10074707	28,000	Jan. 1, 1908
Commercial Union Assn. Co.	100150	14,000	Feb. 1, 1908
Spring Garden Ins. Co	5498	32,000	June 1, 1908
Springfield F. & M. Ins. Co.	2442	5,000	Apr. 9, 1909
Ætna Ins. Co.	1313	5,000	May 21, 1909
Union Ins. Co.	676053	3,500	June 10, 1909
Ætna Ins. Co. ..	1381	200	June 1, 1909
Hartford Ins. Co.	1052	4,000	July 3, 1909
Rochester German Ins. Co.	6010	18,250	Dec. 15, 1909
Total.		$401,000	

Boiler Insurance. — In addition to the above, the Town is carrying a casualty insurance on steam boilers in the school buildings, Town Hall, library, stone crusher, steam roller and steam drill, 17 boilers in all, the insurance being placed in Hartford Steam Boiler Inspection and Insurance Company, to the amount of $50,000 for three years, the same expiring January 29, 1907.

Liability Insurance. — The Town for a number of years carried more or less casualty insurance, especially in Sewer Department. It was deemed advisable, however, to discontinue this kind of insurance, so when the policy expired January 1, 1905, it was not renewed.

Question. — The question has arisen as to the advisability of discontinuing all insurance on Town property, thus following the example of the Town of Brookline and many other places. If the time has not yet arrived it is well to have the question in mind. The present insurance carried by the Town (not including boiler insurance) costs about $1,082 per year at present rates.

The losses by fire for the past twenty-five years have been comparatively small.

TOWN DEBT.

Fixed debt, Dec. 31, 1903, including $12,000.00 Suspense Account		$644,798 64
New debts created:		
Primary school loan . .	$17,000 00	
Russell school repairs loan	12,000 00	
Water loan 1892 . .	3,000 00	
Kensington road sewer loan	1,000 00	
		53,000 00
		$677,798 64
Debt paid during the year .		13,850 00
Fixed debt December 31, 1904		$663,948 64

This indebtedness is probably the largest in the history of the Town. It is of course unsatisfactory both in amount and condition.

Of the fixed debt, the payment of only $93,150 is provided for by annual proportionate payments, while the large sum of $569,798.64 is to be met through Sinking Fund, — a Sinking Fund that is not, and since it started in 1878 never has been, established in accordance with full requirements of the statutes.

It is unfortunate that so large a proportion of our debt was allowed to thus accumulate, for it places burdens where they do not properly belong. Creating debts without emphatic reminders of their existence, encourages expenditures that would not otherwise be made.

Easy borrowing begets easy expenditures and both pile up the debt. It would be well for the Town to adopt the policy of contracting no debts if possible, the payment of which is not provided for by annual proportionate payments. Such payments are excellent reminders of debt obligations. This policy is being adopted by towns, probably, because of healthy restraint to expenditures and borrowing.

TAX RATE.

The tax rate for 1903 was $21 on a thousand, the highest in the history of the Town and one of the highest in the State. The past year the rate was $18.70, or $2.30 less, as the conditions existing the previous year had partly disappeared. This rate should be still further reduced until it is more nearly normal.

This may be done :

1. By higher valuation of property to be made by the Assessors of the Town.

2. By smaller appropriations to be made by the voters of the Town.

As to the first, it hardly seems desirable to place undue valuations on property for the simple reason of lowering the tax rate. A fair valuation is all the Assessors can legally make.

Revision of the list however, either in whole or in part, should be made occasionally. Such revision we understand has already been inaugurated by the Assessors. If our expenditures did not increase the natural growth of the Town would contribute materially towards lower tax rates.

As to the second: — The appropriations for State, County and Metropolitan Taxes; for notes maturing; for interest; and for sinking fund, cannot be reduced, and more is likely to be required for 1905. The remaining appropriations therefore are the only available ones for reduction, and to reduce these may require radical action.

On the basis of the rate for 1904 a reduction of $10,000 in appropriations will reduce the tax rate about one dollar.

TOWN HALL.

During the past year the Town Hall has received the same use and management as formerly.

License. — The new law, namely, Chapter 450 of the Acts of 1904, requires a license from the Chief of the District Police for all public halls capable of seating four hundred persons, used for public gatherings.

Our hall comes under this law and in order to secure said license the conditions of the new statute must be complied with as to safety and this necessitates changes which are already under way.

Fire Escape and Repairs. — A fire escape for which $400 was appropriated at the November Town Meeting is about to be installed on the northwestern corner of the building, contracts to this effect having already been signed.

Town House Repairs. — At a special Town Meeting held May 26, 1904, $300 was appropriated for special Town Hall repairs. This money has been expended in placing new gutter and conductors on the outside of the building, repairing cornice and tinting in the Assembly Hall, reflooring and constructing drop-extension for the stage. There is a small balance on hand.

Town Clock. — Since March the care of the Town Clock has been in charge of the Superintendent of Fire Alarm.

The ringing of the bell has been discontinued except at nine o'clock P.M., the ringing at this hour being paid for by subscription. One blow of the whistle is sounded at noon.

The clock has been cleaned and otherwise repaired.

Cupola. — The cupola on Town Hall building is in bad condition and needs either removal or thorough repair, for which a special appropriation is recommended.

AUDITOR'S FINANCIAL STATEMENT.

Once a month the Selectmen receive from the Auditor a tabulated statement of the appropriations, receipts, expenditures and balances of the various departments and accounts as they appear on his books the first day of the month. It also gives the outstanding loans, collected and uncollected taxes, and the total receipts and disbursements of the Treasurer with cash on hand.

While the statement may not give the exact standing of departments because of outstanding bills, it gives the Board desirable information and enables them to judge something as to what is going on in said departments.

MISCELLANEOUS.

Appointments. — For appointments made by the Selectmen see the list of Town Officers, and for the detail work of these officials reference is made to their reports to the Board.

Bonds of Treasurer, Collector of Taxes and the Town Clerk. — Satisfactory bonds with sureties have been received from the above officials and approved by the Board.

These bonds are for $20,000, $10,000 and $1,500 respectively, the American Surety Co. of New York being surety for the Treasurer and Town Clerk and the United States Fidelity and Guaranty Co. being surety for the Collector of Taxes.

Ambulance and Patrol Wagon. — The gift by Edwin S. Farmer, agent, of a combination ambulance and patrol wagon, together with a harness to be used with the same, for the use of the Police Department, was accepted by the Town at the Annual Town Meeting March 7, 1904. The ambulance has been frequently used and is a valuable adjunct to Police Department. It is housed in Lyon's stable and is subject to call only through the Police Department.

New Stone Crusher. — Sixteen hundred dollars was appropriated by the Town November 9, 1903, for a new stone crusher, including foundation. Julian Scholl & Co. of New York were awarded the contract, by which a 10 x 18 inche Reliance Steel Stone Crusher was to be delivered on the foundation for $995. The new crusher is understood to be first-class and working satisfactorily. Very favorable terms were secured because the company desired to install one of their crushers in competition with others in a region where they were little known. The old crusher was sold for $100.

Aside from making the contract, the Board of Public Works has had charge of the matter.

The balance which was left from the appropriation for the new crusher was expended for necessary changes made in the building to accomodate the new crusher.

Coal Contracts. — The contract for furnishing coal to the several departments of the Town was awarded to Peirce & Winn Co. at the following prices : —

Outside Poor, — Stove coal to October 1, at $6.75 per ton.
After October 1, at $7.25 per ton.
Stone crusher, Russell school and Crosby school : —
Georges' Creek Cumberland at $4.35 per ton.
Robbins Library, — Honey Brook Lehigh, Egg, at $7.35 per ton or Hard Reading at $6.35.
For balance of order to various departments : —
Stove, egg and furnace at $6.35 per ton.
All coal to be delivered in bins.

Crosby School Fire Loss. — June 25 Crosby school building was struck by lightning. The adjustment of the loss was referred to Thomas R. Hughes, representing the insurance companies and Arthur L. Bacon, representing the Town. An award of $435 was made to the Town, which was passed over to the School Board to be expended in repairing damages.

Sixth Class Liquor Licenses. — Applications have been made to the Board by four of our druggists for Sixth Class licenses " to sell intoxicating liquors of any kind for medicinal, mechanical and chemical purposes only." These applications are to be published ten days according to law after which the Board acts.

Town House Site Buildings. — A contract for painting the Robbins House was awarded to John L. Berton for $75 and the same was carried out.

All the buildings on this site have been rented the entire year, except one stable which was vacant a few weeks. It will not be a great while before most of these buildings will have to be removed as they are much out of repair, lack in sanitary conditions and are not especially ornamental features of the Town.

The net income from rent the past year is about $900. The interest charge on the Town House Site Loan due in 1939 is $1,820 annually.

Resignations. — The following resignations were received during the year and accepted : —

That of Frank C. Allen, as Registrar of Voters, received January 16th, to take effect immediately. Franklin T. Anderson was appointed to fill the vacancy.

That of Samuel C. Kimball, as Superintendent of Streets, received January 16th, to take effect March 1st. John Roden was appointed to fill the vacancy for the month of March.

That of Alonzo S. Harriman, as Chief of Police, received October 22nd, to take effect January 1, 1905.

That of Charles H. Woods, as patrolman, received January 16th, Thomas F. Priest was appointed May 14th, to fill the vacancy.

State Aid. — Dec. 31, 1903, thirty-one persons were receiving State Aid. Five have been added to the list during the year, and one has moved away, making the number Dec. 31, 1904, thirty-five.

Soldiers Relief. — Soldiers Relief was rendered in one instance, but discontinued on the receipt of State Aid.

STATEMENTS.

Total borrowings in anticipation of taxes of year 1904 aggregate $93,000. Of this $33,000 is still outstanding.

Last year the aggregate borrowing in anticipation of taxes was $103,083.36, and the amount outstanding December 31, 1903, was $53,083.36. The amount, December 31, 1904, of uncollected taxes levied for 1904 is $47,656.43. Last year the uncollected taxes amounted to $54,965.22. From the above it appears that the Treasurer has borrowed considerably less in 1904 than in the year 1903, and that the Collector of Taxes has collected better than in any year previous.

The State and County Taxes for 1904 aggregate $17,756, which is $663 more than the year previous.

The Metropolitan Park, Sewer and Water Taxes aggregate $26,628, which is $2,592 more than a year ago.

The Assessors valuation of Real and Personal Property May 1, 1904, was $9,885,975, which is $65,256 more than year previous.

The Tax Rate the past year was $18.70 on $1,000, or $2.30 less than the year previous.

The borrowing capacity of the Town December 31, 1904, (as indicated by the Auditor) is $57,630.61, which is $8,426.92 less than a year ago.

LICENSES.

Licenses were granted as follows :—

Victuallers. — Charles H. Kimball, 1381 Massachusetts avenue; James Hutchinson, 55 Teel street; Charles F. Ford & Co., 1111½ Massachusetts avenue; A. C. LaBrecque, 606 Massachusetts avenue; Miss E. M. Hoan, 1399 Massachusetts avenue; Thomas Doherty, 608 Massachusetts avenue; Walter Hudson, 1369 Massachusetts avenue.

Innholders. — James Donahue, 445 Massachusetts avenue.

Junk. — Max Rosenfeldt, 78 South street, Somerville; Morris Backer, 4 Lake street, Somerville.

Billiards and Pool Table. — T. M. Canniff, 943 Massachusetts avenue; Christopher J. Purce, 466 Massachusetts avenue; Joseph A. LeGender, 1366 Massachusetts avenue; Joseph Ronco, P. O. Building, Massachusetts avenue; Robert Watson and C. S. Hunt, Massachusetts avenue.

Auctioneers. — James H. Shedd, 28 Draper avenue; George D. Moore, 133 Broadway; Harvey S. Bacon, 123 Hibbard street; F. A. Patterson, 28 Hillside avenue; J. Prescott Gage, 23 Oakland avenue; Frank V. Noyes, 244 Pleasant street.

Warren W. Rawson,

COURT RECORD.

Number of days in attendance at Third District Court	149
Number of persons paying fines	54
Committed for non-payment of fines	18
Discharged	9
Placed on file	15
Default	1
Probation	4
Insane	2
To Grand Jury	2
Turned over to other officers	5
To the House of Correction	3
To the Chelmsford Truant School	3
Appealed	5
Continued	9
State Farm	1
Total	131

CONCLUSION.

In concluding this report, I wish to thank your Board and all others that have assisted me in the performance of my duties.

Respectfully submitted,

ALONZO S. HARRIMAN,
Chief of Police.

ANNUAL REPORT OF THE CHIEF ENGINEER OF THE FIRE DEPARTMENT.

To the Honorable Board of Selectmen of the Town of Arlington: —

GENTLEMEN: — I herewith submit my twenty-sixth annual report of the Fire Department for the year ending December 31, 1904. Also some suggestions and recommendations which I hope will receive due consideration.

FIRES AND ALARMS.

The department has answered 71 alarms for the year, this being a larger number than heretofore. I find in looking over past records that fires have increased 50 per cent. in the past ten years. The fires were as follows: —

January 1. Box 48, 5.15 P. M.

197 Forest street, G. H. Johnson. No loss.

January 4. Box 52, 7.18 A. M.

69 Crescent Hill avenue, A. M. Davidson. Value on building, $1,600; insurance, $1,400; loss, $1,200. Value of contents, $1,000; insurance, $800; loss, $400.

January 4. Box 36, 6 51 P. M.

Massachusetts avenue, corner Water street, A. Dauris. Value building- $800; insurance, $500; loss, $40. Value contents, $400; insurance, $400; loss, $238.

January 4. Box 512, 10.21 P.M.

Massachusetts avenue, Heights, Boston Elevated R. R. Co Value building, $30,000; insurance, $25,000; loss, $1,000. Value contents, $64,000; insurance, $64,000; loss, $510. Box 512, 10.24 P M., second alarm.

January 5. Box 46, 12.26 A. M.

Brattle place, Patrick Kelley. Value building, $2,500; insurance, $2,300; loss, $1,483. Value contents, $1,700; insurance, $1,100; loss, $900.

January 6. Box 36, 1.56 A. M.

Depot, B. & M. R. R. Value building, $5,000; insurance, $3,500; loss $787.10. Value contents, 0; insurance, 0; loss, 0.

January 6. Box 39, 9 52 A.M.

800 Massachusetts avenue, P.B. & J. P. Fiske. Value buildings, $6,000, insurance, $5,000; loss, $700. Value contents, $1,200; insurance, $800; loss, $450.

January 11. Box 16, 4.35 P. M.

Foot of Linwood street, Cambridge Ice Co. No loss.

February 6. Box 4, 4.57 P.M.

Bartlett avenue, W. H. Brine. No loss.

February 10. Box 41, 1 25 P. M.

837 Massachusetts avenue, Richard Tyner Value building, $2,000; insurance, $1,300; loss, $778. Value contents, $1,000, insurance, $700; loss, $225.

February 12. Box 14, 4.30 P.M.

Thorndike street. Rosaris Larivee. Value of building, $1,900, insurance, $1,500; loss, $1,088.35. Value contents, $300; no insurance; loss, $200.

February 13. (Still alarm), 10.15 A. M.

284 Broadway, J. H. Merrifield. No loss.

February 20. Box 24, 8.21 A. M.

11 Beacon street, R. A. Welch. Value of buildings, $1,500, insurance, $1,000; loss, $25. Value contents, $500; insurance $300; no loss.

March 29. Box 52, 1.56 P. M.

Westmoreland avenue. Grass.

March 29. (Still alarm), 2.30 P. M.

Robbins road. Grass.

March 30. (Still alarm), 1.55 P. M.

Mt. Vernon street. Grass.

March 31. Box 46, 1.18 P. M.

Brattle lane. Grass.

April 6. Box 56, 10.24 A. M.

Massachusetts avenue, W. T. Wood & Co. Value building, $6,073; insurance, blanket; loss, total. Value contents, $19,180.41; insurance, blanket; loss, $7,284.17. Second alarm 3.19 A. M.

Hose 1 is composed of seven men and a driver and has answered 18 bell alarms and two still alarms. They have laid 2,900 feet of hose, and have used 23 poney chemicals.

Hose 2 is composed of 11 men and a driver. They have answered 47 bell and 11 still alarms. Have laid 9,500 feet of hose, and used 23 poney chemicals.

Hose 3 is composed of 11 men and a driver, and have answered 36 bell and nine still alarms. They have laid 10,900 feet of hose on bell alarms, and 800 feet on still alarms.

Chemical is composed of three men and a driver, and have answered 48 bell and 10 still alarms. They have used 19 tanks of chemical and have covered 96 miles.

Hook and Ladder Truck is composed of nine men and a driver, and have travelled 101 miles, used 1,660 feet of ladders and has been called out 71 times.

Hose 4 is composed of 12 men and have answered 15 bell alarms and still alarms. They have used 3,450 feet of hose.

Membership. — The membership of the department consists of 41 call members who are paid $50 per year, and 12 members of Hose 4 who are paid $35 per year. Six permanent drivers who are paid $14 per week, one spare driver who is paid $12 per week, one chief engineer and two assistants, the salaries for the same being $525.

Apparatus. — The apparatus has had no repairs during the past year with the exception of the general wear and tear.

Horses. — It was our misfortune on July 4th to lose one of the pair of Hose 3 horses in responding to an alarm of fire. It was thought advisable to change its mate to Hose 1, and purchase a pair for Hose 3. We have now in the department ten horses, one of which has been in the department a great many years, and is good as long as he lasts, but no dependence can be placed on him on account of his age. The pair of horses in the chemical will have to be changed in the near future. The horses have consumed 1,105 bushels of grain, 4,425 pounds straw, and 49,580 pounds hay, making a total of $1,076.

The coal for the department has cost $292.75.

Fire Alarm. — The fire alarm in the hands of the superintendent has given us good satisfaction. The detail of the same will be found in his report.

Relief Association. — The association is in good financial condition, although each year there is more expense for sickness. We have lost no member by death during the past year. Through the generosity of one of the sufferers by fire, a generous check was placed to the credit of the association. The association has paid out $310 for sick benefits the past year.

Hose. — We have at present 7,800 feet of hose, some of which was purchased this year.

Suggestions. — I would renew my suggestion that the high water service be extended down Massachusetts avenue, down Medford street, and on Pleasant street, for better fire protection. I also suggest that the upper room in Hose 3 house be divided into bed rooms for sleeping purposes for the call men. Also, beds be placed in Hose 1 and 2 houses for the same purpose. We find it of great advantage, by having men sleeping in these houses at night. Also, that the department should pay for the laundering of the bed clothes. I would suggest that the citizens living in the vicinity of the several engine houses would make themselves acquainted with the workings of the department. Very few people in Town know that we have in Hose 3 house (central fire station) a combination box, which will ring out the number of any signal box in Town, if proper telephone connection is made to this station. I also suggest that the manager of the telephone company give a little more attention to the fire signals. I further suggest, that some person of authority be appointed by your board to look into the cellars of our stores, and keep them free from rubbish and combustible material.

Recommendation. — I would recommend that the sum of $10,000 be appropriated to meet the expenses of the department the coming year.

Conclusion. — In closing, I desire to express my thanks to your Board for the kindly help and assistance given me in the performance of my duties. My assistants also, receive my thanks for favors and the able manner with which they have cheerfully performed their duty. To the Captains, permanent men, and members, I also express my sincere thanks for the promptness and efficient manner in which they have discharged their duties, and for the deep interest they have shown in all matters pertaining to the fire department.

Respectfully submitted,

Charles Gott,
Chief of Fire Department.

REPORT OF INSPECTOR OF BUILDINGS

For the Year Ending December 31, 1904.

Arlington, December 31, 1904.

To the Honorable Board of Selectmen: —

Gentlemen: — I herewith submit the report of the Inspector of Buildings for the year 1904. Since the death of Mr. L. C. Tyler in September I have acted as Deputy Inspector.

There have been issued during the year fifty-one permits, as follows: —

For New Buildings.

Dwellings	19
Factories	1
Schoolhouse	1
Stables	3
Storage	1
Greenhouse	1
Temporary	2
Total	28

For Alterations, Extensions and Repairs.

Dwellings	13
Factories	3
Stores	3
Stables	4
Total	23

	1902	1903	1904
Estimated cost of new buildings	$151,175	$140,700	$88,500
" " " alterations, extensions and repairs	14,625	10,600	24,000
Total . . .	$165,800	$151,300	$112,500

Two hundred and ten inspections were made during the year of buildings in process of construction, alteration or repair, including visits to structures reported uusafe or not in conformity to the building laws.

Street numbers were assigned to all buildings where missing, and owners or occupants notified in accordance therewith.

I would respectfully recommend that immediate steps be taken to repair the cupola upon the Town Hall Building. The building was built in 1852, and although the cupola is located in such an exposed position there have been no extensive repairs for several years.

The woodwork is badly decayed in places so that the whole structure should be thoroughly inspected and renewed where necessary, and painted, both for purposes of preservation and for safety to the building and surroundings.

Respectfully submitted,

ROBERT W. POND,
Deputy Inspector of Buildings.

REPORT OF THE TOWN PHYSICIAN.

To the Honorable Board of Selectmen: —

GENTLEMEN: — I herewith respectfully submit the following report of the work done in this department for the year ending December 31, 1904.

Number of visits made,	326
Office visits,	212
Number of emergency calls to Police Station,	106
Number of public vaccinations,	34

There has been about the usual amount of sickness among the Town's poor during the year. At the Almshouse the usual number of visits were made to inmates suffering mostly from diseases of a chronic nature.

More emergency calls have been received and patients cared for at the Police Station than in any previous year, demonstrating the usefulness of the emergency outfit and the excellent services of the Police Ambulance.

Respectfully submitted,

CHARLES A. KEEGAN,
Town Physician.

REPORT OF INSPECTOR OF PROVISIONS AND SLAUGHTERING.

To the Honorable Board of Selectmen: —

GENTLEMEN: — I have the honor to submit to you the following report for the year of 1904.

I have not had any complaints or found anything but good quality of provisions for sale in Town this year.

No licenses have been granted to anyone to slaughter in Town this year.

Respectfully submitted,

FRANK P. WINN,

Inspector.

Arlington, December 31, 1904.

REPORT OF INSPECTOR OF MILK.

To the Honorable Board of Selectmen: —

GENTLEMEN: — I submit the following report as Inspector of Milk.

I have issued forty-nine milk and cream licenses for the year, and taken in fees $24.50. This amount has been paid to the Town Treasurer, and have his receipts for the same. I have taken thirty samples of milk at different times which I have tested and in all cases they have been up to the required standard.

Respectfully submitted,

FRANK P. WINN,

Inspector.

Arlington, December 31, 1904.

REPORT OF THE SEALER OF WEIGHTS AND MEASURES.

To the Honorable Board of Selectmen: —

GENTLEMEN: — I have the honor to submit to you the following report for the year ending December 31, 1904.

I have inspected, tested and sealed seventy pair of scales, 232 dry, liquid and counter measures; which with a few exceptions were found to be correct. The incorrect ones were adjusted and made to register properly.

Whole number of scales tested . . .	70
" " " measures, wet and dry .	96
" " " weights	136
" " " milk jars . . .	14,164
" " " " " " condensed . .	101

Respectfully submitted,

ELLIOT A. GOVE,
Sealer of Weights and Measures.

December 31, 1904.

REPORT OF THE INSPECTOR OF ANIMALS.

To the Honorable Board of Selectmen of the Town of Arlington: —

Gentlemen: — I have the honor to submit my annual report as Inspector of Animals for the year ending December 31, 1904.

During the year there have been ten (10) horses found to be diseased with glanders, three (3) of them were owned outside of the Town.

In making my regular fall inspection, I have inspected two hundred and thirty-six (236) cows, and eight hundred and seventy (870) hogs, for tuberculosis and other contagious diseases. The owners were in all cases given the regular certificate of inspection. I also inspected at this time eighty-five (85) stables, wherein these animals were stabled, and reports were in each case made out and sent to the State Bureau.

In all cases where contagious diseases have been found disinfecting has been done by the State Bureau.

Respectfully submitted,

Laurence L. Peirce, M. D. V.
Inspector of Animals.

December 31, 1904.

REPORT OF PARK COMMISSIONERS.

During the past year the Park Commissioners have met regularly once a month, their principal work being the care and maintenance of Menotomy Rocks Park and the triangles on Medford Street; and the suppression of the Gypsy Moth at Menotomy Rocks Park.

The custom of having a care-taker at this Park has been continued during the current year, until the snow came and he has demonstrated the need of having a man at this place on several occasions.

The use of this Park by the citizens as a picnic ground is increasing every year, and on Sundays there have been as many as 500 there during the day.

There have been removed from the Park some thirty or forty trees, mostly willows in the low places, which have furnished breeding places for the Gypsy Moth pest. Much of the underbrush has also been removed and an endeavor will be made to have a strip of trees cut all around the border, either on the Town's land or land of abutting owners, so as to isolate the Park trees from the surrounding woods. It is proposed to burn the leaves the following spring in the endeavor to destroy the Gypsy Moth.

The walks were repaired on several occasions this year, but are repeatedly washed out by heavy rains. The care-taker was instructed early in the year to prohibit all running of horses on the walks on account of the danger to pedestrians and destroying of the walks.

Work was continued by H. L. Frost & Co. in destroying the Gypsy Moth until July 30, 1904, when they concluded to for-

feit their contract made with the Board in 1903 because they found the woods so badly infested that it was impossible to live up to their agreement, which was to prevent the trees from being defoliated in 1904.

About Nov. 1 the Board concluded to do what it could in destroying the Moth eggs with the appropriation on hand and have had its care-taker and five men at work on same until the first of the year.

As a matter of sentiment the Board believes all that is possible should be done to save the trees of the Park, a strip of trees fifty feet wide should be cut all around the boundary where there are woods on the outside of the line. All walls and loose stones should be removed, as they furnish shelters for the Moths to lay their eggs. It is hoped that the Gypsy Moth Committee appointed by the Town in November will see fit to expend a sufficient amount of money to take care of the pest for the ensuing year.

At Meadow Brook Park we think the Gypsy Moth can be cared for at a small expense but the Brown-Tail Moth has made greater inroads and the expense will be somewhat larger. These pests are a great menace to our trees and they can be kept in check only by the concerted action of both the Town and the citizens.

The grass has been taken care of on Russell Park and the triangles on Medford street, but owing to the reduction of the appropriation from last year, nothing has been done to care for Park Circle at the Heights, or Meadow Brook Park, for the same reason nothing has been expended on Reservoir Park.

THOMAS HOGAN,
CHAS. H. CARTER,
CHAS. H. GANNETT.
Park Commissioners.

REPORT OF THE BUILDING COMMITTEE OF THE WILLIAM E. PARMENTER SCHOOL.

To the Town of Arlington: —

Your committee appointed April 7, 1904, to have charge of the completion of the erection of the primary school building at the corner of Irving and Academy streets has completed its duties, with the exception of approving the final payment for the heating and ventilating apparatus.

The building was nearly completed early in the fall of 1904 and was occupied by the schools about two weeks after the beginning of the fall term.

At the time this committee was appointed, contracts had been made for all the work except heating, ventilating and lighting; the foundation of the building was practically completed and the frame nearly erected, so that except for some slight changes made in a few details it was impossible for the committee to do otherwise than carry to completion the work which had been started, although it was the unanimous opinion of the committee that the building was very much larger than was required or advisable for a four-room primary school building.

A building containing more space than is required to properly accommodate the pupils not only costs more for construction but the annual expense for heating and maintenance is greater. In the Parmenter school, which was designed for primary pupils the rooms are of the largest size required for grammar schools and the area of store rooms and corridors is sufficient for a building substantially twice its size.

The appropriations are as follows : —

For securing plans, etc.	$300 00
For erecting building and grading lot	18,000,00
	$18,300 00

The cost is as follows : —

Services of expert on plans	$25 00
Building foundations	790 00
General building contract	13,081 00
Heating and ventilating	1,541 50
Electric wiring	111 00
Window shades	62 40
Architects fees	779 50
Insurance	55 00
Grading lot	707 00
Concrete walks	202 00
Children's desks and seats	577 00
Other furniture, including kindergarten chairs and desks	235 03
Clocks	50 00
Engineering and incidentals	81 72
	$18,298 15

In closing we desire to call the attention of the Town to the fact that while the School Committee has voted to name the building the "William E. Parmenter School," the Town itself has taken no action in the matter, and we respectfully recommend that the action of the School Committee in naming the building be ratified by a vote of the Town.

Respectfully,

HENRY HORNBLOWER,
FRANK W. HODGDON,
JOHN H. HARDY.

Arlington, Jan. 23, 1905.

REPORT OF THE COMMITTEE ON RUSSELL SCHOOL REPAIRS.

The work was commenced as soon in June as the school closed.

There were eight contractors who had the work in charge under the supervision of the Committee. Mr. James A. Harding, Heating Engineer took charge of the heating and ventilating and the contract was given to A. Duncan & Co. of Boston. The mason work was done by A. L. Bacon, carpenter work by O. B. Marston, painting by J. W. Harrington, plumbing by A. H. Knowles, and concrete by George H. Lowe, all of this Town. The work was done in a very satisfactory manner by all the parties and was completed in time allotted which was ten weeks.

There was a large addition made to the storage capacity in the basement for the storage of coal. One new boiler was added to the heating plant. The Direct Indirect heating arrangement was equal in capacity to the old method as was also the ventilation supplied by this system.

The building had all new floors laid except three which were put down the previous year. The desks of the old pattern were sold and new ones (about 200) put in their places. All the teachers' desks except two were exchanged for new ones.

The walls and ceilings were all newly tinted and all the woodwork was either painted or varnished throughout the building, inside and out. There were two teachers' rooms added with closets and furniture. The old blinds were taken off and curtains put in their place. A storage room for books and other articles used in the school rooms was made in the basement. The blackboards were nearly all renewed with slate.

The partitions between the dressing rooms were taken out and the rooms made much larger and more light and air

admitted to them. This was done by order of the School Committee and we were allowed the sum of $400 for such changes, provided, we had no appropriation to do the work. The School Committee was charged for the carpenter work only $233.33 and the mason and iron work was paid for by this Committee amounting to about $125.

The windows in the gables, eight in number, were found decayed and we put in new ones. The water from the roof which formerly ran on the surface of the concrete was taken under ground into blind wells. Parts of conductors were renewed, and the fences in the yard were repainted. The vane rod was reset and stayed. All the return pipes of the old system to the boilers were made new and laid in a trench covered with flat stone so that they will be easy of access in making repairs in tne future.

The ventilating of the sanitary was made double the capacity of the old system. The stone steps were reset and two new granolithic steps at the basement doors put in The pipes of the old system were all newly covered at an expense of ninety dollars.

Two stairs were supplied with new treads and the speaking tubes were changed to new locations, also some of the electric lights. Picture moulding was supplied in all the rooms and halls.

We were fortunate in securing the services of Mr. N. E. Whittier, the janitor of the building, who is a practical mechanic and was there all the time and worked for the committee.

We were allowed the appropriation of $12,500.00, plus $233.33, and we have expended the sum of $12,731.62

Respectfully submitted,

WARREN W. RAWSON,
EDWIN PRESCOTT,
JOHN T. WHITE,
Committee.

REPORT OF THE TREE WARDEN

For the Year Ending Dec. 31, 1904.

Arlington, December 31, 1904.

I have the honor herewith to submit my second Annual Report as Tree Warden for the year 1904.

The chief problem always before the Tree Warden is, how to protect our shade trees from the hosts of destructive insects by which this section of the State is particularly invaded. This problem becomes more serious each year, in spite of all that the Town is able to do. The plague of the Gypsy Moth and the Brown-Tail Moth is one to be seriously considered, in fact it is a peril. If these insects are allowed to run their course unchecked on public and private property, the effect will surely be apparent in a heavy shrinkage in real estate values.

The time for action in this matter has arrived, public sentiment is aroused and the subject will be carried to the Legislature this winter.

The greatest part of the work done during the past year has been in removing the Gypsy and Brown-Tail Moths. An appropriation of five hundred hundred dollars was insufficient to do this work so the Board of Selectmen, acting with the Board of Public Works, realizing the importance of the work, authorized the expenditure of one hundred dollars additional.

The Brown-Tail and Gypsy Moths are increasing on private grounds and some action should be taken by the Town to compel property owners to exterminate them or they will have cause to regret the neglect of such action.

The Gypsy Moths have increased in an alarming manner in

the Town during the past year. That the spread of this insect with the attendant damage has been steady since the Commonwealth ceased its work of suppresion in 1900, and this in spite of the constant vigilance of the Tree Warden and the yearly expenditure of considerable sums of money by the Town and by many of the citizens acting individually.

It is useless for a portion of a community or for one or two municipalities to fight the pests unless their neighbors are obliged to bear their share of the responsibility.

Through the exertions of this department, the Arlington Heights Tree Protective Association, the Woman's Club, the East End Improvement Society and the Park Commissioners, an appropriation of six thousand ($6,000) dollars was voted for this work at the November Town Meeting and this Committee is now prosecuting the work to the best possible advantage to the Town. Numerous meetings have been held and various means advanced as to the method of extermination or suppression of the pests.

An urgent request is extended to all property holders and tenants to give their aid in this undertaking, believing that it is only by united action and an effort on the part of all citizens that the very best results can be obtained.

Tree Planting. This part of the Tree Warden's duty has to a great extent been neglected on account of the insect pests and owing to the fact that no appropriation has been made for this purpose.

A small appropriation each year should be set aside and where a tree has passed its usefulness, as a shade or ornamental tree, it should be taken up and a new tree replaced.

I would recommend that the sum of two hundred ($200) dollars be set aside for this purpose.

Trimming of Trees. I again call your attention to this part of the work concerning the welfare of the trees. A small

appropriation should be made at once covering the care of some of the older and larger trees of the Town.

Trees That Should Be Removed. There are many trees on our highways that have attained their full growth and are now crowding the younger trees and preventing a full growth. These trees should be removed in order that the beauty and uniformity of our trees may be preserved.

I would suggest that the Board of Public Works work in conjunction with this department in respect to gaining this result. I would also recommend that an appropriation for this purpose be made at the March Meeting.

Conclusion. In concluding this report, I wish to extend thanks to the several departments of the Town for their many courtesies extended to me.

For receipts and disbursements see Auditor's report.

Respectfully submitted,

A. Foster Brooks,
Tree Warden.

THE ELBRIDGE FARMER FUND.

The Trustees of the Elbridge Farmer Fund herewith submit their thirteenth annual report for the year ending December 31, 1904.

RECEIVED.

Arlington Water Loan, 4's, 12 months' interest on $12,000	$480 00

W. W. Rawson & Co., flowers and plants for Decoration Day,	13 50	
		85 50
Amount of this Fund, Dec. 31, 1904,		$3,039 75

ARLINGTON, December 31, 1904.

I hereby certify that I have examined the accounts of the Cemetery Department and find the same correct, agreeing with the Auditor's books.

The funds invested have been examined and found as represented.

(Signed)

ELBERT L. CHURCHILL,
Auditor.

The past year we have completed the receiving vault, the total expense has come within our estimate of $2,500; there remain unpaid bills on this work amounting to $245, as we felt it necessary on two contracts to keep back a portion until we were satisfied that the work was right beyond a question.

The expenditure so far, amounts to $2,242.

We should lay out and grade another portion, say plots R and S, so that we can meet the demands for small lots, as this section has been reserved for four and six grave lots

The Committee of Twenty-one recommended an appropriation of $2,600 and the Town, at the annual Town Meeting, so voted, through a misunderstanding. It was more than we needed, so there is a balance of $1,852 to our credit, $245 of which should be re-appropriated for our unpaid bills on the receiving vault, and the balance can be used at the discretion of the Town.

DATA ON CONSTRUCTION OF THE NEW RECEIVING VAULT, MT. PLEASANT CEMETERY.

Work was begun in October, 1903.

Dimensions of the tomb (inside) 16 x 24 ft., and 9½ ft. at centre of dome. Walls built of 16 in. thick, blue stone and ledge stone laid in Portland cement mortar and plastered on the inside with Portland cement, sand finish.

Portland cement arch, waterproof with asphalt and cold tar forming roof of tomb.

Granite facing walls of light Barre stone, laid as rock face ashlur with hammered coping, ceiling stone and cap stone of same granite. Inside floor of tomb, artificial stone, also approach from driveway of same material.

Doors: — Of standard bronze plate hung on wrought iron frames 7 ft. high by 6 ft. 5 in. wide, supplied by Murdock Corporation, of Boston. Copper ventilator and light shaft furnished by Badger & Son, of Boston. Excavation and grading by the Cemetery Department.

Walls built under the contract of William H. Bradeen, of Arlington.

Concrete arch, artificial stone flooring and plastering of walls of tomb and vestibule, laid by J. E. Herrick, Jr., of Woburn, Mass.

Finish of inside of arch by Aberthaw Construction Co., of Boston.

Granite facing walls by George R. Dugad & Co., of South Boston.

Artificial stone walk by George H. Lowe, of Arlington.

Wooden frames for laying concrete made by William Gratto, of Arlington.

The total cost of the work has been $2,487.

We shall not need any appropriation this year. Our receipts will be enough to pay expenses unless we should decide to grade another portion, when the principal part of the expense will be for the park filling and we might need a small amount for the purchase of loam and macadamizing. Also, we may decide to make the water connection in the new part, which will require about $600.

We are of the opinion that the best interest of the Town would be the purchase of additional lands adjoining Mount Pleasant Cemetery, which seems to have been left for this special purpose, and as it is now almost entirely unoccupied, we recommend the purchase or taking of about twelve acres, as we believe that in a few years this land will be developed for building purposes and that will make it very expensive. We shall need it in at least twenty years, and under the circumstances, it does seem a wise thing to do.

For report of conditions of the several funds, and receipts and disbursements of cemeteries, see schedule above.

Warren A. Peirce,
George G. Allen,
J. Edwin Kimball.

REPORT OF THE TRUSTEES OF THE ROBBINS LIBRARY.

To the Town of Arlington: —

The Trustees of the Robbins Library submit their annual report.

We wish to draw attention to the improved appearance of the Library grounds owing to grading of the lawn, which throws the water away from the building instead of towards it as heretofore. We are glad to report a material increase in the number of books taken, 44,434 for 1904 as against 42,735 for 1903. At the Library at the Centre, 2,552 more volumes were taken than last year.

The children's room has been better patronized than ever, though the number of books taken has fallen off. The children find many attractions in this part of the Library as their 4,598 visits to it testify.

The use of the reading rooms also shows a gain both on week-days and Sundays, the average for week days being 59 this year as against 52 last year, and 47 against 43 for Sunday attendance.

The Library has been greatly crippled during the past year by a loss of $600 in its income, most of which was due to a cut in the appropriation. As the last bills to be paid are for the purchase of books it will be easily seen how unable the Trustees are to meet the wants of the town when only $250 are left for this purpose, — as was the case this year. Fixed charges, such as services, heating, lighting and repairs, must be met first. Then come subscriptions and binding, with various supplies, printing, express, etc., and finally the purchase of books.

We regret to say that fewer books were bought this year for the use of the whole town than many persons have added to their own libraries. Quite a number of books bought late in 1903 were not catalogued until some months had passed, otherwise the scarcity of new books would have been even more seriously felt.

We have continued to give exhibitions of photographs, etc., in addition to those hitherto reported.

January.

Arlington, December 31, 1904.

REPORT OF THE SCHOOL COMMITTEE.

December 31, 1904.

To the Town of Arlington : —

Your Committee deemed it wise, as suggested in their last annual report, to relieve Mr. Sutcliffe from all duties other than those appertaining directly to the Superintendency, and will be gratified if their action in this respect results in an increased efficiency in the general conduct of the schools of Arlington. It is of great importance to have uniform methods pursued in the different grammar schools that all scholars may reach the ninth grade well fitted to pursue the studies taught in the High School building.

At the annual meeting of the Board, Mr. Walter A. Robinson was elected Secretary of the Committee.

Miss Jennie S. Westcott was engaged as Principal of the Russell School and assumed her duties at the opening of the fall term.

The liberal appropriations made by the Town for the erection of the William E. Parmenter School and the renovation of the Russell School building enabled the special committees, having these important projects in charge, to furnish the School Committee with increased and improved accommodations which were greatly needed.

Three of the four rooms in the new building are in use, ninety-seven scholars being enrolled. By the generous action of Judge James P. Parmenter a portrait of our distinguished townsman, for whom the school was named, hangs in the main corridor of the William E. Parmenter building.

The thoughtful suggestion of a member of the Committee has resulted, through the courtesy of the Trustees of the Pratt Fund, in the placing of a portrait of Mr. Pratt in Cotting Hall in the High School building.

H. G. PORTER,
Chairman.

REPORT OF THE SUPERINTENDENT OF SCHOOLS.

To the School Committee of Arlington : —

Ladies and Gentlemen : — For a period extending over nearly ten years there has been no report of the Superindendent of Schools; such matters as are usually found there being contained in the Committee's report to the Town.

During this period there have been many changes in the corps of teachers, the extention of certain lines of work, and the erection of substantial and handsome buildings to replace those no longer adequate for the purpose. The most recent addition being the Parmenter School, which is affording safe and pleasing school privileges near the pupils homes as well as giving that needed relief to the Russell School for which the Committee have so long been asking.

At the close of the year 1895, during the fall term of which the ninth grades were in the High School building, the number of pupils in the respective schools was as follows : —

	1895	1896	1897	1898	1899	1900	1901	1902	1903	1904
High School Bldg	181	171	191	207	223	208	232	242	252	250
Russell.....	*433	420	431	440	490	518	542	591	561	5'9
Crosby	112	203	243	260	280	254	283	310	329	204
Cutter.....	162	169	190	193	193	206	230	241	314	281
Locke	147	185	185	198	210	252	295	327	333	319
	1035	1148	1240	1298	1396	1438	1582	1711	1789	1633

These figures indicate the number of pupils who were actually members of the schools at the close of the year. Owing to the change in the State laws, the school year being

*This number included the Kindergarten.

contained within the months of September and June, the pupils belonging to the schools show a decrease in the years 1903 and 1904. There has been no real decrease owing to the fact that the number belonging at the close of June has been reduced by the withdrawal of pupils on account of absence from town, loss of membership because of sickness and a variety of other reasons which do not give the total number of pupils enrolled. On the contrary there has been a steady, though not phenomenal, growth in the number of pupils attending during the past ten years. In the total number the increase has been sixty per cent, but in the Locke School district during the same time, the increase has been over one hundred per cent. During this time, it is fair to say, that a modern eight room building has taken the place of one of only half its capactiy, but the increase has been steady and not fluctuating. The number of pupils entering each September has constantly tested the accommodation provided and a delay of only a short time would interrupt the present plan of grading in that school, which has been so satisfactory. I, therefore, recommend the attention of the Committee to that condition. If we consider that a school of two hundred pupils is a large school, a slight examination of the table will show that the Crosby, Cutter and Locke Schools are far beyond that point. With the responsibility of fitting the eight grade pupils, the multiplicity of duties that devolve upon the principals, I believe it is in the interests of those schools that they be granted an assistant and that the improved results will warrant the expense. I, therefore, ask you to give attention to this point. In speaking of those subjects immediately in the charge of a specialist, I desire to confine myself to two, viz: the sewing and manual training. Sewing has been taught in the schools now quite ten years and was originally planned for a four years' course. This, beginning in the fifth grade, has now been ex-

tended to a five years' course, with double the time given to classes in the ninth grade. The course has entirely changed, due to the increased knowledge on the teacher's part of what the pupil could accomplish and the increased facility on the part of the pupil. With this broadening of the course has come an increased number of grades for the special teacher to visit, and because of it the teaching time has been extended from three days to twenty-four and one-quarter hours of actual teaching in four days' time. As bearing upon the question of full time to the sewing teacher, it is well to take into consideration the hours which certain classes must attend the manual training school. Four classes, from the Russell School now go at eight o'clock in the morning and as far as possible, in order not to conflict with the time of other special teachers, two classes in sewing report at the same time.

By giving full time to both the sewing and manual training teachers an arrangement could be made that would avoid this, to me, undesirable condition. What has been said concerning the development of the course in sewing is equally true of the manual training. The number of pupils has a little more than doubled while the instructor's time has not been kept in the same ratio. This difference has been obviated to some extent by changing from individual to class instruction. I look forward, however, to the time when the population and the wealth of the Town will warrant a manual training school, with a strong technical, business, mathematical and modern language course, provided for in a home of its own. One suggestion for the improvement of the manual training work is that the mechanical drawing of the boys in the fifth and sixth grade be carefully revised, especially with reference to the working models of the manual training school.

The intimate relationship existing between the library and the schools has been a blessing. The plan in operation, which

enables teachers to select from the shelves of the library ten or twenty volumes at a time and retain them for two months, enables the teachers to direct the reading of the pupils. Doubtless a well stocked school library would reach the homes of more pupils, but the initial cost would be large and the benefits as now derived are great.

I wish now to speak of two subjects connected with the fundamental work of school life. While this part is the most essential, the discussion of it in detail lies within the scope of the Committee rather than in a general report:

No. 1. During the first three years of school life, the pupil has aquired the ability to recognize words and pronounce them, unassisted by the teacher. This system of teaching reading, in in which the books are free from the markings of quantity and silent letters enables the pupil to pass from the special to the supplementary book without difficulty. In the fourth grade, however, where they read with considerable facility, there is apt to be a carelessness in enunciation and articulation, where, if agreeable to the Committee, it is proposed to introduce a series of vocal exercises which will eradicate this defect.

No. 2 The actual use of arithmetic by the average adult is limited to the four fundamental operations, with now and then a few simple fractions and the decimals of the United States money. So much effort is devoted to other principles and to examples which require much thought and time that not enough practice can be given to the preliminary steps. Hence, unless a definite period is set aside foı abstract work of this nature and unless speed and accuracy are demanded, the pupils will leave school weak in what they need most in later life. To overcome this trouble, if the Committee approves, I propose to send, on Fridays mornings, to the teachers of grades VI to VIII inclusive four simple abstract examples with a time limit.

At the risk of seeming lengthy I wish to call your attention to the matter of promotion in our schools. From a knowledge based upon seven years experience in these schools, I should say a fair estimate of the total number who fail to pass from one grade to another lies between eight and twelve per cent. I do not wish to blame anyone in particular for this state of affairs any more than I blame myself. In fact, it is a condition extending throughout and beyond New England, and to such an extent that educators for a period of years have endeavored to solve the problem on the basis of the individual as the unit for school instruction.

It is difficult to believe that two hundred pupils, now repeating the work and thereby losing a year of school time, in many cases discouraged, and in some resulting in an estrangement of the parent and his condemnation of the schools, are mentally deficient. There have been several experiments tried to overcome this prevailing tendency. The scheme of double promotion, an abridgement of the course with an extra teacher to advance those more certainly qualified, the division of grades into classes with a flexible course of study. Those which have attracted the most attention are the ones employed to some extent in California and Elizabethtown, New Jersey. From an examination of reports, I am led to believe that the system in use in Batavia, N. Y., has come nearer, at least in theory, to solve this vexed problem, than others.

I can do no better in closing this report than to quote the words of the editor of the Journal of Pedagogy after an inspection of the schools. He said, "It makes me long to see the people who will be walking the streets twenty-five years hence." The Batavia system is no longer confined to Batavia. Its use is spreading, and it bids fair in a short time to supplant the old system of graded school instruction. Among places that have introduced it partially or completely, I may mention, New

York City, Buffalo, Lockport, Washington, D. C. and several western and Canadian cities. It is difficult to predict the result should that system be engrafted on our own, neither would it be wise without a more intimate knowledge of the details contained therein. It appeals to me, however with such force that I recommend that some representative of the Board, without expense to the Town or Committee, be requested to make a personal examination of the same and report his findings to the Committee.

Thanking the Committee for their confidence, this report is

Respectfully submitted,

F. S. Sutcliffe,
Superintendent.

Arlington, Mass., Dec. 17, 1904.

REPORT OF REGISTRARS OF VOTERS.

Arlington, December 31, 1904.

The Board of Registrars of Voters herewith submit their report for the year 1904.

Mr. Franklin T. Anderson was appointed, January 16, 1904, a member of the Board to fill the vacancy caused by the resignation of Frank C. Allen.

The total number of registered voters as reported Jan. 1, 1904, was 1,619. During the year one hundred and twenty-five names were stricken from the list on account of death and other causes.

At the meetings held by the Board for registration the number added was as follows: —

Town Hall, February 20, 1904,	3
Union Hall (Heights), Feb. 26, 1904,	2
Town Hall, Feb. 27, 1904,	18
Town Hall, Sept. 19, 1904,	14
Town Hall, Oct. 21, 1904,	76
Union Hall (Heights), Oct. 24, 1904,	45
Town Hall, Oct. 29, 1904,	106
making a total number registered for the year,	264

The list as revised to Jan. 1, 1905, is as follows: —

Whole number registered,		1,876
Whole number of males,	1,758	
Whole number of females,	118	
Total,	1,876	

WM. H. PATTEE,
JOHN W. BAILEY,
FRANKLIN T. ANDERSON,
THOMAS J. ROBINSON,
Registrars of Voters.

REPORT OF THE BOARD OF HEALTH.

The Board met March 17, 1904, and organized as follows: —

Chairman . . .	Edward S. Fessenden.
Clerk	Horace A. Freeman.

Appointments. — Medical Inspector of Schools, Roy D. Young.

Undertakers. — Licenses, as undertakers, have been issued to J. Henry Hartwell & Son, Daniel W. Grannan, James P. Daley, William D. Grannan.

Board of Infants. — The Board has given its approval to two applications to the State Board of Charity for licenses to Board Infants, namely, Mrs. S. Scanlan, 41 Teel street and Miss Annie C. Sullivan, 60 Mystic street.

Ashes and Offal. — Ashes and offal have been collected the past year as usual by the Highway Department. It is believed, however, that the offal can be collected cheaper by contract with outside parties for a term of years and the same may be disposed of in this way the current year.

The ashes should be collected by the Highway Department as it affords employment of the Town horses at a season of the year when little is done on the streets.

For detail expenses in collection see Health Department, Auditor's report.

Fumigation: — Occasions for fumigation both from contagious diseases and otherwise have been more than usual the past year, and will be increased as tuberculosis is now regarded a menace to public health and thorough disinfection demanded in each case.

Nuisances. — The attention of the Board has been given to complaints relative to offensive cesspools and defective drains, connection with Town sewer having been required when available.

Census. — A careful census of the number of swine kept in Town has been made and shows that the number is less than at any previous time, being less than one thousand in all, with a prospect of a material reduction in the near future. The conditions are much improved and no person, to the knowledge of the Board, is keeping any swine in violation of the Town regulations.

Manure. — A number of formal and informal complaints have been made both as regards manure in heaps and the landing of the same by cars on railroad tracks. The offensive odors from this manure are reasonable cause for complaint and the action of the Board in every case has been towards reducing to a minimum the objectionable features. The problem, however, is a difficult one.

A proposition is now under consideration by the railroad for providing a new location for the delivery of manure by cars and we hope for an early improvement in this direction.

A regulation has been passed by the Board to the effect that vehicles conveying manure through the streets of the Town shall be securely covered by canvas, to avoid littering the streets, and to prevent the spread of the offensive odors. A violation of this regulation subjects the person failing to comply with it, to a fine. We feel that this regulation must be enforced and ask all parties interested to render all possible aid in its observance.

Hospital Cases. — Bills amounting to $248 were paid for care and nursing two cases of scarlet fever and one case of diphtheria at City Hospital, Boston, said patients having settlement in Arlington, but residing in Boston.

Contagious Diseases. — During the year ending December 31, 1904, the total number of contagious diseases reported to the Board of Health has been 142.

Of this number 18 were diphtheria, 83 scarlet fever, 9 typhoid and 32 measles.

Nearly as many cases of diphtheria occurred in January as in the following eleven months.

Probably the January cases were those infected near the close of the 1903 epidemic.

There were five months of the year when there were no cases of diphtheria reported, cases of scarlet fever, however, were reported to the Board of Health every month of the year, — the first instance probably in the history of the Town.

Of the 83 cases reported, 71 were in the Russell and Crosby school districts, and only 12 in all the other school districts of the Town.

Within these same districts were 17 cases of diphtheria, against one in the rest of the Town.

Why should nearly all the diphtheria and scarlet fever be practically confined to one section of the Town?

In 1903 nearly all the diphtheria and scarlet fever was in the same territory.

In the report of 1903 the Board of Health urged that those caring for diphtheria and scarlet fever, be more careful in thoroughly isolating the sick ones from the family, and especially from the children of the family.

Why should not scarlet fever spread when children, who are dequamating, are allowed to go out of doors, playing with the other children of the family, and talk at arms length, through the picket fence, with any child who happens to pass?

Such instances have come to the attention of the Board during the past year, and the parents wonder why the disease spreads.

Such carelessness on the part of any one who cares for these diseases, is little less than criminal, and deserves severe criticism.

Not until the parents realize the grave danger they are subjecting the community to, and heed the quarantine instructions always given by the attending physician, will it be possible to stop the spread of these diseases.

It is the intention of the Board to send printed instructions to each infected household, for the proper care of diphtheria and scarlet fever, when the quarantine card is posted on the residence.

It is hoped that such printed information, may be of great service to those caring for these diseases.

Arrangements have been make for the immediate examination of diphtheria cultures, taken on Saturdays and Sundays for diagnosis, and in cases of second culture for release from quarantine.

Such culture tubes may be obtained of H. A. Perham.

As consumption is a contagious disease, communicable to others, it is hoped that all will co-operate in reporting such cases to the Board of Health, that suitable instruction may be given for the care of such patients.

The unusually large number of cases of diphtheria and scarlet fever during the year, and in many cases the inefficient means of quarantine, largely owing to limited accommodations, has strongly impressed the Board of Health with the necessity of a building to which such patients may be sent for better care, when the proper isolation is impossible at home.

Malaria—No attempt has been made toward the removal of the weeds in Spy Pond during the year 1904, owing to the lack of funds.

The presence of acres of these weeds, seriously mars the beauty of this little lake, even though the water may not be polluted, or the health of nearby residents endangered.

The mosquito breeding area, lying between Mystic street and the Cemetery, is being filled as rapidly as possible.

It is hoped that ere long the wet lands, lying along Alewife Brook, may be so thoroughly drained, that there will be no opportunity for the growth of mosquitoes, and therefor of malaria.

Inspection of Plumbing. — During the year 1904 eighty-five applications have been placed on file and plumbing permits duly issued therefor. Twenty-one new buildings are included, also reconstruction for improvements, restoration from damage by fires, etc. In the progress of such work under competition contracts, more or less contention arises, to secure compliance with Town Regulations and avoidance of sanitary or other defects.

Improved bath room fixtures have been manufactured recently, and brought to the attention of householders, who now consider a properly fitted up bath room, with bath tub, water closet and lavatory, indispensible for the preservation of health.

To satisfy the demand, therefore, an increased amount of plumbing is required.

Public Sanitaries. — Sanitaries for public use should be provided without delay. One to be located near the Town Hall and one near the junction of Massachusetts avenue and Park avenue, Arlington Heights.

Careful consideration hereof is desired that ways and means may be promptly obtained to secure the much needed public accommodations.

Financial. — For detail as to expenditures reference is made to the report of the Auditor.

Edward S. Fessenden,
Edwin B. Stickney, M.D.
Edwin Mills,
Board of Health.

REPORT OF THE INSPECTOR OF SCHOOLS.

Arlington, December 31, 1904.

To the Board of Health : —

Gentlemen, — The following report is respectfully submitted for year ending December 31, 1904 : —

Number of children examined,	790
Number of children sent home,	71

They were sent home for the following reasons : —

Pediculi,	27	Impetigo,	3
Revaccination,	24	Chicken-pox,	5
Vaccination,	7	Itch,	2
Tonsilitis,	3	Measles,	2
Fever and Headache,	3	Ring Worm,	1
Mumps,	3	Otitis Media,	1

During the year 251 children were examined for vaccination. Of this number 24 were asked to be revaccinated and 7 were requested to be vaccinated for the first time. Upon inspection later all of these had complied satisfactorily with the regulations.

A large number of children have been advised to be examined for glasses. Though considerable sickness, no school or room has had to be closed or fumigated.

Respectfully,

Roy D. Young.

REPORT OF THE JOINT BOARD OF SELECTMEN AND BOARD OF PUBLIC WORKS.

The Joint Board of Selectmen and Board of Public Works respectfully present their first annual report for year ending December 31, 1904.

ORGANIZATION.—The Board, consisting of George I. Doe, Warren W. Rawson, and James A. Bailey, Jr., as Selectmen; and Peter Scwamb, William N. Winn and Samuel E. Kimball, as Board of Public Works, met March 19, 1904, and elected Warren W. Rawson, Chairman, and Horace A. Freeman, Clerk.

DUTIES OF THE JOINT BOARD.—The duties of the Joint Board are set forth in Section 5 of Chapter 3, Acts of 1904, "an act to authorize the Town of Arlington to establish a Board of Public Works," said act being approved by the Governor January 28, 1904 and accepted by the Town February 8, 1904. Section 5 reads as follows: —

"SECTION 5. Upon the election of said board of public works all the powers, rights, duties and liabilities of the Selectmen in said town now existing or hereafter created by law, relating to highways, town ways, the laying out and discontinuance of ways, bridges, sidewalks, guide posts, monuments at the termini and angles of roads, public squares, playgrounds, shade trees, sewers, drains, street watering, street lighting, the assessment of damages and betterments, water pipes, gas pipes, conduits, poles, wires, street railways, the granting of locations, rights or licenses for structures upon, under or over highways or other ways, shall be exercised, enjoyed, performed and incurred

by a board consisting of the selectmen and the board of public works created by this act, sitting jointly as the board of survey."

Meetings and Board Action.— The Board has generally met weekly and its policy has been to discuss and determine action on all important matters legitimately coming before it, and then as far as possible refer the same to the Board of Public Works or other proper officials to carry out.

Appointments.— For appointments made by the Board see the list of Town Officers.

Street Watering.— Contracts for street watering for the season beginning May 1, and ending November 1, (six months) were awarded Messrs. Henry J. Green, Timothy Ryan, John Kelly, James Barr and the Highway Department, (five different routes) at a cost of $2,000, which with incidentals make the total expenditure for the year $2,500,86.

This expenditure is met by appropriations of $694, receipts of $226.50 and assessments committed of $1,580.36.

The cost this year is greater than would otherwise have been because of extra repairs and painting of carts.

The assessment committed by the Assessors is 2 1-6 cents per foot, being the three-fourths cost charged the abutters.

Requests have been made for the extension of the street watering territory, and it may be desirable to extend the season also. If these are done a larger appropriation will be necessary.

Street Lighting. — Street lighting has been placed on a basis of lower cost as was desired by the Town in its action at the Annual Town Meeting. This was effected by mutual agreement between the Town and the Edison Electric Illuminating Company through accredited representatives by which the number of arcs was reduced from 105 to 80 and the number of incandescents increased from 195 to 218, the quality and cost per light being unchanged.

The number of street lights December 31, 1904, is as follows: —

80 arcs of 1,200 candle power.
218 incandescent lights of 32 candle power.

Both arcs and incandescents are lighted every night until one o'clock A. M. Amount appropriated for street lighting was $11,676.00. The amount expended $11,626.23. Balance on hand, $49.77.

In readjusting the lights to these changes the Inspector of Wires gave valuable assistance.

The changes above referred to appear to give satisfaction and make a saving from the original of about $1,200. The Town is under obligation to the Edison Company for this modification of contract. The present contract for street lighting was given for five years and does not expire till May 1, 1907.

Readjustment of Lights. — A further readjustment in the location of lights is needed in order to secure wider and more equitable distribution. It is the intention of the Board to give this matter early consideration.

Outs. — The Town is allowed three cents per hour for each arc remaining unlighted, and one cent per hour for each incandescent unlighted. These outs are reported by the police. The Town, however, is not receiving sufficient credit, because many outs are not reported, as it is impossible for the police to get them all. This matter also, will receive special attention on the part of the Board.

Additional Lights. — Several petitions are on file for more lights, some of which should be granted. This will necessitate an additional appropriation.

Sidewalks. — The Board were unable to grant all petitions for edgestone and for sidewalk because of lack of funds, there being prior claims for edgestone on Henderson street, grano-

lithic walk in front of Squire estate and brick sidewalk on Massachusetts avenue, much of it being laid under the sidewalk act.

The Board are of the opinion that brick for sidewalk should be more generally used, being more durable, less destructive in relaying and therefore more economical.

The Town appropriation for permanent sidewalk represents only the Town's share of the expense, which for new walks, first laid, is about one-half the cost.

The vote of the Town Jan. 3, 1905, enables the borrowing of a sum equal to the assessments for new work, and this makes said assessments available for immediate use.

The amount appropriated by the Town was $1,000, amount expended including deposits and assessments $2,355.90. Balance on hand, $69.06.

For further detail see reports of Board of Public Works and Town Engineer.

Pole Locations. — All the petitions from the New England Telephone and Telegraph Company for pole locations were granted and all from the Edison Electric Illuminating Company, except one.

This exception was where the Edison Company desired location for eighteen poles on Warren street and two poles on Broadway for trunk line wires to connect Power Station at Woburn with South Boston Station. The Board, thinking it was safer for said lines to be placed under ground, refused the location of poles asked for.

It has been the policy of the Town to have as few poles in the public ways as possible, and to lessen the number when able to do so.

For further particulars in regard to pole locations see report of the Inspector of Wires.

Acting as Board of Survey.— Plans have been approved establishing grade of Henderson street, also establishing lines

and grade of Gray street extension and Pine Ridge road. The approval of plans relative to Gray street extension and Pine Ridge road was made by the Selectmen before the Joint Board was installed.

For further details on these matters see report of the Town Engineer.

Assessments and Betterments.— Assessments under the sidewalk act have been committed to the Treasurer for collection, to the amount of $435.86, the balance having been previously paid.

Detail Expenditures.— For detail expenses in Street Watering, Street Lighting, Sidewalks, Board of Survey, etc., reference is made to the report of the Auditor.

REPORT OF THE TOWN COUNSEL.

ARLINGTON, MASS., Dec. 31, 1904.

To the Joint Board of Selectmen and Board of Public Works:—

No suits against the Town have been brought the current year.

The action of the Town of Weston vs. Arlington for care of a smallpox patient has been settled, — amount paid $569.50.

Two actions are pending: —

Partridge vs. Arlington, for damages for altering grade of Claremont avenue.

Locke vs. Arlington, for damages for bicycle accident, Massachusetts avenue.

The Arlington Gas Light Company has been allowed, against the protest of the Town, to increase its capitalization by thirty thousand dollars.

The Town has been represented before legislative committees in the matter of seven different bills relating to sewer and water supply matters in connection with the Metropolitan District. It has also been represented in the gypsy moth matter.

The ordinary work relating to the transaction of the Town's business has been attended to. The amount of this work, like that of the different departments of the Town, is constantly increasing.

WM. H. H. TUTTLE,
Town Counsel.

REPORT OF THE TOWN ENGINEER.

ARLINGTON, Jan. 17, 1905.

To the Joint Board of Selectmen and Board of Public Works: —

GENTLEMEN: — Herewith I respectfully present the fifth annual report of the Engineering Department for the year ending December 31, 1904.

In a general way the work of the Engineer's office consists in furnishing the several departments of the Town's service with such information, plans, designs, estimates and data of an engineering nature as they may require on work under their charge and in contemplation; also keeping careful notes, measurements and locations of new work, additions, changes and extensions as they occur and properly recording same for future reference by maps, plans or profiles.

The Engineering Department office is called upon to furnish general information on nearly all subjects relating to municipal structures and systems, and it has been the aim to so arrange and compile all data (so far as available space will allow) that information may be readily and accurately given.

Only a small amount of special work has been in progress this year, consequently less assistants were required. The cost of the work is charged each week to the Department or Board, for which service has been rendered. The summary for the year is as follows: —

BOARD OF PUBLIC WORKS. — At the Annual Meeting in March the Town under authority of Chapter 3, of the Acts of 1904, established a Board of Public Works. The Board or-

ganized and took formal charge of the Highway, Sewer and Water Departments, March 12, 1904. The work reported under the Divisional headings is, however, for the entire year.

Highway Division: For all the marking of lines and grades; making plans, profiles, estimates, locations and records of work done and in contemplation by the Division, including Superintendence on Storm Drain Construction,	$314 87
Sewer Division: For all surveys, plans, profiles, lines, grades, records and Superintendence on Cleaning and Flushing of Sewers,	158 23
Superintendence and Inspection on Sewer Construction,	159 69
Superintendence and Inspection on Particular Sewer Construction,	187 48
Water Division: For all lines for new mains and locations and records of gates, hydrants, specials, service boxes and work on registration data,	264 57
Superintendence on new mains — Summer street, Pine street and Kensington road,	113 04
Sidewalks: For all lines, grades and measurements of edgestone, concrete, brick and artificial stone walks,	38 56
Board of Survey: For all surveys, plans and profiles of streets laid out by the Board including the setting of boundary stones,	67 16
Street Numbering: Locating buildings and assigning numbers in accordance with the Town By-Laws,	21 83
Plans: Copying plans and deeds from Registry of Deeds at East Cambridge, also revising Town Plans to secure more room for filing same,	98 19

Setting Street Line Monuments,	$13 62
Cemetery Department: Plans, Superintendence, lines and grades, etc.,	112 74
Parmenter School Lot: Plans, Superintendence, lines and grades for grading lot,	26 97
Robbins Library Grounds: Plans, lines and grades for grading the lot,	7 44
Total,	$1,584 39

Descriptions of real estate for tax titles paid by Tax Collector,	$23 19
Draughting materials, expressing, printing and supplies,	43 28
Repairs to Instruments,	5 90
Carfares,	6.46

Highways and Sidewalks. — The work on highways this year has been principally the repair and maintenance of the streets, consisting in resurfacing with gravel or macadam as the case required. No new streets were laid out or accepted.

A considerable amount of work was done in regrading and surfacing Claremont avenue from Florence avenue to Oakland avenue, and a portion of Park Circle on the southerly side of the Standpipe from Eastern avenue to Park avenue.

Edgestone was placed on both sides of Henderson street from Massachusetts avenue to Sawin street and Cottage avenue, in accordance with the provisions of the Sidewalk Act. The street was substantially surfaced with macadam as were also portions of Pleasant street, Addison, Wellington and Winter streets.

Permanent sidewalks of artificial stone were laid on both Massachusetts avenue and Broadway between Cleveland and Marathon streets under contract with Mr. George H. Lowe of

Arlington. The John P. Squire estate paid the difference between one-half the cost of a tar concrete walk and the net cost of the artificial stone, — or $1.125 per square yard, — toward the cost of the work.

A brick sidewalk was laid on the northerly side of Massachusetts avenue from Tufts street to the estate of John F. Allen, one-half the cost being assessed on the abutting estates.

General repairs and resurfacing of sidewalks unless paved with brick, tar concrete or artificial stone, are included in highway expenditures.

The tracks of the Boston Elevated Railway Company on Massachusetts avenue between Mystic street and Linwood street were much worn and badly out of repair so that it was necessary to relay them before the winter season. After considerable discussion the Company was allowed to use a girder rail of the tee pattern, with granite block pavement supported by a foundation of concrete. The surface of the pavement was laid flush with the rails and spaces between the granite blocks filled with pebbles and coal tar. The blocks laid next the rails were notched out to allow passage for the car wheel flanges. The whole construction is a smooth, solid and continuous pavement and although a new form of construction in this vicinity, will, I believe, prove very satisfactory both to the public and the Company. Very little vibration is felt in driving across the pavement even in a light carriage and heavy teams are prevented from following the rails, thereby saving much delay in the operation of the cars.

Grates for the removal of the surface water have been placed in the railway tracks on Broadway at four different points where changes of grade occur, also on Mystic street at Mill Brook to prevent the unsightly and annoying collection of water during times of storm.

There are now 5.83 miles of storm drains in use in the Town

and new extensions should be added each year, as they are the first and most important factors in saving expense in the repair and maintenance of the streets.

There are many streets in Arlington on which steep grades of ten per cent. or over exist, and in such cases water bars or mounds should be made in the street surface, at suitable intervals, extending diagonally to the gutters to prevent serious washouts and consequent expense of repairs caused by severe rain storms. The sidewalks on such streets also should be protected from injury, until such time as a permanent pavement can be provided, by paving narrow gutters across the walks at intervals to divert the surface water before serious damage can occur.

I beg to again refer to the need of making provision soon for paving Massachusetts avenue in the centre of the Town. If a portion could be done each year, in a short time the more congested sections would be completed and much expense now required for maintenance might be saved.

The settlement of the separation of grade problem at the Boston & Maine Railroad crossing, Massachusetts avenue, must be adjusted before any permanent alteration in the street or development of private property in the immediate vicinity can be attempted. I respectfully bring the matter again to your attention to the end that some definite plan may be agreed upon to which future improvements can conform.

The question of needed repairs to River street Bridge, referred to last year, will undoubtedly come up for adjustment this year in conjunction with the building of the Boulevard and Improvement of the Mystic River by the Metropolitan Park Commissioners.

Medford street Bridge has been painted and the masonry repaired, the cost being shared with the City of Medford. All the other highway bridges are in good condition.

The practice was begun this year of making the travelways on streets, — not main thoroughfares, — of a somewhat less width than has been the custom heretofore, with a corresponding increase in width of the loam or grass strip areas. This method admits a saving in the cost of construction in surfacing the street and a saving in maintenance and repairs, especially on streets of steep grade, from the fact that after the grass becomes well rooted there is much less damage from washouts, and the decreased width in the travelway must necessarily reduce the cost of maintenance.

I recommend this plan be continued and also the consideration of the use of bitulithic pavement on some streets where there is excessive wear.

Sewers and Particular Sewers. — The contruction of sewers this year comprises a short extension to the Irving street sewer, to serve the new Parmenter School Building; a new manhole at the end of the Belknap street sewer, to secure better facilities for flushing and maintenance purposes; and a sewer in Sutherland road from Paul Revere road, to connect the two family house near the corner of Spring road.

This house stood in such a position on the lot, with reference to the street and surrounding land, that it was impossible to make the conditions sanitary except by a sewer connection.

Early in the season application for water pipe was received from the residents of Kensington road, which was granted by the Board after the applicants had made the necessary guarantees in accordance with the vote of the Town. The proposed construction would be almost entirely through ledge, and, as a sewer would soon become an absolute necessity on this street, it was decided to blast out one trench and include the sewer and also a storm drain pipe for the removal of the surface water in the work, thus making a large saving in the individual cost of each.

The character of the ledge was such that after the blasting and excavating required to lay the sewer pipe had been done, but little additional work would be necessary to widen out the trench to a sufficient width for the water and storm drain pipes. In accordance with this plan the Town, at a special meeting held May 26, 1904, voted $1,000 for the construction of the sewer portion of the work.

The steam drill and boiler belonging to the Highway Division were employed to good advantage in the excavation of the ledge which amounted to about 525 cubic yards. The labor was performed by the combined forces of the Sewer and Water Divisions.

The method adopted of uniting the laying of the three systems of pipes at one time on new streets where ledge is to be encountered, has several advantages among which may be noted, — the saving of expense to the Town by excavating one trench instead of three, with the consequent additional saving of expense in replacing and maintaining the street surface when disturbed by the separate construction of the three systems at different periods; also the residents of the vicinity are spared much inconvenience and annoyance by the reduction of the blasting required and consequent closing of the street to travel

It is probable that a demand will be made for the completion of the sewers in the Kensington Park District during 1905. There is very little drainage through the soil of this section, making the use of cesspools almost prohibitive. The number of new houses is increasing and I would recommend that provisions be made at the Annual Town Meeting for this purpose.

The work on Particular Sewer Construction has been done by the same method as formerly. There have been 44 connections made with the sewers at a cost of $1,418.88. This is the least number of connections made in any one year since the beginning of the Sewerage System and is due undoubtedly to

the comparatively small amount of building operations in the Town during the year. The sewers have been cleaned, regularly flushed and examined and are in good condition.

Water Division. — Lines and grades were given for new mains on Summer and Pine streets and Kensington road; superintendence was also furnished on ledge excavation for a portion of the work.

All the changes and extensions of the system, service boxes, etc., were locatad and incorporated in the records of the Department. Old cement mains were abandoned and replaced with wrought iron pipe on Winter street, and Lake street from Pleasant street to Cross street.

Alterations were made in March at the Water Works stable to accomodate the horses and teams of the Sewer Division which were transferred from the Court street stable. This change, and the consolidation of men employed, has proved of advantage to both Divisions and a saving of expense to the Town. Reference to the tables published in the Board of Public Works report will give details of work and expenditures on the Highway, Sewer and Water Divisions.

Board of Survey. — Hearings were given and a grade established on Gray street from near Lincoln street to Robbins road. The lines of the street were established by the Board June 16, 1900, but the grade was not determined at that time.

As this street will probably become a part of the connection with the proposed Lexington Boulevard, and therefore a thoroughfare for travel to and from Lexington and beyond, it was deemed advisable to establish the grade to which future improvements shall conform before the adjoining property becomes developed, and thus secure the most advantageous grade for the street without serious expense for land damages.

The part of Gray street from Robbins road to Oakland avenue as laid out by the Board in 1900, connected with Oakland avenue at an angle that might prove positively dangerous

to travel, turning towards Park avenue, because of the steep grade of Oakland avenue at this point.

To avoid accident and at the same time make a less percentage of rise in the grade, hearings were given and a new plan was adopted by locating a long easy curve which brings the connection with Oakland avenue at the summit of the grade on that street about two hundred feet south of the original location.

The Board also gave hearings and established a grade on Henderson street from Massachusetts avenue to Cross street, so that the Highway Division could proceed with the setting of the edgestone and resurfacing of the street.

Granite boundary stones defining the lines of Gray and Summer streets, as established by the Board of Survey, were set this year, which completes this work on streets approved by the Board.

Cemeteries.— The new receiving tomb, at Mt. Pleasant Cemetery, begun in 1903, has been completed this year. Great care was taken in the construction to secure a solid and permanent structure. The cost is within the original estimate. Reference to the Board of Trustees' report will show details of construction.

Grades and Superintendence on this work, beside staking out lots and work on plans has constituted the service rendered by this Department.

Robbins Library and Parmenter School Grounds.— Grades, lines and plans for grading at the Robbins Library lot and Parmenter School lot were furnished as well as much miscellaneous service to various departments and officials.

Symnes Hospital.— Plans, specifications and forms of contract were prepared for building a travelway from Summer street to the site of the proposed hospital buildings. The Trustees advertised for proposals to do the work by contract. Five bids were received but the Board decided to take them

under advisement and as yet have reached no final decision in the matter.

ASSESSORS' PLANS.—I wish to again refer to the need of beginning a set of Assessors' Plans, showing street frontages and areas of all real estate in the Town. Such plans would be of inestimable value in the accurate and equitable assessment of property, as well as to all Departments of the Town service.

If a moderate expenditure were made for this work each year the plans could be systematically completed in a short time.

LEGISLATIVE ACTION.—The Massachusetts Legislature by Chapter 327, of the Acts of 1903, authorized the Cities of Cambridge and Somerville and the Towns of Arlington and Belmont to improve the surface drainage conditions of Alewife Brook, its tributaries and the adjacent lands.

This Act was supplemented by Chapter 445, Acts of 1904, authorizing the construction of a dam across the Mystic River at Craddock Bridge, Medford, and a report to be made by the State Board of Health on the purification of Mystic River, Alewife Brook and adjacent water courses and drainage areas.

In accordance with the foregoing the Metropolitan Park Commissioners have employed the eminent Engineer, Mr. John R. Freeman, to prepare a report on these matters, which has just been published.

Mr. Freeman estimates the proposed improvements in Alewife Brook at $36,000. By the Act of 1903 Arlington would have to pay twenty-two per cent. of this amount, or $7,920.

It would seem especially desirable that immediate attention be now given this matter, to the end, that a definite plan for proceeding with the improvements may be formulated.

Respectfully submitted,

ROBERT W. POND,
Town Engineer.

GENERAL STATISTICS.

Arlington is situated six miles northwest of Boston in latitude 42 deg., 25 min., N., longitude 71 deg., 09 min., W., at an elevation above mean tide of from 4 to 377 feet.

Massachusetts Avenue at Pleasant Street, elevation, feet	48
Massachusetts Avenue at Park Avenue, elevation, feet	155
Park Circle at Eastern Avenue (base of Standpipe), elevation, feet	377
Crescent Hill Avenue at Park Place, elevation, feet	281

The Town and a part of what is now Belmont was set off from Cambridge and incorporated as West Cambridge in 1807. The name was changed from West Cambridge to Arlington in 1867.

Population, estimated	9,700
Number of polls	2,547
Number of voters: Men, 1,758, women, 119; total	1,877
School enrollment: Public, 1,681, parochial, 160; total	1,841
Area of Town, including that covered by water, 3,520 acres, or, square miles	5½
Area covered by water, acres	237
Total park areas, acres	47.88
Total cemetery areas, acres	41.2
Area taxed, tax rate, $18.70, acres	2,697
Valuation, real estate	$8,888,320
Valuation, personal property	$1,002,905

Public streets and Town ways: Macadam, 10.5 miles, gravel, 21.7 miles, granite paving, 1-10 mile; total miles	32.3
Private streets open to travel, miles	9.3
Permanent sidewalks: Concrete, 5.9 miles, brick, .4 miles, artificial stone, .26 miles; total miles	6.56
Edgestone, miles	7.33
Paved gutters, miles	6.1
Storm drain system, miles	6.1
Catch basins	180
Sewerage system, 22.75 miles, local Metropolitan sewer system, 3.47 miles; total miles	26.22
Particular sewer system (863 connections), miles	10.36
Number of buildings connected (51 per cent.)	891
Water mains: Low system, 17.72 miles, high system, 17.76 miles; total miles	35.48
Cement lined pipe in use, miles	7.2
Cast iron pipe in use, miles	28.28
Fire hydrants	357
Fire pressure at Massachusetts Avenue and Pleasant Street: Low system, 50 lbs., high system, 90 lbs.	
Fire alarm boxes	35
Gas mains, miles	7.5
Street lights: Arc 80, incandescent 218; total	298

REPORT OF INSPECTOR OF WIRES AND SUPERINTENDENT OF FIRE ALARMS.

ARLINGTON, MASS., December 31, 1904.

To the Honorable Joint Board of Selectmen and Board of Public Works: —

GENTLEMEN: — I herewith respectfully submit the fifth annual report of the Inspector of Wires and Superintendent of Fire Alarms for the year ending December 31, 1904.

POLES AND WIRES. — During the past year rapid progress has been made in the replacement of old poles and wires. This class of reconstruction is constantly being required by this department, and with what has been accomplished in this line in the past five (5) years should bring the work up to a high standard throughout the Town before long.

Careful consideration is given as to the location of new poles, also to the kind of poles to be used both from the standpoint of structural strength and symmetry. The use of square hard pine poles as used heretofore on several of our streets has been discontinued, it having been proved that this is an unsafe class of timber to use owing to the rapid decay of the wood at the street surface.

Round chestnut poles are now required for all new work, this class of timber being very durable and possessing the necessary strength for safely supporting the wires and pole fixtures.

Forty-five (45) permits were granted for the setting of twenty-nine (29) poles in new locations as granted by the Joint

Board of Selectmen and Board of Public Works, for the replacement of eighty-nine (89) old poles and the removal of eight (8) poles from the highways.

No progress has been made during the past year in the installation of high potential wires along the highways as desired by the Edison Electric Illuminating Co., of Boston, for the connection of their Power Station at Woburn, Mass., with the South Boston Station as spoken of in my report for the year 1903. The locations petitioned for by this Company not being granted by the Joint Board of Selectmen and Board of Public Works, no locations should be granted until a thorough understanding is reached in this matter as to what is the best route for these wires to follow and that the Edison Company agrees to the requirements of the Town at that time and in the future in respect to these wires.

Street Lights. — The Town having voted ten thousand ($10,000) dollars for Street Lighting for the ensuing year, which was two thousand one hundred and twenty-five ($2,125) dollars less than the year 1903, it became necessary that a readjustment would have to be made in the Street Light to keep within the appropriation.

Acting under the vote of the Joint Board of Selectmen and Board of Public Works passed May 28th, that the Edison Electric Illuminating Co. be notified to discontinue the use of twenty-five (25) arc lights and to add one or more incandescent lights, not exceeding twenty-five (25), at points to be designated by the Inspector of Wires, a careful survey was made of the street lighting system to determine which lights could best be changed or discontinued altogether, without serious detriment to the service.

Twenty-three (23) arc lights were discontinued and replaced by twenty-three (23) incandescents. Two (2) arc lights were discontinued altogether. The Town is now lighted by eighty

(80) arc lights, twenty-five (25) less than last year, and two hundred and eighteen (218) incandescents, twenty-three (23) more than in use in 1903. The saving in cost of lighting under this system being one thousand two hundred and ninety-seven ($1,297) dollars per annum.

Two incandescent lights were changed to new locations on Academy street, also one incandescent light was removed from this street and located on Ravine street. Two incandescent lights were discontinued on Robbins road, these lights being relocated, one on Brattle street near Summer street and one on Gray street between Mount Vernon and Walnut streets. These two lights were taken from Robbins road in the vicinity of the Robbins Spring Hotel, which is closed for the season, they being of no use in that vicinity during the winter months, and it was thought advisable to locate them elsewhere.

These lights should be put in commission again this coming Spring, if the Hotel opens for business, which will require an appropriation for two more incandescent lights that are now in use.

INSPECTION OF WIRES IN BUILDINGS.

Two hundred and eighty-five (285) inspections of wires and fixtures in buildings were made during the ensuing year as follows: —

Number of incandescent lights wired for	1,013
" " arc lights wired for	10
" " power moters wired for	2
" " fan motors wired for	2
" " electric laundry irons wired for	1
Horse power of motors installed	10.50
Number of new buildings constructed in 1904 which were wired	18

Number of buildings constructed previous to 1904 which were wired	27
Number of buildings wired previous to 1904 in which additions were made	57

All wiring installed has been in accordance with the latest requirements of the National Board of Fire Underwriters. Particular attention has been given to old installations to bring this class of construction up to date and a large number of changes have been made in replacing of sockets, switches, cutouts, etc., in order that these fittings should be of a standard make, which means better service and more safety where electrical appliances are used.

Very little trouble has been experienced from contractors who intend to slight their work, as it is generally known that this class of work will not be approved in our Town.

One hundred and twenty-four (124) permits were granted the Edison Electric Illuminating Co., of Boston, for the attachment of service wires to forty (40) buildings and for the installation of one hundred and twenty-four (124) meters.

The total number of lights, etc., connected being as follows:

1,875	Incandescent Lights.
10	Arc Lights.
1	Fan Motor.
1 1-2	H. P. Motor.
1-10	H. P. Motor.

Fire Alarm Telegraph. — The Fire Alarm system has worked perfectly throughout the year. There has been no breakage in wires and the only interruption to the service being on June 25th and July 5th, when the system was struck by lightning. The damage from this cause being very slight, burning out fuses and one relay at the Central Fire Station,

which was quickly repaired. More alarms were sounded from the system than ever before since the system was installed.

Forty-seven (47) first alarms, two (2) second alarms for fires were transmitted, also fourteen (14) no-school signals, one (1) special signal on Memorial Day and one (1) special signal on October 7th, for the assembly of firemen to assist the police in finding a lost person. No new signal boxes were added this year. One (1) six-inch gong was placed in residence of driver of Hose No. 1 at Arlington Heights, as trouble has been experienced in hearing the tower bell in that section at certain times.

The electric air compressor was thoroughly repaired by experienced machinists, these repairs being absolutely necessary, owing to the hard service this pump has been subjected to since it was placed in commission several years ago. The cost of these repairs being forty-seven dollars and eighty-five cents ($47.85). This machine is now giving good service, but *should* be replaced by a new, modern type of compressor of higher efficiency. The old compressor could then be held in reserve in case of a break-down.

Hose No. 2 was wired for electric lights, to be used in connection with the fire alarm system.

An automatic Fire Alarm Light Switch being installed which illuminates the whole building the instant the alarm sounds.

Eighteen hundred (1,800) feet of rubber covered fire alarm wire was placed underground on Massachusetts avenue between Tufts and Winter streets. Twenty-five hundred (2,500) feet of No. 9 plain and covered wire was placed on the poles on Tufts street and Broadway. Two thousand (2,000) feet of old wire being taken down on Broadway and Winter street. A considerable number of cross-arms were replaced on Brattle, Mystic, Beacon and Warren streets, also Hillside avenue, and also the old wires on these streets were replaced to some extent

with new. New cross-arms were placed on all poles on Palmer street, also the wires re-arranged. These changes were made necessary by the replacement of old poles by the various electric companies on our streets. This is a class of work where there is more or less to do constantly, which requires the keeping in stock of considerable material to do the work, and with the difficulty experienced in doing work with the rapid increase of electric light and power wires, the expense of labor becoming greater each year.

One main spring was found broken in Box No. 14, also the box was badly injured and door being smashed and machinery broken at about 3 o'clock A.M., on June 17, by some malicious person. This is the second time that this has happened to this box within a year and every effort has been made to find the guilty party, and if apprehended, punishment will be meted out in accordance with the law, which is severe in such cases with interference of fire and police signal systems.

Sixteen (16) Type B. T. Storage Batteries were purchased and placed in commission at Fire Alarm Headquarters. All underground wires were inspected at manholes and splices properly sealed.

One blow is now sounded on the fire alarm at twelve (12) o'clock noon. This signal to take the place of ringing of church bell as has been the custom in years past, which was voted to discontinue at the annual Town meeting. The first noon blow was sounded on April 18.

The care of Town clock being placed in charge of the Superintendent of Fire Alarms as per vote of the Town, a thorough examination was made of the clock, it being found that it was in a very unclean condition, having not been cleaned for seven (7) years, also the wire cables supporting weights were found to be in a very unsafe condition and liable to break at any time. This condition was reported to your Honorable Board with

recommendations that thorough repairs be made at once which was approved. The clock was thoroughly cleaned and new cables furnished and is now giving good service.

Recommendations. — I would again recommend that more fire alarm boxes be installed, especially in the Heights section of the Town, particularly at the top of the Heights is a box of this kind needed. The extension of underground wires should be continued as soon as finances permit; the results given from this class of construction, especially in the winter months being a recommendation in itself.

I would recommend that the Town install a modern electric Police Signal System in place of the telephone system now in use, as the present system is unreliable and the cost of same per annum would more than pay the interest on cost and operation of a modern system. The Town has paid out enough money in the last ten or more years for this kind of service to more than half pay for the installation of a modern system and notwithstanding the expenditures up to the present time, the system is incomplete. A Police Signal System is to the Police Department what the Fire Alarm is to the Fire Department, adding efficiency to the police service, giving additional protection to the citizens and aiding the patrolmen in their duty, as well as seeing that their duties are performed satisfactorily. With this system a complete record is kept automatically of all calls received from the officers at street signal boxes, giving the time, number of box and patrolman's number. With such a system in use, it would seem that an increase of patrolmen would not be necessary for several years. Another feature in favor of the system is that a more complete record could be kept of the condition of street lights, enabling the officer while patroling his beat to report any lights out and a record would be made of it at that time by the officer in charge of station.

The rebate the Town would receive from this source alone

would be a considerable saving in money per year, as under the present arrangement accurate records cannot be kept of this loss.

Conclusion. — In concluding this report permit me to return my thanks to your Honorable Board for the support given me in the discharge of my duties. Also tendering my thanks to the Chiefs of the Fire and Police Departments and the members of those departments for the many courtesies shown.

Respectfully submitted,

Reuben W. LeBaron,
Inspector of Wires.
Superintendent of Fire Alarms.

71	Massachusetts Avenue near Hibbert Street.

SPECIAL SIGNALS.

2-2 7.15, 8.15 A. M. and 12.45, 1.15 P. M. No School.
At any other time Department will answer this box same as Box 36.

2 Blows, 6.45 A. M., 1 blow 12 M. and 2 blows at 6.45 P. M. for test.

2 Blows, dismissal of Department.

3 Blows, twice, Second Alarm.

3 Blows, three times, Third Alarm.

8 Blows, followed by two rounds box numbers, Forest Fire.

10 Blows, out of town signal. Companies report at their Station and await orders.

12 Blows, twice, Police Signal.

CHARLES GOTT,
Chief Fire Department.

R. W. LEBARON,
Supt. of Fire Alarms.

REPORT OF THE BOARD OF PUBLIC WORKS.

The Board of Public Works herewith submit their annual report for the year ending December 31, 1904.

At a special Town meeting held February 8, 1904 the Town accepted an act (Chapter 3, of the Acts of 1904) establishing a Board of Public Works, a copy of which can be found in the Records of the Town Clerk.

The last meetings of the Water and Sewer Commissioners were held March 4 and 5 respectively. At these meetings all members of both Boards handed in their resignations to take effect upon the election of a new Board of Public Works.

The first meeting of the Board was held March 12, 1904, the organization resulting in the election of Peter Schwamb, as Chairman, and Charles C. Lothrop, as Clerk. Forty-five regular meetings and two adjourned meetings were held during the remainder of the year.

The Board decided that it would act on all matters coming before it as a whole, and therefore, no special committees were appointed. It was also decided that three divisions be created, viz: Highway, Sewer and Water Divisions, and that accounts be carefully kept with each.

Systems for approving hills, ordering materials and making out pay-rolls were devised and put into operation as soon as possible and are now working smoothly, although encountering considerable opposition at first. Written orders are given for all materials either by the Clerk, or for emergencies by the Superintendents, copies being kept on file in the office for checking bills.

All charges are now made as directly as possible and all pay-rolls are approved and distributed before going to the Auditor. To obtain sufficient time to make up and distribute the pay-roll it was found necessary to close the week on Wednesdays, the pay-roll being submitted to the Auditor on the following Mondays.

Appointments. — At a meeting held April 4, 1904, Thomas Roden was appointed Superintendent of the Sewer and Water Divisions and Charles C. Lothrop was appointed Water Registrar, both appointments holding for one year.

At a meeting held April 9, 1904, Samuel E. Kimball, having made application for the position of Superintendent of Streets, was placed in charge of the Highway Division temporarily.

After a very careful consideration of the conditions existing in the Highway Division and the embarrassing position in which the Board was placed, it was decided to continue this arrangement, believing that, all things considered, it was the best one for the Town under the conditions existing this year.

Reports. — It was decided not to print the several reports of the Superintendents, but to embody such parts of them as was deemed best in this report.

HIGHWAY DIVISION.

On account of the comparatively small appropriation for this Division and on account of the very considerable expenditure in care of snow and streets, after Jan. 1, 1904, no extensive street construction could be undertaken. An attempt has been made, however, to complete all work undertaken so that the improvement shall be permanent, and unless such thorough work could be done only such repairs were made as were absolutely necessary and as the means at our disposal permitted.

Table I. gives the expenditures on the various streeets in detail. For a general description of work done reference is made to the report of the Town Engineer.

Storm Drains. — A much needed improvement has been effected this year in draining the low places in the tracks of the Boston Elevated Railway Company on Broadway and of the Boston & Northern Street Railway Company on Mystic street at the Mill Brook.

A storm drain was laid in Massachusetts avenue from Teel street to Henderson street to connect three catchbasins at the corner of Teel street to the existing drain at Henderson street.

Two new catchbasins were constructed at the foot of Mount Vernon street, which, together with two old basins on Massachusetts avenue were connected by a 15-inch pipe with the existing drain at Grove street.

A ground water drain was constructed on Old Mystic street.

The detailed expenditures are shown in Table II.

Table III. shows the details of cost of Sewer, Storm Drain and Water Pipe in Kensington road and gives the distribution of net cost to each Division. This construction well illustrates the saving to be effected by carrying on operations involving the tearing up of streets at the same time and under the same management.

Sidewalks. — Table IV. gives the detailed cost of work done on permanent sidewalks and setting edgestones, at the locations given in the left column.

One contract was awarded for building artificial stone walks on Massachusetts avenue and Broadway adjacent to the John P. Squire Estate.

General Expenditures. — Table V. shows the general expenditures for the various characters of work mentioned in the left column.

A financial statement for the Highway Division is given in Table VI. for the year ending December 31, 1904.

TABLE VI.

FINANCIAL STATEMENT OF HIGHWAY DIVISION.

For Year Ending December 31, 1904.

Items.	Cr.		Dr.	
Town Grant for highway purposes,			$18,229	28
Balance on hand Jan. 1, 1904,			71	86
Crusher Appropriation, labor and materials,			519	00
Permanent Sidewalk, services and materials,			185	39
Street watering, services,			465	45
*Health Dept., collection offal and ashes,			1,979	17
Robbins Library, labor grading,			362	70
Locke School Playground, grading,			109	69
Appropriation for paving blocks, teaming,			125	09
Cemetery Dept., labor and materials,			144	45
Almshouse, hay and labor,			77	40
Boston Elevated Railway Co., broken stone,			391	73
Water Division, use of steam drill,			81	50
Sewer Division, Kensington road trench,			105	00
Stone dust delivered to private parties,			103	50
Miscellaneous receipts,			193	31
Work on streets,	$18,793	81		
Storm drains,	1,777	07		
Stock on hand purchased during 1904,	212	41		
Miscellaneous bills outstanding,	74	66		
Amount expended for labor and materials on Highway Division,	$20,857	95		
Amounts carried forward,	$20,857	95	$23,144	52

Amounts brought forward,	$20,857 95	$23,144 52
Amount paid for labor on work outside Highway Division included in receipts shown above,	2,264 84	
	$23,122 79	
Balance unexpended,	21 73	
	$23,144 52	$23,144 52

* After April 27th the labor was charged direct to Health Dept.

The value of the tools, implements and property of the Division and stock on hand December 31, 1904, was $10,215.

Stone Crusher. — A new stone crusher, costing $1,081, purchased by the Selectmen, has been installed and necessary changes were made to insure the most advantageous and economical results in the operation of the plant, at a total expense of $519.

The boiler has been repaired at an expense of $157.07, paid out of the Highway Division appropriation. The plant is now in good condition.

Crushed Stone. — At the beginning of work on the streets last spring there were on hand 3,000 tons of stone for crushing and 350 tons of crushed stone at the yard. This year there is but little ready to crush or crushed stone on hand, making it necessary to buy or blast stone from the ledge. The ledge stone would be more uniform in hardness and would wear more evenly and longer on the streets, which would offset any difference in cost.

Steam Drill. — We would advise the purchase of a steam drill, as the present drill is very badly worn and is not economical to operate.

Paving Stone.— The paving stone not used in the relaying of the tracks of the Boston Elevated Railway Company on Massachusetts avenue were bought by the Town at the low cost of $5.00 per thousand for paving and $8.00 per thousand for brow stone. A total of 93,760 paving and 3,596 brow stone were obtained at a cost of $497.57. The expense of teaming was $125.09, making the total cost $622.66.

Street Signs.— This matter has been carefully studied and 75 enameled iron signs were bought and are now on hand ready to set.

Steam Roller.— The roller has been supplied with a new set of front rolls and is now in a good working condition. Unless something unforeseen occurs, it will probably work for another season without further repairs except renewal or sharpening of picks.

RECOMMENDATIONS.

Massachusetts Avenue.— This avenue should receive more attention the coming year than it has for the past few years, from near Pond lane to Alewife brook on the south side, and on the north side from the brook to Henderson street. From Grove street to Brattle street on the north side it should be resurfaced with crushed stone, and many places along the entire length will require patching. The tracks of the Boston Elevated Railway Company which occupy the center of the street, cause the teams to travel along the narrow sides, thus wearing out the street faster than would be the case were the teaming distributed over the whole area of the travel-way. This very much increases the cost of repairs.

We would suggest that a portion of the avenue near Barnes lane be laid with bitulithic pavement. Particular mention is made of this place on account of the difficulty encountered in keeping a smooth surface, owing to the continuous moist condition of the street caused by the shade of the large trees.

Some provision should be made to remove the surface water at street crossings. We would suggest that an investigation of the abandoned cement water pipe be made which, if found to be suitably graded, might, at a small expense, be used for this purpose for many years.

Lake Street. — From Massachusetts avenue to the Railroad Crossing should be resurfaced this season as the street is badly worn and the centre has settled since the construction of the sewer, causing the water to stand in many places.

Linwood Street. — This street is in the same condition as Lake street. The sewer trench having settled, the surface is low and rough in the centre. It should be regraded by cutting at Belknap street and filling near the avenue, making an easier grade for teaming and providing better drainage.

Mystic Street. — Many places need resurfacing especially from Draper avenue to Old Mystic street. At the Winchester line the street should be widened to the lines established by the County Commissioners and the gutters paved.

Pleasant Street. — The street should be resurfaced this season from the Belmont line to Gray street and a storm drain laid at least for a portion of its length with suitable catchbasins and inlets located at streets leading therefrom for the removal of surface water.

Forest Street. — This year a short portion of this street was repaired, the coming year it should be completely repaired from Massachusetts avenue to the railroad.

Cliff Street. — The gutters need attention on both sides, from Oakland avenue to Linden street. They should be paved and the road bed well crowned with gravel.

Oakland Avenue. — At the time this street was built the gutters were paved with field stone and were not made wide enough to carry the water, heavy rains causing them to overflow and tear out, thus washing the street surface badly which

at the present time, is in a poor condition from Appleton street to Cliff street. The gutters should be widened and repaired. The travelway should be well crowned with gravel and protected from washouts by constructing bars at intervals to convey the water to the gutters.

Wollaston Avenue.— Edgestones have been laid on this street and the gutters paved, but the road-bed was not crowned enough to carry the water to the gutters. This street should be crowned and bars constructed to prevent further washing of the street surface.

Sidewalks.—We recommend cutting down approaches on Massachusetts avenue at junction with Court and Water streets to decrease the inclines; also that brick be used in future in place of concrete on account of its greater adaptability.

Central Street.— It is recommended that edgestones be set on Central street and the sidewalks and street be resurfaced, provided the abutters will agree to purchase the edgestones.

Maintenance Cart.— Many small depressions and holes are constantly occuring in the surfaces of the streets which soon become large defects and tend to ruin the entire street structure. To remedy these defects before they become serious, it is recommended that one or more men, horse and cart be engaged throughout the season to keep the street surfaces in repair and fill up all depressions as they occur, and at the same time to carefully inspect the travelled ways and do any other needed work. By this method much expense for extensive repairs can be saved and the annoyance to travel caused by the unevenness of the street surface can be avoided.

General Maintenance.— The above suggestions, together with the regular cleaning of catch-basins, required patching of defects and the cleaning of streets will require a larger appropriation than last year. An appropriation of $6,000.00 and the excise tax is recommended.

SEWER DIVISION.

The sewers have been under the general charge of the Town Engineer, who has directed the work of the Superintendent. The work has been conducted in the same manner as previously and the sewers have been cleaned, regularly flushed and examined and are now in good condition.

For a general description of the work reference is made to the report of the Town Engineer.

Table VII. shows the cost of construction of sewers during 1904 by streets and gives the total length of sewers in use.

Table VIII. gives the distribution of expense of the Sewer Division apportioned to construction and maintenance and net expenditure for the year.

Table IX. gives the financial statement for the year 1904, and Table X. shows the complete statement for the division to date.

Takings. — The following "Takings" of lands have been made and recorded : —

Swan place, private land for Particular Sewer purposes.

Belknap street, extension on private land for sewer purposes.

Sutherland road, portion of land for sewer purposes.

Henderson street, from Cross street to Alewife Brook for storm drain purposes.

Hearings. — One public hearing was given on the construction of a sewer in Sutherland road.

RECOMMENDATIONS.

On account of the unabsorptive nature of the ground in and about Kensington Park District and on account of present existing unsanitary conditions on Brantwood road a sewer is imper-

ative for this locality. It is recommended that sewers be constructed in portions of Brantwood road and Kensington Park, and that the existing pipe in Kensington road be connected therewith. This will involve the construction of a connecting sewer in Kensington Park and Pleasant street to Chapman street. The estimated cost of this work is $4,700.00. The probable assessments will aggregate $2,000.00.

A sewer has been asked for by the abutters on the westerly side of Acton street, but could not be constructed this year on account of lack of funds. This sewer will undoubtedly need to be constructed in the near future.

A sewer should also be provided for the district including Grove street, Dudley street and Grove street place. The sanitary conditions are here becoming rapidly worse each year, and to preserve the health of the neighborhood a sewer will soon be necessary.

From a report of the Town Engineer we find that there are eleven sewer assessments, amounting to $617.53, on which liens for collection have expired and question of previous payment is in doubt. We would respectfully suggest that provision be made by an appropriation to make this amount available to the Department.

We desire to also call attention to sewer assessments levied on public and church property amounting to $4,305.31, which have never been made available to the Department, as is the custom in other towns.

An appropriation of $1,500 is recommended for general purposes, including maintenance and special sewer construction.

TABLE VII.

COST OF SEWERS BY STREETS — 1904.

Location.	Size.	Length.	Cost of		Total Cost.	Amount of Assessments.	Cost per Foot.	Average Cut.	Character of Soil.

		$13,088 15

WATER DIVISION.

Extension of Street Mains. — In all there have been laid 230 feet of 10-inch, and 1,608 feet of 6-inch pipe to extend the High Service System at a total cost of $3,217.34 which sum was obtained by issuing a bond for $3,000 and by use of a balance of $500 in the Treasury January 1, 1904, for this purpose.

A balance of $282.66 is still available for pipe extension.

Renewal of Street Mains. — 2,907 feet of 6-inch cast iron pipe have been laid to replace cement lined pipe.

The detail cost of extensions and renewals are shown in Table XI.

The length, kind and size of pipe in use January 1, 1905, together with number of hydrants and gates on both the High and Low Service Systems are shown in the following table.

LOW SERVICE SYSTEM.

	Size, inches.	Length, feet.		Hydrants.	Gates.
Cement-lined pipe.....	12	8,530			
" " "	6	12,532			
" " "	4	17,163			
Total.....	.....	———	38,225	49	33
Iron pipe.....	12	6,771			
" "	10	5,392			
" "	8	8,580			
" "	6	22,721			
" "	4	11,904			
Total.....	.....	———	55,368	114	104
Total both kinds.....			93,593 17.72 miles.	163	137

HIGH SERVICE SYSTEM.

	Size, inches.	Length, feet.	Hydrants.	Gates.
Iron pipe.....	12	16,503		
" "	10	14,644		
" "	8	12,779		
" "	6	47,345		
" "	4	1,497		
		92,768 17.76 miles.	194	158

Total of both systems; 35.48 miles of pipe, 357 hydrants and 295 gates. In addition there are 3,910 feet of smaller pipes, 2 inch to 1 1-4 inch, which are laid in places where hydrants were not needed and the amount of water required was small.

Repairs on Mains. — There have been twelve leaks in the cement lined pipe, five of which were on Winter street, and four leaks in the cast iron pipe on the High Service System. The entire pipe on Winter street had to be renewed on account of the many and frequent breaks.

Hydrants and Gates. — The cost of caring for hydrants and gates last winter was very large owing to the great amount of snow, excessive number of fires and the extreme cold weather.

Services.—Thirty-seven new services have been added during the year, the smallest number for many years. Twenty-three on the High Service and fourteen on the Low Service Systems. Four services have been changed from the Low to the High System. There are 652 services in use on the High Service, and 1,165 on the Low Service System and 63 in use by the Sewer Division for flushing sewers.

Repairs on Services. — During the year a great many complaints have been received of insufficient pressure, which, upon

investigation have been found to be due almost wholly to rusting of pipes on the premises of the consumer.

Reservoir. — The shore of the reservoir was cleaned at an expense of $6.97. The grass about the reservoir was sold for $11.00.

Standpipe. — The ground about the standpipe was kept in proper condition, $25.00 of the expense being borne by the Metropolitan Water Board.

Great Meadows. — The expenses at the Great Meadows consist of repairs on fences, care of brook and making plan showing area to be worked by the United States Peat Coal Company.

The Pumping Station is leased to C. H. Hoffman until September 16, 1906. A small piece of land is leased to the United States Peat Coal Company, who also have the right to excavate peat in accordance with above mentioned plan, this lease expires February 14, 1908. The balance of the land is leased to Alvin S. Butterfield until April 1, 1907.

Meters. — The largest number of meters in use at any one time was 116, and the number of meters now in use is 115.

The following is an extract from the vote passed at the November 1904, Town Meeting: —

"That the Board of Public Works install meters on domestic services, as soon as possible, under present meter rates wherever the water taker is ready to bear the expense of installing the meter; a rebate is to be made on each water bill rendered equivalent to the meter rental until the sum paid for installing the meter is refunded, when the meter shall become the property of the Water Works, under whose charge it is to be at all times.

That the minimum meter rate be collectable in advance as in the case of fixture rates."

The following is the amount to be deposited and the rental per year to be paid on various meters:

SIZE	DEPOSIT TO COVER COST	RENTAL PER YEAR
5-8 inches	$10 00	$2 00
3-4 "	15 00	3 00
1 "	20 00	4 00

The rental will not be charged for the first five years; at the end of the period the amount of rentals will equal, the deposit and the meter will then be owned by the Water Works.

The minimum advance charge each six months is the meter rental plus $6.50 for water.

The following table gives the number of the various sized meters in use during the year and the uses of water.

WHERE USED.	SIZE.					Total.

Shop.— Alterations have been made in the stable end of the shop for the purpose of keeping horses of the Sewer Division, —the expense was borne by the Sewer Division.

Stock On Hand Dec. 31, 1904.

Materials,	$2,664 37	
Tools,	881 80	
Furniture, (Shop)	61 80	
Stable, horses, harnesses, etc.,	493 00	
		$4,100 97
Second-hand stock from wells,		375 00
Total at shop,		$4,475 97

Inspection and Waste.— There has not been a house to house inspection the past year, consequently there has been no check on waste. The additional fixtures installed have been obtained from the plumbers as far as possible. The Town plumbers have shown a disposition to co-operate with the Water Division in this matter, but it is almost impossible to get returns from the outside plumbers. Attention is called to the rule in regard to this matter.

"Third.— No alterations shall be made in any of the pipes or fixtures inserted by the Town, except by its agents, who are to be allowed to enter the premises supplied, to examine the apparatus and to ascertain whether there is any unnecessary waste and no alteration or extension of the pipes in the house, grounds or premises shall be made without notice to the Board of Public Works."

Table XII. gives the total expenditures in detail for construction and maintenance.

The water supplied by the Metropolitan Water Works has

been of good quality and the quantity used as measured and reported by the Metropolitan Water Board is as follows: —

Month.	Daily Average, Gallons.	Per Capita Consumption.
January	793,700	84
February	828,700	88
March	675,200	72
April	648,700	69
May	746,100	79
June	821,100	87
July	959,600	102
August	796,500	85
September	788,200	84
October	637,200	68
November	629,400	67
December	706,400	75
Average for year,	752,566 gallons,	80 gallons.

Per capita consumption is arrived at on basis of 9,400 consumers.

	$513 74	$513 74

Recommendations.— We make the following recommendations: That all cement lined pipe on the low service be replaced by iron pipe at as early a date as possible, beginning at points where the pipes are giving the most trouble and where the pressure is high. That necessary extensions be made according to established rules.

That the Board be authorized to issue bonds for extensions of water mains for a sum not exceeding $2,000.00, provided such sum is needed.

General Recommendations.— That steps be taken looking to the purchase of land for a yard and stables for the several divisions centrally located and near the railroad. Such plan will enable two pipe yards to be dispensed with, and will effect much saving in expense and render supervision more economical and effective.

Respectfully submitted,

Peter Schwamb,
William N. Winn,
Samuel E. Kimball,
Board of Public Works.

SUMMARY OF STATISTICS.

For The Year Ending December 31, 1904.

In form recommended by the New England Water Works Association.

ARLINGTON WATER WORKS.

Arlington, Middlesex County, Mass.

Population by Census of 1900, 8,603.
Date of Construction, low service, 1872; high service, 1894.
By whom owned, Town of Arlington.
Source of supply, Metropolitan Water System.

Consumption.

1. Estimated total population at date, 9,700.
2. Estimated population on lines of pipe, 9,500.
3. Estimated population supplied, 9,400.
4. Total consumption for the year, 275,410,000 gallons.
5. Passed through meters, 32,526,630 gallons.
6. Percentage of consumption metered, 12 per cent.
7. Average daily consumption, 752,567 gallons.
8. Gallons per day to each inhabitant, 78.
9. Gallons per day to each consumer, 80.
10. Gallons per day to each tap, 420.

Distribution.

MAINS.

1. Kind of pipe, cast-iron and cement.
2. Sizes, from 4-inch to 12-inch.
3. Extended 1,838 feet during year.
4. Discontinued — feet during year.
5. Total now in use, 35.48 miles.
6 Cost of repairs per mile, $5.90.
8. Length of pipes less than 4 inches diam., 3,910 feet.
9. Number of hydrants added during year (public), 6.
10 Number of hydrants (public and private) now in use, 357.
11. Number of stop gates added during year, 3.
12. Number of stop gates now in use, 295.
15. Average pressure on mains at center of Town, 90 lbs. high system; 50 lbs. low system.

SERVICES.

16. Kind of pipe, cement-lined, galvanized, cast-iron.
17. Sizes, $\frac{5}{8}$-inch to 6-inch.
21. Number of service taps added during year, 37.
22. Number now in use, 1,880.
24. Average cost of service for the year, $22.10.
25. Number of meters added, 6.
26. Number now in use, 116
27. Percentage of services metered, 6.4 per cent.
28. Percentage of receipts from metered water (B ÷ C), 12 per cent.
30. Number of motors in use, 5.

EXTRACTS FROM RULES OF WATER WORKS.

SECTION 15. The following rates will be charged annually from July 1, 1904, for the use of water, namely:

DWELLING HOUSES.

Occupied by one family, for the first faucet	$6 00
For each additional faucet to be used by the same family	2 00
For set tubs not supplied with faucets and filled by hose or other means, and for faucets supplied with portable tubs, the charge will be one-half the regular rates.	
For basins not connected, but convenient to other fittings, the rate will be $1.00 per year.	
Where a house is occupied by more than one family, one faucet only being used for all, for each family	4 00
Where a house is occupied by more than one family, the highest rates will be charged for each family having the water carried into their part of the house:	
Whenever one service-pipe supplies *four* or more tenements, the rates shall be paid by the owner, and there shall be a discount of ten per cent: *provided, however*, that in no case shall the net charge per tenement be less than thirteen dollars per year.	
For the first bath-tub	4 00
For each additional bath-tub	3 00
For bath-tubs convenient to faucets, but not connected, the rate will be $3.00 per year.	
For the first water-closet	5 00
For each additional water-closet	3 00
For hopper water-closets	8 00
For vaults flushed with kitchen sink water in case such vaults are not used in connection with a water-closet, the rate will be $2.00 per year.	
When such vaults are used in connection with a water-closet there will be no extra charge.	
Where bath-tubs or water-closets are used by more than one family, for each family	4 00
Where two faucets are used one for hot and one for cold water, and both emptying into one basin, but one charge will be made for both; *provided*, that in no case shall the charge for the use of water by a private family, exclusive of hose and stable, be more than	24 00

BOARDING HOUSES.

For the first faucet	$10 00
Each additional faucet	2 00
Water-closet or bath-tub, when used by boarders	10 00
Each additional bath-tub or water-closet	3 00

STORES, OCCUPIED AS OFFICE, SHOP, OR SIMILAR PURPOSE.

First faucet	$6 00 to $20 00
For each additional faucet	2 50
For water-closet or urinal	6 00

MARKETS, SALOONS, RESTAURANT, WORKSHOPS.

For markets, saloons, restaurants, workshops, or for purposes not included in any other classification, and not requiring more than an ordinary supply of water	$6 00 to $25 00

HOTELS.

For each bed for boarders and lodgers	$3 00
For each bath-tub in a hotel	10 00
For each water-closet in a hotel	10 00

PUBLIC BATHS.

For one tub in a public bath-house	$10 00
For each additional bath-tub	5 00
For one water-closed in a public bath-house	10 00
For each additional water-closet	3 00

STABLES.

Private Stables, For the first horse	$5 00
" For each additional horse	3 00
" For one cow	2 00
" For each additional cow	1 00
Livery club, and boarding stables. For each horse	3 00
Car and omnibus stables. For each horse	2 00
Truck and cart stables. For each horse	2 00
Provided, that in no case shall any stable be charged less than	5 00

The rates for stables include water for washing carriages without hose; when hose is used $3.00 additional.

HOSE.

The following regulations are uniform throughout the Metropolitan District for 1905: —

The use of water through hand hose, on premises where the water supply is *not* metered, shall be restricted to two hours in each day between the hours of five and eight A. M. and five and eight P. M.

The hose must be used with a nozzle not exceeding three-sixteenths of an inch in diameter, and while so used must be held in the hand of a person on the premises of the water taker.

For hose used in this manner, when supplied from the house service, the charge will be $4.00 per year. If a separate service is used the charge will be $6.00 per year. If the use of hose is desired for a longer period, a meter must be placed on the hose connection and the water must be paid for at the rates mentioned below.

The Board reserves the right to cut off all the use of water, except for domestic purposes, in case any contingency should arise requiring such a course.

STEAM BOILERS.

For each boiler in use not over twelve hours a day, for each horse power $6 00

METERS.

Water for field irrigation, greenhouses or hot houses, hot beds and wash houses must be metered at the rates mentioned below for metered water, and water may be used at all hours.

Meter rates will be as follows: —

Up to . .	20,000	cubic feet	per	six	months,	15	cents	per	100	cubic	feet.
From 20,000 to	40,000	"	"	"	"	"	13	"	"	100	"	"
" 40,000 to	100,000	"	"	"	"	"	12	"	"	100	"	"
" 100,000 to	500,000	"	"	"	"	"	11	"	"	100	"	"
Over . .	500,000	"	"	"	"	"	10	"	"	100	"	"

The following meter rents will be collected each six months in addition to the above charges: — For a $\frac{5}{8}$-inch meter, $1.00; a $\frac{3}{4}$-inch meter, $1 50; a 1-inch meter, $2.00; a $1\frac{1}{2}$-inch meter, $4 00; a 2-inch meter, $6.00.

The minimum charge for metered water for each six-monthly interval, exclusive of the meter rent, will be $6.50. In case more than one meter is used by a water taker the minimum charge for water will be $6.50 for each meter, exclusive of the meter rent. In case of meters used on hose connections the charge will be the meter rent plus that for water used. All water that passes through a meter will be charged for whether used or wasted. If a meter fails to register or records incorrectly the amount of water passing through it, the quantity to be charged for shall be determined by the average daily consumption shown by the meter when in order. It is suggested that water takers read their meters occasionally to satisfy themselves whether or not they are working, and that they immediately send notice of any irregularity to the Water Board.

Bills for metered water will be made out January 1st and July 1st.

BUILDING PURPOSES.

The minimum charge for water for building purposes is $3.00. When more than fifty casks of lime or cement are used, the charge is six cents per cask of each.

ORNAMENTAL FOUNTAINS.

Ordinarily used three hours a day for a period of not more than four months a year:

For a jet of 1-16 of an inch	$3 00
" " 1-8 " "	5 00
" " 1-4 " "	8 00

To be cut off at discretion of Superintendent.

Rebates will be allowed only during such time as the water is shut off, but no rebate will be allowed for a period less than one month. When a house is vacated the owner must notify the Water Registrar to have the water turned off. When the house is again occupied the owner is to give notice to have the water turned on. The charge for shutting off and turning on water in vacated houses is twenty-five cents for each operation.

In case one service pipe supplies several tenements, stop-cocks must be provided so that the water may be shut off from each tenement separately. When tenements are vacated the owner must at once give notice to the Water Registrar to have the water shut off and the stop-cock sealed. When the tenement is again occupied the Water Registrar must be notified to have the seal removed. Rebate will be allowed for the period the seal remains on, provided such period exceeds thirty days. If seal is disturbed or removed by other than the Water Works agents no rebate will be allowed. The charge for placing and removing seals is twenty-five cents for each operation. *All notices must be written and must be sent to the Water Registrar.*

SECTION 16 When water is required for purposes which are not specified in the foregoing tariff, the rates shall be fixed by the Board of Public Works, and the rates fixed in the foregoing tariff may be varied by the Board of Public Works whenever in particular cases in their judgment the interests of the Town shall require.

PIPE EXTENSIONS.

Vote of Town, passed April 14, 1896.

Voted:— That the Board of Public Works shall, before laying main water pipes in any street or way, require the party or parties asking for same to deposit with the Town Treasurer the sum of thirty cents for each lineal foot of pipe to be laid, less an amount equal to the established water rates for five years on the fixtures supplied at the time of laying the pipe, the said sum to

be held by said Treasurer in trust for a term of five years and at the end of said term paid into the Town Treasury to the credit of the Water Works, unless the rates actually collected during the said five years on account of fixtures supplied directly from said pipe exceed the amount originally estimated and deducted from said sum of thirty cents per lineal foot, in which case said excess shall be repaid to the depositor to the extent of the original deposit and the balance, if any, paid into the Town Treasury as aforesaid, excepting otherwise ordered by the Town.

SERVICES.

Vote of Board, passed March 30, 1904.

"That pipe for domestic service shall hereafter be furnished and laid by the Water Division to the inside of the cellar wall, the expense of said pipe on private property to be borne by the owner. The digging and filling inside the street line may be done by the owner."

LIMITS OF HIGH AND LOW SERVICE DISTRICTS.

According to an understanding with the Metropolitan Water and Sewerage Board the dividing line between the high and low systems has been made to conform as nearly as possible to contour 60 above Boston City Base. The low service district is bounded by the following streets which are to be supplied from the low service on both sides; the low service is, however, to be extended to the depth of one house-lot only on the high sides of the bounding streets: — Beginning at Mystic Lake, Fairview avenue to Mystic street; Mystic street to Summer street; Summer street to Grove street; Grove street to Massachusetts avenue, including Grove street place and Dudley street as far as Brattle street; Massachusetts avenue to Academy street; Academy street to Maple street; Maple street to Pleasant street; Pleasant street to the Belmont Line, including Pelham terrace.

It is understood that either the high or the low service may be used on Massachusetts avenue between Brattle street and Grove street, also that for purposes of fire protection the high service may be extended into the low service district.

REPORT OF THE TOWN CLERK.

DOGS REGISTERED.

Males,	322
Females,	36
Whole number registered,	358
Number of licenses in 1903,	314
Paid to County Treasurer,	$752 40

I have examined the Town Clerk's record of Dog Licenses and found the same correct, with receipts from the County Treasurer for the above amount.

(Signed) Elbert L. Churchill,
Auditor.

BIRTHS AND MARRIAGES REGISTERED DURING THE YEAR 1904.

Total number of births registered,	229
Females,	101
Males,	128
Born in Arlington,	228
Born in other places,	1

The parentage of the children born was as follows : —

Born in United States, both parties,	90
Born in foreign countries, both parties,	82
Born in United States, one parent,	49
Born in foreign countries, one parent,	49
Born in Arlington, one or both parties,	60

MARRIAGES.

WILLIAM A. MULLER,
Town Treasurer.

Arlington, Dec. 31, 1994.

ARLINGTON, December 31, 1904.

I have examined the accounts of William A. Muller, Treasurer of the Town of Arlington, and find the same correct, agreeing with the Auditor's books.

Amount of Cash on hand December 31, 1904, is $19,785.76, as stated.

E. L. CHURCHILL,
Auditor.

HARVEY S. SEARS,
Collector of Taxes.

Arlington, December 31, 1904.

AUDITOR'S REPORT.

The Auditor, in accordance with the provisions of Article 16, of the Town's By-laws, adopted in March, 1903, presents his report for the financial year 1904.

The Auditor has examined the securities and accounts of the following trust funds, and finds the securities on hand as stated and the accounts as printed elsewhere, correct:

Elbridge Farmer Fund.
Commissioners of Sinking Fund.
Pratt Fund.
High School Income Fund.
E. Nelson Blake, Jr., Memorial Fund.
Martha M. W. Russell School Fund.
" " " " Poor Widows' Fund.
William Cutter School Fund.
Poor Widows' Fund.
Military Fund.
Citizen's Soldiers' Fund.
Henry Mott Library Fund.
Timothy Wellington Fund.
Julia Fillebrown Fund.
*Samuel C. Buckman Fund.

The following deficits are shown in the Auditor's balances : —

a.	Non-resident Bank Tax,	$20 70
b.	Soldier's Relief,	30 24
c.	Abatement of Taxes,	127 85
d.	Expense for collecting Back Taxes,	13 65
e.	Tax and Sewer Assessment Suspense Account,	33 55

a. Non-resident Bank Tax. The Assessors committed $243.10 to the Collector of Taxes for collection. The State Treasurer, however, called for $263.80, causing this deficit.

b. Soldier's Relief. The State Law requires that relief provided for sick and disabled soldiers be kept in a separate account, designated "Soldier's Relief." The above amount was paid for this purpose during the year, and as the Town had made no appropriation for same the above amount stands as an overdraft, and must be provided for by the Town.

c. Abatement of Taxes. A large number of abatements were made by the Assessors during the year, amounting in all to $9,162.78. The appropriations by the Town for this purpose amounted to $9,534.93, leaving the above deficit, which must be provided for by the Town.

d. Expense for collecting Back Taxes. The Committee, consisting of the Assessors and the Committee of Five, having in charge the collection of Back Taxes, were obliged to employ an officer to serve warrants. The expense was charged by recommendation of the Selectmen to above account. The amount collected from tax-payers for warrants has been credited, leaving above balance. These deficits must be taken care of by the Town.

e. Tax and Sewer Assessment Suspense Account. The Auditor was obliged to open this account, comprising Taxes and

Sewer Assessments, which were established as misappropriated, or otherwise wrongly charged to Collector of Taxes.

A list of unpaid taxes is in the Auditor's office and agrees with his books. The Collector's and Treasurer's books have been examined and agree with the Auditor's books. The Cemetery account and Dog Tax account kept by the Town Clerk have been examined and found correct.

On April 7, 1904, the Town voted "that all departments furnish the Auditor with a list of all unpaid bills up to and including Dec. 31st of each year, showing to whom due, for what due, and the amounts, and that the Auditor be authorized to incorporate the same in his annual report."

Early in November, 1904, the Auditor sent a written communication to the heads of the several Town Departments and Committees calling their attention to the above vote.

The only list received is from the School Committee, which shows a total of $270.76, and the items making up this amount were given in detail and are on file in the Auditor's office.

As this is the only official report, it is understood by the Auditor that no other outstanding bills against 1904 appropriations will be presented for his approval. Should there be any 1904 bills remaining unpaid in excess of the amount of unexpended balances standing to the credit of the departments Dec. 31, 1904, the Auditor understands that such bills must be provided for by special appropriation of the Town before the Auditor can approve same for payment.

ELBERT L. CHURCHILL,
Auditor.

---

*A portion of a bequest under the will of the late Samuel C. Buckman was left to his executors to be expended under their direction for the benefit of the High School of the Town of Arlington. These funds and the accrued interest thereon have been expended from time to time, and the entire fund is

now exhausted. None of the money in connection with this bequest was either received or paid out by the Town Treasurer, and therefore it does not enter into the Town Accounts, but in order to comply with the law passed at the last session of the Massachusetts Legislature, requiring that all accounts and securities of trust funds, the principal and interest of which shall in whole or in part be devoted to the use of any city or town in the Commonwealth of Massachusetts, be examined at least once a year by the auditor of such city or town, and incorporated in the annual report of such city or town, the following statement is inserted: —

Statement of Trust Fund given by the late Samuel C. Buckman to his executors in trust for the benefit of the High School.

REPORT OF THE BOARD OF ASSESSORS.

The subscribed members of the Board of Assessors submit the following report for the year 1904.

Mr. Lucian C. Tyler who has been a member of this Board since 1894, died on September twenty-third. He was a man of good judgment, honest, conscientious and courteous, always interested in his work, his loss will long be felt by his associates and the Town.

During the past year we believe the Town has made in comparison to the neighboring towns a satisfactory growth. While personal property, the assessment of which is the hardest duty of the assessor, shows a decrease from last year, still the total valuation of the Town has increased some fourteen per cent. in five years.

During the current year a determined effort has been made by the Collector and Assessors to clean up all the old accounts, and with most satisfactory results.

Metropolitan Taxes are constantly increasing. The Metropolitan Park Tax, for which we have as yet received absolutely no benefit and indeed a loss, requires an appropriation of some $5,000. The Grade Crossing Tax for 1904 was nearly $2,500. County and State Taxes will both probably be much more in 1905 than in 1903, the State Tax probably twice or three times as much, although the State relieves us from the care of the insane.

The Town has never had a foot of the State Highway and we would recommend taking necessary action to secure our share of the same and would suggest as a proper place for the

same a thoroughfare from Summer and Pine streets to, and through New Bow street to Lowell street or the extension of Gray street to Arlington Heights.

We recommend the appropriation of $2,000 for abatements during the year 1905.

During the year your Board have made several visits to the State House and have increased the Bank and Corporation Taxes several hundred dollars by so doing. We would suggest that citizens owning bank and corporation stock, taxed by the State, make special effort to have the address of such stock properly addressed as Arlington.

During the past ten years the clerical work of this department has increased very rapidly and will continue to do so as the Town increases in valuation and population. New duties are added from time to time. No provision has ever been made to pay the expenses of the department, the expenses being paid out of the general incidental fund. We believe it much better to have each department as much as possible responsible to the Town and its expenses kept separate. We recommend an appropriation of $500 for incidental expenses.

The Board meets Thursday afternoons at their room in the Town Hall Building and they are always pleased to meet any one who is interested in the welfare of the Town or to receive at any time suggestions in regard to the assessment of property.

Respectfully submitted,

O. W. WHITTEMORE,
L. D. BRADLEY,
Assessors of Arlington.

December 31, 1904.

Edward Mears, *Janitor.*

BY-LAWS OF THE TOWN OF ARLINGTON.

[Compiled by the Committee of Five as authorized by vote of the Town, November 24, 1902.]

ARTICLE I.

NOTIFICATION OF TOWN MEETINGS.

Every Town meeting shall be notified by posting a copy of the warrant calling the same, on the doors of the Town Hall, seven days, at least, before the day appointed for said meeting; and a printed notice containing the substance of the warrant shall be left at every dwelling house in the Town. Also notice of time of the meeting or of the date of its adjournment shall be published in the local papers.

ARTICLE II.

RULES FOR THE GOVERNMENT OF TOWN MEETINGS.

SECTION 1. No final vote shall be reconsidered except upon notice, for that purpose, made by one of the majority acting thereon, within fifteen minutes after such vote has been passed; and no article in the warrant shall be again taken into consideration after it has been disposed of, unless ordered by a vote of two-thirds of the voters present.

SEC. 2. No person shall speak more than twice upon any question, without first obtaining leave of the meeting, except for the correction of an error, or to make an explanation; and not until others who have not spoken upon the question shall speak, if they desire to.

SEC. 3. All questions submitted for the consideration of the Town, involving the expenditure of money, shall be in writing, and all other motions shall be reduced to writing, if required by the presiding officer.

SEC. 4. Every person speaking shall address the Chair, standing and uncovered.

SEC. 5. No vote, fixing the period for closing a ballot, shall be reconsidered after such ballot shall have commenced; but it may be in order to extend the period without such re-consideration.

SEC. 6. When a question is under debate, motions shall be received, to adjourn, to lie on the table, the previous question, to postpone indefinitely, to postpone to a time certain, to commit or to amend. Which several motions shall have precedence in the order which they are arranged. The first four shall be decided without debate.

SEC. 7. The duties of the presiding officer, not specially provided for by law, or by the foregoing rules, shall be determined by the rules of

practice contained in Cushing's Manual, so far as they are adapted to the condition and powers of the Town.

SEC. 8. On all questions submitted for the consideration of the Town involving the expenditure of money, the ballot and check list shall be used when requested by twelve or more legal voters present at the meeting.

ARTICLE III.

FINANCIAL YEAR.

The financial year of the Town shall begin with the first day of January in each year, and end with the thirty-first day of December, following.

ARTICLE IV.

ANNUAL TOWN MEETING.

The Annual Town Meeting shall be on the first Monday of March in each year, and all reports of Town Officers shall be made at that time.

ARTICLE V.

REPORTS OF COMMITTEES.

No action shall be had at any Town meeting on the report of any Committee previously chosen, unless the same shall be specially notified in the warrant for calling said meeting.

ARTICLE VI.

MEETINGS OF TOWN OFFICERS.

The Selectmen, Overseers of the Poor, Surveyors of Highways, Treasurer, and Clerk, shall meet for the transaction of the business of their respective departments, at their rooms in the Town Hall, on the last Monday evening of each month.

ARTICLE VII.

POWER OF THE SELECTMEN TO BORROW MONEY.

The Selectmen may authorize the Treasurer to borrow money temporarily on the credit of the Town, in anticipation of the collection of the taxes, should the same be necessary, and to give Town notes for the same, signed by him as Town Treasurer; said notes to be countersigned by the Selectmen.

ARTICLE VIII.

COLLECTION OF TAXES.

SECTION 1. The assessment of all taxes shall be completed, and a list of the same delivered to the Collector on or before the first day of August, and all tax bills shall be delivered on or before the twentieth day of August of each year.

SEC. 2. All single poll taxes shall be paid in fourteen days after demand. Interest shall be charged on all unpaid taxes after November first of the year in which they are assessed.

SEC. 3. The Collector shall collect all taxes, including street watering and apportioned sewer assessments, levied in any year, before June first of the following year.

SEC. 4. The Collector shall hold no other Town office.

ARTICLE IX.

PUBLIC WAYS.

SECTION 1. All persons intending to erect, repair or take down any building, on land abutting on any way which this Town is obliged to keep in repair, and who desire to make use of any portion of said way for the purpose of placing thereon building materials or rubbish, shall, ten days at least before so placing any building material or rubbish, give notice, in writing to the Selectmen, of such wish, and thereupon the Selectmen may grant a permit to occupy such a portion of said way to be used for such purpose as in their judgment the necessity of the case demands, and the security of the public allows such permit in no case to be in force longer than ninety days, and to be on such conditions as the Selectmen may require; and in every case, upon condition that during the whole of every night, from twilight in the evening until sunrise in the morning, lighted lanterns shall be so placed as effectually to secure all travellers from liability to come in contact with such building material or rubbish.

SEC. 2. Whoever shall use any portion of any way which the Town of Arlington is obliged to keep in repair, without the permit, in writing, of the Selectmen, as above provided, or having obtained such permit, shall fail to comply with the conditions thereof, shall forfeit and pay the sum of ten dollars for each offence, and shall also reimburse the Town for all damages and expenses which the Town may be compelled to pay by reason of the way being encumbered.

SEC. 3. Whoever shall move, or assist in moving, any building more than ten feet high, over any way in this Town, which this Town is obliged to keep in repair, without the written permit of the Selectmen being first obtained, or having obtained such permit, shall not comply with the restrictions and provisions thereof, shall forfeit and pay the sum of twenty dollars for every such offence.

SEC. 4. Whoever shall suffer horses, goats, or grazing beasts, or swine to run at large in this Town, or to feed by the roadside, either with or without a keeper, shall forfeit and pay the sum of five dollars for every such offence.

SEC. 5. Whoever shall drive or draw any coach, cart, or wheel-barrow, handcart, velocipede, bicycle, or any carriages of burden or pleasure (excepting children's carriages drawn by hand, or children's velocipedes), upon any sidewalk, in the Town, or permit any horse, cattle, swine, sheep or goats, under his or her care, to go upon any sidewalk in the Town, so as to interfere with the convenient use of the same by all passengers, shall forfeit and pay a sum of not less than two dollars, or more than twenty dollars for every such offence.

SEC. 6. Whoever shall behave himself in a rude or disorderly manner, or use any indecent, profane or insulting language, in any public place in the Town, or near any dwelling house, or other building therein, or be, or remain upon any sidewalk, or upon any doorstep, portico, or other projection of any house or other building, not his own, to the annoyance or disturbance of any person, or by any noise, or other means, wantonly and designedly frighten any horse in any street, or other public place in the Town, or shall throw stones, snow-balls, sticks or other missles, or kick at foot-ball, or play at any game in which a ball is used, or fly any kite in the public ways in the Town, shall forfeit and pay for each offence, not less than three dollars, and not more than twenty dollars.

SEC. 7. Whoever shall stand in any public way in such a manner as to obstruct a free passage for passengers, or shall make any bonfires in any public way or place in the Town, shall forfeit and pay for each offence, not less than three dollars, and not more than twenty dollars.

SEC. 8. Whoever posts, affixes, or in any way attaches any poster, handbill, notice, advertisement or placard to or upon any post, wall, fence, building or structure, not his own, without permission of the owner or proprietor of such post, wall, fence, building or structure, shall forfeit and pay for each offence, not less than three dollars, and not more than twenty dollars.

SEC. 9. Whoever paints, draws, or stamps any letter, notice, figure, advertisement, or marks upon or into any wall, fence, post, tree, building or structure not his own, without the permission of the owner of such wall, fence, post, tree, building or structure, or without said permission mars, defaces, or disfigures in any way such wall, fence, post, tree, building or structure, shall forfeit and pay for each offence, not less than three dollars, and not more than twenty dollars.

SEC. 10. Whoever shall place or cause to be placed upon any of the public ways of the Town, or shall place or cause to be placed upon any public way, footpath or sidewalk within the Town, any lumber, iron, coal, trunks, bales, boxes, crates, casks, barrels, packages or other things, or shall otherwise obstruct such way by placing things therein, for more than fifteen minutes after being notified by a Constable, Police Officer, or the Selectmen, shall forfeit and pay for each offence, not less than two dollars, and not more than five dollars.

SEC. 11. Whenever complaint shall be made to the Selectmen that coasting on any street or sidewalk in the Town, has become dangerous to the public safety, they may post up a notice in some conspicuous place on the side or corner of any such street or sidewalk, forbidding all persons to coast upon the same; and if any person shall be found coasting upon the same after such notice, he shall forfeit and pay not less than one dollar, and not more than five dollars.

SEC. 12. No person shall tie or fasten any horse to, or have the same standing by any ornamental or shade tree in or near any of the streets, lanes or places of this Town, so near as to injure any unprotected tree,

or wrongfully injure or abuse such tree in any manner; and whoever violates the provisions of this section, shall forfeit and pay not less than one dollar, and not more than ten dollars.

ARTICLE X.

PUBLIC HEALTH.

SECTION 1. No person shall drive, or cause to be driven, any cart or wagon containing night-soil or offal, or any cart or wagon used for that purpose, through any public way in the Town, between the hours of six A.M. and nine P.M., except an odorless tank, nor permit any such wagon or cart to stand, between said hours, in any street, lane or alley in said Town.

SEC. 2. No person shall keep any swine within a distance of fifty feet of any public way or place, or within a distance of one hundred feet of any dwelling house not his own, or within a distance of twenty-five feet of his own dwelling house. No person shall, after January 1, 1902, keep within the limits of the Town, more than five swine, exclusive of offspring less than four months old of said five swine. Whoever violates any of the provisions of this section shall be punished by fine not exceeding twenty dollars for each offence.

SEC. 3. No person shall put or suffer to accumulate on his premises, any refuse, animal or vegetable matter, rubbish or filth, whereby any offensive or noxious stench or effluvia shall be created, and the health or comfort of the citizens be injuriously affected, or shall throw any such substances into the ponds, streams or brooks of the Town, or shall allow the contents of any vault or house drain, or the refuse of manufacturing or slaughtering process to drain into such ponds, streams or brooks.

SEC. 4. No person, without the license of the Board of Selectmen, shall throw into, or leave in, or upon any street, court, square, lane, alley, public square, public enclosure, vacant lot, or any pond or body of water within the limits of the Town, any dead animal, dirt, manure, oyster, clam or lobster shells, ashes, cinders, waste paper, rubbish or filth of any kind, or any refuse animal or vegetable matter whatever.

SEC. 5. No vehicle used for collecting or conveying swill or house offal, shall be drawn over, or allowed to stand upon any sidewalks in this Town.

ARTICLE XI.

TRUANTS AND ABSENTEES.

SECTION 1. Any child between the ages of seven and fifteen years, who shall absent himself from the public school to which he is assigned, three times, within the period of one month, without sufficient excuse from his parent or guardian, shall, in each case, be deemed to be an habitual truant.

SEC. 2. Any child convicted of offending under the preceding by-law, shall be committed to the Institution of Instruction and House of

Reformation of Juvenile Offenders, in the city of Lowell, for such time not exceeding two years, as the Court of Justice having, by law, jurisdiction may determine.

SEC. 3. The said Institution of Instruction and House of Reformation of Juvenile Offenders, in the city of Lowell, is hereby provided as the place for the confinement, discipline and instruction of habitual truants.

SEC. 4. It shall be the duty of every truant officer, before making any complaint for offences under these by-laws, to notify the offending child and his parent or guardian of the offence committed, and of the penalty thereof, and if the truant officer can obtain satisfactory pledges for the restraint and reformation of the child, he may, in his discretion, forbear to prosecute, so long as such pledges are faithfully observed and kept.

SEC. 5. All children between the ages of seven and fifteen years, wandering about in the streets and public places of this Town, having no lawful occupation or business, not attending school, and growing up in ignorance, shall be punished by a fine not exceeding twenty dollars, or by commitment to any institution of instruction, house of reformation, or suitable situation, provided for the purpose under the authority of the tenth section of chapter 48th of the Public Statutes.

ARTICLE XII.

No person shall bathe or swim in Spy Pond, or in any public or exposed place in the Town, without wearing a proper covering to the body.

ARTICLE XIII.

SECTION 1. No person shall blast any rock or other substance with gunpowder, or other explosive material, at any place within fifty rods of any public way or building, without a written permit from the Board of Selectmen, specifying the terms and conditions on which such permit is granted.

SEC. 4. No person shall, except in the performance of some legal duty, discharge any firearms upon or across any public park, play ground, street or way, within the limits of the town, except by permission of the Board of Selectmen.

SEC. 5. No person shall be a dealer in, or keep a shop for the purchase, sale or barter of junk, old metals, or second-hand articles, unless licensed by the Selectmen.

SEC. 6. No wagon shall be used for the collection of junk, metals, rags, or second-hand articles, unless licensed by the Selectmen. Every such wagon shall bear conspicuously the owner's name and the number of the license, on the outside and on each side. Every license shall designate the person employed to drive such vehicle. Such driver shall not be changed without the consent of the Selectmen.

SEC. 7. It shall be the duty of the Town Clerk to keep a record of the name and residence of every peddler licensed by the Town.

SEC. 8. No person shall permit any team under his care or control to stand across any public highway or street in such a manner as to obstruct the travel over the same, and no person shall stop with any team in any public street at the side of or near to another team as to obstruct public travel, and no person shall stop with any team or carriage upon or across any cross-walk in any street or highway in the Town.

Any person who shall violate any provisions of these by-laws, or who shall refuse or neglect to obey any order of the Board of Health, duly issued under these by-laws, and directed to him and properly served on him, shall, in cases not otherwise provided for, forfeit and pay for each offence a fine not exceeding twenty dollars. (Note. This paragraph comprises the whole of Article XIII, as approved November 11, 1882.)

ARTICLE XIV.

Prosecutions for offences under these by-laws may be made by any Constable or Police Officer of the Town, and all fines shall be paid into the Town Treasury.

ARTICLE XV.

Upon the approval of the foregoing by-laws by the Superior Court, all by-laws heretofore existing, except the by-laws relating to the Public Library, the Cemeteries and the Fire Department, shall be annulled and repealed. (Note. This Article was approved November 11, 1882.)

ARTICLE XVI.

SECTION 1. Beginning with the year 1903, only one Auditor shall be elected. It shall be the duty of the Auditor, in addition to the duties imposed on him by law, to make statements to the Selectmen, at regular intervals during a financial year, of the conditions of the several departments of the Town; to inspect all bills presented against the Town, see that they have the approval of the board or committee contracting the same, and are in proper form, indicate the account to which they are chargeable, and if there are available funds, shall transmit the same with his certificate to the Treasurer, and draw a warrant authorizing payment thereof; to examine the books of the Treasurer, Collector, Water Board, Sewer Department, and all departments holding funds or trust funds for the benefit of the Town and report at the next annual Town Meeting in detail, under their respective heads, all the receipts and expenditures by the Town for the previous year. Said report shall be printed by the Selectmen with the annual reports of the Town Officers before the annual meeting. Said Auditor shall receive for his services such compensation as the Town shall determine. The term of the present Auditors shall terminate with the annual Town Meeting of 1903.

No money, except State and County taxes and principal and interest of Town notes, shall be paid from the Town treasury without a warrant therefor, signed by the Auditor.

All promissory notes of the Town shall be signed by the Treasurer and countersigned by the Selectmen.

On the first secular day of each month, and often as the amount in his hands reaches five hundred dollars ($500) or upwards the Collector shall pay over to the Treasurer of the Town all taxes by him collected, and shall on or before the first secular day of January in each year, make up his annual account, and render the same to the Selectmen.

The Treasurer shall, on the first secular day of January, annually render to the Selectmen, in writing, a full account of all his receipts and disbursements for the financial year last past.

At the conclusion of any Town Meeting the Town Clerk shall send to the Auditor a certificate stating the amounts of the several appropriations made by the Town.

ARTICLE XVII.

The Treasurer shall hold no other Town office.

BY-LAWS RELATING TO THE CONSTRUCTION OF BUILDINGS IN THE TOWN OF ARLINGTON.

[Approved by the Superior Court, April 22, 1901.]

SECTION 1. An Inspector of Buildings shall be appointed annually by the Selectmen during the month of March, and he shall continue to hold his office until his successor has been appointed and qualified. He shall not be interested in any contract or engagement for furnishing labor or materials or plans for the construction or alteration of any building in the Town. Until such time as the Town makes an appropriation for the salary of such Inspector, the Board of Selectmen shall perform the duties of the office.

SEC. 2. The Inspector shall have free access to and examine all buildings in course of construction, alteration and repair and see that all by-laws of the Town in relation thereto are complied with, and when necessary, shall take proper measures to secure compliance. He shall make an annual report of his work to the Selectmen, with such recommendations as he may deem best. Upon hearing that any building is in a dangerous or unsafe condition, he shall examine it and if he deems it necessary, shall notify the owner, agent, or other party interested therein, to make it safe and secure, and if they do not comply with his notice, he shall notify the Selectmen of the facts. He shall from time to time examine all buildings used or proposed to be used for public assemblages or for school or manufacturing purposes, to see if the State requirements as to such buildings are complied with, and in case of any non-compliance he shall at once notify the State Inspector of Factories and Public Buildings. He shall perform such other duties as may be prescribed by these by-laws.

SEC. 3. No building except sheds, outhouses and farm buildings, other than dwellings, shall hereafter be erected in the Town of Arlington, and no addition to or alteration changing the character of any such building shall be made, unless the person intending to erect or make such alterations in such buildings shall, seven days at least before he proceeds to build or erect the same, or lay the foundation thereof, or to make the said alterations, or to do any act for carrying into execution his intention to do such things, file with the Inspector of Buildings notice in writing of his intention, with such plans and specifications or a full written description of the structure to be erected, in such form as may be approved by the Inspector.

SEC. 4. The Inspector shall give a permit for the erection of, addition to, or alteration above described, of any building after he has carefully inspected the plans, specifications, or descriptions thereof, and ascer-

tained that it has sufficient strength, and that means of ingress and egress and of preventing spread of fire are sufficient, and that it otherwise conforms to the by-laws of the Town.

SEC. 5. The foundations of all buildings for dwelling, business or manufacturing purposes, shall be walls of masonry and piers of masonry or iron, and above a distance of twelve inches below the surface of the adjoining ground the walls shall be laid in mortar. All such wooden buildings not more than one story in height may, with the approval of the Inspector, be built wholly on piers or posts; and such wooden buildings not exceeding three stories in height may be so built, with the approval in writing of the Selectmen. The foundation of all such permanent buildings must rest on solid ground or levelled surfaces of solid rock, or on piles, concrete, or other solid substructure. Such foundation other than solid rock must be not less than four feet below the adjacent surface of the ground exposed to frost. All such wooden buildings shall be framed and constructed in a manner satisfactory to the Inspector, posts and girts in the exterior walls to be not less than 4 x 6 inches in size, and studding shall not be more than sixteen inches apart.

EXTERNAL WALLS.

SEC. 6. External walls of brick dwelling-houses hereafter to be erected in this Town, if not more than twelve feet in height above the foundation walls, shall not be less than eight inches thick for their entire height; if two stories, and not more than twenty-five feet in height, they shall be not less than twelve inches thick to the top of the second floor, and not less than eight inches thick for the remaining height; and if three stories, and more than twenty-five feet in height, they shall be not less than twelve inches thick to the top of the third floor, and not less than eight inches thick for the remaining height.

SEC. 7. The external walls of all brick buildings, other than dwelling houses, to be hereafter erected in this Town, if not more than forty feet in height above the foundation walls, shall be not less than sixteen inches thick to the top of the upper floor, and not less than twelve inches thick for the remaining height; and if more than forty feet in height and not exceeding sixty feet in height, they shall be not less than twenty inches thick to the top of the second floor, and not less than sixteen inches thick to the top of the third floor, and not less than twelve inches thick for the remaining height. PROVIDED, *However*, that the external walls of brick buildings, not exceeding twenty-five feet in height, and covering an area not exceeding two thousand square feet, to be used for stables or light mechanical purposes, may be twelve inches thick.

SEC. 8. No buildings, except a manufactory, railway station, stable, church, school-house, hotel, or hall for public assemblies, shall hereafter be erected, and no existing building shall hereafter be altered or added to, so that they have a frontage of more than fifty feet, without one or more partition walls of brick or some other fire resisting material, ex-

tending from the bottom of the cellar, or from a foundation wall to the under side of the roof boarding, which shall be laid and be imbedded in mortar upon said wall. Such walls shall be not more than thirty feet apart throughout the length of the building. If said wall is built of brick, it shall be not less than eight inches thick for its entire height. No existing building having a frontage of more than fifty feet, shall be converted to a use not excepted by this section, without at least one partition wall, constructed as described in this section: PROVIDED, *However*, that any single dwelling house, intended for one family, may be extended more than fifty feet in one direction without such partition wall.

SEC. 9. All buildings hereafter erected which are to be used in whole or in part for business or manufacturing purposes, or as places for public meetings, shall be constructed of brick or stone, and have slate, metal or composition roof-covering and metal gutters, unless permission is otherwise given by the Board of Selectmen.

SEC. 10. All buildings hereafter erected to be used as tenement houses, in excess of thirty feet in width, shall have brick partition walls on which floor beams shall rest, not less than twelve inches thick for their entire height, and extending to the under side of the roof-boarding, which shall be laid and be imbedded in mortar upon said wall. Said walls shall be not more than twenty-five feet apart. All dwelling houses shall have a fire-proof partition wall between each set of up and down tenements.

SEC. 11. No wooden building to be used for a dwelling house shall exceed forty-five feet in height, and no portion of the external side-walls of any wooden building shall be placed at a less distance than five feet from the line of the lot upon which the building is to be located, or within ten feet of another wooden building, except where a brick external wall is substituted for a wooden wall, and of a thickness prescribed for external walls of brick buildings. The brick walls above required shall be built twelve inches above roof-boarding and covered with stone or iron.

SEC. 12. Party walls and all partition walls of brick, in all buildings other than dwelling houses hereafter to be erected in this Town with external walls not exceeding forty feet in height, shall be not less than sixteen inches thick to the top of the second floor, and not less than twelve inches thick for the remaining height, and, in buildings having external walls exceeding forty feet in height, said walls shall be not less than twenty inches thick to the top of the second floor, not less than sixteen inches thick to the top of the third floor, and not less than twelve inches thick for the remaining height.

SEC. 13. No opening or doorway shall be cut through or formed in a party or partition wall of any building, without a permit from the Inspector of Buildings, and every such doorway shall have its top, bottom and sides of stone, brick or iron, and shall be closed by two doors, or sets of doors of wood, covered with metal, with an air space between

them of at least four inches, and said doors shall be hung in wooden frames entirely covered with metal, or to iron hinges in brick or stone rabbets.

PIERS AND COLUMNS.

SEC. 14. All piers shall be built of the best quality of good, well-burnt, hard brick, laid in cement and sand mortar and well wet when laid in warm weather. Brick piers under lintels, girders or columns of brick buildings shall have a cap iron at least two inches thick, the full size of the pier. Brick piers and buttresses shall be bonded with through courses, levelled and bedded, each course, and where their foundations rest upon piles, a sufficient number shall be driven to insure a proper support.

SEC. 15. Every pier, column, pillar or post resting on the earth shall have a base course of stone or concrete and if supporting walls of masonry, shall have for a footing course a broad leveller of granite or ledge stone, not less than twelve inches wider on all sides than the bottom area of said piers, columns, pillars or posts, and not less than twelve inches thick.

SEC. 16. Every metal column in a brick building shall rest on an iron plate of not less thickness than two inches. Wooden columns supporting girders and floors in such buildings shall rest on inch and a half iron plates with sockets to receive the foot of the columns. Metal columns placed one on the top of another shall have a plate at the top of each column, with projections on both sides to fit into cap and base of columns, to prevent slipping; and all columns shall have holes bored when and where directed by the Inspector, into and through the shell at right angles to the shaft, so as to show the thickness of shell. All bearing parts of columns and plates shall be turned or planed to true surfaces.

SEC. 17. No roof water from any building shall be allowed to flow over the sidewalk fronting it.

SEC. 18. All brick walls shall be built with proper bond, satisfactory to the Inspector, and all intersections of walls shall be tied together with wrought iron straps every ten feet in height. Floor beams shall be anchored to brick walls on which they rest, and to each other, so as to form continuous ties across the building at least every ten feet.

SEC. 19. All floors shall be constructed to carry safely the following weights per square foot:

Dwellings	40 lbs.
Mercantile and Public Buildings	100 "
Storehouses — Machine Shops	200 "
Drill Sheds, etc.	200 "

CHIMNEYS AND HEATING APPARATUS.

SEC. 20. All chimneys hereafter erected shall be built from the ground, of brick, stone, or other fire-proof non-heat-conducting materials, and shall be built plumb, or nearly so, so as to be self-sustain-

ing; PROVIDED, *However*, that brick flues may be securely built into the brick work of the walls of the building to which they are hung, when the walls are not less than twelve inches thick; and PROVIDED, ALSO, that, upon special permission first obtained from the Inspector, other forms of support may be used with such special safeguards as he may require, and provided, also, that the matter of construction of chimneys in small wooden buildings other than dwelling houses, not more than one story and a half in height, shall be left to the decision of the Inspector of Buildings, but must be constructed in accordance with his instructions and to his satisfaction.

SEC. 21. All brick chimney-flues shall be built of hard burned brick and be smoothly plastered inside with mortar from top to bottom, during the course of construction, and also outside below the roofing after having been examined and approved by the Inspector of Buildings; except that exposed portions of said chimneys may be left unplastered upon the outside. Said chimneys shall be topped out with brick or stone, laid in cement, and the topping out shall not have more than two inches projection, unless the bricks are covered by a cap of stone or other non-combustible material in one piece, properly secured and approved by the Inspector; and in no case shall a nail be driven into the masonry of any flue.

SEC. 22. No smoke-pipe in any building with wooden or combustible floors or ceilings shall hereafter enter any flue except at a distance not less than twelve inches from said floor or ceiling; and in all cases where smoke-pipes pass through stud or wooden partitions of any kind, whether the same be plastered or not they shall be guarded by a soapstone ring having a thickness radial to said pipe of not less than two inches, and extending through said partition, and in cases where smoke-pipes pass through wood work of any kind in such near proximity to the brick work of the flue that the space between said wood work and flue is inaccessible, said pipe shall be guarded by a soapstone ring or thimble, or its equivalent, having a thickness of at least two inches, and extending from the outer face of said wood work to a point at least two inches within the brick work of the flue, in which it shall be firmly set.

SEC. 23. All hearths shall be supported upon trimmer arches of brick or stone, or upon bars of iron supporting a bed of brick work and shall be at least twelve inches longer than the width of the fireplace openings and at least eighteen inches wide in front of the chimney breast. Wooden centering supporting a trimmer arch shall be removed before plastering.

SEC. 24. Brick work back of all grates, fireplaces and ranges shall be not less than eight inches thick, and when it adjoins a wooden or stud partition shall have at least two four-inch walls, with at least a two-inch air space between. No wood work shall be secured to the brick work of any flue. Open fire-places shall have fire-proof foundations.

SEC. 25. (*a*). No furnace or range set in masonry shall hereafter be placed, or its location changed in any building, without a permit from

the Inspector of Buildings, who shall prescribe such regulation for the setting or placing thereof as in his judgment the public safety may require.

(*b*). The top of every heating furnace or steam boiler shall be kept at least one foot below the lowest part of the ceiling or floor next above it and such protective covering shall be placed on such ceiling as the Inspector may require.

(*c*). All register boxes shall be set in soapstone or similar borders, not less than two inches in width and said boxes back of such border shall be surrounded by an open space of not less than one inch in all directions, and when required by the Inspector the timbers and flooring surrounding the boxes shall be protected by sheet metal as he may direct.

(*d*). All elevator wells and light shafts, unless built of brick, must be filled in flush between the wooden studs with fire-proof materials, or lined with metal or plastered on metallic lathing, as may be directed by the Inspector, and all wood work inside of such wells or shaft, be lined with tin plate lock-jointed.

(*e*). Where floor beams rest on partition caps or on girders, wall girts or wooden sills, fill in between such beams, from the caps, girders, girts or sills to the lining floor above, solid with brick and mortar or other fire-proof material.

(*f*). When floor beams in frame buildings rest on ledger boards, fire-stop thoroughly at each floor, with brick and mortar resting on bridging pieces cut in between the studs, or, where practicable, on the ends of lining floor.

(*g*). In brick buildings the space between the furrings on the outside walls or brick partitions should be filled flush with mortar for a space of five inches in width above and below the floor beams of each story.

(*h*). Where basement or other flights of stairs are enclosed by partitions of brick or wood, the spaces between the studs or wall furrings must be so fire-stopped with brick or mortar as to effectually prevent any fire from passing up between such studs or furring back of the stair stringers.

(*i*). All flights of stairs between two floors must have two smoke stops built between the stringers and properly constructed.

(*j*). No pipes for conveying hot air or steam must be placed nearer than one inch to any wood work unless protected to the satisfaction of the Inspector by suitable guards or casings of incombustible material.

(*k*). No wooden flue or air duct of any description can be used for heating or ventilating purposes, except cold air inlets to heating apparatus.

(*l*). A space of at least one inch to be left between all wood work and the chimneys, also around all hot-air, steam and hot-water pipes; these spaces around chimneys and pipes, where they pass through floors, to be

stopped with metal or other fire-proof material, smoke-tight. Steam and hot-water pipes to have metal sleeves and collars.

(*m*). All channels and pockets for gas, water and soil-pipes to be made smoke-tight at each floor.

(*n*). The space around all metal or brick ventilating ducts must be fire-stopped at each floor with metal or other fire-proof material, as approved by the Inspector.

(*o*). Where a building is occupied above the first floor for tenements or a lodging-house, and the lower story is occupied for stores, or other purposes not connected with the upper floors, the stairways leading to such upper floors must be enclosed with brick walls or with wooden partitions filled solid with brick laid in mortar, or other fire-proof material, and plastered on both sides on metallic lathing, and all doors in such partition covered with tin plate, lock-jointed.

The provisions of paragraphs d, e, f, h, i, k, m, n, shall not apply to any wooden dwelling house when occupied by only one family and which is situated more than twenty-five feet from any other building.

SEC. 26. No bay window, balcony or other projection, except cornices, shall be built upon the front wall of any building so as to project over the line of the street, except upon written permit of the Selectmen.

SAFEGUARDS DURING BUILDING OPERATIONS.

SEC. 27. Whenever any person is about to erect or alter the exterior walls of a building, within five feet of the line of a street, he shall cause the portion of the site of the building bordering upon the street to be enclosed by a proper fence not less than four feet high, and at least five feet from the line of such building; and the fence shall be made as much higher as the Inspector of Buildings shall direct, and the same shall be maintained until all liability to accident from falling material ceases; he shall also maintain a proper walk satisfactory to the Inspector, around said fence, as long as the sidewalk is obstructed, and he shall maintain proper lights, if so required by the Inspector at both ends of such enclosed space from sunset to sunrise. In erecting any building, no person shall place, deposit or suffer to remain in any street or highway any lumber or other building material, rubbish or remains of any old building, for a longer period than may be necessary for the work which may be going on; and in case such material, rubbish, or remains of an old building, shall necessarily remain after dark, a sufficient light shall be placed over or near the same, and kept from sunset to sunrise. All rubbish from the erecting or repairing of any building, or the removal of an old building shall be carried away by the person so erecting or repairing or removing such building, at such time as the Superintendent of Streets may direct; and in case of neglect or refusal so to do, it shall be removed by the Superintendent of Streets, at the expense of such person. Any person violating any provision of this section shall be liable to a penalty of five dollars.

SEC. 28. Proper plans shall be prepared under direction of the Selectmen showing a proper numbering of buildings on all streets of the Town and the Inspector shall send to the owner or person having control of every new building a written notice stating the number assigned by the Selectmen to such building, and directing that the said number be affixed or inscribed, in a proper place on said building, and all other numbers, if any, removed within one week from the receipt of notice. Whenever a building fronting on a street is found not having a number, or having a wrong number affixed or inscribed on it, then Inspector shall send a similar notice to the owner or person having control of it. Any owner or person in control of such building refusing or neglecting to comply with the directions contained in any such notice shall be liable to a fine of not more than twenty dollars.

SEC. 29. All questions as to the intent and meaning of the by-laws relating to the construction of buildings shall be decided by the Inspector, provided that any person dissatisfied with or aggrieved by any requirement or decision of the Inspector may appeal to the Selectmen and their decision, after a hearing at which the Inspector shall be given an opportunity to be heard, shall be final.

SEC. 30. In these by-laws the following terms shall have the meanings respectively assigned to them:—

"Alteration" means any change or addition.

"Cellar" means a basement or lower story of which one-half or more of the height from the floor to the ceiling is below the level of the land adjoining.

"Foundation" means that portion of a wall below the level of the street curb, and where the wall is not on a street, that portion of the wall below the level of the highest ground next to the wall; but if under party or partition walls may be constructed by the Inspector to mean that portion below the cellar floor.

"Chimney" shall apply to any permanent or fixed flues or passages built into any building for conveying away the products of combustion from furnaces, stoves, boilers, ranges or fire-places.

"Inspector" means the Inspector of Buildings of the Town of Arlington.

"Party wall" means every wall used, or built in order to be used, as a separation of two or more buildings.

"Partition wall" means any interior wall of masonry in a building.

"External wall" means every outer wall or vertical enclosure of a building other than a party wall.

"Repairs" means the reconstruction or renewal of any existing part of a building or of its fixtures or appurtenances, by which the strength or fire-risk is not affected or modified, and not made in the opinion of the Inspector for the purpose of converting the building in whole or in part to a new use.

"Tenement house" means a building which, or any portion of which, is occupied, or intended to be occupied, as a dwelling by more than three families living independently of one another and doing their cooking upon the premises; or by more than two families above the second floor, so living and cooking.

"Thickness" of a wall means the minimum of thickness of such wall.

SEC. 31. Whoever violates any of the provisions of these by-laws shall be liable to a penalty of not more than one hundred dollars unless another penalty is specifically provided herein.

SEC. 32. The provisions of these by-laws shall not apply to buildings and structures owned or occupied by the United States or by the State of Massachusetts, nor to bridges.

FIRE LIMITS.

All buildings hereinafter built or enlarged, fronting on the following street described lines, shall be built of brick, stone or other incombustible material. Beginning at the north-easterly corner of Swan and Pleasant streets, thence running north-easterly to the south-easterly corner of Pleasant street and Massachusetts avenue; thence south-easterly on the southerly line of Massachusetts avenue, to a point opposite the Soldiers' Monument. Beginning again at a point in the northerly line of Broadway opposite the Soldiers' Monument and running north-westerly along the north-easterly lines of Broadway and Massachusetts avenue to Central street.

ARLINGTON TOWN RECORDS FOR THE MUNICIPAL YEAR 1905.

TOWN MEETING, MARCH 6, 1905.

TOWN WARRANT.

COMMONWEALTH OF MASSACHUSETTS, MIDDLESEX, SS.

To Garritt Barry, A Constable of the Town of Arlington, in said County,

GREETING:

In the name of the Commonwealth of Massachusetts, you are hereby required to notify and warn the inhabitants of the Town of Arlington, who are qualified to vote in elections and Town affairs, to assemble in the Town Hall, on Monday the sixth day of March next, at 6.00 o'clock, A. M., then and there to act on the following articles, viz: —

ARTICLE 1. To choose a Moderator to preside at said meeting.

ART. 2. To elect a Town Clerk for the ensuing year.

ART. 3. To elect a Town Treasurer for the ensuing year.

ART. 4. To elect a Collector of Taxes for the ensuing year.

ART. 5. To elect an Auditor for the ensuing year.

ART. 6. To elect one Selectman for the term of one year.

ART. 7. To elect one Assessor for the term of three years.

ART. 8. To elect three members of the School Committee for the term of three years.

ART. 9. To elect one member of the Board of Trustees of the Pratt Fund for the term of five years.

ART. 10. To elect one member of the Board of Commissioners of the Sinking Fund for the term of three years.

ART. 11. To elect two Trustees of the Robbins Library for the term of three years.

ART. 12. To elect one member of the Consolidated Board of Trustees of the Robbins Fund and Soldiers Monument Fund and the Trustees of Cemeteries for the term of three years.

ART. 13. To elect five Constables for the ensuing year.

ART. 14. To elect one Park Commissioner for the term of three years.

ART. 15. To elect one member of the Board of Health for the term of three years.

ART. 16. To elect a Tree Warden for the ensuing year.

ART. 17. To elect three members of the Board of Public Works for the term of one year.

ART. 18. To elect all other necessary Town Officers for the ensuing year.

ART. 19. To bring in their ballots "Yes" or "No" in answer to the question, "Shall licenses be granted for the sale of intoxicating liquors in this town?"

All Officers who are by law required to be chosen by ballot, except the Moderator, are to be voted for on one ballot. The polls will be opened as soon as possible after the organization of the meeting and kept open until five o'clock, P. M.

ART. 20. To hear and act on the reports of the Selectmen and other Town Officers and Committees heretofore appointed.

ART. 21. To act on the List of Jurors as revised by the Selectmen.

ART. 22. To make an appropriation for the Robbins Library for the ensuing year.

ART. 23. To make an appropriation for the Public Schools for the ensuing year, and determine in what manner the same shall be expended.

ART. 24. To determine in what manner the Town ways, highways and bridges shall be repaired the ensuing year.

ART. 25. To determine what sum of money the Town will raise by general tax, to defray Town expenses, interest, debt and State Aid, and make an appropriation for the same.

ART. 26. To see if the Town will appoint the Selectmen agents of the Town, to institute and prosecute actions in favor of the Town, and appear and defend suits and legal proceedings against or involving the interests of the Town, with power to employ counsel therein, and when necessary, in all other legal matters and business appertaining to Town affairs during the year commencing March 6, 1905.

ART. 27. To see if the Town will appropriate the sum of $250 for the proper observance of Memorial Day, the same to be expended under direction of Francis Gould Post 36, G. A. R.

(Inserted at request of Alexander H. Seaver and others.)

ART. 28. To see if the Town will purchase additional land for cemetery purposes, and make an appropriation for the same.

(Inserted at request of Trustees of Cemeteries.)

ART. 29. To see what action the Town will take in relation to the appointment of a Committee of Twenty-one for the ensuing year.

(Inserted at request of Committee of Twenty-one.)

ART. 30. "To see if the Town will pass the following vote or act in any manner thereto: —

Voted: — That the sum of one hundred dollars (100) be appropriated for the purchase and erection of a flag-staff, flag and fixtures for the Town Hall Building, the same to be expended under the direction of the Board of Selectmen."

(Inserted at request of Edward H. H. Bartlett and others.)

ART. 31. To see if the Town will vote to authorize the Town Clerk to compile and publish the Town Meeting Records for the years 1899, 1900, 1901, 1902 and 1903 and make an appropriation for that purpose.

(Inserted at request of the Town Clerk.)

ART. 32. To see if the Town will cause the curfew bell to be rung each evening at 9 o'clock, Sundays excepted, and make an appropriation for the same.

(Inserted at request of Arlington Historical Society and others.)

ART. 33. To see if the Town will vote to furnish additional safes for Town offices and make an appropriation for the same.

ART. 34. To see if the Town will vote to remove or repair the cupola on Town Hall Building and make an appropriation for the same.

ART. 35. To see if the Town will appropriate $500 for incidentals for the Board of Assessors.

(Inserted at request of Assessors.)

ART. 36. To see if the Town will appropriate $650 for street watering.
(Inserted at request of the Joint Board.)

ART. 37. To see if the Town will appropriate $2,000 as the Town's share for the construction and repair of permanent sidewalks.
(Inserted at request of Board of Public Works.)

ART. 38. To see if the Town will appropriate $1,500 for the maintenance and extension of the Sewerage System for the ensuing year.
(Inserted at request of Board of Public Works.)

ART. 39. To see if the Town will make an appropriation for the construction of sewers in a portion of Pleasant Street, Kensington Road, Kensington Park, Brantwood Road and Acton Street.
(Inserted at request of Board of Public Works.)

ART. 40. To see if the Town will make an appropriation of $6,000 and the street railway taxes for the use of the Highway Division.
(Inserted at request of Board of Public Works.)

ART. 41. To see if the Town will appropriate $7,000, in accordance with the vote passed December 6, 1904, for water used for fire hydrants, street watering and public buildings for the ensuing year.
(Inserted at request of Board of Public Works.)

ART. 42. To see what action the Town will take in regard to the extension of water mains and make an appropriation for the same.
(Inserted at request of Board of Public Works.)

ART. 43. To see if the Town will vote to issue serial notes to the amount of $7,000 for the purpose of refunding and cancelling a bond of $4,000, dated December 15, 1903, and a bond of $3,000 dated December 15, 1904, numbered respectively 133 and 134, issued for water purposes, under the Act of 1892, and both on 30 years' time, and determine the number, dates, times and amount of said notes.
(Inserted at request of Town Treasurer.)

ART. 44. To see if the Town will vote to discontinue further addition to the fixed indebtedness of the Town, except on the serial note basis.
(Inserted at request of Town Treasurer.)

ART. 45. To appropriate and raise, by borrowing or otherwise, such sums of money as may be necessary for all or any of the purposes mentioned in the foregoing articles.

Hereof, fail not, and make due return of this Warrant, with your doings thereon, to the Selectmen, on or before said day and hour of meeting.

Given under our hands at said Arlington, this twenty-fourth day of February in the year of our Lord one thousand nine hundred and five.

WARREN W. RAWSON,
GEORGE I. DOE,
JAMES A. BAILEY, JR.,
Selectmen of the Town of Arlington.

A true copy. Attest:
GARRITT BARRY,
Constable of Arlington.

MIDDLESEX COUNTY.

Arlington, March 1, 1905.

By virtue of this warrant I have notified and warned the inhabitants of the Town of Arlington, qualified to vote in elections and Town affairs, to meet at the time and place and for the purposes herein named, by

causing a printed copy to be left at every dwelling house in the Town, and also by posting an attested copy on the doors of the Town Hall, seven days, at least, before said day of meeting.

GARRITT BARRY,
Constable.

In pursuance of the foregoing warrant the inhabitants of the Town of Arlington, qualified to vote in elections and Town affairs, met in the Town Hall, in said Town, on Monday, the sixth day of March in the year of our Lord nineteen hundred and five, and were called to order at six o'clock in the morning by the Town Clerk, who read the warrant calling the meeting and the return of the Constable who served the same upon the inhabitants.

First Article taken up.

"To choose a Moderator to preside at said meeting."

Horace A. Freeman and George H. Peirce, who had been appointed Tellers by the Selectmen, were sworn by the Town Clerk to the faithful performance of their duties and put in charge of the check list and ballot box used in the election of Moderator.

The polls were then declared open for the reception of votes for Moderator and remained open for three (3) minutes, at the expiration of which time, all voters having voted who so desired, the polls were declared closed.

The votes cast were sorted and counted and declaration made by the Town Clerk as follows: — whole number of votes cast five (5). Walter A. Robinson had five (5) and was declared elected Moderator and was sworn to the faithful performance of his duties.

The following Ballot Clerks and Tellers having been appointed by the Selectmen were sworn by the Town Clerk to the faithful performance of their duties and assigned as follows:

Ballot Clerks — Edgar Crosby and Frank N. Hurley.

Clerks on Check List — Horace A. Freeman and George C. Tewksbury.

Inspectors — Frank F. Russell and Edward H. H. Bartlett.

Tellers — George H. Peirce, Frank R. Daniels, M. Francis Mead, John M. Tierney, John Gray, George M. Richardson, William H. Bradley, Frank J. Rowe, Edward W. Schwamb and Ervin V. Gay.

A sealed package of ballots was then delivered by the Town Clerk to the Moderator, who publicly broke the seal and delivered the ballots to the Ballot Clerks.

Cards of instructions and penalties on voters were prominently posted in conformity to law, as were also specimen ballots.

The ballot box was examined by the Moderator and Town Clerk and was found to be empty and the register set at zero. The box was then locked and the keys delivered into the custody of Constable John Duffy, in whose custody they remained until the polls closed.

A list of registered voters was supplied by the Registrars of Voters to the Ballot Clerks and Checkers at the ballot box.

A list of women voters was also furnished by the Registrars.

At five (5) minutes after six (6) o'clock the polls were declared open for the reception of votes for Town officers, under articles two (2) to nineteen (19) inclusive, and remained open until five (5) o'clock in the afternoon, at which time, after due notice, they were declared closed.

By unanimous consent the ballot box was opened at thirty (30) minutes after seven (7) o'clock, and at various other times during the day, for the purpose of removing ballots to be counted.

At the close of the polls the ballot box registered fourteen hundred and twenty-six (1426).

The names checked by the Ballot Clerks and the names checked by the Checkers at the ballot box were counted and found to agree with the number registered by the ballot box, fourteen hundred and twenty-six (1426).

The ballots not used were inclosed in a package, sealed and delivered to the Town Clerk.

The election officers canvassed the votes given in and the whole number was found to be fourteen hundred and twenty-six (1426), of which number forty-two (42) were women, which agreed with the total number registered by the ballot box.

The ballots were then canvassed by the Moderator, Town Clerk and Tellers and declaration made thereof at twenty-five (25) minutes after six (6) o'clock in the afternoon as follows: — whole number of votes cast, thirteen hundred and eighty-four (1384).

Town Clerk for one year — Thomas J. Robinson had eleven hundred and seventy-five (1175) and was declared elected. (Sworn by the Moderator in open meeting.) Blanks, two hundred and nine (209).

Selectman for one year — S. Frederick Hicks had seven hundred and seventy-three (773) and he was declared elected. (Sworn March 8th.) Winfield S. Durgin had five hundred and ninety-five (595). Blanks, sixteen (16).

Assessor for three years — Philip A. Hendrick had eleven hundred and forty (1140) and was declared elected. (Sworn March 7.) Blanks, two hundred and forty-four (244).

Treasurer for one year — William A. Muller had ten hundred and eleven (1011) and was declared elected. (Sworn March 7.) Blanks, three hundred and seventy-three (373).

Collector of taxes for one year — Harvey S. Sears had eleven hundred and seventeen (1117) and was declared elected. (Sworn March 7.) Blanks two hundred and sixty-seven (267).

Auditor for one year — Elbert L. Churchill had nine hundred and ninety (990) and was declared elected. (Sworn March 10th.) Blanks, three hundred and ninety-four (394).

Board of Public Works for one year — Samuel E. Kimball had ten hundred and fourteen (1014) and was declared elected. (Sworn March 10th.) William N. Winn had ten hundred and six (1006) and was declared elected. (Sworn March 7.) Peter Schwamb had nine hundred and seventy-seven (977) and was declared elected. (Sworn March 11th.) Blanks, one hundred and fifteen (115).

School Committee for three years — Hattie F. Hornblower had ten hundred and ten (1010) and was declared elected. (Sworn March 7.) John H. Perry had eight hundred and fifty-two (852) and was declared elected. (Sworn March 14.) Ida F. Robbins had nine hundred and sixty-six (966) and was declared elected. (Sworn March 9.) Francis L. Maguire had four hundred and seventy-five (475). Blanks, nine hundred and seventy-five (975).

Park Commissioner for three years — William E. Lloyd had nine hundred and sixty-four (964) and was declared elected. (Sworn March 13.) Blanks four hundred and twenty (420).

Board of Health for three years — John S. Lamson had six hundred and nineteen (619) and was declared elected. (Sworn March 9.) Edwin Mills had five hundred and seven (507). Blanks, two hundred and fifty-eight (258).

Commissioner of Sinking Fund for three years — William G. Peck had ten hundred and five (1005) and was declared elected. (Sworn March 11.) Blanks, three hundred and seventy-nine (379).

Trustee of Pratt Fund for five years — George Hill had nine hundred and eighty-six (986) and was declared elected. (Sworn March 8.) Blanks, three hundred and ninety-eight (398).

Trustees Robbins Library for three years — Samuel C. Bushnell had ten hundred and eight (1008) and was declared elected. (Sworn March 9.) Charles A. Keegan had ten hundred and eighty-eight (1088) and was declared elected. (Sworn March 14.) Blanks, six hundred and seventy-two (672).

Consolidated Boards for three years — Warren A. Peirce had ten hundred and thirteen (1013) and was declared elected. (Sworn March 13.) Blanks, three hundred and seventy-one (371).

Tree Warden for one year — A. Foster Brooks had ten hundred and forty-one (1041) and was declared elected. (Sworn March 8.) Blanks, three hundred and forty-three (343).

Constables for one year — Garritt Barry had ten hundred and eight (1008) and was declared elected. (Sworn March 8.) John Duffy had nine hundred and ninety-three (993) and was declared elected. (Sworn March 7.) Daniel M. Hooley had nine hundred and ninety-seven (997) and was declared elected. (Sworn March 11.) Fred E. Smith had nine hundred and twenty-two (922) and was declared elected. (Sworn March 8.) James E. Whitten had ten hundred and four (1004) and was declared elected. (Sworn March 8.) Blanks, nineteen hundred and ninety-six (1996).

On the question, "Shall licenses be granted for the sale of intoxicating liquors in this Town?" — "Yes," had four hundred and three (403); "No," had eight hundred (800); blanks had one hundred and eighty-one (181). And declaration was made that the Town had voted not to grant licenses for the sale of intoxicating liquors in this Town.

The blank forms, approved by the Secretary of the Commonwealth, were used by the Tellers in counting the ballots.

Voted: — On motion of Frank W. Hodgdon, that when this meeting adjourns it be to meet in this Hall Tuesday evening, March 14th, at seven-thirty (7.30) o'clock.

The check lists used at the entrances to the polling place and at the ballot box, together with the ballots cast and the check list used by the Tellers, were sealed up in open meeting, endorsed by the election officers and delivered to the Town Clerk.

The meeting was then declared adjourned.

A true record.

Attest:

THOMAS J. ROBINSON,
Town Clerk.

Arlington, March 7.

In accordance with a vote of the Town, passed December 1, 1902, a printed notice of the adjournment of the meeting was distributed to all the citizens of the Town.

THOMAS J. ROBINSON,
Town Clerk.

ADJOURNED TOWN MEETING, MARCH 14, 1905.

Pursuant to adjournment the inhabitants of the Town of Arlington, qualified to vote in elections and Town affairs, met in the Town Hall, in said Town, on Tuesday, the fourteenth day of March in the year of our Lord nineteen hundred and five, and were called to order by the Moderator, Walter A. Robinson, at thirty minutes after seven o'clock in the evening.

Voted: — On motion of William G. Peck, that the reading of the articles in the warrant not read at the meeting March 6, be dispensed with.

The Moderator at this time read the following communication from the Selectmen in relation to the seating capacity of the Town Hall:

"*To the inhabitants of the Town of Arlington:*

"In accordance with the provisions of Chapter 450 of the Acts of 1904, the Chief of the District Police issued under date of March 13, 1905, to the inhabitants of the Town of Arlington, a license to use the Town Hall for public gatherings. By the terms of this license not more than four hundred persons shall be admitted to the main hall including the stage, and not more than thirty persons shall be admitted to the balcony.

"The act makes the inhabitants of the Town responsible, civily and criminally, for non-compliance with the conditions of the license; and any violation of the conditions of the license is cause for the revocation of the license.

"The serious consequences of this act and the legal questions growing out of it have been considered and discussed by the Board of Selectmen and the Town Counsel.

"Conferences have been held with the Attorney-General and the Chief of District Police.

"Until the law is construed by the Courts the interpretation put on it by the Attorney-General determines the attitude of the State authorities. It seems that the limitation in numbers to four hundred and thirty applies to Town Meetings. It also seems that if all voters in excess of four hundred and thirty were excluded from the Hall the business done by the meeting would not be legal. It, therefore, appears to be proper for the Selectmen to inform the voters of the law, and to call to their attention the fact that the presence in this hall of more than four hundred and thirty persons seems to create a civil and criminal responsibility upon the inhabitants of the Town.

"Persons remaining in the Hall when more than four hundred and thirty are present would probably be held to have assumed voluntarily the risk in case of accident by fire or otherwise.

"It seems that unless the act is repealed or amended or interpreted in a different manner, the Town ought to consider at an early date the erection of a suitable hall or the modification of the existing form of town government.

"JAMES A. BAILEY, JR.,
"WARREN W. RAWSON,
"S. FREDERICK HICKS,
"*Selectmen of Arlington.*"

Frank W. Hodgdon offered the following resolves and it was unanimously:

Resolved, That the Selectmen be requested to forthwith petition the General Court for such modifications of the existing Statutes as will enable the Town to hold its corporate meetings without question as to its right to admit all its legal voters thereto.

Resolved, That the Selectmen be requested to consider the advisability of erecting upon the new "Town Hall Site," so called, a building constructed principally of masonry and steel, to contain a large room or hall at or about the level of the existing ground capable of accommodating the legal voters of the Town in Town Meeting, together with such ante-rooms as may be required in connection therewith, also space for the necessary heating plant. Said Board to report thereon as soon as practical with estimates of the cost of such a building.

Article 20 was taken up on motion of Frank W. Hodgdon, and under that article the report of the Committee of Twenty-one was presented to the voters in printed form, and accepted. The article was then laid on the table.

Voted: — On motion of Frank W. Hodgdon that Articles 22-23-27-30-31-32-34-35-36-38-40-41-25 be taken up in the order as presented in the report of the Committee of Twenty-one.

Article 22.

"To make an appropriation for the Robbins Library for the ensuing year."

Voted: — On motion of Frank W. Hodgdon, that there be appropriated the sum of three thousand (3,000) dollars in addition to the dog tax and the receipts for fines and the sale of catalogues, for the maintenance of the Robbins Library for the year 1905, the same to be expended under the direction of the trustees.

Article 23.

"To make an appropriation for the Public Schools for the ensuing year, and determine in what manner the same shall be expended."

Voted: — On the motion of Frank W. Hodgdon, that the sum of fifty-two thousand, three hundred (52,300) dollars be appropriated for the maintenance of the schools for the year 1905 and in addition that the sum of two thousand (2,000) dollars be appropriated for repairs on school buildings, and four hundred and fifty (450) dollars for the payment of bills incurred during the year 1904, to be expended under the direction of the School Committee.

Article 27.

"To see if the Town will appropriate the sum of two hundred and fifty (250) dollars for the proper observance of Memorial Day, the same to be expended under the direction of Francis Gould Post 36, G. A. R.

Voted: — On motion of Frank W. Hodgdon, that the sum of two hundred and fifty (250) dollars be appropriated for the proper observance of Memorial Day, the same to be expended under the direction of Francis Gould Post 36, G. A. R.

Article 30.

"To see if the Town will pass the following vote or act in any manner thereto: —

"Voted: — That the sum of one hundred (100) dollars be appropriated for the purchase and erection of a flag-staff, flag and fixtures for the Town Hall Building, the same to be expended under the direction of the Board of Selectmen."

Voted: — On motion of Edward H. H. Bartlett, that the sum of one hundred (100) dollars be appropriated for the purchase and erection of a flag-staff, flag and fixtures for the Town Hall Building, the same to be expended under the direction of the Board of Selectmen.

Voted: — On motion of Edward H. H. Bartlett, that the Board of Selectmen be empowered to instruct the janitor to have the flag displayed from the Town Hall Building from the hour of eight A. M. until the hour of five P. M. on every day when the various Town offices are open for business, and on all National and State holidays. On all election days the flag shall be raised at the opening of the polls and displayed until the hour of closing.

Article 31.

"To see if the Town will vote to authorize the Town Clerk to compile and publish the Town Meeting Records for the years 1899-1900-1901-1902 and 1903 and make an appropriation for that purpose."

Voted: — On motion of Frank W. Hodgdon, that the sum of one hundred (100) dollars be appropriated to be expended by the Town Clerk, under the direction of the Selectmen, for compiling and printing in book form such portion of the Town records previous to the year 1904 as they may deem best.

Article 32.

"To see if the Town will cause the curfew bell to be rung each evening at nine o'clock, Sundays excepted, and make an appropriation for the same."

Voted: — On motion of Warren A. Peirce, that the Selectmen be instructed to cause one of the church bells to be rung each evening at nine o'clock, Sundays excepted, and that the sum of forty-five (45) dollars be appropriated to be raised by taxation.

Article 34.

"To see if the Town will vote to remove or repair the cupola on Town Hall Building and make an appropriation for the same."

Voted: — On motion of Frank W. Hodgdon, that the sum of five hundred (500) dollars be appropriated to be expended under the direction of the Selectmen in making repairs to the cupola on the Town Hall Building.

Article 35.

"To see if the Town will appropriate five hundred (500) dollars for incidentals for the Board of Assessors."

Voted: — On motion of Frank W. Hodgdon, that the sum of four hundred and fifty (450) dollars be appropriated for the incidental expenses

of the Board of Assessors during the year 1905, and in addition fifty (50) dollars to reimburse the Assessors for the expenses incurred in connection with the Benson Tax Case.

Article 36.

"To see if the Town will appropriate six hundred and fifty (650) dollars for street watering."

Voted: — That in addition to such subscription as may be obtained for the purpose, an appropriation of two thousand six hundred (2,600) dollars be made for street watering, six hundred and fifty (650) dollars of said sum to be raised by general tax and such balance as may be necessary, not exceeding one thousand, nine hundred (1,900) dollars, to be raised by note of the Town for a term not exceeding one year, signed by the Treasurer and approved by the Selectmen; and receipts from the street watering assessments for 1905 are hereby appropriated for the payment of said note.

Article 38.

"To see if the Town will appropriate one thousand, five hundred (1,500) dollars for the maintenance and extension of the Sewerage System for the ensuing year."

Voted: — On motion of Frank W. Hodgdon, that the sum of fifteen hundred (1500) dollars be appropriated for the maintenance and short incidental extensions to the Sewerage System for the ensuing year.

Article 40.

"To see if the Town will make an appropriation of six thousand (6,000) dollars and the street railway taxes for the use of the Highway Division."

Voted: — On motion of Frank W. Hodgdon, that the sum of six thousand (6,000) dollars, together with the street railway tax now in the treasury, which amounts to seventeen thousand, one hundred and eighty dollars and eighty cents (17,180.80), be appropriated for the maintenance and construction of highways during the ensuing year.

Article 41.

"To see if the Town will appropriate seven thousand (7,000) dollars, in accordance with the vote passed December 6, 1904, for water used for fire hydrants, street watering and public buildings for the ensuing year."

Voted: — On motion of Frank W. Hodgdon, that the sum of seven thousand (7,000) dollars be appropriated and paid to the Water Works for water used for fire hydrants, street watering and public buildings during the year 1905.

Article 25.

"To determine what sum of money the Town will raise by general tax to defray town expenses, interest, debt and state aid, and make an appropriation for the same."

Voted: — On motion of Frank W. Hodgdon, that the sum of fifteen thousand (15,000) dollars be appropriated for the sinking fund, twelve thousand (12,000) dollars to be taken from the income of the Water Works and three thousand (3,000) dollars to be raised by general tax.

Voted: — That the unexpended balances and amounts in the treasury otherwise unappropriated, amounting to twelve thousand, seven hundred and forty-six dollars and nine cents (12,746.09), together with the sum of two thousand, seven hundred and fifty-four dollars (2,754) be appropriated for the payment of interest during the year 1905.

Voted: — That the sum of two hundred and twenty-five dollars and ninety-nine cents (225.99) be appropriated to pay the following overdrafts paid during the year 1904:

Non-resident bank tax	$20 70	
Soldiers' relief	30 24	
Abatement of taxes	127 85	
Expense of collecting back taxes	13 65	
Tax and sewer assessment, suspense acct	33 55	$225 99

Almshouse — That the sum of seventeen hundred and fifty (1750) dollars, in addition to the income from boarders and sale of produce, be appropriated for the maintenance of the almshouse during the year 1905, and in addition the sum of four hundred (400) dollars for repairs to its heating apparatus.

Fire Department — That the sum of nine thousand, seven hundred (9,700) dollars be appropriated for the maintenance of the Fire Department for the year 1905, and that, in addition, the sum of one hundred and fifteen (115) dollars to pay bills contracted in 1904, and one hundred and eighty-five (185) dollars for repairs to the annex of Hose No. 3 house on Broadway.

Outside Poor — That the sum of five thousand (5,000) dollars be appropriated for the care of outside poor, in addition to such sums as the Town may receive from individuals reimbursing it for such care.

Police Department — That the sum of eight thousand, nine hundred and fifty (8,950) dollars be appropriated for the maintenance of the Police Department, including the horse hire and care of ambulance during the year 1905.

Sidewalks — That the sum of fifteen hundred (1500) dollars be appropriated for the construction of permanent sidewalks during the year 1905.

Tree Warden — That the sum of two hundred and seventy-five (275) dollars be appropriated for the work of the Tree Warden during the year 1905, and that in addition the sum of twenty-five (25) dollars be appropriated to pay bills incurred by the Tree Warden in 1904.

The following appropriations were then voted:

Notes due in 1905 — Fifteen thousand, eight hundred and fifty (15,850) dollars.

Board of Survey — One hundred dollars.....100 00

Fire Alarm — Four hundred and seventy-five dollars.....475 00

Health Department —

Voted: — On motion of Frank W. Hodgdon, that the sum of four thousand (4,000) dollars be appropriated for the Health Department for the year 1905, the same to be expended under the direction of the Board of Health.

Incidentals —

Selectmen, two thousand dollars	$2,000 00
Town Clerk, two hundred dollars	200 00
Auditor, sixty dollars	60 00
Collector, three hundred dollars	300 00
Treasurer, two hundred dollars	200 00

Clerk, Board of Health, one hundred and fifty dollars	150 00

Voted: — On motion of Frank W. Hodgdon, that a committee consisting of twenty-one (21) citizens, other than Town officers elected by ballot, be appointed to serve throughout the ensuing year and until the end of the annual meeting of 1906. The members to be selected as follows: — Nine (9) from the residents of the Russell School district, four (4) from the Locke district, four (4) from the Cutter district, and four (4) from the Crosby district. That the Moderator of this meeting, with the chairman and the secretary of the present Committee of Twenty-one, are hereby appointed a committee to nominate said new Committee of Twenty-one and to report same at the adjournment of this meeting. To this committee, when appointed, are hereby referred all articles calling for an appropriation of money in any Town warrant issued during its term of office. Said committee shall, after due consideration of the subject matter of said articles, report thereon in print or otherwise such recommendation as it shall deem best. Said committee shall choose its own officers and have power to fill vacancies.

Voted: — On motion of Frank W. Hodgdon, that there be appropriated from the income of the Water Department the sum of twelve thousand, eight hundred and eighty (12,880) dollars for interest on the water debt; fourteen thousand (14,000) dollars for Metropolitan water assessment; ten thousand, seven hundred (10,700) dollars for maintenance and renewal of main pipes and twelve thousand (12,000) dollars for Sinking Fund.

Article 28 taken up.

"To see if the Town will purchase additional land for cemetery purposes and make an appropriation for the same."

On a rising vote, the motion to refer the subject matter of Article 28 to a committee was declared not carried.

Article 44 taken up.

"To see if the Town will vote to discontinue further addition to the fixed indebtedness of the Town, except on the serial note basis."

Voted: — On motion of William A. Muller, that all indebtedness hereafter incurred be paid in such annual payments as will extinguish the same within the time prescribed by law, and that serial notes or bonds properly denominated on the face thereof be issued for such payments.

Article 24.

"To determine in what manner the Town ways, highways and bridges shall be repaired the ensuing year."

Voted: — On motion of Frank W. Hodgdon, that the Town ways, highways and bridges be repaired the ensuing year under the direction of the Board of Public Works.

Article 26 taken up.

Voted: — On motion of Frank W. Hodgdon, that the Selectmen be appointed agents of the Town to institute and prosecute actions in favor of the Town, and appear and defend suits and legal proceedings

against or involving the interests of the Town, with power to employ counsel therein and, when necessary, in all other legal matters and business appertaining to Town affairs during the year commencing March 6, 1905.

Article 21 taken up.

"To act on the list of Jurors as revised by the Selectmen."

Voted: — That the following names be removed from the list as submitted by the Selectmen: — Frank Bott, John Waage, Elbert L. Churchill, Abbott Allen, Omar W. Whittemore, Leander D. Bradley, Gorham H. Davis, Melvin L. Severy, Edwin Prescott, William K. Cook, Charles Doughty and James R. Mann.

Voted: — That the name of Humphrey T. Lawton be added to the list of Jurors as prepared by the Selectmen.

Voted: — That the list of Jurors, as amended, be accepted.

The Jury List as accepted is as follows: —

Article 18 taken up.

"To elect all other necessary Town officers for the ensuing year."

Under Article 18 the following citizens were nominated and elected to the following offices: —

Fence Viewers — Henry S. Adams and Omar W. Whittemore.
Measurers of Wood — Thomas P. Brosnahan and Edward I. McKenzie.

Field Drivers.

Voted: — That the appointment of Field Drivers be referred to the Selectmen with full powers.

Article 18 was then laid on the table.

Article 20 taken from the table.

Voted: — On motion of Frank W. Hodgdon, that the reports of the Town officers as printed in the annual report for 1904 and submitted to the citizens, be accepted.

Article 20 was laid on the table.

Voted: — That when this meeting adjourns it be to meet in this Hall Monday evening, March 27th, at seven-thirty o'clock in the evening.

Voted: — On motion of James A. Bailey, Jr., that this meeting adjourn.

Meeting adjourned at five minutes after ten o'clock.

A true record.

Attest:

THOMAS J. ROBINSON,
Town Clerk.

Arlington, March 17, 1905.

This is to certify that in accordance with a vote of the Town, passed December 1, 1902, I have caused a printed notice of the adjournment of this meeting to be distributed to all the citizens of the Town.

THOMAS J. ROBINSON,
Town Clerk.

ADJOURNED ANNUAL MEETING, MARCH 27, 1905.

Pursuant to adjournment the inhabitants of the Town of Arlington, qualified to vote in elections and Town affairs, met in the Town Hall, in said Town, on Monday, the twenty-seventh day of March in the year of our Lord nineteen hundred and five, and were called to order at thirty minutes after seven o'clock in the evening by the Moderator, Walter A. Robinson.

Article 29 taken up.

"To see what action the Town will take in relation to the appointment of a Committee of Twenty-one for the ensuing year."

The Moderator reported for the committee, appointed at the adjourned meeting, March 14th, to select a Committee of Twenty-one to serve throughout the ensuing year and until the end of the March meeting of 1906.

Voted: — On motion of Frank W. Hodgdon, that the following citizens, having been nominated, be declared elected to serve on the Committee of Twenty-one in accordance with the vote passed at the adjourned meeting March 14th, 1905:

Bisbee, Frederick A., Editor, 107 Appleton st.
Bishop, John A., Bank Clerk, 80 Franklin st.
Bott, Frank, Grocer, 55 Academy st.
Brown, Henry K., Shoemaker, 52 Westmoreland av.
Douglass, Walter B., Manager, 9 Brantwood rd.
Dacey, John F., Shipper, 19 Henderson st.
Everett, Theodore, Printer, 82 Wollaston av.
Eberhardt, Philip, Manufacturer, 248 Gray st.
Frost, Frank C., Farmer, 58 Old Orchard st.
Green, Thomas J., Grocer, 93 Warren st.
Goodwin, Edward W., Clerk, 3 Crescent Hill av.
Hodgdon, Frank W., Engineer, 18 Wellington st.
Hornblower, Henry, Banker, 100 Pleasant st.
Hardy, Rodney T., Grain Dealer, 38 Gray st.
Murray, William H., Grocer, 47 Mt. Vernon st.
Parker, Charles A., Foreman, 135 Lake st.
Puffer, Rollin P., Produce, 100 Broadway
Rowe, Matthew, Grocer, 977 Mass. av.
Russell, Ira L., Farmer, 1108 Mass. av.
Smith, Thomas A., Expressman, 31 Henderson st.
Tracy, James E., Cashier, 18 Wyman st.

Article 39 taken up.

"To see if the Town will make an appropriation for the construction of sewers in a portion of Pleasant Street, Kensington Road, Kensington Park, Brantwood Road and Acton Street."

Voted, unanimously: — On motion of Frank W. Hodgdon, that the sum of fifty-seven hundred (5700) dollars be appropriated for the construction of sewers in Pleasant Street, Kensington Road, Kensington

Park, Brantwood Road and Acton Street, and that thirty-five hundred (3500) dollars thereof be raised by issuing four notes of the Town, one for five hundred (500) dollars, payable in the year 1910, and three for one thousand (1,000) dollars each, payable one in each of the years 1911, 1912 and 1913, and that the remainder, to wit, twenty-two hundred (2200) dollars, being the estimated amount of the assessments to be levied in connection with the construction of said sewers, be raised by issuing a note or notes of the Town for the whole or any part or parts thereof as the Board of Public Works may from time to time require, payable at such time or times as the Selectmen may approve. The Treasurer, with the approval of the Selectmen, may renew from time to time any and all of said last mentioned notes, all of which last mentioned notes and the renewals thereof, whether by way of first or other renewal, shall mature within ten (10) years from the dates of issue of the original notes, and all said assessments shall be pledged and applied to their payment. All notes and bonds given as above provided in this vote shall be signed, countersigned and issued in accordance with the provisions of law and of the By-Laws of the Town, and shall bear interest payable semi-annually at a rate not exceeding four per centum per annum.

Articles 42 and 43 taken up.

Article 42.

"To see what action the Town will take in regard to the extension of water mains and make an appropriation for the same."

Article 43.

"To see if the Town will vote to issue serial notes to the amount of seven thousand (7,000) dollars for the purpose of refunding and cancelling a bond of four thousand (4,000) dollars dated December 15th, 1903, and a bond of three thousand (3,000) dollars dated December 15th, 1904, numbered respectively 133 and 134, issued for water purposes, under the Act of 1892, and both on thirty (30) years' time, and determine the number, dates, times and amount of said notes."

Voted, unanimously: — Under Article 42, that the sum of two thousand (2,000) dollars be appropriated for the extension of water mains and that that sum be borrowed.

Voted, unanimously: — Under Articles 42 and 43, that bond No. 133 dated Dec. 15th. 1903 on thirty (30) years' time for $4,000, and bond No. 134 dated Dec. 15th, 1904 on the same time for $3,000, issued for water purposes under Chapter 412 of the Acts of 1892, be refunded and cancelled; and that for the purpose of raising the two thousand (2,000) dollars appropriated at this meeting for the extension of water mains, nine notes or bonds of the Town be issued, each for one thousand (1,000) dollars, the first payable in the year 1910, and the remainder, one in each of the eight (8) consecutive years thereafter; said notes or bonds to be signed, countersigned and issued in accordance with the provisions of law and of the By-Laws of the Town, and to bear interest payable semi-annually at a rate of not exceeding four per centum per annum.

Article 33 taken up.

"To see if the Town will vote to furnish additional safes for Town offices and make an appropriation for the same."

Voted: — On motion of Frank W. Hodgdon, that there be appropriated the sum of one hundred and fifteen (115) dollars for the purchase of a fire-proof safe for the use of the Assessors.

Article 25 taken from the table.

Voted: — On motion of Frank W. Hodgdon, that the sum of six hundred and seventy-five (675) dollars be appropriated for the Board of Health, six hundred (600) dollars of said sum for the incidental expenses of the year 1905 and seventy-five (75) dollars for the Inspector of Slaughtering for the balance of the year 1905.

Voted: — On motion of Frank W. Hodgdon, that the sum of seventeen hundred and fifty (1750) dollars be appropriated for the maintenance of the Town cemeteries, fifteen hundred (1500) dollars of that sum to be used for the expenses of the year 1905 and two hundred and fifty (250) dollars to pay the balance due for the construction of the receiving vault.

Voted: — On motion of James A. Bailey, Jr., that the sum of one hundred and seventy-five (175) dollars be appropriated for the purchase of an apparatus for testing electric currents and the inspection of said currents, the same to be expended under the direction of the Selectmen.

Article 18 taken from the table.

William A. W. Webber was nominated and elected Fish Preserver for the ensuing year.

Article 20 taken up.

Under Article 20 Peter Schwamb reported for the committee appointed December 1, 1902 to sell land in the Great Meadows, and asked to have two names substituted for those of George W. Lane and George P. Winn, they not being on the Water Board at this time, and on motion of Chas. S. Parker the names of Samuel E. Kimball and William N. Winn were substituted.

Article 25 taken up.

Voted: — On motion of Frank W. Hodgdon, that the several amounts appropriated at this meeting for the purposes indicated by the various votes, and not otherwise provided for, amounting to one hundred and sixty-four thousand and three dollars and ninety-nine cents (164,003,-99), together with the sum of eleven thousand, eight hundred and seventy-five (11,875) dollars appropriated at the Town Meetings held November 8th, 16th and 28th and December 6th and 28th, 1904, and Janu-

ary 3rd, 1905, making a total of one hundred and seventy-five thousand, eight hundred and seventy-eight dollars and ninety-nine cents (175,878.99), be raised by general tax the present year.

Voted: — That this meeting adjourn.

Meeting adjourned at 8.13 P. M.

A true record.

THOMAS J. ROBINSON,

Town Clerk.

SPECIAL TOWN MEETING, MAY 2, 1905.

TOWN WARRANT.

COMMONWEALTH OF MASSACHUSETTS, MIDDLESEX, SS.

To Garritt Barry, A Constable of the Town of Arlington, in said County,

GREETING:

In the name of the Commonwealth of Massachusetts, you are hereby required to notify and warn the inhabitants of the Town of Arlington, who are qualified to vote in elections and Town affairs, to assemble in the Town Hall, on Tuesday, the second day of May next, at 7.30 o'clock, P. M., then and there to act on the following articles, viz: —

ARTICLE 1. To choose a Moderator to preside over said meeting.

ART. 2. To hear and act on the reports of Committees heretofore appointed.

ART. 3. To see if the Town will vote to tear down, or otherwise dispose of, any or all the buildings on the Town House Site, excepting the Alvin Robbins house, so called, and make appropriation therefor, or take any action in relation thereto.

ART. 4. To see if the town will vote to fill in and level and improve the Town House Site, and make an appropriation therefor, or take any action in relation thereto.

ART. 5. To see if the Town will appoint a Committee to consider and report at a subsequent meeting what action the Town shall take with reference to constructing a building in which Town Meetings may be held lawfully, or with reference to petitioning the General Court for a modification of the existing form of town government, or take any action in relation thereto.

ART. 6. To see if the Town will vote to adopt the following by-law relative to collecting junk, etc., to be known as Section 9, under Article 13: —

Article 13.

Section 9. No person shall purchase, sell, barter for or collect old metals, rags and other second hand articles without having first received a license so to do from the Board of Selectmen. Any person who shall violate this by-law shall be punished by a fine not exceeding twenty dollars for each offense.

ART. 7. To see if the Town will vote to accept the provisions of Chapter 103 of the Revised Laws, relative to the supervision of plumbing.

(Inserted at request of the Board of Health.)

ART. 8. To see if the Town will vote to appoint a Committee of not less than three competent and unprejudiced men to thoroughly investigate the question of municipal lighting and to make a written report thereupon, and will appropriate the sum of three hundred dollars, or such part thereof as may be required to be expended by said committee in the preparation of its report.

(Inserted at request of Melvin L. Severy and others.)

ART. 9. To see what action the Town will take regarding the appointment of a Committee of Home Rule and Betterment for the ensuing year, pursuant to a vote passed at the meeting of April, 1904.
(Inserted at request of Melvin L. Severy and others.)

ART. 10. To see what action, if any, the Town will vote to take looking toward a campaign against consumption in the public schools of Arlington.
(Inserted at request of Melvin L. Severy and others.)

ART. 11. To see if the Town will vote to insert the following article in the warrant for the first fall Town Meeting of each ensuing year during the life of this vote, if passed: —

> To hear and act upon the report of the School Committee, and to discuss and act upon any measures (in so far as they do not require appropriations) pertinent to the educational interests of the Town.

(Inserted at request of Melvin L. Severy and others.)

ART. 12. To see if the Town will vote to request the School Committee to abolish entirely, or materially to shorten the hours of home study in all grades beyond the eighth, and to make such changes in the curriculum as may result in educating children for life rather than for college.
(Inserted at request of Melvin L. Severy and others.)

ART. 13. To see if the Town will authorize all funds received by the Collector in payment for supplies furnished or work done by the Gipsy Moth Committee and paid for out of its appropriation of $6,000, to be credited to the appropriation of said Gipsy Moth Committee.
(Inserted at request of Gipsy Moth Committee.)

ART. 14. To appropriate and raise by borrowing, or otherwise, such sums of money as may be necessary for any or all of the purposes mentioned in the foregoing articles.

Hereof, fail not, and make due return of this warrant, with your doings thereon, to the Selectmen, on or before said day and hour of meeting.

Given under our hands at said Arlington, this twenty-fourth day of April in the year of our Lord one thousand nine hundred and five.

JAMES A. BAILEY, JR.,
WARREN W. RAWSON,
S. FREDERICK HICKS,
Selectmen of the Town of Arlington.

A true copy. Attest:

GARRITT BARRY,
Constable of Arlington.

MIDDLESEX COUNTY.

Arlington, May 2nd, 1905.

By virtue of this warrant I have notified and warned the inhabitants of the Town of Arlington, qualified to vote in elections and Town affairs, to meet at the time and place and for the purposes herein named, by causing a printed copy to be left at every dwelling house in the Town, and also by posting an attested copy on the doors of the Town Hall, seven days, at least, before said day of meeting.

GARRITT BARRY,
Constable.

In pursuance of the foregoing warrant the inhabitants of the Town of Arlington, qualified to vote in elections and Town affairs, met in the Town Hall, in said Town, on Tuesday, the second day of May in the year of our Lord one thousand nine hundred and five, and were called to order at thirty minutes after seven o'clock in the evening by the Town Clerk, who read the warrant calling the meeting and the return thereof of the Constable who served the same upon the inhabitants.

First Article taken up.

"To choose a Moderator to preside at said meeting."

Horace A. Freeman and Omar W. Whittemore were appointed Tellers to sort and count ballots for Moderator and were sworn to the faithful discharge of their duties by the Town Clerk.

The polls were declared open for reception of votes for Moderator and were kept open, by vote of the meeting, two minutes, when they were declared closed and declaration was made that two ballots had been cast both bearing the name of Walter A. Robinson and he was declared elected Moderator and sworn by the Town Clerk.

Frank W. Hodgdon presented the report of the Committee of Twenty-one, to whom were referred, by a previous vote of the Town, all articles in the warrant calling for an appropriation. The report was in printed form and was distributed to all the voters present.

Voted: — That the report of the Committee of Twenty-one be received.

Articles 3 and 4 taken up.

Article 3.

"To see if the Town will vote to tear down, or otherwise dispose of, any or all the buildings on the Town House Site, excepting the Alvin Robbins house, so called, and make an appropriation therefor, or take any action in relation thereto."

Article 4.

"To see if the Town will vote to fill in and level and improve the Town House Site, and make an appropriation therefor, or take any action in relation thereto."

Voted: — On motion of Frank W. Hodgdon, that the sum of seven hundred (700) dollars be appropriated for tearing down all the buildings other than the Alvin Robbins house now standing on the New Town House Site, grading the lot with ashes and other waste material, covering the same with loam and putting the whole premises in presentable condition.

Article 5 taken up.

"To see if the Town will appoint a committee to consider and report at a subsequent meeting what action the Town shall take with reference to constructing a building in which Town Meetings may be held lawfully, or with reference to petitioning the General Court for a modification of the existing form of Town government, or take any action in relation thereto."

Voted: — On motion of James A. Bailey, Jr., that the subject matter of Article 5 be referred to the Committee of Twenty-one, with instructions to report at a meeting in the fall.

Article 6 taken up.

"To see if the Town will vote to adopt the following by-law relative to collecting junk, etc., to be known as Section 9 under Article 13."

Voted, unanimously: — On motion of James A. Bailey, Jr., that the Town adopt the following by-law to be known as Section 9 of Article 13 as follows: —

ARTICLE 13.

Section 9. No person shall purchase, sell, barter for or collect old metals, rags and other second-hand articles without first having received a license so to do from the Board of Selectmen. Any person who shall violate this by-law shall be punished by a fine not exceeding twenty dollars for each offense.

Article 7 taken up.

"To see if the Town will vote to accept the provisions of Chapter 103 of the Revised Laws, relative to the supervision of plumbing."

Voted, unanimously: — On motion of Edward S. Fessenden, that the Town accept the provisions of Chapter 103 of the Revised Laws, relative to plumbing.

Article 8 taken up.

"To see if the Town will vote to appoint a committee of not less than three competent and unprejudiced men to thoroughly investigate the question of municipal lighting and to make a written report thereon, and will appropriate the sum of three hundred (300) dollars, or such part thereof as may be required to be expended by said committee in the preparation of its report."

Voted: — On motion of Frank W. Hodgdon, that the subject matter of Article 8 be referred to the Selectmen, with instructions to obtain estimates as to the cost of obtaining reliable, expert testimony in relation to the matter and report thereon at some future Town Meeting prior to January 1, 1906.

Article 9 taken up.

"To see what action the Town will take regarding the appointment of a Committee of Home Rule and Betterment for the ensuing year, pursuant to a vote passed at the meeting of April, 1904."

Voted: — On motion of Melvin L. Severy, that this meeting do hereby appoint a Committee of Home Rule and Betterment, with power to extend its membership and to fill vacancies, and to serve for the ensuing year, or until their successors are chosen.

Voted: — On motion of Melvin L. Severy, that J. Prescott Gage, Horace D. Hardy, Timothy O'Leary and Philip A. Hendrick be nominated and elected to serve as members of the Committee on Home Rule and Betterment for the ensuing year.

Article 13 taken up.

"To see if the Town will authorize all funds received by the Collector in payment for supplies furnished or work done by the Gipsy Moth Committee and paid for out of its appropriation of six thousand (6,000) dollars, to be credited to the appropriation of said Gipsy Moth Committee."

Voted: — On motion of Frank W. Hodgdon, that all the funds received by the Town in payment for supplies furnished or work done by the Gipsy Moth Committee on private lands for individual citizens and paid for out of the Town appropriation, be appropriated and made available for the further expenses of the Gipsy Moth Committee.

Article 14 taken up.

"To appropriate and raise by borrowing, or otherwise, such sums of money as may be necessary for any or all of the purposes mentioned in the foregoing articles."

Voted: — On motion of Frank W. Hodgdon, that the sum of seven hundred (700) dollars, appropriated at this meeting for the purpose indicated, be raised by general tax the current year.

Articles 10, 11 and 12 taken up.

Article 10.

"To see what action, if any, the Town will vote to take looking toward a campaign against consumption in the public schools of Arlington."

Voted: — On motion of Melvin L. Severy, that the citizens of Arlington hereby respectfully request that the School Committee take immediate and active measures looking toward the establishment in all the Town schools of a daily drill in proper breathing and chest development, the results attained by each pupil to form part of his general school record and to be separately recorded upon each of his report cards, and that said Committee report to the Town at its first Fall Town Meeting what action it has then taken and what further action it proposes to take in the matter.

Voted: — On motion of James A. Bailey, Jr., that the consideration of Articles 11 and 12 be indefinitely postponed.

Voted: — That the meeting be now dissolved.

Meeting dissolved at 9.34 o'clock.

A true record.

Attest:

THOMAS J. ROBINSON,
Town Clerk.

SPECIAL TOWN MEETING, JUNE 23, 1905.

TOWN WARRANT.

COMMONWEALTH OF MASSACHUSETTS, MIDDLESEX, SS.

To Garritt Barry, A Constable of the Town of Arlington, in said County.

GREETING:

In the name of the Commonwealth of Massachusetts, you are hereby required to notify and warn the inhabitants of the Town of Arlington, who are qualified to vote in elections and Town affairs, to assemble in the Town Hall, on Friday, the twenty-third day of June, current, at 7.30 o'clock, P. M., then and there to act on the following articles, viz: —

ARTICLE 1. To choose a Moderator to preside over said meeting.

ART. 2. To hear and act on the reports of the Committees heretofore appointed.

ART. 3. To see if the Town will appropriate five thousand (5,000) dollars for the suppression of the gipsy and brown-tail moths, the same to be expended in accordance with the provisions of Chapter 381 of the Acts of 1905.

ART. 4. To see if the Town will designate a public officer or board to have charge, under the advice and general direction of the state superintendent, of the work of destroying the gipsy and brown-tail moths.

ART. 5. To see if the Town will make an appropriation to provide additional vault room for the safe keeping of all public records as required by law.

ART. 6. To see if the Town will vote to rescind the vote of the Town, May 2nd, 1905, whereby it was voted:

> "That the sum of $700 be appropriated for tearing down all the buildings other than the Alvin Robbins house now standing on the New Town House Site, grading the lot with ashes and other waste material, covering the same with loam, and putting the whole premises in a presentable condition."

ART. 7. To see if the Town will appoint a Committee of Five to investigate the condition of buildings on the so-called Town House Site, with a view to the repairing or removal of any such buildings in order that the property may become a source of income until such time as the town may decide to build a new Town Hall, and to bring at a subsequent meeting an estimate to cover the cost of the same, and also the probable income to be obtained.

(Inserted at request of Chas. A. Parsons and others.)

ART. 8. To see if the Town will vote to authorize the Collector of Taxes to use all means of collecting the taxes for the year 1905 which a Town Treasurer may use when appointed a Collector of Taxes.

(Inserted at the request of the Collector of Taxes.)

ART. 9. To see if the Town will vote to rescind or amend the following vote passed March 14, 1905, or to take such action relating thereto as may be deemed best. Voted:

"That the sum of one hundred (100) dollars be appropriated to be expended by the Town Clerk, under the direction of the Selectmen, for compiling and printing in book form such portion of the Town Records, previous to the year 1904, as they deem best."

(Inserted at request of Town Clerk.)

ART. 10. To appropriate and raise by borrowing or otherwise such sums of money as may be necessary for any or all of the purposes mentioned in the foregoing articles.

Hereof, fail not, and make due return of this Warrant, with your doings thereon, to the Selectmen, on or before said day and hour of meeting.

Given under our hands at said Arlington, this twelfth day of June in the year of our Lord one thousand nine hundred and five.

JAMES A. BAILEY, JR.,
WARREN W. RAWSON,
S. FREDERICK HICKS,
Selectmen of the Town of Arlington.

A true copy. Attest:

GARRITT BARRY,
Constable of Arlington.

MIDDLESEX COUNTY.

Arlington, June 22nd, 1905.

By virtue of this warrant I have notified and warned the inhabitants of the Town of Arlington, qualified to vote in elections and Town affairs, to meet at the time and place and for the purposes herein named, by causing a printed copy to be left at every dwelling house in the Town, and also by posting an attested copy on the doors of the Town Hall seven days, at least, before said day of meeting.

GARRITT BARRY,
Constable.

In pursuance of the foreging warrant the inhabitants of the Town of Arlington, qualified to vote in elections and Town affairs, met in the Town Hall, in said Town, on Friday, the twenty-third day of June, in the year of our Lord one thousand nine hundred and five, and were called to order at thirty minutes after seven o'clock in the evening by the Town Clerk, who read the warrant calling the meeting and the return of the Constable who served the same upon the inhabitants.

Article 1 taken up.

"To choose a Moderator to preside at said meeting."

Jesse G. Pattee and John A. Bishop were appointed Tellers to receive, sort and count ballots for Moderator, and were sworn to the faithful performance of their duties by the Town Clerk.

The polls were then declared open for the reception of votes for Moderator and were kept open, by vote of the meeting, for two minutes, at the expiration of which time they were declared closed and declaration made that six (6) ballots had been cast all bearing the name of Walter A. Robinson, and he was declared elected Moderator and sworn to the faithful performance of his duty by the Town Clerk.

The Committee of Twenty-one, to whom had been referred all articles in the warrant calling for an appropriation, made their report in printed form and said report was distributed to the voters. (File No. 418.)

Article 3 taken up. (To include also Article 4.)

"To see if the Town will appropriate five thousand (5,000) dollars for the suppression of the gipsy and brown-tail moths, the same to be expended in accordance with the provisions of Chapter 381 of the Acts of 1905."

Voted, unanimously: — On motion of John A. Bishop, that the sum of five thousand (5,000) dollars be appropriated to be expended under the direction and control of the Selectmen in suppression of the gipsy and brown-tail moths in the Town of Arlington, in accordance with the provisions of Chapter 381, of the Acts of 1905. That twenty-six hundred (2600) dollars of said sum be raised by general tax the present year and the balance, twenty-four hundred (2400) dollars, be borrowed and the Town Treasurer be authorized to give the Town notes therefor, payable in not exceeding one year, bearing interest, signed by the Treasurer, and countersigned by the Selectmen.

Article 5 taken up.

"To see if the Town will make an appropriation to provide additional vault room for the safe keeping of all public records as required by law."

On motion of John A. Bishop, that the sum of one hundred and fifty (150) dollars be appropriated for furnishing additional vault room as required by the State Commissioner of Public Records, the same to be expended under the direction of the Selectmen and raised by general tax the present year.

Articles 6 and 7 taken up.

Voted: — On motion of O. W. Whittemore, that the subject matter of Article 6 be indefinitely postponed.

Voted: — After a long discussion of the matter, that the consideration of Article 7 be indefinitely postponed.

Article 9 taken up.

Voted: — On motion of James A. Bailey, Jr., that the subject matter of Article 9 be referred back to the Committee of Twenty-one.

Article 8 taken up.

"To see if the Town will vote to authorize the Collector of Taxes to use all means of collecting the taxes for the year 1905 which a Town Treasurer may use when appointed a Collector of Taxes."

Voted: — On motion of James A. Bailey, Jr., that the Collector of Taxes be authorized to use all means of collecting the taxes for the year 1905 which a Town Treasurer may use when appointed a Collector of Taxes.

Article 10 taken up.

"To appropriate and raise by borrowing or otherwise such sums of money as may be necessary for any or all of the purposes mentioned in the foregoing articles."

Voted: — On motion of John A. Bishop, that the sum of twenty-seven hundred and fifty (2750) dollars appropriated at this meeting for the purposes indicated be raised by general tax the current year.

Voted: — That this meeting be now dissolved.

Meeting dissolved at 9 o'clock, P. M.

A true record.

Attest:

THOMAS J. ROBINSON,
Town Clerk.

SPECIAL TOWN MEETING, AUGUST 24, 1905.

TOWN WARRANT.

COMMONWEALTH OF MASSACHUSETTS, MIDDLESEX, SS.

To John Duffy, A Constable of the Town of Arlington, in said County,

GREETING:

In the name of the Commonwealth of Massachusetts, you are hereby required to notify and warn the inhabitants of the Town of Arlington, who are qualified to vote in elections and Town affairs, to assemble in the Town Hall, on Thursday, the twenty-fourth day of August current at 8 o'clock, P. M., then and there to act on the following articles, viz:—

ARTICLE 1. To choose a moderator to preside over said meeting.

ART. 2. To see if the Town will vote to amend Section Eight (8) of the Town By-Laws, relating to the construction of buildings by striking out the following clause: "Such walls shall not be more than thirty (30) feet apart throughout the length of the building."

(Inserted by request of Warren A. Peirce and others.)

ART. 3. To see if the Town will vote to accept the following provisions of Chapter 104 of the Revised Laws relative to the inspection and removal of dangerous structures.

SECTION 4. In a city or town which accepts the provisions of this and the eight following sections or has accepted the corresponding provisions of earlier laws, the superintendent of public buildings or such other officer as the mayor and aldermen of said city or the selectmen of said town may designate, shall be inspector of buildings, and, immediately upon being informed by report or otherwise that a building or other structure or anything attached to or connected therewith in said city or town is unsafe or dangerous to life or limb, shall inspect the same, and if it appears to him to be dangerous, he shall forthwith in writing notify the owner, agent, or any person having an interest therein, to remove it or make it safe and secure.

If it appears that such structure would be specially unsafe in case of fire, it shall be deemed dangerous within the meaning hereof, and the inspector may affix in a conspicuous place upon its exterior walls a notice of its dangerous condition, which shall not be removed or defaced without authority from him.

SECTION 5. Whoever is so notified shall be allowed until twelve o'clock noon of the day following the service of the notice in which to commence the securing or removal of such structure, and he shall employ sufficient labor speedily to secure or remove it; but if the public safety so requires and if the mayor and aldermen or selectmen so order, the inspector may immediately enter upon the premises with the necessary workmen and assistants and cause such unsafe structure to be shored up, taken down or otherwise secured without delay, and a proper fence or boarding put up for the protection of passers by.

SECTION 6. If such owner, agent or person interested in such unsafe structure refuses or neglects to comply with the requirements of such

notice within the time limited, and such structure is not secured or taken down as therein ordered, a careful survey of the premises shall be made by a board consisting in a city, of the city engineer, the chief engineer of the fire department and one disinterested person to be appointed by said inspector, and in a town, of a surveyor, the chief engineer of the fire department and one disinterested person to be appointed by said inspector. If there is no city engineer in such city or no chief engineer of the fire department in such city or town, the mayor and aldermen, or selectmen, as the case may be, shall designate one or more officers or other suitable persons in place of the officers so named as members of said board. A report of such survey shall be made in writing and a copy thereof served on such owner, agent or any interested person.

SECTION 7. If such report declares such structure to be unsafe and dangerous, and if the owner, agent or person interested continues such refusal or neglect, the inspector shall cause it to be taken down or otherwise made safe; and the costs and charges incurred shall constitute a lien upon the land upon which the building is situated, and shall be enforced within the time and in the manner provided for the collection of taxes on land; and such owner or interested person shall, for every day's continuance of such refusal or neglect after being so notified, forfeit to the city or town in which the structure is situated, not less than ten nor more than fifty dollars.

SECTION 8. An owner or interested person who is aggrieved by such order may have the remedy prescribed by sections two, three and four of chapter one hundred and one; but the provisions of this section shall not prevent the city or town from recovering the forfeiture provided in the preceding section from the date of the service of the original notice, unless the order is annulled by the jury.

SECTION 9. If an owner or interested person lives out of the commonwealth, said notices may be served upon him by a notary public, whose certificate of service under his notarial seal shall be sufficient evidence thereof.

SECTION 10. The supreme judicial court or the superior court shall have jurisdiction in equity to restrain the construction, alteration, maintenance or use of a building or structure in violation of the provisions of any ordinance or by-law of a city or town and order its removal or abatement as a nuisance; and to restrain the further construction, alteration or repair of a building or structure reported to be unsafe or dangerous under a survey authorized by section six, until the determination of the matter, as provided in section eight.

SECTION 12. Any member of the inspection department of the district police, if called upon by the mayor and aldermen of any city, except Boston, or by the selectmen of a town, shall inspect any building or other structure or anything attached to or connected therewith in such city or town which has been represented to be unsafe or dangerous to life or limb.

SECTION 13. If it appears to such inspector that the building or other structure, or anything attached to or connected therewith, is unsafe or dangerous to life or limb in case of fire or otherwise, he shall cause it to be removed or rendered safe and secure, in the manner provided by sections four to nine, inclusive, and may cause proceedings to be instituted under the provisions of section ten.

Hereof fail not, and make due return of this Warrant, with your doings thereon, to the Selectmen, on or before said day and hour of meeting.

Given under our hands at said Arlington, this sixteenth day of August in the year of our Lord one thousand nine hundred and five.

JAMES A. BAILEY, JR.,
S. FREDERICK HICKS,
Selectmen of the Town of Arlington.

A true copy. Attest:

JOHN DUFFY,
Constable of Arlington.

MIDDLESEX COUNTY.

ARLINGTON, August, 24th, 1905.

By virtue of this warrant I have notified and warned the inhabitants of the Town of Arlington, qualified to vote in elections and Town affairs, to meet at the time and place and for the purposes herein named, by causing a printed, attested copy to be left at every dwelling house in the Town, and also by posting an attested copy on the doors of the Town Hall, seven days at least before said day of meeting.

JOHN DUFFY,
Constable.

In pursuance of the foregoing warrant the inhabitants of the Town of Arlington, qualified to vote in elections and Town affairs, met in the Town Hall, in said Town, on Thursday, the twenty-fourth day of August, in the year of our Lord one thousand nine hundred and five, and were called to order at eight o'clock in the evening by the Town Clerk, who read the warrant calling the same and the return thereon of the Constable who served the same upon the inhabitants.

First Article taken up.

"To choose a Moderator to preside at said meeting."

Jesse G. Pattee and Roger W. Homer were appointed Tellers to sort and count ballots for Moderator, and were sworn to the faithful performance of their duties. The polls were then declared open for the reception of votes for Moderator and were kept open until voters desiring to vote had done so. Declaration was then made that four (4) ballots had been cast, three (3) bearing the name of Warren W. Rawson and he was declared elected and was sworn by the Town Clerk.

Second Article taken up.

Voted: — On motion of Warren A. Peirce, that Section 8 of the Town By-Laws be amended by striking out the following words, "Such walls shall not be more than thirty (30) feet apart throughout the length of the building." Said Section 8 as amended to read as follows:

Section 8.

No buildings except a manufactory, railway station, stable, church, schoolhouse, hotel, or hall for public assemblies, shall hereafter be erected, and no existing building shall hereafter be altered or added to, so that they have a frontage of more than fifty (50) feet, without one or more partition walls of brick or some other fire resisting material, extending from the bottom of the cellar, or from a foundation wall to the under side of the roof boarding, which shall be laid and be imbedded in mortar upon said wall.

If said wall is built of brick it shall not be less than eight inches thick for its entire height.

No existing building having a frontage of more than fifty feet shall be converted to a use not excepted by this section, without at least one partition wall, constructed as described in this section. Provided, however, that any single dwelling house intended for one family may be extended more than fifty feet in one direction without such partition wall.

Article 3 taken up.

Voted: — On motion of Horace D. Hardy that the Town accept Sections 4-5-6-7-8-9-10-12 and 13 of Chapter 104 of the Revised Laws as printed in the warrant.

Voted: — On motion that the meeting be adjourned.

Meeting dissolved at 8.15 P. M.

A true record. Attest:

THOMAS J. ROBINSON,
Town Clerk.

TOWN MEETING, NOVEMBER 7, 1905.

GENERAL ELECTION.

TOWN WARRANT.

COMMONWEALTH OF MASSACHUSETTS, MIDDLESEX, SS.

To Garritt Barry, A Constable of the Town of Arlington, in said County,

GREETING:

In the name of the Commonwealth of Massachusetts, you are hereby required to notify and warn the inhabitants of the Town of Arlington, qualified as the constitution requires, to vote in elections and town affairs, to assemble in the Town Hall, on Tuesday, the seventh day of November, next, at 6 o'clock, A. M., then and there to act on the following articles, viz: —

ARTICLE 1. To bring in their votes to the Selectmen for a Governor; a Lieutenant-Governor; a Secretary; a Treasurer and Receiver General; an Auditor of Accounts; an Attorney-General for the Commonwealth; a Councillor for the Third Councillor District; a Senator for the Third Middlesex District; a Representative in the General Court for the Thirteenth Representative District in the County of Middlesex; a Register of Probate and Insolvency for the County of Middlesex, to fill vacancy; a County Commissioner.

All the above to be voted for on one ballot. The polls will be opened immediately after the organization of the meeting, and will be kept open until four o'clock and thirty minutes in the afternoon, and as much longer as the meeting directs, provided that the time shall not be after the hour of sunset.

ART. 2. To bring in their votes to the Town Clerk for a moderator to preside for the transaction of Town business.

ART. 3. To hear and act on the reports of Committees heretofore appointed.

ART. 4. To see if the Town will appropriate the sum of fifty (50) dollars for the Board of Survey.

ART. 5. To see if the Town will appropriate the sum of one hundred (100) dollars for general incidental account.

ART. 6. To see if the Town will make an appropriation for the payment of unpaid bills of 1904 account, or take any action relating thereto.

ART. 7. To see if the Town will appropriate the sum of one hundred and fifty (150) dollars to settle the claim of Maryland Casualty Company against the Town for additional premium on liability insurance account.

ART. 8. To see if the Town will appropriate the sum of five thousand (5,000) dollars to be expended the current year for suppressing the gipsy and brown-tail moths, in accordance with the provisions of Chapter 381 of the Acts of 1905.

ART. 9. To see if the Town will appropriate the sum of sixteen thousand, five hundred (16,500) dollars to be expended during the year 1906 for suppressing the gypsy and brown-tail moths in accordance with the provisions of Chapter 381 of the Acts of 1905.

ART. 10. To see if the Town will vote to authorize the Auditor to transfer from the Wm. E. Parmenter School Foundation Account to the Wm. E. Parmenter School Account an unexpended balance of two hundred and thirty-five dollars and eighty-six cents.
(Inserted at request of the Auditor.)

ART. 11. To see if the Town will authorize the Town Treasurer, under the direction of the Selectmen, to borrow money for any necessary purpose, in anticipation of the collection of taxes for the year 1906, the same to be repaid directly from the proceeds of said taxes.
(Inserted at the request of the Town Treasurer.)

ART. 12. To see if the Town will appropriate the sum of one hundred (100) dollars for an automatic time clock for sounding the daily test signals of the Fire Alarm System.
(Inserted at request of Supt. of Fire Alarm.)

ART. 13. To see if the Town will appropriate the sum of one hundred and fifty (150) dollars for the care and removal of trees, the same to be expended under the direction of the Tree Warden.
(Inserted at request of the Tree Warden.)

ART. 14. To see if the Town will vote to transfer to the General Account for School expenses any unexpended balance of Repair Account, if found necessary.
(Inserted at request of School Committee.)

ART. 15. To see if the Town will vote to authorize and direct the Collector of Taxes to collect all water rates and all other monies due the Town and to send out all necessary notices in relation thereto.
(Inserted at request of Board of Public Works.)

ART. 16. To see if the Town will vote to empower the Board of Public Works to lease the land about the Reservoir to William R. Shay for a term of five years.
(Inserted at request of Board of Public Works.)

ART. 17. To see if the Town will appropriate the sum of twenty thousand (20,000) dollars, or any sum to defray the cost of suppressing or preventing the spread of the gypsy moth and of destroying its nests, eggs and caterpillars; the brown-tail moth; its nests, eggs and caterpillars, and other tree and shrub destroying pests, or act in any manner relating thereto; and will hire money to make the appropriation immediately available on its passage.
(Inserted at request of Benjamin C. Haskell and others.)

ART. 18. To hear and act upon any report the School Committee may make, and to discuss and act upon any measures (in so far as they do not require appropriations) pertaining to the educational interests of the Town.
(Inserted at request of Melvin L. Severy and others.)

ART. 19. To see if the Town will vote to insert the following article in the warrant for the first fall Town Meeting of each ensuing year, during the life of this vote, if passed.

To hear and act upon any report the School Committee may make, and to discuss and act upon any measure (in so far as they do not require appropriations) pertaining to the educational interests of the Town.
(Inserted at request of Melvin L. Severy and others.)

ART. 20. To see if the Town will vote to request the School Committee to abolish entirely, or materially to shorten, the hours of home study in all grades beyond the eighth, and to make such changes in the curriculum as may result in educating children for life rather than for college.

(Inserted at request of Melvin L. Severy and others.)

ART. 21. To see if the Town will vote to pay James H. Colprit damages growing out of the change of grade and improvement of Crescent Hill Avenue, and make an appropriation therefor, or take any action in relation to the same.

(Inserted at request of James H. Colprit and others.)

ART. 22. To see what action the Town will take with relation to the lowering of the bed of Sucker Brook, so called, where it passes under Park Avenue, and make an appropriation for the same.

(Inserted at request of Clarence T. Parsons and others.)

ART. 23. To see if the Town will vote to place edgestone on Mystic Street in front of Russell Park, from end of present edgestone to Chestnut Street, and make an appropriation therefor.

(Inserted at request of Park Commissioners.)

ART. 24. To see if the Town will make an appropriation sufficient to meet the charges for filling deposited on the park lands adjoining Mt. Pleasant Cemetery, in accordance with the vote passed by the Town, May 5, 1902.

ART. 25. To see what action the Town will take relative to repealing sections five and six of Article XIII of the Town By-Laws, relative to junk dealers and junk shops and substituting therefor the following: —

SECTION 5. The Selectmen of the Town may license suitable persons to be dealers in and keepers of shops for the purchase, sale or barter of junk, old metals or second-hand articles in the Town of Arlington. All licenses shall be granted, according to law, to any persons to be keepers of shops for the purchase, sale, or barter of junk, old metals, or second-hand articles, and to be dealers therein and shall contain the following conditions and restrictions: —

First. That every keeper of such shop shall keep a book in which shall be written, at the time of every purchase of any such article, description thereof, the name, age and residence of the person from whom and the day and hour when such purchase was made, and that such book shall at all times be open to the inspection of the Board of Selectmen, and the Chief of Police, or any person by either of them authorized, and of any police officer of the Town.

Second. That every keeper of such shop shall put in some suitable and conspicuous place on his shop a sign having the name and occupation legibly inscribed thereon in large letters.

Third. That such shop and all articles of merchandise therein may be examined by the Board of Selectmen, the Chief of Police, or any police officer of the Town at all times.

Fourth. That no keeper of such shop shall, directly or indirectly, either purchase or receive, by way of barter or exchange, any of the articles aforesaid of any minor apprentice, knowing or having reason to believe him to be such; and that no article purchased or received by said keeper shall be sold by him until a period of at least one week from the date of its purchase or receipt has elapsed.

Fifth. No keeper of such shop shall have his shop open for the transaction of business, nor shall he purchase any of the aforesaid articles, except between sunrise and nine o'clock in the evening of any week day, except Saturday, on which day such shop may be kept open and such articles purchased, from sunrise until ten o'clock in the evening.

The Board of Selectmen may provide that every wagon, cart, sleigh, or other vehicle used in the collection of junk, metals, rags or second-hand articles, shall display badges thereon and may prescribe the design thereof.

No person in whose name a license is taken out for any such vehicle shall be considered the owner of the same until such license is surrendered.

The Selectmen may license suitable persons as junk collectors to collect by purchase or otherwise, junk, old metals and second-hand articles from place to place in said Town of Arlington.

No person shall sell, purchase, barter for or collect any junk, old metal, rags or other second-hand articles, without first having received a license so to do from the Board of Selectmen and no person shall be granted such a license unless he is a citizen of the United States. The Selectmen may provide that every person so licensed, shall at all times while engaged in the business for which he is thus licensed, display a badge and may prescribe the design thereof.

Any license granted hereunder may be revoked at any time by the Board of Selectmen.

Any person who shall violate any condition or restriction contained in his license, as aforesaid, shall forfeit a sum not exceeding twenty dollars for each offense; and any person who shall collect, purchase or barter for junk, old metal, rags or any second-hand articles, without having a license as aforesaid, shall be liable to the same penalty.

ART. 26. To see if the Town will vote to adopt the following by-law, to be known as Section 13 of Article IX of the Town By-Laws: —

SECTION 13. The Board of Selectmen may grant licenses to persons or bands to sing, play or perform on musical instruments in the streets or other public places, and to solicit and receive compensations therefor from bystanders or the public.

No person shall sing, play or perform on musical instruments or solicit or receive compensations therefor from bystanders or the public without first having obtained a license therefor from the Board of Selectmen.

No musician or band shall perform in a street or other public place within 300 feet of any building any occupant of which notifies him or them to desist or has notified the Board of Selectmen in writing that he objects to such performance.

ART. 27. To see if the Town will vote to adopt the following by-law, to be known as Section 14 of Article IX of the Town By-Laws: —

SECTION 14. No person shall own or keep in this Town any dog which by barking, biting or howling or in any other manner disturbs the quiet of any neighborhood, on complaint to the Selectmen of three adult persons residing in the immediate neighborhood.

ART. 28. To see if the Town will vote to adopt the following by-law, to be known as Section 15 of Article IX of the Town By-Laws: —

SECTION 15. No person shall in any street ride upon the step or other portion of a street railway car or other vehicle, without legal right or the permission of the person in charge thereof.

ART. 29. To see if the Town will vote to adopt the following by-law, to be known as Section 8 of Article XIII of the Town By-Laws: —

SECTION 8. No person shall drop, place or throw, or cause to be dropped, placed or thrown, any explosive substance on any street or track in any street of this town.

ART. 30. To see what action the Town will take relative to repealing Section seven of Article IX of the Town By-Laws, relative to the ob-

struction of public ways and substituting therefor the following, to be known as Section seven of Article IX of the Town By-Laws: —

SECTION 7. No person shall saunter or loiter for more than five minutes on a sidewalk in any street after being directed by a police officer to move on, nor shall any person wilfully or negligently obstruct the free passage of foot travelers on such sidewalk, nor shall any person congregate with others and loaf upon any such sidewalks or in any street or other public place of the Town; nor shall any person make any bonfires in any public way or place in the Town.

ART. 31. To see if the Town will vote to adopt the following by-law, to be known as Section 16 of Article IX of the Town By-Laws: —

SECTION 16. No. person shall feed or bait any animal in any street or other public place except in accordance with a permit from the Superintendent of Streets, which may be revoked at any time.

ART. 32. To see if the Town will vote to adopt the following by-law, to be known as Section six of Article X of the Town By-Laws: —

SECTION 6. No person except an officer or employee of the Town and for some public purpose or use, shall move or disturb a barrel or other receptacle containing ashes or other refuse materials, or disturb, overhaul or interfere with the contents thereof, while said barrel or other receptacle remains in or upon a highway of the Town, placed there in order that said contents may be carried away by some person authorized as aforesaid, or while said barrel or other receptacle remains in or upon a private way or land within ten feet of a highway, placed there in order that said contents may be carried away by some person authorized as aforesaid.

ART. 33. To see if the Town will vote to adopt the following by-law, to be known as Section 9 of Article XIII of the Town By-Laws: —

SECTION 9. No hawker or pedler shall expose for sale or sell any articles enumerated in Section fifteen of the sixty-fifth chapter of the Revised Laws and amendments thereto, unless, within one year prior thereto, he shall have recorded his name and residence with the Board of Health, and been assigned a number and furnished a certificate of such record by said Board. Said certificate shall be exhibited by him whenever requested by a police officer, or the sealer of weights and measures, or any agent or member of the Board of Health.

Said articles shall be carried in such a manner that they shall not tend to injure the public health or cause public annoyance or discomfort, and only in vehicles or receptacles which do not leak.

Every such vehicle or receptacle shall have the name and number painted thereon in letters and figures at least two inches in size, shall be kept neat and clean within and without, and shall be submitted to the Board of Health or its agent, at least twice every month, at such time and place as may be designated by said Board.

No person, unless duly licensed by the Board of Selectmen so to do, shall ring a bell or cry his wares or call in any street, for the purpose of giving notice of the exercise of a business or calling, or for the sale of any article; and no person shall use in a public street for said purpose a horn or other noise-making instrument, except a bell, as aforesaid.

ART. 34. To appropriate and raise, by borrowing or otherwise, such sums of money as may be necessary for all or any of the purposes mentioned in the foregoing articles.

Hereof, fail not, and make due return of this Warrant, with your doings thereon, to the Selectmen, on or before said day and hour of meeting.

Given under our hands at said Arlington, this twenty-eighth day of October in the year of our Lord on thousand nine hundred and five.

JAMES A. BAILEY, JR.,
WARREN W. RAWSON,
S. FREDERICK HICKS,
Selectmen of the Town of Arlington.

A true copy. Attest:

GARRITT BARRY,
Constable of Arlington.

MIDDLESEX COUNTY.

ARLINGTON, November 6th, 1905.

By virtue of this warrant I have notified and warned the inhabitants of the Town of Arlington, qualified to vote in elections and Town affairs, to meet at the time and place and for the purposes herein named, by causing a printed, attested copy to be left at every dwelling house in the Town, and also by posting an attested copy on the doors of the Town Hall, seven days at least before said day of meeting.

GARRITT BARRY,
Constable.

In pursuance of the foregoing warrant the inhabitants of the Town of Arlington, qualified to vote in elections and Town affairs, met in the Town Hall, in said Town, on Tuesday, the seventh day of November in the year of our Lord one thousand nine hundred and five, it being the Tuesday next after the first Monday in said month, and were called to order by James A. Bailey, Jr., Chairman of the Board of Selectmen of the Town of Arlington, at six o'clock in the forenoon.

The presiding officer read Article 1 of the warrant calling the meeting, and the return thereon of the Constable who served the same upon the inhabitants.

By unanimous consent of the meeting the reading of the remaining articles in the warrant was deferred until the adjourned meeting.

James A. Bailey, Jr., took charge of the meeting and acted as presiding officer.

In accordance with the laws of the Commonwealth governing elections, the Town Hall was fitted up as a polling place, a space railed off and booths or shelves provided for the use of voters to examine and mark their ballots.

Each booth was supplied with suitable facilities for the purpose and with cards of instructions.

The following persons, having been appointed by the Selectmen as Ballot Clerks, Tellers and Inspectors, were sworn to the faithful performance of their duties by the Town Clerk and assigned as follows:

Ballot Clerks —Frank N. Hurley and Edward W. Schwamb.

Tellers — Horace A. Freeman, George C. Tewksbury, George H. Peirce, Frank Y. Wellington, Lindsay K. Foster, Arthur L. Marston, Chas. P. Ladd, Jr., Edward W. Nicoll, John W. Power, Thomas H. Kelly, John J. Mahoney, Maurice P. Ahern, William D. Grannan and George E. Hill.

Inspectors — Frank F. Russell and Edward H. H. Bartlett.

Horace A. Freeman and George C. Tewksbury were assigned as Tellers at the ballot box and Messrs. Russell and Bartlett as Inspectors on the floor.

A sealed package of ballots, supplied by the Secretary of the Commonwealth, was then delivered by the Town Clerk to the presiding officer, who publicly broke the seal and delivered the ballots to the Ballot Clerks. Specimen ballots and cards of instructions were posted in conformity to law, as were also cards of penalties on voters for violation of the law governing elections.

The ballot box was examined by the presiding officer and the Town Clerk and was found to be empty and the register set at zero.

A list of registered voters was supplied to the Ballot Clerks and Tellers by the Board of Registrars of Voters.

At four minutes past six o'clock the polls were declared open for the reception of votes, and were kept open, by vote of the meeting, until thirty minutes after four o'clock in the afternoon, when after due notice they were declared closed.

By consent of the presiding officer and the Town Clerk the ballot box was opened at fifteen minutes after eight o'clock in the morning for the purpose of counting the ballots, and was opened at various times during the day for that purpose as follows:

At 8.15 A. M.	the ballot box registered	478
At 9.30 A. M.	the ballot box registered	677
At 10.15 A. M.	the ballot box registered	726
At 1.10 P. M.	the ballot box registered	988
At 2.10 P. M.	the ballot box registered	1,088
At 3.15 P. M.	the ballot box registered	1,188
At 4.20 P. M.	the ballot box registered	1,300

The keys of the ballot box were delivered by the presiding officer into the custody of Constable John Duffy, and remained in his custody until the polls closed.

At the close of the polls the ballot box registered thirteen hundred and twenty-two (1322) votes.

The names checked by the Ballot Clerks and the names checked by the Checkers at the ballot box were counted and found to agree with the number registered by the ballot box, thirteen hundred and twenty-two (1322).

The unused ballots were enclosed in a package, sealed, endorsed by the Ballot Clerks and delivered to the Town Clerk.

The election officers canvassed the votes given in and the whole number was found to be thirteen hundred and twenty-two (1322), which were sorted, counted and declaration thereof made in open meeting, as required by law, at fifty minutes after four o'clock, as follows:

Governor — Charles W. Bartlett, of Boston, had five hundred and five (505). James F. Carey, of Haverhill, had thirteen (13). Wm. H. Carroll, of Boston, had two (2). Curtis Guild, Jr., of Boston, had seven hundred and sixty-four (764). Willard O. Wylie, of Beverly, had seven (7). Blanks, thirty-one (31).

Lieutenant-Governor — Thomas F. Brennan, of Salem, had six (6). Eben S. Draper, of Hopedale, had six hundred and thirty (630). Patrick Mahoney, of Boston, had fifteen (15). John H. Smith, of Dalton, had eleven (11). Henry M. Whitney of Brookline, had six hundred (600). Blanks, sixty (60).

Secretary — Charles C. Hitchcock, of Ware, had twenty-five (25). Jonathan S. Lewis, of Stoneham, had nineteen (19). Henry B. Little, of Newburyport, had three hundred and sixty (360). William M. Olin, of Boston, had eight hundred and thirty eight (838). Moritz E. Ruther, of Holyoke, had three (3). Blanks, seventy-seven (77).

Treasurer — Christopher D. Albro, of Milford, had fourteen (14). David S. Brodeur, of Brockton, had twenty (20). Arthur B. Chapin, of Holyoke, had eight hundred and forty-eight (848). Joao Claudino, of New Bedford, had one (1). Daniel F. Doherty, of Westfield, had three hundred and fifty-one (351). Blanks, eighty-eight (88).

Auditor — Patrick J. Ashe, of North Adams, had three hundred and forty-two (342). Herbert B. Griffin, of Boston, had nineteen (19). E. O. Fredrik Hansson, of Medford, had six (6). Ambrose Miles, of Lynn, had twenty-five (25). Henry E. Turner, of Malden, had eight hundred and twenty-eight (828). Blanks, one hundred and two (102).

Attorney-General — Allen Coffin, of Nantucket, had twenty-six (26). Henry C. Hess, of Boston, had four (4). John P. Leahy, of Boston, had three hundred and sixty-two (362). Dana Malone, of Greenfield, had eight hundred and eleven (811). John Weaver Sherman, of Boston, had twenty-five (25). Blanks, ninety-four (94).

Councillor, Third District — Warren W. Rawson had seven hundred and seventy-four (774). George A. Sandison had four hundred and thirty-four (434). Blanks, one hundred and fourteen (114).

Senator, Third Middlesex District — Charles E. Blaisdell had thirty (30). Alvah E. Dearborn had three hundred and sixty-seven (367). Elmer A. Stevens had eight hundred and twenty-three (823). Blanks, one hundred and two (102).

Representative in General Court, 13th Middlesex District — Timothy Collins had four hundred and nine (409). Arthur J. Wellington had eight hundred and sixty-three (863). Blanks, fifty (50).

County Commissioner, Middlesex — Frederick Bancroft, of Reading, had three hundred and eighty-nine (389). Levi S. Gould, of Melrose, had eight hundred and nineteen (819). Blanks, one hundred and fourteen (114).

Register, Probate and Insolvency — Alfred Belanger had three hundred and eighty-one (381). William E. Rogers had eight hundred and twenty-six (826). Blanks, one hundred and fifteen (115).

On motion, Article 2 of the warrant was taken up.

Article 2.

"To bring in their votes to the Town Clerk for a Moderator to preside for the transaction of Town business."

Voted: — On motion of Warren W. Rawson, that the meeting proceed to the election of a Moderator to preside for the transaction of Town business.

Frank F. Russell and Charles P. Ladd, Jr., were appointed to receive, sort and count ballots for Moderator, and were sworn to the faithful discharge of their duties by the Town Clerk, and placed in charge of the ballot box and the check list.

The polls were then declared open for the reception of votes for Moderator and remained open for two minutes, at the expiration of which time the polls, on motion, were declared closed.

The votes were sorted, counted and declaration made by the Town Clerk as follows: whole number of votes cast two (2), both bearing the name of Walter A. Robinson, and Walter A. Robinson was declared elected Moderator and sworn to the faithful discharge of his duties by the Town Clerk.

Voted: — On motion of James A. Bailey, Jr., that when this meeting adjourns it adjourn to meet in Town Hall, Tuesday evening, November 14th, at seven-thirty o'clock.

The returns of the election were then filed, signed by the Selectmen, countersigned by the Town Clerk, sealed up in open meeting and delivered to the Town Clerk to be forwarded to the several places of destination.

Voted: — On motion of James A. Bailey, Jr., that the meeting be adjourned.

Meeting adjourned at 6 o'clock.

A true record. Attest:

THOMAS J. ROBINSON,

Town Clerk.

RECOUNT OF VOTES FOR LIEUTENANT-GOVERNOR.

November 13, 1905.

To the Board of Selectmen, Arlington, Mass.

GENTLEMEN: — The undersigned, Registrars of Voters of the Town of Arlington, in accordance with the provisions of Chapter 11, Section 267, of the Revised Laws, in relation to the recounts of ballots cast at any election, submit the following report: A petition in proper form was received within the required time, asking for a recount of the ballots cast for Lieutenant-Governor at the election in Arlington on November 7th. Notice was given to the parties interested and the recount was made by the undersigned at the Registrars' Office, in the Town Hall, on Monday, November 13th, at 7.30 P. M., with the following results:

Total number of ballots found in the envelopes, as sealed by the Selectmen, was 1,322, as follows: —

Eben S. Draper had six hundred and thirty (630). Henry M. Whitney had five hundred and ninety-nine (599). Blanks, ninety-three (93).

The only difference shown in the recount from the result as given by the Tellers on Election Day was one (1) vote. Their count being as follows:

Eben S. Draper had six hundred and thirty (630). Henry M. Whitney had six hundred (600). Blanks, ninety-two (92).

The ballots have again been sealed as required by law, and are in the possession of the Town Clerk.

Respectfully,

JOHN W. BAILEY,
FRANKLIN T. ANDERSON,
WINTHROP PATTEE,
THOMAS J. ROBINSON,
Registrars of Voters.

ARLINGTON, November 14, 1905.

A true copy. Attest:

THOMAS J. ROBINSON,
Town Clerk.

ADJOURNED TOWN MEETING, NOVEMBER 14, 1905.

Pursuant to adjournment the inhabitants of the Town of Arlington, qualified to vote in elections and Town affairs, met in the Town Hall, in said Town, on Tuesday, the fourteenth day of November in the year of our Lord one thousand nine hundred and five, and were called to order at thirty minutes after seven o'clock in the evening by Walter A. Robinson, the Moderator.

Voted: — On motion of Thomas J. Robinson, that as all voters were supplied with printed copies of the warrant, the reading of the same be dispensed with.

Voted: — On motion of Frank W. Hodgdon, that all articles in the warrant, calling for an appropriation and which had been submitted to the Committee of Twenty-one, be taken up.

The Committee of Twenty-one, to whom all articles in the warrant calling for an appropriation had been referred, made their report in print and said report was distributed to all voters of the Town. (File No. 434.)

The Committee also made a report in print on the question submitted to them, by vote of the Town, at a meeting held May 2nd, 1905, with reference to petitioning the General Court for a modified form of government. (File No. 434).

This report was also distributed to the voters of the Town.

Article 4 taken up.

"To see if the Town will appropriate the sum of fifty (50) dollars for the Board of Survey."

Voted: — On motion of Frank W. Hodgdon, that the sum of fifty (50) dollars, to be taken from the overlayings of the tax of 1905, be appropriated for the Board of Survey in addition to the appropriation made at the annual meeting in March.

Article 5 taken up.

"To see if the Town will appropriate the sum of one hundred (100) dollars for general incidental account."

Voted: — On motion of Frank W. Hodgdon, that the sum of one hundred (100) dollars, to be taken from the overlayings of the tax of 1905, be appropriated for incidentals, in addition to the appropriations made at the annual meeting in March.

Article 6 taken up.

"To see if the Town will make an appropriation for the payment of unpaid bills of 1904 account, or take any action relating thereto."

Voted: — On motion of Frank W. Hodgdon, that the sum of one hundred and sixty-five dollars and six cents (165.06), to be taken from the

overlayings of the tax of 1905, be appropriated to pay bills for services rendered the Town in 1904, as follows:

Rent for branch of Robbins Library at Arlington Heights	$75 00
Birth and death returns	15 50
Printing	6 25
Town Counsel, special work	37 75
Expressing	14 45
Parmenter School to Highway Dept.	16 11
	$165 06

Article 7 taken up.

"To see if the Town will appropriate the sum of one hundred and fifty (150) dollars to settle the claim of the Maryland Casualty Company against the Town for additional premium on liability insurance account."

Voted: — On motion of Frank W. Hodgdon, that the sum of one hundred and fifty (150) dollars be appropriated to settle the claim of the Maryland Casualty Company, the same to be expended under the direction of the Selectmen, and taken from the treasury account.

Article 8 taken up.

"To see if the Town will appropriate the sum of five thousand (5,000) dollars to be expended the current year for suppressing the gypsy and brown-tail moths, in accordance with the provisions of Chapter 381 of the Acts of 1905."

Voted, unanimously: — On motion of Frank W. Hodgdon, that a sum not exceeding five thousand (5,000) dollars be appropriated to be expended during the balance of the year 1905 under the direction of the Selectmen in suppressing the gypsy and brown-tail moths, in accordance with the provision of Chapter 381 of the Acts of 1905, and that said sum be borrowed and the Town Treasurer be authorized to give the Town's note therefor, payable in not exceeding one year, bearing interest, signed by the Treasurer and countersigned by the Selectmen. All sums received from the state in reimbursement for expenditures made under this appropriation to be used in paying said note and the balance included in the tax for 1906.

Article 9 taken up.

"To see if the Town will appropriate the sum of sixteen thousand, five hundred (16,500) dollars to be expended during the year 1906 for suppressing the gypsy and brown-tail moths, in accordance with the provisions of Chapter 381 of the Acts of 1905."

Voted: — By a two-thirds vote, on motion of Frank W. Hodgdon, that the sum of sixteen thousand, five hundred (16,500) dollars be appropriated to be expended during the year 1906 under the direction and control of the Selectmen in suppressing the gypsy and brown-tail moths in the Town of Arlington in accordance with the provisions of Chapter 381 of the Acts of 1905. That six thousand, five hundred (6,500) dollars of said sum be raised by general tax in 1906, and the balance, ten thousand (10,000) dollars, be borrowed and the Town Treasurer be au-

thorized to give the Town's note therefor, payable in not exceeding one year, bearing interest, signed by the Treasurer and countersigned by the Selectmen.

Article 12 taken up.

"To see if the Town will appropriate the sum of one hundred (100) dollars for an automatic time clock for sounding the daily test signals of the Fire Alarm System."

Voted: — On motion of Frank W. Hodgdon, that the sum of one hundred (100) dollars be appropriated for the purchase and installation of an automatic time clock for sounding the daily test signals on the fire alarm system, said sum to be taken from the Treasury account.

Article 13 taken up.

"To see if the Town will appropriate the sum of one hundred and fifty (150) dollars for the care and removal of trees, the same to be expended under the direction of the Tree Warden."

Voted: — On motion of Frank W. Hodgdon, that the sum of fifty (50) dollars be appropriated, in addition to the amount appropriated at the annual meeting in March, for the expenses of the Tree Warden for the balance of the year 1905, the same to be taken from the Treasury account.

Article 14 taken up.

Voted: — That action on this article be indefinitely postponed.

Article 17 taken up.

Voted, by unanimous consent: — That the consideration of this article be postponed.

Article 21 taken up.

"To see if the Town will vote to pay James H. Colprit, damages growing out of the change of grade and improvement of Crescent Hill Ave., and make an appropriation therefor, or take any action in relation to the same."

Voted: — On motion of Frank W. Hodgdon, that the subject matter of Article 21 be referred to the Joint Board of Selectmen and Board of Public Works with authority to settle the claim for a sum not exceeding twelve (12) dollars, which sum is hereby appropriated therefor, to be paid from the overlayings of the tax of 1905.

Article 22 taken up.

"To see what action the Town will take with relation to the lowering of the bed of Sucker Brook, so called, where it passes under Park Avenue, and make an appropriation for same."

Voted: — On motion of Frank W. Hodgdon, that the sum of two hundred and fifty (250) dollars be appropriated to be expended under the direction and control of the Board of Public Works in lowering the bed of Sucker Brook where it passes under Park Ave., provided, however, that no expenditure shall be made until the owners of the property to

be drained above and below the avenues shall have made an agreement, satisfactory to the Board of Public Works. that they will lower the bed of the brook through their lands to a corresponding depth. Said appropriation to be taken from the Treasury account.

Article 23 taken up.

Voted: — On motion of Frank W. Hodgdon, that the consideration of this article be postponed until the next town meeting.

Article 24 taken up.

"To see if the Town will make an appropriation sufficient to meet the charges of filling deposited on the park lands adjoining Mt. Pleasant Cemetery in accordance with the vote passed by the Town, May 5, 1902."

Voted: — On motion of Frank W. Hodgdon, that the sum of thirty-eight dollars and forty cents (38.40), to be taken from the overlayings of the tax of 1905, be appropriated to reimburse the Board of Public Works for filling deposited in Meadow Brook Park, in accordance with a vote of the Town passed May 5, 1902.

Voted: — On motion of Frank W. Hodgdon, that the Selectmen be directed to apply to the next General Court for the enactment of a Statute substantially in accordance with draft of an act relative to Town Meetings in the Town of Arlington recommended by the Committee of Twenty-one.

Article 11 taken up.

"To see if the Town will authorize the Town Treasurer, under the direction of the Selectmen, to borrow money for any necessary purpose, in anticipation of the collection of taxes for the year 1906, the same to be repaid directly from the proceeds of said taxes."

Voted: — On motion of William A. Muller, that for the purpose of procuring a temporary loan to and for the Town of Arlington in anticipation of the taxes of the municipal year 1906, the Town Treasurer, is hereby authorized and directed to borrow on and after Jan. 1, 1906, from time to time, with the approval of the Board of Selectmen, a sum or sums in the aggregate not exceeding one hundred and fifty thousand (150,000) dollars and to execute and deliver therefor the note or notes of the Town, payable within one year from the time the loan is made. Any debt or debts incurred by a loan or loans to the Town under this vote shall be paid from the taxes of said municipal year.

Article 16 taken up.

Voted: — On motion of Samuel E. Kimball, that action upon this article be indefinitely postponed.

Article 15 taken up.

"To see if the Town will vote to authorize and direct the Collector of Taxes to collect all water rates and all other monies due the Town and to send out all necessary notices in relation thereto."

Voted: — On motion of Peter Schwamb, that the Collector of Taxes be, and hereby is authorized, to collect all water rates which are now

due or which hereafter may become due the Town, to give all proper receipts therefor and to send out all necessary notices in relation thereto.

Voted: — On motion of James A. Bailey, Jr., that the Collector of Taxes be, and hereby is authorized, to collect all miscellaneous bills which are now due or which hereafter may become due the Town or the various departments or committees thereof and to give all proper receipts therefor.

Article 3 taken up.

"To hear and act on the reports of committees heretofore appointed."

Frank W. Hodgdon presented the reports of the Committee of Twenty-one on the question of modification of the form of Town government. The report was made in print. File number 434.

Voted: — That the report of the committee be accepted.

Article 3 was then laid on the table.

Voted: — That when this meeting adjourns it adjourn to meet in the Town Hall, Wednesday evening, November 22, at thirty minutes after seven o'clock.

Meeting adjourned at 10.05 o'clock, P. M.

A true record. Attest:

THOMAS J. ROBINSON,
Town Clerk.

ARLINGTON, November 17, 1905.

Pursuant to law, the Town Clerks of Arlington and Lexington, met at Arlington, in the Town Clerk's office, on Friday, the seventeenth day of November, in the year of our Lord nineteen hundred and five, at twelve o'clock noon, for the purpose of canvassing the votes cast on the seventh day of November, for a Representative to the General Court of the Commonwealth to represent the Thirteenth Middlesex District.

The canvass showed the following results of the votes cast in Arlington and Lexington:

Arthur J. Wellington had, in Arlington, eight hundred and sixty-three (863); in Lexington four hundred and twenty-two (422), making a total of twelve hundred and eighty-five (1285).

Timothy F. Collins had, in Arlington, four hundred and nine (409); in Lexington, one hundred and thirty-five (135), making a total of five hundred and forty-four (544). Total votes of both towns showed that Arthur J. Wellington had a majority of all the votes cast, of seven hundred and forty-one (741).

Two certificates were filled out, signed by the Clerks of both towns, and one sent to the Secretary of the Commonwealth, the other delivered to Arthur J. Wellington of Arlington.

A true record. Attest:

THOMAS J. ROBINSON,
Town Clerk of Arlington.
GEORGE D. HARRINGTON,
Town Clerk of Lexington.

COMMONWEALTH OF MASSACHUSETTS.

MIDDLESEX COUNTY.

ARLINGTON, November 18, 1905.

By virtue of my office as Constable of the Town of Arlington, I have this day served, by giving in hand the certificate of election as Representative to the General Court to be holden on the first Wednesday of January next to Arthur J. Wellington, of 25 Wellington St., Arlington.

JAMES E. WHITTEN,
Constable.

A true record. Attest:

THOMAS J. ROBINSON,
Town Clerk.

ADJOURNED TOWN MEETING, NOVEMBER 22, 1905.

Pursuant to adjournment the inhabitants of the Town of Arlington, qualified to vote in elections and Town affairs, met in the Town Hall, in said Town, on Wednesday evening, November 22, 1905, and were called to order at thirty minutes after seven o'clock in the evening by the Moderator, Walter A. Robinson.

Article 3 was then taken from the table.

James A. Bailey, Jr., for the Selectmen, made a partial report on the matter of municipal lighting, referred to the Board at the meeting held May 2, 1905.

He also made a report of the repairing and painting of the cupola on Town Hall, and the suppression of illegal liquor selling, gambling, piggeries and other nuisances, these matters having also been referred to the Selectmen.

All of said reports were accepted.

Articles 25 and 33, inclusive, taken up.

The reading of these articles being waived it was,

Voted: — On motion of Frank W. Hodgdon, that the subject matter of Articles 25, 26, 27, 28, 29, 30, 31, 32 and 33, be referred to a Committee of Five, to be selected by the Moderator of the meeting and the Chairman of the Selectmen, said Committee to consider the subject matter of all the articles and their bearing upon the other By-Laws of the Town, and to report thereon in print to the next annual Town meeting.

The following committee was then appointed to serve for said purposes: Arthur J. Wellington, J. Howell Crosby, Henry C. Long, Fred S. Mead and Francis L. Maguire.

Articles 18, 19 and 20 taken up jointly.

Voted: — On motion of Melvin L. Severy, that Articles 18, 19 and 20 in the present warrant be corrected by the addition of the word "Not" between the words "do" and "require" in the fifth line of Article 19, and that all of said articles be printed in the warrant for the next regularly called Town meeting and that their discussion be postponed until that time.

Voted: — That this meeting do now adjourn.

Meeting dissolved at 8.10, P. M.

A true record. Attest:

THOMAS J. ROBINSON,
Town Clerk.

REPORT OF THE BOARD OF SELECTMEN.

The Board of Selectmen submit the following report for the fiscal year ending December 31, 1905.

The Board met March 11, 1905, and organized by electing James A. Bailey, Jr., chairman, and Horace A. Freeman, clerk.

Standing committees were appointed as follows:—

James A. Bailey, Jr., Police and State Aid.

Warren W. Rawson, Fire Department, Public Lands, Almshouse.

S. Frederick Hicks, Outside Poor, Town House and Buildings.

Town Debt and Tax Rate.

On December 31, 1904, the fixed debt was	$663,948 64
On December 31, 1905, the fixed debt was	653,598 64
Decrease during the year	10,350 00
On December 31, 1904, the sinking fund was	$64,826 82
On December 31, 1905, the sinking fund was	82,706 59
Increase during the year	$17,879 77

By this decrease in the fixed debt of $10,350.00 and increase in the sinking fund applicable to the payment of debt of $17,879.77, the net gain in the Town's financial condition for the year is $28,229.77. This is a gratifying condition, and the Board feels that the Town should adhere to the policy of making liberal appropriations for the sinking fund and meeting its obligations as they mature. The amount of town debt payable in the year 1906 is $11,450.00, and if the Medford Street loan of $3,000.00, which has been renewed from year to year is also paid this year, it will increase the amount to be paid during the year to $14,450.00.

The policy of borrowing in anticipation of sewer assessments has been abandoned on the advice of the Town counsel that such borrowing was not authorized by law.

The tax rate for 1905 was $20.00 on $1,000.00, which is $1.30 higher than for the year 1904 and $1.00 lower than for the year 1903. The State tax for 1905 was the largest in the history of

the Commonwealth, and there was also an increase in Metropolitan taxes over the preceding year. It is clear that the Town appropriations necessary to furnish the service required by the people in all departments, together with the amounts required for interest and sinking fund, for our large water debt and other debt, added to the State, County, and Metropolitan requirements make imperative a permanent tax rate in the vicinity of $20.00 per thousand. Many of the towns and cities adjoining us, although they are free from a burdensome water debt, have about the same rate of taxation as our own. In several of the neighboring communities, property is also considerably overvalued by the local assessors. The Board feels that it is better to have a high rate of taxation than to postpone payment of town obligations or increase the valuations of property beyond a fair market price. On the other hand it believes in economy and a prudent conduct of all the town's affairs, and is glad to be able to state that the Police Department, Fire Department, Outside Poor and Almshouse Departments have been maintained during the past year at a somewhat smaller cost than in the preceding year.

Fire Department.—The losses by fire have been less during the past year than for many years, which fact is evidence of the general efficiency and discipline in the department.

During the year Eagle Hose Company located near the Cambridge line was disbanded by the selectmen with the approval of the fire engineers. It appeared that the part of the town, which this company was intended to serve, was better protected by the other fire apparatus than many other sections of the town, and it was shown that the discipline in this company was lax. Moreover it seemed to be unwise to maintain a branch of the fire department within a few hundred feet of the town line.

On account of the policy adopted in the past of postponing proper repairs to fire apparatus it is now necessary to make extensive repairs on several pieces of apparatus. In the future an appropriation should be made each year for such repairs, so that the wagons and trucks may be kept in fair condition, and a large appropriation in any one year rendered unnecessary.

Some repairs on the Heights hose house ought to be made this year.

Police Department.—On January 1, 1905, Thomas O. D. Urquhart assumed the duties of Chief of Police. Early in the year the three principal places in which there have been in the past violations of the liquor and other laws closed their doors and they

have remained closed. Several kitchen bar rooms have been raided, and in general the proprietors of this class of places have ceased to do business. Several successful raids upon gamblers have been made and the number of arrests for all offences was the largest in the history of the town. This condition of affairs was a necessary and wholesale incident in the general cleaning up process which has been in progress during the year.

The department has been maintained at a smaller cost than in any year since 1898. This has been due to an arrangement by which one of the patrolmen, without extra compensation, has performed the duties of house officer or janitor of the town hall and also the duties of sealer of weights and measures in addition to certain regular police duty.

The Board believes that a modern police signal system will greatly increase the efficiency of police work. If an adequate system of high quality can be obtained for three or four thousand dollars it seems a wise expenditure, and its installation would probably prevent the necessity of enlarging the police force for a considerable number of years. It seems proper to pay for such a system by making an annual appropriation of $1000.00 to be raised by taxes in each of the next five years.

The police station has been so rearranged and improved that it is much better adapted for the purposes for which it is used and presents a much more business-like appearance than formerly.

The importance of the office of Chief of Police, the satisfactory manner in which the present incumbent has performed his duty, and the fact that he has declined a similar position elsewhere at an increased salary lead the Board to favor a slight increase in the salary of the Chief.

Town Insurance.—The Board is of the opinion that all town fire insurance should be discontinued. The actual experience of this and other towns and the general experience of fire insurance companies in other similar risks prove that fire insurance costs the town about double its real value. Our public buildings are so scattered that the risk of damage to more than one building by one fire is small. They are mainly of good construction, easily reached by an efficient fire department, and well guarded by a high-class fire alarm system. The installation of a complete police signal system would still further decrease the risk to which our public buildings are exposed. Brookline and other progressive towns have ceased to insure public buildings against fire. The Legislature of 1905 passed an act to authorize cities and

towns to establish municipal building insurance funds and it seems to be wise for Arlington to accept this act, accumulate its own insurance fund, and discontinue the present system.

Boiler insurance should probably be continued because as an incident of such insurance frequent and careful inspections of the boilers are made by competent men, and the safety of school children and others is promoted.

All liability insurance was discontinued last year; but the work of attempting to suppress the gypsy and brown-tail moth is so dangerous to employees and the public that it was deemed wise to take out liability insurance covering this work.

The amount of insurance carried by the town December 31, 1905, was $313,598.94 on buildings and $81,000.00 on contents, making a total of $394,598.94. The demolishing of buildings on Town House site reduced the previous amount by about $6,400.00.

Town House Site.—In accordance with a vote of the Town, the buildings on the new Town House site have been demolished and the materials removed. The cellars have been partly filled, and some rough grading has been done. $480.48 of the appropriation remain unexpended. This sum with a small additional appropriation will complete the work of putting the grounds in a presentable condition, and when this work is finished a considerable improvement in the appearance of the town will have been effected.

Public Buildings.—The cupola on the Town Hall has been repaired by putting in new bracing and by thoroughly painting the entire surface at a cost of about $116.96, so that $383.04 of the appropriation remain unexpended. The condition of the cupola was not so bad as it was believed to be at the time the appropriation was made. The fire appliances in the Town Hall have been overhauled and put in good repair and renewals and extensions have been made.

The Medford Street house has been put in thorough outside repair by shingling the roof and giving it two coats of paint.

The Town Hall ought to be painted on the outside and new sash with clear glass put in above the first floor during the coming year. The windows should also be suitably curtained.

Almshouse.—Mr. and Mrs. John B. Tay have continued in charge of the almshouse. During the year seven inmates have been cared for, one has died, one has been removed to Tewksbury, one boarded out, and the number of inmates is now four, the lowest number for many years.

The number of tramps lodged and fed during the year was 62, which is 153 less than last year and the smallest number in many years.

The present inmates are:—

Mary Scanlon, 49 years old, admitted May 10, 1892.
Timothy Linehan, 69 years old, admitted Nov. 21, 1896.
Winslow Sullivan, 77 years old, admitted Feb. 2, 1900.
James Farrell, 59 years old, admitted Oct. 29, 1904.

A supplementary heating plant has been put in at a cost of $400.00, and paid for out of a special appropriation for the purpose. About fifty cords of wood have been hauled to the Almshouse and paid for out of the regular appropriation.

The Board has given consideration to the question, whether it is wise for the Town to maintain an almshouse. The cost per inmate based on the annual appropriation for maintenance and making no allowance for the value of the plant, was about $6.00 per week. If there is added to this an amount equal to a fair annual rate of interest on the plant, the cost per inmate per week is about $8.00. Obviously the cost per inmate in whichever way it is figured is far greater than the sum which the Town would be obliged to pay for boarding the inmates outside the almshouse. On the other hand the experience of a number of towns tends to show that if an almshouse is discontinued, the inevitable result is a large increase in the number of applications for outside assistance. If an almshouse is maintained some persons will exert themselves to earn their own living who would be inclined, if there were no almshouse, to apply to the Town for aid. The Board desires to call to the attention of the Town the general subject of the almshouse, rather than to make a specific recommendation, because the existing condition of affairs is in some respects unsatisfactory.

Poor Outside of Almshouse.—The cost of furnishing supplies in this department has been somewhat less than last year. The system adopted last year of furnishing articles from a carefully prepared list, rather than furnishing articles indiscriminately, has been adhered to, and has worked well. Careful attention has been paid to each case and the many details connected with this work by the clerk of the Board. A better system and more satisfactory results than formerly were obtained have resulted.

Twenty-four families, containing fifty-six children, have been on the regular list. Last year there were twenty-two families containing fifty-one children.

Nine families, containing twenty-five children, have been on the occasional list. Last year there were sixteen families containing thirty-five children.

Six persons, including sick, feeble-minded, epileptic, and dipsomaniac, have been on the hospital list. Last year there were thirteen.

Three burials have been made. Last year there were six.

Of the above the town is reimbursed to the extent of one family on the regular list, one family on the occasional list, three persons on the hospital list and one burial.

One hundred and nineteen persons, not including reimbursements, have been partially or wholly supported all or part of the year. Last year there were one hundred and thirty-two.

The town has received $300 from the guardian of Anna Gardner, an insane inmate for many years in the State Hospital, as part payment for aid rendered by the town. This was money recently inherited by her and the reimbursement is to be commended. This example could well be followed in other cases.

Street Car Service.—The service of the Boston Elevated Railway Company has been unsatisfactory in a number of respects and frequent complaints have been made to the Board by citizens of lack of proper accommodations. The Company has been urged by the Board in several letters to remedy the conditions of which complaint was made. Some improvements resulted, and it is believed that with the completion of the Washington Street subway Arlington will get better service, and that later when the subways to Cambridge are constructed our town will receive added accommodation. The matter of a transfer station at North Cambridge, the proper terminus of the West Medford line, and the overcrowding of cars are among the subjects discussed by the Board in its communications to the Company.

Gypsy and Brown-Tail Moths.—During the past year the town has expended in the attempt to suppress the gypsy and brown-tail moths the large sum of $15,424.52. Of this amount $5,495.86 was expended under the direction of a committee appointed by the town which committee had charge of the work until June 23. Chapter 381 of the Acts of 1905, which took effect May 8, 1905, changed the policy of the State in relation to these pests. By vote of the town the Selectmen were designated under the advice and general direction of the State superintendent to destroy the

eggs, pupæ, and nests of the gypsy and brown-tail moths under the conditions and limitations contained in this act. The Board undertook the work with reluctance and with grave doubt as to a successful outcome. In November the Board asked the town to relieve it of this work and appoint some committee or other officer or board to undertake it. The town voted against placing the work in other hands. The Board repeats its request and recommendation that this work be not further imposed on the Selectmen. It believes that present methods of work are crude, imperfect, and of little permanent advantage; and that much money is wasted by pursuing the methods prescribed. If the state authorities fifteen years ago had met the problem in a scientific and reasonable manner, had learned from the experience of foreign countries, and had devoted most of their efforts to importing and establishing parasites, the present intolerable condition would not obtain. Until nature's system of checks and balances is given a fair chance to work, all the people of the infested district must exert themselves all the time and then only partial success will attend their efforts. By constant work and considerable expenditure our most valuable trees can be saved, but the trees in ordinary woodlands and neglected places seem doomed to destruction. Many street trees ought to be cut down where they are unshapely and crowded. The money required to clean such trees could be used to better and more permanent advantage in removing them. The remaining trees would be given a better chance for development and the serious problem of saving street trees would be simplified.

When the Board undertook the work in June, the street trees were in good condition and by continuing the work and the methods of the committee previously in charge these trees were kept reasonably free from caterpillars and there was no considerable defoliation. The trees on many private estates were also in good condition, and by constant exertion on the part of their owners were kept fairly free from the ravages of the pest.

On the other hand the trees in Menotomy Rocks Park, in large areas of woodland, and on many private estates were completely defoliated and many of the trees died as a direct result of such defoliation which in some cases was the third or fourth stripping to which they had been subjected. The number of caterpillars in town is beyond computation, but an idea may be obtained from the fact that at the trunk of one tree in the Park several bushels of caterpillars were killed by spraying in a period of a few days.

In many woodland tracts similar conditions prevailed and to the owners of such woodland it seemed futile to attempt to check the pest.

Walter R. Caswell, who had had much experience in gypsy moth work and who was highly recommended by State Superintendent Kirkland, was appointed town superintendent and assumed his duties.

The Board directed its first efforts to an attempt to save the trees in the Park by the use of tanglefoot and burlap and by spraying and killing caterpillars on the trunks of the trees. Much work was done on the street trees by the use of burlaps and by a daily killing of caterpillars under and near the burlaps.

After the eating season had passed it was found that about eleven hundred trees in the Park were dead and these trees were cut down and made into cord wood of which a considerable part was teamed to the Almshouse. Most of the small trees and shrubs in the town gravel lot were cut and burned, and much work was done on the sides of roads in the outlying portions of the town cutting and burning everything except a few good trees. Small gangs of men have worked on the street trees cutting off the nests of brown-tail moths and creosoting the nests of the gypsy moth.

Several circular letters have been sent to the citizens and land owners explaining the law and urging all to exert themselves. Two largely attended conferences with woodland owners were held and Mr. Kirkland, the state superintendent, Mr. Minot, his agent, and Mr. Caswell have met and advised many people of the town.

It was deemed essential to have an accurate system for recording the work done, the cost thereof, the condition of estates and other details of the work, and Herbert M. Day was employed to devise such a system and to keep the records.

The State superintendent allotted to us in November, $5,000.00 more than the original allotment to this town. Of this $5,000.00 the state reimburses the town to the extent of $4,000.00. A large part of this sum was spent in purchasing spraying apparatus and other material for use next summer. The number of men at work was increased and the experiment was tried of cleaning a piece of woodland not owned by the town. This work was so costly that the Board was convinced that it ought not to be continued, and it follows that owners of woodland must clean their own premises or their trees will be killed.

Of the total amount expended by the Board, the state will reimburse the Town to the extent of $6,805.06. For detailed account of the expenditures see the Auditor's report.

Perambulation of Town Lines.—The statutes require town lines to be perambulated once in every five years. In accordance with this requirement representatives of this Board met representatives from contiguous towns and with them examined all witness monuments marking town lines. These monuments were found to be in proper position and properly lettered.

Coal Contracts.—Ten different parties were invited to send to the Board proposals for furnishing the several town departments with coal.

The contract was awarded to Peirce & Winn Co., their bid being the most satisfactory. The prices were as follows:—

Outside Poor: Stove coal in ½-ton lots, as wanted, $7.00 per ton.

Russell and Crosby Schools: George's Creek Cumberland, $4.20 per ton.

Robbins Library: Honey Brook Lehigh, egg, $6.65 per ton.

Balance of order to various departments: stove, egg and furnace, $6.10 per ton.

All the above to be delivered into bins.

Arlington Centennial.—On February 27, 1907, Arlington will have completed one hundred years of life as a town. It is fitting that this occasion be marked by a proper observance, and the Board recommends the appointment of a committee to arrange for such an observance.

The Board desires to record its appreciation of the faithful and efficient service of its clerk. His careful attention to the many details connected with the duties of the Selectmen and his accurate information and sound judgment are of great assistance in carrying on the work of the Board.

Licenses.

Licenses were granted as follows:—

Victuallers.—Charles H. Kimball, 1385 Massachusetts avenue; James Hutchinson, 55 Teel street; Charles F. Ford & Company, 1111½ Massachusetts avenue; A. C. LaBreque, 606 Massachusetts avenue; James A. Cuddy, 1399 Massachusetts avenue; Marie

MacDonald, 1406 Massachusetts avenue; Fred A. Taylor, 77 Dudley street; A. Osborne Sprague, 5 Mystic street.

Junk.—Max Rosenfeldt, 396 Columbia street, Cambridge; Morris Backer, 4 Lake street, West Somerville.

Billiards and Pool Table.—Mrs. Bridgett Canniff, 943 Massachusetts avenue; Joseph Ronco, Post-office building, Massachusetts avenue; Robert Watson and C. S. Hunt, 466 Massachusetts avenue.

REPORT OF THE CHIEF OF POLICE.

ARLINGTON, MASS., January 1, 1906.

To the Honorable Board of Selectmen of Arlington:

GENTLEMEN:—I herewith submit a report of the doings of the police department for the year ending December 31, 1905.

The department consists of the following members:—

CHIEF.

Thomas O. D. Urquhart, born Saco, Me., age 38, appointed January 1, 1905.

PATROLMEN.

Garritt Barry, Born, Ireland, Age 54, Appointed Nov. 9, 1876.
Daniel M. Hooley, Born, Ireland, Age 42, Appointed May 1, 1887.
Andrew Irwin, Born, Malone, N. Y., Age 49, Appointed Apr. 1, 1889.
John Duffy, Born, Arlington, Age 45, Appointed July 27, 1891.
James E. Whitten, Born, Gardiner, Me., Age 42, Appointed Apr. 1, 1896.
Fred E. Smith,* Born, Windsor, N. S., Age 38, Appointed Apr. 1, 1899.
Robert H. Fall, Born, Arlington, Age 32, Appointed July 8, 1901.
Thomas F. Priest, Born, Troy, N. Y., Age 38, Appointed May 29, 1904.
F. Joseph Cahalin, Born, Arlington, Age 39, Appointed Sept. 3, 1905.

FINANCIAL.

Appropriation for 1905	$8,950 00
Expenditures, (including care of Town Hall)	8,949 11
Balance unexpended	89

Since April 1st the care of the Town Hall and the duties of the Sealer of Weights and Measures have been performed by this department and paid for from the police appropriation.

The department should be credited with $330.00, for the care of the Town Hall, and by $75.00 for services rendered as Sealer of Weights and Measures, making a total of $405.00. This would give an unexpended balance of $405.89, rather than 89 cents as appears above.

There are unpaid bills to the amount of $28.37.

Fines to the amount of $603.20 have been paid to the Town Treasurer by the Clerk of the Court.

*Discharged July 10, 1905.

Number of Arrests during the Year.

Males	326	Foreigners	136
Females	13	Non-residents	162
Americans	201	Arrests on warrants	18
		Arrests on summons	70

Cause of Arrest.

Admitting minors to pool-room	1	Keeping liquor with intent to sell	1

Non-residents were from the following cities and towns:— Boston 43; Belmont 2; Bedford 1; Billerica 1; Burlington 2; Cambridge 38; Chelmsford 3; Concord 1; Everett 1; Hyde Park 2; Lincoln 1; Lexington 11; Lowell 1; Lynn 1; Lawrence 1; Medford 5; Milton 1; Norwood 1; Newton 1; Somerville 27; Stoneham 2; Woburn 1; Winchester 5; Waltham 1; Wayland 1; Waverley 1; Worcester 1; No home 3; Maine 1; Vermont 1; New Hampshire 1; Connecticut 1; Rhode Island 1.

Miscellaneous Business.

Ambulance calls 34; accidents reported 24; buildings specially protected 48; dead bodies cared for 5; defective electric lights 273; detail for public assemblies 16; escorts furnished 2; Fire alarms given 3; lights in buildings extinguished 1; lost children restored 12; notices served for Board of Health 49; autopsies attended 1; buildings found open 47; cases investigated 258; defective wires reported 16; defective water pipes 14; dogs killed 8; fires extinguished without alarm 5; injured persons assisted 12; lanterns placed in dangerous places 59; notices served for Selectmen 52; officers at fires 58; officers detailed for duty out of Town 3; runaway teams secured 1; stray teams cared for 8; search warrant for liquor served 7; search warrants for stolen property served 1; obstructions in streets removed 4; sick persons assisted 15; stray automobiles cared for 1; search warrants for gaming implements served 1.

Value of property stolen	$279 50
Value of property recovered	235 75
Value of property lost	160 80
Value of property found	107 00

Police System.—A police signal system is absolutely needed by this department and should be installed without delay.

The police signal system bears the same relation to the police department as does the fire alarm system to the Fire Department and that no doubt was looked upon with disfavor until its worth had been many times proven.

We now have a system of four boxes, put in by the New England Telephone Co., for which they charge a yearly rental of $139.76, or about $34.94 per box, and when an additional box was wanted quoted a price of $52.00 per year, which was declined.

The police department of the Town of Clinton has a similar system to ours consisting of 13 boxes put in by the same company, for which rentals of $304.00 per year are paid, or about

$23.39 per box, a difference of about $11.55 per box in favor of the Town of Clinton.

Up to the present date the Town has paid to this company in rentals over $883.76 on a system lacking in efficient service.

A Gamewell system installed in a first class manner with 15 boxes will cost about $5,000.00 (and if I am rightly informed by Mr. LeBaron, Inspector of Wires), may be paid for in yearly intallments of $1,000.00 until paid, or can be hired at a yearly rental.

This matter has been brought to our attention in the years gone by and I now most earnestly urge the necessity of it. I recommend that the sum of $5,000.00 be appropriated for a complete police signal system.

The Ambulance.—The ambulance has been used this year more than ever, doing excellent service. The expense has been met by this department as no special appropriation therefor was made.

It is very much in need of general repairs and more than any other one thing needs a new set of springs, the present ones not being sufficiently flexible.

There were 34 calls for the ambulance during the year, some of the cases being very serious, necessitating the utmost care of the officers detailed for this work.

24 accident cases reported by the police, and 15 sick and 12 injured persons were assisted to their homes or taken to the various hospitals.

The cost of maintaining the ambulance and the treatment of emergency cases was as follows:—

Cost of care of ambulance	$50 00
Cost of horse hire	57 50
Cost of necessary repairs and furnishings	45 50
Cost of 1 Medical cabinet	20 50
Cost of Medical supplies	17 90
Cost of washing blankets and towels	7 20
	$198 60

I recommend that the sum of $75.00 be appropriated for needed repairs, and $150.00 for the maintenance of the ambulance for the coming year.

Liquor Law Enforcement.—No complaints of violations of the liquor law have been left unattended and to-day, so far as the illegal sale of liquor is concerned, I sincerely believe Arlington to be one of the cleanest towns in Massachusetts.

A year ago $1,000.00 was appropriated to be used if necessary in aiding the suppression of the illegal sale of intoxicating liquors, but so well have your officers attended to their duties that no money from this fund has been expended.

Lodgers.—Up to the time the new tramp law went into effect 62 permits were granted by this department for lodgings in the Tramp rooms at the Poor Farm. Since that time no permits have been issued as the Poor Farm is not provided with facilities such as are necessary in order to accommodate tramps in the way required by the rules of the State Board of Health.

Recommendations.—During the summer months a great many people from the surrounding cities and towns come to Arlington for recreation and pleasure. Especially is this true of the heights where on a fair Sunday or holiday from 40 to 60 thousand people are frequently brought on the electric cars. Many of them scatter over the heights and recognize no law but that of possession. Some of them invade the yards, orchards and woods and are a source of annoyance to residents and of injury to property.

Many of this class have been dealt with severely during the year and many extra hours duty have been required of the night officers to safeguard both people and property. At least two extra men should be detailed for this section from 1 P. M. to 12 o'clock midnight for at least 4 months in the year.

Spy Pond.—The letting of unsafe canoes on Spy Pond to irresponsible parties is a matter requiring special consideration. The drowning accident one day last summer where two young men of about twenty years of age, inexperienced, hired two canoes and in less than two hours were taken from the pond by the police, dead, is of too frequent occurrence. If an Inspector of Boats could be appointed such boats as in his judgment are unsafe, condemned and the owner held liable if he used them, it would go far to stop such occurrences.

Sergeant.—I sincerely believe it would be of advantage to this department if a sergeant or lieutenant were appointed to assume command and be answerable for the efficiency of the force during such times as the chief may be absent, as at night.

The office must be kept open day and night and an officer of rank should always be in charge.

No patrolmen will assume the responsibility or take the pains that this work requires.

This change can be made without additional cost to the department.

Conclusion.—The officers as a whole have done good work and so far as I am able to observe have worked in harmony. Some changes made during the year have tended to strengthen the efficiency of the force.

I would recommend that $8,950.00 be appropriated for the maintenance of this department for the year 1906.

In conclusion allow me to extend to your honorable board and to the citizens of Arlington my sincere thanks for the many courtesies rendered and advice given during the year.

Respectfully submitted,

THOMAS O. D. URQUHART,
Chief of Police.

ANNUAL REPORT OF THE CHIEF ENGINEER OF THE FIRE DEPARTMENT.

To the Honorable Board of Selectmen of the Town of Arlington:

GENTLEMEN:—I have the honor to submit my annual report of the Fire Department for the year ending December 31, 1905.

I congratulate the Town on its small fire loss the past year, although we have answered more alarms than during any previous year.

Fires and Alarms.—The department has answered 74 alarms for the year. Every fire has been reported to the fire marshal and those of a suspicious nature have been thoroughly investigated by him. No fire got beyond the building in which it originated. The fires and alarms were as follows:—

Jan. 28 — Box 35, 3.55 P. M. A. Cutting, 26 Addison St., Value of Bldg., $15,000; Ins., $8,000; Loss $50. Unoccupied.
Mar. 14 — Box 34, 8.21 P. M. H. G. Porter, 129 Pleasant St., Children's play house.
Mar. 16 — Box 43, 8.25 P. M. Summer St., Grass.
Mar. 28 — Box 28, S. A., 12 M. Robbins Road, Grass.
Mar. 28 — Box 4, 10.18 A. M. Off Bartlett Ave., Grass.
Mar. 30 — Box 4, 8.37 P. M. Mrs. E. H. Hawes, 81 Jason St., Rubbish Barrel; No damage.
Apr. 1 — Box 61, 9.54 A. M. Appleton St., Brush.
Apr. 1 — S. A., 3.10 P. M. Acton St., Brush.
Apr. 1 — Box 71, 3.15 P. M. Sylvia St., Brush.
Apr. 1 — S. A., 5.05 P. M. Kensington Pk., Brush.
Apr. 1 — S. A., 5.06 P. M. Wachusett Ave., Brush.
Apr. 2 — Box 25, 10.45 A. M. Mrs. L. J. Perrigo, 40 Palmer St., Value Bldg., $8,500; Ins., $6,000; Loss, $138. Value Contents, $2,000; Ins., $1,000. No loss.
Apr. 2 — Box 52, 12.45 P. M. Crescent Hill, Brush.
Apr. 2 — S. A., 7.49 P. M. Brattle Park, Brush.
Apr. 2 — S. A., 9.22 P. M. Brattle Park, Brush.
Apr. 3 — S. A., 8.28 A. M. Mass. Ave., Rear Gott's Shop, Grass.
Apr. 3 — Box 24, 11.08 A. M. Warren St., Fence, W. H. Allen.
Apr. 3 — Box 61, 6.11 P. M. Appleton St., Grass.
Apr. 3 — S. A., 7 P. M. Jason St., Grass.
Apr. 3 — S. A., 7.45 P. M. Brattle Park, Grass.
Apr. 7 — Box 13, 9.01 P. M. Mrs. R. H. Fall, 73 Mass. Ave., Barn; Value $250; Ins., $200; Loss, $15.
Apr. 8 — Box 34, 7.40 P. M. Rear 125 Pleasant St., Grass.
Apr. 19 — Box 4, 11.45 A. M. Windemere Ave., Grass.
Apr. 19 — Box 28, 12.15 P. M. Off Oak St., Grass.
Apr. 20 — S. A., 4.50 P. M. Medford St., Cemetery Fence.
Apr. 25 — Box 46, 2.58 P. M. 24 Brattle St., Brush.

Apr. 25 — S. A., 2.18 P. M. Cliff St., Brush.
Apr. 26 — Box 39, 12.48 P. M. Mark Sullivan, Mill St., Blacksmith Shop. Value, $550; Ins., $450; Loss, $275.
Apr. 30 — S. A., 5.56 P. M. Highland Ave., Wood Pile.
May 4 — Box 32, 1.48 P. M. J. S. Pray, 253 Pleasant St., Barn. Value, $600; Ins., $600; Loss, $100.
May. 8 — Box 36, 9.50 P. M. C. Caterino, 457 Mass. Ave., Value Bldg., $1,800; Ins., $1,000; Loss, $35. Value Contents, $600; Ins., $300; Loss, $20.
May 11 — Box 4, 4.57 P. M. Menotomy Rocks Park, Grass.
May 11 — S. A., 8.50 P. M. Menotomy Rocks Park, Grass.
May 21 — Box 52, 6 P. M. Crescent Hill, Grass.
May 26 — S. A., 10.25 A. M. Westminster Ave., Grass.
May 29 — Box 4, 9.25 P. M. 16 Gray St., Grass.
June 2 — S. A., 2.30 P. M. Rear 450 Mass. Ave., Rubbish.
June 13 — Box 28, 9 P. M. B. F. Mooers, 28 Davis Ave. Value Bldg., $3,000; Ins., $2,800; Loss, $37.25. Value Contents, $1,000; Ins., $800; Loss, $32.00.
July 4 — Box 39, 12.25 A. M. H. J. Locks, 844 Mass. Ave., Hay Stack.
July 4 — Box 43, 1.30 A. M. False Alarm.
July 4 — S. A., 2.05 A. M. Wyman Est., Mass. Ave., Bonfire.
July 4 — Box 15, 2.10 A. M. Mrs. Thos. Burns, 245 Mass. Ave., Outhouse.
July 4 — Box 14, 2 P. M. W. A. Muller, 35 Mass. Ave., Value, $2,500; Ins., $2,000; Loss, $15.00.
July 4 — S. A., 8.45 P. M. Mary H. Gleason, 907 Mass. Ave., Brush.
July .9 — Box 14, 9.04 A. M. Henderson Bros., Cor. Mass. Ave., and Henderson St. Value, $2,000; Ins., $1,000; Loss, $25. Awning, Loss, $25.
July 11 — Box 45, 7.31 A. M. Adelaide A. Murray, 47 Mt. Vernon St. Value $4,800; Ins., $4,700; Loss, $850; Value Contents, $1,600; Ins., $1,200; Loss, $250.
July 27 — Box 52, 4.47 P. M. Rear Crescent Hill, heirs of Cyrus Cutter. Unoccupied house. No Loss.
Aug. 5 — Box 25, 2.40 P. M. Test pulled by Selectman Bailey.
Aug. 11 — S. A., 7 A. M. A. F. Brooks, 409 Mass. Ave. No damage.
Aug. 17 — S. A., 8.15 P. M. Electric Car, Cor. Mass. Ave. and Medford St.
Aug. 26 — Box 27, 11.52 A. M. 24 Summer St. Fowle's Arlington Mills, house. Value Bldg., $1,300; Ins., $1,200; Loss, $15. Value Contents, $500; Ins., 0; Loss. 0.
Aug. 29 — Box 24, 3.10 P. M. M. P. O'Connell, 76 Park St., Rubbish.
Sept. 14 — Box 37, 5.52 A. M. 21 Russell Terrace; Warren Sherburne, Chimney. No Loss.
Sept. 22 — Box 71, 1.10 P. M. F. M. Barr, 75 Lancaster Rd., Value Bldg., $500; Ins., $300; Loss, $100; Value Contents, $500; Ins., $300; Loss, $175.
Sept. 23 — S. A., 9.10 P. M. Summer St. Almshouse, Brush.
Sept. 28 — Box 71, 12.45 A. M. Lancaster Rd., F. M. Barr. Value Bldg., $1,500; Ins., $1,500; Loss, $1,175; Value Contents, $1,000; Ins., $700. Total Loss.
Oct. 3 — Box 36, 4.55 A. M. R. R. Station. Value Bldg., $3,500; Ins., $3,500; Loss, $30.
Oct. 7 — Box 47, 2.22 P. M. 1111 Mass. Ave., C. F. & J. Ford. Value Bldg., $4,000; Ins., $3,000; Loss, $85. Value Contents, $2,500; Ins., $1,500; Loss, $80.
Oct. 7 — S. A., 6.14 P. M. Warren St., Fillebrown Est., Rubbish.

Oct. 8 — Box 4, 2.25 A. M. G. E. Varney, 44 Gray St. Value Bldg., $6,500; Ins., $6,000; Loss, $200. Value Contents, $4,100; Ins., $4,000; Loss, 0.
Oct. 8 — Box 52, 5.20 A. M. Lowell St., Barn A. G. McDonald's. Value Bldg., $200; Ins., $200; Loss, $200. Value Contents, $1,500; Ins., $1,100; Loss, $1,005.
Oct. 8 — S. A., 9.10 A. M. Lowell St., Brush.
Oct. 21 — Box 39, 9.45 A. M. Mrs. Ellen Riley, 22 Beacon St., Chimney.
Nov. 4 — Box 13, 5.55 P. M. Henderson Bros., Cross St. Value Bldg., $1,000; Ins., $1,000; Loss, 0. Value Contents, $150; Ins., 0. Loss, $5.00.
Nov. 7 — Box 54, 9.51 P. M. Wm. E. Lloyd, 154 Park Ave. Value Bldg., $6,500; Ins., $3,500; Loss, $430. Value Contents, $2,000; Ins., $1,500; Loss, $50.00.
Nov. 23 — Box 4, Needless.
Nov. 24 — S. A., 12.10 P. M. Medford St., Cemetery Fence.
Dec. 13 — Box 15, 7 P. M. W. H. Allen, 12 Lake St. Value Bldg., $1.500; Ins., $1,000; Loss, $50. Value Contents, $1,000; Ins., 0; Loss, 0.
Dec. 14 — Box 36, 9.51 P. M. Est. R. W. Shattuck, 467 Mass. Ave. Value Bldg., $4,000; Ins., $3,500; Loss, $30. Value Contents, $11,000; Ins., $10,100; Loss, 0.
Dec. 20 — Box 39, 3.05 P. M. Jason St. Tar Kettle.
Dec. 28 — S. A., 6.17 P. M. Park Ave. Automobile, J. R. Whipple.
Dec. 30 — Box 61, 1.11 P. M. Mrs. A. M. McKenzie, 49 Florence Ave. Value Bldg., $3,500; Ins., $2,500; Loss, $25. Value Contents, $1,000; Ins., 0; Loss, 0.

The Value on Buildings was	$73,000 00
The Insurance on Buildings was	51,700 00
The Loss on Buildings was	3,930 25
The Value on Contents was	30,450 00
The Insurance on Contents was	22,500 00
The Loss on Contents was	2,317 00

The several companies have answered the alarms as follows:—

Hose 1 has answered 16 bell and 4 still alarms, and has moved to Hose 2 house, 30 times. They have laid 2,900 feet of hose and used 40 poney extinguishers.

Hose 2 has answered 55 alarms, laid 2,500 feet of hose, used 36 poney extinguishers, and has travelled 105½ miles.

Chemical has answered 50 alarms, used 16 tanks of Chemical, covered 102½ miles, and put up 90 feet of ladders.

Hose 3 has answered 35 bell and 9 still alarms, laid 2,750 feet of hose, covered 49¾ miles, and used 67 poney extinguishers.

H. & L. Truck 1 has answered 49 bell and 1 still alarm, put up 406 feet of ladders, covered 101¾ miles, and used 7 poney extinguishers.

Eagle Hose Co. No. 4.—I received the following communication from your Board April 3, 1905. "At a meeting of the Selectmen of the Town of Arlington, held April 1, 1905, the following

vote was passed: VOTED, that Eagle Hose Co. No. 4, be disbanded, and the men discharged and that the engineers be notified to carry the same into effect."

On April 5th, the following notice was sent to Capt. Smith, of Hose No. 4 Company: "In accordance with the instructions from the Selectmen, we disband Hose Company No. 4 and discharge its members. This takes effect at 6 P. M. on April 6, 1905, after which time the company will not respond to alarms of fire, and is no longer connected with the fire department. You are hereby ordered to turn over at once to the engineers all property belonging to the Town of Arlington, in your care and possession." This order was duly executed and Hose Company No. 4 was disbanded, and the hose carriage and all the paraphernalia connected with the same is now in storage on Franklin street. The Hose No. 4 building is owned by the town and is on leased land. I think this building should be disposed of as soon as possible.

I consider that this section of the town is as well protected now as many other sections of the town. Under favorable conditions, two pieces of apparatus would be in this locality in five minutes.

Membership.—The membership of the department consists of one Chief Engineer, two assistant Chiefs, six permanent men, and forty call men.

Horses.—We have ten horses in the department. With the advice of the veterinary and your approval, we thought it best to change one of the truck horses. A new horse was purchased for $250.00 and the condemned one was sold for $150.00, and he has proved satisfactory up to this time. The horses have consumed 1,037 bushels of grain, 3,682 lbs. of straw, 47,818 lbs. of hay, making a total of $902.58, cost per horse $1.73 per week. The coal for the department cost $237.90. I think it policy to change the chemical horses as soon as possible, as one of them has a serious trouble.

Apparatus.—The apparatus has had no repairs during the past year, with the exception of setting the tires on some of the pieces. There should be extensive repairs on hose 2 wagon to make it safe for the load it now carries. It was originally made for a one horse wagon to carry 800 feet of hose. It now carries 1,200 feet of hose and some ladders and has two horses, and it has not been strengthened since it was made. Hose 1 and 3 wagons should go through the repair shop. Also the Chemical, and where new wheels and tires are required, they should be replaced with rubber tires.

Buildings.—Hose 1 House should receive a coat of paint next season. Hose 2 House has been repaired in the upper story and is now in first class condition. I received estimates from a contractor for the repairs on this building for $350.00. The permanent men in the department have done this work with few exceptions at a cost of $105.00. Hose 3 House has had no repairs excepting the annex, for which the Town made a special appropriation of $185.00. This was done mostly by the permanent men, the cost for the same being $126.35.

Hose.—We have at present 6,900 feet of hose, about 1,000 feet of which would not stand high water pressure. I think it advisable to purchase 500 feet if possible this year.

Fire Alarm.—The fire alarm has given us good satisfaction during the past year. The details of the same will be found in the report of the Superintendent of Fire Alarm.

Relief Association.—I am sorry to say the relief association has lost two members by death the past year. It has paid out for sick benefits $170.00 and $200.00 for death benefits. We have not been fortunate enough to receive any donations during the past year. All the income has been from its regular dues, which are not enough to pay for the sick benefits. Some means will have to be devised for increasing our fund or we will have to draw on our principal.

Suggestions.—I would renew my old suggestion that the high water service be extended down Massachusetts avenue and Medford street, and over Pleasant street, for better fire protection. I also suggest that people having telephones call up No. 64-3, central fire station, in case of fire, as they would get better results than going to the nearest box, and any box can be sounded from this engine house. We have had better results from the telephone calls this year than heretofore. I suggest that Hose Company and Chemical A be consolidated under one head. That is, the captains and officers of Hose 2 Company acting in one capacity for the Chemical Company. I would further suggest that fire escapes be placed on the several school houses, most especially the Russell School. We have only one ladder in the department long enough to reach the upper stories and in case of fire during school hours, it would be almost impossible to get the children out. While the school houses have complied with the law, I think some better means should be devised for fire protection. I simply call your attention to this matter, as I do not wish to be blamed should

conflagration occur, and people would say they had not been informed of this matter before.

Recommendations.—I recommend that indicators be placed in the several houses. We have been very fortunate in not making a run to the wrong box, but it is very uncertain work to count the box and harness the horses at the same time. I also recommend that the permanent men receive an increase of pay. The pay for these men is smaller than that of those in this vicinity. They have had no advance in pay for five years and they certainly are entitled to more compensation.

Appropriation.—I ask an appropriation for the ensuing year of $9,600.00. This for the following reasons: based on the figures of 1905. The permanent men have cost $4,342.00; Call men and Engineers, $2,602.00; Laundrying for nine months, $31.80; Veterinary services, $55.00; Blacksmithing, $290.00; Lighting, $85.00; Feed and Fuel, $1,200.00; Sundries, $900.00. This calls for simply the running expenses, no extras whatever.

Conclusion.—In closing I wish to express my heartfelt thanks to your Board for the courteous and gentlemanly manner in which you have received me at all times in my official capacity. To the Chief of Police, I extend thanks for favors bestowed on me. My assistants, who have given me great help and always been willing to assist in any way possible, receive my thanks. To the Captains and Members, my sincere thanks for the cheerful manner in which they have performed their work. My permanent men, my sincere thanks and appreciation for the interest taken and their desire to make the fire department efficient, and the fire loss small.

Respectfully submitted,

CHARLES GOTT,
Chief Engineer.

REPORT OF THE INSPECTOR OF BUILDINGS.

ARLINGTON, MASS., December 31, 1905.

To the Honorable Board of Selectmen:

GENTLEMEN:—I herewith submit the report of the Inspector of Buildings for the year 1905.

From January 1st to April 1st the work was in charge of William Gratto.

The number of permits granted for new buildings and for alterations and repairs were 74, classified as follows:

NEW BUILDINGS.

Dwellings, one family	20	$57,000	
two families	5	33,000	
six families	1	19,000	
eight families	1	40,000	
Factories (additions to existing plants)	4	13,000	
Stables and carriage houses	11	7,500	
Storage	1	2,000	
Block for stores and offices	1	18,000	
Automobile houses	2	450	
Temporary	2	300	$190,250

ADDITIONS AND ALTERATIONS.

Dwellings	21	$21,000	
Factories (Interior repairs)	1	500	
Stables	4	800	22,300
			$212,550

Respectfully submitted,

ROBERT W. POND,

Inspector of Buildings.

REPORT OF TOWN PHYSICIAN.

To the Honorable Board of Selectmen:

I have the honor to submit the following report as Town Physician for nine months, from April 1, 1905, to December 31, 1905:

Number of visits made	217
Number of office visits	88
Number of emergency calls at Police Station	22
Number of vaccinations	6

Among the more serious diseases treated have been adentis, hernia, pneumonia, diphtheria, tubercular meningitis, and cancer of the stomach.

The health of the inmates of the Almshouse has been in general good. Occasional visits have been required to those suffering from chronic ailments and there have been a few acute cases.

The facilities for the treatment of emergency cases at the Police Station have been frequently in requisition and the co-operation of the department has been hearty and valuable.

Respectfully submitted,

CHARLES F. ATWOOD,
Town Physician.

REPORT OF THE INSPECTOR OF PROVISIONS AND SLAUGHTERING.

To the Board of Health:

I submit the following report for 1905:—

Licenses were granted May 1st for three persons, Frank, Henry and William Borman, to slaughter in this Town.

I have inspected the slaughtering of 1914 veal, nine lambs, four cows and two hogs.

The slaughtering places have been kept very neat and clean.

Inspection of Provisions.

All stores in this Town that have provisions for sale I found neat and clean, having good quality of meat and properly inspected.

I have not received any complaints from any one this year on the quality of provisions sold in this Town.

Respectfully,

F. P. Winn,

Inspector.

Arlington, December 30, 1905.

REPORT OF INSPECTOR OF PLUMBING.

ARLINGTON, January 1, 1906.

To the Board of Health:

GENTLEMEN:—During the year 1905, ninety-two applications have been placed on file and plumbing permits duly issued therefor, inclusive of dwellings, apartment houses, stores, factories and stables. Twenty-five new buildings are included and eleven buildings reconstructed.

Respectfully submitted,

EDWIN MILLS,
Inspector of Plumbing.

REPORT OF FUMIGATOR.

ARLINGTON, December 31, 1905.

Board of Health:

GENTLEMEN:—Since my appointment as fumigator, April 7th, 1905, I have fumigated with formaldehyde generated into gas and corrosive sublimate,—

25 rooms, 4 bath rooms, 5 halls and stairways after 13 cases of scarlet fever.

10 rooms, 2 halls and stairways after 7 cases of diphtheria.

1 school-room and 1 dressing-room, 1 toilet-room, all in Russell School Building, after 1 case of diphtheria in said building.

2 rooms after 2 cases of tuberculosis on recommendation of attending physician.

1 room after 1 case of cancer on recommendation of attending physician.

CHARLES T. HARTWELL,
Fumigator.

REPORT OF THE INSPECTOR OF MILK.

To the Board of Selectmen:

I submit the following report as Inspector of Milk.

I have issued seventy milk and cream licenses the past year.

I have taken thirty-five dollars in fees, which amount has been paid to the Town Treasurer.

I have taken at different times fifty samples of milk, which I have tested and found them up to the standard.

Have received only two complaints this year in quality of milk.

If any one would notify the Inspector when he thought the milk was not right, it would help the Inspector much in locating any trouble with the milk.

Respectfully,

F. P. WINN,
Inspector.

ARLINGTON, MASS., December 30, 1905.

REPORT OF SEALER OF WEIGHTS AND MEASURES.

To the Honorable Board of Selectmen:

GENTLEMEN:—I have the honor to submit to you the following report for the year ending December 31, 1905.

I have inspected, tested and sealed three scales, seven dry measures, and four weights. The incorrect ones were adjusted and made to register properly.

Whole number of scales tested	3
Whole number of dry measures tested	7
Whole number of weights tested	4
Whole number of milk jars tested	1,746
Whole number of milk jars condemned	2

Respectfully submitted,

JAMES E. WHITTEN,
Sealer of Weights and Measures.

December 31, 1905.

REPORT OF INSPECTOR OF ANIMALS.

To the Honorable Board of Selectmen of the Town of Arlington:

GENTLEMEN:—I have the honor to submit my annual report as Inspector of Animals for the year ending December 31, 1905.

During the year I have found fifteen (15) cases of glanders and farcy, three (3) of which were owned by out of town parties. There have also been three (3) cases of tuberculosis in cows and one (1) case of rabies in a dog.

In making my regular fall inspection, I have inspected two hundred and thirty-three (233) cows, and six hundred and ninety-four (694) pigs for tuberculosis and other contagious diseases. The owners were in all cases given the regular certificates of inspection. I also inspected at this time eighty-three (83) stables wherein these animals were stabled and reports were in each case made out and sent to the State Bureau.

In all cases where contagious diseases have been found, disinfecting has been done by the State Bureau.

Respectfully submitted,

LAWRENCE L. PEIRCE, M.D.V.,

Inspector of Animals.

REPORT OF PARK COMMISSIONERS.

The Park Commissioners submit the following report for the year 1905:

As has been the custom the past few years the Park Commissioners have met once a month, or when occasion demanded, Menotomy Rocks Park being the principal locality demanding their attention.

On occasional Sundays and holidays several hundred people have visited this park in a single day. A caretaker has been employed from early spring until about December 1st.

The cleaning of the trees, during the spring, of gypsy and brown-tail moths was done under the direction of the Gypsy Moth Committee, appointed by the Town in November, 1904. Since June 1st, when the State Authorities took charge of the work, the Town Superintendent has had a number of men cutting out dead trees and treating egg clusters. In all about 200 cords of wood have been cut out this year, one half of which was sold and the remainder taken to the Town Farm. This is the second year that the trees have been entirely denuded, but the number of egg clusters left on the trees was very small compared with last year. Whether or not this pest can be kept down under the present methods is a question.

At Meadow Brook Park all the willows were cut down in the spring and the stumps treated for gypsy moths. The customary filling has been done in this locality under the direction of the Town Engineer.

Respectfully submitted,

CHARLES H. CARTER,
CHARLES H. GANNETT,
WILLIAM E. LLOYD,
Park Commissioners.

Arlington, Mass., January 1, 1906.

REPORT OF TREE WARDEN.

I have the honor to submit my third Annual Report, as Tree Warden, for the year 1905.

At the November meeting, 1904, a committee of ten was appointed to be known as the Gypsy Moth Committee, comprised of three citizens, the Board of Public Works, the Park Commissioners and the Tree Warden, to undertake the suppression of the gypsy and brown-tail moths on the trees along the highways and parks of the Town.

An appropriation of six thousand (6,000) dollars was made at this meeting, the same to be expended under the direction of this committee.

July 1, 1905, the Selectmen of the Town saw fit to appoint Mr. Walter Caswell, of Malden, Mass., as Superintendent of moth work in this Town, under the supervision of the State Superintendent.

Tree Planting.—There have been quite a number of trees removed in different parts of the Town on account of street widening and those that were destroyed by ravages of the moth pest.

I would recommend that the sum of two hundred (200) dollars be appropriated for the purpose of replacing those that have been removed and any others that may be removed.

Trimming of Trees.—I again call your attention to this part of the work, concerning the welfare of the trees. Owing to the yearly pruning of the trees in removing the brown-tail moths there has developed a serious condition in the appearance of most of our large elm trees. Where the cut has been made decay has set in and it will not be long before the trees will be in these upper parts a menace to people passing. These decaying limbs should be cut out, the wound smeared with tar, preventing the weather from gaining access to the life of the tree. The dead wood in the trees along Massachusetts avenue and Pleasant street should be removed this spring. I would recommend the sum of two hundred and fifty (250) dollars being appropriated for this work.

Guards for Small Trees.—There are guards required for a large number of small trees recently planted which should be supplied immediately owing to the danger of girdling of trees by horses.

Conclusion.—In concluding this report I wish to extend thanks to the several departments of the Town for their many courtesies shown me.

For receipts and disbursements see Auditor's report.

Respectfully submitted,

A. FOSTER BROOKS,

Tree Warden.

REPORT OF THE GYPSY-MOTH COMMITTEE.

In accordance with a vote of the Town, November 29th, 1904, an appropriation of $6,000 for the suppression of the gypsy and brown-tail moths was passed, and the work was placed in the hands of a committee of ten, consisting of the Board of Public Works, the Park Commissioners, the Tree Warden, and the Presidents of the three Tree Protective Associations of the Town, Cyrus E. Dallin, W. D. Higgins and T. E. Smith.

The first meeting of this committee was held December 1st, 1904, and organized with C. E. Dallin, chairman, and C. H. Gannett, clerk. The work was intrusted to a sub-committee of five members, consisting of Messrs. Dallin, Carter, Smith, Higgins and Gannett.

The number of men employed varied from ten to thirty.

As there was a question in regard to the legality of the committee, the Town Counsel was consulted and the acts of the committee were finally legalized by each member being appointed Deputy Tree Warden by the Tree Warden, A. Foster Brooks, who was made Superintendent of the work, as no money could be expended except with his approval.

It was also found that none of the Town funds could be expended on private property and an article was inserted in the Town Warrant to care for this matter, as there were numerous trees on private property which overhung the highways and were a menace to the Town trees.

As the citizens were not clearing their property as they should and expected the Town to do this work on private lands to some degree, it was decided to send a petition around to various owners

of property, asking them to sign the same, saying "that they have or will have their property cleaned of the gypsy and brown-tail moths, or will pay for having the same done under the direction of the Gypsy Moth Committee."

This petition was taken to about every residence in the Town, the matter explained and nearly every property owner signed, there being but few refusals.

In February it was decided to purchase brown-tail moth nests at seven cents per hundred, and the room in the basement of the Town Hall was used Saturday afternoons for several weeks as a place in which to count the nests which came in by the thousand. About 475,000 nests were collected and burned, at an expense of about $400, including the expense of counting.

At Menotomy Park the work was carried on under the advice of a tree expert and by his men, as long as the money set aside for this park held out, and when the caterpillas began to crawl several men were employed using the spraying apparatus, and bushels of caterpillas were killed and buried.

The trees of the park were stripped of leaves again this year, but the number of egg clusters left this year was very small. A strip of wood about 20 feet wide all around the park was sold on the stump and cut down. This was done so that a trench could be dug all around and filled with hay soaked in kerosene, in order to keep the caterpillas from crawling in from the surrounding woods and walls. As the funds gave out this trench had to be abandoned.

The burlaping of all the trees of the Town was done by contract, the burlaps being furnished by the committee.

At Meadow Brook Park all the willows were cut down and stumps burned with tree oil, the balance of the grove being treated for moths in the usual way. Part of the willow wood was sold and the remainder turned over to the Selectmen to be used at the Town Farm.

On account of the small amount of funds remaining in the spring, very little spraying was done. The streets included in this work were: Massachusetts avenue, Pleasant street, Lake street, Academy street, Mystic street and part of Summer street.

Among the large number of men employed in the hazardous work of tree climbing there was but one serious accident, which occurred at the corner of Academy street and Massachusetts avenue.

When your committee ceased to exist by the appointment of the Superintendent, in conformity with the State Law for the sup-

pression of the moth pests all unexpended money was turned over to him.

An itemized account of the money expended by the committee will be found in the Auditor's report.

PETER SCHWAMB,
S. E. KIMBALL,
W. N. WINN,
Board of Public Works.

CHARLES H. CARTER,
C. H. GANNETT,
W. E. LLOYD,
Park Commissioners.

REPORT OF THE TRUSTEES OF THE ROBBINS LIBRARY.

To the Town of Arlington:—

The Trustees of the Robbins Library submit their annual report.

We note a slight falling off in the number of books taken: 44,035 for 1905, as against 44,434 for 1904.

The loss at the main library of 762 is more than offset by the gain of 1,157 in the Children's Room, from which 5,755 volumes were taken in 1905, as compared with 4,598 in 1904.

The average attendance at the Reading Room remains about the same, 58 as against 59 last year for week days, but a gain of 46 against 43 is noted on Sundays. There is a great deal of reference work done at the Library for which we have no statistics.

Thanks to the generosity of the Town in restoring its grant to the old figure we have had $500 more to spend upon books than last year, and have thus been able to make a contract with the Booklovers' Library to supply 50 volumes to be exchanged for others when desired. By this arrangement we have been able to supply the public with a greater amount of the latest fiction than was otherwise possible. Our larger income has also enabled us to introduce six sets of stereoptican views of England, Egypt, India, Italy, Ireland and Switzerland, for use by the schools and others. These are high grade pictures and will be greatly enjoyed.

We have continued to give exhibitions of photographs, etc., in addition to those hitherto reported.

January. No. 41. Photographs of Nuremberg.

February. No. 42. Photographs of French Art in Paris, No. 1.

March. No. 43. Photographs of Mexico.

April and May. No. 44. Photographs of French Art in Paris, No. 2.

June. No. 45. Photographs of Grenada and the Alhambra.

July. No. 46. Photographs of Modern German Sculpture.

September. No. 47. Photographs of Scotland, No. 1.

October. No. 48. Photographs of the Yellowstone National Park, No. 1.

November. No. 49. Photographs of Switzerland, No. 2.
December. No. 50. Photographs of Munich.

The Library has been enriched by gifts of books and magazines from Mr. Winfield Robbins, Mrs. E. C. Turner, Mr. Edward C. Bacon, and the Literature Class of the Woman's Club, which presented us nine volumes.

The Editors of the Advocate have continued to send us a file of that paper.

Respectfully submitted,

SAMUEL C. BUSHNELL,

Respectfully submitted,

ELIZABETH J. NEWTON,

Librarian.

Arlington, December 31, 1905.

REPORT OF THE SCHOOL COMMITTEE.

December 30, 1905.

To the Town of Arlington:

Your committee after full consideration decided that the schools required the services of two Assistants to the Principals whose time should be equitably apportioned to four Grammar Buildings and Miss Bessie A. Conway and Miss Augusta A. Jackson were elected to these positions.

Swedish Gymnastics have been introduced in the Grammar Grades and the services of Miss Bessie L. Barnes secured as Instructor for two days each week. A Commercial Course in the High School was opened in the fall term and 35 pupils elected to pursue its studies showing the need for its establishment at this time.

At the meeting in May our former Superintendent, Mr. Frank S. Sutcliffe, after seven years or service presented his resignation which was accepted, to take effect July 1st, with the hearty wishes of the committee that his health might be quickly restored.

In September, Mr. John F. Scully, formerly of Brookline, was unanimously elected Superintendent and entered upon his duties October 23d.

Dedication Exercises of the William E. Parmenter School were held on May 26th. Hon. James A. Bailey, Jr., presided, and addresses were made by Secretary Martin of the State Board of Education, and Judge James P. Parmenter.

Miss Susan F. Wiley was elected to succeed her sister, Miss Florence S. Wiley, as principal of this school on the latter's resignation.

The time of the Spring Vacation has been changed to the week preceding the second Monday in April.

The citizens are again indebted to the Arlington Woman's Club for further gifts of pictures and casts to the schools, and the continued interest of its members in educational matters.

Respectfully submitted,

H. G. PORTER,

Chairman.

REPORT OF THE SUPERINTENDENT OF SCHOOLS.

To the School Committee of Arlington:—

I beg to submit to you my first annual report.

It is with regret that I find that custom has not required of the Superintendent an annual report, consequently I find myself somewhat embarrassed in not being able to present such statistics as, it seems to me, are necessary to secure a connected history of the schools of the town.

Realizing that the time I have had to study conditions in the Town is too short to form most decided opinions, there are, nevertheless, certain phases of the work about which I am glad of the opportunity to address you. Of what was done the last school year you are better informed than I can possibly be. This report must, therefore, be an outline of conditions as they appear to me, some suggestions as to how conditions may be improved, and in general terms the method I intend following in order to secure certain definite results.

The people of Arlington have a right to demand that the schools do effective work in producing character and ability to do things, together with the desire to accomplish something. Money alone is not the sole and efficient cause of good schools, no matter how liberally it may be expended. Fine buildings, perfectly heated and ventilated, teachers general and special, fine courses of study, manual training, physical training, all are missing their mark if they do not make for character and competency. Wealth of opportunity does not always mean wealth of result. Great work is going on and character and ability are in the making in many places in which the conditions, ordinarily considered essential to success, are almost wholly lacking. History teaches us that opportunity, of itself, is not a great matter. Not the mere presence of opportunity, but the *use* to which the student will put it, this is the determining factor. The forceful personality of one or more teachers, compelling the admiration and affection of their pupils, and the atmosphere that they create in the institutions to which they are giving their lives, these are the all important things. It is the duty of the Town to furnish the best of opportunities, and it is the work of teachers, principals, superintendent, and parents to see that they are appreciated.

In this connection I am led to speak of the great difficulty of finding good, sensible, experienced teachers. By examining the list of teachers given later, with the year in which they began service in Arlington, it will be seen that fourteen teachers, twenty-four per cent. of the whole force, were new to the Town during the year 1905. I am further informed that during the school year, 1904-1905, twenty-six teachers, regular, temporary, and substitute, entirely new to the school system of Arlington, taught in the schools of the Town. It must be apparent to the most casual observer that this is possible only at the expense of the children, and that it is a great detriment to efficient results. Places paying larger salaries than Arlington can afford to pay — Somerville, Cambridge, Brookline, Malden, Winchester, etc. — are drawing from our schools many of our best teachers. Most of the smaller towns have raised the salaries of desirable teachers in their employ so that we cannot attract them by the salary we can offer. Our field for available teachers is becoming more and more restricted.

Arlington pays as good salaries as most places of its size, and better than many, but we are so conveniently situated for principals and superintendents to visit, that we suffer more than places outside the Metropolitan district. This condition, therefore, is one for which it is difficult to find a remedy until the Town can afford to raise the maximum salary for grade teachers. We need as good teachers as our richer neighbors and it should be our policy to insure ourselves against loss by paying salaries as large as the resources of the Town will admit.

I respectfully suggest that, in view of the increasing difficulty of securing good teachers, the rule by which a teacher in the grades below the eighth must serve the Town two years before receiving the maximum salary be changed, so that a teacher may receive the maximum at the end of one year, and that in special cases the maximum may be paid at once to a teacher of exceptional experience and promise. My reasons for feeling the seriousness of the question of salary to teachers may be summarized as follows:—

1. The increased cost of living.
2. The greatly increased demands made upon the teacher, requiring more thorough professional training and a longer period of apprenticeship.
3. The pay of teachers as compared with the pay received in other lines of work requiring less preparation and less skill.

4. The necessity of increasing the compensation offered to teachers, in order to attract to the profession and to hold in it the best talent.

5. The fact that salaries are relatively lower to-day than they were twenty years ago.

In contrast to our own losses of teachers during the last year, Somerville, offering larger salaries, loses comparatively few teachers. In last year's school report, the Superintendent says: "During 1904, seventeen teachers have tendered their resignations. Of these ten have been drawn away by matrimonial allurements, three are teaching elsewhere for larger salaries, and the remaining four have relinquished teaching for other pursuits." The whole number of teachers new to the Somerville schools was twenty-nine, or nine per cent. of the whole number employed.

Consulting a table which shows the comparative amount of money expended in the towns of Massachusetts for the support of public schools per child during the last year, I find Arlington number thirty-four; i.e., thirty-three towns expended a larger amount for each child, while three hundred nineteen expended a smaller amount. Turning now to a table in which all the towns of the State are numerically arranged according to the proportion of their taxable property appropriated for the support of public schools, I find that Arlington is numbered one hundred and seventy. That is to say, a heavier financial burden was carried by one hundred sixty-nine towns, while a lighter burden was carried by one hundred eighty-three.

SCHOOL ACCOMMODATIONS.

The Town may well be proud of its excellent school buildings. I know of few places superior to Arlington in this respect. The buildings are kept on the whole, clean, well-heated, and well-ventilated. The sanitary conditions are good. There are very few crowded rooms, and no room in which the number of children is so great as to make proper ventilation unreasonably difficult.

On extremely cold days the heating of the High School is somewhat difficult, because of the fact that proper boilers for the heating of such a large plant were not installed when the building was built. I hope that this difficulty will be remedied during the present year.

The Locke district seems to be the section growing most rapidly. In December there was a membership for the month of 358, an increase of twenty-five over the corresponding month of last

year. This is an average for each of the eight rooms of practically forty-five children. This is comfortable for the present, though there are two rooms with fifty-two in each, but if the growth continues, as we have every reason to expect, additional school accommodations will be needed soon in that district.

A room was finished in the south-east corner of the High School basement, during the summer, for the use of classes in stenography and book-keeping. It makes a very satisfactory classroom.

I wish to express my very deep appreciation of the excellent taste and judgment that has been shown in the selection and placing of works of art in the various school buildings of the Town. I fully agree with Bliss Carman who says, in speaking of the relation of art to life: "It is a sad day for a people when their art becomes divorced from the current of their life; when it comes to be looked upon as something precious but unimportant, having nothing to do with their social structure, their faith, or their daily vocations. The sense of beauty and the sense of goodness are so closely related, that any injury to one means an injury to the other. The nation which cares nothing for art cannot be expected to care much for justice or righteousness. The two must go hand in hand."

The following works of art were added to the schools during the year:

High School: Busts of Lincoln, Grant, Washington, Jefferson, Hamilton, and John Adams; presented by the Class of 1905.

Russell School: Victory of Samothrace, Boys with Cymbals; presented by the Arlington Woman's Club.

Crosby School: Rossilino's Madonna, Boys with Cymbals, Boys Singing from Scroll, Photograph of St. Peters; given by the Woman's Club.

Cutter School: Boys Singing from Scroll, Boys with Cymbals; given by the Woman's Club.

Locke School: Boys with Cymbals; given by the Woman's Club, and Diana Robing; given by the children with help of the Woman's Club.

Parmenter School: Busts of Washington and Lincoln, Settignano's Madonna, Sistine Madonna, Van Dyke's Children, of Charles I, Dancing Children; given by the Woman's Club.

SCHOOL ATTENDANCE.

There were one hundred eighty-five days in the school year 1904-1905. The schools are in session nominally forty weeks, but

with holidays and stormy days the number of school days is always considerably below two hundred. When it is remembered that the schools are in session but about half the days in the year, that the school day is but four and three quarters hours long, that there are two no-school days in every week, and that there are two vacations of a week or more each besides legal holidays, it must be conceded that the normal strain imposed upon children by the hours of school life is not sufficient to occasion any alarm. In view of this shortness of the school year, it is important that interruptions of every sort should be reduced to a minimum, and that there should be the utmost economy of time on the part of every teacher. Regular attendance is absolutely essential to the progress of every child. We have been trying to improve the attendance. A glance at the table showing the percentage of attendance and the number of tardinesses in December, 1904, and December, 1905, will show with what success we are meeting. The system of monthly reports now in use is helping greatly. A still greater help, we feel, will be the work of the Truant Officer who began work with the present term. The officer calls at, or calls by telephone, all the schools every session. It is his duty not only to look up all suspected truants, but to look up all absentees whose non-attendance is suspected of being unnecessary. Many children are not getting a fair show because they are being kept at home to help. This is contrary to law and must be stopped.

HOME STUDY.

While it is possible to report much good work in all the grades, still, it seems to me, our average scholarship is too low. Boys and girls between the ages of twelve and eighteen are capable of doing much hard work. They should have plenty of time for recreation when their minds are wholly free from the demands of mathematics, language, or literature, and when play absorbs their utmost attention. But life to pupils should not be all play, and certainly some time every day, out of school hours, should be given to honest, hard work. In the seventh, eighth, and ninth grades it is not unreasonable to require from forty-five to ninety minutes, four or five times a week, of home work from children. In the High School there are few children who can maintain a fair standing in their classes without giving several hours a day, outside of school hours, to the preparation of their lessons. But this does not mean that a pupil is to give all his time out of school to study. If he is doing this, he is doing wrong, and there is fault somewhere. Either he is over conscientious or the work is

for him, unreasonably hard. I am assuming, in what I have said, that the pupil is in vigorous health. Without good health, a high degree of scholarship cannot be maintained without grave consequences. To meet such conditions, many High Schools have adopted the plan of diploma points. By this plan each subject counts a certain number of points for a diploma, and, to gain the number required for graduation, a pupil may take three, four, five, or even six years. An average pupil will receive his diploma in four years, but to the one who, because of ill-health or other cause, does not do this, no dishonor or disgrace attaches. It is always a misfortune, never a disgrace.

Parents and teachers should work together to secure good habits of study, and when such habits are acquired, there will, with the ordinary child, be no complaints of poorly prepared lessons or a low standard of scholarship.

GYMNASTICS AND ATHLETICS.

There was a time, and I regret to say some schools have not yet struggled out of that time, when the branches taught seemed to be the center and end of education. From this extreme view there has been a gradual change toward the opposite view, that the child is the center and end of education. We have had brought to our attention a fact which we have always known, but of which we have not been seemingly conscious; namely, that every child-mind that comes to school, comes in some kind of a body, and that the kind of body in which it comes, determines, to a great degree, what the mind may accomplish. People have come to believe that a training of the mind alone is a one-sided training, and that a highly trained mind in a poorly developed body is not the most effective instrument for accomplishing the world's work. I quote in this connection the following words of a distinguished educator:

"First among the present-day problems is the problem of physical education.

"For training the body directly and the mind indirectly, four agencies are more or less employed in some schools, and should be extensively employed in all schools; play, gymnastics, athletics, and manual training. In addition to the physical qualities developed by gymnastics, athletics develop the intellectual qualities of alertness, self-knowledge, executive ability, and 'presence of mind,' or the ability to think effectively in a crisis; and the moral qualities of self-control, self-reliance, courage, endurance, humility in victory, fortitude in defeat, and loyalty to one's fel-

lows through working together for a common end. Manual training specifically trains the hand as the executive of the mind; it gives opportunity for self-expression in material forms; it gives facility in the manipulation of the simplest tools that have aided man in his ascent from savagery; it cultivates the mental and moral habits of accuracy and truthfulness, and it induces a realization of the dignity of labor.

"Without these four forms of physical culture, no school is doing its perfect work."

If we would keep abreast of the times in the matter of physical training, we should keep very distinctly in mind the need of a gymnasium in the High School. It would brighten the whole atmosphere of school life. By making gymnastic work and games compulsory for all but the physically unfit, we should do more for our girls than can be done in any other way. Professor Tyler in an address to the Twentieth Century Club, recently said: "What can the school do? It can furnish more gymnastics and play. It can lengthen and increase the number of recesses and pauses between recitations. We need, above all, teachers with clear and watchful eyes who can lighten worry, fret, and weariness; can see when leniency is needed and when firmness is kindness; who know when not to notice a bad error or recitation, or even a day's work; who can pass over or even advise a day's absence from school now and then. We need wise and sympathetic teachers, who have a leaning towards mercy; and above all a public educated sufficiently to appreciate them and support them in their efforts. At present we are far more likely to blame our teachers for that which they cannot and we will not change."

We have made a good beginning by introducing gymnastics into the primary and grammar grades. We have a most efficient supervisor who knows the work thoroughly, and, what is better, uses good judgment in teaching it. We need her services in the High School building.

It is a lamentable fact that there is no public playground for school boys in the Town. The High School boys lease Lawrence Field for a base-ball ground, but it is at such an expense that they are unable to do for their teams what the more fortunate surrounding towns can do. It is a good deal of a burden for them to bear. If it does not seem probable that the Town will soon erect a Town Hall on the lot adjoining the High School lot, I hope that it may be deemed within the province of the School Committee to recommend to the Town that the lot be fitted up as an athletic field.

HIGH SCHOOL.

Hard and conscientious work is being done by pupils and teachers in the High School. The standard of scholarship is high and the results along classical lines excellent. Last June twenty took examinations, both preliminary and final for Harvard and Radcliffe Colleges and for the Institute of Technology, and there were no failures and very few who did not pass every subject taken. There were thirteen honors received.

In September, a broadening of the course of study was inaugurated by the opening of a Commercial Course, with prescribed work covering four years. A commercial teacher of experience was placed in charge. A room for Stenography and Type-writing was finished, and in it have been placed blackboards and furnishings, including seven type-writers of the following makes: — three Remingtons, two Smiths, one Underwood, and one Oliver.

The Commercial Course is expected to require as much keen, hard study, and to furnish as vigorous training as any other course in school. The object is to fit girls and boys who will not go to college to enter an earning career on graduation. Nevertheless, care has been taken to include in the work of each year, enough general instruction in science, language, literature, and history to prevent one-sided training. In schools where the work has been going on for several years it has been found that the earning power of the commercial graduate is from two to five times that of the ordinary High School graduate, during the year after graduation. Each year, in the regular course of events, a new class will be formed in this course, so that a larger teaching force will be needed.

GRAMMAR SCHOOLS.

The public has a right to demand that in the matter of competency, that a child graduating from the grammar school shall be a good reader, both oral and silent. He should be so trained that he shall enjoy reading and have a taste for good books. The pupil should know the elementary work of arithmetic thoroughly. He should be accurate, skillful in the use of fractions, both common and decimal, and he should be familiar with percentage and interest and with their common applications. The study of geography and history should furnish the pupil with a large amount of valuable information which shall form a foundation for future reading and study. The study of language and grammar should

train the pupil to speak and write the English language well. He should know the mechanics of written composition, and proper forms in letter writing.

That we are not meeting these demands we are deeply conscious. The writing is very poor. The vertical system of writing has had a fair trial and has been found wanting. I recommend, therefore, the adoption of a medial-slant system of writing.

The schools have no language books worthy the name, and I recommend the adoption of new language books for the fourth, fifth, sixth, seventh, and eighth grades.

The work I shall advocate for the schools will be along safe and well-defined lines. No hastily considered experiments will be recommended, but my policy shall be to advise as broad and generous training as is consistent with thoroughness; one which shall educate the whole child, physical and moral as well as intellectual.

It shall be my policy to visit the various class rooms frequently, to listen to class exercises, and to take part in the conducting of recitations; in short, to make myself, as far as possible, a stimulus and help to both teachers and pupils. I believe that one of the most helpful parts of a superintendent's work is to say a word of commendation and appreciation of what is being done that is good. Many good teachers need no other help than this. It is my desire to minimize the amount of poor teaching and tactless discipline in our schools.

I cannot close without saying a word of commendation for the earnest and conscientious work being done by most of the teachers in Arlington. I am impressed with their fidelity and their honest desire to improve. The faithful work of a good teacher is the highest type of service that a town receives, and is often the least appreciated. The best teachers are usually those who are most conscious of their shortcomings. Their ideals are not reached, and they go to their boarding-places, many of which are very unsatisfactory, with a feeling of partial failure. With the growing teacher her ideals never can be reached, for as fast as they are approached, they move forward and form an incentive to continued effort. Good teachers need and should be accorded the encouragement and sympathetic friendship of the members of the School Committee.

Respectfully submitted,

JOHN F. SCULLY,

Superintendent.

ORGANIZATION OF THE SCHOOLS.

Information concerning our schools is frequently sought by citizens. Following are the principal facts concerning them. Additional knowledge may be gained from the Rules and Regulations:—

Primary Schools.—Our elementary school course covers nine years, the first three of which are spent in primary schools. We have no exclusively primary school buildings, though the Parmenter School has but one grammar class. The thirteen primary classes are distributed among five school-houses.

Vaccinated children five years of age, or who will reach that age on or before the first day of October, are admitted during the month of September only, provided they have never attended school before. Applications for admission should be made to the principal of the school.

Only experienced teachers are employed, the salaries being $500, $550 and $600.

First-grade teachers, with classes numbering fifty, are allowed an assistant, who is paid from five ($5.00) to ten ($10.00) dollars a week.

Grammar Schools.—The grammar classes except the Ninth Grades are found chiefly in four buildings. The course covers six years, and includes only those studies which the statute requires, with the addition of music, sewing, gymnastics and manual training.

The ninth grades attend school in the High School building. The salaries of grammar school teachers are the same as those of primary teachers, except that teachers of the ninth grades may receive $650.

Promotions.— Promotions in all grades, from the first to the thirteenth, are made in June by the regular teacher and the principal, with the approval of the Superintendent. They are based on the estimate of the pupil's daily work made by the teacher and recorded bi-monthly. Occasional brief, unannounced, written tests are a factor in this estimate.

Where there is reasonable doubt of a student's fitness, he may be promoted on a trial of five weeks. In such cases the parent is notified and kept informed of his child's progress. At the end of this probationary period he may be returned to his former grade, provided it seems best for him.

Children capable of more rapid advancement may be promoted one or more grades at any time.

Fitness for graduation or for admission to the high schools is determined in precisely the same way. Diplomas are given in grammar and high schools to those who have satisfactorily completed full courses.

Graduates of grammar schools are admitted to the High School on presenting a certificate of qualification signed by a Grammar School principal. All other pupils are admitted by an examination in grammar school studies, given on an appointed day preceding the opening of the schools in September.

The tuition for non-residents is the per capita cost for the year, payable in advance. In the Grammar Schools there are two sessions daily: one from 9 to 12 o'clock and one from 2 to 4 o'clock; except from the first Monday in November until the first Monday in March, when they are from 9 to 11.40 and from 1.30 to 3.30. In the High School building there is one session from 8 to 1 o'clock. In very stormy weather either or both sessions may be omitted.

Manual Training.—A special teacher is employed for four days a week. A room is equipped in the basement of the High School building for the manual training department. The course includes carpentry, wood-turning, and carving, and mechanical drawing. The work is done by the seventh, eighth and ninth grades and the first year High School class.

Sewing.—A special teacher is employed for four days a week. Sewing is taught to the girls in the fifth, sixth, seventh, and eighth grades in weekly lessons of one hour each, and to the ninth grade in weekly lessons of two hours each.

Music.—Music is taught in every grade of the schools. A supervisor is employed for three days a week. She visits the High School two mornings a week, and every grade room at least once in two weeks.

Drawing.—A supervisor is employed for two days a week. She visits the first year High School and ninth grades once a week, the fourth, fifth, sixth, seventh, and eighth grades once in three weeks, and the first, second and third grades once in seven weeks.

Gymnastics.—A supervisor of gymnastics is employed for two days a week, and Swedish Gymnastics are practiced twice daily in all grades below the ninth.

Supervision.—The superintendent of schools is the executive officer of the Board, and upon him devolves the general management of the schools. His office hours are from 4 to 5 o'clock every school day. Meetings of the School Board are held on the third Tuesday of each month, except August at half-past seven in the evening, in the High School building.

REPORT OF REGISTRARS OF VOTERS.

ARLINGTON, Dec. 30, 1905.

The Board of Registrars of Voters herewith submit their report for the year ending Dec. 30, 1905.

Mr. Winthrop Pattee was appointed a member of the Board, July 21, 1905, for a term of three years, beginning May 1st, 1905, his father, William H. Pattee, severing his connection with the Board, of which he had been a member continuously since the enactment of the law requiring the appointment of the Board. He served for many years as Chairman of the Board.

The total number of registered voters as reported Dec. 31, 1905 was 1876.

Whole number males	1758	
Whole number of females	118	1876

During the year one hundred and thirty-three (133) names were stricken from the list on account of death or other causes.

At the Meetings held by the Board for Registration the number added was as follows: —

Town Hall, February 21	17
Union Hall, Hts., February 24	1
Town Hall, February 25	18
Town Hall, September 15	13
Town Hall, October 19	42
Union Hall, Hts., October 25	14
Town Hall, October 28	45
	150

Making a total registration for the year, 150.

The list as revised to Jan. 1, 1906 is as follows:

Whole number registered		1893
Whole number males	1775	
Whole number females	118	1893

JOHN W. BAILEY,
WINTHROP PATTEE,
FRANKLIN T. ANDERSON,
THOMAS J. ROBINSON,
Registrars of Voters.

REPORT OF THE BOARD OF HEALTH.

The Board of Health respectfully submits the following report for the year 1905:

Organization.—The Board, consisting of Edward S. Fessenden, Dr. Edwin P. Stickney and John S. Lamson, met March 15th and chose Edward S. Fessenden, chairman; Horace A. Freeman, clerk.

Appointments.—For appointments see the list of Town Officers.

Health Department.

Ashes.—Arrangements were made with the Board of Public Works for the collection of ashes, paper and offal by the Highway Division, under the direction of the Superintendent of Streets.

A special wagon for collecting the paper and other light material separately has been provided, and circulars giving the time and manner of collecting have been printed and distributed throughout the Town. The result has been a much more satisfactory service and the department is able to keep the dumping places in better condition.

Offal.—An advertisement was inserted in the local paper for three weeks asking for proposals for the collection and disposal of the Town offal.

On June 30th, the date of opening, only one bid was received, that from Mr. W. W. Rawson, in which he agreed "to collect the offal or swill of the Town of Arlington, for a term of five years for the sum of twelve hundred (1,200) dollars per annum. The offal to be used at my place at the corner of Warren and River streets, Arlington."

This bid was not accepted and at a conference with the bidder the Board requested him to submit an estimate for the collection and shipping of the offal to his place in Newton, N. H. Also, bids were again requested from other parties for collection and disposal. In July the following bids were received:

Bidder.	Term.	Bid for collecting bidder to have swill per annum.	Bid for collecting only, per annum.	Bid for swill only, per annum.	To be received.	To be delivered.	To be consumed.
H. J. Green.....	5 years	$2,300				Outside Town limits	Lexington
H. J. Green.....	5 years		$2,750			Within Town limits	
N. C. Skilton	1 or 3 years			$200	Within Town limits.		
D. F. Hutchinson. & Sons.....	5 years			600		In Lexington	Lexington
W. W. Rawson...	10 years	3,500				Somerville	Newton, N. H.

After a thorough investigation of the matter it was deemed best to arrange with the Highway Division of the Town for the collection of the offal as heretofore.

It has cost the Town annually about $2,000 for the collection of the offal and the delivery of it to Mr. W. W. Rawson, who paid to the Town $400 per annum for the same, that making the net cost about $1,600.

The increased cost to deliver it to D. F. Hutchinson & Sons, in Lexington, would be about $700.00, or about $2,700.00 for collection and delivery, which reduced by $600.00, the amount they offered for the offal, would make a net cost of $2,100.00 to the Town, or $500.00 per annum more than the net cost during the preceding years.

By a majority vote the offal was offered to Mr. W. W. Rawson for a term ending July 1, 1909 at an annual price of $500. Mr. Rawson accepted the offer and on November 2, 1905 a contract was executed signed by a majority of the Board.

By this contract the Town is to deliver to Mr. W. W. Rawson at his premises corner of Warren and River Sts. in Arlington the swill and house offal until July 1, 1909, Mr. Rawson agreeing to pay for the same $500 per annum.

Cost — The cost of collecting ashes and offal the past year is as follows:

	Labor.	Horses	Total.
Ashes	$1,185 09	$625 89	$1,810 98
Offal	1,591 27	358 90	1,950 17
Incidentals			225 20
			$3,986 35

Manure Stations — An order was passed June 6th regulating the delivery of manure by the Boston & Maine R. R., discontinuing the public delivery at Arlington Heights, Water Street, and Linwood Street, and approving of a public delivery at the siding on Wm. H. Allen's farm below Lake Street.

The Board again calls the attention of all interested parties to the regulation requiring all vehicles carrying manure, swill or other offensive matter through the streets of the Town to be securely covered by canvas to avoid littering the streets and to prevent the spread of offensive odors. In one case a fine was imposed by the court the past year for violation of this regulation, and in another the violator was placed on probation.

Nuisances — Carelessness and indifference in keeping one's premises in good sanitary condition gives rise to justifiable complaints to the Board of Health. These complaints are generally of the nature of offensive cesspools, privies, water-closets, defective drainage, bad odors, and untidy, filthy premises.

A record is kept by the Board of all complaints of whatever nature, each one investigated and decided on its merits, — the object of the Board being to abate all nuisances and prevent conditions that are a menace to health.

The past year more complaints than usual have been reported and received the attention of the Board.

Sanitary Inspection — A knowledge of the real sanitary condition of the various parts of the Town and a thorough inspection of specific complaints requires the services of an inspector, available at all times. A sufficient appropriation should be made to command such services.

Gipsy and Brown-Tail Moths.— As Chapter 381 of the Acts of 1905 declares these pests a nuisance and provides method and means for their suppression, no action by this Board has been required. The Board, however, would call the attention of the citizens to the fact that boxes, papers, cans, etc., should not be scattered about the yards as they are convenient breeding places for the moths and all such rubbish should be examined and removed.

Sewer Connection.— Connection with the public sewer has been required in a large number of cases. All premises on the line of the public sewer should be connected at an early date. The increased number of dwellings in the Town renders the use of cesspools more objectionable and dangerous each year.

Spy Pond — In response to a petition relative to cleaning the shores of Spy Pond, the Board investigated said shores, but did not find the condition such as to warrant action on their part. In order to make any substantial improvement in the pond, it will be necessary for the Town to make a special appropriation for that purpose.

CONTAGIOUS DISEASES.

By reference to the annexed tables it will be seen that the health of the Town has been excellent. No epidemic of any disease has occurred during the past year, and the number of contagious diseases is much less than the year previous.

Circulars of Information — Circulars of instruction for the general care of patients, suggesting means for preventing the spread of diphtheria, scarlet fever, typhoid fever, measles and consumption or tuberculosis have been printed, to be sent to families in which any of said diseases occur.

Fumigation — A more thorough system of fumigation has been adopted and on the recovery or death of each case of diphtheria, scarlet fever, and tuberculosis the Board attends immediately to the fumigation of the premises. The expense is met by the Town, except where extra fumigation is requested.

Reportable Diseases — The Board has adjudged the diseases known as scarlet fever, measles, typhoid fever, diphtheria, smallpox, membraneous croup, cholera, yellow fever, typhus fever, cerebro-spinal meningitis, hydrophobia, malignant pustule, leprosy, tricknosis, tuberculosis and ophthalmia of the newly born as infectious or contagious, and dangerous to the public health and safety within the meaning of the Statutes. Physicians are required to report immediately to the Board every case of either of these diseases coming under their care, and postal cards conveniently printed and addressed are supplied to them for this purpose. On receipt of a card from a physician the Superintendent of Schools, Principal of High School, Trustees of Robbins Library and Medical Inspector of Schools are notified. Mr. Charles T. Hartwell acts as fumigator in behalf of the Board.

Culture Stations — Culture tubes for diphtheria, sputum bottles, for suspected tuberculosis and anti-toxin are provided by the State Board of Health and placed by this Board with H. A. Perham, druggist, for the use of physicians.

School Inspection — Schools, perhaps more than any other one factor, are largely responsible for the spread of diphtheria, scarlet fever and other diseases that prevail among children. In 1900 as a preventive measure a medical inspector of schools was appointed and the results are believed to justify the wisdom of said action.

We are of the opinion that this inspection should go further and that special attention should be given to the eyes, ears, nasopharynx and teeth of all school children. This would save many children from arrest of physical and mental development, prevent many cases of eye strain, deafness, nervous diseases and premature loss of teeth and ill health, and suffering therefrom.

The apparent dullness of school children is often the result of defective eyesight or hearing, — and many a child has suffered injustice thereby.

ALEWIFE BROOK MARSHES.

It may be of interest to our citizens to know that during the year 1904, Mr. John R. Freeman, the eminent engineer, upon whose report the legislature authorizing a dam across Charles River to replace Craigie Bridge was based, has conducted an investigation, at the request of the Metropolitan Park Commission, upon Mystic River, Alewife Brook and Fresh Pond Marshes, and from his interesting and valuable report, published by the Commission, we select the following:

Sanitary Conditions — Malaria.

Mr. Freeman says:—

> As soon as I began my investigations I found conditions already existing along Alewife Brook and in the bordering marsh lands so contrary to what modern sanitary science teaches they should be that I was led to request of your Board that a complete sanitary survey of the neighborhood be authorized, in order to learn how far the health of those living near the marshes had already suffered. This request was granted.

The results of this inquiry were startling. Every physician who was consulted testified that malarial disease was already prevalent, and that it was apparently increasing and slowly ex-

tending northerly and easterly from Cambridge and through the lowlands of Arlington toward West Medford.

A canvass of twelve prominent practising physicians of Cambridge, Belmont, Arlington and Somerville disclosed that during the summer of 1903 these twelve physicians had treated in all about 800 cases of malaria in the region tributary to Alewife Brook, and that the disease was spreading away from the cheaper houses near the marshes and clay pits to the more expensive residential districts on the upland. The sum total of cases which twelve physicians reported, each for his own practice during the twelve months previous, reached 807. The records of these cases were not so complete as is desirable, and the count by the physicians was based largely on memory and general impressions, but any possible overestimate by these physicians may be regarded as balanced by the well-known fact that in many of the milder cases no physician was consulted.

A brief house-to-house canvass through the lowlands and the houses near the marshes, visiting one-sixth of all the houses within a half-mile of the stream and its branches, but naturally taking those nearest the stream first, made in December, 1903, showed that out of a total of 942 persons living in these 168 houses 242 cases of malaria were reported,—a ratio of 1 to 4. This house-to-house canvass, made under the supervision of Messrs. Underwood and Winslow by W. C. Lounsbury, was extended subsequently over a larger area, and the territory covered is shown on an accompanying map.

The results in brief are as follows:

		Persons.
Families visited	683	3,341
Families reporting malaria within past five years	222	446
Proportion of families that had suffered from malaria	1 in 3	1 in 7.5

Within half a mile of these marshes the number of dwellings are: Cambridge, 525; Belmont, 123; Arlington, 201; Somerville, 307; total, 1,156. Estimated at 5 persons per house, total is 5,780.

If proportions for whole district were as found above, 1-3 is 385; 1-7.5 is 770.

On August 11, 1904, Mr. Underwood made a partial inspection of the marshes, visiting such places between Concord Avenue and the mouth of Little River as could be reached without a boat. Out of 32 pools examined 15 contained Anopheles larvæ and 25 contained Culex In

many of these pools both species were breeding, and in only 4 of the places examined were mosquito larvæ absent. Just back of the buildings formerly of the Boston Packing Company, but lately re-opened as a glue factory, more mosquito larvæ to the cubic foot were found than Mr. Underwood had ever observed elsewhere. In some places over an area of twenty square feet the water was so filled with wigglers that the bottom could hardly be seen. Three large spoonfuls of water of one ounce each dipped out contained by actual count 482, 495 and 733 larvæ. A laborer from the glue factory said, "Everybody who works here has been sick with malaria; about 50 work-people who came here since the glue factory opened took sick and left. I have had the chills twice; only old hands can stand it." The water in some of the pools was foul with what appeared to be some kind of refuse from the glue factory of a putrescible nature that gave off nauseating odors when stirred up. Along Alewife Brook among the growing canebrake Anopheles are abundant.

In summing up his recommendations Mr. Freeman says:

In brief, I find that the present sanitary condition of Fresh Pond Marshes and Alewife Brook is a serious menace to public health and a very pressing cause of excessive malaria, and that malaria is spreading from them to the upland residential sections of the neighboring cities and towns. I find that the first and most effective remedy, and the clear duty of the community concerned, for this serious sanitary condition is to drain marshes and brooks, and that the most effective and economical way to accomplish this result is by a plan which I have prepared and submitted herewith. This plan divided the necessary work so that, in my opinion, your Board may with safety and consideration for all interests at once build tide gates and weirs in the neighborhood of Cradock Bridge, and roads along the Mystic River, and improve the connection with Mystic Lower Lake; and other parties interested may, whenever they are ready, continue the work in and along Alewife Brook and the marshes above. Your work will not hamper Arlington, Belmont, Cambridge and Somerville from proceeding under Chapter 327 of the Acts of 1903, but, on the contrary, will assist them in any feasible plan which they may have devised, and will reduce the expense to them of satisfactory sanitation. I suggest that you urge these cities and towns to enter at once upon their part of the work; and I recommend that, if possible, you assist in the work, by locating a parkway along Alewife Brook and acquiring the necessary land for that purpose, or by any other means in your power.

MISCELLANEOUS.

Board of Infants — The Board has given its approval to five applications for licenses to board infants or children, namely; Mr. and Mrs. Peter O. Fouquet, 51 Teel St.; Miss Lizzie H. Greenwood, 35 Mass. Avenue; Mrs. Helen Hatfields, 10½ Mill St.; Rosa Simmonds, 32 Appleton St.; Miss Annie C. Sullivan, 60 Mystic St.

Hospital Cases — A bill of $66 has been paid for care and nursing a case of diphtheria in the City Hospital, Boston, the patient having a settlement in Arlington, but residing in Boston.

Aid rendered by the Town to paupers usually comes under the jurisdiction of the Overseers of the Poor, but in cases of contagious diseases the Statutes place authority with the Boards of Health.

Reports of Officers of the Board — The reports of the several officers of the Board are appended, to which attention is called.

Financial — For detail as to expenditures reference is made to the report of the Auditor.

LICENSES.

Licenses have been granted as follows:

Stables — George Clark, 30 Mystic St.; John Lyons, Bucknam Court.

Undertakers — J. Henry Hartwell & Son, Medford St.; Daniel W. Grannan, and William D. Grannan, 378 Mass. Ave.; James P. Daley, 20 Franklin St.

Slaughtering — Frank Borman, 27 Broadway; Henry R. Borman, rear 27 Broadway; William Borman, rear 27 Broadway.

Plumbing — Joseph A. Tole, 30 Lewis Ave.; Andrew Bain, 49 Lowell St.; John L. Hibbert, 1 Park Terrace.

EDWARD S. FESSENDEN,
DR. EDWIN P. STICKNEY,
JOHN S. LAMSON,
Board of Health.

ORDER ADOPTED BY THE BOARD OF HEALTH IN 1905.

Ordered: — That the following regulation be and hereby is adopted: —

The Board of Health hereby adjudges that the exercise of the trade or employment of conducting a tannery is a nuisance, injurious to the estates of the inhabitants of the Town of Arlington and attended by noisesome and injurious odors, and hereby prohibits the conducting of a tannery within the limits of the Town of Arlington.

Ordered: — That the Board of Health may in its discretion, however, permit a tannery to be conducted within the limits of the

Town under such restrictions and such regulations as it may from time to time see fit to impose.

Ordered: — That the following regulation be and hereby is adopted:

No person shall drive or cause to be driven any cart or vehicle of any kind containing manure, dead animal matter, or other offensive material, through any public street, court, lane, or way of this Town, unless said cart or vehicle is tight, and securely covered with canvas, to prevent an escape of contents therefrom upon said streets, courts, lanes or ways.

And no person shall drive, or cause to be driven, any cart or vehicle of any kind containing swill or house offal through any public street, court, lane or way of this town, unless said cart or vehicle is water tight, and is provided with wooden or iron covers, which shall be kept tightly closed while it is in motion.

Whoever violates this regulation shall forfeit a sum not exceeding one hundred dollars for each offence.

Ordered: — That the Boston and Maine Railroad Company be and hereby is directed to discontinue the delivery of manure of any sort or description at the sidings located at Linwood street, Water street, and Arlington Heights Railroad Station, all within said Arlington on and after the 10th day of July, 1905.

And it is adjudged by this Board that the delivery of manure at the aforesaid sidings is a nuisance and attended by noisome and offensive odors, and that public health, public comfort and convenience require that the said Boston and Maine Railroad Company be ordered as aforesaid to discontinue deliveries at said sidings on and after the 10th day of July, 1905.

The Board of Health hereby assigns the portion of the Allen Farm northeast of the railroad track and east of Lake street, in said Arlington, as a place for the delivery of manure by said Boston and Maine Railroad Company, no cars to be unloaded within five hundred feet of Lake street, or one thousand feet from Massachusetts avenue.

Voted: — To adopt the following regulation:

The Board of Health hereby adjudges that the use of "wall draperies" at funerals is a source of filth and cause of sickness, and hereby orders:

That the use of such draperies in any room or place used for a funeral or for the preparation or retention of any human body

before or in connection with such funeral, be and hereby is forbidden.

Any person violating the foregoing regulation shall forfeit a sum not exceeding one hundred (100) dollars.

Voted: — That in addition to small-pox, the following diseases shall be considered as dangerous to the public health and that a report be required from physicians of each case, according to law, — cards being furnished for that purpose, namely: scarlet fever, measles, typhoid fever, diphtheria, membraneous croup, cholera, yellow fever, typhus fever, cerebro-spinal meningitis, hydrophobia, malignant pustule, leprosy, trichinosis, tuberculosis and ophthalmia of a newly-born child.

Attention is called to the following regulations of the Board of Health and extracts from the Revised Laws.

Diseases dangerous to the public health. From regulation of Board of Health:

DISEASES DANGEROUS TO THE PUBLIC HEALTH.

From regulation of Board of Health.

SECT. 3. Upon the outside of every house in which there is a person sick with small-pox, diphtheria, membranous croup, measles or scarlet fever shall be placed a suitable placard with the name of the disease. The Board of Health may in special cases permit the placard to be placed upon interior apartments only. This placard shall not be defaced or removed by any person without authority of the Board of Health.

SECT. 4. No person shall remove or permit to be removed from any house or apartment upon which a placard has been placed, as provided in Section 3, any clothing, books or other property without a permit from the Board of Health; nor after a house is established as a hospital under the provisions of Chapter 80 of the Public Statutes, shall any occupant of such house take up a residence elsewhere without such permit. No public or circulating library book shall be taken into any house or apartment whereon a placard has been placed, as provided in Section 3, before the authorized removal of said placard. All books, papers, toys and other articles in a room where there is a person sick with scarlet fever or diphtheria which cannot be thoroughly disinfected must be destroyed.

SECT. 5. No person living in a house or interior apartment upon which a placard has been placed, as provided in Section 3, shall attend or visit any school in the town without a permit from the Board of Health.

SECT. 6. No person who has visited a house in which there was at the time a case of small-pox, diphtheria, membranous croup, or scarlet fever, shall attend school until the expiration of two weeks from such visit.

SECT. 7. Danger of conveying small-pox, diphtheria and scarlet fever shall not be considered to have passed until two weeks have expired

after the rooms occupied by a person who has been sick with either of said diseases, and the articles used by him have been disinfected to the satisfaction of the Board of Health.

SECT. 8. In case of the removal of a child from the house where a person is sick with any of the diseases mentioned in Section 11 of Chapter 496 of the Acts of the year 1898, two weeks must elapse before such child is allowed to attend school.

SECT. 9. No case of diphtheria shall be considered recovered until a negative culture has twice been obtained, at not less than three days' interval, from such patient.

SECT. 10. No case of scarlet fever shall be considered recovered until desquamation is complete on every part of the body.

SECT. 11. No child having chicken-pox or mumps shall be allowed to attend any school in this town.

Extracts from the Revised Laws, as amended:

CONTAGIOUS DISEASES.

EXTRACTS FROM THE REVISED LAWS AS AMENDED.

CONTAGIOUS DISEASES.

Chapter 75 — *Section 49.* A householder who knows that a person in his family or house is sick of small-pox, diphtheria, scarlet fever or any other infectious or contagious disease dangerous to the public health shall forthwith give notice thereof to the Board of Health of the city or town in which he dwells. Upon the death, recovery or removal of such person, the householder shall disinfect to the satisfaction of the Board such rooms of his house and articles therein as, in the opinion of the Board, have been exposed to infection or contagion. Should one or both eyes of an infant become inflamed, swollen and red, and show an unnatural discharge at any time within two weeks after its birth, it shall be the duty of the nurse, relative or other attendant having charge of such infant to report in writing within six hours thereafter, to the Board of Health of the city or town in which the parents of the infant reside, the fact that such inflammation, swelling and redness of the eyes and unnatural discharge exist. On receipt of such report, or of notice of the same symptoms given by a physician as provided by the following section, the Board of Health shall take such immediate action as it may deem necessary in order that blindness may be prevented. Whoever violates the provisions of this section shall be punished by a fine of not more than one hundred dollars.

Chapter 75 — *Section 50.* If a physician knows that a person whom he is called to visit is infected with small-pox, diphtheria, scarlet fever or any other disease dangerous to the public health, or if one or both eyes of an infant whom or whose mother he is called to visit become inflamed, swollen and red, and show an unnatural discharge within two weeks after the birth of such infant, he shall immediately give notice thereof in writing over his own signature to the Selectmen or the Board of Health of the town; and if he refuses or neglects to give such notice, he shall forfeit not less than fifty nor more than two hundred dollars for each offence. [*Approved March 31, 1905.*]

VACCINATION.

CHAP. 75, SECT. 136. A parent or guardian who neglects to cause his child or ward to be vaccinated before the child or ward

attains the age of two years, except as provided in section one hundred and thirty-nine,* shall forfeit five dollars for every year during which such neglect continues.

CHAP. 75, SECT. 137. The board of health of a city or town if, in its opinion, it is necessary for the public health or safety, shall require and inforce the vaccination and re-vaccination of all the inhabitants thereof and shall provide them with the means of free vaccination. Whoever, being over twenty-one years of age and not under guardianship, refuses or neglects to comply with such requirement shall forfeit five dollars.

CHAP. 44, SECT. 6. A child who has not been vaccinated shall not be admitted to a public school except upon presentation of a certificate signed by a regular practising physician that he is not a fit subject for vaccination. A child who is a member of a household in which a person is sick with small-pox, diphtheria, scarlet fever, or measles, or of a household exposed to such contagion from another household as aforesaid shall not attend any public school during such illness or until the teacher of the school has been furnished with a certificate from the board of health of the city or town, or from the attending physician of such person, stating that, in a case of small-pox, diphtheria, or scarlet fever at least two weeks, and in a case of measles at least three days, have elapsed since the recovery, removal, or death of such person, and that danger of conveying such disease by such child has passed.

NUISANCES.

CHAP. 75, SECT. 65. The board of health shall examine into all nuisances, sources of filth, and causes of sickness within its town, ... which may in its opinion be injurious to the public health, shall destroy, remove, or prevent the same as the case may require and shall make regulations for the public health and safety relative thereto, and relative to articles which are capable of containing or conveying infection or contagion or of creating sickness which are brought into or conveyed from its town. . . . Whoever violates any such regulation shall forfeit not more than one hundred dollars.

Note — Section 139, referred to above, exempts children who present a certificate signed by a registered physician that they are unfit subjects for vaccination. Application for free vaccination, by persons who are unable to pay for it, may be made to the Clerk or Agent of the Board of Health.

REPORT OF THE INSPECTOR OF SCHOOLS.

ARLINGTON, December 31, 1905.

To the Board of Health:

I hereby respectfully submit the following report for the year 1905:

During the year 569 children were examined, of whom 64 were sent home for the following reasons:— Pediculi, 22; Re-vaccination, 22; Vaccination, 3; Chicken-pox, 5; Sore Throat, 4; Mumps, 3; Measles, 1; Stye, 3; Poison Ivy, 1.

250 children were examined for vaccination, of whom 22 were asked to be re-vaccinated and 3 vaccinated. Later inspection showed successful vaccination.

A large number of children have been requested to have their eyes tested for glasses.

ROY D. YOUNG,
Inspector of Schools.

REPORT OF THE JOINT BOARD OF SELECTMEN AND BOARD OF PUBLIC WORKS.

The Joint Board of Selectmen and Board of Public Works respectfully present the following report for the year 1905, the second since the Board was established.

Organization.—The Board met March 18th and elected James A. Bailey, Jr., Chairman, and Horace A. Freeman, Clerk.

Regular Meetings have been held on the second and fourth Mondays of each month.

Appointments.—For appointments made by the Board see the list of appointive Town officers.

Street Watering.—After duly advertising for bids, the contracts for watering the streets for the season beginning May 1st and ending Nov. 1st (6 months), were awarded Henry J. Green, Timothy Ryan, John Kelly and Frederick W. Schuhmacher at $480 each. The fifth route was taken by the Highway Div. All the routes have been revised and made to cover more territory than heretofore. Two standpipes have been added to the outfit. The cost of watering the streets for the season was $2,599.24. This expenditure is met by an appropriation of $650, a contribution of $200, and an assessment on abutters for the balance, said assessment being 2 1-10 cents per front foot.

The season should be extended and made to cover a portion of April and November. This of course will require a larger appropriation.

Street Lighting.—The street lighting for the year appears to have been satisfactory. Few outs have been reported. The free arc-light at the railroad crossing has been discontinued and a light will probably be installed at the foot of Whittemore St., half the cost to be reimbursed by the Arlington Boat Club. Eight additional incandescents have been installed during the year.

The number of street lights in commission Dec. 31, 1905 is as follows:

80 arcs of 1200 (nominal) candle power
228 incandescents of 32 candle power

Petitions for additional lights were granted as far as the appropriation allowed, most of these lights being for territory newly built up. The demand for needed lights is generally larger than appropriations allow.

The Inspector of wires reports his tests as showing the current always up to the contract requirements.

A year from May 1st, 1906 the present contract with the Edison Electric Illuminating Company expires, and the question of continuing the same under old or new conditions will very soon be before the Town.

Permanent Sidewalks.—Petitions for permanent sidewalks were granted so far as the appropriation allowed, the rest being tabled for future action.

Where no deposit was made the abutters were assessed in accordance with the sidewalk act, Chap. 49 Revised Laws. Assessments to the amount of $950.89 have been committed to the Treasurer. These assessments are a lien on the property and must be paid within two years. For the location and expense of sidewalk construction reference is made to the reports of the Board of Public Works and Town Engineer.

The Town Counsel has decided that the Town has no legal right to borrow money in anticipation of sidewalk assessments. This will limit the available funds for permanent sidewalks, unless larger appropriations are made, or deposits in all cases exacted. All repairs of permanent sidewalks are chargeable to permanent sidewalk account and not to the Highway Department, and it is recommended that all future appropriations be made on this basis.

Pole Locations.—Thirteen hearings have been given for pole locations,—ten on petitions of Edison Electric Illuminating Co. and three on petitions of New England Telephone and Telegraph Co.

Theer should be more underground wires and less overhead. The time for radical action here is not far distant. The unsightly appearance of poles and wires, the danger from overhead wires and the tax levy favor a change. For detail of pole location see report of Inspector of Wires.

Streets laid out.—Petitions have been received asking the Board to lay out as public streets the private ways known as Tanager St., and Windemere Ave.

Intentions to lay out said streets were voted and hearings given on the same. It was voted to lay out Windemere Ave., but no further action, was taken on Tanager St. This latter street re-

quires considerable expense to bring it to proper grade. It is in no condition at present for acceptance by the Town, except under heavy betterment assessment to the abutters, when constructed by the Town.

It should be the policy of the Town not to accept streets unless in satisfactory condition as regards grade and construction.

Board of Survey.—Chap. 249, of the Acts of 1897, (appended to this report) establishing a Board of Survey for the Town of Arlington was a very wise measure. It was occasioned no doubt by the disposition of land owners to lay out streets in a way not altogether for the best interest of the Town. A perusal of the Act will show liability as to violations of the same.

The duty of this Board is to disapprove any plans contemplating the laying out of streets where location, direction, width, and grade are not a credit to the Town, and that do not conform to prospective and desirable lay out of streets in contiguous or near by territory. Good streets are a very important feature in any community and tend to enhance the value of property.

Hearings have been given on petitions and plans relative to Wellington Street Extension, Lincoln, and Woodland Streets, Pearl Avenue, Wildwood Avenue and proposed streets in Gloucester Street (so called) territory, between Mt. Vernon St. and Highland Avenue.

Plans for all were approved, excepting that of Wildwood Avenue, which is still under advisement.

Boston-Lowell Interurban Street Railway Company.—On the petition of the Directors of this company for location of tracks in Arlington a public hearing was given, as required by law. Seventy-five or more citizens were present and opinions freely expressed. The consensus of opinion appeared to be strongly against approval of plans and against the granting of locations. At the close of the hearing the Board met and after giving the matter due consideration voted the petitioners leave to withdraw.

Salt on Street Railway Tracks.—The indiscriminate use of salt on street railway tracks is not allowed. Only clean rock salt is to be used and applied only on specified portions of the tracks, namely:—grooved rails and switches, and on grades over two per cent. Injury to the many horses traveling our highways justifies the enforcement of this limitation.

Opening up Streets.—When once properly constructed the surface of our streets should be disturbed as little as possible. Prospective laying of sewer, water and gas pipes and underground

wires should be anticipated and known to proper authorities in order to prevent duplicate reopening of street and therefore, duplicating the expense.

Private parties and corporations are granted permits to open up the streets only on condition that trenches be refilled, resurfaced and rolled, and the surface kept in repair for one year thereafter, all to the satisfaction of the Town Engineer and at the expense of said party or corporation.

ACTS OF 1897.

(Chap. 249).

AN ACT TO ESTABLISH A BOARD OF SURVEY FOR THE TOWN OF ARLINGTON.

Be it enacted, etc., as follows:

SECTION 1. The Selectmen of the Town of Arlington shall constitute a Board of Survey for said town.

SECT. 2. Any person or corporation contemplating laying out or locating and constructing any street or way in said town after the passage of this act shall before beginning such construction submit to said Board of Survey suitable plans, to be prepared in accordance with such rules and regulations as said board may prescribe. Upon the receipt of such plans, together with a petition for their approval, said board shall give a public hearing thereon, after advertising such hearing once a week for two successive weeks in a newspaper published in said town, the last advertisement to be at least two days before such hearing, and after such hearing said board may alter such plans and determine where such street or way shall be located, and the width and grades thereof, and shall so designate on said plans. Said plans shall then be approved and signed by said board and filed in the office of the clerk of said town, who shall attest thereon the date of such filing.

SECT. 3. The board of survey shall from time to time cause to be made under its direction plans of such territory or sections of land in said town as said board may deem necessary, showing thereon the location of such streets or ways, whether already laid out or not, as said board shall be of opinion the present or future interests of the public will require in such territory, showing clearly the directions, widths and grades of each street or way, and may employ such assistance and incur such expenses as it may deem necessary therefor, not exceeding the amount of money appropriated by the town for said purpose. Said board before making any such plan, shall give a public hearing as to the locations, directions, widths and grades of streets or ways in the territory to be shown on the plan, after advertising such hearing once a week for two successive weeks in a newspaper published in said town, the last advertisement to be at least two days before said hearing and

shall after making any such plan give a like notice of hearing thereon, and keep the plan open to the public inspection for one month after the advertisement of such hearing. Such plan thereafter, and after the alterations deemed necessary by said board have been made thereon, shall be marked as made under the provisions of this act, shall be signed by said board, and after being so signed shall be filed in the office of the clerk of said town, who shall attest thereon the date of such filing.

SECT. 4. The powers of the board of selectmen of said town in regard to highways shall not be abridged by this act in any manner, except as provided in this section, and the powers given them in this act shall be in addition to the powers now exercised by them. After the passage of this act no street or way in the town of Arlington, shown on any plan filed as aforesaid shall be laid out, located anew, altered or widened, and no such street or way, whether already or hereafter laid out, shall be constructed by any public authority, except in accordance with the provisions of this act. If any person or corporation shall hereafter open for public travel any private way the location, direction, widths and grades of which have not previously been approved in writing by said board of survey, in the manner provided in this act, then neither the town nor any other public authority shall place any public sewer, drain, water pipe or lamp in, or do any public work of any kind on, such private way so opened to public travel contrary to the provisions of this act: PROVIDED, HOWEVER, that this provision shall not prevent the laying of a trunk sewer, water or gas main, as engineering demands may require.

SECT. 5. If any building shall hereafter be placed or erected in said town upon land within the boundaries of any street or way shown on any of the plans filed with the town clerk as herein provided, or on land adjacent to any such street or way, the grade of which at the time of placing or erecting such building is other than the grade shown on said plans, or on land adjacent to any street or way, the plan and profile of which has not been approved by said board of survey, no damages caused to any building, so placed or erected by the construction of said street or way as shown on said plans, or caused to any building so placed or erected, or to the land upon which said building is placed or erected, by the subsequent change of grade of any street or way the plan of which has not been approved by said board of survey, shall be recovered by or paid to the owner of the whole or any part of the estate of which the land upon which said building so placed or erected formed a part, from or by said town.

SECT. 6. The said town may from time to time appropriate sums of money to be expended by said board of survey for carrying out the provisions of this act. No expenditures shall be made in excess of such appropriations.

SECT. 7. This act shall take effect upon its acceptance by a majority vote of the voters of said town present and voting thereon at a town meeting called for the purpose, or at any annual meeting of said town. (Approved April 8, 1897).

TOWN OF ARLINGTON.

NOTICE TO SURVEYORS.

All plans and profiles hereafter submitted for the approval of the Board of Survey under the provisions of Chapter 249 of the Acts of 1897, and any act or amendment thereto, must be drawn on tracing cloth, and be of uniform size, viz.: 22 inches by 30 inches.

The plans must give sufficient information to accurately locate the proposed streets so as to connect them with other existing streets in the vicinity, and enough grade heights given on the plans so that the profiles may be readily located on the plans.

All radii of curves, widths of streets, and all proposed grades must be plainly marked in vermilion ink; all other figures and lines in black ink.

All grades must refer to Arlington Town Base.

Profiles must show levels on both sides and center of proposed streets, and the proposed grade of the center of the street stations not over 50 feet apart.

All buildings abutting on the proposed streets shall be shown both on the profiles and plans and the station of their side lines given.

The scale of the plans must be forty feet to an inch; and the horizontal scale of the profiles 40 feet to an inch; and the vertical scale of the profiles 6 feet to an inch.

The above plans shall be accompanied with a plan of a scale not smaller than 160 feet to an inch, showing the entire property proposed to be laid out, and such adjoining property may be affected, with the measurements of the outlines of the property clearly shown thereon.

If a street submitted for approval does not extend through to another street and is likely to be extended in the future, the plan should be of the whole street, showing the connection with existing or other proposed streets.

The owner's name should form a part of the title of the plan and the names of all the abutting owners should be given.

By Order of Board of Survey.

ARLINGTON, MASS., March 26, 1898.

REPORT OF THE TOWN COUNSEL.

ARLINGTON, MASS., January 11, 1906.

To the Joint Board of Selectmen and Board of Public Works: —

GENTLEMEN: — There are three actions pending against the Town of Arlington, namely: —

Partridge, vs. Arlington.—A petition for damages arising by reason of the alteration in grade of the lower end of Claremont Avenue—Brought August 7, 1899.

Locke, vs. Arlington.—An action for damages for injuries received in consequence of an alleged defect in the highway—Brought August 7, 1898.

Grebenstein, vs. Arlington.—An action for damages for injuries received in consequence of alleged defect in the highway—Brought August 30, 1905.

The claim of the *Maryland Casualty Company* against the Town amounting to $310 for additional premiums on casualty insurance carried by the Town from 1893 to 1903 has been settled for $150.

The Town has been represented before the Commissioners appointed to apportion the Metropolitan Park tax for the ensuing five years among the cities and towns in the Metropolitan Park District.

It has also been represented before the Commissioners appointed to apportion the expense of the construction and maintenance of Wellington Bridge.

The legal work of the different departments has been attended to.

Respectfully submitted,

HORACE D. HARDY,

Town Counsel.

REPORT OF THE TOWN ENGINEER.

ARLINGTON, Jan. 22, 1906.

To the Joint Board of Selectmen and Board of Public Works: —

GENTLEMEN: — Herewith is respectfully presented the sixth annual report of the Engineering Department for the year ending December 31, 1905.

The organization of the Department is the same as last year. The work has consisted in furnishing to the Departments, Boards and Special Committees, in the service of the Town, such information of an engineering nature as they may require on work in contemplation or in process of construction, also superintendence on particular sewers and the extension of new main sewers, and the recording of all data relating to additions and changes affecting municipal structures and systems.

All engineering expense is charged each week to the Department or Board for which service has been rendered, and is classified for the year as follows: —

Highway Division: For the marking of all lines and grades; making plans, profiles, estimates, locations, and records of work done and in contemplation by the Division, including superintendence on storm drain construction	$293 27
Sewer Division: For all surveys, plans, profiles, lines, grades, records and superintendence on cleaning and flushing of sewers	309 25
Superintendence and inspection on sewer construction	330 76
Superintendence and inspection on particular sewer construction	155 41
Water Division: For all lines for new mains and locations and records of gates, hydrants, specials, service boxes, and work on registration data	190 59
Sidewalks: For all lines, grades, and measurements of edgestone, concrete, brick and artificial stone walks	22 12
Board of Survey: For all surveys, plans and profiles of streets laid out by the Board, including the setting of boundary stones	62 26
Street Numbering: Locating buildings and assigning numbers, in accordance with the Town By-Laws	14 87
Plans: Copying plans and deeds from Registry of Deeds at East Cambridge	7 65
Descriptions of real estate for tax titles	24 72
Town House site,— plans and levels for grading	18 62
	$1,429 52

Board of Public Works.—For details of expense and particularization of work reference is made to the Board of Public Works' report, as only a general outline of the work under the direction of the Board is contemplated in this report.

Highways and Sidewalks.—It has been the aim of the Highway Division this year to bring the existing Town ways into as good a state of repair as possible by resurfacing and rebuilding where the greatest necessity demanded; also to keep the general surface of all streets in a smooth condition by filling up depressions, removing loose stones, cleaning and scraping, and by repairing many minor defects in the drainage and general appearance of the streets.

For this work comparatively little assistance from the Engineering Department was required, with the exception of Linwood St., which was entirely regraded and rebuilt in accordance with the plans approved by the Board of Survey.

1,904 lineal feet of edgestone and corner stone at street intersections were set, 2,369 square yards of paving for gutters and crosswalks, and 1,183 square yards of brick, concrete and artificial stone sidewalks were laid.

In the case of the brick sidewalk on the northerly side of Massachusetts Ave., near Wyman St., — this was an extension of the walk laid from Tufts St. last year, and should be extended to Broadway during 1906.

I believe the interests of the public can be no better served than by the laying each year of all the permanent sidewalk that the Town can reasonably afford. The natural soil in this locality is such that only a sidewalk of artificial construction, properly under-drained, is satisfactory. A considerable amount of coal cinder has been placed on those walks most traveled and most in need of repair, to prevent inconvenience from mud and water during the winter season, and to secure a suitable foundation for final surfacing.

I would respectfully suggest that the sidewalk appropriation for 1906 be increased; or, as would seem more desirable, that the expenditure for permanent sidewalks be included in the Highway appropriation to be disbursed directly by the Board of Public Works.

A storm drain was laid in a portion of Brantwood Road, and two catch basins added in conjunction with the construction of the sewer at this point, also new basins and inlets were built in several locations where especially needed. This work and the paving of gutters on grades of 3 per cent. and over must be continued, as

the disposal of storm water is imperative in the economical maintenance of streets.

I again beg to refer to the need of paving on Massachusetts Ave., preferably with the bitulithic pavement which is now proving so satisfactory in many towns and cities where similar conditions exist.

The problem of the separation of grades where the Boston & Maine Railroad passes through the centre of the Town, should be given immediate attention, especially as proposed improvements are delayed because of the impossibility of making them in conformity with the future locations and grades of streets affected by the changes in elevation of the railroad tracks.

All the highway bridges are in good condition with the exception of the River St. bridge, which will require extensive repairs unless rebuilt by the Metropolitan Park Commission in connection with the development of the new Mystic River Boulevard.

Sewers.—Sewers have been constructed in Acton St., Appleton Pl., Brantwood Road, Kensington Park, and also a portion of Pleasant St. connecting with the sewer built in Kensington Road in 1904. Excepting the Appleton Pl. sewer, this work was done under contract with W. B. Bryne of West Medford.

Most of this construction was through ledge, and so, where water and storm drain pipes had not previously been laid, they were included at this time to make a saving in the individual cost of each system, and also much future annoyance to the public.

Practically all the houses on these streets have now been connected with the sewers.

Dudley St., Grove St., Grove St. Place, and a portion of Summer St., should be sewered, as the district is thickly settled and the facilities for proper drainage inadequate. A branch of the Metropolitan sewer is planned to pass up the valley along Mill Brook, so the sewers in these streets can be constructed for a future connection with this sewer near the junction of Grove and Dudley Streets, but discharging for the present through a force main to Massachusetts Ave. by means of a small hydraulic lift or electrically driven pump working intermittently. This district appears to be the only section of the Town requiring sewers in the immediate future.

Seventy-five particular sewer connections have been made during the year at a cost of $2,357.09, an average of 58 cents per lineal foot.

The total number of buildings connected with the sewers is now 943, or 70 per cent. of those on the lines of the sewers.

The customary flushing and cleaning, where necessary, has been maintained on the entire system.

Board of Survey.—Three plans have been examined, on which hearings for approval of location and grade were held by the Board; also surveys and plans were made for locations of new streets between Highland Ave. and Mt. Vernon St., and the extension of Wellington St. to Addison St.

No new streets were accepted by the Town during 1905.

Town House Site.—Plans showing proposed grades for the preliminary grading of the lot have been prepared. The work can probably be completed with the unexpended balance and a small addition.

Respectfully submitted,

ROBT. W. POND,
Town Engineer.

REPORT OF INSPECTOR OF WIRES.

ARLINGTON, MASS., Jan. 15, 1906.

To the Honorable Joint Board of Selectmen and Board of Public Works:—

GENTLEMEN:—I respectfully submit my Sixth Annual Report as Inspector of Wires and Superintendent of Fire Alarms for the year ending Dec. 31, 1905.

Inspection of Wires in Buildings.—During the year ending Dec. 31, 1905, one hundred and twenty-three (123) notices were received by this department for the installation in buildings of wiring for 1,424 sixteen candle power incandescent lights; two (2) arc lights and seven (7) power motors.

During the period covered by this report one hundred and sixty-seven (167) permits were issued by this department to the Edison Electric Illuminating Company, of Boston, to supply current to an equivalent of twenty-three hundred and sixty-six (2366) sixteen (16) candle power incandescent lights, two (2) arc lights, with energy of 900 watts and seven (7) motors with a total of 6,833 horse power.

Two hundred and forty-eight (248) inspections have been made covering the installation of new wiring, old installations, fixtures and meters in the following class of buildings, etc.

68 Single Houses,	1 Sanitorium,
11 Apartment Houses,	5 Farm Buildings,
10 Stables,	1 Hotel,
30 Double Houses,	1 Paint Shop,
7 Factories,	4 Offices,
4 Halls,	1 R. R. Station,
3 Churches,	2 Blacksmiths' Shops,
3 Schools,	1 Water Works Shop,
1 Club House,	1 Bakery,
2 Club Rooms,	1 Fire Station,
7 Stores,	3 Banks,
1 Restaurant,	1 Boiler House,
4 Automobile Houses,	1 Boat House.

Total Buildings, etc., visited 174.

The wiring and installation of fixtures, also other electrical appliances in buildings has been given careful consideration from an inspection standpoint during the past year. More trouble has been experienced this year than any in the past in compelling

changes to be made in work which was not done in accordance with the underwriters' requirements and no work was passed that did not in every respect conform to the "National Electrical Code." The reinspection of old installations has been continued and many changes have been made on this class of construction in buildings such as installing service switches, approved cut-outs and lamp sockets. It is the aim of this department that all buildings in which the old pattern of open link cut-outs exist shall be equipped with the Edison Plug Type or enclosed cartridge fuse cut-outs. Also it is required that all lights in basements, cellars and where exposed to dampness shall be equipped with porcelain sockets and switches.

The importance of periodical reinspection of all inside wiring and electrical appliances can hardly be overestimated, as the experience of each succeeding year discovers new conditions which materially affect the formal standards of construction. The use of electricity for lighting and furnishing motive power is comparatively recent and while under proper conditions and with standard fittings an electrical installation carries far less risk than any other method of lighting, it must be remembered that an electrical outfit once installed is at the mercy of an uninformed owner or irresponsible employee. It often happens, therefore, that an effort to save a few dollars will result in an addition or extension of the service, put in by amateur electricians so installed as to endanger the safety of the entire premises. The amount of time and labor to keep proper watch over old installations increases, therefore, in equal ratio with the growth of the town.

Grounding Low Potential Circuits.—Early in the past year it was decided by the Edison Electrical Illuminating Company, of Boston, to cause the grounding of all low potential circuits on their system where supplied from transformers. The question of the best methods of doing this work was thoroughly considered by the New England Insurance Exchange, the Boston Wire Department and The Massachusetts Electrical Inspectors' Association. The object of causing the grounding of service wires for lighting and power is for the purpose of preventing accidents to persons using electrical appliances in case of a cross between the high and low potential systems which might cause death or serious injury as has happened in several places in the past. The work of grounding all low potential circuits in this town has not as yet been completed but expect this work to be finished at an early date. Before a ground wire can be connected to any service wire to a building, the interior wiring in the building has to be

tested to show certain specified insulating resistance between the interior system and the earth, according to the capacity of service supplied as per Rule 66 of the National Electrical Code of Rules and Requirements on Installation of Electric Wiring and Apparatus. As this department did not possess the necessary instruments for making tests of this nature an appropriation of $150.00 was asked for this purpose at the Annual Town Meeting, which was granted. A Direct Reading Evershed Testing Set, made by Queen & Co., of Philadelphia, Pa., was purchased, which consists of a hand dynamo giving 200 volts and an Ohm Meter reading from 1,000 Ohms to 10 Megohms. This testing set has proven to be one of the most valuable instruments owned by this department, as a very quick and accurate test can be made of any electrical installation. Your Inspector has *not* been able to inspect all buildings in which ground wires have been installed, as the extra work required for this particular class of inspection would require more time than could be given, considering other work to be done.

Poles and Wires.—Twenty-nine permits have been issued for the setting of poles in new locations, also for the replacement of old poles condemned as unsafe or not suitable to support wires attached. Sixteen petitions were granted by your Honorable Board for new pole locations as follows. All plans submitted for new pole locations being carefully considered by your Inspector before recommending the granting of the same:

Petitions.	Streets.	Poles.	Date of Plan.	Granted.
Ed. E. Ill. Co.	Walnut	To set ....5 Remove 4	May 1, '05.	June 26, '05.
Ed. E. Ill. Co.	Mt. Vernon .	To set ....9 Remove 6	May 1, '05.	June 26, '05.
Ed. E. Ill. Co.	Jason	To set ....1 Remove 1	May 15, '05.	May 22, '05.
Ed. E. Ill. Co.	Central	To set ....1 Remove 1	June 15, '05.	June 24, '05.

Ed. E. Ill. Co.	Bartlett Ave. and Irving	To set ....1 Remove 0	Aug. 14, '05.	Sept. 25, '05.
Ed. E. Ill. Co.	Paul Revere Road	To set ....1 Remove 1	Aug. 21, '05.	Sept. 25, '05.
Ed. E. Ill. Co.	Gray	To set ....4 Remove 3	Oct. 16, '05.	Nov. 6, '05.
Ed. E. Ill. Co.	Henderson ..	To set ....2 Remove 0	Nov. 6, '05.	Nov. 13, '05.

Petitions.	Streets.	Poles.	Date of Plan.	Granted.
Ed. E. Ill. Co.	Corner Mass. Avenue and Water	To set ....1 Remove....1	Oct. 27, '05.	Nov. 13, '05.
Ed. E. Ill. Co.	Irving and Academy .	To set ....1 Remove....0	Dec. 4, '05.	Dec. 26, '05.
Ed. E. Ill. Co.	Academy and Irving	To set ....0 Remove....1	Dec. 4, '05.	Dec. 26, '05.
Ed. E. Ill. Co.	Warren between Webster and Beacon ...	To set ....3 Remove....2	Nov. 25, '05.	Dec. 26, '05.
N. E. T. & T. Co.	Crescent Hill Ave.	To set ....2 Remove....0	Jan. 6, '05.	Jan. 28, '05.
N. E. T. & T. Co.	Pine	To set ....6 Remove....0	Dec. 4, '05.	Dec. 26, '05.
N. E. T. & T. Co.	Linwood .	To relocate 1	Dec. 8, '05.	Dec. 26, '05.

The following poles have been set on private ways in accordance with street lines established; said poles being approved by this department.

Company.	Street.	Poles.
Edison Elec. Ill. Co.,	Bartlett Ave. between Gray and Woodland.....	1
Edison Elec. Ill. Co.,	Cor. Bartlett Ave. and Woodland.....	1
Edison Elec. Ill. Co.,	Woodland between Lincoln and Bartlett Ave..	1
Edison Elec. Ill. Co.,	Lincoln Cor. Woodland.....	1

Forty-four old poles were replaced. Twenty-three of the above 44 poles replaced were of the square, hard pine class of timber being located on Mass. Avenue, Mystic and Water Streets, also on Pleasant Street. These poles were replaced by round chestnut poles which were painted and stepped according to requirements. The Edison Company have rebuilt the entire pole lines owned by them on Mt. Vernon, Walnut and Central Streets which is a decided improvement, and have also replaced poles in other sections of the town. The New England Telegraph & Telephone Co. have replaced many unsafe poles and are renewing all poles as fast as required. Particular attention has been given to service and other wires in the centre of the town to have these wires so installed as not to impede the working of the Fire Department in case of fire in any of the business blocks. Quite a few changes have been made, especially in front of the Bank Block and in the rear of the Finance Club Buildings.

Electrical Fires.—On Oct. 3, Box 36 was sounded at 5.55 A. M., for a fire in the Central Railroad Station, caused by the tele-

graph wires entering, same being crossed with a high potential electric light wire at East Cambridge. The wires entering this building were immediately cut. The damage by fire being confined to the telegraph switch-board in the ticket office which was very slight. As there have been several fires of this kind in the past in this station, the most modern fittings have been used, this department requiring that all fuses and the pin switch-board be mounted on slate. The slate backboard prevented a serious fire at this time, confining the fire to the instruments and wires on the telegraph desk. Further changes have been required to prevent a repetition of this trouble if possible. An additional set of fuses have been placed in cable box on pole, also the lightning arresters in station were removed from building and placed in cable box on pole.

Street Lights.—The street lighting service as furnished by the Edison Company has been satisfactory throughout the year. Current readings taken at the Inspector of Wires' Office in Town Hall have shown that contract requirements have been fulfilled, 6.6 amperes having been maintained on all circuits.

Eight (8) additional incandescent street lights of 32 candle power have been installed as follows: —

Location.	Lights.	Date Lighted.
Pearl Avenue	1	Oct. 28, 1905.
Windemere Avenue	1	Oct. 28, 1905.
Kensington Road	1	Oct. 28, 1905.
Cor. Appleton and Harvard Streets	1	Oct. 28, 1905.
Park Avenue near R. R. Station	1	Oct. 28, 1905.
Bartlett Avenue and Woodland Street	1	Nov. 17, 1905.
Woodland and Lincoln Streets	1	Nov. 17, 1905.
Henderson and Cross Streets	1	Nov. 18, 1905.

The town is now lighted by eighty (80) arc lights and two hundred and twenty-eight (228) incandescent lights of 32 candle power, same burning every night in the year till 1.00 o'clock A. M.

Fire Alarm System.—This important branch of the public service has given good results during the past year. All alarms have been transmitted correctly. On March 4, at 8 P. M., trouble occurred on circuits Nos. 3 and 4, which on investigation was found in the laterial conduit pipe of the fire alarm system at the corner of Mass. Avenue and Palmer Street. Water had got into this pipe and frozen which broke the fire alarm cable at this point. As the conduit was frozen the entire distance from man hole to pole it became necessary to dig the same up and it being extremely cold weather this was an exceedingly hard piece of work. It was

found that the conduit pipe was broken near pole which in all probability happened when the pole at this point was replaced late in the fall of 1904. The fire alarm circuits broken were temporarily connected and placed in service at about 12 P. M., and permanently connected two days later. On March 18, at about 11.30 P. M., Box 23 was pulled for a fire caused by an exploded lamp at dwelling No. 138 Broadway. This box failed to respond and as the fire was extinguished by occupants of the house the fire department was not summoned. A report was not made to the Fire Alarm Department until the following morning of failure of box to respond. On investigation it was found that the box was electrically correct, but owing to the failure of the main spring of box movement to relax, it being an exceedingly cold night, the spring had contracted to such an extent as to not unfold when released by the pull on hook. On April 2, an exceedingly high resistance developed on circuit No. 4 and after considerable testing was finally located in a corroded splice on one of the underground wires of this circuit. This was quickly repaired. There have been but few other troubles of a minor nature which received immediate attention. On May 25, the outside box door was broken on Box No. 14, at corner of Teel Street and Mass. Avenue. This is the third door broken on this box within the last two years and it is hoped that the Police Department may be able to locate the guilty party if this is repeated again and if apprehended the full penalty of the law should be imposed. Twenty storage batteries of the B. T. Type have been added to the equipment at Fire Alarm Headquarters. There are now 148 storage batteries in use on the Fire Alarm System with a total potential of 296 volts. Seventy-four batteries are in use at one time and seventy-four are being charged and held ready for service at all times. These sets of batteries are used alternately, one set being used while the other is being charged. Charging of batteries is done every 48 hours with a current of one-half ampere for 10 hours. Batteries are discharged into the fire alarm circuits at 90 milli-amperes for 48 hours. Twenty-seven hundred (2700) feet of underground rubber covered wire were installed on circuit No. 4 from Palmer street to Tufts Street. All aerial wires and cross arms were removed from poles between these points. Box No. 16, at corner of Mass. Avenue and Tufts Street, was placed on an iron lamp post and connected direct with the underground system. Box 36, (Town Hall), was also placed on an iron lamp post and connected underground. This post is equipped with a red lantern, which is lighted at night, directions for giving an alarm being shown on

lantern. Box 36 was also equipped with a keyless door. As this is the most important fire signal box in town, protecting the business district, it is considered by your Superintendent that the most modern and up-to-date fittings should be used to enable the quick sounding of an alarm. All iron post boxes are used as testing points on the underground wires, each box being fitted with slate back board and terminal connections for wires in back of same. All underground wires have been examined in man holes. All fire alarm boxes have been painted, also the fence and woodwork at the top of bell tower in the Henderson Street district. The fire alarm boxes should be painted every year. New key guards have been placed on Boxes 16 and 162, and I consider the time has come that all boxes should be equipped with these key guards, as much valuable time is lost, especially in the night, in arousing people to get a key to sound an alarm. The first key guards were placed on several boxes six years ago and notwithstanding it was the opinion of certain people that false alarms would be given, there has never been such an alarm sounded. All boxes have had machinery thoroughly cleaned and oiled, also all tower striking machinery has been thoroughly inspected. The electric air compressor is still giving fair service, but I consider it would be economy to replace this machine by a new, modern type of compressor of greater capacity and hold the present compressor in reserve before it is entirely worn out.

The Fire Alarm Department purchased over 1,000 feet of 3 inch steel boiler tubes which were taken out of boiler at Cutter School, being considered as unsafe. These tubes are suitable to use for conduit pipes for underground wires and it was the opinion of your Superintendent that these tubes be purchased, which was approved by your Board, as they could only be sold for old junk at a value of about $7.50 or 25 cents per one hundred weight. To use for underground conduits they would represent a saving of over $175.00 to the town if the same amount of 3 inch pipe was to be purchased.

Hose No. 2 House has been equipped with a switch-board on which are mounted the gong and other electrical appliances for controlling the electric and gas lights, also the electric stall-door pulls for letting out the horses. The electric and gas lights, also the horse pulls are operated direct from the fire alarm. A button was placed on the board for sounding the tower bell for a still alarm signal. This switch-board was designed and wired for any additional fire alarm appliances that may be added in the future such as indicators or auxiliary gongs.

At the November Town Meeting an appropriation was made of $100.00 for the purchase of an automatic time clock for sounding the daily test signals on the fire alarm system. This clock will not be put in commission until early in the coming year, as the electrical connections will have to be especially made. This clock has been wired and fitted with the relays, etc., at the factory by your Superintendent and when installed should give a time service with but a few seconds' variation per month. Very few citizens can realize the inconvenience and responsibility of having to sound the test signals three times a day as now and has for the past six years been done by your Superintendent. It is entirely impossible, however painstaking a person may be, to maintain accurate time in sounding a signal on a fire alarm system at a specified time and no human being can pretend to give with the same degree of accuracy a signal of this kind that a carefully constructed mechanical appliance is capable of doing. If signals are to be sounded at certain specified times, then it should be so and not seconds or minutes out of the way as a majority of the people in any community place a great deal of dependence on such a signal.

Suggestions.—A communication has been received from the Board of Fire Engineers asking that the Fire Alarm Department recommend the placing of indicators in the various fire stations throughout the town. Your Superintendent believes that these indicators would be a valuable addition to the electrical equipment of the fire alarm system and that this question should be thoroughly considered.

Recommendations.—As the installation of electric wiring in buildings for light and power is rapidly on the increase, also poles and wires on the highways, it is the opinion of your Inspector that if the town desires to maintain an efficient inspection system of this class of work it should, at an early date, consider the appointment of a permanent Wire Superintendent and Inspector of Wires who can devote his entire time to this class of work, also to supervise the fire alarm system and all other signal systems now or in the future owned by the town. The use of electricity for lighting purposes is far greater in the Town of Arlington than is generally known by our citizens. Arlington being one of the largest lighted towns from this standpoint in New England, in consequence an Inspector of Wires for the municipality has a large amount of work to perform to maintain an efficient inspection service. I respectfully recommend that consideration

be given to the installing of additional fire alarm boxes in sections of the town which are not properly covered by the fire alarm systems at the present time. The Heights section of our town should receive special consideration on this question. I would further recommend the continued extension of underground wires on the fire alarm system. I respectfully again call your attention to the question of installing a Police Signal System, as such a system is of equal value to the Police Department as the Fire Alarm is to the Fire Department. The present telephone system, used by the Police Department, is very unsatisfactory, and I think the town has spent enough money in the past for this class of service. A modern police signal system will add greatly to the efficiency of the police service and will also add to the efficiency of the fire department service, as officers, while patrolling their beats can telephone an alarm of fire direct to headquarters when not in the near vicinity of a fire signal box. With a modern system, correct records can be kept of the duty calls of the officers and also these officers can be quickly reached by headquarters when needed.

Conclusion.—Thanking your Honorable Board for many courtesies shown, I remain,

Yours respectfully,

REUBEN W. LEBARON,

Inspector of Wires, Superintendent of Fire Alarms.

REPORT OF BOARD OF PUBLIC WORKS.

The Board of Public Works herewith submit their annual report for the year ending December 31, 1905.

The first meeting of the Board elected at the annual Town Meeting was held on March 16, 1905, the organization resulted in the election of Peter Schwamb as Chairman, and Charles C. Lothrop, as Clerk. Forty-six regular meetings and two special meetings were held during the year.

The former policy of acting as a whole on all matters coming before the Board was continued, consequently no special committees were appointed. The system of issuing written orders for materials, for the purpose of checking bills, successfully introduced last year, has been continued, as has also the method of distributing the pay rolls.

Appointments.—At a meeting held April 1, 1905, Thomas Roden was appointed Superintendent of the Sewer and Water Divisions and Charles C. Lothrop was appointed Water Registrar, both appointments holding for one year.

Reports.—As formerly it was decided not to print the several reports of the Superintendents, but to embody such parts of them as was deemed best in this report.

HIGHWAY DIVISION.

The first work undertaken was the thorough cleaning and patching of all the streets and gutters, filling up depressions and smoothing up the street surfaces.

Much attention was given to keeping up the general appearance of the streets, one man with a collecting barrel was employed about the centre of the Town to keep paper and refuse collected, he also frequently went over the entire length of Massachusetts Avenue.

Very little stone was on hand at the beginning of the year, making it necessary to work the gravel pit ledge and buy some in addition to what was available from the excavation of sewer and water trenches. The grade of stone in this ledge is well suited for street work and although at the first of the season the

ledge was not in a condition to work advantageously it is now getting into such shape that stone can be taken from it economically.

Central Street.—A petition having been received for edgestone and the grade of the street having been fixed by the Joint Board the travelway was heavily macadamized from Massachusetts Avenue to Bacon Street, a lighter construction being used beyond. A circle to provide more space for the convenience of turning teams should be placed at the end of the street.

Massachusetts Avenue was much in need of repairs, especially on the southerly side from Avon Place to the Cambridge Line. 8,718 square yards of new macadamized surface was placed in on this section of the street besides many miscellaneous patches throughout the entire length.

Forest Street near the Winchester Line was regraded, and partially macadamized where the greatest fill occurred. This upper portion of the street had received little attention for many years. The portion extending from Massachusetts Avenue to Bow Street was regraded to properly care for the storm water, and covered with crushed stone.

Lake Street from Massachusetts Avenue to the Railroad track was resurfaced its entire width.

River Street from Warren Street tc Decatur Street was resurfaced, and edgestones were set at the junction with Broadway.

Linwood Street was entirely worn out and in a dangerous condition. It did not seem best to make repairs in this street until a grade could be established by the Board of Survey, which would provide for drainage and lessen the grade across the railroad tracks. The grade established made a considerable cut, about 20 inches maximum, and necessitated the removal of nearly all the maple trees on the northerly side of the street. The sub-soil was sand which was screened and stored for use on sidewalks during the winter and also for general department work. Not all the work of grading on abutting lawns could be done, owing to the lateness of the season. The travelway was constructed of crushed stone with stone ballast to withstand the heavy traffic, to which this street is subjected.

Henderson Street.—Edgestone was set from Sawin Street to Cross Street, and the travelway covered with crushed stone and

gravel. Edgestone was also placed on the corner of Tufts Street and Massachusetts Avenue.

General patching and repairing with crushed stone was done on the following streets: Bow, Mystic, Tufts, Henderson, Medford, and Pleasant. A total of 2.1 miles or 25,607 square yards of streets were surfaced with stone of varying thickness during the year.

Gutters.—One and one-tenth miles, or 2,369 square yards of paving for gutters has been laid. This work should be continued, as there are many places where paved gutters are imperative to save excessive wash on the streets from storm water. There are about 10,000 paving blocks still on hand for this purpose.

In the paving of gutters on some streets square blocks known as "brow stone" were used in place of edgestone. These stones make a very satisfactory substitute for edgestone, as the joints between the blocks are filled with Portland Cement, giving the whole work a finished appearance.

Cross-Walks.—A cross-walk was placed on Medford Street, at the Catholic Church and 262 square yards of paving for other street crossings, driveways, water trenches, and street watering standpipes were laid.

Recommendations.—Bacon Street should be regraded and edgestone set on both sides, as the width of the street is not sufficient to allow proper maintenance otherwise.

Massachusetts Avenue should be resurfaced near the Lexington Line, near Forest Street and on the northerly side between Highland Avenue and Walnut Street and from Teel Street to Cambridge Line. Patching will also be required at various places throughout the length of the street.

Mystic Street from Glen Avenue to Old Mystic Street should be resurfaced with macadam.

Pleasant Street.—The street should be resurfaced from the Belmont Line to Gray Street and a storm drain laid at least for a portion of its length with suitable catch basins and inlets located at streets leading therefrom for the removal of surface water.

It would seem that the policy adopted this year of keeping the surfaces of all the streets in repair by constant attention should

be the plan to be followed out in 1906. It will be possible to do this and make the necessary repairs with the same appropriation as for last year.

Sidewalks.—Reference to Table IV will give the location, details and cost of the work done on sidewalks.

Comparatively little attention has been given to constructing sidewalks in Arlington on a permanent basis. No part of the work on the Highways is of so much interest to the majority of the citizens of the Town as the maintenance of good sidewalks. The natural soil in this section, with the conditions of climate is such that only a sidewalk of artificial construction is satisfactory throughout the year. All attention possible has been given to keeping the sidewalks smooth, free from stones and mud.

It is recommended that the sidewalk appropriation for 1906 be increased, and be made to cover renewals as well as construction of permanent walks.

Storm Drains.—In addition to the storm drain laid in Brantwood Road in connection with the construction of the sewer, catch basins were placed in the Boston Elevated tracks on Massachusetts Avenue, opposite Grand Army Hall; repairs have also been made on the basins on Dudley Street, and a new inlet has been placed over the brook on Jason Street.

Catch Basins.—New catch basins are needed on several streets, particularly those intersecting Massachusetts Avenue on the southerly side and on Massachusetts Avenue below Wyman Street where it will be possible to use a portion of the old cement lined water pipe for a drain.

Stone Crusher.—No extensive repairs on the machinery were required, but miscellaneous small repairs on the whole plant were necessary. The building is old and will need repairing each year, and a new screen and connections will have to be provided before the opening of the season of 1906.

Steam Drill and Roller.—A new steam drill was purchased as the old one was entirely worn out. The steam roller is in fair condition and will probably serve for another year, although it is now badly worn and liable to give out at any time.

Stable.—One horse was purchased this year and two others which had become too old for further service were disposed of. It will be necessary to exchange one more horse in the early

spring, leaving nine team horses in this Division. The department is now well equipped with all the necessary appliances for carrying on the work under the control of the Highway Division.

Street Watering.—The Street Watering routes were revised, extended and divided into five sections covering sixteen miles of streets. Four of the routes were covered by contract, the fifth being taken by the Highway Division. The contracts were for six months only, the time required in April and November being paid by the Highway Division. The season should be extended to include parts of April and November, and this with the repairs required on the carts and the purchase of a new cart will necessitate a larger appropriation.

General Expenditures.—A financial statement for the Highway Division is given in Table I for the year 1905.

Table II gives the distribution of the expenditures for the more extensive work while Table III includes the expenditures mentioned in Table II and gives a summary of the entire expenditures in detail.

The total costs have, for the first time, been made to include the indirect expenses, such as general supplies, tools, office expenses and salaries, amounting to $1,557.89, and this should be allowed for, in making comparisons with former costs.

The valuation of property controlled by this Division January 1, 1906 amounted to $11,177.80 and was divided as follows:

Materials	$285 00
Crushing plant, Steam Roller and Drill	4,920 00
Horses and equipment	4,145 00
Tools and appliances	1,827 80
	$11,177 80

TABLE I.

FINANCIAL STATEMENT OF HIGHWAY DIVISION FOR YEAR ENDING DECEMBER 31, 1905.

ITEMS.	*Cr.*	*Dr.*
Appropriation from taxes		$6,000 00
Appropriation, Street Railway Tax		17,180 80
Balance on hand Jan. 1, 1905		21 73
For services rendered and material sold, as follows:		
Boston & Maine R. R.		107 23
Hauling Wood (Almshouse)		63 51
Sale of Paving Blocks		4 90
Boston Elevated Railway		42 90
Use of Steam Drill		12 65
Crushed Stone sold		333 91

SEWER DIVISION.

The sewers have been under the general charge of the Town Engineer, who has directed the work of the Superintendent. The work has been conducted in the same manner as previously and the Sewers have been cleaned, regularly flushed and examined and are now in good condition.

For a general description of the work reference is made to the report of the Town Engineer.

Table V shows the cost of construction of sewers during 1905 by streets.

Table VI gives the distribution of expense of the Sewer Division apportioned to construction and maintenance, and also net expenditure for the year.

Table VII shows the complete statement for the division to date.

Hearings.—One public hearing was given on the construction of a sewer in Appleton Place.

The value of equipment and materials on hand in Sewer Division Dec. 31, 1905 was as follows:

Materials	$450 02
Horses and equipment	688 85
Tools, appliances and store house	1,443 55
Engineering instruments and supplies	599 29
	$3,181 71

It is recommended that the engineering instruments and supplies be transferred to the Engineering Department and that a special appropriation be made to purchase them from the Sewer Division.

An appropriation of $1,000.00 is recommended for general purposes, including maintenance and special sewer construction.

BOARD OF PUBLIC WORKS.

SEWER DIVISION STATEMENT, JANUARY 1, 1906.

	Cr.	*Dr.*
Total Assessments levied to January 1, 1906		$135,206 82
Assessments Abated	$1,373 53	
Assessments levied on cemeteries and Town property and deemed not collectable	2,900 32	
Assessments on church property, etc., deemed uncollectable	1,404 99	
Assessments levied on sewers built by Metropolitan Sewer Commission and to be paid to the Commonwealth	4,315 45	
Assessments not collectable by reason of expiration of liens	617 53	
Appropriation for Henderson Street District Sewers		10,500 00
Bond Issue 1896 for Sewer Construction		100,000 00
Sale of Main Sewer to Commonwealth of Massachusetts, less collectable assessments		42,400 13
Appropriations for care, maintenance for years 1903, 1904, 1905		4,000 00
Appropriations for Sewer Construction in Kensington Road and Acton Street 1904 and 1905		6,700 00
Amount expended for Sewer Construction and Maintenance (including Henderson Street District Sewers) as per Town Treasurer's balance January 1, 1906	287,420 03	
	$298,031 85	$298,806 95
		298,031 85
Balance		$775 10

This Balance is made up as follows: —

Balance from 1904	$1 07
Balance from 1905	266 13
Balance from Kensington Park Appropriation	507 90
	$775 10

WATER DIVISION.

Extensions of Street Mains.—In all there have been laid 2,599 feet of 6 inch pipe to extend the High and Low Service Systems, at a total cost of $3,182.84, which sum was obtained by issuing notes for $2,000, the use of a balance of $282.66 remaining from last year, and $900.18 paid from the income of the Water Division. The new mains in Thorndike Street and Glen Avenue were laid during December, too late to ask for an additional appropriation for this purpose.

Renewal of Street Mains.—155 feet of 6-inch cast iron pipe have been laid to replace cement lined pipe on Mill Street.

Discontinuance of Street Mains.—1,000 feet of 6-inch cement lined pipe on Mystic Street above Fairview Avenue and one hydrant were discontinued, also one service on the same was transferred to the High Service System.

The detail costs of extensions and renewals are shown in Table VIII and the distribution of expenditures to construction maintenance and stock is shown in Table IX.

The length, kind and size of pipe in use January 1, 1906 together with number of hydrants and gates on both the High and Low Service Systems are shown in the following table.

LOW SERVICE SYSTEM.

	Size, inches.	Length, feet.		Hydrants.	Gates.
Cement-lined pipe.....	12	8,530			
" " "	6	11,532			
" " "	4	17,008			
Total.....	.....	———	37,070	49	33
Iron pipe..... ..	12	6,771			
" "	10	5,392			
" "	8	8,580			
" "	6	24,502			
" "	4	11,904			
Total.....	.....	———	57,149	118	106
Total both kinds.....			94,219	167	139
		17.85 miles			

HIGH SERVICE SYSTEM.

	Size, inches.	Length, feet.	Hydrants.	Gates.
Iron pipe.....	12	16,503		
" "	10	14,644		
" "	8	12,779		
" "	6	48,296		
" "	4	1,497		
		93,719 17.75 miles	197	160

Total of both systems; 35.6 miles of pipe, 364 hydrants and 299 gates. In addition there are 4,448 feet of smaller pipes, 2-inch to 1¼ inch, which are laid in places where hydrants were not needed and the amount of water required was small.

Repairs on Mains.—There have been thirteen leaks in the cement lined pipe, and three leaks in the cast iron pipe on the High Service System.

Services.—Forty-six new services have been added during the year. Twenty-one on the High Service and twenty-five on the Low Service Systems. Three services have been changed from the Low to the High System. There are 669 services on the High, and 1162 on the Low Service Systems and 63 in use by the Sewer Division for flushing sewers.

Repairs on Services.—During the year a great many complaints have been received of insufficient pressure, which, upon investigation have been found to be due almost wholly to rusting of pipes on the premises of the consumer.

Reservoir.—As usual the rip-rap has been weeded and the nests of the brown-tail moths have been removed from the trees at a total expense of $166.55. The sum of $11.00 was received from the sale of grass.

Standpipe.—The four walks leading to the standpipe have been graded and the grounds have received the usual attention.

Great Meadows.—The expenses at the Great Meadows consist of care of moths, boarding up windows of Pumping Station and taxes.

In June the Board cancelled the lease of the Pumping Station held by Mr. C. H. Hoffman. The other leases remain the same as last year.

Meters.—The largest number of meters in use at any one time was 419, and the number of meters now in use is 419.

The following is an extract from the vote passed at the November, 1904, Town Meeting:

"That the Board of Public Works install meters on domestic services, as soon as possible, under present meter rates wherever the water taker is ready to bear the expense of installing the meter; a rebate is to be made on each water bill rendered, equivalent to the meter rental until the sum paid for installing the meter is refunded, when the meter shall become the property of the Water Works, under whose charge it is to be at all times.

"That the minimum meter rate be collectable in advance as in the case of fixture rates."

The following is the amount to be deposited and rental per year to be paid on various meters:

Size.	Deposit to cover cost.	Rental per year.
5-8 inches	$10 00	$2 00
3-4 inches	15 00	3 00
1 inch	20 00	4 00

The rental will be rebated for the first five years; at the end of that period the amount of rebates will equal the deposit, and the meter will then be owned by the Water Works.

The minimum advance charge each six months is the meter rental plus $6.50 for water.

The following table gives the number of the various sized meters in use during the year and the uses of water.

Where Used.	Size.					Total.
	⅝ Inch.	¾ Inch.	1 Inch.	1½ Inch.	2 Inches.

By return to Thomas Tolson		$81 32
Balance in Treasury		366 27
	$447 59	$447 59

Recommendations.—We make the following recommendations: That all cement lined pipe on the low service be replaced by iron pipe at as early a date as possible, beginning at points where the pipes are giving the most trouble and where the pressure is high. That necessary extensions be made according to established rules.

That the Board be authorized to issue bonds for extensions of water mains for a sum not exceeding two thousand dollars, provided such sum is needed.

General Recommendations.—That steps be taken looking to the purchase of land for a yard and stables for the several divisions centrally located and near the railroad. Such plan will enable two pipe yards to be dispensed with, and will effect much saving in expense and render supervision more economical and effective.

SUMMARY OF STATISTICS.

For The Year Ending December 31, 1905.

In form recommended by the New England Water Works Association.

ARLINGTON WATER WORKS.

Arlington, Middlesex County, Mass.

Population by Census of 1905, 9,668.
Date of Construction, low service, 1872; high service, 1894.
By whom owned, Town of Arlington.
Source of supply, Metropolitan Water System.

Consumption.

1. Estimated total population at date, 9,700.
2. Estimated population on lines of pipe, 9,500.
3. Estimated population supplied, 9,400.
4. Total consumption for the year, 287,437,500 gallons.
5. Passed through meters, 53,126,600 gallons.
6. Percentage of consumption metered, 18.5 per cent.
7. Average daily consumption, 787,500 gallons.
8. Gallons per day to each inhabitant, 81.
9. Gallons per day to each consumer, 84.
10. Gallons per day to each tap, 433.

Distribution.

MAINS.

1. Kind of pipe, cast-iron and cement.
2. Sizes, from 4-inch to 12-inch.
3. Extended 2,599 feet during year.
4. Discontinued 1,000 feet during year.
5. Total now in use, 35.6 miles.
6. Cost of repairs per mile $2.50.
8. Length of pipes less than 4 inches diam., 4,448 feet.
9. Number of hydrants added during year (public), 7.
10. Number of hydrants (public and private) now in use, 364.
11. Number of stop gates added during year, 4.
12. Number of stop gates now in use, 299.
15. Average pressure on mains at center of Town, 90 lbs. high system; 50 lbs. low system.

SERVICES.

16. Kind of pipe, cement-lined, galvanized, cast-iron.
17. Sizes, ⅝-inch to 6-inch.
21. Number of service taps added during year, 46.
22. Number now in use, 1894.
24. Average cost of service for the year, $18.65.
25. Number of meters added, 303.
26. Number now in use, 419.
27. Percentage of services metered, 23 per cent.
28. Percentage of receipts from metered water (B÷C), 25 per cent.
30. Number of motors in use, 5.

EXTRACTS FROM RULES OF WATER WORKS.

SECTION 15. The following rates will be charged annually from July 1, 1904, for the use of water, namely:

DWELLING HOUSES.

Occupied by one family, for the first faucet	$6 00
For each additional faucet to be used by the same family	2 00
For set tubs not supplied with faucets and filled by hose or other means, and for faucets supplied with portable tubs, the charge will be one-half the regular rates.	
For basins not connected, but convenient to other fittings, the rate will be $1.00 per year.	
Where a house is occupied by more than one family, one faucet only being used for all, for each family	4 00
Where a house is occupied by more than one family, the highest rates will be charged for each family having the water carried into their part of the house:	
Whenever one service pipe supplies *four* or more tenements, the rates shall be paid by the owner, and there shall be a discount of ten per cent: *provided, however*, that in no case shall the net charge per tenement be less than thirteen dollars per year.	
For the first bath-tub	4 00
For each additional bath-tub	3 00
For bath-tubs convenient to faucets, but not connected, the rate will be $3.00 per year.	
For the first water-closet	5 00
For each additional water-closet	3 00
For hopper water-closets	8 00
For vaults flushed with kitchen sink water in case such vaults are not used in connection with a water-closet, the rate will be $2.00 per year.	
When such vaults are used in connection with a water-closet there will be no extra charge.	
Where bath-tubs or water-closets are used by more than one family, for each family	4 00
Where two faucets are used one for hot and one for cold water, and both emptying into one basin, but one charge will be made for both; *provided*, that in no case shall the charge for the use of water by a private family, exclusive of hose and stable, be more than	24 00

BOARDING HOUSES.

For the first faucet	$10 00
Each additional faucet	2 00
Water-closet or bath-tub, when used by boarders	10 00
Each additional bath-tub or water-closet	3 00

STORES, OCCUPIED AS OFFICE, SHOP, OR SIMILAR PURPOSE.

First faucet	$6 00 to $20 00
For each additional faucet	2 50
For water-closet or urinal	6 00

MARKETS, SALOONS, RESTAURANT, WORKSHOPS.

For markets, saloons, restaurants, workshops, or for purposes not included in any other classification, and not requiring more than an ordinary supply of water.....$6 00 to $25 00

HOTELS.

For each bed for boarders and lodgers	$3 00
For each bath-tub in a hotel	10 00
For each water-closet in a hotel	10 00

PUBLIC BATHS.

For one tub in a public bath-house	$10 00
For each additional bath-tub	5 00
For one water-closet in a public bath-house	10 00
For each additional water-closet	3 00

STABLES.

Private Stables, for the first horse	$5 00
" for each additional horse	3 00
" for one cow	2 00
" for each additional cow	1 00
Livery club, and boarding Stables, for each horse.....	3 00
Car and omnibus Stables, for each horse	2 00
Truck and cart Stables, for each horse	2 00
Provided, that in no case shall any stable be charged less than	5 00

The rates for stables include water for washing carriages without hose; when hose is used $3.00 additional.

HOSE.

The following regulations are uniform throughout the Metropolitan District for 1906:—

The use of water through hand hose, on premises where the water supply is *not* metered, shall be restricted to two hours in each day between the hours of five and eight A. M. and five and eight P. M.

The hose must be used with a nozzle not exceeding three-sixteenths of an inch in diameter, and while so used must be held in the hand of a person on the premises of the water taker.

For hose used in this manner, when supplied from the house service, the charge will be $4.00 per year. If a separate service is used the charge will be $6.00 per year. If the use of hose is desired for a longer period, a meter must be placed on the hose connection and the water must be paid for at the rates mentioned below.

The Board reserves the right to cut off all the use of water, except for domestic purposes, in case any contingency should arise requiring such a course.

STEAM BOILERS.

For each boiler in use not over twelve hours a day, for each horse power	$6 00

METERS.

Water for field irrigation, greenhouses or hot houses, hot beds and wash houses must be metered at the rates mentioned below for metered water, and water may be used at all hours.

Meter rates will be as follows:—

For the first			20,000	Cu. Ft.	per	6	mo.,	15c. per 100	Cu. Ft.
For quantities b'tw'n	20,000	&	40,000	"	"	"		13c. " 100	"
"	"	40,000	& 100,000	"	"	"		12c. " 100	"
"	"	100,000	& 500,000	"	"	"		11c. " 100	"
Over			500,000	"	"	"		10c. " 100	"

The following meter rents will be collected each six months in addition to the above charges:—For a ⅝-inch meter, $1.00; a ¾-inch meter, $1.50; a 1-inch meter, $2.00; a 1½-inch meter, $4.00; a 2-inch meter, $6.00.

The minimum charge for metered water for each six-monthly interval, exclusive of the meter rent, will be $6.50. In case more than one meter is used by a water taker the minimum charge for water will be $6.50 for each meter, exclusive of the meter rent. In case of meters used on hose connections the charge will be the meter rent plus that for water used. All water that passes through a meter will be charged for whether used or wasted. If a meter fails to register or records incorrectly the amount of water passing through it, the quantity to be charged for shall be determined by the average daily consumption shown by the meter when in order. It is suggested that water takers read their meters occasionally to satisfy themselves whether or not they are working, and that they immediately send notice of any irregularity to the Water Board.

Bills for metered water will be made out January 1st and July 1st.

BUILDING PURPOSES.

The minimum charge for water for building purposes is $3.00. When more than fifty casks of lime or cement are used, the charge is six cents per cask of each.

ORNAMENTAL FOUNTAINS.

Ordinarily used three hours a day for a period of not more than four months a year:

For a jet of 1-16 of an inch	$3 00
" " 1-8 " "	5 00
" " 1-4 " "	8 00

To be cut off at discretion of Superintendent.

Rebates will be allowed only during such time as the water is shut off, but no rebate will be allowed for a period less than one month. When a house is vacated the owner must notify the Water Registrar to have the water turned off. When the house is again occupied the owner is to give notice to have the water turned on. The charge for shutting off and turning on water in vacated houses is twenty-five cents for each operation.

In case one service pipe supplies several tenements, stop-cocks must be provided so that the water may be shut off from each tenement separately. When tenements are vacated the owner must at once give notice to the Water Registrar to have the water shut off and the stop-cock sealed. When the tenement is again occupied the Water Registrar must be notified to have the seal removed. Rebate will be allowed for the period the seal remains on, provided such period exceeds thirty days. If seal is disturbed or removed by other than the Water Works agents no rebate will be allowed. The charge for placing and removing seals is twenty-five cents for each operation. *All notices must be written and must be sent to the Water Registrar.*

SECTION 16. When water is required for purposes which are not specified in the foregoing tariff, the rates shall be fixed by the Board of Public Works, and the rates fixed in the foregoing tariff may be varied by the Board of Public Works whenever in particular cases in their judgment the interests of the Town shall require.

PIPE EXTENSIONS.

Vote of Town, passed April 14, 1896.

Voted:—That the Board of Public Works shall, before laying main water pipes in any street or way, require the party or parties asking for same to deposit with the Town Treasurer the sum of thirty cents for each lineal foot of pipe to be laid, less an amount equal to the established water rates for five years on the fixtures supplied at the time of laying the pipe, the said sum to be held by said Treasurer in trust for a term of five years and at the end of said term paid into the Town Treasury to the credit of the Water Works, unless the rates actually collected during the said five years on account of fixtures supplied directly from said pipe exceed the amount originally estimated and deducted from said sum of thirty cents per lineal foot, in which case said excess shall be repaid to the depositor to the extent of the original deposit and the balance, if any, paid into the Town Treasury as aforesaid, excepting otherwise ordered by the Town.

SERVICES.

Vote of Board, passed March 30, 1904.

"That pipe for domestic service shall hereafter be furnished and laid by the Water Division to the inside of the cellar wall, the expense of said pipe on private property to be borne by the owner. The digging and filling inside the street line may be done by the owner."

LIMITS OF HIGH AND LOW SERVICE DISTRICTS.

According to an understanding with the Metropolitan Water and Sewerage Board the dividing line between the high and low systems has been made to conform as nearly as possible to contour 60 above Boston City Base. The low service district is bounded by the following streets which are to be supplied from the low service on both sides; the low service is, however, to be extended to the depth of one house-lot only on the high sides of the bounding streets:—Beginning at Mystic Lake, Fairview avenue to Mystic street; Mystic street to Summer street; Summer street to Grove street; Grove street to Massachusetts avenue, including Grove street place and Dudley street as far as Brattle street; Massachusetts avenue to Academy street; Acadamy street to Maple street; Maple street to Pleasant street; Pleasant street to the Belmont line, including Pelham terrace.

It is understood that either the high or the low service may be used on Massachusetts avenue between Brattle street and Grove street, also that for purposes of fire protection the high service may be extended into the low service district.

REPORT OF THE TOWN CLERK.

DOGS REGISTERED.

Whole number		353
Males	312	
Females	41	
		353
Number licensed in 1904		353
Paid to County Treasurer		$758 40

I have examined the Town Clerk's record of Dog Licenses and found the same correct, with the receipts from the County Treasurer for the above amount.

ELBERT L. CHURCHILL,
Auditor.

BIRTHS AND MARRIAGES REGISTERED DURING THE YEAR 1905.

Total number of births registered	225
Females	115

HARVEY S. SEARS,
Collector of Taxes.

ARLINGTON, December 31, 1905.

I have examined the books and accounts of Harvey S. Sears, Collector of Taxes, Town of Arlington, Mass., and find same correct, and agreeing with the Auditor's books.

The above statement is also correct.

ELBERT L. CHURCHILL,
Auditor.

ARLINGTON, Dec. 31, 1905.

AUDITOR'S REPORT, 1905.

The Auditor, in accordance with the provisions of Article 16, of the Town's By-Laws, adopted in March, 1903, presents his report for the financial year, 1905. The Auditor has examined the securities and accounts of the following Trust Funds, and finds the securieties on hand as stated and the accounts, as printed elsewhere, correct:

Elbridge Farmer Fund.
Commissioners of Sinking Fund.
Pratt Fund.
High School Income Fund.
E. Nelson Blake, Jr., Memorial Fund.
Martha M. W. Russell, School Fund.
Martha M. W. Russell, Poor Widows' Fund.
William Cutter, School Fund.
Poor Widows' Fund.
Military Fund.
Citizens' Soldiers' Fund.
Henry Mott, Library Fund.
Timothy Wellington, Fund.
Julia Fillebrown, Fund.

The following deficits are shown in the Auditor's balances:

a—Parmenter School	$2 01
b—Schools	956 18
c—Commonwealth of Mass. Burial Acct.....	105 00
d—Non-resident Bank Tax	22 52

a—Parmenter School:

After all bills for the construction of the Parmenter School building had been paid, this amount was shown to have been expended in excess of the appropriations, and must be provided for by the Town.

b—Schools:

Owing to a too liberal interpretation of the terms of the will of the late Nathan Pratt, the School Committee approved bills to be

taken from the Pratt Fund, in excess of the amount which the Trustees of the Fund felt justified in allowing, and the opinion of the Trustees was confirmed by the Town Counsel. As these bills had been paid before the question was raised, the Town must provide for the deficit.

c—Commonwealth of Massachusetts Burial Account:

This amount will later be received from the State Treasurer as a reimbursement; therefore, no action by the Town is required.

d—Non-resident Bank Tax:

The Assessors committed $222.50 to the Collector of Taxes for collection. The State Treasurer, however, called for $245.02, causing this deficit.

A list of unpaid taxes is in the Auditor's office and agrees with his books. The Collector's and Treasurer's books have been examined and agree with the Auditor's books. The Cemetery Account and Dog Tax Account, kept by the Town Clerk, have been examined and found correct. The list of unpaid bills, furnished by the various Departments of the Town, are on file in the Auditor's office, showing to whom due; and the amounts. The total amount from each department is, viz:

Cemeteries	$250 00
Fire Department	3 96
Outside Poor	207 25
Police	28 37
Schools	462 50
Town House	101 94
Tree Warden	14 75

ELBERT L. CHURCHILL,
Auditor.

---

1. Deceased.
2. Appointed to fill vacancy.
3. Resigned.

BY-LAWS OF THE TOWN OF ARLINGTON.

[Compiled by the Committee of Five as authorized by vote of the Town, November 24, 1902, and amended March 27, 1906.]

ARTICLE I.

NOTIFICATIONS OF TOWN MEETINGS.

Every Town meeting shall be notified by posting a copy of the warrant calling the same, on the doors of the Town Hall, seven days, at least, before the day appointed for said meeting; and a printed notice containing the substance of the warrant shall be left at every dwelling house in the Town. Also notice of time of the meeting or of the date of its adjournment shall be published in the local papers.

[Adopted by the Town Nov. 9, 1882, approved by the Superior Court, November 11, 1882.]

ARTICLE II.

RULES FOR THE GOVERNMENT OF TOWN MEETINGS.

SECTION 1. No final vote shall be reconsidered except upon notice for that purpose, made by one of the majority acting thereon, within fifteen minutes after such vote has been passed; and no article in the warrant shall be again taken into consideration after it has been disposed of, unless ordered by a vote of two-thirds of the voters present.

SEC. 2. No person shall speak more than twice upon any question, without first obtaining leave of the meeting, except for the correction of an error, or to make an explanation; and not until others who have not spoken upon the question shall speak, if they desire to.

SEC. 3. All questions submitted for the consideration of the Town, involving the expenditure of money, shall be in writing, and all other motions shall be reduced to writing, if required by the presiding officer.

SEC. 4. Every person speaking shall address the Chair, standing and uncovered.

SEC. 5. No vote, fixing the period for closing a ballot, shall be reconsidered after such ballot shall have commenced; but it may be in order to extend the period without such re-consideration.

SEC. 6. When a question is under debate, motions shall be received, to adjourn, to lie on the table, the previous question, to postpone indefinitely, to postpone to a time certain, to commit or to amend. Which several

motions shall have precedence in the order which they are arranged. The first four shall be decided without debate.

SEC. 7. The duties of the presiding officer, not specially provided for by law, or by the foregoing rules, shall be determined by the rules of practice contained in Cushing's Manual, so far as they are adapted to the condition and powers of the Town.

SEC. 8. On all questions submitted for the consideration of the Town involving the expenditure of money, the ballot and check list shall be used when requested by twelve or more legal voters present at the meeting.

[SECTIONS 1, 2, 3, 4, 5, 6, 7, adopted by the Town Nov. 9, 1882, approved by the Superior Court Nov. 11, 1882. SECTION 8 adopted by the Town March 10, 1885, approved by the Superior Court March 25, 1885.]

ARTICLE III.

FINANCIAL YEAR.

The financial year of the Town shall begin with the first day of January in each year, and end with the thirty-first day of December, following. [Adopted by the Town Nov. 9, 1882, approved by the Superior Court Nov. 11, 1882.]

ARTICLE IV.

ANNUAL TOWN MEETING.

The Annual Town Meeting shall be on the first Monday of March in each year and all reports of Town Officers shall be made at that time.

[Adopted by the Town Nov. 9, 1882, approved by the Superior Court Nov. 11, 1882.]

ARTICLE V.

REPORTS OF COMMITTEES.

No action shall be had at any Town Meeting on the report of any commitee previously chosen, unless the same shall be specially notified in the warrant for calling said meeting.

[Adopted by the Town Nov. 9, 1882, approved by the Superior Court Nov. 11, 1882.]

ARTICLE VI.

MEETINGS OF TOWN OFFICERS.

The Selectmen, Overseers of the Poor, Surveyors of Highways, Treasurer, and Clerk, shall meet for the transaction of the business of their respective departments, at their rooms in the Town Hall, on the last Monday evening of each month.

[Adopted by the Town Nov. 9, 1882, approved by the Superior Court Nov. 11, 1882.]

ARTICLE VII.

POWER OF THE SELECTMEN TO BORROW MONEY.

The Selectmen may authorize the Treasurer to borrow money temporarily on the credit of the Town, in anticipation of the collection of the taxes, should the same be necessary, and to give the Town notes for the same, signed by him as Town Treasurer, said notes to be counter-signed by the Selectmen.

[Adopted by the Town Nov. 9, 1882, approved by the Superior Court Nov. 11, 1882.]

ARTICLE VIII.

COLLECTION OF TAXES.

SECTION 1. The assessment of all taxes shall be completed, and a list of the same delivered to the Collector on or before the first day of August, and all tax bills shall be delivered on or before the twentieth day of August of each year.

[Adopted by the Town Nov. 14, 1895, approved by the Superior Court April 2, 1896.]

SEC. 2. All single poll taxes shall be paid in fourteen days after demand. Interest shall be charged on all unpaid taxes after November first of the year in which they are assessed.

[Adopted by the Town May 5, 1902, approved by the Superior Court Dec. 8, 1902.]

SEC. 3. The Collector shall collect all taxes, including street watering ad and apportioned sewer assessments, levied in any year, before June first of the following year.

[Adopted by the Town Nov. 24, 1902. Approved by the Superior Court Dec. 8, 1902.

SEC. 4. The collector shall hold no other Town office.

[Adopted by the Town Nov. 24, 1902, approved by the Superior Court Dec. 8, 1902.]

ARTICLE IX.

PUBLIC WAYS.

SEC. 1. All persons intending to erect, repair or take down any building, on land abutting on any way which this town is obliged to keep in repair, and who desire to make use of any portion of said way for the purpose of placing thereon building materials or rubbish, shall, ten days at least before so placing any building material or rubbish, give notice in writing, to the Selectmen of such wish, and thereupon the Selectmen may grant a permit to occupy such a portion of said way to be used for such purpose as in their judgement the necessity of the case demands, and the security of the public allows such permit in no case to be in force longer than ninety days, and to be on such conditions as the Selectmen may require; and in every case, upon condition that during the whole of every night, from twilight in the evening until sunrise in the morning, lighted lanterns shall be so placed as effectually to secure

all travellers from liability to come in contact with such building material or rubbish.

SEC. 2. Whoever shall use any portion of any way which the Town of Arlington is obliged to keep in repair, without the permit, in writing of the Selectmen, as above provided, or having obtained such permit shall fail to comply with the conditions thereof, shall forfeit and pay the sum of ten dollars for each offence, and shall also reimburse the Town for all damages and expenses which the Town may be compelled to pay by reason of the way being encumbered.

SEC. 3. Whoever shall move or assist in moving, any building more than ten feet high, over any way in this Town, which this Town is obliged to keep in repair, without the written permit of the Selectmen first being obtained, or having obtained such permit, shall not comply with the restrictions and provisions thereof, shall forfeit and pay the sum of twenty dollars for every such offense.

SEC. 4. Whoever shall suffer horses, goats, or grazing beasts, or swine to run at large in this Town, or to feed by the roadside, either with or without a keeper, shall forfeit and pay the sum of five dollars for every such offense.

SEC. 5. Whoever shall drive or draw any coach, cart or wheel-barrow, handcart, velocipede, bicycle, or any carriages of burden or pleasure (excepting children's carriages drawn by hand, or children's velocipedes), upon any Sidewalk in the Town, or permit any horse, cattle, swine, sheep or goats, under his or her care, to go upon any sidewalk in the Town, so as to interfere with the convenient use of the same by all passengers, shall forfeit and pay a sum of not less than two dollars, or more than twenty dollars for every such offence.

SEC. 6. Whoever shall behave himself in a rude or disorderly manner, or use any indecent, profane or insulting language, in any public place in the Town, or near any dwelling house, or other building therein, or be, or remain upon any sidewalk, or upon any doorstep, portico, or other projection of any house or other building, not his own, to the annoyance or disturbance of any person, or by any noise, or other means, wantonly and designedly frighten any horse in any street, or other public place in the Town, or shall throw stones, snow-balls, sticks or other missles, or kick at foot-ball, or play at any game in which a ball is used, or fly any kite in the public ways in the Town, shall forfeit and pay for each offence, not less than three dollars, and not more than twenty dollars.

SEC. 7. No person shall saunter or loiter in any street or other public place in the Town after being directed by a police officer to move on, obstruct the free passage of foot travellers, habitually congregate with others, loaf or make bonfires thereon. Whoever violates any provision of this section shall be punished by a fine not exceeding ten dollars for each offence.

SEC. 8. Whoever, posts, affixes, or in any way attaches any poster, hand-bill, notice, advertisement, or placard to or upon any post, wall, fence, building or structure, not his own, without permission of the owner, or proprietor of such post, wall, fence, building, or structure, shall forfeit and pay for each offense, not less than three dollars, and not more than twenty dollars.

SEC. 9. Whoever paints, draws, or stamps any letter, notice, figure, advertisement, or marks upon or into any wall, fence, post, tree building or structure, not his own, without permission of the owner of such wall, fence, post, tree, building or structure, or without said permission mars, defaces, or disfigures in any way such wall, fence, post, tree, building or structure, shall forfeit and pay for each offence, not less than three dollars, and not more than twenty dollars.

SEC. 10. Whoever shall place or cause to be placed upon any of the public ways of the Town, or shall place or cause to be placed upon any public way, footpath or sidewalk within the Town, any lumber, iron, coal, trunks, bales, boxes, crates, casks, barrels, packages or other things, or shall otherwise obstruct such way by placing things therein, for more than fifteen minutes after being notified by a Constable, Police Officer, or the Selectmen, shall forfeit and pay for each offence, not less than two dollars, and not more than five dollars.

SEC. 11. Whenever complaint shall be made to the Selectmen that coasting on any street or sidewalk in the Town, has become dangerous to the public safety, they may post up a notice in some conspicuous place on the side or corner of any such street or sidewalk, forbidding all persons to coast upon the same; and if any person shall be found coasting upon the same after such notice, he shall forfeit and pay not less than one dollar and not more than five dollars.

SEC. 12. No person shall tie or fasten any horse to, or have the same standing by any ornamental or shade tree in or near any of the streets, lanes or places of this Town, so near as to injure any unprotected tree, or wrongfully injure or abuse such tree in any manner; and whoever violates the provisions of of this section, shall forfeit and pay not less than one dollar, and not more than ten dollars.

SEC. 13. The Selectmen may license suitable persons to sing, play or perform on a musical instrument in any public way or place and to solicit or receive compensation therefor from by-standers or the public. No person shall sing, play or perform on a musical instrument in any public way or place or solicit or receive compensations therefor from by-standers or the public without first having obtained a license therefor from the Board of Selectmen.

Whoever violates any provision of this section shall be punished by a fine not exceeding five dollars for each offence.

SEC. 15. No person shall in any street ride upon the steps or any portion of a street railway car or other vehicle, without legal right or the permission of the person in charge thereof. Whoever violates any provision of this section shall be punished by a fine not exceeding five dollars for each offence.

[Adopted by the Town March 27, 1906, approved by the Attorney General of the Commonwealth May 8, 1906.]

[Sections 1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, adopted by the Town March 9, 1882 and approved by the Superior Court March 11, 1882.] Section 7 of this article was amended by the Town March 27, 1906 and the amendment was approved by the Attorney-General of the Commonwealth May 4, 1906. Sections 13 and 15 of this article were adopted by the Town March 27, 1906, and approved by the Attorney-General of the Commonwealth May 4, 1906.]

ARTICLE X.

PUBLIC HEALTH.

SECTION 1. No person shall drive, or cause to be driven, any cart or wagon containing night-soil or offal, or any cart or wagon used for that purpose, through any public way in the Town, between the hours of six A.M. and nine P.M. except an odorless tank, nor permit any such wagon or cart to stand between said hours, in any street, lane or alley in said Town.

SEC. 2. No person shall keep any swine within a distance of fifty feet of any public way or place, or within a distance of 100 feet of any dwelling house not his own, or within a distance of twenty-five feet of his own dwelling house. No person shall, after January 1, 1902, keep within the limits of the Town, more than five swine, exclusive of offspring less than four months old of said five swine. Whoever violates any of the provisions of this section shall be punished by a fine not exceeding twenty dollars for each offence.

SEC. 3. No person shall put or suffer to accumulate on his premises any refuse, animal or vegetable matter, rubbish or filth, whereby any offensive or noxious stench or effluvia shall be created, and the health or comfort of the citizens be injuriously affected, or shall throw any such substances into the ponds, streams or brooks of the Town, or shall allow the contents of any vault or house drain, or the refuse of manufacturing or slaughtering process to drain into such ponds, streams or brooks.

SEC. 4. No person, without the license of the Board of Selectmen, shall throw into, or leave in, or upon any street, court, square, lane, alley, public square, public enclosure, vacant lot, or any pond or body of water within the limits of the Town, any dead animal, dirt, manure, oyster, clam or lobster shells, ashes, cinders, waste paper, rubbish or filth of any kind, or any refuse animal or vegetable matter whatever.

SEC. 5. No vehicle used for collecting or conveying swill or house offal, shall be drawn over, or allowed to stand upon any sidewalks in this Town.

SEC. 6. No person, except an officer or employee of the Town, and for some public purpose or use, shall disturb, overhaul, or interfere with the contents of any barrel, or other receptacle containing ashes, or other refuse materials, which has been set out to be carried away by the Agents of the Town. Whoever violates any provision of this section shall be punished by a fine not exceeding five dollars for each offence.

[Sections 1, 2, 3, 4, 5, adopted by the Town Nov. 9, 1882 approved by the Superior Court, Nov. 11, 1882. Section 6, adopted by the Town, March 26, 1906. Approved by the Attorney General of the Commonwealth, May 4, 1906.

ARTICLE XI.

TRUANTS AND ABSENTEES.

SECTION 1. Any child between the ages of seven and fifteen years, who shall absent himself from the public school to which he is assigned, three times, within the period of one month, without sufficient excuse from his parent or guardian, shall, in each case, be deemed to be an habitual truant.

SEC. 2. Any child convicted of offending under the preceding law, shall be committed to the Institution of Instruction and house of Reformation of Juvenile Offenders, in the City of Lowell, for such time not exceeding two years, as the Court of Justice having, by law, jurisdiction, may determine.

SEC. 3. The said Institution of Instruction and House of Reformation of Juvenile Offenders, in the City of Lowell, is hereby provided as the place for the confinement, discipline and instruction of habitual truants.

SEC. 4. It shall be the duty of every truant officer, before making any complaint for offences under these by-laws, to notify the offending child and his parent or guardian of the offence committed, and of the penalty thereof, and if the truant officer can obtain satisfactory pledges for the restraint and reformation of the child, he may, in his discretion, forbear to prosecute, so long as such pledges are faithfully observed and kept.

SEC. 5. All children between the ages of seven and fifteen years, wandering about in the streets and public places of this Town, having no lawful occupation or business, not attending school, and growing up in ignorance, shall be punished by a fine not exceeding twenty dollars, or by commitment to any institution of instruction, house of reformation, or suitable situation, provided for the purpose under the authority of the tenth section of chapter 48 of the Public Statutes.

[Sections 1, 2, 3, 4, 5, adopted by the Town Nov. 9, 1882. Approved by the Superior Court, Nov. 11, 1882.]

ARTICLE XII.

No person shall bathe or swim in Spy Pond or in any public or exposed place in the Town, without wearing a proper covering to the body.

[Adopted by the Town Nov. 9, 1882. Approved by the Superior Court Nov. 11, 1882.

ARTICLE XIII.

SECTION 1. No person shall blast any rock or other substance with gunpowder, or other exposive material, at any place within fifty rods of any public way or building, without a written permit from the Board of Selectmen, specifying the terms and conditions on which such permit is granted.

SEC. 4. No person shall, except in the performance of some legal duty, discharge any firearms upon or across any public park, play ground, street or way, within the limits of the town, except by permission of the Board of Selectmen.

SEC. 5. The Selectmen may license suitable persons to be collectors of, dealers in, or keepers of shops for the purchase, sale or barter of junk, metals or second hand articles. No person shall be a collector of, dealer in, or keep a shop for the purchase, sale or barter of junk, old metals, or second-hand articles, unless licensed by the Selectmen.

SEC. 6. The Selectmen may license suitable persons to use wagons for the collection of junk, metals, rags or second-hand articles. No person shall use a wagon for the collection of junk, metals, rags or second-hand articles, unless licensed by the Selectmen, and unless such wagon shall bear conspicuously the owner's name and the number of the license on the outside and

on each side, and unless the wagon is driven by a person designated in the license; but such person designated may be changed with the permission of the Selectmen.

SEC. 7. It shall be the duty of the Town Clerk to keep a record of the name and residence of every peddler licensed by the Town.

SEC. 8. No person shall permit any team under his care or control to stand across any public highway or street in such a manner as to obstruct the travel over the same, and no person shall stop with any team in any public street at the side of or near to another team as to obstruct public travel, and no person shall stop with any team or carriage upon or across any cross-walk in any street or highway in the Town.

Any person who shall violate any provision of these by-laws, or who shall refuse or neglect to obey any order of the Board of Health, duly issued under these by-laws, and directed to him and properly served on him, shall, in cases not otherwise provided for, forfeit and pay for each offense a fine not exceeding twenty dollars.

[Sections 1, 4, 7, 8, adopted by the Town Nov. 14, 1895 and approved by the Superior Court April 2, 1896. Sections 5 and 6 adopted by the Town March 27, 1906 and approved by the Attorney General of the Commonwealth May 4, 1906.]

SEC. 9. Every hawker or pedler shall have his name and the number of his license printed on any vehicle or receptacle in which he shall carry or expose his wares for sale. Such name and number shall be printed in letters and figures at least two inches in size.

The Selectmen may license suitable persons to ring bells, cry their wares or call in any street for the purpose of giving notice of the exercise of a business or calling or for the sale of any article.

No person unless duly licensed by the Board of Selectmen so to do shall ring a bell, or cry his wares, or call in any street for the purpose of giving notice of the exercise of a business or calling, or for the sale of any article, and no person shall use in a public street for such purpose a horn or other noise-making instrument, except a bell as aforesaid.

[Adopted by the Town March 27, 1906, approved by the Attorney General of the Commonwealth May 4, 1906.]

ARTICLE XIV.

Prosecutions for offences under these by-laws may be made by any Constable or Police Officer of the Town, and all fines shall be paid into the Town Treasury.

[Adopted by the Town Nov. 9, 1882. Approved by the Superior Court Nov. 11, 1882.]

ARTICLE XV.

Upon the Approval of the foregoing by-laws by the Superior Court, all by-laws heretofore existing, except the by-laws relating to the Public Library, the Cemeteries and the Fire Department, shall be annulled and repealed.

[Adopted by the Town Nov. 9, 1882. Approved by the Superior Court Nov. 11, 1882.]

ARTICLE XVI.

SECTION 1. Beginning with the year 1903, only one Auditor shall be elected. It shall be the duty of the Auditor, in addition to the duties imposed on him by law, to make statements to the Selectmen, at regular intervals during a financial year, of the conditions of the several departments of the Town; to inspect all bills presented against the Town, see that they have the approval of the board or committee contracting the same, and are in proper form, indicate the account to which they are chargeable, and if there are available funds, shall transmit the same with his certificate to the Treasurer, and draw a warrant authorizing payment thereof; to examine the books of the Treasurer, Collector, Water Board, Sewer Department, and all departments holding funds or trust funds for the benefit of the Town and report at the next Annual Town Meeting in detail, under their respective heads, all the receipts and expenditures by the Town for the previous year. Said report shall be printed by the Selectmen with the annual reports of the Town Officers before the annual meeting. Said Auditor shall receive for his services such compensation as the Town shall determine. The term of the present Auditors shall terminate with the annual Town Meeting of 1903.

No money except State and County taxes and principal and interest of Town notes, shall be paid from the Town treasury without a warrant therefor, signed by the Auditor.

All promissory notes of the Town shall be signed by the Treasurer and countersigned by the Selectmen.

On the first secular day of each month, and as often as the amount in his hands reaches five hundred dollars ($500) or upwards the Collector shall pay over to the Treasurer of the Town all taxes by him collected, and shall on or before the first secular day of January in each year, make up his annual account, and render the same to the Selectmen.

The Treasurer shall, on the first secular day of January, annually render to the Selectmen, in writing, a full account of all his receipts and disbursements for the financial year last past.

At the conclusion of any Town Meeting the Town Clerk shall send to the Auditor a certificate stating the amounts of the several appropriations made by the Town.

[Adopted by the Town Nov. 24, 1902, approved by the Superior Court Dec. 8, 1902.]

ARTICLE XVII.

The Treasurer shall hold no other Town office.

[Adopted by the Town Nov. 24, 1902, approved by the Superior Court Dec. 8, 1902.]

Arlington, Mass, January 21, 1907.

I, Thomas J. Robinson, Town Clerk of the Town of Arlington, do hereby certify and take oath that the foregoing is a true copy of the by-laws which

were duly passed at a duly called meeting by virtue of proper and authorizing articles in the Warrant, and the approval of the Attorney-General of the Commonwealth.

IN WITNESS WHEREOF, I, the above named Thomas J. Robinson, do hereto affix my signature and the seal of the Town of Arlington.

THOMAS J. ROBINSON,
Town Clerk.

BY-LAWS RELATING TO THE CONSTRUCTION OF BUILDINGS IN THE TOWN OF ARLINGTON.

[Approved by the Superior Court, April 22, 1901.]

SECTION 1. An Inspector of Buildings shall be appointed annually by the Selectmen during the month of March, and he shall continue to hold his office until his successor has been appointed and qualified. He shall not be interested in any contract or engagement for furnishing labor or materials or plans for the construction or alteration of any building in the Town. Until such time as the Town makes an appropriation for the salary of such Inspector, the Board of Selectmen shall perform the duties of the office.

SEC. 2. The Inspector shall have free access to and examine all buildings in course of construction, alteration and repair and see that all by-laws of the Town in relation thereto are complied with, and when necessary, shall take proper measures to secure compliance. He shall make an annual report of his work to the Selectmen, with such recommendations as he may deem best. Upon hearing that any building is in a dangerous or unsafe condition, he shall examine it and if he deems it necessary, shall notify the owner, agent, or other party interested therein, to make it safe and secure, and if they do not comply with his notice, he shall notify the Selectmen of the facts. He shall from time to time examine all buildings used or proposed to be used for public assemblages or for school or manufacturing purposes, to see if the State requirements as to such buildings are complied with, and in case of any non-compliance he shall at once notify the State Inspector of Factories and Public Buildings. He shall perform such other duties as may be prescribed by these by-laws.

SEC. 3. No building except sheds, outhouses and farm buildings, other than dwellings, shall hereafter be erected in the Town of Arlington, and no addition to or alteration changing the character of any such building shall be made, unless the person intending to erect or make such alterations in such buildings shall, seven days at least before he proceeds to build or erect the same, or lay the foundation thereof, or to make the said alterations, or to do any act for carrying into execution his intention to do such things, file with the Inspector of Buildings notice in writing of his intention, with such plans and specifications or a full written description of the structure to be erected, in such form as may be approved by the Inspector.

SEC. 4. The Inspector shall give a permit for the erection of, addition to, or alteration above described, of any building after he has carefully inspected the plans, specifications, or descriptions thereof, and ascertained that it has sufficient strength, and that means of ingress and egress and of preventing spread of fire are sufficient, and that it otherwise conforms to the by-laws of the Town.

SEC. 5. The foundations of all buildings for dwelling, business or manufacturing purposes, shall be walls of masonry and piers of masonry or iron, and above a distance of twelve inches below the surface of the adjoining ground the walls shall be laid in mortar. All such wooden buildings not more than one story in height may, with the approval of the Inspector, be built wholly on piers or posts; and such wooden buildings not exceeding three stories in height may be so built, with the approval in writing of the Selectmen. The foundation of all such permanent buildings must rest on solid ground or levelled surfaces of solid rock, or on piles, concrete, or other solid substructure. Such foundation other than solid rock must be not less than four feet below the adjacent surface of the ground exposed to frost. All such wooden buildings shall be framed and constructed in a manner satisfactory to the Inspector, posts and girts in the exterior walls to be not less than 4 x 6 inches in size, and studding shall not be more than sixteen inches apart.

EXTERNAL WALLS

SEC. 6. External walls of brick dwelling-houses hereafter to be erected in this Town, if not more than twelve feet in height above the foundation walls, shall not be less than eight inches thick for their entire height; if two stories, and not more than twenty-five feet in height they shall be not less than twelve inches thick to the top of the second floor, and not less than eight inches thick for the remaining height; and if three stories, and more than twenty-five feet in height, they shall be not less than twelve inches thick to the top of the third floor, and not less than eight inches thick for the remaining height.

SEC. 7. The external walls of all brick buildings, other than dwelling houses, to be hereafter erected in this Town, if not more than forty feet in height above the foundation walls, shall be not less than sixteen inches thick to the top of the upper floor, and not less than twelve inches thick for the remaining height; and if more than forty feet in height and not exceeding sixty feet in height, they shall be not less than twenty inches thick to the top of the second floor, and not less than sixteen inches thick to the top of the third floor, and not less than twelve inches thick for the remaining height. PROVIDED, *However*, that the external walls of brick buildings, not exceeding twenty-five feet in height, and covering an area not exceeding two thousand square feet, to be used for stables or light mechanical purposes, may be twelve inches thick.

SEC. 8. No buildings, except a manufactory, railway station, stable, church, school-house, hotel, or hall for public assemblies, shall hereafter be erected, and no existing building shall hereafter be altered or added to, so that they have a frontage of more than fifty feet, without one or more partition walls of brick or some other fire resisting material, extending from the bottom of the cellar, or from a foundation wall to the under side of the roof boarding, which shall be laid and be imbedded in mortar upon said wall. Such walls shall be not more than thirty feet apart throughout the length of the building. If said wall is built of brick, it shall be not less than eight inches thick for its entire height. No existing building having a frontage of

more than fifty feet, shall be converted to a use not excepted by this section, without at least one partition wall, constructed as described in this section: PROVIDED, *However*, that any single dwelling house, intended for one family, may be extended more than fifty feet in one direction without such partition wall.

SEC. 9. All buildings hereafter erected which are to be used in whole or in part for business or manufacturing purposes, or as places for public meetings, shall be constructed of brick or stone, and have slate, metal or composition roof-covering and metal gutters, unless permission is otherwise given by the Board of Selectmen.

SEC. 10. All buildings hereafter erected to be used as tenement houses, in excess of thirty feet in width, shall have brick partition walls on which floor beams shall rest, not less than twelve inches thick for their entire height, and extending to the under side of the roof-boarding, which shall be laid and be imbedded in mortar upon said wall. Said walls shall be not more than twenty-five feet apart. All dwelling houses shall have a fire-proof partition wall between each set of up and down tenements.

SEC. 11. No wooden building to be used for a dwelling house shall exceed forty-five feet in height, and no portion of the external side-walls of any wooden building shall be placed at a less distance than five feet from the line of the lot upon which the building is to be located, or within ten feet of another wooden building, except where a brick external wall is substituted for a wooden wall, and of a thickness prescribed for external walls of brick buildings. The brick walls above required shall be built twelve inches above roof-boarding and covered with stone or iron.

SEC. 12. Party walls and all partition walls of brick, in all buildings other than dwelling houses hereafter to be erected in this Town with external walls not exceeding forty feet in height, shall be not less than sixteen inches thick to the top of the second floor, and not less than twelve inches thick for the remaining height, and, in buildings having external walls exceeding forty feet in height, said walls shall be not less than twenty inches thick to the top of the second floor, not less than sixteen inches thick to the top of the third floor, and not less than twelve inches thick for the remaining height.

SEC. 13. No opening or doorway shall be cut through or formed in a party or partition wall of any building, without a permit from the Inspector of Buildings, and every such doorway shall have its top, bottom and sides of stone, brick or iron, and shall be closed by two doors, or sets of doors of wood, covered with metal, with an air space between them of at least four inches, and said doors shall be hung in wooden frames entirely covered with metal, or to iron hinges in brick or stone rabbets.

PIERS AND COLUMNS.

SEC. 14. All piers shall be built of the best quality of good, well-burnt, hard brick, laid in cement and sand mortar and well wet when laid in warm weather. Brick piers under lintels, girders or columns of brick buildings shall have a cap iron at least two inches thick, the full size of the pier. Brick piers and buttresses shall be bonded with through courses, levelled and

bedded, each course, and where their foundations rest upon piles, a sufficient number shall be driven to insure a proper support.

Sec. 15. Every pier, column, pillar or post resting on the earth shall have a base course of stone or concrete and if supporting walls of masonary, shall have for a footing course a broad leveller of granite or ledge stone, not less than twelve inches wider on all sides than the bottom area of said piers, columns, pillars or posts, and not less than twelve inches thick.

Sec. 16. Every metal column in a brick building shall rest on an iron plate of not less thickness than two inches. Wooden columns supporting girders and floors in such buildings shall rest on inch and a half iron plates with sockets to receive the foot of the columns. Metal columns placed one on the top of another shall have a plate at the top of each column, with projections on both sides to fit into cap and base of columns, to prevent slipping; and all columns shall have holes bored when and where directed by the Inspector, into and through the shell at right angles to the shaft, so as to show the thickness of shell. All bearing parts of columns and plates shall be turned or planed to true surfaces.

Sec. 17. No roof water from any building shall be allowed to flow over the sidewalk fronting it.

Sec. 18. All brick walls shall be built with proper bond, satisfactory to the Inspector, and all intersections of walls shall be tied together with wrought iron straps every ten feet in height. Floor beams shall be anchored to brick walls on which they rest, and to each other, so as to form continuous ties across the building at least every ten feet.

Sec. 19. All floors shall be constructed to carry safely the following weights per square foot:

Dwellings	40 lbs.
Mercantile and Public Buildings	100 "
Storehouses—Machine Shops	200 "
Drill Sheds, etc	200 "

CHIMNEYS AND HEATING APPARATUS.

Sec. 20. All chimneys hereafter erected shall be built from the ground, of brick, stone, or other fire-proof non-heat-conducting materials, and shall be built plumb, or nearly so, so as to be self-sustaining; Provided, *However*, that brick flues may be securely built into the brick work of the walls of the building to which they are hung, when the walls are not less than twelve inches thick; and Provided, also, that, upon special permission first obtained from the Inspector, other forms of support may be used with such special safeguards as he may require, and provided, also, that the matter of construction of chimneys in small wooden buildings other than dwelling houses, not more than one story and a half in height, shall be left to the decision of the Inspector of Buildings, but must be constructed in accordance with his instructions and to his satisfaction.

Sec. 21. All brick chimney-flues shall be built of hard burned brick and be smoothly plastered inside with mortar from top to bottom, during the

course of construction, and also outside below the roofing after having been examined and approved by the Inspector of Buildings; except that exposed portions of said chimneys may be left unplastered upon the outside. Said chimneys shall be topped out with brick or stone, laid in cement, and the topping out shall not have more than two inches projection, unless the bricks are covered by a cap of stone or other non-combustible material in one piece, properly secured and approved by the Inspector; and in no case shall a nail be driven into the masonry of any flue.

SEC. 22. No smoke-pipe in any building with wooden or combustible floors or ceilings shall hereafter enter any flue except at a distance not less than twelve inches from said floor or ceiling; and in all cases where smoke-pipes pass through stud or wooden partitions of any kind, whether the same be plastered or not they shall be guarded by a soapstone ring having a thickness radial to said pipe of not less than two inches, and extending through said partition, and in cases where smoke-pipes pass through wood work of any kind in such near proximity to the brick work of the flue that the space between said wood work and flue is in accessible, said pipe shall be guarded by a soapstone ring or thimble, or its equivalent, having a thickness of at least two inches, and extending from the outer face of said wood work to a point at least two inches within the brick work of the flue, in which it shall be firmly set.

SEC. 23. All hearths shall be supported upon trimmer arches of brick or stone, or upon bars of iron supporting a bed of brick work and shall be at least twelve inches longer than the width of the fireplace openings and at least eighteen inches wide in front of the chimney breast. Wooden centering supporting a trimmer arch shall be removed before plastering.

SEC. 24. Brick work back of all grates, fireplaces and ranges shall be not less than eight inches thick, and when it adjoins a wooden or stud partition shall have at least two four-inch walls, with at least a two-inch air space between. No wood work shall be secured to the brick work of any flue. Open fire-places shall have fire-proof foundations.

SEC. 25. (*a*). No furnace or range set in masonry shall hereafter be placed, or its location changed in any building, without a permit from the Inspector of Buildings, who shall prescribe such regulation for the setting or placing thereof as in his judgment the public safety may require.

(*b*). The top of every heating furnace or steam boiler shall be kept at least one foot below the lowest part of the ceiling or floor next above it and such protective covering shall be placed on such ceiling as the Inspector may require.

(*c*). All register boxes shall be set in soapstone or similar borders, not less than two inches in width; said boxes back of such border shall be surrounded by an open space of not less than one inch in all directions, and a when required by the Inspector the timbers and flooring surrounding the boxes shall be protected by sheet metal as he may direct.

(*d*). All elevator wells and light shafts, unless built of brick, must be filled in flush between the wooden studs with fire-proof materials, or lined with metal or plastered on metallic lathing, as may be directed by the Inspector, and all wood work inside of such wells or shaft be lined with tin plate lock-jointed.

(*e*). Where floor beams rest on partition caps or on girders, wall girts or wooden sills, fill in between such beams, from the caps, girders, girts or sills to the lining floor above, solid with brick and mortar or other fire-proof material.

(*f*). When floor beams in frame buildings rest on ledger boards, fire-stop thoroughly at each floor, with brick and mortar resting on bridging pieces cut in between the studs, or, where practicable, on the ends of lining floor.

(*g*). In brick buildings the space between the furrings on the outside walls or brick partitions should be filled flush with mortar for a space of five inches in width above and below the floor beams of each story.

(*h*). Where basement or other flights of stairs are enclosed by partitions of brick or wood, the spaces between the studs or wall furrings must be so fire-stopped with brick or mortar as to effectually prevent any fire from passing up between such studs or furring back of the stair stringers.

(*i*). All flights of stairs between two floors must have two smoke stops built between the stringers and properly constructed.

(*j*). No pipes for conveying hot air or steam must be placed nearer than one inch to any wood work unless protected to the satisfaction of the Inspector by suitable guards or casings of incombustible material.

(*k*). No wooden flue or air duct of any description can be used for heating or ventilating purposes, except cold air inlets to heating apparatus.

(*l*). A space of at least one inch to be left between all wood work and the chimneys, also around all hot-air, steam and hot-water pipes; these spaces around chimneys and pipes, where they pass through floors, to be stopped with metal or other fireproof material, smoke-tight. Steam and hot-water pipes to have metal sleeves and collars.

(*m*). All channels and pockets for gas, water and soil-pipes to be made smoke-tight at each floor.

(*n*). The space around all metal or brick ventilating ducts must be fire-stopped at each floor, with metal or other fire-proof material, as approved by the Inspector.

(*o*). Where a building is occupied above the first floor for tenements or a lodging-house, and the lower story is occupied for stores, or other purposes not connected with the upper floors, the stairways leading to such upper floors must be enclosed with brick walls or with wooden partitions filled solid with brick laid in mortar, or other fire-proof material, and plastered on both sides on metallic lathing, and all doors in such partition covered with tin plate, lock-jointed.

The provisions of paragraphs d, e, f, h, i, k, m, n, shall not apply to any wooden dwelling house when occupied by only one family and which is situated more than twenty-five feet from any other building.

Sec. 26. No bay window, balcony or other projections, except cornices, shall be built upon the front wall of any building so as to project over the line of the street, except upon written permit of the Selectmen.

SAFEGUARDS DURING BUILDING OPERATIONS.

SEC. 27. Whenever any person is about to erect or alter the exterior walls of a building, within five feet of the line of a street, he shall cause the portion of the site of the building bordering upon the street to be enclosed by a proper fence not less than four feet high, and at least five feet from the line of such building; and the fence shall be made as much higher as the Inspector of Buildings shall direct, and the same shall be maintained until all liability to accident from falling material ceases; he shall also maintain a proper walk satisfactory to the Inspector, around said fence, as long as the sidewalk is obstructed, and he shall maintain proper lights, if so required by the Inspector at both ends of such enclosed space from sunset to sunrise. In erecting any building, no person shall place, deposit or suffer to remain in any street or highway any lumber or other building material, rubbish or remains of any old building, for a longer period than may be necessary for the work which may be going on; and in case such material, rubbish, or remains of an old building, shall necessarily remain after dark, a sufficient light shall be placed over or near the same, and kept from sunset to sunrise. All rubbish from the erecting or repairing of any building, or the removal of an old building shall be carried away by the person so erecting or repairing or removing such building, at such time as the Superintendent of Streets may direct; and in case of neglect or refusal so to do, it shall be removed by the Superintendent of Streets, at the expense of such person. Any person violating any provision of this section shall be liable to a penalty of five dollars.

SEC. 28. Proper plans shall be prepared under direction of the Selectmen showing a proper numbering of buildings on all streets of the Town and the Inspector shall send to the owner or person having control of every new building a written notice stating the number assigned by the Selectmen to such building, and directing that the said number be affixed or inscribed in a proper place on said building, and all other numbers, if any, removed within one week from the receipt of notice. Whenever a building fronting on a street is found not having a number, or having a wrong number affixed or inscribed on it, then Inspector shall send a similar notice to the owner or person having control of it. Any owner or person in control of such building refusing or neglecting to comply with the directions contained in any such notice shall be liable to a fine of not more than twenty dollars.

SEC. 29. All questions as to the intent and meaning of the by-laws relating to the construction of buildings shall be decided by the Inspector, provided that any person dissatisfied with or aggrieved by any requirement or decision of the Inspector may appeal to the Selectmen and their decision, after a hearing at which the Inspector shall be given an opportunity to be heard, shall be final.

SEC. 30. In these by-laws the following terms shall have the meanings respectively assigned to them:—

"Alteration" means any change or addition.

"Cellar" means a basement or lower story of which one-half or more of the height from the floor to the ceiling is below the level of the land adjoining.

"Foundation" means that portion of a wall below the level of the street curb, and where the wall is not on a street, that portion of the wall below the level of the highest ground next to the wall; but if under party or partition walls may be constructed by the Inspector to mean that portion below the cellar floor.

"Chimney" shall apply to any permanent or fixed flues or passages built into any building for conveying a way the products of combustion from furnaces, stoves, boilers, ranges or fire-places.

"Inspector" means the Inspector of Buildings of the Town of Arlington.

"Party wall" means every wall used, or built in order to be used, as a separation of two or more buildings.

"Partition wall" means any interior wall of masonry in a building.

"External wall" means every outer wall or vertical enclosure of a building other than a party wall.

"Repairs" means the reconstruction or renewal of any existing part of a building or of its fixtures or appurtenances, by which the strength or fire-risk is not affected or modified, and not made in the opinion of the Inspector for the purpose of converting the building in whole or in part to a new use.

"Tenement house" means a building which, or any portion of which, is occupied, or intended to be occupied, as a dwelling by more than three families living independently of one another and doing their cooking upon the premises; or by more than two families above the second floor, so living and cooking.

"Thickness" of a wall means the minimum of thickness of such wall.

SEC. 31. Whoever violates any of the provisions of these by-laws shall be liable to a penalty of not more than one hundred dollars unless another penalty is specifically provided herein.

SEC. 32. The provisions of these by-laws shall not apply to buildings and structures owned or occupied by the United States or by the State of Massachusetts, nor to bridges.

FIRE LIMITS.

All buildings hereinafter built or enlarged, fronting on the following street described lines, shall be built of brick, stone or other incombustible material: Beginning at the north-easterly corner of Swan and Pleasant streets, thence running north-easterly to the south-easterly corner of Pleasant street and Massachusetts Avenue; thence south-easterly on the southerly line of Massachusetts avenue, to a point opposite the Soldiers' Monument. Beginning again at a point in the northerly line of Broadway opposite the Soldiers' Monument and running north-westerly along the north-easterly lines of Broadway and Massachusetts avenue to Central street.

ARLINGTON TOWN RECORDS FOR THE MUNICIPAL YEAR 1906.

TOWN MEETING, MARCH 5, 1906.

TOWN WARRANT.

COMMONWEALTH OF MASSACHUSETTS. MIDDLESEX SS.

To Garritt Barry, A Constable of the Town of Arlington, in said County. GREETING:

In the name of the Commonwealth of Massachusetts, you are hereby required to notifiy and warn the inhabitants of the Town of Arlington, who are qualified to vote in elections and Town affairs, to assemble in the Town Hall on Monday, the fifth day of March, next, at 6.00 A. M., then and there to act on the following articles, viz:

ARTICLE 1. To choose a Moderator to preside at said meeting.

ART. 2. To elect by ballot the following town officers,—a Town clerk, for one year; a Town Treasurer for one year; a Town Collector for one year; an Auditor for one year; two Selectmen for one year; one Assessor for three years; three members of the School Committee for three years; one member of the Board of Trustees of the Pratt Fund for five years; one member of the Board of Commissioners of the Sinking Fund for three years; two Trustees of the Robbins Library for three years; one member of the Consolidated Board of Trustees of the Robbins Fund, Soldiers Monument Fund and Trustees of Cemeteries, for three years; five Constables for one year; one Park Commissioner for three years; one member of the Board of Health for three years; one Tree Warden for one year; three members of the Board of Public Works for one year. Also to choose or appoint all the other usual Town Officers in such manner as the Town may determine. Also, upon the same ballot to vote "Yes" or "No" upon the question, "Shall licenses be granted for the sale of intoxicating liquors in this town?" For these purposes the polls will be opened as soon as possible after the organization of the meeting and kept open until five o'clock, P. M.

ART. 3. To hear and act on the reports of the Selectmen and other Town Officers and Committees heretofore appointed.

ART. 4. To act on the list of Jurors as revised by the Selectmen.

ART. 5. To make an appropriation for the Robbins Library for the ensuing year.

ART. 6. To make an appropriation for the Public Schools for the ensuing year, and determine in what manner the same shall be expended.

ART. 7. To determine in what manner the town ways, highways and bridges shall be repaired the ensuing year.

ART. 8. To determine what sum of money the Town will raise by general tax, to defray Town expenses, interest, debt, and State Aid, and make an appropriation for the same.

ART. 9. To see if the town will appoint the Selectmen Agents of the Town, to institute and prosecute actions in favor of the Town, and appear and defend suits and legal proceedings against or involving the interests of the Town, with power to employ counsel therein and, when necessary, in all other legal matters and business appertaining to Town affairs during the year commencing March 5, 1906.

ART. 10. To see what action the Town will take in relation to the appointment of a Committee of Twenty-One for the ensuing year.

ART. 11. To see if the town will appropriate the sum of $275.00 for the proper observance of Memorial Day, the same to be expended under the direction of Francis Gould Post 36, G. A. R.

(Inserted at request of Henry Bradley and others.)

ART. 12. To see if the Town will appropriate for the work of attempting to suppress the gypsy and brown-tail moths, their eggs, pupae and nests, whatever sums of money are received by the Town from the owners of lands infested with said moths for such work done on said lands.

ART. 13. To see if the Town will appoint a committee to revise the Town by-laws and make additions to or changes in said by-laws and report to the Town its recommendations.

ART. 14. To see if the Town will accept the provisions of Chapter 191 of the Acts of the year 1905, being an act to authorize cities and towns to establish municipal building insurance funds and make an appropriation, to establish a municipal building insurance fund.

ART. 15. To see if the Town will vote to discontinue or authorize the Selectmen to discontinue all town fire insurance, or take any action in relation thereto.

ART. 16. To see if the Town will designate some board or public officer, other than the Board of Selectmen, to destroy the eggs, pupae and nests of the gypsy and brown-tail moths, under the general direction of the State Superintendent.

ART. 17. To see if the Town will appropriate $7,000, in accordance with the vote passed December 6, 1904, for water used for fire hydrants, street watering and public buildings for the ensuing year.

(Inserted at request of Board of Public Works.)

ART. 18. To see what action the Town will take in regard to the extension of water mains and make an appropriation for the same.

(Inserted at request of Board of Public Works.)

ART. 19. To see if the Town will make an appropriation for street watering.

(Inserted by request of Joint Board.)

ART. 20. To see if the Town will make an appropriation for the Town's share for the constructon and repair of permanent sidewalks.

(Inserted at request of Board of Public Works.)

ART. 21. To see if the Town will make an appropriation for the maintenance and extension of the Sewerage System for the ensuing year.

(Inserted at the request of the Board of Public Works.)

ART. 22. To see if the Town will make an appropriation for the use of the Highway Division.

ART. 23. To see if the Town will authorize its Board of Public Works, in the name and behalf of the Town, to enter into a contract for the sale of peat from that portion of its water supply known as "Great Meadows," with the National Peat and Fuel Company, for a term of five years, with an option for a five years' renewal thereof, on such terms and under such restrictions as the said Board of Public Works may in its discretion impose.

(Inserted at request of Board of Public Works.)

ART. 24. To see if the Town will authorize its Board of Public Works, in the name and behalf of the Town, to execute a proper lease of the "Pumping Station" land, so-called, situated in East Lexington, to the National Peat and Fuel Company, for a term of five years, at a rental of $250 per year, with an option for a five years' renewal thereof on the same terms.

(Inserted at request of Board of Public Works.

ART. 25. To see if the Town will vote to authorize its Collector of Taxes to use all means of collecting taxes for the year 1906 which a Town Treasurer may use when appointed a Collector of Taxes.

(Inserted at request of the Town Collector.

ART. 26. To see if the Town will appropriate a sum of money not exceeding four hundred ($400) dollars to be expended by the Collector of Taxes with the approval of the Town Counsel, for the purpose of obtaining the surrender and discharge of various tax deeds given by the Collector, where, by reason of error, omission or informality in the assessment or sale, the purchaser has no claim upon the property sold.

ART. 27. To see what action the Town will take in relation to reimbursing Maria W. Hodgdon for expenses incurred in repairing the sidewalk in front of her premises, 454 to 458 Massachusetts Avenue, and make an appropriation therefor.

ART. 28. To hear and act on the report of the Committee appointed Nov. 22, 1905, to consider and report on Articles 25, 26, 27, 28, 29, 30, 31, 32 and 33 of the Warrant calling the November meeting, said Articles relating to the By-Laws of the Town.

Art. 29. To see if the Town will vote to accept Windemere Avenue, so-called, as laid out by the Joint Board and described as follows: —

> "Beginning at a point on the westerly side line of Bartlett Avenue, 382.26 feet from the northerly line of Irving Street, thence turning at an angle of 90 degrees, 351.55 feet to the land of Henry J. Locke. The above described line is the northerly side line of the said Windemere Avenue, and the southerly line is parallel and distant 40 feet therefrom."

Art. 30. To hear and act upon any report the School Committee may make and to discuss and act upon any measures (in so far as they do not require appropriations) pertaining to the educational interests of the town.

(Inserted by vote of the Town, Nov. 22, 1905.)

Art. 31. To see if the Town will vote to insert the following Article in the Warrant for the first Fall Town Meeting of each ensuing year, during the life of this vote if passed:

> To hear and act upon any report the School Committee may make, and to discuss and act upon any measure (in so far as they do not require appropriations) pertaining to the educational interests of the Town.

(Inserted by vote of the Town, Nov. 22, 1905.)

Art. 32. To see if the Town will vote to request the School Committee to abolish entirely, or materially to shorten, the hours of home study in all grades beyond the eighth, and to make such changes in the curriculum as may result in educating children for life rather than for college.

(Inserted by vote of the Town, Nov. 22, 1905.)

Art. 33. To see if the Town will vote to direct the Selectmen to prepare a division of the Town into convenient voting precincts.

(Inserted at request of Edward I. Downing and others.)

Art. 34. To appropriate and raise, by borrowing or otherwise, such sums of money as may be necessary for all or any of the purposes mentioned in the foregoing Articles.

Art. 35. To see if the Town will vote to approve the act of the Auditor in transferring from the Wm. E. Parmenter School Foundation Account to the Wm. E. Parmenter School Account an unexpended balance of two hundred thirty-five dollars and eighty-six cents.

(Inserted at request of the Auditor.

Art. 36. To see if the Town will appoint a committee to arrange for a proper observance of the one hundredth anniversary of the incorporation of the Town, and make an appropriation for such observance.

Hereof, fail not, and make due return of this Warrant, with your doings thereon, to the Selectmen, on or before said day and hour of meeting.

Given under our hands at said Arlington, this twenty-first day of February in the year of our Lord one thousand nine hundred and six.

JAMES A. BAILEY, Jr.,
WARREN W. RAWSON,
S. FREDERICK HICKS,
Selectmen of the Town of Arlington.

A true copy. Attest:

GARRITT BARRY,
Constable of Arlington.

Middlesex County.

Arlington, March 3, 1906.

By virtue of this warrant I have notified and warned the inhabitants of the Town of Arlington, qualified to vote in elections and town affairs to meet at the time and place and for the purposes herein named, by causing a printed attested copy to be left at every dwelling house in the Town and also by posting an attested copy on the doors of the Town Hall, seven days at least before said day of meeting.

GARRITT BARRY,
Constable.

In pursuance of the foregoing warrant the inhabitants of the Town of Arlington qualified to vote in elections and town affairs, met in the Town Hall, in said Town, on Monday the fifth day of March in the year of our Lord one thousand nine hundred and six and were called to order at six o'clock in the morning, by the Town Clerk, who read the first two articles of the warrant calling the meeting and the return thereon of the constable who served the same upon the inhabitants. By unanimous consent the reading of the remaining articles in the warrant was postponed until the adjourned meeting.

Article one taken up.

"To choose a Moderator to preside at said meeting."

Walter A. Robinson received the six votes cast and was declared elected Moderator and was sworn to the faithful discharge of his duties.

The following ballot clerks and tellers who had previously been appointed by the Selectmen were sworn to the faithful performance of their duties and assigned as follows:—

Ballot Clerks — Edgar Crosby and Frank N. Hurley.

Inspectors — Frank F. Russell and John Gray.

Checkers at Ballot-box — Edw. W. Schwamb and George C. Tewksbury.

Tellers — George M. Richardson, Frank Y. Wellington, Arthur L. Bridgham, George E. Hill, John J. Mahoney, William H. Bradley, James M. Mead, Lindsay K. Foster. George H. Peirce was assigned as assistant to the Town Clerk.

A sealed package of ballots was then delivered to the Moderator who publicly broke the seal and delivered the ballots to the ballot clerks.

Cards of instructions and penalties on voters were posted in prominent places as were also specimen ballots in conformity to law.

The ballot box was publicly examined, found to be empty and the register set at zero.

The box was then locked and the keys delivered into the custody of Constable John Duffy, in whose possession they remained until the close of the polls.

A list of registered voters was supplied by the Registrars of Voters to the ballot clerks and the checkers at the ballot box, as was also a list of women voters.

The polls were then declared open for the reception of votes for Town Officers under article two of the warrant and remained open until five o'clock in the afternoon, at which time they were, after due notice, declared closed.

By unanimous consent the ballot box was opened at various times during the day for the purpose of removing the ballots to be counted.

At the close of the polls the ballot box registered nine hundred and forty-five (945) votes.

The names checked by the ballot clerks and the names checked by the checkers at the ballot box were counted and found to agree with the number registered by the ballot box, nine hundred and forty-five (945).

The ballots not used were enclosed in a package, sealed and delivered to the Town Clerk.

The ballots cast were then canvassed by the Moderator, Town Clerk and Tellers and declaration made thereof at twenty-five minutes after five o'clock in the afternoon as follows:—

Whole number of men's ballots cast nine hundred and thirty-one. Whole number of women's ballots cast fourteen. Total number of ballots cast nine hundred and forty.

Town Clerk for one year — Thomas J. Robinson had seven hundred fifty-nine (759) and was declared elected. (Sworn by the Moderator in open meeting). Blanks one hundred seventy-two (172).

Selectmen for one year — S. Frederick Hicks had five hundred forty-one (541) and was declared elected. (Sworn March 5, 1906). Frederick S. Mead had six hundred sixty-six (666) and was declared elected. (Sworn March 5, 1906). Elliott A. Gove had three hundred fifty-four (354). Blanks three hundred one (301).

Assessor for three years — Leander D. Bradley had seven hundred seven (707)and was declared elected. (Sworn March 8, 1906). Blanks two hundred twenty-four (224).

Treasurer for one year — William A. Muller had six hundred seventy-four (674) and was declared elected. (Sworn March 6, 1906). Blanks two hundred fifty-seven (257).

Collector of Taxes for one year — Harvey S. Sears had seven hundred twenty-four (724) and was declared elected. (Sworn March 6, 1906). Blanks two hundred seven (207).

Auditor for one year — Elbert L. Churchill had six hundred sixty-five (665) and was declared elected. (Sworn March 6, 1906). Blanks two hundred sixty-six (266).

Board of Public Works for one year — Samuel E Kimball had six hundred ninety-one (691) and was declared elected. (Sworn March 12, 1906). Peter Schwamb had six hundred sixty-eight (668) and was declared elected. (Sworn March 5, 1906). William N. Winn had seven hundred (700) and was declared elected. (Sworn March 5, 1906). Blanks seven hundred thirty-four (734).

School Committee for three years—Edward W. Goodwin had five hundred sixty-three (563) and was declared elected. (Sworn March 12, 1906). Walter Mooers had five hundred fifty-three (553) and was declared elected. (Sworn March 12, 1906). Daniel Wyman had five hundred ninety-nine (599) and was declared elected. (Sworn March 12, 1906). Timothy F. Collins had three hundred eighty-eight (388). Blanks seven hundred thirty-two (732).

Park Commissioner for three years—Bert Houghton had six hundred forty-seven (647) and was declared elected. (Sworn March 12, 1906). Blanks two hundred eighty-four (284).

Board of Health for three years—Charles F. Atwood, M. D., had six hundred seventy-eight (678) and was declared elected. (Sworn March 8, 1906). Blanks two hundred fifty-three (253).

Commissioner of Sinking Fund for three years—Theodore Schwamb had six hundred seventy-one (671) and was declared elected. (Sworn March 10, 1906). Blanks two hundred sixty (260).

Trustee of Pratt Fund for five years—Henry Hornblower had six hundred ninety-three (693) and was declared elected. (Sworn March 10, 1906). Blanks two hundred thirty-eight (238).

Trustees of Robbins Library for three years—E. Nelson Blake had six hundred sixty-five (665) and was declared elected. (Sworn March 12, 1906). Cyrus E. Dallin had six hundred twenty-nine (629) and was declared elected. (Sworn March 17, 1906). Blanks five hundred sixty-eight (568).

Consolidated Boards for three years—J Edwin Kimball had six hundred forty-two (642) and was declared elected. (Sworn March 12, 1906). Blanks two hundred eighty-nine (289).

Tree Warden for one year — A. Foster Brooks had six hundred seventy-two (672) and was declared elected. (Sworn March 10, 1906). Blanks two fifty-nine (259).

Constables for One Year— Garritt Barry had six hundred eighty-three (683) and was declared elected. (Sworn March 10, 1906). John Duffy has six hundred twenty-eight (628) and was declared elected. (Sworn March 10, 1906). Daniel M. Hooley had six hundred forty-two (642) and was declared elected. (Sworn March 10, 1906). Thomas O. D. Urquhart had five hundred ninety-seven (597) and was declared elected. (Sworn March 10, 1906.) James E. Whitten had six hundred forty-seven (647) and was declared elected. (Sworn March 10, 1906). Blanks one thousand four hundred fifty-six (1,456).

On the question "Shall licenses be granted for the sale of intoxicating liquors in this Town?" Two hundred sixty-seven (267) voted "yes," five

hundred forty-nine (549) voted "no" Blanks one hundred fifteen (115), and declaration was made that the Town had voted not to grant licenses for the sale of intoxicating liquors for the ensuing year.

The blank forms approved by the Secretary of the Commonwealth were used by the Tellers in counting and tabulating the votes cast.

The following town officers were then nominated and elected.

Fence Viewers— Philip A. Hendricks and William Gratto.

Measurers of Wood and Bark— George H. Peirce, Edward I. McKenzie and Patrick F. Brosnahan.

Field Drivers— Thomas O. D. Urquhart, Garritt Barry, Andrew Irwin, Daniel M. Hooley, John Duffy, James E. Whitten, Robert H. Fall, Thomas F. Priest and F. Joseph Cahalin.

All of the above officers elected in open meeting have duly qualified for the offices to which they were elected.

The check list used at the entrance to the polling place and also the list used at the ballot box, together with the ballots cast were then sealed up in open meeting, indorsed by the election officers and delivered to the Town Clerk.

Voted: That when this meeting adjourns it adjourn to meet in the Town Hall on Tuesday evening, March 13th, at seven-thirty o'clock.

Voted: To adjourn. Meeting adjourned at 5.45 P. M.

A true record. Attest:

THOMAS J. ROBINSON,
Town Clerk.

ARLINGTON, March 8, 1906.

In accordance with a vote of the Town passed December 1, 1902, a printed notice of the adjournment of this meeting was distributed to all the citizens of the Town.

THOMAS J. ROBINSON,
Town Clerk.

ADJOURNED ANNUAL MEETING MARCH 13, 1906.

Pursuant to adjournment the citizens of the Town qualified to vote in elections and Town affairs met in the town Hall, in said Town, on Tuesday, the thirteenth day of March, in the year of our Lord nineteen hundred and six, and were called to order by the Moderator, Walter A. Robinson, at thirty minutes after seven o'clock in the evening.

Voted: That the reading of the remaining articles in the warrant be dispensed with, as all the voters were supplied with printed copies.

Article 3 taken up.

Under this article John A. Bishop, Secretary of the Committee of Twenty-one, presented the report of said Committee in printed form which was distributed to the voters present.

Voted: That the report of the Committee of Twenty-one, as presented, be accepted.

Article 3 was then, by vote, laid on the table.

Voted: That the various articles in the warrant calling for an appropriation and which had been referred to the Committee of Twenty-one, be now taken up, and that they be taken up in the order in which they appear in the report of said committee.

Article 5 taken up. (Robbins Library).

Voted: That there be appropriated the sum of three thousand dollars ($3000) in addition to the dog tax and the receipts for fines and the sale of catalogues for the maintenance of the Robbins Library for the year 1906, the same to be expended under the direction of its Trustees.

Article 6 taken up. (Appropriation for schools).

Voted: That the sum of fifty-eight thousand eight hundred fifty dollars ($58,850) be appropriated for the maintenance of the schools for the year 1906, and in addition that the sum of one thousand dollars ($1,000) be appropriated for general repairs on school buildings and five hundred sixty-two and fifty one-hundredths dollars ($562.50) for the payment of bills incurred during the year 1905, the same to be expended under the direction of the School Committee.

Article 11 taken up. (Appropriation for Memorial Day).

Voted: That the sum of two hundred seventy-five dollars ($275) be appropriated for the proper observance of Memorial Day and that the same be paid to the quarter-master of Francis Gould Post 36, G. A. R., to be expended under the direction of the officers of said post.

Article 17 taken up. (Appropriation for water for public purposes).

Voted: That the sum of seven thousand dollars ($7,000) be appropriated and paid to the Water Works for water used for fire hydrants, street watering, and public buildings during the year 1905.

Article 18 taken up. (Extension of water mains.)

Voted: By a two thirds vote, that the sum of two thousand dollars ($2,000) be appropriated for the extension of water mains and that nine hundred dollars and eighteen cents of that amount be used to reimburse the Water Department for money expended in extending water mains in 1905 over and above amount appropriated therefore, and, for the purpose of raising the same, two notes or bonds of the Town be issued each for one thousand dollars ($1,000), the first payable in the year 1910 and the second in the year 1911, said notes or bonds to be signed, countersigned and issued in accordance with the provisions of law and of the By-Laws of the Town and to bear interest payable semi-annually at a rate not exceeding four per centum per annum.

Article 19 taken up. (Street watering).

Voted: By two-thirds vote, that in addition to such subscriptions as may be obtained for the purpose, an appropriation of twenty-eight hundred dollars ($2,800) be made for street watering, seven hundred dollars ($700) of said sum to be raised by general tax, and such balance as may be necessary, not exceeding twenty-one hundred dollars ($2,100) to be raised by note of the Town for a term not exceeding one year, signed by the Treasurer and approved by the Selectmen, and the receipts from the street-watering assessments for 1906 are hereby appropriated for the payment of said note.

Article 20 taken up. (Permanent sidewalks).

Voted: That the sum of twenty-five hundred dollars ($2,500) be appropriated for renewal and extensions of permanent sidewalks, not less than twelve hundred dollars ($1,200) of that amount to be used for extensions carried out under the sidewalk act, Section 43 of Chapter 49 of the Revised Laws.

Article 21 taken up. (Extension of Sewerage System).

Voted: That the sum of one thousand dollars ($1,000) be appropriated for the maintenance and short incidental extensions to the Sewerage system for the ensuing year.

Article 22 taken up. (Appropriation for Highway Division).

Voted: That the sum of twenty-two thousand dollars ($22,000) be appropriated for the maintenance and construction of highways during the ensuing year, and that the street railway tax now in the treasury, amounting to nineteen thousand seven hundred seventy-three dollars fifty cents is hereby appropriated towards the payment thereof.

Article 26 taken up (Redeeming Collector's Deeds).

Voted: That a sum not exceeding four hundred dollars ($400) be appropriated to be expended by the Collector of Taxes with the approval of the Town Counsel, for the purpose of obtaining the surrender and discharge from Harlow H. Rogers, James J. Naughton, and the Massachusetts Tax Title

Company of various tax deeds given by the Collector, where, by reason of error, omission, or informality in the assessment or sale, the purchaser has no claim upon the property sold.

Article 27 taken up. (Maria W. Hodgdon reimbursement).

Voted: That the sum of twenty-nine dollars ($29) be appropriated to be expended by the Selectmen in reimbursing Maria W. Hodgdon for one-half the expense incurred by her in repairing the sidewalk in front of her premises, 454 to 458 Massachusetts Avenue.

Article 8 taken up. (Town expenses, interest, debt and State Aid).

Voted: That the sum of fifteen thousand dollars ($15,000) be appropriated for the Sinking Fund, thirteen thousand dollars ($13,000) to be taken from the income of the water works and two thousand dollars ($2,000) from the unexpended balances in the treasury, said amount to be paid to the Sinking Fund Commissioners December 1st.

That thirteen thousand six hundred sixty-four dollars and seventy-seven cents ($13,664.77) of the unexpended balances and amounts in the Treasury otherwise unappropriated, together with the sum of one thousand one hundred thirty dollars and seventeen cents ($1,130.17) be appropriated for the payment of interest during the year 1906.

That the sum of nine hundred eighty dollars and seventy-one cents ($980.71) be appropriated to pay the over-drafts paid during the year 1905 as follows: —

Non-resident Bank Tax	$22 52
Construction Parmenter School	2 01
Schools	956 18
	$980 71

That the sum of one thousand seven hundred and fifty dollars ($1,750) in addition to the income from boarders and sale of produce, be appropriated for the maintenance of the almshouse during the year 1906.

That the sum of nine thousand nine hundred dollars ($9,900) be appropriated for the maintenance of the Fire Department for the year 1906, and in addition the sum of three dollars and ninety-six cents ($3.96) to pay bills contracted during the year 1905, and three hundred five dollars ($305.00) for repairs to the wagon of Hose 2.

That the sum of five thousand dollars ($5,000) be appropriated for the care of outside poor, in addition to such sums as the Town may receive from individuals reimbursing it for such care.

That the sum of two hundred seventy-five dollars ($275) be appropriated for the work of the Tree Warden during the year 1906, and the payment of bills incurred in 1905, amounting to fourteen dollars and seventy-five cents ($14 75).

That a Police Signal System of the Gamewell pattern, consisting of fourteen to fifteen street stations or boxes and a central office station which shall reach all parts of the town, be installed by and under the direction of the Selectmen, provided the same can be done to their satisfaction for a sum not

exceeding three thousand five hundred dollars ($3,500) be appropriated therefor, five hundred dollars ($500) of the same to be raised by general tax the current year, and the balance three thousand dollars ($3,000) be borrowed, the manner of borrowing the same to be determined at a future meeting.

Voted: That the following appropriations be made for the purposes indicated:

Notes due in 1906, fourteen thousand four hundred and fifty dollars	$14,450 00
Compiling Town Records, twenty-five dollars	25 00
Cemeteries: receipts except sales and, eighteen hundred and fifty dollars	1,850 00
Board of Health, six hundred and fifty dollars	650 00
Board of Survey, one hundred and fifty dollars	150 00
Fire Alarm, four hundred and seventy-five dollars	475 00
Health Department, four thousand dollars	4,000 00
Incidentals: —	
Selectmen, two thousand two hundred dollars	2,200 00
Assessors, five hundred dollars	500 00
Town Clerk, two hundred fifty dollars	250 00

Police	28 37
Town House	101 94

Article 10 taken up.

Voted: That a Committee be appointed consisting of twenty-one citizens, other than Town officers elected by ballot, to serve throughout the ensuing year and until the end of the annual meeting of 1907.

The members to be selected as follows: nine from the residents of the Russell School District, four from the Locke School District, four from the Cutter School District, and four from the Crosby School District.

That the Moderator of this meeting with the chairman and secretary of the present committee of twenty-one are hereby appointed a Committee to nominate said new committee of twenty-one and to report same at the adjournment of this meeting.

To this Committee, when appointed, are hereby referred all articles calling for an appropriation of money in any town warrant issued during its term of office.

Said Committee shall, after due consideration of the subject matter of said articles, report thereon in print or otherwise such recommendations as it shall deem best Said Committee shall choose its own officers and have power to fill vacancies.

Article 36 taken up. (Observance of the 100th anniversary).

Voted: That the Moderator of this meeting appoint a Committee of three to nominate a Committee of fifteen, to be elected at the adjourned meeting, for the proper observance of the one hundredth anniversary of the incorporation of the Town. J. A. Bailey, Jr., W. A. Muller and H. W. Spurr were appointed on this committee.

Voted: That when this meeting adjourns it adjourn to meet in this hall Monday evening, March 19th, at 7.30 o'clock.

Voted: To adjourn. Meeting adjourned at ten o'clock P M.

A true record. Attest:

THOMAS J. ROBINSON,
Town Clerk.

ARLINGTON, March 15, 1906.

In accordance with a vote of the Town passed December 1st, 1902, a printed notice of the adjournment of this meeting was distributed to all the citizens of the Town.

THOMAS J. ROBINSON,
Town Clerk.

Pursuant to adjournment the inhabitants of the Town, qualified to vote in elections and Town affairs, met in the Town Hall in said town, on Monday the nineteenth day of March, in the year of our Lord nineteen hundred and six and were called to order at thirty minutes after seven o'clock in the evening by the Moderator, Walter A. Robinson.

The Committee appointed to nominate a committee of Twenty-one for the ensuing year under article 10 made the following nominations and they were elected.

Rev. Frederick A Bisbee	Editor	107	Appleton Street.
John A. Bishop	Clerk	80	Franklin Street.
Frank Bott	Wholesale Grocer	55	Academy Street
Henry K. Brown	Shoemaker	52	Westmoreland Avenue.
Walter B. Douglass	Manager	9	Brantwood Road.
Phillip Eberhardt	Manufacturer		Dennett Street
Theodore Everett	Printer	82	Wollaston Avenue
Frank C. Frost	Farmer	58	Old Mystic Street.
Geo. O. Goldsmith	Blacksmith	15	Whittemore Street

Thomas J. Green	Grocer	93	Warren Street.
Rodney T Hardy	Grain Dealer	38	Gray Street.
Henry Hornblower	Banker	100	Pleasant Street.
Rev. Wm. A Hill	Clergyman	13	Marathon Street.
Robert J. Kelly	Express Agent	15	Walnut Street.
Max H Meyer	Piano Maker	69	Henderson Street.
Wm. H Murray	Provision Dealer	47	Mt Vernon Street.
Ed. W. Nicoll	Clerk	10	Montague Street.
Charles A Parker	Foreman	128	Lake Street.
Rollin Puffer	Com Merchant	100	Broadway.
Ira L. Russell	Farmer	1108	Massachusetts Avenue.
James E. Tracy	Accountant	18	Wyman Street.

The attendance at the meeting being small, on account of the severe storm, it was voted that when this meeting adjourns it adjourn to meet in this hall Tuesday evening, March 27, at 7.30 o'clock.

Voted: To adjourn. Meeting adjourned at 7.40 P. M.

A true record. Attest:

THOMAS J. ROBINSON,
Town Clerk.

ARLINGTON, March 22, 1906.

In accordance with a vote of the Town passed December 1, 1902, a printed notice of this meeting's adjournment was distributed to all the citizens of the Town.

THOMAS J. ROBINSON,
Town Clerk.

Pursuant to adjournment the citizens of the Town of Arlington, qualified to vote in elections and Town affairs, met in the Town Hall, in said Town, on Tuesday the twenty-seventh day of March, in the year of our Lord nineteen hundred and six, at thirty minutes after seven o'clock in the evening, and were called to order by the Moderator, Walter A. Robinson.

Article 33 taken up. (Voting Precincts).

Voted: That the subject matter of Article 33 be referred (the division of the Town into voting precincts) to the Board of Selectmen, they to look into the matter thoroughly, give hearings, estimate the cost and report to the Town their findings not later than the annual meeting of 1907.

Articles 30, 31 and 32 taken up. (Articles on School matters).

Mr. Severy offered motions under each article and on each motion offered the vote, as announced by the Moderator, was in the negative.

Article 25 taken up. (Collector of Taxes powers).

Voted: That the Collector of Taxes be authorized to use all means of collecting the taxes for the year 1906 which a Town Treasurer may use when appointed a Collector of Taxes.

Article 9 taken up (Selectmen as agents of the Town)

Voted: That the Selectmen be appointed agents of the Town to institute and prosecute actions in favor of the Town, and appear and defend suits and legals proceeding against or involving the interests of the Town, with power

to employ counsel therein, and when necessary, in all other legal matters and business appertaining to Town affairs during the year commencing March 5, 1906.

Article 12 taken up. (Gypsy and Brown-Tail Moths).

Voted: That the Town appropriate for the work of attempting to suppress the gypsy and brown-tail moths, their eggs, pupae, nests and caterpillars, whatever sums of money are received by the Town from the owners of lands infested with said moths for such work done on said lands.

Article 16 taken up.

Voted: That action on this article be postponed.

Articles 23 and 24 were indefinitely postponed.

Article 28 taken up. (Report of Committee on By-laws).

Voted: That the report of the Committee on by-laws as presented in printed form be accepted and the recommendations adopted as amended as follows: — That sections 5 and 6 of article 13 of the by-laws of the Town be amended to read as follows: —

SECTION 5. The Selectmen may license suitable persons to be collectors of, dealers in or keepers of shops for the purchase, sale or barter of junk, old metal or second — hand articles No person shall be a collector of, dealer in, or keep a shop for the purchase, sale or barter of junk, old metals or second-hand articles unless licensed by the Selectmen.

SECTION 6. The Selectmen may license suitable persons to use wagons for the collection of junk, metals, rags or second-hand articles. No person shall use a wagon for the collection of junk, metals, rags or second-hand articles, unless licensed by the Selectmen and unless such wagon shall bear conspicuously the owner's name and the number of the license on the outside and on each side, and unless the wagon is driven by a person designated in the license; but such person designated may be changed with the permission of the Selectmen.

That Section 7 of Article 9 of the By-laws of the Town be amended to read as follows:—

SECTION 7. No person shall saunter or loiter in any street or other public place in the Town after being directed by a police officer to move on, obstruct the free passage of foot travellers, habitually congregate with others, loaf or make bon-fires therein. Whoever violates any provision of this Section shall be punished by a fine not exceeding ten dollars for each offense.

That a new by-law be adopted to be known as Section 13 of Article 9, to read as follows:—

SECTION 13. The Selectmen may license suitable persons to sing, play or perform on a musical instrument in any public way or place and to solicit or receive compensation therefor from by-standers or the public. No person shall sing, play or perform on a musical instrument in any public way or place, or solicit or receive compensation therefor from by-standers or the public without first having obtained a license therefor from the Board of Selectmen.

Whoever violates any provision of this Section shall be punished by a fine not exceeding five dollars for each offense.

That a new by-law be adopted to be known as Section 14 of Article 9, to read as follows:—

SECTION 14. No person shall own or keep in the Town any dog, which by barking, biting, howling or in any other manner disturbs the quiet of any person.

Whoever violates any provision of this Section shall be punished by a fine not exceeding five dollars for each offense.

That a new by-law be adopted to be known as Section 15 of Article 9, to read as follows:—

SECTION 15. No person shall in any street ride upon the steps or any portion of a street railway car, or other vehicle, without legal right or the permission of the person in charge thereof. Whoever violates any provision of this Section shall be punished by a fine not exceeding five dollars for each offense.

That a new by-law be adopted to be known as Section 6 of Article 10, to read as follows:—

SECTION 6. No person, except an officer or employee of the Town, and for some public purpose or use, shall disturb, overhaul or interfere with the contents of any barrel or other receptacle containing ashes or other refuse materials, which has been set out to be carried away by the agents of the Town. Whoever violates any provision of this Section shall be punished by a fine not exceeding five dollars for each offense.

That a new by-law be adopted to be known as Section 9 of Article 13 to read as follows:—

SECTION 9. No hawker or pedler shall expose for sale or sell any articles enumerated in Section 15 of the sixty-fifth chapter of the Revised Laws and amendments thereto, without a permit from the Chief of Police, which may be revoked at any time. Said hawker or pedler shall exhibit such license whenever requested by a police officer, the Sealer of Weights and Measures or any agent or member of the Board of Health.

Every such hawker or pedler shall have his name and the number of his license printed on any vehicle or receptacle in which he shall carry or expose his wares for sale. Such number and name shall be printed in letters and figures at least two inches in size.

The Selectmen may license suitable persons to ring bells, cry their wares or call in any street for the purpose of giving notice of the exercise of a business or calling, or for the sale of any article.

No person, unless duly licensed by the Board of Selectmen so to do, shall ring a bell, or cry his wares, or call in any street for the purpose of giving notice of the exercise of a business or calling, or for the sale of any article, and no person shall use in a public street for such purpose a horn or other noise making instrument, except a bell as aforesaid.

Article 7 taken up. (Repairs of highways, etc.).

Voted: That the town ways, highways and bridges be repaired during the ensuing year under the direction of the Board of Public Works

Article 35 taken up. (Auditor's action ratified).

Voted: That the Town ratify the act of the Auditor in transferring from the William E. Parmenter School Foundation Account to the William E. Parmenter School Account an unexpended balance of two hundred thirty-five dollars and eighty-six cents ($235.86).

Article 13 taken up. (Committee on By-laws).

Voted: That action on this article be indefinitely postponed.

Article 3 taken from table. (Reports of Town Officers).

Voted: That the reports of the various town officers as presented in their annual reports, with the addition of the table of statistics of the Assessors, be accepted.

Article 4 taken up. (List of Jurors).

Voted: That the following names be taken from the list of jurors as submitted by the Selectmen; James H. Shead, Calvin Cook, Alfred H. Bartlett, John H Ober, Francis A. Patterson and Alfred T. Marston.

Voted: That the name of Arthur L. Marston be added to the list of jurors.

Voted: That the list of jurors as amended be accepted.

Article 34 taken up. (Amount of Town Grant).

Voted: That the several amounts appropriated at this meeting for the purposes indicated by the various votes and not otherwise provided for amounting to $161,526.84, together with the sum of $7,794.94 appropriated in 1905, making a total of $169,321.78 be raised by general tax the present year.

Article 29 taken up. (Windemere Avenue).

Voted: That the Town accept Windemere Avenue, so-called, as laid out by the Joint Board and described as follows:—

Beginning at a point on the westerly side line of Bartlett Avenue 382.26

feet from the northerly line of Irving Street, thence turning at an angle of 90 degrees, 351.55 feet to the land of Henry J. Locke. The above described line is the northerly side line of the said Windemere Avenue, and the southerly line is parallel and distant 40 feet therefrom.

Voted: That this meeting do now adjourn. Meeting dissolved at thirty minutes after nine o'clock.

A true record. Attest:

THOMAS J. ROBINSON,
Town Clerk.

TOWN MEETING — TUESDAY, MAY 15, 1906, AT 7.30 O'CLOCK, P. M.

TOWN WARRANT.

COMMONWEALTH OF MASSACHUSETTS. MIDDLESEX, ss.

To Garritt Barry, a Constable of the Town of Arlington, in said County. GREETING:

In the name of the Commonwealth of Massachusetts, you are hereby required to notify and warn the inhabitants of the Town of Arlington who are qualified to vote in elections and Town affairs, to assemble in the Town Hall, on Tuesday, the fifteenth day of May, current, at 7.30 o'clock P. M., then and there to act on the following articles, viz:

ARTICLE 1. To choose a Moderator to preside over said meeting.

ART. 2. To see if the Town will authorize its Board of Public Works, in the name and behalf of the Town, to enter into a contract for a term of ten years with the National Peat and Fuel Company for the sale of peat at the rate of seventy-five dollars ($75) per acre, from that portion of its water supply area known as the Great Meadows, on such terms and under such restrictions as the said Board of Public Works may in its discretion impose.

(Inserted at request of Board of Public Works.)

ART. 3. To see if the Town will authorize its Board of Public Works, in the name and behalf of the Town, to execute a proper lease of the "Pumping Station" land, so-called, situated in East Lexington, to the National Peat and Fuel Company for a term of ten years, at a rental of four hundred dollars ($400) per year.

(Inserted at request of Board of Public Works.)

ART. 4. To see if the Town will authorize the Trustees of the Pratt Fund to take all legal proceedings necessary to secure a decree authorizing a distribution of the High School Fund, so-called, for further educational purposes required in the instruction of pupils in the High School.

(Inserted at request of School Committee.)

ART. 5. To see if the Town will vote to appoint a Committee of not less than three competent and unprejudiced men, to thoroughly investigate the question of municipal lighting and to make a written report thereupon, and will appropriate the sum of three hundred dollars, or such part thereof as may be required, to be expended by said Committee in the preparation of its report.

(Inserted at request of Melvin L. Severy and others.)

ART. 6. To determine in what manner the Town will borrow the sum of three thousand dollars for a police signal system, of the Gamewell pattern, to be installed in accordance with the terms of a contract dated April 28, 1906.

ART. 7. To see if the Town will vote to define the course of Sucker Brook, so-called, from Mystic Street to and through its course through Meadow Brook Park, and to clear the same of all obstructions and make an appropriation for the same.

(Inserted at request of N. J. Hardy and others.)

Hereof, fail not, and make due return of this Warrant, with your doings thereon, to the Selectmen, on or before said day and hour of meeting.

Given under our hands at said Arlington, this seventh day of May, 1906, in the year of our Lord one thousand nine hundred and six.

JAMES A. BAILEY, JR.,
S. FREDERICK HICKS,
FREDERICK S. MEAD,
Selectmen of the Town of Arlington.

A true copy. Attest:

GARRITT BARRY,
Constable of Arlington.

MIDDLESEX COUNTY.

ARLINGTON, May 14, 1906.

By virtue of this warrant, I have notified and warned the inhabitants of the Town of Arlington qualified to vote in elections to meet at the time and place, and for the purpose herein named by causing a printed attested copy of the same to be left at every dwelling house in town, and also by posting an attested copy of said warrant on the door of the Town Hall in said Arlington seven days at least before said day of meeting

GARRITT BARRY,
Constable.

In pursuance of the foregoing warrant the inhabitants of the Town of Arlington, qualified to vote in elections and Town affairs, met in the Town Hall in said Town on Tuesday, the fifteenth day of May, in the year of our Lord one thousand nine hundred and six and were called to order at thirty minutes after seven o'clock in the evening, by the Town Clerk, who read the warrant calling the meeting and the return thereon of the constable who served the same upon the inhabitants.

Article 1 taken up. (Election of Moderator).

William G. Peck was elected Moderator and was sworn to the faithful performance of his duties.

Article 4 taken up. (Larger distribution of Pratt Fund).

Voted: That the Trustees of the Pratt Fund be and hereby are duly authorized to take all legal proceedings, through town counsel, necessary to secure a decree, authorizing a larger distribution of the High School Income Fund, so-called, for High School educational purposes, to the end that said income may be used in accordance with the demands of the present time.

Articles 2 and 3 taken up.

Under article 2 the Town refused to authorize its Board of Public Works to enter into a contract for ten years with the National Peat and Fuel Company for the sale of Peat in the Great Meadows.

Action on article 3 was indefinitely postponed.

Article 5 taken up. (Municipal Lighting).

Voted: On motion of F. A. Bisbee for the Committee of 21, that the sum of $250 be appropriated for the purpose of thoroughly investigating the question of municipal lighting for the Town of Arlington, the said amount to be expended under the direction of a committee appointed by the Town for that purpose, said sum to be raised by general tax for the year 1906.

The Moderator appointed Messrs. Frederick A. Bisbee, Henry Hornblower, and Franklin Wyman to serve on this committee.

Article 7 taken up. (Course of Sucker Brook).

Voted: That the subject matter of this article be referred to the Joint Board of Selectmen and Board of Public Works with instructions to report on same at the November Town Meeting.

Article 6 taken up. (Borrow for Police Signal System).

Voted: By a two-thirds vote, that the sum of three thousand dollars ($3,000), appropriated for the installation of a police signal system, be borrowed, and in payment therefor there be issued three negotiable notes or bonds each for the sum of one thousand dollars ($1,000) payable one in the year 1910 and one in each of the two succeeding years. Said notes or bonds to be signed by the Treasurer and countersigned by the Selectmen, and to be designated on the face thereof "Police Signal Loan," and to bear interest at a rate not exceeding four (4) per centum per annum, payable semi-annually.

Voted: To adjourn. Meeting dissolved at nine o'clock.

A true record. Attest:

THOMAS J. ROBINSON,
Town Clerk.

ARLINGTON, March 15, 1906.

I hereby certify that I have this day appointed Edna C. Pierce Assistant Town Clerk, and that she has taken the oath required by Section 62 of Chapter 25 of the Revised Laws for the faithful performance of her duties.

THOMAS J. ROBINSON,
Town Clerk.

TOWN WARRANT.

COMMONWEALTH OF MASSACHUSETTS. MIDLLESEX ss.

To Garritt Barry, A Constable of the Town of Arlington, in said County. GREETING: —

In the name of the Commonwealth of Massachusetts, you are hereby required to notify and warn the inhabitants of the Town of Arlington, qualified as the constitution requires, to vote in elections and Town affairs, to assemble in the Town Hall, on Tuesday, the sixth day of November, next, at 6.00 o'clock, A. M., then and there to act on the following articles, viz.: —

ARTICLE 1. To bring in their votes to the Selectmen for a Governor; a Lieutenant-Governor; a Secretary; a Treasurer and Receiver-General; an Auditor of Accounts; an Attorney-General for the Commonwealth; a Representative of the Commonwealth in the Congress of the United States for District Number Eight; a Councillor for the Third Councillor District; a Senator for the Sixth Middlesex District; a Representative in the General Court for the Twenty-ninth Representative District in the County of Middlesex; a County Commissioner; a Clerk of Courts for the County of Middlesex; a Register of Deeds; a County Treasurer.

All the above to be voted for on one ballot. The polls will be opened immediately after the organization of the meeting, and will be kept open until four o'clock and thirty minutes in the afternoon, and as much longer as the meeting directs, provided that the time shall not be after the hour of sunset.

ART. 2. To bring in their votes to the Town Clerk for a Moderator to preside for the transaction of Town business.

ART. 3. To hear and act on the reports of Committees heretofore appointed.

ART. 4. To see if the Town will make an appropriation for the observance of the one-hundredth anniversary of the incorporation of the Town and determine in what manner the same shall be expended.

ART. 5. To see if the Town will make an appropriation for procuring and inserting a tablet of stone or other durable material in the monument to soldiers killed on April 19, 1775, and determine in what manner the same shall be expended.

ART. 6. To see if the Town will cause the curfew bell to be rung each evening at nine o'clock, Sundays excepted, and make an appropriation for the same.

Art. 7. To see what action the Town will take relative to the calling of a Town Meeting for the purpose of submitting to the legal voters the question, "Shall an act passed by the General Court in the year 1906, entitled 'An act relative to Town Meetings in the Town of Arlington,' and providing for the ratification of certain votes passed at such meetings," be accepted by the Town?

Art. 8. To hear and act upon any report the School Committee may make, and to discuss and act upon any measures (in so far as they do not require appropriations) pertaining to the educational interests of the Town.

(Inserted at request of Melvin L. Severy and others).

Art. 9. To see if the Town will vote to insert the following article in the warrant for the first fall Town Meeting of each ensuing year, during the life of this vote if passed.

> To hear and act upon any report the School Committee may make, and to discuss and act upon any measures (in so far as they do not require appropriations) pertaining to the educational interests of the Town.

(Inserted at request of Melvin L. Severy and others).

Art. 10. To see if the Town will make an additional appropriation for insurance account.

Art. 11 To see if the Town will make an additional appropriation for permanent sidewalk account.

Art. 12. To see if the Town will make an appropriation for the painting of the interior of Town Hall Building.

Art. 13. To see if the Town will make an appropriation for the purpose of repairing the fire apparatus of the Town, causing rubber tires to be placed on its trucks and carriages, and making other necessary repairs on apparatus.

Art. 14. To see if the Town will make an additional appropriation of twenty-five hundred dollars ($2,500) to be expended the current year for the suppression of the gypsy and brown-tail moths, the same to be expended in accordance with the provisions of Chapter 381, Acts of 1905, and amendments thereto.

Art. 15. To see if the Town will make an appropriation to be expended during the year 1907 for suppressing the gypsy and brown-tail moths in accordance with the provisions of Chapter 381, Acts of 1905, and amendments thereto.

Art. 16. To see if the Town will authorize and empower its Board of Public Works to lease, in the name and behalf of the Town, land of said Town in and about the Great Meadows in East Lexington, for farming and pasturage purposes for a term not exceeding five years and for a sum not less than one hundred and twenty-five dollars per year.

(Inserted at request of Board of Public Works).

Art. 17. To see if the Town will make an additional appropriation for the Fire Alarm Department.

(Inserted at request of Superintendent of Fire Alarm).

Art. 18. To see if the Town will make an additional appropriation for Inspector of Wires Department.

(Inserted at request of Inspector of Wires).

Art. 19. To see if the Town will make an additional appropriation for the Health Department.

(Inserted at the request of the Board of Health).

Art. 20. To hear and act on the report of the Committee appointed May 15, 1906, on the question of municipal lighting for the Town, and to see if the Town will make an additional apppropriation of seven hundred and fifty dollars ($750) for the purpose of carrying out more fully the purposes for which said Committee was appointed.

(Inserted at request of Committee on Municipal Lighting).

Art. 21. To see if the Town will accept and establish as a Town way Wyman Street, so-called, from Broadway to Warren Street, as laid out by the Joint Board of Selectmen and Board of Public Works under the provisions of law authorizing the assessment of betterments, and make an appropriation for constructing the same. Said way as laid out is described as follows:—

> Beginning at a point on the easterly side of Broadway 330.47 feet southerly from a County Commissioners' bound on the said easterly side of Broadway, thence at an angle 105 degrees, 18 minutes, 22 seconds, with the said easterly line of Broadway, 409.71 feet to a point on the westerly side line of Warren Street, 8.10 feet northerly from the County Commissioners' bound on said westerly side of Warren Street. The above described line is the southerly side line of said Wyman Street. The northerly side of Wyman Street is parallel with and 40 feet distant from the southerly side of Wyman Street. Further description is shown on plan and profile made by G. E. Ahern, C. E., entitled, "Plan and Profile of Wyman Street between Broadway and Warren Street, March 21, 1906," and approved by the Board of Survey May 7, 1906, now on file in the Town Clerk's office.

(Inserted at Request of L. J. Perrigo and others).

Art. 22. To see if the Town will accept and establish as a Town way Palmer Street, so-called, from Broadway to Warren Street, as laid out by the Joint Board of Selectmen and Board of Public Works under the provisions of law authorizing the assessment of betterments, and make an appropriation for constructing the same. Said way as laid out is described as follows:—

> Beginning at a stake on the easterly side of Broadway 65.80 feet southerly from a County Commissioners' bound on the said easterly

side of Broadway, thence at an angle of 105 degrees, 18 minutes, 22 seconds, with the same easterly line of Broadway 499.99 feet to a stake on the westerly side of Warren Street and making an angle of 94 degrees, 30 minutes, 58 seconds, with the said westerly side of Warren Street. The above described line is the northerly side line of said Palmer Street. The southerly side of Palmer Street is parallel with and distant 40 feet from the northerly side of Palmer Street. Further description is shown on plan and profile made by G. E. Ahern, C. E., entitled, "Plan and Profile of Palmer Street, between Broadway and Warren Street, February, 1906," and approved by the Board of Survey, March 26, 1906, now on file in Town Clerk's office.

(Inserted by request of L. J. Perrigo and others).

ART. 23. To see if the Town will accept and establish as a town way the private way known as Tanager Street, as laid out by the Joint Board of Selectmen and Board of Public Works, under the provisions of law authorizing the assessment of betterments and make an appropriation for the constructing of the same. Said way as laid out is described as follows :—

Beginning at a stone bound on the northerly side line of Wollaston Avenue at a point 548 feet distant from the southwesterly corner of Park Avenue and Paul Revere Road, measured along the northerly line of Park Avenue and the said Wollaston Avenue; thence by a curved line of 13 feet radius 20.42 feet to a stone bound on the easterly line of Tanager Street; thence continuing in a northerly direction by a straight line 68 feet to a stone bound; thence by a curved line of 240 feet radius in a westerly direction 344.88 feet to a stone bound; thence continuing westerly by a straight line 255.35 feet to a stone bound; thence by a curved line of 184.15 feet radius in a southerly direction 171.52 feet to a stone bound; thence continuing in a southerly direction by a curved line of 273.6 feet radius 85.95 feet to a stone bound; thence continuing in a southerly direction by a straight line 260 feet to a stone bound; thence by a curved line of 35 feet radius 21.55 feet to an intersection with the northerly line of Wollaston Avenue, previously referred to. The above described line is the northerly line of said Tanager Street and the southerly line is parallel with and distant forty (40) feet from the said northerly line, excepting at the intersections of said southerly line with the said northerly line of Wollaston Avenue, where curves of 13 feet and 10 feet radius respectively are laid out to make proper connections with the said northerly line of Wollaston Avenue. Further description is shown on plan and profile made by Robert W. Pond, Town Engineer, entitled, "Plan and Profile of Tanager Street, June, 1902," and approved by the Board of Survey July 28, 1902, now on file in the Town Clerk's office

(Inserted at request of Ellis Worthington and others).

ART. 24. To see if the Town will accept and establish as a Town way that part of Avon Place, so-called, as laid out by the Joint Board of Selectmen and Board of Public Works under the provisions of law authorizing the assessment of betterments, and make an appropriation for constructing the same. Said way as laid out is described as follows :—

Beginning at a point on the westerly line of Massachusetts Avenue 134 40 feet southerly from a County Commissioners' bound on the southerly line of Massachusetts Avenue and 1,547.51 feet northerly

from a stone bound at the southwest corner of Massachusetts Avenue and Linwood Street, thence north 62 degrees, 30 minutes east for a distance of 427.80 feet The above described line is the northerly side line of said Avon Place. The southerly line is parallel with and 30.90 feet distant from the said northerly line. Further description is shown on Plan and Profile made by G. E. Ahern, C. E., entitled, "Plan and Profile of Avon Place, April 7, 1906," and approved by the Board of Survey, May 7, 1906, now on file in the Town Clerk's office.

(Inserted at request of E. E. Upham and others.)

ART. 25. To see if the Town will authorize the Town Treasurer, under the direction of the Selectmen, to borrow money for any necessary purpose, in anticipation of the collection of taxes for the year 1907, the same to be repaid directly from the proceeds of said taxes.

(Inserted at the request of the Town Treasurer.)

ART. 26. To see if the Town will make an appropriation sufficient to meet the charges for filling deposited on the park lands adjoining Mt. Pleasant Cemetery, in accordance with the vote passed by the Town, May 5, 1902.

ART. 27. To appropriate and raise, by borrowing or otherwise, such sums of money as may be necessary for all or any of the purposes mentioned in the foregoing articles.

Hereof, fail not, and make due return of this Warrant, with your doings thereon, to the Selectmen, on or before said day and hour of meeting.

Given under our hands at said Arlington, this twenty-fifth day of October, in the year of our Lord one thousand nine hundred and six.

JAMES A. BAILEY, JR.,
S. FREDERICK HICKS,
FREDERICK S. MEAD,
Selectmen of the Town of Arlington.

MIDDLESEX COUNTY.

ARLINGTON, MASS , NOV. 5, 1906.

By virtue of this Warrant I have notified and warned the inhabitants of the Town of Arlington, qualified to vote in elections and Town affairs, to meet at the time and place and for the purposes herein named, by causing a printed attested copy to be left at every dwelling house in the Town, and also by posting an attested copy on the doors of the Town Hall, seven days at least, before said day of meeting.

GARRITT BARRY,
Constable.

A true record of the warrant. Attest:

THOMAS J. ROBINSON,
Town Clerk.

In pursuance of the foregoing Warrant the inhabitants of the Town of Arlington, qualified to vote in elections and Town affairs, met in the Town Hall on Tuesday, the sixth day of November, in the year of our Lord one thousand nine hundred and six, it being the next Tuesday after the first

Monday in said month, and were called to order by James A. Bailey, Jr., Chairmam of the Board of Selectmen, at six o'clock in the forenoon. Mr. Bailey then acted as Chairman

The presiding officer read Article 1 of the warrant calling the meeting and the return thereon of the constable who served the same upon the inhabitants. It was unanimously voted, by the meeting, that the reading of the remaining articles in the warrant be postponed until the adjourned meeting.

Complying with the laws of the Commonwealth governing elections, the Town Hall was fitted up as a polling place, a space railed off and booths, and shelves provided for the use of voters to examine and mark their ballots.

Each booth was supplied with suitable facilities for the purpose and with cards of instruction.

The following persons, having been appointed by the Selectmen as Ballot Clerks, Tellers and Inspectors, were sworn to the faithful performance of their duties by the Town Clerk and assigned as follows:

Ballot Clerks—Frank Y. Wellington and John J. Mahoney.

Tellers—Horace A. Freeman, George H. Peirce, George C. Tewksbury, Frank J. Rowe, Charles P. Ladd, Jr., David T. Dale, William H. Bailey, Maurice P. Ahern, Lindsay K. Foster, Michael F. Horrigan and Arthur L. Bridgham.

Inspectors—Frank F. Russell and Arthur L. Marston, Horace A. Freeman and George C. Tewksbury were assigned as Tellers at the ballot-box and Frank F. Russell and Arthur L. Marston as Inspectors on the floor.

A package of ballots, sealed, supplied by the Secretary of the Commonwealth and containing 2,200 ballots, was then delivered by the Town Clerk to the presiding officer, who publicly broke the seal and delivered the ballots to the ballot clerks.

Specimen ballots and cards of instructions were posted in conformity to law, as were also cards of penalties on voters for violation of the law governing elections.

The ballot box was examined by the presiding officer and the Town Clerk and was found to be empty, and the register set at zero.

A list of registered voters was supplied to the Ballot Clerks and Tellers by the Board of Registrars of Voters.

The polls were then declared open for the reception of votes and were kept open until thirty minutes after four o'clock in the afternoon, when, after due notice, they were declared closed.

By consent of the presiding officer and the Town Clerk the ballot box was opened at thirty-five minutes after seven o'clock in the morning for the purpose of counting ballots, and was opened at various times during the day for that purpose as follows:—

At 7.35	A. M.	the ballot box registered	355	votes
9.40		" "	800	"
1.00	P.M.	" "	1,070	"
2.45		" "	1,267	"
3.30		" "	1,317	"
4.30		" "	1,411	"

The keys of the ballot box had been delivered into the custody of Constable John Duffy at the opening of the polls and remained in his custody until the close of the polls, when they were delivered to the Town Clerk.

At the close of the polls the ballot box registered fourteen hundred and eleven (1,411) votes. By comparison, this number was found to agree with the names checked by the Ballot Clerks and the Checkers at the ballot box.

The unused ballots were counted by the Ballot Clerks and found to number 789, making the total cast 1,411 and those not used 789, making the total of 2,200 as received from the Secretary of the Commonwealth

The election officers canvassed the votes given in and the whole number was found to be fourteen hundred and eleven (1,411), which were sorted, counted and declaration made thereof in open meeting, as required by law, at five o'clock as follows: —

GOVERNOR.

Gamaliel Bradford, of Wellesley, had ten (10) votes.
James F. Carey, of Haverhill, had nine (9) votes.
William H. Carroll, of Boston, had two (2) votes.
Curtis Guild, Jr., of Boston, had nine hundred and eight (908) votes.

Blanks, one hundred and ten (110).

AUDITOR.

Albert Barnes, of Fall River, had fourteen (14) votes.
Thomas L. Hisgen, of West Springfield, had three hundred and ninety-four (394) votes.

Fred L. Johnson, of Lynn, had twelve (12) votes.
James F. Pease, of Merrimac, had twenty-one (21) votes.
Henry E. Turner, of Malden, had eight hundred and fifty-seven (857) votes
Blanks, one hundred thirteen (113).

ATTORNEY-GENERAL.

Allen Coffin, of Nantucket, had twenty-five (25) votes.
Dana Malone, of Greenfield, had eight hundred and forty (840) votes.
Arthur E. Reimer, of Boston, had five (5) votes.
John W. Sherman, of Boston, had twenty (20) votes.
John A Thayer, of Worcester, had four hundred and twenty-two (422) votes.
Blanks, ninety-nine (99).

REPRESENTATIVE IN CONGRESS, EIGHTH DISTRICT.

Frederick S. Deitrick, of Cambridge, had four hundred and seven (407) votes.
Orton D. Field, of Somerville, had eighteen (18) votes.
Samuel W. McCall, of Winchester, had nine hundred and twenty-seven (927) votes.
Blanks, fifty-nine (59).

COUNCILLOR, SIXTH DISTRICT.

John C. Call, of Newton, had twenty-four (24) votes.
Edward Gallagher, of Lowell, had three hundred and seventy-five (375) votes.
Seward W. Jones, of Newton, had eight hundred and eighty-five (885) votes.
Blanks, one hundred and twenty-seven (127).

SENATOR, SIXTH MIDDLESEX DISTRICT.

James M. Marden, of Medford, had four hundred and fifty-four (454) votes.
Herbert S. Riley, of Woburn, had eight hundred and thirty-six (836) votes.
Blanks, one hundred and twenty-one (121).

REPRESENTATIVE IN GENERAL COURT, TWENTY-NINTH MIDDLESEX DISTRICT.

Horace Dexter Hardy, of Arlington, had ten hundred and seventy-two (1,072) votes.
Blanks three hundred and thirty-nine (339).

COUNTY COMMISSIONER, MIDDLESEX.

Oscar J. Johnson, of Malden, had twenty-nine (29) votes.
Patrick E Sullivan, of Lowell, had three hundred and sixty (360) votes.
Samuel O. Upham, of Waltham, had eight hundred and ninety-four (894) votes.

CLERK OF COURTS, MIDDLESEX COUNTY.

Theodore C. Hurd, of Winchester, had nine hundred and fifteen (915) votes.

Blanks one hundred and twenty-one (121).

Article 2 taken up (To choose a Moderator).

Voted: On motion of James A. Bailey, Jr., that the meeting proceed to the election of a Moderator.

Two of the Tellers previously sworn acted as Tellers and reported the following result: Whole number of ballots cast seven (7), all bearing the name of John G. Brackett, and John G. Brackett was declared elected Moderator and was sworn to the faithful performance of his duties.

Voted: That when this meeting adjourns it adjourn to meet in Town Hall on Thursday evening, November 22, 1906, at thirty minutes after seven o'clock.

The election returns were then filled, signed by the Selectmen, countersigned by the Town Clerk, sealed up in open meeting and delivered to the Town Clerk to be forwarded to the several places of destination.

Voted: On motion of S. Frederick Hicks that the meeting adjourn.

Meeting adjourned at 6 o'clock P. M.

A true record Attest:

THOMAS J. ROBINSON,
Town Clerk.

ARLINGTON, Nov. 18, 1906.

Pursuant to law the Town Clerks of Arlington and Lexington met in the office of the Town Clerk of Arlington, on Friday, the sixteenth day of November in the year of our Lord one thousand nine hundred and six at twelve o'clock noon, for the purpose of canvassing the votes cast on the sixth day of November, for a Representative to the General Court of the Commonwealth to represent the twenty-ninth Middlesex District.

The canvass showed the following result of the votes cast in Arlington and Lexington:

Horace Dexter Hardy had in Arlington ten hundred and seventy-two (1072) and in Lexington four hundred and sixty-eight (468), making a total of fifteen hundred and forty (1,540).

There being no other person receiving votes the total votes of both towns showed that Horace Dexter Hardy, of Arlington, had a majority of all the votes cast in both towns.

Two certificates were filled out, signed by the Clerks of both towns, and one sent to the Secretary of the Commonwealth, the other delivered to Horace Dexter Hardy, of Arlington.

A true record. Attest:

THOMAS J. ROBINSON,
Town Clerk of Arlington.

GEORGE D. HARRINGTON,
Town Clerk of Lexington,

COMMONWEALTH OF MASSACHUSETTS.

MIDDLESEX COUNTY. ARLINGTON, Nov. 17, 1906.

By virtue of my office as Constable of the Town of Arlington, I have this day served, by giving in hand, the certificate of election, as Representative to the General Court to be holden on the first Wednesday of January next, to Horace D. Hardy, of 48 Irving St., Arlington.

JAMES E. WHITTEN,
Constable

A true record. Attest:

THOMAS J. ROBINSON,
Town Clerk.

Pursuant to adjournment the citizens of the Town of Arlington, qualified to vote in elections and Town affairs, met in the Town Hall in said Town, on Thursday, the twenty-second day of November, in the year of our Lord nineteen hundred and six, and were called to order at thirty minutes after seven o'clock in the evening by the Moderator John G. Brackett.

The reading of the remaining articles in the warrant was dispensed with, as printed copies had been distributed to the voters.

Frederick A. Bisbee called up article three of the warrant, calling for the reports of committees.

Article 3 taken up.

Frederick A. Bisbee, Chairman of the Committee of Twenty-One, to whom all articles in the warrant calling for appropriations had been referred, presented the report of said committee in printed form, and copies of the report were distributed to the citizens.

The report of the Committee was received and it was

Voted: That the articles of the warrant calling for appropriations be considered in the order in which they appear in the report of the Committee of Twenty-One.

Article 5 taken up. (Tablet to soldiers killed in 1775).

Voted: That the sum of twenty-eight dollars ($28), to be taken from the overlayings of the tax of 1906, be appropriated for procuring and inserting a tablet of stone or other durable material in the monument to soldiers killed April 19, 1775, the same to be expended under the direction of the Selectmen.

Article 6 taken up. (Ringing curfew bell).

Voted: That no appropriation be made under this article.

Article 10 taken up. (Additional appropriation for insurance).

Voted: That the sum of four hundred twenty-six dollars and eighty-seven cents ($426.87), to be raised by general tax in 1907, be appropriated for insurance account, this amount to be in addition to the amount appropriated at the March meeting.

Article 11 taken up. (Additional appropriation for sidewalks).

Voted: That the sum of seven hundred fifty-one dollars and eighty-seven cents ($751.87), to be raised by general tax in 1907, be appropriated for the permanent sidewalk account, this amount to be in addition to the amount appropriated at the March meeting.

Article 12 taken up. (Painting interior of Town Hall).

Voted: That the sum of twenty ($20) dollars, to be taken from the overlayings of the tax of 1906, be appropriated for painting the new window sash in the Town Hall Building.

Article 13 taken up. (Repairing fire apparatus).

Voted: That the sum of eleven hundred and fifty dollars ($1,150), to be raised by general tax in 1907, be appropriated for the purpose of repairing the fire apparatus of the Town, causing rubber tires to be placed on its trucks and carriages, and to make all other necessary repairs on apparatus.

Article 14 taken up. (Additional appropriation for moths).

Voted: That no appropriation be made under this article.

Article 15 taken up. (Suppression of moths in 1907).

Voted, by a two-thirds vote: That the sum of six thousand three hundred and twenty dollars ($6,320)be appropriated to be expended from January 1, 1907, to May 1, 1907, under the direction and control of the Selectmen in suppressing the gypsy and brown-tail moths in the Town of Arlington in accordance with the provisions of Chapter 381 of the Acts of 1905, and amendments thereto. That two thousand eight hundred and forty-eight dollars ($2,848) of said sum be raised by general tax in 1907 and the balance, three thousand four hundred and seventy-two dollars ($3,472) be borrowed, and the Town Treasurer be authorized to give the Town's note therefor, payable in not exceeding one year, bearing interest, signed by the Treasurer and countersigned by the Selectmen.

Article 17 taken up. (Additional appropriation for Fire Alarm Department).

Voted: That the sum of fifty dollars ($50), to be taken from the overlayings of the tax of 1906, be appropriated for Fire Alarm Department, this amount to be in addition to the amount appropriated at the March meeting.

Article 18 taken up. (Additional appropriation for Inspector of Wires Department).

Voted: That the sum of fifteen dollars ($15), to be taken from the overlayings of the tax of 1906, be appropriated for Inspector of Wires Department, this amount to be in addition to the amount appropriated at the March meeting.

Article 19 taken up. (Additional appropriation, Health Department).

Voted: That the sum of two hundred fifty dollars ($250), to be taken from the overlayings of the tax of the year 1906, be appropriated for the Health Department, this amount to be in addition to the amount appropriated at the March meeting.

Article 20 taken up. (Municipal lighting report).

Voted: That the subject matter of this article be indefinitely postponed.

Article 4 taken up. (Celebration appropriation).

Voted, by a two-thirds vote: That the sum of two thousand five hundred dollars ($2,500), to be raised by general tax in 1907, be appropriated for the observance of the one-hundredth anniversary of the incorporation of the Town, said sum to be expended under the direction and control of the committee appointed by the Town for that purpose.

Article 21 taken up. (Acceptance of Wyman Street).

Voted: That the town accept and establish as a Town way Wyman Street, so-called, from Broadway to Warren Street, as laid out by the Joint Board of Selectmen and Board of Public Works, under the provisions of law authorizing the assessment of betterments, said way being more particularly described in Article 21 of the warrant, and appropriate for constructing the same the sum of five hundred dollars ($500).

Article 22 taken up (Acceptance of Palmer Street).

Voted: That the Town accept and establish as a Town way Palmer Street, so-called, from Broadway to Warren Street, as laid out by the Joint Board of Selectmen and Board of Public Works, under the provisions of law authorizing the assessment of betterments, said way being more particularly described in Article 22 of the warrant, and appropriate for constructing the same the sum of nine hundred and fifty dollars ($950).

Article 23 taken up. (Acceptance of Tanager Street).

Voted: That the Town accept and establish as a town way Tanager Street, so-called, now a private way, as laid out by the Joint Board of Selectmen and Board of Public Works, under the provisions of law authorizing the assessment of betterments, said way being more particularly described in Article 23 of the warrant, and appropriate for constructing the same the sum of four thousand one hundred and fifty dollars ($4,150).

Article 24 taken up. (Acceptance of Avon Place).

Voted: That the Town accept and establish as a Town way that part of Avon Place, so-called, as laid out by the Joint Board of Selectmen and Board of Public Works, under the provisions of law authorizing the assessment of betterments, said way being more particularly described in Article 24 of the warrant, and appropriate for constructing the same the sum of one thousand four hundred and fifty dollars ($1,450).

Voted, by a two-thirds vote: That two thousand and fifty dollars ($2,050) of the sum appropriated for the constructing of Palmer Street, Wyman Street and Tanager Street and Avon Place be raised by general tax in 1907, and the balance, five thousand dollars ($5,000), be borrowed and the Town Treasurer be authorized to give the Town's note therefor, payable in not exceeding two years, bearing interest, signed by the Treasurer and countersigned by the Selectmen.

Article 26 taken up. (Charges for filling on park lands).

Voted: That the sum of $119.30, to be taken from the overlayings of the tax of 1906, be appropriated to meet the charges for filling deposited on the park lands adjoining Mt. Pleasant Cemetery, in accordance with the vote passed by the Town May 5, 1902. The charges are as follows:

168 double loads at	$0.30	$50 40	
226 single loads	.15	33 90	
20 days' labor	1.75	35 00	
			$119 30

Article 25 taken up. (Authorize the Treasurer to borrow money).

Voted: That for the purpose of procuring a temporary loan to and for the Town of Arlington, in anticipation of the taxes of the municipal year 1907, the Town Treasurer is hereby authorized and directed to borrow on and after January 1, 1907, from time to time, with the approval of the Board of Selectmen, a sum or sums in the aggregate not exceeding one hundred and fifty thousand dollars ($150,000) and to execute and deliver therefor the note or notes of the Town, payable within one year from the time the loan is made. Any debt or debts incurred by a loan or loans to the Town under this vote shall be paid from the taxes of said municipal year.

Voted: That the meeting be now dissolved.

Meeting dissolved at ten minutes after nine o'clock.

A true record. Attest:

THOMAS J. ROBINSON,
Town Clerk.

REPORT OF THE BOARD OF SELECTMEN.

The Board of Selectmen submit the one hundredth annual report for the fiscal year ending December 31, 1906.

The Board met March 5, 1906, and organized by electing James A. Bailey, Jr., chairman, and Horace A. Freeman, clerk.

Standing committees were appointed as follows: —

James A. Bailey, Jr., Police and State Aid.
S. Frederick Hicks, Outside Poor, Town House and Buildings.
Frederick S. Mead, Fire Department, Public Lands, Almshouse.

TOWN DEBT AND TAX RATE.

On December 31, 1905, the fixed debt was	$653,598 64
On December 31, 1906, the fixed debt was	644,148 64
Decrease during the year	$9,450 00
On December 31, 1905, the sinking fund was	$82,706 59
On December 31, 1906, the sinking fund was	99,528 18
Increase during the year	$16,821 59

By this decrease in the fixed debt of $9,450 and increase in the sinking fund of $16,821.59 the net gain in the Town's financial condition for the year is $26,271 59

The net debt of the town on December 31, 1903, was	597,020 42
On December 31, 1906, was	544,619 82
A decrease in three years of	$52,399 96

The Town has made a good start in the work of reducing its debt, and the Board again advises that liberal appropriations be made for the sinking fund, and that all obligations of the Town be paid at maturity. The amount of the Town debt payable in the year 1907 is $11,450.00, which sum is $3,000 less than the amount which matured and was paid in 1906.

The tax rate for 1906 was $18.10 on $1,000, which is the lowest tax rate for the last six years.

The Board has attempted to practice wise economy in all Town departments under its charge. The cost of maintenance of the Police department, Fire department, Outside poor, and Almshouse

department have been kept at substantially the same figures as last year. All these departments have unexpended balances to the their credit.

Fire Department. The department suffered a great loss during the year by the death of Assistant Engineer George W. W. Sears. Mr. Sears had been connected with the department for many years, was greatly interested in its welfare, and had contributed much time and thought to its improvement. The Board desires to record its appreciation of his integrity, ability and faithful performance of duty. Walter H. Peirce was elected to fill the vacancy caused by the death of Mr. Sears.

The losses by fire have again been small, although they were somewhat larger than in the preceding year.

During the year one horse was pronounced unfit for further service in the fire department. This horse and its mate were sold and a pair of young, strong horses was purchased.

At the November Town Meeting an appropriation of $1,150 was made for making repairs and putting rubber tires on portions of the fire apparatus. This work is now in progress, and upon its completion the fire apparatus will be in better condition than it has been for many years.

Harmony and good feeling have marked the relations between the Board and the officers of the fire department; and a spirit of friendly co-operation has prevailed among the men. In personnel and in equipment the department is in excellent condition.

The Board recommends that the subject of further extension of high service water pipes and the renewal and enlargement of existing low service mains near the centre of the town be given early and careful consideration by some committee or board.

Police Department. Under the aggressive leadership of Chief Urquhart the police department has maintained a high standard of efficiency and usefulness. Questionable resorts of former years, with a single exception, have remained closed, or have been devoted to new and proper uses.

An application was received in October for an inn-holder's license at the Cooper Tavern. A careful investigation was made of the record of the applicant and of the record and reputation of places kept by him, and the license asked for was not granted. In defiance of the Board and in spite of the warning of the Chief of Police the Tavern was opened for business in November in a quiet and somewhat secret manner. The police department has been gathering evidence with skill and discretion, and is about to raid the place and summon the alleged offenders into Court. The Board believes that no road house ought to be tolerated in Arlington, and encourages and supports the police department in every effort to keep the Town clean.

In this and in neighboring towns and cities an unusual number of burglaries have occurred during the past year. Several dangerous and much wanted burglars and other criminals have been arrested by Arlington officers to whom credit is due for zeal and courage.

A modern police signal system of the Gamewell type has been installed at a cost of $3,500 and is giving entire satisfaction. It has so increased the efficiency of the department that although the number of patrolmen was reduced by one in April the present force is of more use and value than the former larger force.

Fire Insurance. The Board recommends the discontinuance of all town fire insurance, for the reasons stated in the report of last year's Board.

The amount of insurance carried by the Town December 21, 1906, was $313,600 on buildings and $81,000 on contents. The premiums for fire insurance paid during the year were $1,401.87. The amount received by the Town for fire losses in the last twenty-seven years was about $5,540. The amount paid in premiums for the same period was about $20,013.32.

Town House Site. The work of grading and seeding the land from which the old buildings were removed was completed early in the year. The Board recommends an appropriation of one hundred dollars for the purchase and setting out of ornamental shrubs, and an annual appropriation of one hundred dollars for mowing the grass and caring for the grounds.

Public Buildings. New windows and shades have been placed in the Town Hall, and the exterior woodwork has been painted. The outside appearance of the building has not been so good for many years. The Board advises a thorough renovation of the inside of the building by painting and tinting. It believes that with the probable acceptance of the act relative to town meetings the Town Hall building will be reasonably sufficient for the needs of the Town for a considerable time.

Almshouse. At the beginning of the year there were four inmates, all of whom remained during the year.

There has been very little sickness during the year; no tramps have been lodged or fed.

Some minor repairs have been made, and the buildings, taking their age into consideration, are in good condition.

A new hot water boiler and a new refrigerator have been installed in place of the old ones.

The present inmates are: —

Mary Scanlon, 50 years old, admitted May 10, 1892.
Timothy Linehan, 70 years old, admitted Nov. 21, 1896.
Winslow Sullivan, 78 years old, admitted Feb. 2, 1900.
James Farrell, 60 years old, admitted Oct. 29, 1904.

FINANCIAL STATEMENT.

(Almshouse.)

Appropriation in March, 1906		$1,750 00
Expenditures	$2,131 73	
Less reimbursements		
For board	$353 43	
Sale of produce	27 85	
Sale of wood	28 00	
Outside Poor-wood	65 50	
	474 78	
Net expenditure		1,656 95
Balance unexpended		$93 05

The Board is of the opinion that the Town ought not to longer maintain an almshouse. The present institution may be compared to a fair-sized hotel with a very small number of boarders, in which the cost per boarder is necessarily excessive. Maintenance charges alone equal about eight dollars per week per inmate and if interest on the value of the plant is added it will raise that cost to about ten dollars. For a much smaller sum the Town can board paupers outside the almshouse, or it may unite with other towns in maintaining a joint institution where the number of inmates will bear a reasonable ratio to the size and cost of maintaining the plant. It seems wise to close the almshouse, sell the property if a fair offer can be obtained, and establish a stable and yard at some convenient place nearer the centre of the Town.

Poor Outside of Almshouse: — An expenditure of more than two hundred dollars in securing proper treatment of a child bitten by a mad dog carried the total expenditures to a slightly higher figure than last year. On account of the careful scrutiny of details by the clerk of the Board and his good judgment in dealing with the cases which arise, adequate relief has been furnished without exhausting the appropriation.

Gypsy and Brown-tail Moths. During the past year the Town has expended in the moth work $15,668.10. Of this sum .65 has been spent on street trees, $3,983.55 on Menotomy Rocks Park, and the balance as shown in the financial statement annexed to this report.

The condition of the Town as a whole is far better than it was one year ago. The number of nests on street trees last fall probably did not exceed one fiftieth of the number in the preceding year. In Menotomy Rocks Park there were few nests where the year before there were tens of thousands. Other public lands and most private property are in much better condition than formerly. On the other hand much woodland is in as bad condition as it has ever been; and the owners of property generally are not exerting themselves as they did a year ago. About 940 dead trees have been cut in the Park and its usefulness and beauty have been materially lessened by this wholesale dying of trees.

While the Board believes that much of the improvement in conditions is due to intelligent effort and wise expenditure of money, particularly in spraying, it is doubtless a fact that weather conditions in May and June helped materially to save the trees. Frequent rains caused abundant foliage, and a decrease in the eating of leaves by the caterpillars. A serious disease among the brown-tails greatly decreased their number and destructive power. If in the coming year weather conditions are more favorable to the caterpillars, greater destruction of foliage may occur. In any event constant vigilance and considerable expenditure by Town authorities and individual land owners will be required.

The Board deems it proper to state that the work done in Town has been directed in accordance with law by the State Superintendent, and that some of the work directed to be done was in the opinion of the Board unwise. In particular responsibility is disclaimed for the burning of Menotomy Rocks Park, and for the burlapping of trees at too early a date, and in an improper manner.

On June 23, Walter R. Caswell ceased to be Town Superintendent, and William H. Bradley succeeded to the position. On June 30, Herbert M. Day resigned from the work of keeping the accounts and records, and James F. Higgins was selected at a small salary to continue this branch of the work. In establishing a system of record keeping and in carrying on the detailed work Mr. Day's service was intelligent, accurate and valuable.

Purification of Alewife Brook and Adjacent Areas. Chapter 529 of the Acts of 1906 provides for the improvement of Alewife Brook and its tributaries and the drainage areas of said brook and tributaries substantially in accordance with the report of the State Board of Health. The work is to be done by the Metropolitan Park Commission and to be paid for by Cambridge, Somerville, Belmont and Arlington. The act takes effect upon its

acceptance by the City Council of each of said cities and the Selectmen of each of said towns. The Board made a careful investigation of the probable effect of the proposed improvement upon the level of Spy Pond. Conferences were held with the State Board of Health, Metropolitan Park Commission, and the officials of Cambridge, Somerville and Belmont. It appeared probable that Spy Pond would be lowered several feet, large areas of mud banks and flats would be exposed and that Arlington would be compelled to spend a large sum of money to remedy the bad conditions thus created.

The Board believed that the general improvement of Alewife Brook and adjacent territory was highly desirable and that Arlington ought to pay its fair share of the cost, but on account of the probable effect on Spy Pond it voted not to accept the act. Later as the result of a conference of representatives of the towns and the Metropolitan Park Commission, and after receiving a copy of a vote of the Commission, the Board accepted the act. The vote of the Commission is as follows:

Voted: That if it shall be deemed wise by the cities and towns mentioned in Chapter 529 of the Acts of the Legislature for this year, in the exercise of the discretion left to them in said act, to accept the provisions of said act, that this Board will at once proceed to prepare detailed plans and estimates for the work contemplated by said act and any other work which this Board deems necessary thereto, and will present such plans to the mayors of the cities and the Board of Selectmen of the towns mentioned in said act, but will not proceed to construction unless said plans be approved unanimously by said mayors and boards. In the event that such plans as presented or as modified by this Board are approved unanimously by the mayors and boards aforesaid, this Board will carry out the provisions of the act substantially in accordance with said plans, provided the same can be done within the appropriation provided in said act, but if said plans cannot be carried out within said appropriations, this Board will then join with said cities and towns in asking for such furthur appropriation as may be approved by all of said cities and towns and by this Board.

In the event that said plans are objected to by any mayor or Board of Selectmen mentioned in said act, this Board will join with said cities and towns in asking the Legislature to repeal said act unless amended in accordance with the agreement of all of said cities and towns and said Board. This Board reserves the right within a reasonable time after presenting said plans as aforesaid to determine that the unanimous approval of action contemplated by this agreement cannot be obtained, and it is the understanding that in such event all of said mayors and Boards af Selectmen and this Board are to join in asking the Legislature to repeal or amend said act as aforesaid.

The engineers of the Commission are now at work on plans for the proposed improvement

LICENSES.

Licenses were granted as follows:

Victuallers. Florence Acorn, 458 Massachusetts Avenue; A. C. LaBreque, 606 and 608 Massachusetts Avenue; James Hutchininson, 55 Teel Street; Miss I. M. MacDonald, 1406 Massachusetts Avenue; Robert H. Fall, 459 Massachusetts Avenue; A. C. LaBreque, 606 Massachusetts Avenue; Mary MacDonald, 965 Massachusetts Avenue; A. O. Sprague, 5 Mystic Street; H. F. Moore, 252 Forest Street; Catherine Brady and Rose Callaghan, 1410 and 1412 Massachusetts Avenue; James A. Cuddy, 1399 Massachusetts Avenue; Charles H. Kimball, 1385 Massachusetts Avenue; Charles F. Ford & Co.; N. J. Hardy, 657 Massachusetts Avenue; Mary MacDonald, 965 Massachusetts Avenue; Julia M. Welch, 1399 Massachusetts Avenue.

Junk. Max Rosenfeldt, 17 Park Street; Morris Backer, 4 Lake Street, Somerville; Davis Uchtel, 48 Dundee Road; H. Bornztin, 122 Sylvia Street; Joseph Sigel, 145 Linwood Street, Somerville.

Pool Table. Joseph W. Ronco, Post Office Building; Michael P. Sheedy, 945 Massachusetts Avenue; William Mahoney, 945 Massachusetts Avenue.

Auctioneers. Philip A. Hendrick, 12 Draper Avenue; Frank Y. Wellington, 15 Wellington Street; James H. Shedd, 28 Draper Avenue; Frank V. Noyes, 244 Pleasant Street; George D. Moore, 133 Broadway.

Intelligence Office. Arlington Exchange, Clara T. Blake, Manager, Associates Building; Dow & Giles, 633 Massachusetts Avenue.

To Transport Spirituous or Intoxicating Liquors Under Provisions of Chapter 421, Acts 1906. George W. McClellan, 7 Webster Street; Wood Bros., 1 Water Street; Arthur W. Curtin, 963 Massachusetts Avenue; William R. Stiles (Warner's Express), 161 Westminster Avenue; Jesse C. Fletcher, 32 Sawin Street; Johnsons' Express (J. J. Guiney, Manager), Bucknam Court; American Express Co., Railroad station, Arlington.

No sixth class liquor licenses were granted during the year.

Attention is called to the financial statements and comparative tables herewith appended. For further detail of expenditures see Auditor's report.

REPORT OF THE CHIEF OF POLICE.

ARLINGTON, MASS., Jan. 1, 1907.

To the Honorable Board of Selectmen of Arlington:

GENTLEMEN:—I herewith submit a report of the doings of the Police Department for the year ending December 31, 1906.

The care of the Town Hall and the duties of Sealer of Weights and Measures have been performed by this department and paid for from the police appropriation.

NUMBER OF ARRESTS DURING THE YEAR.

Americans	146	Non-Residents	130
Foreigners	100	Females	11
Juveniles	27	Negroes	1
Residents	116	Warrants served	12
		Summons served	51

OFFENSES FOR WHICH ARRESTS WERE MADE.

Adulterated milk selling	1
Alien gunning without license	1
Assault with a dangerous weapon	1
Assault and battery	10
Breaking and entering and larceny	8
Capias	6
Committing nuisance in public street	1
Cruelty to animals	2
Disturbance of the peace	8
Discharging fire arms in street	1
Drunkenness	136
Gaming on the Lord's Day	9
Having native song birds in possession	1
Illegally taking a team	4
Insane	4
Larceny	13
Liquor selling	1
Liquor nuisance	2
Neglected children	3
Non-support	1
Safekeeping	2
Stubbornness	1
Trespass and larceny	10
Using others' registered milk cans	2
Vagrant	1
Violation of the automobile speed law	14
Violation of the Board of Health rules (swill)	2
Violation of Probation	1

PRIMARY DISPOSITION OF CASES.

Appealed, 8; committed to House of Correction, 5; committed to State Farm, 4; committed to Lyman School, 1; committed to State Board of Charity, 4; committed to Massachusetts Reformatory, 3; committed to Insane Hospitals, 4; committed to House of Correction for non-payment of fine, 2; complaints dismissed, 2; delivered to officers of other places, 6; defaulted, 2; discharged, 13; fined, 58; held for Grand Jury, 3; ordered to furnish bond to keep the peace, 1; placed on file, 66; placed on probation, 13; released at station, first offense of drunkenness, 50; sentence suspended, 1. Fines to the amount of $555.20 have been paid to the Town Treasurer by the Clerk of Court.

MISCELLANEOUS BUSINESS.

Accidents reported, 34; ambulance calls, 48; buildings reported vacant and specially cared for, 17; cases investigated, 237; dead bodies cared for, 4; defects in streets and sidewalks reported, 6; defective electric lights reported, 382; defective electric wires reported, 30; defects in water pipes reported, 6; details for public assemblages, 2; dogs killed, 35; disturbances surpressed without arrest, 7; fires extinguished without alarm, 7; fire alarm given, 7; horses found cast, 2; injured persons attended to, 32; lanterns placed in dangerous places, 35; lost children cared, 16; notices served for Selectmen, 2,000; notices served for the Board of Health, 148; notices served to delinquent dog owners, 40; officers at fires, 16; runaway teams secured, 8; sick persons assisted, 27; stores found unlocked and secured, 60; stray teams cared for, 1; street obstructions removed, 6; search warrants for liquor served, 3; value of property reported stolen, $2,283.00; value of property reported recovered, $1,278.00; value of property reported lost, $500.00; value of property reported found, $477.25; wagon calls, 24; duty calls on police system, 13,202; telephone calls received on system, 491.

The Ambulance. The work in this branch of service has been on the rapid increase over other years and hardly a week has passed but what it has been called into service, and by its quick use in accident cases several lives have been saved.

No charge is made in accident cases either for the ambulance or medical supplies furnished, but owing to the large number of calls made by the local physicians for its use to remove sick patients to and from different hospitals a nominal charge of five dollars has been made for this work to defray the cost of horse hire and maintenance.

The charge for an ambulance to come out of the Town to handle sick patients is, I am informed, ten dollars.

As there is a fixed charge of $50.00 for the care and storage of the ambulance at the stable I would recommend that $200.00 be appropriated for its maintenance the coming year.

The total number of calls is 72, 27 for sick patients, 21 for accident cases and 24 for police work.

The cost of maintenance was as follows :

Cost of care of ambulance	$50 00
Cost of horse hire	133 50
Cost of necessary repairs	65 00
Cost of medical supplies	18 41
Cost of washing blankets and towels	4 25
	$296 16

Police Signal System. This valuable adjunct to the department was installed and put into commission on the first day of July, 1906, since that time there have been 3,202 duty calls and 491 telephone calls rung in by the officers.

The system is in perfect order and the officer in charge of the station is in almost constant touch with the officers on their different routes.

The cost of maintenance so far has been absolutely nothing.

When you stop to consider the number of duty calls and the fact that the system has 14 private telephones in operation, the result is very gratifying.

The boxes are located as follows :—

Box 12	Junction of Massachusetts Avenue and Henderson Street.
14	Junction of North Union and Broadway.
15	Junction of Massachusetts Avenue and Tufts Street.
141	Junction of Massachusetts Avenue and Broadway.
21	Medford Street opposite Lawrence field.
23	Junction of Davis Avenue and Mystic Street.
31	Junction of Mill Street and Massachusetts Avenue.
32	Junction of Gray and Jason Streets.
34	Junction of Pleasant Street and Kensington Road.
41	Massachusetts Avenue near Grove Street.
44	Junction of Massachusetts Avenue and Forest Street.
412	Massachusetts Avenue near car barns.
413	Junction of Westminster and Westmoreland Avenues.

I know of no needed expenditure at the present time, but would recommend that the sum of $50.00 be appropriated for maintenance the ensuing year.

Liquor Law Enforcement. I can only reiterate what I said in my last report, that is, that no complaints have been left unattended ; and with my knowledge of this class of work I feel proud to say that so far as the illegal sale of liquor is concerned, I sincerely believe Arlington to be one of Massachusetts' cleanest towns.

The officers, knowing that three-quarters of all the trouble they are called upon to adjust is directly traced to liquor, have worked in harmony to eradicate this evil and are to be congratulated on the result thus far obtained.

The number of arrests for drunkenness this year was 136, as against 186 for the year 1905, a decrease of 50.

There have been several burglaries during the year and goods and chattels of considerable value have been stolen.

This department has worked unceasingly on these cases and although I regret to say that so far we have been unable to recover but very little of the property stolen we have been successful in capturing and convicting eight burglars, and although they readily acknowledge their share of the work done in Arlington and of the knowledge of the whereabouts of goods stolen, they steadily refuse to reveal its hiding place.

The capture of Charles E. Bancroft, a man of many aliases and a long record as a daring burglar, was a good piece of work and threw light on many breaks in this and surrounding towns. He was sentenced to twenty years in State Prison.

Andrew G. Long, another much wanted burglar, was arrested and sentenced to four years in the House of Correction.

Sarah J. Johnson, a notorious shoplifter, was also arrested here, convicted and sentenced to one year in the House of Correction.

The apprehension of these much wanted criminals reflect credit on the vigilance of the officers of this department.

It is a source of satisfaction to note that there have been no drowning accidents at Spy Pond during the year, but I am still of the firm belief that the Town should in some way have jurisdiction over the letting of unsafe canoes to irresponsible parties.

I still believe it would be of advantage to the department if a lieutenant or sergeant were appointed to assume command and to be answerable for the efficiency of the force during such times as the Chief may be absent.

I would recommend that the sum of $8,950.00 be appropriated for the maintenance of this department for the year 1907.

In conclusion, I wish to extend to your honorable board my sincere thanks for the hearty co-operation given this department, and to the officers for their attention to duty my appreciation.

To the citizens who have contributed to the successes of this department I wish to especially thank.

Respectfully submitted,

THOMAS O. D. URQUHART,
Chief of Police.

ANNUAL REPORT OF THE CHIEF ENGINEER OF THE FIRE DEPARTMENT.

To the Honorable Board of Selectmen of the Town of Arlington:

GENTLEMEN:—I respectfully submit my annual report of the Fire Department for the year ending Dec. 31, 1906, giving details, the force, apparatus, record of fires and alarms with the amount of loss and insurance on property, value of buildings and contents as near as could be ascertained; also, the appropriation and expenditures together, with recommendations and suggestions for the best interest of the department.

I again congratulate the Town on its immunity from fires during the past year. Our fire loss has been very small, and the fires have decreased in number from former years.

FIRES AND ALARMS. The department has answered 22 bell and 18 still alarms, 10 of which were received by telephone, and the alarm given from the central fire station. The alarms were as follows:—

Jan. 1. Box 16, 10.01 A. M. At 25 Linwood Street. Wooden dwelling house owned by Mrs. J. H. Fermoyle. Value of building, $4,000; insurance on building, $3,000; loss, $106. Value of contents, $2,200; insurance of contents, $800; loss on contents, $106.

Jan. 6. S. A., 4.04 P. M. House at 56 Dudley Street, owned by Thos. Mead.

Jan. 8. S. A., 12.40 P. M. Woodpile on Linwood Street owned by Mrs. Gibbons.

Jan. 14. Box 45, 2.20 A. M. Barn at 60 Mt. Vernon Street, owned by Timothy Ryan. Value of building, $600; insurance on building, $500; loss, total. Value of contents, $1,000; insurance on contents, $800; loss on contents, $700.

Jan. 23. Box 61, 1.31 P. M. 274 Park Avenue; house owned by Lucy Whitney. No damage.

Jan. 25. S. A., 3.28 A. M. Brush rear of 707 Massachusetts Avenue.

Feb. 1. S. A., 2.17 P.M. Rubbish rear Chas. Gott's blacksmith shop.

Feb. 17. S. A., 10.30 A.M. At 19 Wellington Street. No Damage.

Mar. 3. S. A., 9.25 P. M. Dwelling at 11 Wollaston Avenue. No damage.

Mar. 16. Box 28, 9 A. M. Dwelling house at 441 Mystic Street, owned by E. F. Cronin. Value of building, $7,500; insurance on building, $6,000; loss, $4,000. Value of contents, $5,000; insurance on contents, $4,000; loss, $1,800.

Mar. 24. Box 54, 6.04 P. M. Building owned by B. & M. R. R. Value of building, $200; insurance, $150; loss, $16.

Mar. 28. S. A., 8.20 P.M. Tree on Pond Lane.

Mar. 28. Box 14, 11.53 P. M. Fire in Cambridge.

Apr. 1. Box 14, 10.39 P. M. Dwelling on Thorndike Street, owned by Thos. Tolson. Value of building, $2,800; insurance, $2,500; loss, $1,300.

Apr. 4. S. A., 6.16 P. M. Grass on Robbins Road.
Apr. 7. S. A., 3.30 P. M. Grass on Appleton Street.
Apr. 9. S. A., 4.35 P. M. Grass at 1022 Massachusetts Avenue.
Apr. 13. S. A., 8.30 P. M. Grass on Robbins Road.
Apr. 14. S. A., 1.08 P. M. Grass on Robbins Road.
Apr. 18. S. A., 6.28 P. M. Brush at 41 Jason Street.
Apr. 19. Box 52, 1.28 P. M. Lumber and cord wood on Westminster Avenue.
Apr. 21. S. A., 4.70 P. M. Rubbish on Pond Lane.
Apr. 26. Box 56, 6.00 P. M. Wood and rubbish at 29 Cliff Street.
Apr. 28. Box 47, 1.46 A. M. Hay stack off Forest Street.
Apr. 28. Box 47, 10.09 A. M. Hay stack off Forest Street.
Apr. 29. S. A., 3.14 P. M. Brush on Appleton Street.
Apr. 29. S. A., 3.28 P. M. Brush on Robbins Road.
May 30. Box 37, 9.40 A. M. Dwelling at 12 Russell Terrace. No damage.
July 3. Box 21, 11.50 P.M. Dwelling on Decatur Street, owned by Olive McCarthy. Value on building, $5,500; insurance, $5,000. No damage.
July 4. Box 16, 8.50 P. M. Ice houses on Linwood Street. No damage.
July 28. Box 13, 7.00 P. M. Manure pile on Henderson Street.
Aug. 1. Box 46, 9.08 A. M. House at 51 Dudley Street, owned by estate of Thomas Callahan. Value of building, $1,000; insurance $800; loss, 80.00.
Aug. 6. Box 24, 9.58 A. M. Dwelling at 17 Park Street, owned by Patrick Coyne. No damage.
Aug. 12. Box 15, 10.10 P. M. False alarm.
Aug. 23. Box 36, 3.00 P. M. Test for Insurance Company's benefit.
Sept. 15. S. A., 5.45 A. M. Call from Winchester, at H. L. Cox's. Respond by chemical.
Sept. 17. S. A., 3.00 P. M. Corner Lake and Massachusetts Avenue.
Oct. 10. Box 36, 2.59 A. M. Charles Gott's Blacksmith shop. No damage.
Dec. 6. Box 36, 10.40 A. M. Store at 618 Massachusetts Avenue, owned by H. D. Dodge. Value of building $2,000; insurance, $3,000; loss $62.10.
Dec. 17. Box 4, 11.12 A. M. Apartment house, owned by Vail Brothers. No damage.

The value on buildings was	$23,600 00
The insurance on buildings was	20,950 00
Loss on buildings was	7,014 10
The value on contents was	12,200 00
The insurance on contents was	9,100 00
Loss on contents was	2,606 00

The several companies have answered the alarms as follows:—

Hose 1 answered 8 bell and 6 still alarms; covered in 14 times at Hose 2 house; laid 1,850 feet of hose, used 8 pony chemicals and travelled 50 miles.

Hose 2 and chemical answered 22 bell and 5 still alarms; laid 3,150 feet of hose, used 75 feet of ladders, 6 pony chemicals, 11 large tanks of chemical, and travelled 47 miles.

The Chemical engine was called once for aid out of Town.

Hose 3 answered 14 bell and 7 still alarms; laid 4,250 feet of hose, used 25 pony chemicals and travelled 28 miles.

Hook and Ladder Truck answered 22 bell alarms; used 280 feet of ladders and travelled — miles.

The Chemical and Hose 2 companies consolidated during the season and the Chemical Company is now under Hose 2 officers. By this consolidation we dispense with two call men.

Manual Force. The manual force now consists of a total of 46 members, divided as follows :— One chief, two assistant chiefs, six permanent men, and thirty-seven call men.

Horses. We have ten horses, eight of which are in first-class condition, one pair being purchased this year and placed on Hose 2. The horses at Hose 1 must be changed immediately as one of them is practically of no use to the department. I would suggest that a pair of large horses be purchased and placed on the truck, and the truck horses be placed at Hose 1 for this reason : The truck needs a heavier and stronger pair of horses than they have at present, and it would be folly to place a green pair of horses at Hose 1 with only one man to handle and break them in. With a good pair of horses at Hose 1, we should be equipped with ten good horses, and barring accident, the town ought not to be called upon for any expense in this line for some little time. The horses have consumed 1,072 bushels of grain ; 45,349 lbs. hay ; 4,051 lbs. straw, making a total of $961.23 ; cost per horse $1.85 per week.

The coal for the department cost $278.75.

Apparatus. By vote of the Town the several pieces of apparatus are being thoroughly repaired. They have been painted and varnished, and new rubber tires applied. When finished, our apparatus will compare favorably with other surrounding towns and cities.

Buildings. The buildings are in the same condition as last year, with the exception of a few minor repairs which our permanent men have accomplished.

Fire Alarm. The fire alarm in the hands of the superintendent has proved satisfactory. The details of the same will be found in his report.

Hose. We have at present about 6,500 feet of hose, some of which would not stand high water pressure.

Relief Association. The relief association has not been fortunate enough to receive any donations during the past year. We have paid out $230 for sick benefits and $100 for death benefits. I am sorry to say the association has lost one member by death the past year. I refer to Assistant Chief George W. W. Sears, who passed away on August 15th. Mr. Sears became a member of the department in 1891 as a call member of Hose 3. He was later appointed on the Board of Engineers. He served the Town faithfully, had the interest of the department at heart, and always performed his duties willingly and cheerfully. "He has gone to that bourne from which no traveller has e'er returned." A set of resolutions to his memory was adopted and placed on record, and a copy of the same sent to his family.

The vacancy as assistant chief, caused by Mr. Sears' death, was filled by Mr. Walter H. Pierce, a man well versed in fire matters.

Suggestions. I would renew my old suggestion that the high water service be extended down Massachusetts Avenue and Bedford Street, and over Pleasant Street, for better fire protection.

We have quite a number of dangerous localities for fires in Town, some of which have very little water protection. I refer principally to the Chrome Works on Grove Street, and the Clifford-Wood Ice Tool Factory. I also suggest that the citizens having telephones in their homes would remember the universal box at the central fire station, No. 64-3, from which all box numbers can be sounded. I would suggest that a permanent man be placed at Hose 2 house, to cover in Hose 1 house during meal hours.

Appropriation. I recommend the sum of $10,000 to meet the expenses for the current year. We require this amount to cover the expenses based on last year's expenditures. The principal items were as follows:— Permanent men, $4,875.82; call men and engineers, $2,472.91; hay and grain, $961.23; coal, $278.75; blacksmithing, $301.00; veterinary services, $109.85; laundry, $35.71; sundries, $360.22; lighting, $74.81; pair of horses, $475.00; rent, $30.00. This calls for no extras whatever, and is simply for the running expenses.

Conclusion. In closing my report, I respectfully thank your honorable board for the courteous manner in which they have always received me in my official capacity. I wish to extend my thanks to the Chief of Police for many favors rendered at fires; to my assistants, my thanks and appreciation for the willing manner in which they have assisted me in my duties. I would commend the officers and members for their faithful performance of duty at all times. To my permanent men, my hearty appreciation and sincere thanks for their co-operation in furthering the efficiency of the department, thereby reducing the fire loss.

Respectfully submitted,

CHARLES GOTT,
Chief.

REPORT OF INSPECTOR OF BUILDINGS.

ARLINGTON, MASS., December 31, 1906.

To the Honorable Board of Selectmen: —

GENTLEMEN: — I herewith submit report of the Inspection of Buildings for the year 1906, the number and value of new buildings built, including also alterations and additions, is greater than in any previous year.

For the most part hearty co-operation of builders with the By-Laws has been evidenced.

There are some changes in the existing laws which it would seem advisable to make to maintain a standard in keeping with the growth of the Town, and corresponding with those in force in other cities and towns in this vicinity. I would respectfully request that the Committee on By-Laws consider this matter early in 1907.

The number of permits granted was eighty-six (86), classified as follows: —

NEW BUILDINGS.

		Estimated cost.
Dwellings, one family	28	$116,500 00
two families	6	24,300 00
three families	9	54,000 00
four families	1	10,500 00
six families	2	25,000 00
Factories (additions to existing plants,	8	8,050 00
Churches	1	6,000 00
Office Buildings	2	9,750 00
Temporary	5	600 00
Stables	3	700 00
		$255,400 00
Additions and alterations	21	23,675 00
		$279,075 00

Respectfully submitted,

ROBERT W. POND,
Inspector of Buildings.

REPORT OF TOWN PHYSICIAN.

ARLINGTON, Mass., December 31, 1906.

To the Honorable Board of Selectmen : —

I herewith submit my report as Town Physician for the year 1906.

Number of visits made	266
" " office calls	94
" " emergency calls at Police station	15

The health of those receiving town aid has been very good during the past year and few cases of serious illness have occurred. Only one patient at the Almshouse has required medical attention.

As Town Physician, I report three (3) births and one (1) death.

The equipment at the Police Station continues to furnish valuable aid in emergency work and I have nothing but praise for the Chief and his Officers, for their promptness and assistance to me in the treatment of accidental injury or sudden illness on the street.

Respectfully submitted,

CHARLES F. ATWOOD, M. D.,
Town Physician.

REPORT OF INSPECTOR OF MILK.

To the Board of Selectmen: —

I submit the following report as Inspector of Milk.

I have issued seventy-one milk and cream licenses the past year. Have taken thirty-five dollars and fifty cents in fees, which has been paid to the Town Treasurer.

I have taken at different times fifty-five samples of milk, which I have tested and found them up to the State standard.

I would recommend that the Town increases the pay of the Inspector of Milk, so that he could put in more time in testing milk and enforcing the new law on milk cans and bottles.

Respectfully submitted,

FRANK P. WINN,
Inspector.

REPORT OF SEALER OF WEIGHTS AND MEASURES.

To the Honorable Board of Selectmen : —

Gentlemen : — I have the honor to submit to you the following report for the year ending December 31, 1906.

I have inspected, tested and sealed one hundred and thirty scales, ninety-nine dry measures, sixty-five liquid measures and three hundred and ninety-one weights. The incorrect scales were adjusted and made to register properly. The Town scales, with slight adjusting, were made to register properly.

Whole number of scales tested, outside of the Town scales	130
" " " dry measures tested	99
" " " liquid measures tested	65
" " " weights tested	395
" " " milk jars tested	2,855
" " " milk jars condemned	7

Respectfully submitted,

JAMES E. WHITTEN,
Sealer of Weights and Measures.

December 31, 1906.

REPORT OF THE INSPECTOR OF ANIMALS.

To the Honorable Board of Selectmen of the Town of Arlington.

GENTLEMEN: — I have the honor to submit my annual report as Inspector of Animals for the year ending December 31, 1906.

During the year there have been but five (5) cases of glanders within the town limits, which is by far the smallest number of cases in the town for some years.

I have had one stable quarantined against its use for horses as being thoroughly infected with glanders; this stable has since been cleaned by the owner and disinfected by the State and the quarantine removed.

In my regular fall inspection, I have inspected one hundred and ninety-seven (197) cows, seven hundred and three (703) hogs, one (1) sheep, seven (7) goats, and seventy-seven (77) stables in which these animals were stabled. In all cases proper papers were given to the owners.

March 4th, an Irish Terrier, owner unknown, suffering from rabies passed through the town. He was known to have bitten one child in Arlington and a number of other dogs. In consequence of this, a three months muzzling order was delivered to the police by your board. From that date up to the end of this year there have been five (5) cases of rabies, which have resulted in another three months muzzling order from January 1, 1907.

Respectfully submitted,

LAURENCE L. PEIRCE, M. D. V.
Inspector of Animals.

REPORT OF THE JOINT BOARD OF SELECTMEN AND BOARD OF PUBLIC WORKS.

The Joint Board of Selectmen and Board of Public Works respectfully present the third annual report for the year 1906.

Organization. The Board met March 12, 1906, and elected James A. Bailey, Jr., Chairman, and Horace A. Freeman, Clerk. There are no standing committees. Regular meetings are held on the second and fourth Mondays of each month, and special meetings whenever called by the Chairman. Twenty-five meetings have been held during the year.

Appointments. For appointments made by the Board see the list of appointive officers on page 8.

Street Watering. After duly advertising for bids, the contracts for watering the streets from May 1st to November 1st were awarded to John Kelley, Henry J. Green, Frederick W. Schumacher, and Timothy Ryan for $480 each. The fifth route was taken by the Highway Division.

A new watering-cart has been purchased. Probably an additional route will be necessary the coming year to cover street watering territory.

The cost of street watering for the year has been $3,000, the same being met by Town appropriation of $700, a contribution of $200, and the balance $2,100 assessed on abutters, the assessment being 2 1-2 cents per front foot. In addition to this cost the Highway Department has paid out for street watering about $156.

Street Lighting. The street lighting during the year appears to have been satisfactory. Few outs have been reported. The Inspector reports the current always up to contract requirements. One arc and one incandescent have been added during the year. We are not getting full benefit from present lamps because of intervening branches of shade trees and improper location of some of the lamps. The Inspector of Wires is giving this matter special attention.

The number of street lights in commission December 31, 1906, is as follows:—

81 enclosed arcs of 1,200 (nominal) candle power.
229 incandescent of 32 candle power.

These lights are lighted every night until one o'clock A. M. at a cost of $73 for arcs and $23.50 for incandescent per year. For

every hour an arc or incandescent light remains unlighted during schedule time three cents and one cent respectively are deducted from the monthly bill. The Town of Belmont pays one-half the cost of the arc at the corner of Pleasant and Lake Streets, and the Arlington Boat Club one-half the cost of the arc at the foot of Whittemore Street.

The present contract for street lighting ends May 1, 1907. Anticipating this the Board has been in communication with the Edison Electric Illuminating Company and the Arlington Gas-Light Company, relative to propositions for a new contract. This action was taken by the Board in order to facilitate action when the question comes before the Town in March. It is believed the Welsbach gas light, a demonstration of which was given on Pleasant, Maple and Academy Streets from September 20th to December 5th by the Welsbach Street Lighting Company of America, will be a strong competitor for lighting some of our streets.

The Superintendent of Streets has been authorized to arrange with the Edison Company to turn on the street lights for an hour or so to aid in the cleaning of our sidewalks of snow on very dark mornings. It is believed this will prevent accident and secure earlier ploughing.

Permanent Sidewalks. For permanent sidewalks installed during the year, and details of the same, reference is made to the report of the Town Engineer and Board of Public Works. Assessments under Chapter 49, Revised Laws, for sidewalk construction on Windemere Avenue, Ravine, Gray and Teel Streets and Massachusetts Avenue to an amount of $975.35 were committed to the Collector of Taxes; also a reassessment on Henderson Street to an amount of $70.

Sidewalk assessments are a lien on abutting property and may be collected in the same manner as taxes on real estate. The lien is good for two years after the assessment is committed to the Collector.

All permanent sidewalk construction must be done in accordance with Town specifications and to the satisfactiom of the Town Treasurer. In the cost of permanent walks the Town allows one-half the cost of coal tar walks, being usually about 37 1-2 cents per square yard. The amount expended for sidewalks was $3,644.19, about $2,940.00 being for extensions and the balance for renewals.

Pole Locations. Eight petitions for pole locations have been granted to the Edison Electric Illuminating Company, most of which were for reconstruction work, replacing decayed poles, straightening and strengthening lines.

Four petitions for pole locations have been received from the New England Telephone and Telegraph Company; of these two were granted, one given leave to withdraw, and one laid on the table.

It is the policy of the Board, as far as possible, to have only one set of poles on a street, the same poles being used by different companies when practicable.

Underground Wires and Conduits. Petitions to lay underground wires and conduits on Broadway from Massachusetts Avenue to Franklin Street, and on Medford Street from Massachusetts Avenue to Warren Street, have been granted to the New England Telephone and Telegraph Company.

Petition to lay underground wires and conduits from Broadway to the south corner of Russell Street, through Warren, Medford, Chestnut and Mystic Streets, was granted the Edison Electric Illuminating Company. This was for the location of a line for the transmission of electricity of high potential current to Woburn. One of the conditions of this grant is that all aerial wires connected with said line are to be placed underground within ten years from date, and a bond to the amount of $5,000 guaranteeing the same was signed by the Company. It is the policy of this Board, as far as possible, to have all wires placed underground.

Taxation of Franchises. There is little doubt that towns are not receiving from corporations in the way of taxes full compensation for privileges granted in the use of public streets. Nothing, therefore, to which the Town is entitled by law from these corporations should be allowed to slip through the fingers of the Assessors.

We believe it would be well for our Board of Assessors to give the matter of such taxes special consideration.

The several corporations given locations in our streets by special grant are as follows:—

Boston Elevated Railway Company, tracks, poles and wires.
Boston & Northern Street Railway Company, tracks, poles and wires.
Lexington & Boston Street Railway Company, tracks, poles and wires.
New England Telephone & Telegraph Company, poles, wires and conduits.
Atlantic Telegraph Company, poles and wires.
Arlington Gas Light Company, pipes.
Edison Electric Illuminating Company, poles, wires and conduits.

Plans Approved. Plans contemplating the laying out of streets are required by law to be approved by the Board of Survey before said streets can be laid out by the Joint Board. Petitions for the approval of plans of this character have been received relative to Water Street Extension, Palmer Street, Cross Street, Extension of Henderson Street, Wyman Street, Avon Place, Blossom Street, Florence Avenue, Warren Street, Barnstable and Bristol Roads. These plans were approved, with the exception of those referring to Cross and Henderson Streets, and to Warren, Barnstable and Bristol Roads. The uncertainty as to the grade required for Cross Street and Henderson Street Extension, because of prospective improvements by the Metropolitan Park Commission in Alewife Brook Territory, caused this matter to be laid over for the present. The plans referring to Warren, Barnstable and Bristol Roads were not approved because the layout was very unsatisfactory to the Board and not in harmony with the purposes of the Board of Survey Act.

Streets Laid Out. The following streets have been laid out by the Joint Board, the usual notices having been served and hearings given, Palmer Street from Broadway to Warren Street; Wyman Street from Broadway to Warren Street; Tanager Street; Avon Place from Massachusetts Avenue, southerly about 428 feet; Water Street from Russell to Mystic Street.

All of these streets were laid out under the provisions of law authorizing the assessment of betterments, and all excepting Water Street Extension were accepted and established by the Town November 22, 1906, as Town ways, and appropriations made for their construction.

Boston-Lowell Interurban Street Railway Company. On March 26, 1906, a petition was received from "a majority of directors of the association for the formation of the Boston-Lowell Interurban Street Railway Company" . . . "for a location of the tracks of the proposed railway in the Town of Arlington." This petition was laid on the table pending communication with the Town Counsel as to the authority of the Board in granting said petition. It was the opinion of the Town Counsel that the Board had no authority to grant such a petition. A duly advertised public hearing on the petition, however, was given by the Board in Town Hall on the evening of April 23d. A large number of citizens were present, and a long and free discussion of the questions involved was engaged in by persons favoring and opposing the granting of the petition. At the close of the hearing, the Board took the matter under advisement and on May 7th, being convinced that the Board had no legal right to grant said petition, voted unanimously that the petitioners have leave to withdraw. Soon after this date the so-called Interurban Railway Act became law, a new corporation was organized and a petition presented to the Railroad Commissioners for a certificate of necessity for the proposed road. A view of the route was taken by the Commissioners, but further action in the matter has been postponed. The Board believes that the sober sense and sound judgment of the community should determine the attitude of Arlington toward the proposed road; and that the facts should not be overlooked that there will be many houses destroyed, a considerable nuisance created and much damage done, for which there can be no recovery if the road is built as planned.

Street Car Service. The service of the Boston Elevated Railway Company has continued to be unsatisfactory in a number of respects, and frequent complaints have been made to the Board. A continuous effort has been made by letter and interview to persuade the officials of the company to issue free transfers from the North Cambridge car barn. As this request was denied, the Board presented to the Railroad Commissioners a petition setting forth the fact that the service rendered is inadequate and unsatisfactory, that

the cars are grossly overcrowded, and praying that the commissioners recommend free transfers from the lines terminating at North Cambridge, Clarendon Hill, and Medford Street, Arlington. This petition will be heard early in 1907.

The obstruction of Medford Street by standing cars has been objected to by many citizens and has been called to the attention of the company without satisfactory results. The questions whether the road can be compelled to run all cars to Arlington Heights, and if so, whether it should be ordered to do so, are under consideration by the Board.

Gas Mains. Six petitions from the Arlington Gas Light Company for permission to extend gas mains in Massachusetts Avenue, Gray Street, Swan Street and Court, Medford Street, Broadway and Court Street, have been granted under the usual conditions.

Plans and Data. Specific plans are on file clearly and definitely showing the location of railway tracks, poles and wires, underground conduits, water mains, sewer mains, and service pipes; but there appears to be only a general plan of gas mains and service pipes connected therewith. Specific plans of these should be on file, and no petition for laying gas pipes should be granted unless accompanied with said plan.

Complete data connected with all franchises granted in the use of our public streets should be on file with the Town Clerk, and easily available to the various Boards having use for the same.

Joint Board of Selectmen and Board of Public Works.

ACTS OF 1897.

(Chap. 249).

AN ACT TO ESTABLISH A BOARD OF SURVEY FOR THE TOWN OF ARLINGTON.

Be it enacted, etc., as follows:

Section 1. The Selectmen of the Town of Arlington shall constitute a Board of Survey for said Town.

Sec. 2. Any person or corporation contemplating laying out or locating and constructing any street or way in said Town after the passage of this act shall before beginning such construction submit to said Board of Survey suitable plans, to be prepared in accordance with such rules and regulations as said Board may prescribe. Upon the receipt of such plans, together with a petition for their approval, said Board shall give a public hearing thereon, after advertising such hearing once a week for two successive weeks in a

newspaper published in said Town, the last advertisement to be at least two days before such hearing, and after such hearing said Board may alter such plans and determine where such street or way shall be located, and the width and grades thereof, and shall so designate on said plans. Said plans shall then be approved and signed by said Board and filed in the office of the Clerk of said Town, who shall attest thereon the date of such filing.

SEC. 3. The Board of Survey shall from time to time cause to be made under its direction plans of such territory or sections of land in said Town as said Board may deem necessary, showing thereon the location of such streets or ways, whether already laid out or not, as said Board shall be of opinion the present or future interests of the public will require in such territory, showing clearly the directions, widths and grades of each street or way, and may employ such assistance and incur such expenses as it may deem necessary therefor, not exceeding the amount of money appropriated by the Town for said purpose. Said Board before making any such plan, shall give a public hearing as to the locations, directions, widths and grades of streets or ways in the territory to be shown on the plan, after advertising such hearing once a week for two successive weeks in a newspaper published in said Town, the last advertisement to be at least two days before said hearing, and shall after making any such plan give a like notice of hearing thereon, and keep the plan open to the public inspection for one month after the advertisement of such hearing. Such plan thereafter, and after the alterations deemed necessary to said Board have been made thereon, shall be marked as made under the provisions of this act, shall be signed by said Board, and after being so signed shall be filed in the office of the Clerk of said Town, who shall attest thereon the date of such filing.

SEC. 4. The powers of the Board of Selectmen of said Town in regard to highways shall not be abridged by this act in any manner, except as provided in this section, and the powers given them in this act shall be in addition to the powers now exercised by them. After the passage of this act no street or way in the Town of Arlington, shown on any plan filed as aforesaid, shall be laid out, located anew, altered or widened, and no such street or way, whether already or hereafter laid out, shall be constructed by any public authority, except in accordance with the provisions of this act. If any person or corporation shall hereafter open for public travel any private way, the location, direction, widths and grades of which have not previously been approved in writing by said Board of Survey, in the manner provided in this act, then neither the Town nor any other public authority shall place any public sewer, drain, water pipe or lamp in, or do any public work of any kind on, such private way so opened to public travel contrary to the provisions of this act: PROVIDED, *however*, that this provision shall not prevent the laying of a trunk sewer, water or gas main, as engineering demands may require.

SEC. 5. If any building shall hereafter be placed or erected in said Town upon land within the boundaries of any street or way shown on any of the plans filed with the Town Clerk as herein provided, or on land adjacent to any such street or way, the grade of which at the time of placing or erecting such building is other than the grade shown on said plans, or on land adjacent to any street or way, the plan and profile of which has not been approved by said Board of Survey, no damages caused to any building so placed or erected, by the construction of said street or way as shown on said plans, or caused to any building so placed or erected, or to the land upon which said building is placed or erected, by the subsequent change of grade of any street or way the plan of which has not been approved by said Board of Survey, shall be recovered by or paid to the owner of the whole or any part of the estate of which the land upon which said building so placed or erected formed a part, from or by said Town.

SEC. 6. The said Town may from time to time appropriate sums of money to be expended by said Board of Survey for carrying out the provisions of this act. No expenditures shall be made in excess of such appropriations.

SEC. 7. This act shall take effect upon its acceptance by a majority vote of the voters of said Town present and voting thereon at a Town meeting called for the purpose, or at any annual meeting of said Town. [Approved April 8, 1897.]

TOWN OF ARLINGTON.

NOTICE TO SURVEYORS.

All plans and profiles hereafter submitted for the approval of the Board of Survey under the provisions of Chapter 249 of the Acts of 1897, and any act or amendment thereto, must be drawn on tracing cloth, and be of uniform size, viz.: 22 inches by 30 inches.

The plans must give sufficient information to accurately locate the proposed streets so as to connect them with other existing streets in the vicinity, and enough grade heights given on the plans so that the profiles may be readily located on the plans.

All radii of curves, widths of streets, and all proposed grades must be plainly marked in vermilion ink; all other figures and lines in black ink.

All grades must refer to Arlington Town Base.

Profiles must show levels on both sides and center of proposed streets, and the proposed grade of the center of the street stations not over fifty feet apart.

All buildings abutting on the proposed streets shall be shown both on the profiles and plans and the station of their side lines given.

The scale of the plans must be forty feet to an inch; and the horizontal scale of the profiles forty feet to an inch; and the vertical scale of the profiles six feet to an inch.

The above plans shall be accompanied with a plan of a scale not smaller than 160 feet to an inch, showing the entire property proposed to be laid out, and such adjoining property may be affected, with the measurements of the outlines of the property clearly shown thereon.

If a street submitted for approval does not extend through to another street and is likely to be extended in the future, the plan should be of the whole street, showing the connection with existing or other proposed streets.

The owner's name should form a part of the title of the plan and the names of all the abutting owners should be given.

By Order of Board of Survey.

ARLINGTON, MASS., March 26, 1898.

REPORT OF THE TOWN COUNSEL.

To the Joint Board of Selectmen and Board of Public Works:—

GENTLEMEN:—The case of Partridge vs. Arlington, a petition for damages arising by reason of the alteration of the grade of Claremont Avenue, was tried on May last and a verdict of two hundred and fifty dollars ($250) rendered in favor of the petitioners. The case was taken to the Supreme Court on exceptions taken by the Town and these were argued on November last. The exceptions are sustained and the verdict was reduced to $25. The costs to which the Town will be entitled will probably offset the reduced verdict.

The suit of Lock vs. Arlington, which has been pending some years, has been dismissed.

The action of Grebenstein vs. Arlington, for damages for injuries received in consequence of an alleged defect in the highway, is still pending.

The claim of Jennie Way vs. Arlington, for injuries received in consequence of an alleged defect in Bartlett Avenue, has been settled for $77.50.

During the year suit was instituted against Nora Sullivan, for reimbursement for relief afforded her by the town, and judgment in favor of the town obtained but not satisfied.

Suit brought vs. John F. Souther, for the taxes of 1904 and 1905, resulted in the payment in full of the taxes as assessed.

Suit has been brought vs. Mrs. Berry, for reimbursement for relief afforded by the town to her father, Matthew Patterson.

A bill in equity has been filed in the Supreme Court by the Trustees of the Pratt High School Fund praying for the allowance of a scheme whereby the income of the fund can be devoted to a more beneficial and comprehensive use than that allowed by the terms of the will. The scheme has been assented to by the Attorney General, and the Supreme Court entered a final decree extending the use of the income from the fund in addition to the purposes set forth under the will to the purchase of scientific and mechanical apparatus and appliances, including their installation and the supplies necessarily used in connection therewith, and in securing special instruction for the pupils of the Arlington High School in science, literature and art.

The legal work of the different departments has been attended to.

Respectfully submitted,

HORACE D. HARDY,
Town Counsel.

REPORT OF THE TOWN ENGINEER.

ARLINGTON, Mass., January 28, 1907.

To the Joint Board of Selectmen and Board of Public Works.

GENTLEMEN: — Herewith is respectfully presented the report of the Engineering Department for the year 1906.

The organization and character of the work has been the same as last year.

All expense is charged each week to the Department or Board for which service is rendered, and is classified for the year as follows in the same form as heretofore, so that comparison of the work from year to year can readily be made.

Highway Division: For marking all lines and grades, making plans, profiles, estimates, locations and records of work done, and in contemplation by the Division	$388 52
Sewer Division: For all surveys, plans, profiles, lines, grades, records and superintendence on cleaning and flushing of sewers	60 68
Superintendence and inspection on sewer construction	40 58
Superintendence and inspection on particular sewer construction	361 78
Water Division: For all lines for new mains and locations and records of gates, hydrants, special service boxes, work on registration data and office records	459 79
Side Walks: For all lines, grades and measurements of edge stone, concrete, brick and artificial stone walks	63 84
Board of Survey: For all surveys, plans, and profiles of streets laid out by the Board	98 68
Street Numbering: Locating buildings and assigning numbers in accordance with the Town By-Laws	5 79
Plans: Copying plans and deeds from Registry of Deeds at East Cambridge	4 80
Description of real estate for tax titles	23 64
Town House site, levels for grading	5 60
	$1,513 70

BOARD OF PUBLIC WORKS. For details of the work under direction of the Board, reference is made to their report.

HIGHWAY DIVISION. It has been the continued aim of the Highway Division this year to bring the existing Town ways into as good a state of repair as circumstances would allow; by re-surfacing where greatest necessity demanded; by keeping the surface of the streets in a smooth and sanitary condition; and by filling up depressions, cleaning and removing mud and unsightly debris.

Twenty-six thousand eight hundred fifty-six (26,856) square yards of macadam re-surfacing was laid representing a length of 3.45 miles

at an average width of fourteen feet. A similar amount another year will bring the old surfaces of the streets up to a fair standard.

It must be borne in mind, however, that in any growing Town like Arlington, street surfaces cannot be maintained in an absolutely perfect condition because of constant disturbance by the digging of trenches for wire conduits, gas, water and sewer pipes. And especially is this so where streets are surfaced with the natural soil common to New England towns.

As I have heretofore called attention in the case of Massachusetts Avenue, west of Water Street, the travel ways on either side of the car tracks are so narrow that it is impossible to secure proper drainage for a macadamized road subjected to the travel of this street. I mean by this, that it is impossible to keep the street free from mud during times of wet weather from lack of drainage. The only remedy is to raise the grade of the Boston Elevated tracks, so that sufficient grade may be obtained to carry the water and mud to the gutters.

The Department is well equipped to do the necessary work of cleaning and repairing, but this is of not much avail under present conditions. The best that can reasonably be expected for this street is to keep it fairly smooth and as free from mud as is practicable unless the Town provides money for permanent pavement.

From a standpoint of future economy, for sanitary reasons, general appearance and convenience to the public, the cost of such improvement would pay for itself within five years. This is the only means of making a permanent remedy of present conditions.

I most strenuously urge that measures be taken to bring the question of pavement before the Town in 1907. Perhaps a plan might be adopted whereby a small amount of pavement could be laid each year, so that within a few years the work will be accomplished and no great amount of money would be needed in any one year.

It can easily be proved by figures and by the experience of other towns and cities nearby, that for streets where the amount of travel and conditions are similar to that of our main thoroughfare, a permanent pavement is imperative. No macadam road can be built, or maintained after it is built, that will stand this travel with satisfactory results without prohibitive expense.

During 1907 we shall be called upon to construct four newly accepted streets, namely: Tanager Street, Avon Place, Wyman Street and Palmer Street, in addition to the regular work of the Department. For this purpose, and also because it is economy in every respect, the regular highway force is being employed at the Town ledge during the present winter, when not required elsewhere, with the result we hope that very little additional ledge work will be necessary during the warm weather of summer.

Five thousand three hundred seventy-eight tons of stone were quarried and crushed during the season of 1906. It is probable that 6,000 tons at least will be required for 1907.

Storm Drainage. The question of storm drainage has been receiving considerable attention for several years, so that now the main system for existing streets is practically complete. Short extensions will constantly be required, and as new streets are developed some new outlets will, of course, have to be provided.

During the year a drain in Fessenden Road with two catch basins was built, and a short section on Lewis Avenue was enlarged and relaid. Additional catch basins were built at the southeast corner of Appleton Street and Park Avenue, and on Massachusetts Avenue. Catch basins have also been placed in the car tracks at three points on Mystic Street, two on Medford Street and three on Massachusetts Avenue; a part of the expense being borne by the railway companies. This makes the total length of storm drains in the town 6.2 miles, and the total number of catch basins 184.

For 1907 construction, I recommend that provision be made for storm drains and catch basins as follows: Academy Street, Massachusetts Avenue to Maple Street; Jason Street, Massachusetts Avenue to the brook; Massachusetts Avenue, Tufts Street to Barnes Lane; Pleasant Street, Massachusetts Avenue to the brook; Warren Street, Webster Street to Beacon Street; Wollaston Avenue, Park Avenue to Tanager Street.

New catch basins on Massachusetts Avenue at Grand Army Hall, Tufts Street and Pleasant Street; also Summer Street corner of Mystic Street; and more grates in car tracks on Massachusetts Avenue at three different points; also on Mystic Street opposite Chestnut Street.

Paved Gutters. No work in connection with street improvement is of more importance than the paving of gutters on steep grades. It is the first step toward maintaining good streets. This work has been continued each year so that not a great deal now remains to be done on accepted streets. One thousand and sixty-six (1066) square yards were laid in 1906, making a total of 8.1 miles in the town to date. During the winter when the Department teams are not otherwise employed, paving is being hauled from the Boston Elevated Railway yards at Cambridge, for use in the new street construction of 1907, already mentioned and provided for, and also for use in the general work of the Department during the next season.

I would recommend that Mill Street gutters be paved on both sides from Mill Brook to Summer Street; also extensions made on Claremont Avenue, Park Avenue, Hillside Avenue and Bacon Street.

Cross Walks. One cross walk was laid on Massachusetts Avenue at Walnut Street. In this crossing tar concrete in place of granite flagging was tried on the north side of the street with good results. I believe that this form of a crossing should be adopted and that others should be placed at several points on streets where street car lines exist.

Edge Stone. Two thousand two hundred and forty-seven feet of edge stone was set in 1906, on Teel Street (Massachusetts Avenue to Sawin Street), both sides of Windermere Avenue, and on the west side of Ravine Street, including also short lengths on Medford Street and Warren Street.

Edge stone should be provided for on Teel Street from Sawin Street to Cross Street; and in connection with this work Sawin Street should be accepted and made a Town way from Henderson Street to Teel Street, because this street between these points is much used by the public and is badly in need of repair.

Bacon Street should be re-graded, edge stones set and gutters paved during the next year. The street is only thirty feet in width, and is a thoroughfare for travel, making it impossible to maintain a satisfactory travel way and side walks under present conditions.

Edge stone or brow stone corners should be placed at several street intersections to protect sidewalks from injury by teams, and also to improve drainage conditions.

A portion of Summer Street between the Almshouse gate and Pine Street should be accepted by the Town and rebuilt. This portion of the street is narrow and dangerous to travel, and is a peculiar case from the fact that Pine Street was accepted by the Town many years ago, and has only a connection with an accepted street over this private way which oftentimes is really dangerous to travel.

Sidewalks. Four hundred nineteen square yards of concrete, brick and artificial stone were laid on Pleasant Street, Bartlett Avenue, Windermere Avenue, Gray Street and Massachusetts Avenue.

Also old tar concrete sidewalks were renewed by re-surfacing on Massachusetts Avenue, Pleasant Street, Maple Street and Mystic Street.

In the case of the latter work in some cases the walks were made narrower than formerly. The idea being that a walk six feet in width was ample for the locality.

There are about two thousand square yards of old tar concrete walk which should be re-surfaced in 1907.

By this method the old walks are made smooth and even for travel, and at comparatively small expense can be made satisfactory for several years. More permanent sidewalks are urgently needed.

The plan adopted last year of using soft coal ashes as a sub-grading material for sidewalks has been continued as far as opportunity permitted and material was available. This method will result in dryer walks where no artificial construction exists, and again is the proper foundation on which to lay artificial walks when the time for their construction arrives. About two hundred loads of ashes have been used for this purpose.

Streets. Old Mystic Street at Hutchinson Road should receive extensive repairs early in 1907. The work should consist of paved

gutters, catch basins, and storm drain, and the rebuilding of a part of the roadway of Hutchinson Road from Old Mystic Street to top of hill. In times of excessive storm great quantities of water are discharged at the junction of Old Mystic Street and Hutchinson Road, causing at all times more or less damage, both to the streets and private lands. The minor repairs which from time to time have been made are only temporary, and the work should be made permanent to save future expense.

Parts of Massachusetts Avenue, Mystic Street, Medford, Warren and Pleasant streets will need re-surfacing, for which provision should be made. In the case of Mystic Street, practically the whole of the street from Russell Street to the Winchester line was done in 1906, and should last for several years without further attention.

Windermere Avenue was accepted March, 1906, and was graded and surfaced with gravel and edge stone set early in the summer.

Several streets have been patched with gravel surfacing. The effort has been made to remove loose stone, brush, grass and weeds on all accepted streets. Owing to the character of the season, much time was required to do this work on some streets where travel is light. Fences have been repaired at numerous points and in some cases entirely renewed. Cross gutters or bars for conveying surface water to the gutters to prevent washing away of the surface of the street have been placed on several of the steeper grades.

Equipment. The Department is well equipped with tools and appliances to do the work required. No extraordinary expense will be necessary in 1907, except for new steam roller and for new horses.

The steam roller purchased by the Town in 1895, is worn out. The machine has done good service, but is not now safe to operate longer, and repairs will be too expensive to be practicable. Provision must, therefore, be made at once to procure a new roller for use in 1907.

The Department owns 12 work horses. Several of them have been in the Department for years and must be replaced by younger and faster horses, if the work of the Department is to be done advantageously. I recommend that five new horses be purchased in 1907 before the present horses become entirely worthless and while they can be exchanged to fair advantage.

The Almshouse stable requires immediate repairs to the flooring and supports including also proper drainage and sanitary conditions.

Street Watering. The routes for street watering are arranged the same as in 1905. The contracts were for a season of six months, and the watering for the time required during April and November has been done by the day. A new watering cart is available for another year, and it would seem best to extend the street watering service by making six routes. This method will permit the service on certain streets where it is very much desired by residents, and also

will allow the shortening of the present routes, which are all too long to give a really satisfactory service. The watering of streets is a matter in which the whole Town should be much interested. The benefits are not confined to residents of the streets which are watered, but are indirectly shared by all citizens. Therefore, if the service was divided into six routes, and the time for watering extended from April 15 to November 15, much additional comfort and convenience to all would result. It would seem if the charge to abutters on streets watered was made two cents per lineal foot of frontage, and the balance amounting to one-half cent per lineal foot of street watered was paid by direct appropriation, the assessment would be equitable, and more consistent to the benefit received.

The possible use of calcium chloride in connection with street sprinkling will result, we hope, in a less expensive and more efficient service.

Sewer Division. The only sewer construction in 1906, was a short extension on Appleton Street, south from Park Avenue, and in a private way from Massachusetts Avenue, opposite Highland Avenue.

It would appear that not much construction of sewers will be required in 1907; short extensions only now being considered. Sewers in the Dudley Street and Grove Street district, will, however, soon have to receive serious attention.

Connections with sewers have been made by the same method as in former years.

The equipment remains the same as formerly, but the horse belonging to the Division, having been used continuously since 1898 will have to be replaced.

Collection of Offal and Ashes. The collection of offal and ashes is increasing each year, due to increase in population, and also because many people who did not formerly take advantage of the service are now doing so.

The collection of offal is now made by two old horses and two men. From experience, I have found that better service can be given with one good horse and two men, and I recommend that provision be made to purchase a new horse and wagon adapted to the purpose, which will handle the work through most of the year. At times when this service is inadequate, the old two-horse wagons can be used, operated by Highway Division horses. As the Town grows and necessity requires, additional single-horse wagons can satisfactorily do the work at least expense.

Town House Site. The Town House site lot, corner Massachusetts Avenue and Academy Street, has been graded. It is probable that some additional filling in places will be required, due to settlement where cellars formerly existed. Effort was made, so

far as the appropriation would allow, to remove the slope adjoining the High School building. All the excavation possible without removing ledge was made, and I would recommend that additional appropriation be allowed to remove about three feet at the extreme top of the slope so that the High School building may be given the elevation required to present the best appearance.

I would suggest also that beds of shrubs, which can be spared from the grounds of the Robbins Library, be placed at the corners of the lot.

Sucker Brook. An appropriation of $250.00 was made for lowering of bed of Sucker Brook at Park Avenue. Of this amount $240.80 have been expended in excavating ledge and gravel in the channels of the culvert, and in widening the brook from the Boston and Maine R. R. bridge to Schwamb's pond. All the work that it is practical to do at the old culvert, has been done. Eventually, the present culvert will have to be rebuilt, and should be replaced with a concrete bridge of single span, sufficient to afford a wide and unobstructed channel for the water. There is a large area to be drained above Park Avenue and the volume of water will increase as the land is developed by building. By keeping the present culvert free from debris, with additional straightening and excavating of lateral channels yet remaining to be done, fairly satisfactory results should be obtained for sometime to come.

Realizing that the work done in 1906, was only temporary relief of conditions then prevailing, owing to the character of the present culvert, no expense was permitted, except along the line of what, in the future, will be permanent improvement. The large storm drain from the district to the South of Massachusetts Avenue is discharged directly into the South channel of the culvert, as is also the sewer under-drain from the same district. More or less gravel is being deposited by these drains which will have to be removed by the Highway Division each year, while the old culvert remains in existence. All work done on the brook to the West of Park Avenue is, by vote of the Town, to be paid for by owners of the private land adjoining the brook.

Board of Survey. Nine plans have been examined on which hearings for approval of location and grade were held by the Board. Surveys and plans were made for location of new streets between Kensington Road and Gray Street. Final disposition of this matter has not yet been made.

Signs. By direction of the Board of Selectmen, signs giving warning to automobile drivers located at dangerous turns in our highways have been placed in position.

Removal of Ice and Snow. The problem of the removal of snow and ice is of interest to all citizens. Arrangements have been

made to begin the plowing of sidewalks in times of storm at an early hour, so as little inconvenience to the public as possible may be caused. The routes are long and require from three to four hours to cover with eleven plows. It is absolutely impossible to maintain sidewalks in a smooth condition at all times when covered with ice or snow, unless they are entirely shovelled by hand, which, of course, cannot be considered because of the expense involved. Effort is made to sand all sidewalks promptly whenever necessary.

In the case of side walks of artificial construction, some abutters remove the snow and ice while others do not. It is the custom in nearly all towns and cities to make abutters on all permanent sidewalks responsible for the removal of snow or ice, so it would seem to me advisable to consider the adoption of a by-law in Arlington requiring owners of estates fronting only on walks of artificial construction to remove ice and snow within a reasonable time after a storm, and in case of failure to do so that the same shall be removed by the Street Department, the expense to be charged to the abutters.

New Maps. A quantity of new maps of the Town have been published for use of Departments and for distribution to the Public generally. These maps show the existing layout of the streets and ways of the Town.

Robert A. Pond,

Town Engineer and Superintendent of Streets.

ANNUAL REPORT OF INSPECTOR OF WIRES AND SUPERINTENDENT FIRE AND POLICE SIGNAL TELEGRAPH.

ARLINGTON, MASS., January 2, 1907.

To the Honorable Joint Board of Selectmen and Board of Public Works:—

GENTLEMEN:—I respectfully submit the seventh annual report of the Inspector of Wires and Superintendent of Fire and Police Telegraph for the year ending December 31, 1906.

INSPECTION OF WIRES IN BUILDINGS. The work of inspecting of electrical wiring in buildings is increasing so rapidly that some arrangement should be made for the appointment of an Assistant Inspector and Superintendent of Wires. The responsibility and care of the various electrical systems owned by the Town should not involve on one man as in case of sickness, injury or other cause, there should be some one familiar with the duties of these Departments to know wherein the various wires and appliances of the Fire and Police Signal Systems are and how to make repairs without delay, also to be familiar and competent to enforce the requirements of the Inspection Department. The inspection of wiring in buildings is of primary importance and proper inspections conduce largely to the safety of the individual buildings involved and also to the Town as a whole. Three hundred and three (303) inspections have been made during the year of new wiring, fixtures and other appliances installed in buildings. This does not include visits made by your Inspector for the purpose of giving advice about work or to suggest changes to be made in old installations. Number of unfinished inspections, nineteen (19). One hundred and forty-seven (147) notices were received by this Department for the installation in buildings of wiring, motors, etc., as follows:

Number of incandescent lights wired for			1907
Number of motors installed			9
Horse power of motors			39 5-6
Generators installed	1	Capacity	8 K. W.
Electric irons installed	5	Total	1,700 Watts.

One hundred and ninety-four (194) permits were granted the Edison Electric Illuminating Company, of Boston, to supply service as follows:

2474 16 C. P. incandescent lamps.
9 motors with a total of 39 5-6 horse power.
8 G. E. M. high efficiency incandescent lamps, total 1350 watts.
3 electric irons, total, 1550 watts.
1 15 ampere service for experimental purposes.

On August 1st, printed rules were issued by this Department governing the installation of overhead, underground, interior wires and apparatus. These rules and regulations are based on the National Electrical Code, with several additions governing local conditions, and were issued by the various Electrical Inspection Departments who are members of the Massachusetts Association of Municipal Electrical Inspectors, it being one of the objects of this association to bring about greater uniformity in the rules governing electrical wiring throughout the state. The reinspection of old installations has been followed as time would permit and many changes have been made during the year, especially in the installation of plug cutouts in place of the open link fuse cutouts installed severals years ago. All owners of property wherein electric lights, etc., are used should see that the electrical systems in their buildings are properly protected by approved cutouts as now specified in the National Electric Code, as a cutout block with its fuses is the safety valve of any electrical circuit, the most approved appliances of this kind should be used, as with such devices the danger of an electrical fire is reduced to a minimum. With the use of the old condemned type of link fuse cutout many things can be substituted for a fuse, such as a piece of copper wire, nails, hairpins, etc., these various types of articles being found by your inspector in his visits. This condition of affairs will sooner or later, wherein such practice is followed, require a visit of the fire Department in a hurry and when an account of stock is taken later, if anything remains to make an inventory of, may convince some of the owners of property that it would have been better to follow the recommendations of the electrical inspector.

A strict compliance of the rules and requirements governing the installation of electrical wires and appliances has been demanded in all cases, and it has been necessary for this Department to order many changes to be made and also several installations have been condemned, and no permit will be given for connection to street service until the work is *properly done.* More work has been done the past year which did not come up to requirements than in all the years past since the Inspection of Wires Department was organized, this condition of affairs being due in most cases to building contractors who came from out of town and who sublet the electrical contracts to the cheapest man, regardless to the knowledge or ability of said electrician to properly perform the work. Your Inspector feels that some of these contractors will take time to look up what is required by the Town in the electrical line the next time they do work here. Careful tests have been made of all installations before issuing permits for meters, and in doing this work the Evershed Testing Ohmmeter has been used which was purchased by this Department last year and which has been found of invaluable assistance for quickly and correctly determining the conditions of wires in any building.

Supervision of Poles and Wires in the Streets. The supervision of poles and wires in the streets is a part of the duties of the Inspector of Wires. With the rapidly increasing number of poles and wires this branch of work requires constant attention and in the past year more time has been given to this question than ever before. All locations, when permission is asked to set new poles, have to be visited and the conditions noted so that poles may be properly placed. The proper size of poles has to be considered in each particular case, to the end that wires shall not interfere with trees,.also that sufficient space is allowed for additional cross-arms and wires that may be installed later, and primary that the general appearance of the poles to be set shall be satisfactory and not cause objections to arise from owners of property near where the same are to be placed. A space of thirty inches is required at the top of all poles for the placing of the cross-arms and wires of the fire alarm, police signal and other wires owned by the town. All new poles are painted and provided with pole steps; the use of spurs or climbing irons not being permitted by this department. Early in the spring a careful inspection was made of poles throughout the town wherein in the judgment of your inspector the same needed attention. One hundred seventy-one (171) poles were condemned as unsafe or not suitable in size or general appearance. These poles were all replaced, new poles set being round and of chestnut, this class of timber being considered the most durable and satisfactory that can be used. This is the largest number of poles ever replaced in one year, and with what has been done in this line in the last few years the time is near at hand when it can be said that the pole and wire construction on our highways is the equal if not the superior to what is generally found in other municipalities. To accomplish these results has and will require much time and thought to be given to this question, and the results attained will be of general satisfaction to all citizens, as many unsightly and not properly located poles have existed in the past which, your inspector is pleased to say, are rapidly disappearing.

The following specified streets where poles were replaced are as follows:

Street.	Owner.	Poles Replaced.	Street.	Owner.	Poles Replaced.
Appleton	Edison Co.	1	Mass. Ave.	Edison Co.	2
Academy	" "	3	Mill	" "	6
Bartlett Ave.	" "	13	Medford	N. E. T. & T. Co.	3

	Total,	171

Sixty-two (62) permits were issued for the replacing of old poles also for setting new poles in locations as granted by your Honorable Board. Permission was granted the Edison Company to remove four (4) old poles on Summer Street, this company placing their wires on the poles of the Telephone Company. The New England Telephone & Telegraph Company were granted permission to remove one pole on Water Street, near Massachusetts Avenue, this change being necessary on account of new building of the Twenty-one Associates being built at that point. A permit was given the New England Telephone & Telegraph Company to attach one fifteen-pair cable to fifteen poles of the Edison Company on Bartlett Avenue. Two new poles were set by the Edison Company on Westmoreland Avenue between Lowell Street and Westminster Avenue, also five new poles were set on Sylvia Street by the New England Telephone & Telegraph Company, these streets being private ways, locations being given by abutters, poles being in accordance with requirements of the inspection department of the Town.

The following specified new locations were granted after hearings had been given in accordance with the Public Statutes:

Petition.	Streets.	Poles.		Date of Plan.	Granted.
Edison Company,	Lowell Street,	To set	3,	Feb. 15th,	Mar. 12, 1906
		Remove	1,		
Edison Company,	Lowell Street,	To set	1,	June 27th,	July 23, 1906
Edison Company,	Bow Street,	To set	2,	Oct. 10th,	Oct. 22, 1906
Edison Company,	Bow Street,	To set	3,	Aug. 1st,	Aug. 27, 1906
Edison Company,	*Mill Street,	To set	6,	Dec. 12th,	Dec. 24, 1906
		Remove	4,		
Edison Company,	Russell Ter.,	To set	1,	Nov. 19th,	Dec. 24, 1906
Edison Company,	*Winter Street,	To set	14,	Nov. 19th,	Dec. 24, 1906
		Remove	13,		
Edison Company,	Cedar Street,	To set	2,	Nov. 19th,	Dec. 24, 1906
Edison Company,	*Park Circle	To set	6,	Nov. 19th,	Dec. 24, 1906
		Remove	4,		
Edison Company,	*Lewis Avenue,	To set	1,	Nov. 19th,	Dec. 24, 1906
		Remove	1,		
N. E. T. & T. Co.,	Mystic Street,	To set	1,	Mar. 17th,	Mar. 26, 1906
		Remove	2,		

*NOTE.—Poles removed included in schedule of old poles replaced, new locations being granted as specified above. Changes in locations being necessary for proper equalization of distance between poles as required.

In accordance with orders issued by this Department the Lexington & Boston Street Railway Company have reset all poles owned by them between the Lexington town line and the car barns of the Boston Elevated Railway Company at the Heights. These poles were very much out of line and were straightened up and reset in cement. Trolley wires were tightened up and placed at a proper height over street, also additional span wires and hangers were installed for the support of trolley wires. The last section of trolley wire near the Lexington & Boston Waiting Room was supported by an extra number of hangers, the same being laced together in such a manner as to prevent trolley wire, in case of breakage, of coming in contact with people who might be standing under same. As there are a great many people, especially Sundays, in the summer time, standing in the street at this particular point, it was considered that extra precaution should be taken to prevent any possibility of breakage in the trolley wires, this being the end of the line, which if same did occur might cause serious results. The New England Telephone & Telegraph Company replaced all poles between the Lexington town line and the Lexington & Boston Street Railway Waiting Room, these poles being used in part by the street railway for support of trolley span wires. These poles were reset in cement in accordance with requirements. The New England Telephone and Telegraph Company have installed underground conduits on Medford Street from Massachusetts Avenue to junction of Medford and Warren Streets. Lateral tap conduits were installed from main conduit system to Chestnut and Warren Streets. These conduits were installed principally for connecting of new telephone building on this street. Plans showing number of feet of conduit installed on file with Town Engineer.

Fire Alarm Telegraph. The fire alarm system has given good results during the past year, all alarms having been transmitted correctly. Very little trouble has been experienced other than the occasional adjustment of a bell striker, gong, etc., which come in the ordinary run of repairs appertaining to this kind of a system. Strict supervision and inspection is constantly maintained on the system to keep the same up to a high state of efficiency at all times. The electric air compressor has given more trouble this year by the breaking down of armature coils in the motor and also the stripping of the cogs of the pinion gear wheel on armature. A new gear was placed on motor by this Department, but the armature had to be sent to factory. As stated in several reports of this Department in the past it is recommended that a new air compressor of the latest type be purchased, as the present machine was put in commission December 15, 1897, being a second-hand machine at that time. This compressor has done good service, but its days of usefulness are about through and it should be put into reserve before being wholly worn out. This question should be attended to or one of

these days the Town will be temporarily without its fire whistle until repairs can be made or a new machine purchased. It is not economy to continue making repairs on this machine as has been done in the last three years.

Twenty street signal boxes were equipped with (Cole) key guards, this leaving but five boxes in the entire system which are not so equipped. These key guards are a decided improvement and add greatly to the efficiency of the fire alarm system, as an alarm can be quickly given without having to go to some one's house and get a key which causes much delay especially in the night. As the keys are locked in each box door all that is necessary in case of fire is to break the glass over key, turn same and open door. Pull hook down once on inside of box and let go. In collecting the keys distributed amongst the citizens it was found that fully 50 per cent. of these keys could not be found immediately and in several cases a second visit had to be made for the same to allow time to hunt up the key. Over 100 keys were returned and checked up with the records of the Department, each key being numbered. One six-inch gong was placed in the residence of the Second Assistant Chief of the Fire Department. A new main spring was placed in Box No. 17, the old one being found broken, similar to others reported heretofore.

Early in the year the new time clock was connected to the fire alarm system for sounding the daily test signal, the appropriation for this clock being made in November, 1905. This clock is of high grade workmanship and is one of the best class of regulators manufactured, being made by the Waltham Clock Company. This clock has maintained splendid time, and the citizens can safely set their time pieces from the test signal at 6.45 A. M., 12.00 o'clock noon, and 6.45 P. M., with the assurance that this signal is within a few seconds of standard time, as the variation in operation of clock is within five seconds per month. Much progress was made during the past summer in the replacing of old wires and cross-arms in various sections of the town. Three miles of No. 10 covered iron wire was purchased for this work and about fourteen thousand (14,000) feet of wire was replaced. This work being done as follows: Medford Street from Warren Street to Lewis Avenue; Mystic Street from Massachusetts Avenue to Russell Street; Kensington Park from Pleasant Street to Box No. 31; Academy Street from Massachusetts Avenue to Box No. 38; Jason Street from Massachusetts Avenue to Box No. 4; Park Avenue from Massachusetts Avenue to Lowell Street; Westmoreland Avenue from Lowell Street to Westminster Avenue; Wollaston Avenue from Box No. 54 to Hillside Avenue; Hillside Avenue from Wollaston Avenue to Box No. 61, corner of Florence Avenue. One hundred and six (106) four-pin cross-arms and nine (9) six-pin cross-arms were used in the replacing of old arms and strengthening the lines. These cross-arms were installed on streets where old wires were replaced, also on Tufts

Street, Broadway, Lowell Street, and Massachusetts Avenue, where changes had to be made in the fire alarm wires on account of new police signal wires which were installed. The installation of the police signal system made it necessary to make many changes both in the underground and aerial wires, also pole fixtures of the fire alarm system to allow this new work to be properly done. The replacement of the old bare iron wire with insulated wire is an additional safeguard toward adding to the proper operation and efficiency of the fire alarm system as there is less liability of these wires making electrical connection with other wires in case of breakage, also in becoming grounded where running through trees, etc. All underground wires were inspected at man holes in the streets. The splices and wire clips being painted; also new metal tags were placed on all these wires designating each circuit.

Police Signal System. In the making of an appropriation for the installing of a police signal system, the Town made no mistake, as such a system is of inestimable assistance and tends greatly to increase the efficiency of the Police Department, beside being a valuable auxiliary to the fire alarm system. With this system a complete record is kept automatically of the duty calls of the officers while patrolling, and enables the officer in charge at the station to be in constant touch with the various patrolmen on these routes, besides being a protection to each officer, as a quick means is always at hand to summon assistance if needed. The details of the working of this system will be found in the report of the Chief of Police. As stated in report of the Inspector of Wires, for the past two years the telephone system as rented by the Town from the Telephone Company for the use of the Police Department was of little value, and the money paid out, was, in the opinion of your Inspector of Wires, thrown away, considering the service given, and with the installation of a police signal system, owned by the Town, a step has been taken in the right direction. The contract for the installation of this system being awarded to the Gamewell Fire Alarm Telegraph Company, of New York, who furnished the fire alarm system of our Town, was a proper award, as this company are the makers of the best class of electrical devices of this kind in the world. The entire installation was installed under the supervision and approval o this Department, and your Inspector is pleased to state that the Town has received the full equivalent according to contract and has a signal system strictly up to date in every respect.

Recommendation. I would respectfully recommend that indicators be purchased this coming year for each of the fire stations. With an indicator in a fire station the drivers are enabled to verify an alarm as counted from the gongs, the number of box being plainly shown in large figures. To purchase these indicators will entail a cost of $375. I would also recommend the continued replacing of

the old bare iron wire now in use on the fire alarm system with insulated wire, also that the underground wires be extended as fast as practicable. More street signal boxes should be added to the system, especially in the Heights section of the Town. Suitable office furniture should be purchased for the Inspector of Wires Department, such as filing cabinets, for the proper keeping of the records of this Department.

Conclusion. Thanking your Honorable Board for the many courtesies received, also tendering my thanks to the Chiefs of the Fire and Police Departments and to the individual members of same for their hearty co-operation rendered me at all times in the carrying out of my official duties.

Respectfully submitted,

Rueben W. LeBaron,
Inspector of Wires,
Superintendent Fire and Police Telegraph.

REPORT OF BOARD OF PUBLIC WORKS.

The Board of Public Works herewith submit their annual report for the year ending December 31, 1906.

The first meeting of the Board was held on March 12, 1905; the organization resulting in the election of Peter Schwamb as Chairman. Forty-four regular meetings were held during the year. The former policy of acting as a whole on all matters coming before the Board was continued, consequently no special committees were appointed. The system of issuing written orders for materials for the purpose of checking bills, successfully introduced during 1904, has been continued, as has also the method of distributing the pay rolls.

Appointments. At a meeting held March 31, 1905, Thomas Roden was appointed Superintendent of the Water Division, Robert W. Pond, Superintendent of the Sewer Division, and Charles C. Lothrop was appointed Water Registrar and Clerk, all appointments holding for one year.

On account of the difficulty in obtaining payment for outside work before the close of each fiscal year, it was deemed best to adopt the policy, which has been successfully used for several years by the Sewer Division, and to that end the following vote was passed April 9, 1906.

Voted: That payment, or a deposit, to cover cost be made in advance for all work performed, or materials furnished by the Department of Public Works.

HIGHWAY DIVISION.

The same policy adopted in the care and repair of streets last year has been continued this year. For details of the work done, reference is made to the report of the Superintendent of Streets, with whose recommendations we concur, as follows:

Raising grade of Boston Elevated Railway tracks west of Water Street.

Storm drains and extension of same as recommended.

Paved gutters, crosswalks, and edgestone as stated.

Acceptance of Sawin Street and Summer Street.

Repair and extension of permanent sidewalks.

Resurfacing of streets.

We especially concur in and recommend the purchase of a new steam roller and the exchange of five horses.

In addition we recommend that steps be taken to put in better shape the present stable accommodations, or what we believe more desirable that attention be given to providing a better and more central location for town stables, pipe and storage yards.

Expenditures. A detailed statement of cost of the more extensive work is shown in Table I., while Table II. is a financial statement, showing a summary of all expenditures. Table III. shows location and details of cost of permanent sidewalks and renewal of permanent sidewalks.

The total costs have been made to include all indirect expenses, in the same manner as last year.

The valuation of property controlled by this Division, January 1, 1907, amounted to $14,165.00, classified as follows:—

Crusher, roller, drill	$4,573 00
Horses and vehicles	3,904 00
Materials	290 00
Tools	5,398 00
Total	$14,165 00

SEWER DIVISION.

The work has been conducted in the same manner as previously. Only two short extensions to main sewers were built, so that the principal work has been on particular sewer construction, and the necessary flushing and cleaning of the sewerage system.

A detailed statement giving cost of sewers built in 1906 by streets, including also particular sewers is shown in Table IV. A financial statement giving distribution of expenditures is shown in Table V. Table VI. gives a complete sewer statement to date.

The value of equipment and materials on hand in the Sewer Division, January 1, 1907, was as follows:—

Materials	$422 30
Horses and vehicles	694 95
Tools, appliances and store house	1,299 26
Engineering instruments and supplies	809 97
Total	$3,226 48

It is recommended that the sewers be extended wherever it can be shown that they are necessary.

An appropriation of $1500 is recommended for general purposes, including maintenance; also new sewer construction in Park Avenue.

The following statistical table gives data on new construction up to date:

SUMMARY OF SEWERAGE STATISTICS.

(In form recommended by Sanitary Section of Boston Society Civil Engineers.)

FOR THE YEAR ENDING DECEMBER 31, 1906.

ARLINGTON, MASS.

GENERAL.

Population by census of 1905, 9,668.
Total area of city or town, 5.5 square miles.
Area served by sewerage system, 1.7 square miles.
Collection System { For sewage only, 26 7 miles.* / For sewage and surface water 0 miles. / For surface water only, 6.2 miles.
Method of disposal: Sewerage into Metropolitan Sewer, surface water into brooks.

COLLECTION.

Balance from 1906	47 74
Balance from Kensington Park District Appropriation	507 90
	$1,730 06

WATER DIVISION.

Extensions of Street Mains. In all there have been laid 184 feet of 8-inch and 473 feet of 6-inch pipe, to extend the high and low service systems at a total cost of $835.41. Funds were obtained by the issue of notes for $2,000.00 by the Town Treasurer. After deducting in addition to the amount mentioned above, the sum of $900.18 to reimburse the Water Division for expenditures from income for extensions of mains in 1905, there remains a balance of $264.41, available for extensions in 1907.

Renewal of Street Mains. Twelve hundred and fifteen feet of 8-inch and 2,618 feet of 6-inch cast iron pipe, have been laid to replace cement lined pipe on Pleasant and Mystic Streets respectively. The work on Mystic Street was done in advance of resurfacing the street by the Highway Division. Owing to the delay in receiving pipe and hydrants the work on Pleasant Street was not completed, therefore, this pipe could not be used this year.

The Detail Costs of Extensions and Renewals are shown in table VII and the distribution of expenditures to construction, maintenance and stock is shown in table VIII.

The length, kind and size of pipe in use January 1, 1907, together with the number of hydrants and gates on both the high and low service systems are shown in the following table :

LOW SERVICE SYSTEM.

	Size, Inches.	Length, feet.	Hydrants.	Gates.
Cement-lined pipe.....	12	8,530		
" "	6	7,699		
" "	4	17,008		
Total.....	.....	33,237	46	31
Iron pipe.....	12	6,771		
" "	10	5,392		
" "	8	9,795		
" "	6	27,370		
" "	4	11,914		
Total.....	.....	61,242	121	109
Total both kinds....		94,479 17.9 miles.	167	140

HIGH SERVICE SYSTEM.

	Size, inches.	Length, feet.	Hydrants.	Gates.
Iron pipe.....	12	16,503		
" "	10	14,644		
" "	8	12,963		
" "	6	48,509		
" "	4	1,497		
Total.....		94,143 17.83 miles.	197	16

Total of both systems 35.7 miles of pipe, 364 hydrants and 302 gates. In addition there are 4,448 feet of smaller pipes, 2 inch to 1 1-4 inch, laid in places where hydrants were not needed and the amount of water required was small.

Repairs on Mains. There have been six leaks in the cement lined pipes and three leaks in the cast iron pipes on the high service system.

Services. Fifty-eight new services have been added during the year. Thirty-one on the high service and twenty-seven on the low service systems. Three services have been changed from the low to the high system. There are 698 services on the high, and 1,179 on the low service system and 63 in use by the Sewer Division for flushing sewers.

Repairs on Services. During the year a great many complaints have been received of insufficient pressure, which, upon investigation have been found to be due almost wholly to rusting of pipes on the premises of the consumer.

Reservoir. Owing to acts of vandalism committed by parties visiting the reservoir on Saturday afternoons, Sundays and holidays, a special police officer under the direction of the Chief of Police was employed on these days during June, July, August and Septemtember, at an expense of $68.64.

The nests of the brown tail moths have been removed from the trees. Other work consisted of cleaning up underbrush, building fence, and cleaning brook.

Great Meadows. The expense at the Great Meadows was mainly due to the care of moths.

The pumping station was leased on June 26, 1906, to Mr. Frank G. Dort, at $400 per year.

Hydrants. The hydrants have been oiled and painted.

The following table gives the number of the various sized meters in use during the year and the uses of water.

Where Used.	Size.					Total.

RECOMMENDATIONS. Most of the cement lined pipes have been in use since 1872, and it is now time that they were replaced, judging from experiences of neighboring cities. Repairs on these pipes are necessarily slow and a break often means cutting off fire service from a large section of the Town. We recommend that the pipes in the following streets be renewed this year, Mystic Street between Summer Street and Massachusetts Avenue; Pleasant Street between Bartlett estate and Massachusetts Avenue; Maple Street between Academy Street and Pleasant Street; Warren Street; Medford Street to River Street; Lake Street about 800 feet, near Cross Street. In addition we recommend that the use of meters be extended on account of the saving in water consumption thus brought about.

Respectfully submitted,

PETER SCHWAMB,
WILLIAM N. WINN,
SAMUEL E. KIMBALL.
Board of Public Works.

REPORT OF THE SUPERINTENDENT OF THE WATER DIVISION.

ARLINGTON, Dec. 31, 1906.

To the Board of Public Works:

GENTLEMEN:—My report for the year ending Dec. 31, 1906, is hereby respectfully submitted.

EXTENSION OF MAINS. Mains have been extended on the high service system on Paul Revere Road and Old Mystic Street, and on the low service on Pearl Avenue.

GATES. One 8-inch gate has been set on Old Mystic Street and one 6-inch gate on Paul Revere Road.

HYDRANTS. One 5-inch hydrant has been set on Pearl Avenue.

RENEWAL OF MAIN PIPE. The 6-inch cement pipe on Mystic Street from Summer Street to the Niles Estate has been replaced by a 6-inch cast iron pipe. Two gates and two hydrants have been located, and one gate and three hydrants discontinued. The relaying of cast iron pipe of a greater diameter from Summer Street to Massachusetts Avenue on Mystic Street should be completed next year. About 1200 feet of 8-inch pipe have been laid on Pleasant Street, but the same is not in use, as the work had to be discontinued owing to the difficulty of getting pipe and hydrants. This work should be completed as soon as possible.

STANDPIPE LOT. The grounds and driveways have been cared for as usual; the Metropolitan Water Board paying $25.00 of the expense as heretofore.

RESERVOIR LOT. All the brush and dead trees have been cut by the employees of the Water Division, and the gipsy and brown-tail moths' nests were destroyed by the Commission for the Suppression of the Gipsy and Browntail Moths.

GREAT MEADOWS. About four acres of the woodland north of the great meadows that was infested with browntail moths was cut down last winter, the brush burned and the wood sawed and split; part of it was sold and the remainder used by the Highway and Water Divisions. There remains on hand enough to supply the Water Division next season.

RECOMMENDATIONS. I would recommend that the replacing of the cement mains by iron pipe of greater diameter be continued. I would also renew my recommendation of the last few years, that the Metropolitan Water Board be requested to lay a pipe from the pumping station direct to the standpipe. The present arrangement is a source of annoyance to the watertakers in that part of the Town above Brattle Street, through the pounding caused by the pulsation of the pump on the pipes in their houses.

Respectfully submitted,

THOS. RODEN.

SUMMARY OF STATISTICS.

For the Year Ending December 31, 1906.

In form recommended by the New England Water Works Association.

ARLINGTON WATER WORKS.

Arlington, Middlesex County, Mass.

Population by Census of 1905, 9,668.
Date of Construction, low service, 1872; high service, 1894.
By whom owned, Town of Arlington.
Source of supply, Metropolitan Water System.

Consumption.

1. Estimated total population at date, 10,000.
2. Estimated population on lines of pipe, 9,800.
3. Estimated population supplied, 9,700.
4. Total consumption for the year, 292,197,465 gallons.
5. Passed through meters, 69,301,230 gallons.
6. Percentage of consumption metered, 23.7 per cent.
7. Average daily consumption, 800,541 gallons.
8. Gallons per day to each inhabitant, 80.
9. Gallons per day to each consumer, 83.
10. Gallons per day to each tap, 426.

Distribution.

MAINS.

1. Kind of pipe, cast-iron and cement.
2. Sizes, from 4-inch to 12-inch.
3. Extended 757 feet during year.
4. Discontinued —— feet during year.
5. Total now in use, 35.7 miles.
6. Cost of repairs per mile, 4.47.
8. Length of pipe less than four inches diam., 4,448 feet.
9. Number of hydrants added during year (public).
10. Number of hydrants (public and private) now in use, 364.
11. Number of stop gates added during year, 3.
12. Number of stop gates now in use, 302.
15. Average pressure on mains at center of Town, 90 lbs high system; 50 lbs low system.

SERVICES.

16. Kind of pipe, cement-lined, galvanized, cast-iron.
17. Sizes, $\frac{5}{8}$ inch to 6-inch.
21. Number of service taps added during year, 58.
22. Number now in use, 1,877.
24. Average cost of service for the year, $17 53.
25. Number of meters added, 233.
26. Number now in use, 652.
27. Percentage of services metered, 34 per cent
28. Percentage of receipts from metered water (B÷C), 39 per cent.
30. Number of motors in use, 5.

EXTRACTS FROM RULES OF WATER WORKS.

SECTION 15. The following rates will be charged annually from July 1, 1904, for the use of water, namely:

DWELLING HOUSES.

Occupied by one family, for the first faucet	$6 00
For each additional faucet to be used by the same family	2 00
For set tubs not supplied with faucets and filled by hose or other means, and for faucets supplied with portable tubs, the charge will be one half the regular rates.	
For basins not connected, but convenient to other fittings, the rate will be $1 00 per year.	
Where a house is occupied by more than one family, one faucet only being used for all, for each family	4 00
Where a house is occupied by more than one family, the highest rates will be charged for each family having the water carried into their part of the house.	
Whenever one service pipe supplies *four* or more tenements, the rates shall be paid by the owner, and there shall be a discount of ten per cent.: *Provided, however*, that in no case shall the net charge per tenement be less than thirteen dollars per year.	
For the first bath-tub	4 00
For each additional bath-tub	3 00
For bath-tubs convenient to faucets, but not connected, the rate will be $3.00 per year	
For the first water-closet	5 00
For each additional water-closet	3 00
For hopper water-closets	8 00
For vaults flushed with kitchen sink water in case such vaults are not used in connection with a water-closet, the rate will be $2.00 per year.	
When such vaults are used in connection with a water-closet there will be no extra charge.	
Where bath-tubs or water-closets are used by more than one family, for each family	4 00
Where two faucets are used one for hot and one for cold water, and both emptying into one basin, but one charge will be made for both; *provided*, that in no case shall the charge for the use of water by a private family, exclusive of hose and stable, be more than	24 00

BOARDING HOUSES.

For the first faucet	$10 00
Each additional faucet	2 00
Water-closet or bath-tub, when used by boarders	10 00
Each additional bath-tub or water-closet	3 00

STORES OCCUPIED AS OFFICE, SHOP, OR SIMILAR PURPOSE.

First faucet	$6 00 to $20 00
For each additional faucet	2 50
For water-closet or urinal	6 00

MARKETS, SALOONS, RESTAURANT, WORKSHOPS.

For markets, saloons, restaurants, workshops, or for purposes not included in any other classification, and not requiring more than an ordinary supply of water	$6 00 to $25 00

HOTELS.

For each bed for boarders and lodgers	$3 00
For each bath-tub in a hotel	10 00
For each water-closet in a hotel	10 00

PUBLIC BATHS.

For one tub in a public bath-house	$10 00
For each additional bath-tub	5 00
For one water-closet in a public bath-house	10 00
For each additional water-closet	3 00

STABLES.

Private Stables, for the first horse	$5 00
" for each additional horse	3 00
" for one cow	2 00
" for each additional cow	1 00
Livery, club, and boarding stables, for each horse	3 00
Car and omnibus stables, for each horse	2 00
Truck and cart stables, for each horse	2 00
Provided, that in no case shall any stable be charged less than	5 00

The rates for stables include water for washing carriages without hose; when hose is used $3.00 additional.

HOSE.

The following regulations are uniform throughout the Metropolitan District for 1907 :—

The use of water through hand hose, on premises where the water supply is *not* metered, shall be restricted to two hours in each day between the hours of five and eight A. M. and five and eight P. M.

The hose must be used with a nozzle not exceeding three sixteenths of an inch in diameter, and while so used must be held in the hand of a person on the premises of the water taker.

For hose used in this manner, when supplied from the house service, the charge will be $4.00 per year. If a separate service is used the charge will be $6.00 per year. If the use of hose is desired for a longer period, a meter must be placed on the hose connection and the water must be paid for at the rates mentioned below

The Board reserves the right to cut off all the use of water, except for domestic purposes, in case any contingency should arise requiring such a course

STEAM BOILERS.

For each boiler in use not over twelve hours a day, for each horse power	$6 00

METERS.

Water for field irrigation, greenhouses or hot houses, hot beds and wash houses must be metered at the rates mentioned below for metered water, and water may be used at all hours

Meter rates will be as follows :—

For the first		20,000	Cu. Ft.	per 6 mo.,	15c	per	100	Cu. Ft.
For quantities b'tw'n	20,000	& 40,000	"	" "	13c.	"	100	"
" "	40,000	& 100,000	"	" "	12c.	"	100	"
" "	100,000	& 500,000	"	" "	11c,	"	100	"
Over		500,000	"	" "	10c.	"	100	"

The following meter rents will be collected each six months in addition to the above charges:— For a ⅝-inch meter, $1.00; a ¾-inch meter, $1.50; a 1-inch meter, $2.00; a 1½-inch meter, 4.00; a 2-inch meter, $6 00

The minimum charge for metered water for each six-monthly interval, exclusive of the meter rent, will be $6,50. In case more than one meter is used by a water taker the minimum charge for water will be $6.50 for each meter, exclusive of the meter rent. In case of meters used on hose connections the charge will be the meter rent plus that for water used. All water that passes through a meter will be charged for whether used or wasted. If a meter fails to register or records incorrectly the amount of water passing through it, the quantity to be charged for shall be determined by the average daily consumption shown by the meter when in order. It is suggested that water takers read their meters occasionally to satisfy themselves whether or not they are working, and that they immediately send notice of any irregularity to the Water Board.

Bills for metered water will be made on January 1st and July 1st.

The following is an extract from the vote passed at the November, 1904, Town Meeting:

"That the Board of Public Works install meters on domestic services, as soon as possible, under present meter rates wherever the water taker is ready to bear the expense of installing the meter; a rebate is to be made on each water bill rendered, equivalent to the meter rental, until the sum paid for installing the meter is refunded, when the meter shall become the property of the Water Works, under whose charge it is to be at all times.

"That the minimum meter rate be collectable in advance as in the case of fixture rates."

The following is the amount to be deposited and rental per year to be paid on various meters:

Size.	Deposit to cover cost.	Rental per year.
5-8 inches	$10 00	$2 00
3-4 inches	15 00	3 00
1 inch	20 00	4 00

The rental will be rebated for the first five years; at the end of that period the amount of rebates will equal the deposit, and the meter will then be owned by the Water Works.

The minimum advance charge each six months is the meter rental plus $6 50 for water.

BUILDING PURPOSES.

The minimum charge for water for building purposes is $3.00. When more than fifty casks of lime or cement are used, the charge is six cents per cask of each

ORNAMENTAL FOUNTAINS.

Ordinarily used three hours a day for a period of not more than four months a year:

For a jet of 1-16 of an inch.....	$3 00
" " 1.8 " "	5 00
" " 1-4 " "	8 00

To be cut off at discretion of Superintendent.

Rebates will be allowed only during such time as the water is shut off, but no rebate will be allowed for a period less than one month. When a house is vacated the owner must notify the Water Registrar to have the water turned

off. When the house is again occupied the owner is to give notice to have the water turned on. The charge for shutting off and turning on water in vacated houses is twenty-five cents for each operation.

In case one service pipe supplies several tenements, stop-cocks must be provided so that the water may be shut off from each tenement separately. When tenements are vacated the owner must at once give notice to the Water Registrar to have the water shut off and the stop-cock sealed. When the tenement is again occupied the Water Registrar must be notified to have the seal removed Rebate will be allowed for the period the seal remains on, provided such period exceeds thirty days. If seal is disturbed or removed by other than the Water Works agents no rebate will be allowed. The charge for placing and removing seals is twenty-five cents for each operation. *All notices must be written and must be sent to the Water Registrar.*

SECTION 16. When water is required for purposes which are not specified in the foregoing tariff, the rates shall be fixed by the Board of Public Works, and the rates fixed in the foregoing tariff may be varied by the Board of Public Works whenever in particular cases in their judgment the interests of the Town shall require.

PIPE EXTENSIONS.

Vote of Town, passed April 14, 1896.

Voted. That the Board of Public Works shall, before laying main water pipes in any street or way, require the party or parties asking for same to deposit with the Town Treasurer the sum of thirty cents for each lineal foot of pipe to be laid, less an amount equal to the established water rates for five years on the fixtures supplied at the time of laying the pipe, the said sum to be held by said Treasurer in trust for a term of five years and at the end of said term paid into the Town Treasury to the credit of the Water Works, unless the rates actually collected during the said five years on account of fixtures supplied directly from said pipe exceed the amount orginally estimated and deducted from said sum of thirty cents per lineal foot, in which case said excess shall be repaid to the depositor to the extent of the original deposit and the balance, if any, paid into the Town Treasury as aforesaid, excepting otherwise ordered by the Town.

SERVICES.

Vote of Board, passed March 30, 1904.

"That pipe for domestic service shall hereafter be furnished and laid by the Water Division to the inside of the cellar wall, the expense of said pipe on private property to be borne by the owner. The digging and filling inside the street line may be done by the owner."

LIMITS OF HIGH AND LOW SERVICE DISTRICTS.

According to an understanding with the Metropolitan Water and Sewerage Board the dividing line between the high and low systems has been made to conform as nearly as possible to contour 60 above Boston City Base. The low service district is bounded by the following streets which are to be supplied from the low service on both sides; the low service is, however, to be extended to the depth of one houselot only on the high sides of the bounding streets: — Beginning at Mystic Lake, Fairview avenue to Mystic street; Mystic street to Summer street; Summer street to Grove street; Grove street to Massachusetts avenue, including Grove street place and Dudley street as far as Brattle street; Massachusetts avenue to Acadamy street; Acadamy to Maple street; Maple street to Pleasant street; Pleasant street to the Belmont line, including Pelham terrace.

It is understood that either the high or the low service may be used on Massachusetts avenue between Brattle street and Grove street, also that for purposes of fire protection the high service may be extended into the low service district.

REPORT OF THE BOARD OF HEALTH.

The Board of Health respectfully submits the following report for the year ending December 31, 1906.

Organization. The Board, consisting of Edward S. Fessenden, John S. Lamson, and Dr. Charles F. Atwood, met March 10th, and organized with E. S. Fessenden, Chairman, and Horace A. Freeman, Clerk

The appointments for the year appear in the list of Town officers.

Sanitary Condition. The general sanitary condition of the Town is good, public sentiment has become awakened to the importance of more care in regard to accumulation of refuse upon the streets and around private property.

The Board recognizes and appreciates the co-operation of the citizens in its work.

Mr. Edwin Mills, the Inspector of Plumbing, acted for the Board as Sanitary Inspector until December 31. At the meeting of the Board held Dec. 28, Charles T. Hartwell, who has charge of fumigation for infectuous diseases, was appointed Sanitary Inspector to serve from January 1, 1907 until April 1, 1907. All complaints have had prompt attention, and all have received the necessary treatment.

Ashes and Offal. In the Health Department the largest expense of the Board is made, the collection of ashes, paper and offal is a very important service, and one in which all citizens have a vital interest. This work has been done under arrangement with the Board of Public Works, the Superintendent of Streets having direct charge of the details. The service has been improved and extended during the year, with the result that an extra appropriation was asked for at the November Town Meeting to complete the year. Part of the added expense was caused by the increase of wages. With the increase of population, additional facilities are required in this Department, and an increase in expense must be expected if the present service is to be maintained.

The cost the past year for collecting ashes and offal was as follows:

	Labor	Horses	Total
Offal	$1,769 73	$572 51	$1,969 84
Ashes	1,335 99	633 85	2,342 24
Incidentals			73 87
Total			$4,385 95

Schools. Doctor Roy D. Young, The Medicial Inspector of Schools, resigned the office March 5th; his report for the two months is annexed to this report. Dr. Atwood, the medical member of the Board of Health, performed the duties of the office pending the passage of a new law, placing the appointment and control of the School Physicians in the hands of the School Committee. The full text of the bill is printed with the report, and the details of the School Inspection by Dr. Atwood will be found in his report to the School Committee. It is worthy of mention at this time, that daily medical inspection of public schools in Arlington was established in 1900, and has been maintained continually to the present time. The results have been very valuable. The same is now being established in all the adjoining towns under the new state law, and will be of the greatest importance to the entire community.

Manure Delivery. The order of the Board, passed June 6, 1905, regarding the delivery of manure at Linwood Street, Water Street, and Arlington Heights has been revoked. It is excepted that additional facilities will be provided by the Boston and Maine Railroad for a more satisfactory delivery of the material.

Dairies. The State Board of Health has taken up the inspection of all dairies throughout the State. In connection with that work the local Board has made a canvas of all places in the Town where milk is handled with the result that the conditions of such places are much improved.

Alewife Brook. It is hoped that the arrangement between the cities and towns bordering on this stream and the Metropolitan Park Commissioners will be carried out at an early date, as it will mean the redemption of the entire district which has so long been an eyesore and a source of sickness to a large number of people.

Sucker Brook. The bed of the culvert under Park Avenue has been lowered two feet and Sucker Brook, which flows through this culvert, has been cleaned and widened both above and below Park Avenue. It is expected that the conditions at this point have been greatly improved by this work.

New Plumbing and Drainage Regulations. A new set of plumbing and drainage regulations has been adopted. They have been prepared by the Board under advice of the best obtainable authorities on these subjects and were adopted after having been submitted to the Secretary of the State Board of Health. Copies are at the Clerk's office for distribution to all persons interested.

Contagious Diseases. During the past year we have had an unusual number of cases of contagious diseases. In the early part of the year whooping cough and measles were very prevalent, and in

the late summer typhoid fever made its appearance. The latter disease was at the time breaking out in many towns throughout the state. Of the nineteen cases reported in Arlington, many were contracted outside the Town, and no common source of infection could be found for the cases arising at home. Scarlet fever was much less prevalent than in the past two years, and was largely confined to the western part of the town. As was the case last year considerably more than half the total number of contagious diseases were reported in the western section.

In this connection the Board desires to impress on our town's people in the strongest manner the necessity for careful isolation of every case of contagious disease. The very mild cases are just as capable of conveying infection as the severe ones, and demand the same care. Parents are often careless about allowing children of the household, or at times the parent himself, to play in the yard or on the street in such a manner that other families are exposed to infection. We ask for a more general compliance with the rules of the Board in this respect.

The number of deaths reported this year is greater than last year, but is not excessive and the health of our town compares favorably with other sections of the state.

Circulars of Information. Circulars of instruction for the general care of patients, suggesting means for preventing the spread of diptheria, scarlet fever, typhoid fever, measles and consumption or tuberculosis have been printed, to be sent to families in which any of said diseases occur.

Fumigation. A more thorough system of fumigation has been adopted, and on the recovery or death of each case of diptheria, scarlet fever, and tuberculosis the Board attends immediately to the fumigation of the premises. The expense is met by the Town, except where extra fumigation is requested.

Reportable Diseases. The Board has adjudged the diseases known as scarlet fever, measles, typhoid fever, diphtheria, small-pox, membraneous croup, cholera, yellow fever, typhus fever, cerebro-spinal meningitis, hydrophobia, malignant pustule, leprosy, trichinosis, tuberculosis and opthalmia of the newly born as infectious or contagious, and dangerous to the public health and safety within the meaning of the Statutes. Physicians are required to report immediately to the Board every case of either of these diseases coming under their care, and postal cards conveniently printed and addressed are supplied to them for this purpose. On receipt of a card from a physician the Superintendent of Schools, Principal of High School, Trustees of Robbins Library, and Medical Inspector of Schools are notified. Mr. Charles T. Hartwell acts as fumigator in behalf of the Board.

Culture Stations. Culture tubes for diphtheria, sputum bottles, for suspected tuberculosis, and anti-toxin are provided by the State Board of Health and placed by this Board with H. A. Perham, druggist, for the use of physicians.

MISCELLANEOUS.

Board of Infants. The Board has given its approval to applications for licenses to board infants or children as follows: — Mrs. Helen Hatfields, 47 Massachusetts Avenue; Rosa Simmonds, 32 Appleton St.; Miss Annie C. Sullivan, 60 Mystic St.

Hospital Cases. A bill of $52.23 has been paid for care and nursing a case af diphtheria in the Waltham Hospital, the patient being a state charge, but residing in Arlington. Of this bill the state allows $45 for reimbursement.

Aid rendered by the Town to paupers usually comes under the jurisdiction of the Overseers of the Poor, but in cases of contagious diseases the Statutes place authority with the Boards of Health.

Reports of Officers of the Board. The reports of the several officers of the Board are appended, to which attention is called.

Financial. For detail as to expenditures reference is made to the report of the Auditor.

LICENSES.

Licenses have been granted as follows:

Stables George Clark, 30 Mystic St.; John Lyons, Bucknam Court; Mary A. Law, Mill St.

Undertakers. J. Henry Hartwell & Son, Medford St.; Daniel W. Grannan, and William D. Grannan, 378 Mass. Ave.; James P. Daley, 20 Franklin St.

Slaughtering. Frank Borman, 27 Broadway; Henry R. Borman, rear 27 Broadway; William Borman, rear 27 Broadway.

Plumbing. Joseph A. Tole, 30 Lewis Ave.; Andrew Bain, 49 Lowell St.; John L. Hibbit, 1 Park Terrace.

Edward S. Fressenden,
John S. Lamson,
Dr. Chas. F. Atwood,
Board of Health.

REGULATION OF THE BOARD OF HEALTH.

Adopted May 14, 1906.

No person shall permit any wagon, cart or other vehicle containing night soil, offal, manure, or other material injuriously affecting the health or comfort of citizens, to stand in or on any street, lane, alley or place within the limits of the town after the person in charge has been requested to remove the same by any member or agent of the Board of Health, or by an officer of the Town.

Whoever violates this regulation shall pay a sum not exceeding $100 for each offence.

Attention is called to the following regulations of the Board of Health and extracts from the Revised Laws:

DISEASES DANGEROUS TO THE PUBLIC HEALTH.

From Regulation of Board of Health.

Voted: That in addition to small-pox, the following diseases shall be considered as dangerous to the public health and that a report be required from physicians of each case, according to the law,— cards being furnished for that purpose, namely: scarlet fever, measles, typhoid fever, diphtheria, membraneous croup, cholera, yellow fever, typhus fever, cerebro-spinal meningitis, hydrophobia, malignant pustule, leprosy, trichinosis, tuberculosis and ophthalmia of a newly-born child.

SECT. 3. Upon the outside of every house in which there is a person sick with small-pox, diphtheria, membraneous croup, measles or scarlet fever shall be placed a suitable placard with the name of the disease. The Board of Health may in special cases permit the placard to be placed upon interior apartments only. This placard shall not be defaced or removed by any person without authority of the Board of Health.

SECT. 4. No person shall remove or permit to be removed from any house or apartment upon which a placard has been placed, as provided in Section 3, any clothing, books or other property without a permit from the Board of Health; nor after a house is established as a hospital, under provisions of Chapter 80 of the Public Statutes, shall any occupant of such house take up a residence elsewhere without such permit No public or circulating library book shall be taken into any house or apartment whereon a placard has been placed, as provided in Secton 3, before the authorized removal of said placard. All books, papers, toys and other articles in a room where there is a person sick with scarlet fever or diphtheria which cannot be thoroughly disinfected must be destroyed.

SECT. 5. No person living in a house or interior apartment upon which a placard has been placed, as provided in Section 3, shall attend or visit any school in the town without a permit from the Board of Health

SECT 6 No person who has visited a house in which there was at the time a case of small-pox, diphtheria, membraneous croup, or scarlet fever, shall attend school until the expiration of two weeks from such visit.

SECT. 7. Danger of conveying small-pox, diphtheria and scarlet fever shall not be considerd to have passed until two weeks have expired after the rooms occupied by a person who has been sick with either of said diseases, and the articles used by him have been disinfected to the satisfaction of the Board of Health.

SECT. 8. In case of the removal of a child from the house where a person is sick with any of the diseases mentioned in Section 11 of Chapter 496 of the Acts of the year 1898, two weeks must elapse before such child is allowed to attend school.

SECT. 9. No case of diphtheria shall be considered recovered until a negative culture has twice been obtained, at not less than three days' interval, from such patient

SECT. 10. No case of scarlet fever shall be considered recovered until desquamation is complete on every part of the body.

SECT. 11. No child having chicken-pox or mumps shall be allowed to attend any school in this town.

EXTRACTS FROM THE REVISED LAWS AS AMENDED.

CONTAGIOUS DISEASES.

Chapter 75—*Section 49.* A householder who knows that a person in his family or house is sick of small-pox, diphtheria, scarlet fever or any other infectious or contagious disease dangerous to the public health shall forthwith give notice thereof to the Board of Health of the city or town in which he dwells Upon the death, recovery or removal of such person, the householder shall disinfect to the satisfaction of the Board such rooms of his house and articles therein as, in the opinion of the Board, have been exposed to infection or contagion. Should one or both eyes of an infant become inflamed, swollen and red, and show an unnatural discharge at any time within two weeks after its birth, it shall be the duty of the nurse, relative or other attendant having charge of such infant to report in writing within six hours thereafter, to the Board of Health of the city or town in which the parents of the infant reside, the fact that such inflammation, swelling and redness of the eyes and unnatural discharge exist. On receipt of such report, or of notice of the same symptoms given by a physician as provided by the following section, the Board of Health shall take such immediate action as it may deem necessary in order that blindness may be prevented. Whoever violates the provisions of this section shall be punished by a fine of not more than one hundred dollars.

Chapter 75—*Section 50.* If a physician knows that a person whom he is called to visit is infected with small-pox, diphtheria, scarlet fever or any other disease dangerous to the public health, or if one or both eyes of an infant whom or whose mother he is called to visit become inflamed, swollen and red, and show an unnatural discharge within two weeks after the birth of such infant he shall immediately give notice thereof in writing over his own signature to the Selectmen or Board of Health of the town; and if he refuses or neglects to give such notice, he shall forfeit not less than fifty nor more than two hundred dollars for each offence. [*Approved March 31, 1905.*]

VACCINATION.

CHAP. 75, SECT. 136. A parent or guardian who neglects to cause his child or ward to be vaccinated before the child or ward attains the age of two years, except as provided in section one hundred and thirty-nine,* shall forfeit five dollars for every year during which such neglect continues.

CHAP. 75, SECT. 137. The Board of health of a city or town if, in its opinion, it is necessary for the public health or safety, shall require and inforce the vaccination and re-vaccination of all the

---

Note—Section 139, referred to above, exempts children who present a certificate signed by a registered physician that they are unfit subjects for vaccination Application for free vaccination, by persons who are unable to pay for it, may be made to the Clerk or Agent of the Board of Health.

inhabitants thereof and shall provide them with the means of free vaccination. Whoever, being over twenty-one years of age and not under guardianship, refuses or neglects to comply with such requirement shall forfeit five dollars.

CHAP. 44, SECT. 6. [Revised Laws, as amended by Chap. 371, Acts of 1906.] A child who has not been vaccinated shall not be admitted to a public school except upon presentation of a certificate signed by a regular practicing physician that he is not a fit subject for vaccination. A child who is a member of a household in which a person is ill with small-pox, diphtheria, scarlet fever, measles, or any other infectious or contagious disease, or of a household exposed to such contagion from another household as aforesaid shall not attend any public school during such illness until the teacher of the school has been furnished with a certificate from the Board of Health of the city or town, or from the attending physician of such person, stating that danger of conveying such disease by such child has passed.

NUISANCES.

CHAP. 75, SECT. 65. The Board of Health shall examine into all nuisances, sources of filth, and causes of sickness within its town, ... which may in its opinion be injurious to the public health, shall destroy, remove, or prevent the same as the case may require and shall make regulations for the public health and safety relative thereto, and relative to articles which are capable of containing or conveying infection or contagion or of creating sickness which are brought into or conveyed from its town. . . . . Whoever violates any such regulation shall forfeit not more than one hundred dollars.

ACTS OF 1906.

[CHAP. 502.]

AN ACT RELATIVE TO THE APPOINTMENT OF SCHOOL PHYSICIANS.

Be it enacted, etc., as follows:

SECTION. 1. The school committee of every city and town in the Commonwealth shall appoint one or more school physicians, shall assign one to each public school within its city or town, and shall provide them with all proper facilities for the performance of their duties as prescribed in this act: *Provided, however*, that in cities wherein the board of health is already maintaining or shall hereafter maintain substantially such medical inspection as this act requires, the board of health shall appoint and assign the school physician.

SECT. 2. Every school physician shall make a prompt examination and diagnosis of all children referred to him as hereinafter provided, and such further examination of teachers, janitors and school buildings as in his opinion the protection of the health of the pupils may require.

SECT. 3. The school committee shall cause to be referred to a school physician for examination and diagnosis every child returning to school without a certificate from the board of health after absence on account of illness or from unknown cause; and every child in the schools under its jurisdic-

tion who shows signs of being in ill health or of suffering from infectious or contagious disease, unless he is at once excluded from school by the teacher; except that in the case of schools in remote and isolated situations the school committee may make such other arrangements as may best carry out the purpose of this act.

SECT. 4. The school committee shall cause notice of the disease or defects, if any, from which any child is found to be suffering to be sent to his parent or guardian. Whenever a child shows symptoms of small-pox, scarlet fever, measles, chicken-pox, tuberculosis, diphtheria, influenza, tonsilitis, whooping cough, mumps, scabies and trachoma, he shall be sent home immediately, or as soon as safe and proper conveyance can be found, and the board of health shall at once be notified.

SECT. 5. The school committee of every city and town shall cause every child in the public schools to be separately and carefully tested and examined at least once in every school year to ascertain whether he is suffering from defective sight or hearing or from any other disability or defect tending to prevent his receiving the full benefit of his school work, or requiring a modification of the school work in order to prevent injury to the child or to secure the best results. The tests of sight and hearing shall be made by teachers. The committee shall cause notice of any defect or disability requiring treatment to be sent to the parent or guardian of the child, and shall require a physical record of each child to be kept in such form as the state board of education shall prescribe.

SECT. 6. The state board of health shall prescribe the directions for tests of sight and hearing and the state board of education shall, after consultation with the state board of health, prescribe and furnish to school committees suitable rules of instruction, test-cards, blanks, record books and other useful appliances for carrying out the purposes of this act, and shall provide for pupils in the normal schools instruction and practice in the best methods of testing the sight and hearing of children. The state board of education may expend during the year nineteen hundred and six a sum not greater than fifteen hundred dollars, and annually thereafter a sum not greater than five hundred dollars for the purpose of supplying the material required by this act.

SECT. 7. The expense which a city or town may incur by virtue of the authority herein vested in the school committee or board of health, as the case may be, shall not exceed the amount appropriated for that purpose in cities by the city council and in towns by a town meeting. The appropriation shall precede any expenditure or any indebtedness which may be incurred under this act, and the sum appropriated shall be deemed a sufficient appropriation in the municipality where it is made. Such appropriation need not specify to what section of the act it shall apply, and may be voted as a total appropriation to be applied in carrying out the purposes of the act.

SECT. 8. This act shall take effect on the first day of September in the year nineteen hundred and six. [*Approved June 20, 1906.*]

REPORT OF THE INSPECTOR OF SLAUGHTERING.

To the Board of Health :—

I submit the following report for 1906.

Licenses were granted May 1st for three persons, Frank, Henry and William Bowman to slaughter in Arlington.

I have made two hundred visits to the slaughter houses during the year and have inspected the slaughtering of 2,942 veal, 29 hogs, two lambs and 1 cow.

The slaughter houses have been kept clean and also kept up to license agreements.

I would recommend that they be granted licenses for 1907.

Respectfully submitted,

FRANK P. WINN,
Inspector.

REPORT OF MEDICAL INSPECTOR OF SCHOOLS.

To the Board of Health:—

GENTLEMEN:—During the year 1906 I examined in the schools from January 1st until March 6th, at which time I resigned and the work was taken up by Dr. Atwood.

Work was carried on as in preceding years; the total number of children examined was one hundred and ninety-five, of which number seven were examined for vaccination.

Out of total number examined fourteen were sent home, four for sore throat, four for whooping cough, two for pediculi, two for ring worm, one for stye, and one for impedigo contagiosa.

Yours respectfully,

ROY D. YOUNG.

REPORT OF INSPECTOR OF PLUMBING.

ARLINGTON, MASS., January 14, 1907.

Board of Health, Town of Arlington:—

GENTLEMEN: — During the year 1906 one hundred and six applications were placed on file and plumbing permits issued therefor; including dwellings, apartment and tenement houses, churches, school houses, and other public buildings; also stores, factories, stables, etc., of new construction, or undergoing repairs and alterations.

Respectfully submitted,

EDWIN MILLS,
Inspector of Plumbing.

REPORT OF THE SANITARY INSPECTOR.

To the Board of Health:—

During the year 1906 a large number of cases of sanitary defects have been discovered by or reported to the Board of Health, and measures taken to abate nuisance therefrom.

Defective drainage, old cesspools and overflowing privy vaults are the most frequent cause of complaint.

Contractor's charge for use of odorless apparatus to empty same involves expense which cause delay by owners.

Whenever practicable, providing sewer connection and discontinuance of cesspool drainage and privy vaults will effect sanitary improvements of utmost importance.

EDWIN MILLS,
Sanitary Inspector.

REPORT OF THE FUMIGATOR.

To the Board of Health:—

Gentlemen: I have the honor to submit my annual report as Fumigator for the year ending December 31, 1906. Whole number of cases fumigated fifty-one (51).

Fourteen (14) cases of scarlet fever requiring the fumigation of twenty-five (25) rooms. Twenty-five (25) cases of diphtheria requiring the fumigation of sixty-nine (69) rooms. Nine(9) cases of tuberculosis requiring the fumigation of fifteen (15) rooms. Halls and stairways included in cases when needed.

Three (3) ambulance cases after two (2) removals of typhoid fever and one (1) of erysipelas.

Respectfully submitted,
CHARLES T. HARTWELL,
Fumigator

REPORT OF PARK COMMISSIONERS.

To the Honorable Board of Selectmen of the Town of Arlington:—

The Park Commissioners submit the following report for the year 1906.

A regular monthly meeting of the Park Commissioners has been held during the year and at other times when business required immediate attention.

At Menatomy Rocks Park during the month of May and on Saturday and Sundays during June and July a caretaker was employed to keep the park clean and orderly. During August and September arrangements were made with the Chief of Police to have the Park patroled Saturday afternoons and Sundays. In the spring and fall the trees have been thoroughly cleaned, removing, as far as possible, all traces of gypsy and brown tail moths. The ground has been sprayed with oil and burned to destroy any trace of moths on the rocks or among the dead leaves.

This work has been done under the direction of the Gypsy-moth Committee.

Over six hundred dead trees have been cut and sawed up into wood. This work was authorized by the Board of Selectmen. The wood sold and the money turned into the Town.

In Russell Park, the walks across the Park have been straightened, graded and rolled. A catch basin has been built in the center of the Park to take away the surface water and prevent the gravel walks being washed during heavy rains. The hollow places in the center have been filled with loom rolled and reseeded. The grass has been kept cut, papers and other material have not been allowed to accumulate. The Town will be called upon to increase the appropriation for work to be done in this Park for the ensuing year.

The trees in Meadow Brook Park have been watched carefully and the gypsy and brown-tail moths removed, some filling has been done during the year. When Mystic dam is completed the town will be called upon to spend money in this Park to improve the sanitary conditions.

The triangles on Mystic Street have been cared for and the grass cut from time to time.

A detailed account of money spent for the past year will be found in the town Auditor's report.

Respectfully submitted,

Charles H. Gannett,
William E. Lloyd,
Bert Houghton, *Secretary.*

REPORT OF TREE WARDEN.

I have the honor to submit my fourth Annual Report as Tree Warden for the year 1906.

Most of Gypsy-moth work on the trees has been done by the Local Superintendent appointed by the town under the supervision of the State Superintendent. Under the able management of the present local Superintendent, Mr. William, H. Bradley, who served for a long period in the Tree Warden's Department, I feel that the expense in caring for this feature of the work should, in the near future, be very materially reduced on the highways.

Tree Planting. There have been a number of trees removed in different parts of the Town on account of fixing the grades for sidewalks. I should recommend that the sum of two hundred dollars ($200) be appropriated for these and others that may be removed.

Tree Trimming. I again call attention to this part of the work concerning the welfare of the trees. Owing to the yearly pruning of the trees in removing the brown-tail moths, there has developed a serious condition in the appearance of most of our large elm trees. Where the cut has been made decay has set in and it will not be long before the trees will be in these upper parts a menace to people passing. These decaying limbs should be cut, the wound smeared with tar and dead wood removed from all the trees in the Town. I would recommend the sum of two hundred and fifty dollars ($250) be appropriated for this very necessary work.

Guards for Small Trees. There are guards required for a large number of small trees recently planted owing to the girdling of trees by horses.

Crowded Trees. Trees that are crowded should be thinned out in all parts of the Town to give room for others to grow and would be a great benefit to the road beds of the street which are kept too wet and shady.

I should recommend that a committee be appointed to serve with the Tree Warden in regard to removing the trees, as some of the people make objections.

The Tree Warden desires to testify to the apparent effort of the Telephone, Telegraph, Light and Street Railway Companies, whose wires pass through the town streets, to conform to the laws and to meet the wishes of the Tree Warden. It has, nevertheless, been necessary to keep constant watch of these wires to prevent injury

to the trees and to make frequent complaints. The reappearance, during the past year, of the elm beetle in very large numbers and with no appropriation available with which to destroy them, resulted in the destruction of the foliage of a large number of our elm trees. These insects work on the elm tree only and an appropriation should be made to destroy them as in failure so to do they will become as great a nuisance as either the gypsy or brown tail moths.

Conclusion: In concluding this report I wish to extend thanks to the several departments of the town for their many courtesies shown me. For receipts and disbursements see Auditor's Report.

Respectively submitted,

A. Foster Brooks.

REPORT OF

Consolidated Board of Trustees of Robbins Fund, Soldiers' Monument Fund, Samuel C. Buckman Fund and Cemeteries.

ARLINGTON, January 24, 1907.

The Consolidated Board of Trustees of the Robbins Fund, Soldiers' Monument Fund, Samuel C. Buckman Fund and Trustees of Cemeteries herewith submit their report for the year ending December 31, 1906.

The following is a summary of the lots and graves sold during the year and the number of interments:

Number of lots sold	11
Number of single graves sold	13
Interments in private lots	111
Interments in old cemetery	3
Total interments	114

RECEIPTS.

Outstanding December 30, 1905	$1,984 50	
Appropriation for 1906	1,850 00	
Unexpended balance in Town Treasury	351 17	
Care of lots	1,369 50	
Opening graves, grading lots, etc.	440 00	
Brick graves	136 00	
Foundations	173 00	
Evergreens	45 00	
Sale of lots	810 00	
Robbins Fund	270 94	
Soldiers' Monument Fund	82 00	
Perpetual Care Fund	519 50	
Samuel C. Buckman Fund	66 00	
		$8,097 61

DISBURSEMENTS.

Labor	$2,673 04	
Incidentals	1,875 90	
Unexpended balance paid into Town Treasury	101 17	
Amount received for new lots and paid into Town Treasury	780 00	
		5,430 11
		$2,667 50
Accounts receivable December 31, 1906	$2,653 50	
Balance in Town Treasury December 31, 1906	14 00	
		2,667 50

ROBBINS FUND.

1906.

RECEIPTS.

Balance, January 1, 1906		$5,143 59
Interest on Town of Arlington Note, account 1906 Taxes, due January 1, 1907, 4 per cent	$200 00

REPORT OF THE TRUSTEES OF THE ROBBINS LIBRARY.

To the Town of Arlington: —

The Trustees of the Robbins Library submit their annual report.

We note a gain in the number of books taken 45,253 for 1906, as against 44,035 in 1905. There has been an increase in the number of books given out in the Children's Room, 10,959 in 1906, as against 10,864 in 1905. The average daily attendance in the Children's Room was 19 and more than double that number on Sundays. The average attendance in the Reading Room was 59 for week days and 53 for Sundays.

Reference work is carried on as usual under the direction of Miss Baston, who not only endeavors to assist all applicants, but acts in cooperation with teachers of the schools, sending them books for use in the school rooms, and keeps the reading tables at the Library well stocked with books on special topics. Attention should be drawn to the work done by Miss Marsh, in interesting the smaller children by pictures, puzzles, etc., in the Children's Room.

The open stack continues to give satisfaction to the public, and greatly facilitates the selection of books. Fewer books have been sent to the branch library at the Heights, yet 269 more books and magazines have been drawn by people of that section than during the previous year. This was due to the sending of books from the Booklovers Library to the Heights, which were delivered there direct from Boston, and were in constant demand.

The Trustees regret to announce the withdrawal from the Board of Mr. Joseph C. Holmes, after 16 years of faithful service, he having been chosen in 1890. His place is worthily filled by Mr. C. E. Dall n of Arlington Heights.

We have continued to give exhibitions of photographs, etc., in addition to those hitherto reported.

January. No. 51. Photographs of the Hawaiian Islands.

February and March. No. 52. Photogravures of fourteen Famous Pictures.

March and April. No. 53. Photographs of the Grand Canyon of Arizona and New Mexico.

April and May. No. 54. Photographs of Orvieto, Italy.

May and June. No. 55. Photographs of Plymouth and the Courtship of Miles Standish.

July. No. 56. Photographs of Amiens.

September. No. 57. Photographs of the City of Rouen.

October. No. 58. Photographs of New Brunswick, Gaspé Peninsular and Halifax.

November. No. 59. Photographs of Rome No. 3. The Forum.

December. No. 60. Photographs of Rome No. 4. Outside the Forum.

December and January. No. 61. Photographs of Babies in Art.

The Library has been enriched by gifts of books and magazines from Mr. Winfield Robbins, Mrs. E. C. Turner, Mr. Edwin S. Farmer, Mrs. Charlotte Rugg, Mrs. Franklin Field, Jr., Mrs. B. L. Brooks, Mrs. John F. Souther, and Col. Thomas W. Higginson.

The editors of the Advocate have continued to send us a file of that paper.

Mention must not be forgotton of a very enjoyable day, the 11th of October, when the Trustees entertained the Library Club of Massachusetts. The Chairman of the Board made a brief address of welcome at the morning session, which was held in the Unitarian church, where a collation was served in the vestry at half past twelve. One of the features of the afternoon session was a most enjoyable reading by our esteemed townsman, Mr. J. T. Trowbridge. The Librarian and her assistants had made careful preparation for this meeting and took great pleasure in receiving their many guests at the Library, which was greatly admired by all present.

Respectfully submitted,

SAMUEL C. BUSHNELL,
E. NELSON BLAKE,
CYRUS E. DALLIN,
CHARLES A. KEEGAN,
JAMES P. PARMENTER,
ARTHUR J. WELLINGTON,
Trustees.

LIBRARIAN'S STATEMENT.

Library Hours.

Sunday. — *Reading Room*, 2.30 to 5.30 P. M.

Monday, Tuesday, Thursday and Friday. — *Reading Room*, 10 to 12 A. M., 1 to 6 and 7 to 9 P. M. *Book Room*, 1 to 6 P. M. *Children's Room*, 1 to 6 P. M.

Wednesday and Saturday. — *Reading Room*, 10 to 12 A. M., and 1 to 9 P. M. *Book Room*, 1 to 9 P. M. *Children's Room*, 1 to 6 P. M.

Arlington, December 31, 1906.

REPORT OF THE SCHOOL COMMITTEE.

December 31, 1906.

To the Town of Arlington:

By a change in the State law, it devolved upon the School Committee this year to select a Medical Inspector of Schools, and Doctor Atwood, who was serving satisfactorily in that capacity, was unanimously elected. The Commonwealth now requires examinations of sight and hearing of all public school children, and our teachers are giving this important matter careful attention.

As more rooms are now in use in the High School Building, additional heat is required, making it most essential that the small boiler should be replaced by one of larger capacity, as recommended previously by your Committee. An electric motor should be installed to supply the necessary power to run the engine used in the manual training department, and a small one could be used in connection with the ventilating system to great advantage, particularly in severe weather.

Our grammar and primary teachers have petitioned your Board for increased pay, and the School Committee wishes to urge upon the citizens of the Town the desirability of providing a liberal sum for the support of the schools, to enable them to increase the maximum salaries of all such teachers fifty dollars per annum.

By decree of the Supreme Court, the Nathan Pratt High School Fund was established as amounting to $25,000.00, and the use of the income from such fund was extended, in addition to the purposes set forth under the will, to the purchase of scientific and mechanical apparatus and appliances, including their installation and the supplies necessarily used in connection therewith, and in securing special instruction for the pupils in the High School in science, literature and art. It is quite evident that the fund will now be of much greater benefit to the school and, in all probability, the entire income will be devoted to the increased needs of the school.

It is greatly to be regretted that the Town has not provided a suitable play-ground for its school children. The athletic association of the High School is under considerable expense in leasing a ball field each year, and it is hoped that past members of the school and other citizens will lend their financial support to the encouragement of outdoor athletics.

We should all recognize the work done by the Arlington Woman's Club for art decorations of our school buildings. Further gifts have been added during the past year.

Mr. Timothy O'Leary retired from the Board after twenty-five years of continuous service. Few citizens can feel the satisfaction which must be his from such long devotion to the public good in the cause of education.

You are referred to the report of our Superintendent, Mr. John F. Scully, who now completes his first full year's management of the Arlington schools.

Respectfully submitted,

H. G. Porter,
Chairman.

REPORT OF THE SUPERINTENDENT OF SCHOOLS.

To the School Committee of the Town of Arlington:

I have the honor to submit herewith my second annual report.

A school report to be satisfactory to the community should record a certain degree of progress. These are times of great educational advancement and we are endeavoring to keep abreast of the best educational thought and movements of the day.

Owing to the illness of my predecessor, the schools very naturally went along each in its own way, with its own standard of the amount to be accomplished in each year, and with each principal setting his own standard of what was satisfactory scholarship. Under such conditions it is a matter of congratulation that the schools had such conscientious principals. I have endeavored by tests, frequent visits, and conferences to establish a high standard of scholarship and to unify the work to as great an extent as is possible until a new course of study is adopted. I am now at work on a course of study which I hope to present for your consideration at an early date. The old course, while excellent for the time at which it was made, now needs revising. There are but a few copies in every building and those have dropped into disuse as to details. I consider it better to make an entirely new course in line with the best developments in educational thought and experience.

Writing. We decided to abandon the vertical system of writing in the schools because it had failed to answer the demands of business men. The vertical writing, while very legible and pretty when slowly done, had proved to be on the average slow, awkward and devoid of character. When speed was necessary, in most cases, the writing was cramped, unnatural and illegible. The teachers were not interested in the system and the writing was left to drift. The medial slant, a compromise between the old Spencerian and the vertical, has been adopted. The change is a hard task for both teachers and children. They have grappled it, however, with determination and excellent progress is being made. Some of our best teachers are already getting writing, in many respects, better than they secured with the old system. I believe that we shall turn out good writers when the system is thoroughly established. The public has a right to insist that we do teach children to write. When a boy or girl enters an office seeking employment, he is not asked to sing a song or draw a picture but to show his or her ability in penmanship. In saying this I have no intention to depreciate the importance of music and drawing, both of which I firmly believe in.

I may say here that there are no subjects which your superintendent intends to supervise more closely than reading, writing and arithmetic. I am satisfied from my knowledge of life, the demands of business, and the conditions in schools in general, that these subjects must be well taught.

School Attendance. Efforts have been made in every school to secure a more regular attendance. It is difficult for parents to understand that to keep a child out of school for a day or two makes any particular difference to the child or to the school. A day lost means for a child much more than at first appears. It means that he loses the connection between what has gone before and that which is to follow, but more than that he loses touch with everything. His attitude toward his work is changed and his interest lags. Irregular attendance is the hardest single thing a teacher has to deal with. Through the excellent work of principals and teachers, aided by the efforts of the truant officer in looking up absentees, our attendance has steadily improved. The per cent. of attendance has increased from 90.8 per cent. in the year 1904-1905 to 94.1 per cent. in the year 1905-1906. It seems to me that this is a most satisfactory showing. In the matter of tardiness also the schools have made great improvement. The number of tardy marks has been reduced almost fifty per cent. Many of those included in the schedule of statistics are caused by church attendance and seem unavoidable.

The number of truants has been reduced by the efforts of teachers and the truant officer. There are now no habitual truants. No boy has been sent away or even brought into court for truancy, and there are now no boys from Arlington in the Chelmsford Truant School. In the matter of truancy, our schools are in a satisfactory condition.

We are troubled by a few parents who keep children out of school more or less regularly to do work. This is contrary to law, and I believe we should have parents, or others, who do this after repeated warnings, haled into court to answer for it.

Public Days. In May and June three of the schools, the Russell, Crosby and Cutter, had each a public day. Regular recitations were held in various subjects, besides special exercises of school work arranged for the day. In every room and in the corridors the work which the children had done during the year was on exhibition. The supervisors of music and gymnastics were present to illustrate the work of their departments. The interest shown by the parents and friends of the schools was very encouraging and gratifying. They showed their interest by the careful attention they gave to the class exercises and by a critical examination of the children's work. It was interesting to see the care with which they compared the work of their own children with that of others

of the same class. It was very easy to explain at that time why a child's marks were poor. While it would be much better for the children if parents would visit school during the regular session without invitation, since that cannot be brought about to our satisfaction, the public day is the next best thing. We plan to have a public day in every school during May of this year. These days are in no sense exhibitions, but are arranged to get parents to come to the school, meet the teachers, talk over the work of their children, and gain an intelligent idea of what the schools are doing.

The Three R's.— The critics of modern educational methods, who would abandon the present rich courses of studies, by cutting out the "frills," as they are pleased to call them, and returning to the barren instruction of sixty years ago, which was then limited to the "Three R's," have for a long time been deploring the alleged fact that children do not read and spell and cipher as well as pupils did half a century ago. By many people, this assertion, purely theoretical, has been accepted unqualifiedly and great has been the lamentation over the change of educational methods of stage coach days. For a long time definite facts to prove or disapprove this pessimistic theory were lacking. Today it is the good fortune of those who believe that education has become more valuable just as methods of transportation and communication have improved, to be able at last to offer facts — facts which by their cold logic establish the truth that children in the ninth year of the elementary schools are better in spelling and arithmetic than much older pupils in the high schools of sixty years ago. These facts have come into our possession in this way: Dr. Thomas M. Balliet, while Superintendent of Schools of Springfield, Mass., discovered in the archives a volume of examination papers in spelling and arithmetic written by eighty-five pupils in the Springfield High School in 1846. With these papers were the original questions. These questions were this year given to the ninth grades in our schools with the following comparative results:

ARITHMETIC.

	Springfield, 1846.	Arlington, 1906
Number taking the examination	85	93
Per cent. correct	29.46	74.38

SAME CLASSES. SPELLING.

Per cent. correct	40.6	50.9
" " receiving 70 per cent. or more	17.64	37 6
" " who missed every word	2 35	0
" " who missed 17 or more	27.05	2.3

A fact that makes the comparison more striking is that the age of the pupils in Springfield averaged two or three years more than that of our ninth grade. Considering the length of the school year and the limited curriculum, it is probable that the Springfield pupils had

spent at least twice as much time on the subjects of spelling and arithmetic as had our children. Yet, notwithstanding these conditions, our pupils did immeasurably better than was accomplished sixty years ago.

The conclusion to be drawn from these results are very positive that spelling and arithmetic instead of suffering in a course of study which trains a child to use all his powers of expression, are actually far better then they were under a curriculum with endless brain-tiring, uninteresting drill and nothing else on the "Three R's." Our schools are still far from having reached the ideal for which all teachers are striving, but we may at least feel that the essentials are not neglected and that the extension of the course of study to embrace execution and expression is steadily improving those attainments that depend chiefly on judgment and memory.

I quote as being truly applicable to our condition the concluding words of Principal Riley's article, published in the Springfield Republican, on the comparative results of 1846 and 1906 obtained in Springfield.

Mr. Riley writes:

"Children are not only receiving much solider and more sensible and skilful instruction in the "Three R's" but many of their homes are being elevated, their lives broadened and their usefulness and capacity for enjoyment increased as never before. The old school, in its meagerness, starved the imagination and emotions, and its harsh discipline suppressed and warped activities. Even a superficial reading of the old records and reports proves that the intelligent people of those days were cognizant of its defects and struggled to remedy them. The leading educators of to-day are probably fully as cognizant of the defects of the modern school and are struggling with equal sincerity and earnestness for better things."

Backward Children. Knowing that many classes were being hampered by slow, dull or deficient children, the school physician and I have together examined fifty backward or subnormal children in the schools of the Town. When exceptional children are present in large classes of the grades the result is as follows: (1) the child degenerates; (2) the class is hindered; (3) the moral tone of the class is effected; (4) the teacher's work is made harder and less effective.

The very important consideration, however, is the child himself. He has a right, even if mentally subnormal, to whatever in the way of education or training he is capable of receiving just as much as the normal child. Without proper education or training, the child degenerates and his future must then be an unhappy one. Looking at the matter from a purely selfish standpoint, we have a right to protect ourselves and our children. It seems that it would pay us to spend a certain amount of money in the education and training of those who may be made self-supporting, instead of later having to

spend a larger amount in the support of a larger pauper or criminal class. An exceptional or mentally subnormal child, without proper education or training, does recruit the pauper or criminal class. The solution of the problem lies in the treating of these children individually in a special class. By this means many children who, because of their age, are struggling along in classes in which the work is much beyond their comprehension, may be made at least happy by being furnished with work of a grade and character within their comprehension. It will help them to regain their self-respect which many of them lose by a feeling that they are stupid and hopelessly behind others of their age. Mentally weak children are almost always morally weak also. There are in our schools children who are from two to six years older than the average of the class. These slow children would be able to get a great deal of benefit if put into a special class in which mental effort is supplemented by manual work. We feel that the careful examination of the exceptional child, with the consequent better understanding of his condition, may be of itself of considerable benefit to the child even if it is impossible to carry out the proper treatment most fully in a special class. We have found that there are children who cannot do normal work because of some condition which may be remedied while the child still remains in the grade, and may be enabled in time to do the regular work. It is hoped that by appealing to the parents in the matter of diet, in so far as it applies to nourishing food and the use of tea and coffee, we may remedy conditions to some degree. We find principally two classes of defectives:

(a) There are some children who are mentally defective to such a degree as to be able to profit but little if at all by ordinary methods of teaching (where the intellect is appealed to directly, requiring of the child abstract thinking) but who could "learn by doing" or through the senses. This method, in reference to mental defectives, is called "training."

(b) There are other children who, though they cannot keep up with their grades, can profit by ordinary teaching, provided each one can receive more individual attention than could be possible in the large classes of the grades. The method of teaching for these children should be the usual method, but their instruction should be largely individual and more slowly carried out. The term "coaching" is the one naturally applied to this method of teaching.

It is interesting to note that these children are often known as "troublesome children." Is it not natural that they are troublesome? They sit for five hours a day in a class in which work is being done of which they can do but little, sometimes nothing at all. It is impossible, if they have any spirit whatever, for them to sit like "bumps on a log" for so long a time, so they trouble those who are working and worry the teacher.

After hereditary or congenital causes, we find that malnutrition

and nervousness are the most frequent conditions in backward children. In considering nutrition we find one of the most noticeable evils to be the large proportion of school children who drink tea and coffee. Both tea and coffee are, as we know, pure stimulants and contain an acid that is harmful. Many children come to school in the morning after a breakfast of tea or coffee (stimulants) and white bread (starch), and in many cases of the backward children, we find that children have tea or coffee with each of the three meals and in some cases between meals besides. We found children who drink as many as fifteen cups of strong tea or coffee every day. No child who drinks tea or coffee can be at his best. In this matter parents need education.

We hope, by parents' meetings in the schools, to be able to instruct the parents in the matter of diet. The defect of this method, however, is that many of the people whom we most need to reach either find it impossible to come to these meetings or are not enough interested to come.

From the fact that there are a number of children who are getting no benefit from the classes in which they are now placed and are simply marking time until they become fourteen years of age and may go to work, and that there are some children who are morally unfit to be in a class with normal children, I commend to your consideration the question of the formation of a special class for defective and subnormal children.

A new law, Chapter 502 of the Acts of 1906, relating to medical examination in the public schools, has gone into effect. By this law the appointment of a Medical Inspector comes within the powers of the School Committee, though he may not be paid out of the appropriation for school purposes, but must be paid by a special appropriation made by the Town for that purpose. Charles F. Atwood, M. D., was appointed by the Committee, and his work has been very satisfactory. He has given a great deal of time to examination of individuals and whole classes, that the possible spread of contagious disease may be avoided, and has given, without stint, his time in aiding me in the examination of backward and atypical children.

The law further provides that the sight and hearing of every child in the public schools shall be tested annually by the teacher or principal in every school. The examinations are not yet entirely finished, but have been even thus of great benefit by disclosing to teachers a reason, which was not suspected, for the backwardness of some children. Some do not hear well, and have been thought to be heedless and inattentive. Some are found to have a third or less of normal sight. The work of the teachers is to be supplemented by Dr. Fred W. Derby, who is to examine the children whose eyesight, from the teachers' examination, seems to be defective, to determine whether or not they need to be prescribed for by an oculist.

It may be seen from the preceding statements that it is becoming a recognized fact that the province of the school is not merely to furnish mental training, but to look after the physical well-being of the child, to the end that his mind may be reinforced by a good healthy body. We aim to educate the *whole child.*

Stereopticons. The stereopticon has come to be an essential in every well-equipped school. The waste of time in trying to describe to a child in words what he can gain through the eye alone is apparent to every one. The object of the stereopticon is not to amuse the child but to interest him, and there is nothing over which a child is more enthusiastic than good pictures thrown on a screen about which he talks or from which he is instructed. During the year all the grammar schools have bought stereopticons, which have an added value to the children from the fact that the money to pay for them was raised wholly by the efforts of the teachers and pupils. The Committee have very generously furnished curtains to darken the room in which the instrument is used in the various school houses. The question now confronting us is how best to secure slides. It is our plan to raise money by entertainments and other means, and gradually secure small sets of slides on geography, history, and science for each school. No two schools shall have duplicate slides, but some arrangement will be made by which each is entitled to the use of the slides in every building. I would respectfully recommend that the school committee give the matter a start by appropriating a small sum for the purchase of slides for use in the schools.

School Accommodations. By changing Forest Street from the Locke into the Cutter district the crowded condition of the Locke School has been remedied. The result to the Cutter School has been quite unexpected. During the summer several apartment houses have been built in the immediate vicinity of the school. The new families, with the Forest Street children, have increased the membership of the school so that the lower grades are all large, the first and second grades having fifty or more pupils each. There is no unreasonable crowding however, and I anticipate no necessity for changes during the next year.

In the High School Building the ninth grade is large this year. In December there were one hundred thirty-one in the three rooms. As each room was planned to hold forty pupils, it has been necessary to put in more desks to accommodate the increase.

Because of larger numbers and the added requirements of the commercial course, Room 10, previously used for the music of the ninth grades, has been fitted up for a regular recitation room. Furniture, especially, designed for commercial work, has been put into Room 9 which makes a very satisfactory commercial room.

A floor has been laid in the unfinished room at the rear of the

platform in Cotting Hall. This room will be used for gymnastics in the freshman class and ninth grades. It makes a very good room for the purpose. It is our desire to put into this room some simple apparatus for gymnasium work and games. I feel sure that the use of this room will be a source of both pleasure and benefit to High School pupils.

The first year class in the High School is larger than usual, the class in December numbering seventy-five. It is divided into two sections, and should properly be in three sections to secure for every pupil the amount of individual attention necessary for the best results. Without doubt, next September the new "freshman" class will have to be divided into at least three sections, necessitating the use of another room.

There is no doubt that the commercial course will result in keeping a large number of pupils in school who would otherwise go to work. If this very desirable anticipation is justified, within a few years, we shall either have to build an addition to the High School Building or keep the ninth grade in the grammar buildings.

During the last two years, two new rooms have been put into regular use, thereby necessitating their heating during the fall and winter months. Two extra rooms to be heated by an already inadequate heating plant, has proven a serious matter. Should we have a prolonged period of cold weather, it would probably be necessary to close some rooms, certainly Cotting Hall, during the cold spell. The small boiler should be taken out, and a new one, of the same size as the larger one, substituted. Then by using a motor to run the machinery in the manual training room, the building could be heated satisfactorily in all kinds of weather.

The Teaching Force. During the year there have been eleven changes in the teaching force, two in the High School and nine in the grades. An additional male teacher with the rank of submaster has been secured for commercial work in the High School.

Miss Elizabeth S. Magay, teacher of French and Latin, has given up teaching to take a position in a business house. Her place is filled by Miss Marion Foster.

Miss Bertha T. Davis, teacher of history and English, resigned to accept a position in the Springfield High School. Her place is filled by Miss Mabel E. Bowker.

Miss L. Alice Upham, Grade IX., has given up teaching, and her place is taken by Miss Helener G. Robertson.

Miss Harriet M. True, Grade IX., accepted a position in the Newton High School, her place here being filled by Miss Susan F. Burbank.

Miss Carolyn E. Mann, Russell School, Grade VI., accepted a position in Cambridge. Her room is now taught by Miss M. Alice Connor.

Miss Eva M. Cotton resigned her position in the Russell School, Grade IV., and Miss Mae Blackmar is in her place.

Miss Florence W. Jones, Russell School, Grade II., resigned to be married, and her position is taken by Miss Myrtle Davis.

Miss Marion Leland, Cutter School, Grade V., is not teaching this year, and her place is occupied by Miss Mary L. Morrison.

Miss Dora Leadbetter, Locke School, Grade VI., has gone to Cambridge to teach, and is succeeded by Miss Bertha M. Wright.

Miss Alice M. Paige, Parmenter School, Grade II., accepted a position in Malden, and is succeeded by Miss Grace B. Tibbetts.

Miss Zada Furber, Locke School, Grade V., resigned to be married, and her place is taken by Miss Philena A. Parker.

Permanency of the teaching force is one of the requisites for obtaining good results. It may be seen from the above list that we have not yet arrived at that condition. If, however, the Town upholds the School Committee in its desire to raise the maximum salary in the grades, we shall have better schools, for we shall not only lose a smaller number of teachers because of higher salaries in other places, but we shall be able to attract better teachers to Arlington.

Of the new teachers secured, five are college graduates and seven are graduates of normal schools. All have had successful experience in other places.

Only one consideration influences the school officials in the selection of teachers, and that is the highest good of the schools. The question of partisanship, relationship, friendship, residence or creed has never been considered for a single moment by any member of the Committee in the election of teachers.

Promotions. In the nine grades in our Grammar Schools, two hundred twelve children failed of promotion last June. That means that two hundred and twelve children actually lost a year of their school lives. This is very serious. Such a state of things cannot go on. On giving the matter your serious thought you will doubtless agree that there is something radically wrong with a system in which fourteen per cent. of the children fail of promotion. Either the standard is too high or children get too little individual help. We know, of course, that the latter is a fact, and it seems, under our present system, to a certain extent, unavoidable.

There were some good things about the country schools of years ago which must be conceded. There was no general attempt at classification, and the elective system prevailed. Each selected his favorite studies and worked upon them independent of the rest of the school. Progress along the chosen lines was rapid. A spirit of self-reliance was developed. Best of all, the bright were not retarded by the slow, nor were the slow forced beyond their ability.

The most just criticism of our graded school system is its "deadly uniformity." "Forty to fifty pupils are in lock step, and the rate of advance is determined by the average third. The bright pupils who

might do double the work are repressed, while those whom nature has not so highly favored are either forced beyond their natural capacity or left at the end of the year hopelessly behind. The individual is lost sight of in the mass."

The difficulty is a real one, and many attempts have been made to remedy the evil with varying degrees of success. Some places have promotions twice a year, some every term, and one place about every six weeks. In some places "skipping classes" have been organized in which three years' work is done in two, or four years' work done in three. In schools having from twelve to twenty classes the last seems to be a good plan.

The latest plan, and the one now receiving the greatest attention, is the Batavia Plan, so called because it received its first systematic trial in Batavia, N. Y. The plan contains nothing absolutely new, but in Batavia the ideas have had the advantage of methodical application and persistent working. The prominent feature is that a large portion of the class instruction and recitation is replaced by the direct teaching of the individual child. A definite part of every session is set apart for this work. The rest of the class is busily employed at study or written work while the teacher with a child seated beside her is giving the help needed, or giving directions for future advance work. With the skillful teacher each child gets just the help he needs, and each child knows that his advancement depends wholly upon his own effort. No attempt is made to keep the whole class together except in such subjects as music and drawing, though there may be small groups going along at the same rate. The precocious may advance to the top of his ability, the mediocre may go along as fast as he will, while the slow child is encouraged to go as fast as he can. It is planned that those who are behind in one or two subjects (very few children are behind in everything) will get just the instruction and encouragement needed. Class instruction and recitation are not entirely given up. They have a place, but that feature is subordinated to the needs of the individual. I am told by one who is an enthusiast, that a healthy spirit of emulation is inspired, each one realizing that his promotion depends upon his individual effort. Promotions from one grade to another are made at any time during the year that the teacher thinks a child fitted for the work of the next grade. At the end of the year, no one is left behind to repeat the work except in very rare instances where there is long continued absence because of illness, or other unavoidable circumstances. This plan is being tried in a few places in New England, and thus far with promises of success. Nothing but longer experience will demonstrate its final value.

For the successful working of this plan, a teacher should have not more than thirty pupils, possibly thirty-five — an ideal number for class work as well — in order to do the work alone. A teacher to succeed in the work must be a kind, sympathetic, patient, skill-

ful, versatile woman. All our teachers, like average mortals, unfortunately, are not all that.

It is apparent that our schools need a plan of some sort to secure the promotion of pupils when they are ready for it and to prevent the deadening repetition of a whole year's work.

If all the children who were kept back this year remain in school an extra year, as will result to all those who go through the grammar grades, it means a cost to the Town for their instruction of over $6,000. Not all, however, do remain. Many drop out discouraged. If any plan can be devised to save this extra year for the pupil and for the school, it would be not only of immense value to the slow child, but a great saving in expense to the Town.

The Batavian idea is certainly a good one and a modified form is urged on the teachers. I assure you that no such number of pupils will be kept back next year. Such a scheme is applicable not only to the grades but to High Schools. Many pupils drop out of High School early in the course through sheer discouragement. They are thrown more upon their own resources in the High School. The habit of self-reliant, individual work has not been formed. They have depended heretofore much on the aid and encouragement of the teacher, and, after vain attempts to make a creditable showing, they drop out of school. Many pupils are conditioned in one or more studies, largely, no doubt, because of their own indifference, but in many cases because just the individual help and encouragement needed was not given at the right time. It is the duty as well as the privilege of every teacher to give to the slow or backward child the fullest measure of encouragement and help just as long as there is the slightest hope of his ultimate success.

Athletics and Gymnastics. The baseball team and the hockey team of the High School have been remarkably successful during the year. The baseball team last spring was among the best of the High School teams around Boston. More to be commended even than their ability as ball players was their conduct and bearing on and off the field wherever they appeared. They conducted themselves in a gentlemanly manner that made them a credit to the Town of Arlington, as well as to the High School.

It is a lamentable fact that a Town, to which so much credit is given by neighboring towns and cities for having such clear-headed, clean-minded boys, should so little appreciate them that it furnishes no play-ground for them to develop their teams upon, but allows them to pay out every year over $150 for rent of a field on which to play ball.

The ice hockey team was ranked as the best school-boy team in the State by impartial critics.

The report of the supervisor of gymnastics will be found in the appendix, to which I call your especial attention.

Value of the Public Schools. The public schools cost a

great deal of money, but in comparison with the value obtained I believe the cost to be small. We should not forget the great value of their work in our community and the opportunity they offer every child who enters their doors to obtain a splendid equipment for successful service in life.

In their object and achievement, their far-reaching influence in determining the citizenship of our Town and the destiny of our Nation, they remain in this community, as in most communities in our land, the one institution worthy of not only the most liberal expenditure of money, but the object of civic pride and popular appreciation.

President Hyde, of Bowdoin College, says:

"The public school is the institution which says that a poor boy, though he may eat coarser food and wear a shabbier coat and dwell in a smaller house and work later and harder than his rich companion, still shall have his eyes trained to behold the same glory in the heavens and the same beauty in the earth; shall have his mind developed to appreciate the same sweetness in music and the same loveliness in art; shall have his heart opened to enjoy the same literary treasures and the same philosophic truths; shall have his soul stirred by the same social influences and the same spiritual ideals as the children of his wealthier neighbors.

"The socialism of wealth, the equalization of material conditions, is at present an ideal dream, a contradictory conception, toward which society can take, no doubt, a few faltering steps, but which no mechanical invention or constitutional device can hope to realize in our day. The socialism of the intellect, the offering to all of the true riches of an enlightened mind and a heart that is trained to love the true, the beautiful and the good; this is a possibility of the children of every workingman, and the public school is the channel through which this common fund of intellectual and spiritual wealth is freely distributed to rich and poor.

"Here native and foreign born should meet to learn the common language and to cherish the common history and traditions of our country; here the son of the rich man should learn to respect the dignity of manual labor, and the daughter of the poor man should learn how to adorn and beautify her future humble home."

I recognize the fact that the schools are open to criticism. They are a long way from being what I wish they were, and what we intend to make them. I believe the teachers, and those in charge of the schools, welcome generous and intelligent criticism. We do not love unfair criticism, but even that is much to be preferred to indifference. Much of the friction between pupil and teacher would be avoided and the teacher's work and motives better understood and appreciated, if the parents visited the schools more frequently and shared with the teacher her aims and responsibilities.

In considering the value of the schools, we should not forget the most important factor in the whole problem — the teacher. Her value to the community is, by most citizens, very little considered. So long as she makes no startling mistake, she is allowed to go comparatively unnoticed. She gets little social recognition, yet, next to the parent, she is the greatest personal influence in determining what a boy or girl is to be.

Fine buildings, perfect equipment, learned essays and lectures by specialists on education, counsel and advice from the Superintendent, an interested community — none of these things can give us good schools. It is the consecrated teacher, devoted in mind and body, laboring day after day in the schoolroom to lead onward the young souls committed to her care — this is the important factor.

There is one side of the *true teacher's* work which cannot be put into figures or recorded in letters. It is the helpful, ethical spirit she puts into it. It is the daily exemplification in her life of the Golden Rule. It is the "cup of cold water" that received the commendation of the Master. I have known of cases where the teacher has been the comfort and inspiration in the home of her pupils. The cause of prolonged absence and anaemic conditions have been investigated. I have known of low salaried teachers who have used their own money to help poor families to buy shoes and clothing for the children that they might come to school, and the teacher in the next room never suspected the sacrifice. None of these things appear in reports, none is shown in the averages of the room, but the people should know that the *true teacher's* work is not bounded by the class-room or confined to school hours.

In concluding this report, I desire to express to you my hearty appreciation of the confidence and cordial support which you have given me; I desire to merit it.

Respectfully submitted,

JOHN F. SCULLY,
Superintendent.

REPORT OF THE SUPERVISOR OF MUSIC.

Mr. John F. Scully, Superintendent of Schools:

I submit to you with pleasure my report on the condition of the schools in music.

The teachers are working earnestly along right lines and with the best material. The aim in music is, as in reading, so to train the pupil that when he leaves the High School he can sing correctly with pleasure to himself and others his part in a song or chorus with the same facility as he would read a book.

The books used are those of the Normal Course, of which a well-known New York musician said, "I would rather have given that

system to the world than the 'Moonlight Sonata'". From the first the ear of the child is accustomed to full harmonies, minor and chromatic. Our children are not limited to the three chords upon which too much public school music is based. When a Grammar School boy returns a symophny ticket saying, "Wasn't it *great!* I thought it would be too much for me, but it's just like our Third Reader, isn't it!" — it is a very happy criticism of the character of our daily music. Most of our State Normal Schools use this course in preparing their teachers.

The following schedule suggests a few of the most important points in the work of each year:

Grade I. First comes the teaching of the scale to the class, individually, and the greatest of care is necessary, for the little voices are in every stage of development, some ranging over the high tones only, others controlling simply the low ones. The voice-building of the "monotones" is a very interesting process. When the majority of the class can sing the scale as a whole, its parts, the intervals, are conquered, thoroughly and happily. Children always enjoy doing what they can do well.

In close connection with this tone-work comes the time-study, those measures of two, three and four-part time which include the undivided beat, with the use of the swinging pendulum.

The presentation of the staff is a most interesting step — pupils read from it at the first lesson readily, if the preparatory work has been thoroughly done.

Coming to school in September with no power to sing the scale, in June, average first-year pupils can read simple exercises and songs from the charts in four keys, C, G, D and A, in time, and with sweet, pure tones. Their eagerness to try new exercises individually testifies to their enjoyment of the work.

Grade II. During the long summer vacation the little minds have forgotten much of the technical work of the first year, so the fall months are spent in *remembering.* The voices in this grade are smoother, more self-reliant, and delightful individual singing can be obtained. Simple exercises and a great many little songs in nine keys are used from the chart. The last part of the year easy first readers are used with many more songs and exercises, the aim being to supply the best strengthening food to the growing musical sense. No two exercises are alike, each new exercise having some variation of time, accent or tone. The problem once conquered, the next exercise is taken, thus keeping the music always fresh and interesting.

Grade III. The third year sees established in the average child a strong, true sense of rhythm, the ability to grasp *at sight* problems of tone not including chromatic skips, and time-problems of the undivided beat in the varying measures of two, three, four and six-part time. In the last part of this year two-part singing is given. No attempt is made to assign definitely

soprano and second soprano parts, as the exercises and songs are most wisely prepared so that the singing of both parts lies within the voice-compass of each child. The aim here is to establish in each pupil the power of thinking and singing one tone while another part of the class sings another. Each child has drill in "carrying a part." The recognition by these little people of tone and time problems, and their accuracy of execution to those not familiar with the daily advance of the classes, seems wonderful.

Grade IV. Starting the year with a conscious strength for conquering difficulties, the child advances very rapidly. For tone-problems, the chromatic scale, carefully introduced from the old friends, the half-steps, is given. Sharps are given first — (1) from the tone above, (2) from the tone below, (3) each sharp the objective point, (4) common chromatic phrases including sharps. The flats are then developed in a similar manner.

For time problems the divided beat and its combinations are given, and their recognition and representation studied as the simpler time is in the lower grades.

Written work begins here. The correct making of notes, the staff, etc., and the writing of simple major scales in nine keys are taught.

Grade V. In the last part of the fifth year we take up the most advanced time difficulties, three and four sounds to a beat and their combinations, and continue the training for accuracy of ear, sweetness of tone production, strict swinging time in exercises, and all possible expression in songs.

The division of the pupils into first and second sopranos occurs in this grade. The written work is the first five chromatic scales.

Grade VI. Three-part singing comes in the sixth year, and the voices are divided into first and second soprano and alto. The written work is the completing of the chromatic scales.

Grade VII. Here we see most satisfactorily the results of the thorough, systematic teaching in the lower grades. The three-part work is continued, and the Introductory Third Reader, a most valuable book containing exercises and songs of greater chromatic difficulty, is used. The beautiful harmonies, with the free use of dissonances, which necessitates independence of musical thought, are leading the pupils unconsciously to an appreciation of the best music. The written work is a review of the chromatic scales.

Grade VIII. Constant practice on and wider development of the Grade VIII. work, with the study of the minor scales and modulation.

The writing is now of minor scales.

Grade IX. Sometimes in the eighth year, always by the ninth, we are ready for four part singing. The F clef is presented and the bass singing of the boys very carefully, gently started. The Cecilian, Book III, is the book used. This provides for a systematic and thorough review of all tone and time problems of the preceding years.

High School. The work of the High School must necessarily vary greatly according to the amount of time which is given to the music. Our work has been largely chorus work, the training and careful development of tenors and basses, sight work, boys' part songs, girls' choruses, singing by the entire school in five, six, eight, or any number of parts, and the learning to follow accurately the baton of a director. This partial list of some of our recent choruses will show the character of the selections : —

Hallelujah Chorus, from "The Messiah."
And The Glory of the Lord, from "The Messiah."
The Heavens Are Telling, from "The Creation."
The Lord is Great, from Mendelssohn's "Athalie."
Heaven and the Earth Display, from Mendelssohn's "Athalie."
Pilgrim Chorus, from "Tannhauser."
Damascus Triumphal March, from "Naaman."
Gloria in Excelsis, Mozart.

I wish to quote from the report of the Music Conference held under the auspices of the New England Educational League, — "A frequent example of the neglect of a serious consideration of music in public education : A youth reaches the High School age desiring to study music with a serious purpose, which desire is approved by parents and teachers. He is met by these school conditions ; *first*, he must add music to his High School course as an out of school study and thus run the peril of over-crowding, a condition which occasions much parental complaint, and may result in permanent injury to the pupil ; or, *second*, he must drop music, which, in the deliberate opinion of his advisors, may be to him one of the most valuable studies of the High School period ; or, *third*, he must leave the High School ; for the present school system neither teaches, credits nor favors the serious study of music. These conditions make it difficult for parents to carry forward the musical education of their children, and at the same time secure the *general* High School advantages. They curtail the opportunity of the musical element of society for literary and general training."

In order to correct this evil Harvard University and Tufts College already accept work done in music, giving points on entrance examinations, other colleges are considering it. A number of our High Schools, accordingly, allow credit for work done on piano, organ, violin, cornet or harmony out of school (if the High School course cannot offer it) to count toward a diploma. I earnestly anticipate the time when such opportunity may be open to Arlington High School pupils.

Once each year for the past four years the grammar grades have been given a written test on the music. In 1903 the number of classes averaging above 70% was four. Last year only three classes fell below 70% in average.

Beginning with the fifth grades, I have personally tested the voice of every pupil in our schools at least once each year, oftener

in many cases, watching the changing voice that it may not be strained, and placing the boy or girl on the part which at that time seems best to meet the needs of the voice.

During the past year, "Songs of the Nations," a valuable collection of the best familiar hymns, ballads and patriotic songs of many countries, have been placed in the buildings and are being used with enjoyment and profit. A "kindergarten" organ, small enough to be carried easily from room to room, has been placed in each building. These are long enough in range — four octaves — to give much happiness to the pupils and great assistance to the teacher.

Permit me, in closing, to express my grateful appreciation to the Committee, who for so many years have made my position almost an ideal one, to the Superintendent who can and does do for my boys the one thing that I cannot do for them, and to the teachers and pupils, who by their earnest coöperation and responsive attitude have made the results of these years very gratifying.

Very respectfully,

Blanche E. Heard,
Supervisor of Music.

REPORT OF SPECIAL TEACHER OF MANUAL TRAINING.

Mr. John F. Scully, Superintendent of Schools :

Dear Sir : — In compliance with your request I submit to you a report of the manual training department.

Receiving instruction in the manual training work are about two hundred boys comprising grades seven, eight, nine, and the English course of the first year in the High School. These are divided into eleven classes varying in numbers. The seventh, eighth and ninth grades are taught bench work after the sloyd method. The work of these three years is designed to familiarize the pupils with the simple tools of carpentry and their uses. The seventh grade devotes one lesson of one and one-half hours per week, through the year to the making of ten useful pieces of wood-work. These pieces are intended to teach planing, sawing and some whittling. The eighth grade devotes one lesson of two hours (except the Russell School where they have two lessons of one hour each) per week through the year to making several pieces of work requiring more thought and care than the first year's work and taking up exercises in chiseling and chip carving in addition to the planing and sawing. The ninth grade has two lessons per week of about one hour and forty minutes each. This grade is instructed in laying out and cutting carpentry joints during the first part of the year. This work later

receives a pratical application in finished pieces. Some chip carving and finishing in shellac and varnish is also taught in this grade. Boys of the ninth grade are allowed to attempt some sharpening.

A course in mechanical drawing has also been laid out for these three grades. The seventh grade take up some preliminary exercises designed to teach them the use of the T square, triangles, drawing board and compasses. These exercises are continued in the eighth grade and are followed by some working drawings. The ninth grade take work in orthographic projection and follow this with some working drawings. The work of the English division of the first year in the High School is in wood turning and pattern making combined with some bench work.

It is to be regretted that some arrangement cannot be made for more of the boys of the High School to elect turning when they desire to do so.

It is desirable that parents shall visit this department that they may better understand what is being accomplished. Too many parents get the erroneous idea that we are teaching boys to be carpenters. The real design of the manual training is to develop in the boy habits of accuracy, neatness and independent thinking.

To instruct these two hundred boys once and about eighty of them twice each week I am obliged to teach seven hours on Tuesday and Thursday and six and one-half hours on Wednesday and Friday. This is too great a tax upon any teacher's strength, and if the committee could employ my full time it would be greatly to the advantage of this work.

While the work is regularly marked, the marks are made little if any account of in promotions. So important a branch as this should receive due consideration in promotions.

The equipment of the room is ample for the work and in excellent shape, with the exception of the engine. The engine is much out of repair and needs a large outlay. No repairs have been made upon it during the twelve years it has been in commission. It seems to me it would be economy to replace the old engine, which is dirty and unsanitary, besides being unsatisfactory, by a motor. My work could be done to much better advantage and economy of time if we had a motor that could be used out of school hours. Many times in warm weather the janitor is obliged to have twenty pounds of steam to run the machinery when no heat is needed in the building. A motor would do away with this necessity, besides combining neatness, utility and economy.

Respectfully submitted,

ALFRED C. COBB.

REPORT OF THE SPECIAL TEACHER OF SEWING.

Mr. John F. Scully, Superintendent of Schools:

In compliance with your request, I present, herewith, my report as special teacher of sewing.

The course, as planned, is designed to teach not only plain sewing but various practical ways of working in the construction of garments; and, by use of the sampler, the pupil is given something for future reference.

The first half of the present year has been spent on the sampler, and many pupils will soon be ready to apply the knowledge thus gained to the making of garments as prescribed by the course, each grade having assigned to it such work in this line as seems best fitted to the amount of ground covered.

No cast-iron rule, however, is followed in this respect. Girls here and there may have no use for the particular garment of their grade and are allowed to choose something else, the making of which is within their ability. Interest in what is being made is the greatest incentive to securing satisfactory work.

The ability to sew neatly and easily varies greatly under the same instruction. It is quite possible at the first lesson in September, to select those who will to the end of the course handle the needle and thimble awkwardly, and make hard work out of what to many is an easy and graceful exercise. If to this is added a natural distaste for work with the hands, and, consequently, a shirking of practice out of school, it becomes rather discouraging for the teacher who can give to these pupils but a small fraction of the hour lesson each week. She often finds forgotten and undone this week what she labored hard to impress the week before.

It is not possible to obtain an equal amount of finished work from each girl, if this were considered desirable. Many find their limitations far short of the full course, but, since it is planned for the quick ones, there is never any idle time.

The ninth grade, having spent four years on very practical work, seem to have fairly earned the right to a little "fancy work." All who desired, have been allowed to lay aside the regular work for a few lessons at this season and apply what they have learned, particularly in Mexican work, to the making of center pieces, bureau scarfs, doileys, handkerchiefs, collars, etc., as Christmas work.

The next in line for this grade is a cotton dress or some part of one, the amount varying with the ability of the different pupils. This branch of the work could be made much more practical if the girls of this grade could be taught the use of the sewing machine. There is much sewing in the construction of garments which is much better done in this way, notwithstanding a fad for hand work. At present the girls are obliged to prepare work for the machine and take it home to be stitched at the convenience of those who do it for them, beside losing the value of the experience to themselves.

I would earnestly recommend a sewing machine for the use of the ninth grade.

Any ordinary system of cutting by chart for pupils of this age has seemed so impractical that it has been deemed wiser to teach the use of patterns until something more desirable presents itself. This may be found, possibly, in the School System of garment cutting as presented by the Parker Whiting Co., of Boston. It has some good points to recommend it, and I would suggest a consideration of this system by the Sub-Committee on this branch of school work.

Respectfully submitted,

MARY J. COPELAND,
Teacher of Sewing.

REPORT OF SUPERVISOR OF DRAWING.

Mr. John F. Scully, Superintendent of Schools:

DEAR SIR: — In accordance with your request, I present my report of the drawing for the past year.

The work has included both artistic and practical training. The aim of the artistic study has been to increase the love for the beautiful, and, in its practical aspect, to teach the use of that knowledge in every day life. To attain these ends there has been a course in freehand, and a course in mechanical drawing. It may not be amiss to state what we have tried to accomplish along these lines, and to note the methods which have been used.

I. ARTISTIC APPRECIATION. As there are certain books and certain musical compositions which have power to exert a wonderful influence for good, so there are certain works of art which appeal to the best that is in us. Fortunately our schools are unusually well supplied with such pictures and casts, and by their study, as well as by the use of small reproductions of other works of art, the pupil comes to have a higher standard, comes also to possess a general information regarding some of the most important works of art, and to know something of the lives of the artists themselves.

Considerable attention is now given to the subject of design, for more and more the spirit of the age demands things pleasing to the eye, and it is important to a people whether this demand is met by importing goods, or by educating our own people so that they shall be able to give to common materials the value which taste and skill alone can impart. This training must begin in the public schools, and in order to obtain the best results, the pupil must feel that his design is not merely a piece of paper, but is to be applied to some useful article. Thus one class makes a calendar, another a book cover, a third a portfolio, yet a fourth use the patterns to ornament articles made from leather.

The latter is of special interest. The tooling of leather has been

carried to perfection in many foreign countries, and of late there is a tendency to do leather designing in our own country. The ornament is first traced upon the leather, then the leather is moistened and the pattern cut into it with an outlining tool. The background is next rubbed so as to show darker than the figure, or finished so that it has a rough surface. The leather is sometimes modeled, when it is worked from the wrong side so that the design is raised slightly above the background. The tools for the work are inexpensive, only one or two being required, and as the pupils always wish to keep whatever they make, they buy their own leather. There are so many small, useful articles such as purses and card-cases, that the expense is not great.

II. Freehand Sketching. This includes study from plant forms in outline, light and shade, and color, also the sketching of common objects and everyday scenes in outline and light and shade. The ability to see truly and to represent what is seen is a thing every one should possess, even though all may not be able to make artistically finished drawings. The High School teacher of physics and chemistry wishes her class to sketch the apparatus of the laboratory, the instructor of botany calls for nature drawings, and outside school life there are many occasions when ability to produce even a rude picture serves better than many words.

III. Mechanical Drawing. We cannot afford to do without this subject. Our boys must know the language which the inventor must use if he wishes to design a machine, the architect must know if he would plan a house, and which the workmen too should understand in order to execute intelligently the idea of the inventor or architect. Mr. Sargent, recently State Supervisor of Drawing, reports that the average builder asks us to teach more mechanical drawing, and says that only two or three out of a force of fifteen men can read a blueprint without assistance. Below the High School, both boys and girls study mechanical drawing during a portion of the year. In the fifth and sixth grades, a special course in cardboard construction and geometrical problems is planned for the boys, while the girls are sewing. In the first year of the High School, there is a course mechanical drawing extending through the entire year, and most of the boys choose this course, as most of the girls elect the freehand course for the year.

As the lessons are given largely by the regular grade teacher, meetings are held frequently for instruction as to the carrying out of the course of study, and occasionally to give actual practice in drawing.

I desire to acknowledge my appreciation of the faithful work done by our teachers, also the many ways in which assistance has been rendered and the duties made pleasant by the members of the School Committee, as well as by the Superintendent.

Respectfully submitted,

Evelyn F. Cross,
Supervisor of Drawing.

REPORT OF THE SUPERVISOR OF PHYSICAL TRAINING.

Mr. John F. Scully, Superintendent of Schools:

In compliance with your request, I present, herewith, my report as supervisor of physical training.

Since the introduction of Physical Training in September, 1905, daily lessons have been given in the first eight grades by the regular teachers. With the exception of the Russell School where it was ably started by Miss Westcott, it was an entirely new subject both to teachers and pupils. The cordial reception by all made it possible to make a most encouraging beginning.

Although performed with the limited conditions which the school room affords, the windows are thrown open and the work is done in fresh air, knowing that by vigorous exercise we shall quicken the circulation, improve respiration and in a measure overcome the necessarily unfavorable condition of school life. Without apparatus the work of actual body building is slow, but it is reasonable to expect the following results: correction of faulty posture in many cases; that the children shall learn to breathe well; that they shall sit and walk correctly; that the body shall be a ready servant of a quickened mind and a stronger character.

The work is designed to be hygienic, corrective, educational, recreative, and ethical; and these results are accomplished by formal gymnastics, rythmical exercises and games.

Observation of the teachers' work, lessons of demonstration; frequent meetings and consultations have developed intelligent work on the part of the teachers and, in many cases, exceptionally good results have been obtained. The excellent work of the principals, especially in the eighth grades, tells its own story in the ability and interest of the present ninth grade.

The present year opened with an opportunity, greatly appreciated, of extending the work to the ninth grade and the freshman class of the High School. This extension called for the services of an assistant and Miss Miriam A. Tobey, a graduate of the Boston Normal School of Gymnastics and an experienced teacher, adds one day a week to the supervision, making it possible for each of the first eight grades to be visited once in two weeks, and for the ninth grades and freshman class to have two lessons a week. In addition to these visits, over thirty extra lessons have been given since September to new teachers and to others needing or desiring additional time. One of the most gratifying and valuable features of the work has been the demand of the teachers for assistance, and the excellent spirit in which criticism has been sought and received.

A room in each grammar school suitably equipped with apparatus would be a most valuable addition to the already splendid equipment.

The most critical part of the educational system physically is that which deals with the girls of the High School. Greater skill is needed in caring for girls between the ages of fourteen and eighteen than at any other time, yet that is the time when the greatest pressure is put on the mental side of their life, and a girl must be "prepared for college" and society whether she has a sound body to take with her or not. A large proportion of girls leave the High School in poorer health than when they entered it. Ought not a supreme effort be made to improve health rather than injure it?

The examination of sight and hearing by the State law has come because these are the most apparent hindrances to the accumulation of facts, but, to my mind, the discovery of mal-nutrition, spinal curvature, and other physical conditions against which girls are struggling is even more valuable. Examination by a physician who knows the value of gymnastics and the wise use of a well equipped gymnasium is an important factor in solving this critical problem of the High School girl's health.

I speak with renewed conviction on this point, having with Dr. Sarah A. Bond, of Boston, just completed the work of examining all the girls who take gymnastics in the Brookline High School. It has proved most valuable in directing the character of the gymnasium work and in explaining mental and moral deficiencies in many of the students.

Dr. Robert W. Lovett states that lateral curvature is found in 26% of the average of school children, wherever examined. This begins with 8% to 10% in the lower grades and increases to 32 and 33% in the High School.

It would be unreasonable to claim that school room gymnastics will cure lateral curvature, but it ought to *prevent* a large proportion of it, and if it is combined with constant care of habitual position and movements during adolescence ought to result in excellent carriage.

With comparatively small expense for the purchase of apparatus much work of a corrective nature can be done in the room in the High School to be used for gymnastics. This phase of gymnastics is of real importance, and needs to be done while the muscles are flexible.

In conclusion, I wish to add my hearty appreciation of the generous support that has been given to the department of Physical Training.

Respectfully submitted,

BESSIE L. BARNES.

REPORT OF THE SCHOOL PHYSICIAN.

Mr. John F. Scully, Superintendent of Schools:

I herewith submit my report as School Physician from the date of taking up the work, March 7, 1906, to the end of the year.

The school inspection was under the direction of the Board of

Health until September 1. On that date the work was put in charge of the School Committee by statute, and I was appointed School Physician.

The total number of examinations made since March 7, is 1,159. Of these 292 were examined as to vaccination. The number excluded from school is 84. Of these, 18 were required to be vaccinated, 14 were suffering with whooping cough, 14 from pediculosis, 8 from scabies, 7 from suspicious sore throats, 4 from measles, 4 from conjunctivitis, 3 from tonsilitis, 2 from mumps, 2 from nausea, 1 from headache, and one from ivy poisoning. Two were sent home for obtrusive lack of cleanliness and 4 were dismissed as having been exposed to contagious diseases, 2 to diphtheria, 2 to scarlet fever. Besides this one whole room in the Locke School was dismissed as a case of diphtheria was known to have been present during a session. The room was fumigated.

Special diligence is used in guarding against contagious diseases, and every effort is being made to discover undetected mild cases. Our endeavor is to make the school room the safest place in which a child can be. On a mere suspicion of the presence of a communicable disease in a room, every child is examined and extra caution is observed till the danger period is passed. Such examinations have been required from time to time during the year and on one occasion a room was closed and fumigated.

Many cases of contagious disease are of a type so mild that no physician is called. These are the cases that commonly give rise to epidemics, as the infected person mingles freely with others. One of the most important results obtained by medical inspection is the prompt elimination of these cases from the schools of the town.

The interest and hearty co-operation of the superintendent and teachers has been of great assistance in making the work effective.

Respectfully submitted,

Charles F. Atwood, M. D,
School Physician.

REPORT OF THE TRUANT OFFICER.

Mr. John F. Scully, Superintendent of Schools:

I herein present my report as truant officer of the Town of Arlington, Mass: —

Number of calls made	267
Number of truants	32
Kept home for sickness	52
Kept home by parents	171
Kept home for lack of clothes	12

Respectfully submitted,

William T. Canniff,
Truant Officer.

ORGANIZATION OF THE SCHOOLS.

Information concerning our schools is frequently sought by citizens. Following are the principal facts concerning them. Additional knowledge may be gained from the Rules and Regulations:

Primary Schools. Our elementary school course covers nine years, the first three of which are spent in primary schools. We have no exclusively primary school buildings, though the Parmenter School has but one grammar class. The seventeen primary classes are distributed among five schoolhouses.

Vaccinated children five years of age, or who will reach that age on or before the first day of October, are admitted during the month of September only, provided they have never attended school before. Applications for admission should be made to the principal of the school.

Only experienced teachers are employed, the salaries being $500, $550 and $600.

First-grade teachers, with classes numbering fifty, are allowed an assistant, who is paid from five ($5.00) to ten ($10.00) dollars a week.

Grammar Schools. The grammar classes except the ninth grades are found chiefly in four buildings. The course covers six years, and includes only those studies which the statute requires, with the addition of music, sewing, gymnastics and manual training.

The ninth grades attend school in the High School building. The salaries of grammar school teachers are the same as those of primary teachers, except that teachers of the ninth grades may receive $650.

Promotions. Promotions in all grades, from the first to the thirteenth, are made in June by the regular teacher and the principal, with the approval of the superintendent. They are based on the estimate of the pupil's daily work made by the teacher and recorded bi-monthly. Occasional brief, unannounced, written tests are a factor in this estimate.

Where there is reasonable doubt of a student's fitness, he may be promoted on a trial of two months. In such cases the parent is notified and kept informed of his child's progress. At the end of this probationary period he may be returned to his former grade, provided it seems best for him.

Children capable of more rapid advancement may be promoted one or more grades at any time.

Fitness for graduation or for admission to the High School is determined in precisely the same way. Diplomas are given in grammar and high schools to those who have satisfactorily completed full courses.

Graduates of grammar schools are admitted to the High School on presenting a certificate of qualification signed by a grammar school principal. All other pupils are admitted by an examination in grammar school studies, given on an appointed day preceding the opening of the schools in September.

The tuition for non-residents is the per capita cost for the year, payable in advance. In the grammar schools there are two sessions daily : one from 9 to 12 o'clock and one from 1.30 to 3.30. In the High School building there is one session from 8 to 1 o'clock. In very stormy weather either or both sessions may be omitted.

Manual Training. A special teacher is employed for four days a week. A room is equipped in the basement of the High School building for the manual training department. The course includes carpentry, wood-turning, and carving, and mechanical drawing. The work is done by the seventh, eighth and ninth grades and the first year High School class.

Sewing. A special teacher is employed for four days a week. Sewing is taught to the girls in the fifth, sixth, seventh, and eighth grades in weekly lessons of one hour each, and to the ninth grade in weekly lessons of two hours each.

Music. Music is taught in every grade of the schools. A supervisor is employed for three days a week. She visits the High School two mornings a week, and every grade room at least once in two weeks.

Drawing. A supervisor is employed for two days a week. She visits the first year High School and ninth grades once a week, the fourth, fifth, sixth, seventh and eighth grades once in three weeks, and the first, second and third grades once in seven weeks.

Gymnastics. A supervisor of gymnastics is employed for two days a week, and Swedish gymnastics are practiced twice daily in all grades below the ninth. The supervisor visits every room in the grammar buildings, once in two weeks, and gives instruction in the ninth grades and freshmen class twice every week.

REPORT OF REGISTRARS OF VOTERS.

ARLINGTON, Dec. 30, 1906.

The Board of Registrars of Voters herewith submit their report for the year ending December 30, 1906.

During the year a new registration book, made in accordance with the present requirements, has been purchased, and the entire list of persons who have ever registered in the Town has been compiled and placed in the card index, making it possible to find a voter's name and date of registration very readily.

The total number of registered voters reported December 30, 1905, was		1,893.
Whole number males	1,775	
Whole number females	118	
		1,893

During the year one hundred and seventy-eight (178) names were stricken from the list for death, removal, or other causes.

At the various meetings held during the year the number added was as follows:

Town Hall, February 14th	3	
Union Hall, February 16th	2	
Town Hall, February 23rd	8	
Town Hall, September 18th	27	
Town Hall, October 18th	34	
Union Hall, October 22nd	26	
Town Hall, October 27th	85	
		185

Making a total registration for the year 185.

The list as revised to January 1, 1907, is as follows:

Whole number registered		1,897
Whole number males	1,782	
Whole number females	115	
		1,897

JOHN W. BAILEY,
FRANKLIN T. ANDERSON,
WINTHROP PATTEE,
THOMAS J. ROBINSON,
Registrars of Voters.

REPORT OF TOWN CLERK.

ARLINGTON, December 31, 1906.

I herewith submit the report of this Department for the year ending December 31, 1906.

At the adjourned Town Meeting held March 13, 1906, the following vote was passed:

Voted: "That all Boards and officers who have charge of public property file an inventory of the same with the Town Clerk on or about January 1st, of each year."

In accordance with this vote I have notified all officials and Boards and in almost all cases the inventory has been filed. The few not filing the inventory have agreed to do so during the month of January.

At the same Town Meeting, March 13, 1906, the following vote was passed:

Voted: "That the Town Clerk and Collector be directed to include in their next annual report a statement of the fees received by them from all sources."

In compliance with this vote I hereby certify that I have received from all sources, including marriages, births, deaths, mortgages and dog licenses, the the net sum of $295.85.

I desire to call the attention of the citizens of the Town to the very inadequate vault room for the preservation of Town Records. The files and indexes and other valuable papers should be in a fire proof vault, as in case of loss it would require more money to replace them, if they could be replaced, than the amount now required to properly protect them.

BIRTHS AND MARRIAGES REGISTERED DURING THE YEAR 1906.

Total number of births registered	245
Females	113
Males	132
Born in Arlington	224
Born in other places	21

The parentage of the children born was as follows:

Born in United States, both parties	103
Born in foreign countries, both parties	92
Born in United States, one parent	45
Born in foreign countries, one parent	45
Born in Arlington, both parties	14
Born in Arlington, one party	46

MARRIAGES.

Whole number of couples recorded	114
Residents of Arlington	147
Residents of other places	81
Solemnized in Arlington	69
Solemnized in other places	45
Groom, first marriage of	96
Groom, second marriage of	18
Bride, first marriage of	105
Bride, second marriage of	8
Bride, third marriage of	1
Age of oldest groom	58
Age of youngest groom	17
Age of oldest bride	58
Age of youngest bride	15

DOGS REGISTERED.

Whole number		379
Males	328	
Females	51	
		379
Number licensed in 1905		353
Paid to County Treasurer		$835 20

I have examined the Town Clerk's record of Dog Licenses and found the same correct, with the receipts from the County Treasurer for the above amount.

ELBERT L. CHURCHILL,
Auditor.

THOMAS J. ROBINSON,
Town Clerk.

BIRTHS REGISTERED DURING THE YEAR ENDING DECEMBER 31, 1906.

		$88 83

HARVEY S. SEARS,
Collector.

AUDITOR'S REPORT.

The Auditor, in accordance with the provisions of Article 16, of the Town's By-laws, adopted in March, 1903, presents his report for the financial year 1906.

The Auditor has examined the securities and accounts of the following trust funds, and finds the securieties on hand as stated and the accounts as printed elsewhere, correct:

Elbridge Farmer Fund.
Commissioners of Sinking Fund.
Pratt Fund.
High School Income Fund.
E. Nelson Blake, Jr., Memorial Fund.
Martha M. W. Russell School Fund.
Martha M. W. Russell Poor Widows' Fund.
William Cutter School Fund.
Poor Widows' Fund.
Military Fund.
Citizen's Soldiers' Fund.
Henry Mott Library Fund.
Timothy Wellington Fund.
Julia Fillebrown Fund.

The following deficits are shown in the Auditors balances:—

a.	Fire Alarm Department	$5 81
b.	Health Department	100 95
c.	Incidentals	122 23
d.	Interest on Town Debt	577 66
e.	Town House	9 99
f.	Commonwealth of Massachusetts Burials	105 00
g.	Soldiers' Relief	169 00
h.	Military Aid	366 00

a. Fire Alarm Department. Through an error made by the Auditor this account was over approved to the extent of $5.81. The Auditor respectfully requests an appropriation to balance this account.

b. Health Department. The amount appropriated for this Department had been expended and the collection of offal must be continued for two weeks or more, to the end of the year, therefore, after consultation with the Town Counsel, who advised that it was a work of public necessity, the Auditor agreed to approve this overdraft for which an appropriation is necessary, $100.95.

c. Incidentals. Extraordinary legal expenses have been charged to this account in settlement of claims against the Town.

These were not contemplated when the appropriations were made and instead of opening an account of claims and awards, the Auditor deemed it best to approve this over-draft of $122.23 which must now be provided for by a sufficient appropriation.

d. Interest on Town Debt. A change in the investments of some of the trust funds made it necessary for the Town Treasurer to pay higher rates for loans than was aniticipated when the appropriations were made, resulting in an over-draft of $577.66, for which an appropriation must be made.

e. Town House. Through an error made by the Auditor this account was over-approved to the extent of $9.99. The Auditor respectfully requests an appropriation to balance this account.

f. Commonwealth of Masachusetts Burial Account. This amount, $105.00, will later be received from the State Treasurer as a reimbursement, therefore no action by the Town is required.

g. Soldiers' Relief. The State law required that relief provided for sick and disabled soldiers be kept in a separate account, designated "Soldiers Relief."

One hundred and sixty-nine ($169) dollars was paid for this purpose during the year and as the Town made no appropriation for the same the over-draft must be cared for by a sufficient appropriation.

h. Military Aid. This Aid is required by State law for soldiers incapable of self-support. The Town is required to pay one-half, the other half is received later from the State Treasurer as a reimbursement.

No appropriation was made for this purpose.

The Auditor suggests that the full amount expended, $366.60, be appropriated to care for this over-draft.

A list of unpaid taxes is in the Auditor's office and agrees with his books. The Collector's and Treasurer's books have been examined and agree with the Auditor's books. The cemetery account and dog tax account, kept by the Town Clerk, have been examined and found correct.

The following list of unpaid bills has been sent to the Auditor, by the several departments in accordance to a vote of the Town April 7, 1904:

Department.	To whom due.	For what due.	Amount.
Town Clerk Incidentals.	Globe-Wernicke Co.	Cabinet	$22 00
Selectmen	Commonwealth of Mass.	Outside Poor	75 12
Selectmen	City of Boston	Outside Poor	168 84
Water Division	Boston & Maine R. R.	Freight	4 31
Highway Division	J. Scholl & Co.	Crusher Repairs	22 25
Park Commission	R. A. Welch	Labor (Estimated)	10 00
Board of Health	Charles T. Hartwell	Fumigating	150 00
Board of Health	John Lyons	Carriage Hire	10 00
Board of Health	C. Cronin	Burying Dog	1 00
